SEATTLE, April 15, 2021 /PRNewswire/ -- For travelers who appreciate taking an inclusive vacation with extra amenities factored upfront into the price, Holland America Line is launching a new "Have It All" premium package that includes shore excursions, beverages, specialty dining and Wi-Fi in one base cruise fare.

SAVOR THE JOURNEY

Available year-round on all itineraries six days or longer except Grand Voyages, "Have It All" is valued at \$99 per guest, per day, for a seven-day cruise, and "Have it All" cruise fares represent incredible savings of 50% or more off the included amenities compared to purchasing them individually. "Have it All" fares will be available for booking April 21, 2021.

"We conducted extensive research with experienced cruisers and travel partners to understand what they find most valuable when purchasing a cruise and the results overwhelmingly pointed toward one simple fare that included our top amenities," said Gus Antorcha, president of Holland America Line. "Our past promotions that offered these perks have been extremely popular, so we created a premium package that is available all the time and on nearly all our cruises."

### More Value and Convenience with "Have It All"

In addition to all of the amenities that typically come with a standard cruise fare, "Have It All" also includes four high-value extras in the fare with more amenities as the length of cruise increase.

#### Cruises of 6 to 9 days:

Ships without Tamarind receive one night at Pinnacle Grill or Canaletto.
