

AIDA Cruises: Bernhard Götze takes new position as Vice President IT

January 28, 2022

AIDA Cruises has strengthened the team as of February 15th, 2022: Within the new position as Vice President, Bernhard Götze assumes responsibility for the IT department with double reporting line to Wolfgang Jani, CFO of AIDA cruises and Greg Sullivan, CIO Carnival Corporation.

"With Bernhard Götze, we welcome an IT leader with many years of international experience at AIDA Cruises. We are looking forward to the extensive expertise he will contribute to the company," Wolfgang Jani says.

Bernhard Götze studied IT Management at the International Business School in Zurich, Switzerland, amongst others. By now, he is looking back on more than 20 years of international informatics career in the fields of IT strategy, development, and digitalization. Inter alia, Bernhard Götze acted as CIO International at the French Veolia group and most recently held the position of Global CIO with responsibility for the Apleona Group in Frankfurt, Germany. Throughout his career, he has received several awards, such as "CIO of the Year" and the Handelsblatt award "Diamond Star for IT Innovation".
