

## **CARNIVAL CRUISE LINE LAUNCHES VERIFLY DIGITAL HEALTH WALLET IN ALL OF ITS U.S. HOMEPORTS**

March 10, 2022

### ***Carnival Largest Cruise Line to Utilize VeriFLY App to Facilitate Travel***

MIAMI, March 10, 2022 – Carnival Cruise Line is making health screening simpler and quicker for guests. After a successful pilot of VeriFLY™ by Daon, a secure and free digital health app allowing vaccinated guests to easily submit pre-embarkation information, Carnival has launched the app fleetwide for all ships in all of its U.S. homeports, making Carnival the largest cruise line to utilize VeriFLY.

Guests who use the VeriFLY app can expect the time it takes to complete the health assessment process during embarkation to be cut in half.

“VeriFLY helps our guests easily and securely complete pre-embarkation tasks right from their smartphone. Guests can save time at the port and get on board faster by completing the process via VeriFLY,” said Carnival Cruise Line President Christine Duffy.

Using the app has been an easy choice for guests from the start. In the pilot program’s first test in January, ahead of a cruise on *Mardi Gras* from Port Canaveral, more than 85 percent of the 2,000 guests who opened an email invitation followed through by downloading the VeriFLY app.

“We were very pleased to hear about the success of the VeriFLY app used in the pilot stage with Carnival Cruise Line and are now excited to see the full deployment of VeriFLY fleetwide for all ships in all of its U.S. homeports,” said Daon CEO Tom Grissen.

Available in the App Store or Google Play, once guests download VeriFLY, they can then search for Carnival Cruise Line and complete the required steps. Guests will be asked to submit required documentation, including vaccination status and COVID-19 test results. When the process is successfully completed, a VeriFLY pass will be issued in the app to present at embarkation. For more information on VeriFLY and the process, [click here](#).

Guests who choose not to complete the VeriFLY process are still able to complete their pre-cruise tasks on Carnival.com and present required COVID-19 documents during their embarkation.
