

CARNIVAL LUMINOSA SIGN-UP PAGE NOW ACTIVE FOR GUESTS TO BECOME FIRST-TO-KNOW SHIP NEWS

July 6, 2022

As of today, Carnival Cruise Line fans can register to be the “first to know” about Carnival Luminosa’s itineraries and special sale promotions at www.carnival.com/carnivalluminosa. Costa Luminosa will join the Carnival fleet in September and will start guest operations as Carnival Luminosa™ in November 2022 from Brisbane, Australia.

Carnival Luminosa will operate seasonally from October through April from Brisbane, then reposition to Seattle, where it will sail Alaska itineraries from May through September, before returning to Brisbane.

Cruises out of Brisbane will be announced shortly, and Carnival will sail a variety of itineraries that will initially include visits to Australian favorites such as the Great Barrier Reef and Airlie Beach, and, as destinations open over time, ports of call such as Noumea and Lifou Isle in New Caledonia, Port Vila and Mystery Island in Vanuatu, Papua New Guinea and Fiji.

Luminosa is a sister ship to the four other popular Spirit class ships that already sail for Carnival. Given the short timeline to get Carnival Luminosa ready for service, the ship will go through some modest updates to change over from Costa to Carnival over the next few months ahead of the November service start-up.
