

SAY “OOH,” SAY “AHH” ... TO ALL OF THE SPACES TO RELAX AND REJUVINATE ON CARNIVAL CELEBRATION

August 15, 2022

In honor of National Relaxation Day today, Carnival Cruise Line is inviting guests to say “ooh” and “ahh” as it reveals the spaces to relax and rejuvenate on its newest ship Carnival Celebration coming to PortMiami this November.

“While every Carnival ship has places to relax, we took all of the fan favorites from across our fleet and brought them to Carnival Celebration to make her the ultimate space to unwind and enjoy your vacation,” said Christine Duffy, president of Carnival Cruise Line. “From our popular Cloud 9 Spa and adult-only areas to the new spaces designed just for relaxing, there will be nothing like feeling pampered while enjoying endless ocean views and vibes on Carnival Celebration.”

Just like sister ship *Mardi Gras*, some of the best areas for R&R on Carnival Celebration will include the **Cloud 9 Spa** (Decks 5 and 6), the perfect place to step away from the day’s excitement and be pampered to truly transition into a vacation state of mind. Offerings include traditional spa services like massages, facials, stone therapy, body wraps and acupuncture; as well as a hydrotherapy pool, steam rooms, and a post-treatment relaxation room for guests to lounge, enjoy herbal tea and relish in the sensation of vacation.

The Cloud 9 Spa also has an expansive fitness center with the latest cardio and weight-training equipment to cater to all conditioning levels and a wide range of instructor-led exercise classes. The fully service salon features hair services, barbers and grooming, and special stations for manicures and pedicures.

Located on the ship’s highest deck, **Loft 19** is a new retreat-style experience that was introduced on *Mardi Gras*. Combining fun and indulgence, Loft 19 is a secluded retreat modeled after the world’s finest resorts and offers a new type of onboard luxury. Ideal for soaking up the sun with some of the most breathtaking views, Loft 19 includes full bar service, an infinity whirlpool, surrounding sun loungers and private spacious cabanas, available for rent by day or voyage.

Elevating the cruising experience, the private cabanas include extra indulgences like Loft 19 attendants to help with guests’ needs, plush robes, lunch delivery, chilled towels and fresh fruit. Guests staying in Carnival Excel-level suites can enjoy complimentary access to Loft 19 and receive priority cabana reservations.

The **Serenity Adult-Only Retreat** (Deck 18) allows guests to escape to a 21+ space as they flip the switch on vacation mode. Grab a drink at the bar or take a dip in the pool – either way, guests will have everything they need to find peace and tranquility, with just the right amount of warm sea breeze, sunshine and two bubbling hot tubs.

And of course, it wouldn’t be a Carnival ship without a variety of pool areas with sweeping views throughout the ship’s zones, including the patio pool in Summer Landing, the tides pool in Lido and the Havana pool exclusive to guests booked in Havana staterooms and suites.

Celebrating all things Carnival, Carnival Celebration will be the line’s ultimate 50th Birthday gift when she debuts this November from the redesigned Terminal F at PortMiami. Serving as the second Carnival ship to be powered by a Liquefied Natural Gas (LNG) propulsion system, as part of Carnival Corporation’s green cruising platform, Carnival Celebration will be home to six themed zones and the line’s second BOLT roller coaster. Additional details on the ship will continue to be revealed in the coming months leading up to its inaugural sailing from Miami on Nov. 21.
