

CARNIVAL CRUISE LINE'S GREEN EGGS AND HAM BREAKFAST RETURNS FLEETWIDE STARTING OCT. 1 FOR FIRST TIME SINCE PAUSE IN GUEST OPERATIONS

September 12, 2022

For the first time since the line's pause in guest operations, Carnival Cruise Line will officially bring back its [Green Eggs and Ham Breakfast](#) with The Cat in The Hat and Friends across its fleet on sailings beginning Oct. 1. The breakfast is part of the many exciting experiences in Carnival's [Seuss at Sea program](#), the line's exclusive partnership with Dr. Seuss Enterprises.

Guests are encouraged to pack their imagination, as well as their appetites, as the whole family embarks on a breakfast that's part meal and part journey into the deliciously whimsical world of Dr. Seuss.

Bringing Dr. Seuss' famed children's books to life, the breakfast features special appearances and meet and greet photo opportunities with favorite Dr. Seuss characters, helping create unforgettable memories no matter the age.

From Green Eggs and Ham – of course – to brightly colored fruit, gravity-defying fluffy pancake stacks, funky french toast, "Moose Juice" and "Goose Juice," and much more, the fantastical feast features unique menu items, as well as classic breakfast offerings, accompanied by décor with bright colors and patterns. The breakfast is offered once per cruise.

In addition to the Green Eggs and Ham Breakfast, the Seuss at Sea fleetwide program features fun youth, family, dining and entertainment activities inspired by the amazing world and words of Dr. Seuss, such as the [Seuss-a-Palooza Story Time](#) (beginning Nov. 1), Dr. Seuss Bookville, a family reading venue on select ships, character interactions, Dr. Seuss toys and games, and popular movies shown on board.
