

## Coronation Celebrations at Sea on board Cunard's Three Queens

May 2, 2023

VALENCIA, Calif., May 2, 2023 /PRNewswire/ -- Cunard joins the celebration in marking the historic coronation of His Majesty The King and Her Majesty The Queen Consort with a range of coronation-themed activities planned on all three of its Queens.

Cunard celebrates the coronation of His Majesty The King onboard all three ships.

From street parties in the majestic Grand Lobby to themed musical performances, films and quizzes, guests on board Queen Mary 2, Queen Victoria and Queen Elizabeth will be able to truly immerse themselves in the regal festivities.

An exclusive Coronation dinner menu has been created for the evening of Saturday, May 6, inspired by King Charles' love of farming, agriculture, game, and organic principles. It features a selection of specially curated dishes showcasing some of his favorite ingredients, to create a meal that perfectly commemorates this auspicious occasion.

Specially designed cocktails will be available to toast Their Majesties The King and The Queen Consort, including a "Coronation Oath" made with Prosecco, White Vermouth, Grapefruit and Cardamom Bitters and a "Monarch Martini" using Cunard's 3 Queens Gin.

All three ships will be at sea for the big day and will broadcast the ceremony live from Westminster Abbey into the ships' Royal Court Theatres and stateroom TVs. Queen Elizabeth guests will be just starting their nine-night tour of Southern Japan and Taiwan, visiting the stunningly beautiful island of Hualien and the idyllic tropical paradise of Miyakojima, while Queen Victoria will be returning from a 12-night voyage around the Canary Islands.

A brand-new [Coronation Celebration voyage](#) was announced earlier this week, with Queen Mary 2 sailing roundtrip from Southampton on May 2 to Cunard's spiritual home port of Liverpool.

Cunard's world-renowned Insights program across the fleet will feature royal commentator Dickie Arbiter, historian Caroline Aston and etiquette expert Grant Harrold.

Each ship will also host a deck walk in honor of The Big Help Out on Monday May 8, to raise money for youth charity The Prince's Trust, a proud partner of Cunard's for the past 15 years since the Queen Consort was named as godmother to Queen Victoria in 2007. This significant milestone will be celebrated on a special [British Isles voyage](#) in August. To date, thanks to the generosity of guests, crew and friends, Cunard has raised over \$3.37 million for the Trust. The charity helps young people who have faced disadvantage and adversity to build a better future for themselves, through employment, education and enterprise.

Cunard's royal connections date back to August 1861, when Prince Alfred sailed from Halifax to Liverpool on Cunard's SS Arabia. More recently, Cunard is immensely proud that members of the royal family have graced each of the ships in its current fleet.

**About Cunard**

Cunard is a luxury British cruise line, renowned for creating unforgettable experiences around the world. Cunard has been a leading operator of passenger ships on the North Atlantic, since 1840, celebrating an incredible 183 years of operation. A pioneer in transatlantic journeys for generations, Cunard is world class. The Cunard experience is built on fine dining, hand-selected entertainment and outstanding service. From five-star restaurants and in-suite dining to inspiring guest speakers, the library and film screenings, every detail has been meticulously crafted to make the experience unforgettable. Destinations include Europe, the Caribbean, the Far East and Australia.

There are currently three Cunard ships, Queen Mary 2, Queen Elizabeth and Queen Victoria and a fourth ship, Queen Anne, will enter service in 2024. This investment is part of the company's ambitious plans for the future of Cunard globally and will be the first time since 1999 that Cunard will have four ships in simultaneous service. Cunard is based at Carnival House in Southampton and has been owned since 1998 by Carnival Corporation & plc. [www.cunard.com](http://www.cunard.com) (NYSE/LSE: CCL; NYSE:CUK).
