

AIDAsol: Bookings open for legs of the 2024/2025 World Cruise

August 4, 2023

The AIDAsol 2024/2025 world cruise is now open for bookings for individual legs. The duration of the voyages varies between 33 and 84 days - a great opportunity to enjoy the world cruise in shorter legs and discover unique destinations. For example, guests can travel from Hamburg to San Antonio, the port of Santiago de Chile, in 36 days or to fantastic destinations such as French Polynesia, New Zealand, Australia and Mauritius in 48 days. Another highlight is the leg from Mauritius to Hamburg with stops on La Réunion, in South Africa, Namibia and the Canary Islands.

The entire AIDA World Cruise will depart from Hamburg on October 23, 2024, visiting 41 ports and 17 countries in 117 days. The voyage with AIDAsol will return to Hamburg on February 17, 2025, and can be booked from 14,445 euros per person at the AIDA PREMIUM rate for a 2-person cruise (inside cabin IB), including a 3,000 euro early-bird discount for bookings made by April 30, 2024.

The individual legs can be booked from 3,650 euros per person at the AIDA PREMIUM price based on 2-person occupancy (inside cabin IB), including a 700-euro early booking discount if booked by April 30, 2024. Contingent is limited.

Unforgettable highlights

Rio de Janeiro, Brazil: Golden beaches, subtropical forests and Sugar Loaf Mountain: The locals simply call their city "Cidade Maravilhosa" - the fantastically beautiful city. Fall in love with the rhythm of Rio and the joie de vivre of its inhabitants.

Napier: This new AIDA port is famous above all for its classicist architecture from the 1930s. The New Zealand Art deco city is also home to many Maori motives and patterns.

Tauranga: All of the "Lord of the Rings" and "Hobbit" movies were filmed in various locations in New Zealand. Guests can still admire the Shire with the hamlet of Hobbiton not far from the city center - in the seemingly endless greenery around Matamat.

Melbourne: Guests can celebrate their New Year's Eve in the Australian metropolis! Along the Yarra River, in the Birrarung Marr parks, at Federation Square or on the deck of AIDAsol - you have a perfect view of the fireworks and drone show from everywhere.

South Africa & Namibia: Here, guests experience the charms of Africa in all its beauty: from the charm and picturesque Table Mountain backdrop of Cape Town to the awe-inspiring African wildlife and towering sand dunes of the Namib Desert.
