May 9, 2024

Seabourn Odyssey will sail "The Great Land" in ultra-luxury style and comfort through summer 2024 as she completes her final season with the fleet

SEATTLE, May 9, 2024 /PRNewswire/ -- [Seabourn](#), the leader in ultra-luxury cruising and expedition travel, will kick off its [2024 Alaska season](#) on May 10, 2024 with *Seabourn Odyssey* departing from Vancouver for an enriching and in-depth schedule to some of the region's most popular destinations and rarely visited ports throughout the Inside Passage. The season will also mark *Seabourn Odyssey's* final season with the cruise line, providing one more opportunity for guests to sail on the iconic ship.

Seabourn Odyssey will sail on **12 seven-day voyages** from May through August 2024, sailing northbound or southbound between Vancouver and Juneau, with different sites, scenes, adventures, and ports to experience each way. Each seven-day voyage can also be combined to create a longer, more immersive 14-day round-trip Vancouver voyage. The ship will also offer two **10-day Alaska Fjord Odyssey** itineraries, as well as one **11-day Inside Passage & Alaska Fjords** voyages, scheduled round trip from Vancouver in June. In addition, guests may choose from a number of immersive experiences through Seabourn's popular and unique [Ventures by Seabourn](#) program, featuring optional guided kayak and Zodiac tours led by the line's world-class expedition team. The ship will complete its final season with a **22-day Farewell Voyage**, traveling through Alaska before crossing the Pacific to Japan.

"While Seabourn will continue sailing to Alaska in the future, this upcoming season marks the final journeys of *Seabourn Odyssey* to 'the Great Land,' and we invite our guests to embark on one final voyage with her before she departs our fleet," said Natalya Leahy, president of Seabourn. "As our very experienced Alaska Captain Tim Roberts shared with me once, 'you have not seen Alaska until you have sailed with Seabourn'. This is because our meticulously crafted itineraries will take our extraordinary guests on the ultimate retreat into nature with a blend of up-close adventures and ultra-luxury amenities to immerse themselves in the beauty of Alaska. The ship's intimate size and yacht-like atmosphere will grant them unparalleled intimacy with the land's vast wildlife and breathtaking wilderness."
