SEATTLE, June 11, 2024 – *Seabourn Pursuit*, Seabourn's newest ultra-luxury, purpose-built expedition vessel, entered Australian waters for the first time, sailing into Darwin in the Northern Territory on the morning of Tuesday, 11th June. The arrival of *Seabourn Pursuit* marks the start of Seabourn's highly anticipated inaugural season in the Kimberley region, which will begin on June 12th, when the ship sets sail on the first of six 10-day voyages between Darwin and Broome from June to August 2024.

A once-in-a-lifetime expedition, the Kimberley in Western Australia is one of the world's most remote destinations, renowned for its otherworldly landscapes, abundant wildlife, and Aboriginal culture. As part of this appointment, Seabourn will make a donation to assist Wunambal Gaambera to develop a self-sustaining industry, producing authentic works of art and craft by Wunambal Gaambera artists to sell. In addition, Seabourn will also supply the Wunambal Gaambera Aboriginal Corporation with pearl shells and various art supplies and polishing materials to foster sustainable, commercial arts and craft initiatives year-round for their artists and craft producers.
