

Conflict Minerals Statement

In response to violence and human rights violations in the mining of certain minerals from the Democratic Republic of the Congo (the "DRC") and adjoining countries, the U.S. Securities and Exchange Commission (the "SEC") has adopted rules for publicly traded companies to implement reporting and disclosure requirements related to "conflict minerals" found in the products they manufacture or contract to manufacture, as directed by Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Conflict Minerals Rule").

At Carnival Corporation & plc, we are dedicated to responsible sourcing practices and complying with requirements applicable to us under the Conflict Minerals Rule. We strictly prohibit the inclusion of conflict minerals originating from the DRC and adjoining countries in any such products, and we engage in due diligence and reporting on an annual basis as required by law.
