**CARNIVAL CORPORATION & PLC**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**(UNAUDITED)**

**NOTE 1 – General**

The consolidated financial statements include the accounts of Carnival Corporation and Carnival plc and their respective subsidiaries. Together with their consolidated subsidiaries, they are referred to collectively in these consolidated financial statements and elsewhere in this joint Quarterly Report on Form 10-Q as “Carnival Corporation & plc,” “our,” “us” and “we.”

***Liquidity and Management’s Plans***

Due to the spread of COVID-19, we paused our global cruise operations in mid-March 2020. In September 2020 we began the resumption of limited guest operations as part of our anticipated phased-in return to service. Significant events affecting travel, including COVID-19, typically have an impact on booking patterns, with the full extent of the impact generally determined by the length of time the event influences travel decisions. We believe that the ongoing effects of COVID-19 on our operations and global bookings will continue to have a material negative impact on our financial results and liquidity, and such negative impact may continue well beyond the containment of such outbreak.

We cannot assure you that our assumptions used to estimate our liquidity requirements will be correct because we have never previously experienced a complete cessation of our guest cruise operations, and as a consequence, our ability to be predictive is uncertain. In addition, the magnitude, duration and speed of the global pandemic are uncertain. As a consequence, we cannot estimate the impact on our business, financial condition or near- or longer-term financial or operational results with reasonable certainty, but we continue to expect a net loss on both a U.S. GAAP and adjusted basis for the quarter and year ending November 30, 2020. We have taken and continue to take actions to improve our liquidity, including capital expenditure and operating expense reductions, accelerating the removal of certain ships from our fleet, suspending dividend payments on, and the repurchase of, common stock of Carnival Corporation and ordinary shares of Carnival plc and pursuing various capital market transactions.

Based on these actions and assumptions regarding the impact of COVID-19, we have concluded that we will be able to generate sufficient liquidity to satisfy our obligations for at least the next twelve months.

***Basis of Presentation***

The Consolidated Statements of Income (Loss), the Consolidated Statements of Comprehensive Income (Loss), and the Consolidated Statements of Shareholders’ Equity for the three and nine months ended August 31, 2020 and 2019, Consolidated Statement of Cash Flows for the nine months ended August 31, 2020 and 2019, and the Consolidated Balance Sheet at August 31, 2020 are unaudited and, in the opinion of our management, contain all adjustments, consisting of only normal recurring adjustments, necessary for a fair statement. Our interim consolidated financial statements should be read in conjunction with the audited consolidated financial statements and the related notes included in the Carnival Corporation & plc 2019 joint Annual Report on Form 10-K and Form 10-K/A (“Form 10-K”) filed with the U.S. Securities and Exchange Commission on January 28, 2020 and March 31, 2020, respectively.

For the three and nine months ended August 31, 2019, we reclassified \$200 million and \$299 million from tour and other revenues to onboard and other revenues as well as \$109 million and \$198 million from tour and other costs and expenses to other operating cost and expenses in order to conform to the current year presentation.

***COVID-19 Use of Estimates and Risks and Uncertainty***

The preparation of our interim consolidated financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires management to make estimates and assumptions that affect the amounts reported and disclosed. The full extent to which the effects of COVID-19 will directly or indirectly impact our business, operations, results of operations and financial condition, including our valuation of goodwill and trademarks, impairment of ships, collectability of trade and notes receivables as well as provisions for pending litigation, will depend on future developments that are highly uncertain. We believe that we have made reasonable estimates and judgments of the impact of COVID-19 within our financial statements and there may be changes to those estimates in future periods.

## **Accounting Pronouncements**

On December 1, 2019, we adopted the FASB issued guidance, *Leases*, using the modified retrospective approach, which allows entities to either apply the new lease standard to the beginning of the earliest period presented or only to the consolidated financial statements in the period of adoption without restating prior periods. We have elected to apply the new guidance at the date of adoption without restating prior periods.

We have implemented changes to our internal controls to address the collection, recording, and accounting for leases in accordance with the new guidance. Upon adoption of the new guidance, the most significant impact was the recognition of \$1.4 billion of right-of-use assets and lease liabilities relating to operating leases, reported within operating lease right-of-use assets and long-term operating lease liabilities, with the current portion of the liability reported within current portion of operating lease liabilities, in our Consolidated Balance Sheet as of December 1, 2019. There was no cumulative effect of applying the new standard and accordingly there was no adjustment to our retained earnings upon adoption. This guidance had an immaterial impact on our Consolidated Statements of Income (Loss), Consolidated Statements of Comprehensive Income (Loss), Consolidated Statements of Cash Flows and the compliance with debt covenants under our current agreements.

The FASB issued amended guidance, *Intangibles - Goodwill and Other - Internal-Use Software*, which requires a customer in a cloud computing arrangement that is a service contract to follow the internal-use software guidance to determine which implementation costs to capitalize as assets or expense as incurred. The expense related to deferred implementation costs is required to be presented in the same net income (loss) line item as the related hosting fees. Additionally, the payments for deferred implementation costs are required to be presented in the same line item in the Consolidated Statements of Cash Flows as payments for the related hosting fees. This guidance is required to be adopted by us in the first quarter of 2021 and we have elected to apply the guidance using a prospective approach. We do not expect the adoption of this guidance to have a significant impact on our consolidated financial statements.

The FASB issued amended guidance, *Financial Instruments - Credit Losses*, which requires an entity to present the net amount expected to be collected for certain financial assets, including trade receivables. On initial recognition and at each reporting period, this guidance will require an entity to recognize an allowance that reflects the entity's current estimate of credit losses expected to be incurred over the life of the financial instrument. This guidance is required to be adopted by us in the first quarter of 2021 and will be applied prospectively with a cumulative-effect adjustment to retained earnings. We are currently evaluating the impact this guidance will have on our consolidated financial statements.

The FASB issued guidance, *Debt - Debt with Conversion and Other Options* and *Derivative and Hedging - Contracts in Entity's Own Equity*, which simplifies the accounting for convertible instruments. This guidance eliminates certain models that require separate accounting for embedded conversion features, in certain cases. Additionally, among other changes, the guidance eliminates certain of the conditions for equity classification for contracts in an entity's own equity. The guidance also requires entities to use the if-converted method for all convertible instruments in the diluted earnings per share calculation and include the effect of share settlement for instruments that may be settled in cash or shares, except for certain liability-classified share-based payment awards. This guidance is required to be adopted by us in the first quarter of 2023 and must be applied using either a modified or full retrospective approach. We are currently evaluating the impact this guidance will have on our consolidated financial statements.

### **NOTE 2 – Revenue and Expense Recognition**

Guest cruise deposits are initially included in customer deposit liabilities when received. Customer deposits are subsequently recognized as cruise revenues, together with revenues from onboard and other activities, and all associated direct costs and expenses of a voyage are recognized as cruise costs and expenses, upon completion of voyages with durations of ten nights or less and on a pro rata basis for voyages in excess of ten nights. The impact of recognizing these shorter duration cruise revenues and costs and expenses on a completed voyage basis versus on a pro rata basis is not significant. Certain of our product offerings are bundled and we allocate the value of the bundled services and goods between passenger ticket revenues and onboard and other revenues based upon the estimated standalone selling prices of those goods and services. Guest cancellation fees, when applicable, are recognized in passenger ticket revenues at the time of cancellation.

Our sales to guests of air and other transportation to and from airports near the home ports of our ships are included in passenger ticket revenues, and the related costs of purchasing these services are included in transportation costs. The proceeds that we collect from the sales of third-party shore excursions are included in onboard and other revenues and the related costs are included in onboard and other costs. The amounts collected on behalf of our onboard concessionaires, net of the amounts

remitted to them, are included in onboard and other revenues as concession revenues. All of these amounts are recognized on a completed voyage or pro rata basis as discussed above.

Passenger ticket revenues include fees, taxes and charges collected by us from our guests. A portion of these fees, taxes and charges vary with guest head counts and are directly imposed on a revenue-producing arrangement. This portion of the fees, taxes and charges is expensed in commissions, transportation and other costs when the corresponding revenues are recognized. For the three and nine months ended August 31, fees, taxes, and charges included in commissions, transportation and other costs were not significant and \$213 million in 2020 and \$186 million and \$503 million in 2019. The remaining portion of fees, taxes and charges are expensed in other operating expenses when the corresponding revenues are recognized.

Revenues and expenses from our hotel and transportation operations, which are included in our Tour and Other segment, are recognized at the time the services are performed. Revenues from the long-term leasing of ships, which are also included in our Tour and Other segment, are recognized ratably over the term of the agreement.

### ***Customer Deposits***

Our payment terms generally require an initial deposit to confirm a reservation, with the balance due prior to the voyage. Cash received from guests in advance of the cruise is recorded in customer deposits and in other long-term liabilities on our Consolidated Balance Sheets. These amounts include refundable deposits. We are providing flexibility to guests with bookings on sailings cancelled due to the pause in cruise operations by allowing guests to receive enhanced future cruise credits ("FCC") or elect to receive refunds in cash. We have paid and expect to continue to pay cash refunds of customer deposits with respect to a portion of these cancelled cruises. The amount of cash refunds to be paid may depend on the level of guest acceptance of FCCs and future cruise cancellations. We record a liability for FCCs to the extent we have received cash from guests with bookings on cancelled sailings. We had customer deposits of \$2.4 billion as of August 31, 2020 and \$4.9 billion as of November 30, 2019. The current portion of our customer deposits was \$2.1 billion as of August 31, 2020, the majority of which are FCCs. These amounts include deposits related to cancelled cruises prior to the election of a cash refund by guests. Refunds payable to guests who have elected cash refunds are recorded in accounts payable. Due to the uncertainty associated with the duration and extent of COVID-19, we are unable to estimate the amount of the August 31, 2020 customer deposits that will be recognized in earnings compared to amounts that will be refunded to customers or issued as a credit for future travel. During the nine months ended August 31, 2020 and 2019, we recognized revenues of \$3.3 billion and \$4.1 billion related to our customer deposits as of November 30, 2019 and December 1, 2018. Historically, our customer deposits balance changes due to the seasonal nature of cash collections, the recognition of revenue, refund of customer deposits and foreign currency translation.

### ***Contract Receivables***

Although we generally require full payment from our customers prior to or concurrently with their cruise, we grant credit terms to a relatively small portion of our revenue source. We also have receivables from credit card merchants for cruise ticket purchases and onboard revenue. These receivables are included within trade and other receivables, net.

### ***Contract Assets***

Contract assets are amounts paid prior to the start of a voyage, which we record as an asset within prepaid expenses and other and which are subsequently recognized as commissions, transportation and other at the time of revenue recognition or at the time of voyage cancellation. We have contract assets of \$17 million and \$154 million as of August 31, 2020 and November 30, 2019.

## **NOTE 3 – Debt**

### ***Short-Term Borrowings***

At August 31, 2020, our short-term borrowings consisted primarily of \$3.0 billion borrowing under our multicurrency revolving credit facility (the “Revolving Facility”), \$314 million of commercial paper, \$20 million of euro-denominated commercial paper and \$33 million of sterling-denominated commercial paper. For the nine months ended August 31, 2020, we had borrowings of \$525 million and repayments of \$192 million of commercial paper with original maturities greater than three months. For the nine months ended August 31, 2019, there were no borrowings or repayments of commercial paper with original maturities greater than three months.

### ***Export Credit Facility Borrowings***

In December 2019, we borrowed \$823 million under an export credit facility due in semi-annual installments through 2032.

In September 2020, we borrowed \$610 million under an export credit facility due in semi-annual installments through 2032.

### ***2023 Secured Notes***

In April 2020, we issued \$4.0 billion aggregate principal amount of 11.5% first-priority senior secured notes due in 2023 (the “2023 Secured Notes”). The 2023 Secured Notes mature on April 1, 2023 unless earlier redeemed or repurchased. They are guaranteed by Carnival plc and certain of our subsidiaries that own or operate our vessels and material intellectual property, and are secured by collateral, which includes vessels and material intellectual property with a net book value of \$27.9 billion as of August 31, 2020 and certain other assets. Upon the occurrence of certain change of control events, we are required to offer to repurchase the 2023 Secured Notes at a price equal to 101% of the principal amount, plus accrued and unpaid interest to the purchase date.

The indenture governing the 2023 Secured Notes contains covenants that limit our ability to, among other things: (i) incur additional indebtedness or issue certain preferred shares; (ii) make dividend payments on or make other distributions in respect of our capital stock or make other restricted payments; (iii) make certain investments; (iv) sell certain assets; (v) create liens on assets; (vi) consolidate, merge, sell or otherwise dispose of all or substantially all of our assets; and (vii) enter into certain transactions with our affiliates. These covenants are subject to a number of important limitations and exceptions.

### ***Convertible Notes***

In April 2020, we issued \$2.0 billion aggregate principal amount of 5.75% convertible senior notes due 2023 (the “Convertible Notes”). The Convertible Notes mature on April 1, 2023, unless earlier repurchased or redeemed by us or earlier converted in accordance with their terms prior to the maturity date. The Convertible Notes are guaranteed on a senior unsecured basis by Carnival plc, Carnival Finance, LLC and our subsidiaries that guarantee the 2023 Secured Notes.

The Convertible Notes are convertible by holders, subject to the conditions described below, into cash, shares of Carnival Corporation common stock, or a combination thereof, at our election. The Convertible Notes have an initial conversion rate of 100 shares of Carnival Corporation common stock per \$1,000 principal amount of the Convertible Notes, equivalent to an initial conversion price of \$10 per share of common stock. The initial conversion price is subject to certain anti-dilutive adjustments and may also increase if the Convertible Notes are converted in connection with a tax redemption or certain corporate events.

The Convertible Notes are convertible at any time prior to the close of business on the business day immediately preceding January 1, 2023, only under the following circumstances:

- during any fiscal quarter, (and only during such fiscal quarter), if the last reported sale price of the common stock for at least 20 trading days (whether or not consecutive) during a period of 30 consecutive trading days ending on the last trading day of the immediately preceding fiscal quarter is greater than or equal to 130% of the conversion price on each applicable trading day;
- during the five business day period after any five consecutive trading day period (the “measurement period”) in which the trading price per \$1,000 principal amount of Convertible Notes for each trading day of the measurement period was less than 98% of the product of the last reported sale price per share of common stock and the conversion rate on each such trading day;

- prior to the close of business on the second scheduled trading day immediately preceding any tax redemption date; or
- upon the occurrence of specified corporate events.

On or after January 1, 2023, until the close of business on the second scheduled trading day immediately preceding the maturity date, holders may convert their Convertible Notes at any time.

If we undergo certain corporate events (each, a “fundamental change”), subject to certain conditions, holders may require us to repurchase for cash all or any portion of their Convertible Notes at a price equal to 100% of the principal amount of the Convertible Notes to be repurchased, plus accrued and unpaid interest to the fundamental change repurchase date.

We may redeem the Convertible Notes, in whole but not in part, at any time on or prior to December 31, 2022 at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest to the redemption date, if we or any guarantor would have to pay any additional amounts on the Convertible Notes due to a change in tax laws, regulations or rulings or a change in the official application, administration or interpretation thereof.

As of August 31, 2020, a condition allowing holders of the Convertible Notes to convert has been met and therefore the notes are convertible. The holders are entitled to convert all or any portion of their Convertible Notes at any time during the three months starting on September 1, 2020 and ending on November 30, 2020, at the conversion rate of 100 shares of Carnival Corporation common stock per \$1,000 principal amount of Convertible Notes.

In August 2020, we completed a registered direct offering of 99.2 million shares of Carnival Corporation common stock at a price of \$14.02 per share to a limited number of holders of the Convertible Notes. We used the proceeds of the stock offering to repurchase from such holders \$886 million aggregate principal amount of the Convertible Notes in privately negotiated transactions, (such registered direct offering and the use of proceeds to repurchase the Convertible Notes, the “Convertible Notes Repurchase Transaction”). We recognized a \$224 million extinguishment loss as a result of these transactions in other income (expense), net.

We account for the Convertible Notes as separate liability and equity components. We determined the carrying amount of the liability component as the present value of its cash flows.

The carrying amount of the equity component representing the conversion option was \$286 million on the date of issuance and was calculated by deducting the carrying value of the liability component from the initial proceeds from the Convertible Notes. The excess of the principal amount of the Convertible Notes over the carrying amount of the liability component represents a debt discount that is amortized to interest expense over the term of the Convertible Notes under the effective interest rate method using an effective interest rate of 12.9%. The carrying amount of the equity component was reduced to \$0 in conjunction with the partial repurchase of Convertible Notes in August 2020 because at the time of repurchase, the fair value of the equity component for the portion of the Convertible Notes that was repurchased, exceeded the total amount of the equity component recorded at the time the Convertible Notes were issued.

The net carrying value of the liability component of the Convertible Notes was as follows:

<i>(in millions)</i>	<b>August 31, 2020</b>	
Principal	\$	1,127
Less: Unamortized debt discount and transaction costs		(173)
	\$	954

The interest expense recognized related to the Convertible Notes was as follows:

<i>(in millions)</i>	<b>Three Months Ended August 31, 2020</b>		<b>Nine Months Ended August 31, 2020</b>	
Contractual interest expense	\$	26	\$	43
Amortization of debt discount and transaction costs		22		37
	\$	47	\$	80

We had no Convertible Notes in 2019.

#### ***2025 Secured Term Loan***

In June 2020, we borrowed an aggregate principal amount of \$2.8 billion in two tranches (\$1.9 billion and €800 million), under a first-priority senior secured term loan facility that matures on June 30, 2025 (the “2025 Secured Term Loan”). The U.S. dollar tranche bears interest at a rate per annum equal to adjusted LIBOR (with a 1% floor) plus 7.5%. The euro tranche bears interest at a rate per annum equal to EURIBOR (with a 0% floor) plus 7.5%. The 2025 Secured Term Loan is guaranteed by Carnival plc and the same subsidiaries that currently guarantee, and are secured on a first-priority basis by substantially the same collateral that currently secures, the 2023 Secured Notes, the 2026 Secured Notes and the 2027 Secured Notes. The 2025 Secured Term Loan contains covenants that are substantially similar to the covenants in the indenture governing the 2023 Secured Notes. These covenants are subject to a number of important limitations and exceptions.

#### ***2026 Secured Notes***

In July 2020, we issued an aggregate principal amount of \$1.3 billion in two tranches (\$775 million and €425 million), under second-priority senior secured notes that mature on February 1, 2026 (the “2026 Secured Notes”). The U.S. dollar tranche bears interest at a rate of 10.5% per year. The euro tranche bears interest at a rate of 10.1% per year. The 2026 Secured Notes are guaranteed by Carnival plc and the same subsidiaries that currently guarantee, and are secured on a second-priority basis by substantially the same collateral that currently secures, the 2023 Secured Notes, the 2025 Secured Term Loan and the 2027 Secured Notes. The indenture governing the 2026 Secured Notes contains covenants that are substantially similar to the covenants in the indenture governing the 2023 Secured Notes and the 2027 Secured Notes. These covenants are subject to a number of important limitations and exceptions.

#### ***2027 Secured Notes***

In August 2020, we issued an aggregate principal amount of \$900 million of second-priority senior secured notes that mature on August 1, 2027 (the “2027 Secured Notes”). The 2027 Secured Notes bear interest at a rate of 9.9% per year. The 2027 Secured Notes are guaranteed by Carnival plc and the same subsidiaries that currently guarantee, and are secured on a second-priority basis by substantially the same collateral that currently secures, the 2023 Secured Notes, the 2025 Secured Term Loan and the 2026 Secured Notes. The indenture governing the 2027 Secured Notes contains covenants that are substantially similar to the covenants in the indenture governing the 2023 Secured Notes and the 2026 Secured Notes. These covenants are subject to a number of important limitations and exceptions.

#### ***Modifications and Other***

In February 2020, we extended a \$452 million sterling-denominated floating rate bank loan, originally maturing in 2022, to 2025 with an option to extend to 2026.

In April 2020, we amended and extended a \$166 million euro-denominated fixed rate bank loan, originally maturing in September 2020, to a floating rate loan maturing in March 2021.

In July 2020, we extended a \$337 million euro-denominated floating rate bank loan originally maturing in 2021 to 2022.

As of August 31, 2020, we repurchased in the open market \$86 million aggregate principal amount of our \$700 million 4.0% notes due in 2020 and \$123 million aggregate principal amount of our \$555 million 1.6% euro notes due in 2021. We recognized a related gain on early extinguishment of debt of \$5 million. This gain is included in other income (expense), net in the accompanying Consolidated Statements of Income (Loss).

Certain export credit agencies have offered 12-month debt amortization and a financial covenant holiday (the “Debt Holiday”). We have entered into supplemental agreements or side letters for the Debt Holiday amendments to defer certain principal repayments otherwise due through March 31, 2021 through the creation of separate tranches of loans with repayments made over the following four years.

As of August 31, 2020, the scheduled annual maturities of our outstanding debt were as follows:

*(in millions)*

<b>Year</b>	<b>Principal Payments (a)</b>	
Remainder of 2020	\$	1,048
2021 (b)		1,702
2022		2,539
2023		6,686
2024		1,174
Thereafter		9,382
	\$	22,532

- (a) Excluding the Revolving Facility. As of August 31, 2020, borrowings under the Revolving Facility were \$3.0 billion, which were drawn in March 2020 for an initial term of six months. The maturities for these borrowings were extended in September 2020 for an additional six months through March 2021. We may re-borrow such amounts subject to satisfaction of the conditions in the Revolving Facility Agreement.
- (b) We have a principal balance of \$0.5 billion and \$0.8 billion of debt outstanding as of August 31, 2020, otherwise due through 2032, for which covenant waivers expire during the second quarter 2021 and fourth quarter 2021, respectively. We are working on extending these covenant waivers. If the covenant waiver extensions are not received, we would be required to prepay the outstanding principal balance.

### ***Debt Covenant Compliance***

Many of our debt agreements contain one or more financial covenants that require us to:

- Maintain minimum debt service coverage
- Maintain minimum shareholders' equity
- Limit our debt to capital ratio
- Limit the amounts of our secured and other indebtedness

Under the terms of certain of our debt facilities, we are required to maintain minimum debt service coverage (EBITDA to consolidated net interest charges for the most recently ended four fiscal quarters) of not less than 3.0 to 1.0 at the end of each fiscal quarter (the "Financial Covenant"). As of August 31, 2020, we have entered into supplemental agreements or side letters to amend our agreements with respect to this Financial Covenant to:

- Waive compliance for all of our funded export credit facilities through March 31, 2021, August 31, 2021 or December 31, 2021, as applicable.
- Waive compliance through November 30, 2021 for certain of our bank loans. We will be required to comply beginning with the next testing date of February 28, 2022.
- Waive compliance for the remaining applicable bank loans through their respective maturity dates.

At August 31, 2020, we were in compliance with the applicable debt covenants.

Subsequent to August 31, 2020, we extended the Financial Covenant waivers for our funded export credit facilities through at least November 30, 2021 (with the next testing date of February 28, 2022) except that for three of our funded export credit facilities with Financial Covenant waivers through March 31, 2021 (with the next testing date of May 31, 2021) or August 31, 2021 (with the next testing date of November 30, 2021), with total aggregate indebtedness of \$1.3 billion as of August 31, 2020, we are currently engaged in discussions to extend the waivers for these facilities through November 30, 2021 (with the next testing date of February 28, 2022).

Any covenant waiver may lead to increased costs, increased interest rates, additional restrictive covenants and other available lender protections that would be applicable. There can be no assurance that we would be able to obtain additional waivers in a timely manner, or on acceptable terms at all. If we were not able to obtain additional waivers or repay the debt facilities, this would lead to an event of default and potential acceleration of amounts due under all of our outstanding debt and derivative contract payables. As a result, the failure to obtain the additional waivers would have a material adverse effect on us.

### **Credit Ratings Update**

Since March 2020, Moody's and S&P Global have downgraded our credit ratings to be below investment grade. Our current short-term commercial paper credit rating prevents us from issuing additional commercial paper.

### **NOTE 4 – Contingencies and Commitments**

#### **Litigation**

We are routinely involved in legal proceedings, claims, disputes, regulatory matters and governmental inspections or investigations arising in the ordinary course of or incidental to our business, including those noted below. Additionally, as a result of the impact of COVID-19, litigation claims, enforcement actions, regulatory actions and investigations, including, but not limited to, those arising from personal injury and loss of life, have been and may, in the future, be asserted against us. Many of the existing assertions are in their initial stages. We expect many of these claims and actions, or any settlement of these claims and actions, to be covered by insurance and historically the maximum amount of our liability, net of any insurance recoverables, has been limited to our self-insurance retention levels.

We record provisions in the consolidated financial statements for pending litigation when we determine that an unfavorable outcome is probable and the amount of the loss can be reasonably estimated.

Legal proceedings and government investigations are subject to inherent uncertainties, and unfavorable rulings or other events could occur. Unfavorable resolutions could involve substantial monetary damages. In addition, in matters for which conduct remedies are sought, unfavorable resolutions could include an injunction or other order prohibiting us from selling one or more products at all or in particular ways, precluding particular business practices or requiring other remedies. An unfavorable outcome might result in a material adverse impact on our business, results of operations, financial position or liquidity.

As previously disclosed, on May 2, 2019, two lawsuits were filed against Carnival Corporation in the U.S. District Court for the Southern District of Florida under Title III of the Cuban Liberty and Democratic Solidarity Act, also known as the Helms-Burton Act. On July 9, 2020, the court granted our motion for judgment on the pleadings in the action filed by Javier Garcia Bengochea, and dismissed plaintiff's action with prejudice. On August 6, 2020, Bengochea filed a notice of appeal. On September 14, 2020, the court denied our motion to dismiss the amended action filed by Havana Docks Corporation. We continue to believe we have a meritorious defense to these actions and we believe that any liability which may arise as a result of these actions will not have a material impact on our consolidated financial statements.

#### **Contingent Obligations – Indemnifications**

Some of the debt contracts we enter into include indemnification provisions obligating us to make payments to the counterparty if certain events occur. These contingencies generally relate to changes in taxes or changes in laws which increase the lender's costs. There are no stated or notional amounts included in the indemnification clauses, and we are not able to estimate the maximum potential amount of future payments, if any, under these indemnification clauses.

#### **Other Contingencies**

We have agreements with a number of credit card processors that transact customer deposits related to our cruise vacations. Certain of these agreements allow the credit card processors to request under certain circumstances that we provide a reserve fund in cash. Although the agreements vary, these requirements may generally be satisfied either through a withheld percentage of customer payments or providing cash funds directly to the card processor. As of August 31, 2020, we have been requested to provide reserve funds of \$27 million and have had \$200 million of customer deposits withheld to satisfy these requirements. These reserve funds are included within other assets. We expect the funds withheld under these agreements will be approximately \$65 million per month up to a maximum of \$600 million. In September 2020, we placed \$136 million of cash collateral to be held in escrow.

## COVID-19 Actions

We have been named in a number of actions related to COVID-19. The following purported class actions have been brought by former guests from *Ruby Princess*, *Diamond Princess*, *Grand Princess*, *Coral Princess*, *Costa Luminosa*, *Carnival Ecstasy* or *Zaandam*. Both the previously disclosed and newly filed actions seek compensation based on a variety of tort claims, including, but not limited to, negligence and failure to warn, physical injuries and severe emotional distress associated with being exposed and/or contracting COVID-19 onboard. Below are material updates to the previously disclosed class actions, individual actions and governmental inquiries and investigations, and a description of newly filed COVID-19 actions.

### ***Previously Disclosed Class Actions***

As previously disclosed, on April 7, 2020, Paul Turner, a former guest from *Costa Luminosa*, filed a purported class action against Costa Crociere, S.p.A. (“Costa”) and Costa Cruise Line, Inc. in the U.S. District Court of the Southern District of Florida. On September 10, 2020, the court granted Costa’s motion to dismiss based upon forum non conveniens, and directed that the action be filed in Italy. The plaintiff has appealed the order.

As previously disclosed, on April 8, 2020, numerous former guests from *Grand Princess* filed a purported class action against Carnival Corporation and Carnival plc and two of our subsidiaries, Princess Cruise Lines, Ltd. (“Princess Cruises”) and Fairline Shipping International Corporation, Ltd. On September 22, 2020, the court granted our motions to dismiss plaintiffs’ second amended complaint in part. The court granted our motion to dismiss plaintiffs’ negligence-based claims without prejudice and with leave to amend and granted our motion to dismiss plaintiffs’ request for injunctive relief without prejudice. The court denied our motion to dismiss plaintiffs’ claims for intentional infliction of emotional distress. On October 2, 2020, plaintiffs filed a third amended complaint.

As previously disclosed, on May 27, 2020, Service Lamp Corporation Profit Sharing Plan filed a purported class action against Carnival Corporation, Arnold W. Donald and David Bernstein on behalf of all purchasers of Carnival Corporation securities between January 28 and May 1, 2020. As previously disclosed, on June 3, 2020, John P. Elmensdorp filed a purported class action against the same defendants, and included Micky Arison as a defendant. This action is on behalf of all purchasers of Carnival Corporation securities between September 26, 2019 and April 30, 2020. These actions allege that the defendants violated Sections 10(b) and 20(a) of the U.S. Securities and Exchange Act of 1934 by making misrepresentations and omissions related to Carnival Corporation’s COVID-19 knowledge and response, and seek to recover unspecified damages and equitable relief for the alleged misstatements and omissions. On July 21, 2020, Abraham Atachbarian filed a purported class action against the same defendants as Elmensdorp action. The Atachbarian action is on behalf of all purchasers of Carnival Corporation options between January 27 and May 1, 2020 and allege the same set of factual theories presented in the class actions described above.

As previously disclosed, on June 4, 2020, Gregory Eicher, a former guest from *Grand Princess* filed a purported class action against Princess Cruises. On September 10, 2020, this action was voluntarily dismissed.

As previously disclosed, on June 4, 2020, numerous former guests from *Ruby Princess* filed a purported class action against Princess Cruises. Princess Cruises filed a motion to dismiss, in response to which the plaintiffs amended their action to remove their class action allegations and seek recovery on behalf of two guests who allege that they contracted COVID-19 while on *Ruby Princess*.

As previously disclosed, on June 24, 2020, Leonard C. Lindsay and Carl E.W. Zehner, former guests from *Zaandam*, filed a purported class action against Carnival Corporation, Carnival plc, Holland America Line, Inc. and Holland America Line – U.S.A., Inc. On September 11, 2020, the plaintiffs filed an amended class action on behalf of all persons in the U.S. who were guests from *Zaandam* who embarked on March 8, 2020.

### ***Newly Filed Class Actions***

As discussed above, these newly filed actions also seek compensation based on economic losses, alleged personal injury and emotional distress for guests who either contracted or feared contracting COVID-19 and assert claims for negligence and intentional infliction of emotional distress.

On July 13, 2020, Kathleen O’Neill, a former guest from *Coral Princess* filed a purported class action in the U.S. District Court for the Central District of California against Princess Cruises, Carnival Corporation, and Carnival plc. We have filed a motion to dismiss.

On July 13, 2020, another group of former guests from *Grand Princess* filed a purported class action in the U.S. District Court for the Central District of California against Princess Cruises, Carnival Corporation and Carnival plc. We have filed a motion to dismiss plaintiff's amended action.

On July 23, 2020, Susan Karpik, a former guest from *Ruby Princess* filed a purported class action against Carnival plc and Princess Cruises in the Federal Court of Australia.

We believe that the claims asserted in these actions are without merit and are taking proper actions to defend against them.

### ***Individual Actions***

Since March 9, 2020, more than 100 former U.S. guests who sailed onboard various vessels, including, but not limited to, *Diamond Princess*, *Grand Princess*, *Ruby Princess*, or *Coral Princess*, filed individual actions against Princess Cruises and, in some actions, also against Carnival Corporation and/or Carnival plc, including actions previously disclosed. Both the previously disclosed and newly filed actions include tort claims based on a variety of theories, including negligence and failure to warn. The plaintiffs in these actions allege a variety of injuries: some plaintiffs allege only emotional distress, while others allege injuries arising from testing positive for COVID-19. A smaller number of actions include wrongful death claims.

### ***Previously Disclosed Individual Actions***

Motions to dismiss were filed on June 2, 2020 in the individual actions brought against Princess Cruises prior to such date and that allege only emotional distress associated with exposure to COVID-19 while onboard. All courts that considered those motions to date have granted them. Princess Cruises has filed motions to dismiss in all other matters in which a responsive pleading has been due. Several courts have granted the various motions to dismiss, with leave for the plaintiffs to amend.

As previously disclosed, between April 7 and July 7, 2020, former U.S. guests from *Costa Luminosa* filed individual actions against Costa in the U.S. District Court for the Southern District of Florida or the Circuit Court in and for the 11<sup>th</sup> Judicial Circuit in and for Miami-Dade County. These actions have been voluntarily dismissed with and without prejudice, respectively. The action brought in the U.S. District Court for the Southern District of Florida may be pursued in Italy.

As previously disclosed, on June 16, 2020, Patricia Vickers, on behalf of the Estate of Jessie Vickers, a former guest from *Carnival Ecstasy*, filed an action against Carnival Corporation. The case was dismissed by the court without prejudice.

As previously disclosed, on June 30, 2020, Kenneth and Nora Hook, former guests from *Zaandam*, filed an action against Holland America Line N.V. A motion to dismiss is pending and on September 3, 2020, the court denied plaintiff's motion for an expedited trial date.

### ***Newly Filed Individual Actions***

On July 16, 2020, Toyling Maa, individually and as personal representative of the estate of Wilson Maa, a former guest from *Coral Princess*, and the estate of Wilson Maa, filed an action in the U.S. District Court for the Central District of California against Carnival Corporation, Carnival plc and Princess Cruises seeking compensation for damages for Ms. Maa allegedly contracting COVID-19 and alleging wrongful death as a result of Mr. Maa contracting COVID-19. The action asserts claims for negligence. On September 21, 2020, the court denied plaintiffs' motion to remand and granted defendants' motion to dismiss without prejudice and with leave to amend.

On July 23, 2020, an action was filed on behalf of the estate of Carl Weidner, a former guest from *Grand Princess*, in the U.S. District Court for the Northern District of California against Carnival Corporation, Carnival plc and Princess Cruises seeking compensation based on a claim alleging wrongful death as a result of contracting COVID-19. The action asserts claims for negligence. The action also alleges that the forum selection clause in the guest's ticket contract that specifies venue in the Central District of California is unenforceable.

These individual actions seek monetary and punitive damages but do not specify exact amounts. We are taking proper actions to defend against them.

### ***Governmental Inquiries and Investigations***

Federal and non-U.S. governmental agencies and officials are investigating or otherwise seeking information, testimony and/or documents, regarding COVID-19 incidents and related matters, including, but not limited to, those noted below. We are investigating these matters internally and are cooperating with all requests. The investigations could result in the imposition of civil and criminal penalties in the future.

As previously disclosed, in March and April, 2020, there were several inquiries or investigations initiated by foreign governmental authorities related to *Ruby Princess*, including authorities in Australia and New Zealand. The New South Wales Commission of Inquiry Report dated August 14, 2020, concluded that no recommendations were directed towards Princess Cruises or Carnival Australia.

At this time, we continue to believe we have a meritorious defense to the aforementioned claims and while we are unable to estimate a potential range of damages, we do not believe that the ultimate outcome of these proceedings will have any material impact on our consolidated financial statements.

### Ship Commitments

As of August 31, 2020, we expect the timing of our new ship growth capital commitments to be as follows:

### NOTE 5 – Fair Value Measurements, Derivative Instruments and Hedging Activities and Financial Risks

#### Fair Value Measurements

Fair value is defined as the amount that would be received for selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and is measured using inputs in one of the following three categories:

- Level 1 measurements are based on unadjusted quoted prices in active markets for identical assets or liabilities that we have the ability to access. Valuation of these items does not entail a significant amount of judgment.
- Level 2 measurements are based on quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active or market data other than quoted prices that are observable for the assets or liabilities.
- Level 3 measurements are based on unobservable data that are supported by little or no market activity and are significant to the fair value of the assets or liabilities.

Considerable judgment may be required in interpreting market data used to develop the estimates of fair value. Accordingly, certain estimates of fair value presented herein are not necessarily indicative of the amounts that could be realized in a current or future market exchange.

The fair values of our Level 3 notes receivable were estimated using risk-adjusted discount rates.
- (b) The debt amounts above do not include the impact of interest rate swaps or debt issuance costs. The fair values of our publicly-traded notes were based on their unadjusted quoted market prices in markets that are not sufficiently active to be Level 1 and, accordingly, are considered Level 2. The fair values of our other debt were estimated based on current market interest rates being applied to this debt.

**Valuation of Goodwill and Trademarks**

As a result of the effect of COVID-19 on our expected future operating cash flows, we performed interim discounted cash flow analyses for certain reporting units with goodwill as of February 29, 2020 and for all reporting units with goodwill as of May 31, 2020. Consequently, prior to our annual test date of July 31, 2020, we determined that the estimated fair values of two of our North America & Australia (“NAA”) segment reporting units and two of our Europe & Asia (“EA”) segment reporting units no longer exceeded their carrying values. We recognized goodwill impairment charges of \$731 million and \$1.3 billion for those reporting units during the first and second quarters of 2020, respectively, and have no remaining goodwill for those reporting units. As of July 31, 2020, we performed our annual goodwill and trademark impairment reviews, which covered updates since the last test date of May 31, 2020, and we determined there was no impairment for goodwill or trademarks at our annual test date.

The determination of our reporting units' goodwill and trademark fair values includes numerous assumptions that are subject to various risks and uncertainties. The principal assumptions, all of which are considered Level 3 inputs, used in our cash flow analyses consisted of:

- Changes in market conditions, port or other restrictions, or strategy, including decisions about the allocation of new ships amongst brands and the transfer of ships between brands

- Forecasted future operating results, including net revenue yields and fuel expenses
- Weighted-average cost of capital of market participants, adjusted for the risk attributable to the geographic regions in which these cruise brands operate

We believe that we have made reasonable estimates and judgments. A change in the conditions, circumstances or strategy (including decisions about the allocation of new ships amongst brands and the transfer of ships between brands), which influence determinations of fair value, may result in a need to recognize an additional impairment charge. Refer to Note 1 - “General, COVID-19 Use of Estimates and Risks and Uncertainty” for additional discussion.

### Impairment of Ships

We review our long-lived assets for impairment whenever events or circumstances indicate potential impairment. As a result of the effect of COVID-19 on our expected future operating cash flows and our decisions to dispose of certain ships, we determined certain impairment triggers had occurred. Accordingly, we performed undiscounted cash flow analyses on some ships in our fleet as of February 29, 2020, May 31, 2020 and during the quarter ended and as of August 31, 2020. Based on these undiscounted cash flow analyses, we determined that certain ships had net carrying values that exceeded their estimated undiscounted future cash flows. We estimated the fair values of these ships based on their discounted cash flows or estimated selling value. We then compared these estimated fair values to the net carrying values and, as a result, we recognized the following:

- \$836 million and \$2 million of ship impairment charges in the NAA and EA segments, respectively, for the three months ended August 31, 2020.
- \$1.4 billion and \$311 million of ship impairment charges in the NAA and EA segments, respectively, for the nine months ended August 31, 2020.

The principal assumptions used in our analyses consisted of changes in strategy (including decisions about the sale of ships, estimated sale proceeds and timing, as well as the transfer of ships between brands), return to service, forecasted future operating results, including net revenue yields and fuel expenses. All principal assumptions are considered Level 3 inputs. Refer to Note 1 - “General, COVID-19 Use of Estimates and Risks and Uncertainty” for additional discussion.

- (a) At August 31, 2020, we had no cross currency swaps. At November 30, 2019, we had cross currency swaps totaling \$1.9 billion that were designated as hedges of our net investment in foreign operations with a euro-denominated functional currency.
- (b) At August 31, 2020 and November 30, 2019, we had foreign currency derivatives consisting of foreign currency zero cost collars designated as foreign currency cash flow hedges for a portion of our euro-denominated shipbuilding payments. See “Newbuild Currency Risks” below for additional information regarding these derivatives.
- (c) We have interest rate swaps designated as cash flow hedges whereby we receive floating interest rate payments in exchange for making fixed interest rate payments. These interest rate swap agreements effectively changed \$273 million at August 31, 2020 and \$300 million at November 30, 2019 of EURIBOR-based floating rate euro debt to fixed rate euro debt. At August 31, 2020, these interest rate swaps settle through 2025.

Our derivative contracts include rights of offset with our counterparties. We have elected to net certain of our derivative assets and liabilities within counterparties.

## Financial Risks

### Fuel Price Risks

We manage our exposure to fuel price risk by managing our consumption of fuel. Substantially all of our exposure to market risk for changes in fuel prices relates to the consumption of fuel on our ships. We manage fuel consumption through ship maintenance practices, modifying our itineraries and implementing innovative technologies.

### Foreign Currency Exchange Rate Risks

#### Overall Strategy

We manage our exposure to fluctuations in foreign currency exchange rates through our normal operating and financing activities, including netting certain exposures to take advantage of any natural offsets and, when considered appropriate, through the use of derivative and non-derivative financial instruments. Our primary focus is to monitor our exposure to, and manage, the economic foreign currency exchange risks faced by our operations and realized if we exchange one currency for another. We currently only hedge certain of our ship commitments and net investments in foreign operations. The financial impacts of the hedging instruments we do employ generally offset the changes in the underlying exposures being hedged.

#### Operational Currency Risks

Our operations primarily utilize the U.S. dollar, Australian dollar, euro or sterling as their functional currencies. Our operations also have revenue and expenses denominated in non-functional currencies. Movements in foreign currency exchange rates affect our financial statements.

#### Investment Currency Risks

We consider our investments in foreign operations to be denominated in stable currencies and of a long-term nature. We partially mitigate the currency exposure of our investments in foreign operations by designating a portion of our foreign currency debt and derivatives as hedges of these investments. As of August 31, 2020, we have designated \$883 million of our sterling-denominated debt as non-derivative hedges of our net investments in foreign operations. For the three and nine months ended August 31, 2020, we recognized \$66 million and \$29 million of loss on these non-derivative net investment hedges in the cumulative translation adjustment section of other comprehensive income (loss). We also have \$7.0 billion of euro-denominated debt, which provides an economic offset for our operations with euro functional currency.

### ***Newbuild Currency Risks***

Our shipbuilding contracts are typically denominated in euros. Our decision to hedge a non-functional currency ship commitment for our cruise brands is made on a case-by-case basis, considering the amount and duration of the exposure, market volatility, economic trends, our overall expected net cash flows by currency and other offsetting risks. We use foreign currency derivative contracts to manage foreign currency exchange rate risk for some of our ship construction payments. At August 31, 2020, for the following newbuild, we had foreign currency contracts for a portion of our euro-denominated shipyard payments. These contracts are designated as cash flow hedges.

	Entered Into	Matures In	Weighted-Average Floor Rate	Weighted- Average Ceiling Rate
<b><u>Foreign currency zero cost collars</u></b>				
<i>Mardi Gras</i>	2020	December 2020	\$ 1.12	\$ 1.28

If the spot rate is between the ceiling and floor rates on the date of maturity, then we would not owe or receive any payments under the zero cost collars.

At August 31, 2020, our remaining newbuild currency exchange rate risk primarily relates to euro-denominated newbuild contract payments to non-euro functional currency brands, which represent a total unhedged commitment of \$8.4 billion for newbuilds scheduled to be delivered from 2020 through 2025.

The cost of shipbuilding orders that we may place in the future that is denominated in a different currency than our cruise brands' will be affected by foreign currency exchange rate fluctuations. These foreign currency exchange rate fluctuations may affect our decision to order new cruise ships.

#### ***Interest Rate Risks***

We manage our exposure to fluctuations in interest rates through our debt portfolio management and investment strategies. We evaluate our debt portfolio to determine whether to make periodic adjustments to the mix of fixed and floating rate debt through the use of interest rate swaps, issuance of new debt, amendment of existing debt or early retirement of existing debt.

#### ***Concentrations of Credit Risk***

As part of our ongoing control procedures, we monitor concentrations of credit risk associated with financial and other institutions with which we conduct significant business. We seek to manage these credit risk exposures, including counterparty nonperformance primarily associated with our cash equivalents, investments, notes receivables, future financing facilities, contingent obligations, derivative instruments, insurance contracts, long-term ship charters and new ship progress payment guarantees, by:

- Conducting business with well-established financial institutions, insurance companies and export credit agencies
- Diversifying our counterparties
- Having guidelines regarding credit ratings and investment maturities that we follow to help safeguard liquidity and minimize risk
- Generally requiring collateral and/or guarantees to support notes receivable on significant asset sales, long-term ship charters and new ship progress payments to shipyards

At August 31, 2020, our exposures under derivative instruments were not material. We also monitor the creditworthiness of travel agencies and tour operators in Asia, Australia and Europe, which includes charter-hire agreements in Asia and credit and debit card providers to which we extend credit in the normal course of our business. Concentrations of credit risk associated with trade receivables and other receivables, charter-hire agreements and contingent obligations are not considered to be material, principally due to the large number of unrelated accounts, the nature of these contingent obligations and their short maturities. Normally, we have not required collateral or other security to support normal credit sales. Historically, we have not experienced significant credit losses, including counterparty nonperformance. Because of the impact COVID-19 is having on economies, we have experienced, and expect to continue to experience, an increase in credit losses.

Our credit exposure also includes contingent obligations related to cash payments received directly by travel agents and tour operators for cash collected by them on cruise sales in Australia and most of Europe where we are obligated to honor our

guests' cruise payments made by them to their travel agents and tour operators regardless of whether we have received these payments.

#### NOTE 6 – Leases

Substantially all of our leases for which we are the lessee are operating leases of port facilities and real estate and are included within operating lease right-of-use assets, long-term operating lease liabilities and current portion of operating lease liabilities in our Consolidated Balance Sheet as of August 31, 2020.

We have port facilities and real estate lease agreements with lease and non-lease components, and in such cases, we account for the components as a single lease component.

We do not recognize lease assets and lease liabilities for any leases with an original term of less than one year. For some of our port facilities and real estate lease agreements, we have the option to extend our current lease term by 1 to 10 years. Generally, we do not include renewal options as a component of our present value calculation as we are not reasonably certain that we will exercise the options.

As most of our leases do not have a readily determinable implicit rate, we estimate the incremental borrowing rate ("IBR") to determine the present value of lease payments. We apply judgment in estimating the IBR including considering the term of the lease, the currency in which the lease is denominated, and the impact of collateral and our credit risk on the rate. For leases that were in place upon adoption of *Leases*, we used the remaining lease term as of December 1, 2019 in determining the IBR. For the initial measurement of the lease liabilities for leases commencing after the adoption, the IBR at the lease commencement date was applied.

We amortize our lease assets on a straight-line basis over the lease term. The components of expense were as follows:

<i>(in millions)</i>	<b>Three months ended August 31, 2020</b>	<b>Nine months ended August 31, 2020</b>
Operating lease expense	\$ 51	\$ 153
Variable lease expense (a) (b)	\$ (36)	\$ (26)

- (a) Variable lease expense represents costs associated with our multi-year preferential berthing agreements, which vary based on the number of passengers. These costs are recorded within commission, transportation and other in our Consolidated Statements of Income (Loss). Variable and short-term lease costs related to operating leases, other than the port facilities, were not material to our consolidated financial statements.
- (b) Several of our preferential berthing agreements have force majeure provisions. We have treated the concessions granted under such provision as variable payment adjustments. If our interpretation of the force majeure provisions is disputed, we could be required to record and make additional guarantee payments.

We have multiple agreements, with a total undiscounted minimum commitment of approximately \$440 million, that have been executed but the lease term has not commenced as of August 31, 2020. These are substantially all related to our rights to use certain port facilities. The leases are expected to commence between 2020 and 2022.

During the nine months ended August 31, 2020, we obtained \$126 million of right-of-use assets in exchange for new operating lease liabilities. The cash outflow for leases was materially consistent with the lease expense recognized during the three and nine months ended August 31, 2020.

Weighted average of the remaining lease terms and weighted average discount rates are as follows:

	<b>August 31, 2020</b>
Weighted average remaining lease term - operating leases (in years)	13
Weighted average discount rate - operating leases	3.2 %

As of August 31, 2020, maturities of operating lease liabilities were as follows:

(in millions)

Year		
Remainder of 2020	\$	36
2021		197
2022		162
2023		156
2024		147
Thereafter		1,074
Total lease payments		1,773
Less: Present value discount		(342)
Present value of lease liabilities	\$	1,431

Under ASC 840, *Leases*, future minimum lease payments under non-cancelable operating leases of port facilities and other assets as of November 30, 2019 were as follows:

(in millions)

Year		
2020	\$	219
2021		196
2022		161
2023		173
2024		167
Thereafter		1,408
	\$	2,324

For time charter arrangements where we are the lessor and for transactions with cruise guests related to the use of cabins, we do not separate lease and non-lease components. As the non-lease components are the predominant components in the agreements, we account for these transactions under the Revenue Recognition guidance.

#### NOTE 7 – Segment Information

Our operating segments are reported on the same basis as the internally reported information that is provided to our chief operating decision maker (“CODM”), who is the President and Chief Executive Officer of Carnival Corporation and Carnival plc. The CODM assesses performance and makes decisions to allocate resources for Carnival Corporation & plc based upon review of the results across all of our segments. Our four reportable segments are comprised of (1) NAA cruise operations, (2) EA cruise operations, (3) Cruise Support and (4) Tour and Other.

The operating segments within each of our NAA and EA reportable segments have been aggregated based on the similarity of their economic and other characteristics, including geographic guest sourcing. Our Cruise Support segment includes our portfolio of leading port destinations and other services, all of which are operated for the benefit of our cruise brands. Our Tour and Other segment represents the hotel and transportation operations of Holland America Princess Alaska Tours and other operations.

**NOTE 10 – Other Assets**

We have a minority interest in CSSC Carnival Cruise Shipping Limited (“CSSC-Carnival”), a China-based cruise company which will operate its own fleet designed to serve the Chinese market. Our investment in CSSC-Carnival was \$135 million as of August 31, 2020 and \$48 million as of November 30, 2019. In December 2019, we sold to CSSC-Carnival a controlling interest in an entity with full ownership of two EA segment ships and recognized a related gain of \$107 million, included in other operating expenses in our Consolidated Statements of Income (Loss). We will continue to operate each of these ships under bareboat charter agreements through December 2020 and May 2021, respectively.

**NOTE 11 – Defined Benefit Pension Plans and Restructuring Costs**

We have several single-employer defined benefit pension plans, which cover some of our shipboard and shoreside employees. The U.S. and UK shoreside employee plans are closed to new membership and are funded at or above the level required by U.S. or UK regulations. As required by UK regulations, the UK employee plan is undergoing its triennial valuation. Due to the COVID-19 pandemic and its impact on the economic environment and our operations, the finalization of the valuation may result in a plan deficit, which would then trigger a funding obligation under UK regulations. The remaining defined benefit plans are primarily unfunded. In determining all of our plans’ benefit obligations at November 30, 2019 and 2018, we assumed a weighted-average discount rate of 2.4% for 2019 and 3.4% for 2018.

In May 2020, we announced a combination of layoffs, furloughs and salary reductions across the company in response to the extended pause in our global cruise operations. For the three and nine months ended August 31, 2020, we incurred restructuring costs of \$3 million and \$42 million, principally consisting of severance and our continued payment of health benefits to affected employees. These costs are included in the selling and administrative line item within our Consolidated Statements of Income (Loss).

**NOTE 12 – Property and Equipment**

**Ship Sales**

During 2020, we sold seven NAA segment ships and three EA segment ships, which represents a passenger-capacity reduction of 11,560 for our NAA segment and 5,510 for our EA segment. In addition, we have either entered into agreements to sell or expect to sell six NAA segment ships and two EA segment ships, which represents a passenger-capacity reduction of 9,620 for our NAA segment and 4,320 for our EA segment.

**NOTE 13 – Subsequent Events**

*Public Equity Offering*

On September 15, 2020, we entered into an equity distribution agreement with sales agents pursuant to which we may, from time to time, offer and sell shares of Carnival Corporation's common stock having an aggregate offering price of up to \$1.0 billion through the sales agents (the "ATM Offering"). We have filed a prospectus supplement with the Securities and Exchange Commission in connection with the ATM Offering on September 15, 2020. As of October 2, 2020, we sold 23 million shares for net proceeds of \$352 million and paid \$4 million in compensation with respect of such sales of shares under the ATM Offering.

### **Cautionary Note Concerning Factors That May Affect Future Results**

Some of the statements, estimates or projections contained in this document are “forward-looking statements” that involve risks, uncertainties and assumptions with respect to us, including some statements concerning future results, operations, outlooks, plans, goals, reputation, cash flows, liquidity and other events which have not yet occurred. These statements are intended to qualify for the safe harbors from liability provided by Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. All statements other than statements of historical facts are statements that could be deemed forward-looking. These statements are based on current expectations, estimates, forecasts and projections about our business and the industry in which we operate and the beliefs and assumptions of our management. Forward-looking statements include those statements that relate to our outlook and financial position including, but not limited to, statements regarding:

- Net revenue yields
- Booking levels
- Pricing and occupancy
- Interest, tax and fuel expenses
- Currency exchange rates
- Net cruise costs, excluding fuel per available lower berth day
- Estimates of ship depreciable lives and residual values
- Goodwill, ship and trademark fair values
- Liquidity
- Adjusted earnings per share
- Impact of the COVID-19 coronavirus global pandemic on our financial condition and results of operations

Because forward-looking statements involve risks and uncertainties, there are many factors that could cause our actual results, performance or achievements to differ materially from those expressed or implied by our forward-looking statements. This note contains important cautionary statements of the known factors that we consider could materially affect the accuracy of our forward looking statements and adversely affect our business, results of operations and financial position. Additionally, many of these risks and uncertainties are currently amplified by and will continue to be amplified by, or in the future may be amplified by, the COVID-19 outbreak. It is not possible to predict or identify all such risks. There may be additional risks that we consider immaterial or which are unknown. These factors include, but are not limited to, the following:

- COVID-19 has had, and is expected to continue to have, a significant impact on our financial condition and operations, which impacts our ability to obtain acceptable financing to fund resulting reductions in cash from operations. The current, and uncertain future, impact of the COVID-19 outbreak, including its effect on the ability or desire of people to travel (including on cruises), is expected to continue to impact our results, operations, outlooks, plans, goals, growth, reputation, litigation, cash flows, liquidity, and stock price
- As a result of the COVID-19 outbreak, we may be out of compliance with a maintenance covenant in certain of our debt facilities, for which we have waivers for the period through March 31, 2021 with the next testing date of May 31, 2021
- World events impacting the ability or desire of people to travel may lead to a decline in demand for cruises
- Incidents concerning our ships, guests or the cruise vacation industry as well as adverse weather conditions and other natural disasters may impact the satisfaction of our guests and crew and lead to reputational damage
- Changes in and non-compliance with laws and regulations under which we operate, such as those relating to health, environment, safety and security, data privacy and protection, anti-corruption, economic sanctions, trade protection and tax may lead to litigation, enforcement actions, fines, penalties, and reputational damage
- Breaches in data security and lapses in data privacy as well as disruptions and other damages to our principal offices, information technology operations and system networks, including the recent ransomware incident, and failure to keep pace with developments in technology may adversely impact our business operations, the satisfaction of our guests and crew and lead to reputational damage
- Ability to recruit, develop and retain qualified shipboard personnel who live away from home for extended periods of time may adversely impact our business operations, guest services and satisfaction
- Increases in fuel prices, changes in the types of fuel consumed and availability of fuel supply may adversely impact our scheduled itineraries and costs
- Fluctuations in foreign currency exchange rates may adversely impact our financial results
- Overcapacity and competition in the cruise and land-based vacation industry may lead to a decline in our cruise sales, pricing and destination options

- Geographic regions in which we try to expand our business may be slow to develop or ultimately not develop how we expect
- Inability to implement our shipbuilding programs and ship repairs, maintenance and refurbishments may adversely impact our business operations and the satisfaction of our guests

The ordering of the risk factors set forth above is not intended to reflect our indication of priority or likelihood.

Forward-looking statements should not be relied upon as a prediction of actual results. Subject to any continuing obligations under applicable law or any relevant stock exchange rules, we expressly disclaim any obligation to disseminate, after the date of this document, any updates or revisions to any such forward-looking statements to reflect any change in expectations or events, conditions or circumstances on which any such statements are based.

## **Recent Developments**

### **Resumption of Guest Operations**

In the face of the global impact of COVID-19, we paused our guest cruise operations in mid-March. We resumed limited guest operations in September 2020, with Costa Cruises ("Costa") successful voyages on two of our ships, *Costa Deliziosa* and *Costa Diadema*. We are continuing the limited resumption of our guest cruise operations with sailings on additional Costa ships shortly, as well as with sailings on AIDA Cruises ("AIDA") which are anticipated to begin in mid-October 2020. These brands are beginning our anticipated gradual, phased-in resumption of guest cruise operations. The initial cruises will continue to take place with adjusted passenger capacity and enhanced health protocols developed with government and health authorities, and guidance from our roster of medical and scientific experts.

Other brands and ships are expected to return to service over time to provide guests with unmatched joyful vacations in a manner consistent with our highest priorities, which are compliance, environmental protection and the health, safety and well-being of our guests, crew, shoreside employees and the people in the communities our ships visit. Many of our brands source the majority of their guests from the geographical region in which they operate. In the current environment, we believe this will benefit us in resuming guest cruise operations.

#### ***Health and Safety Protocols***

Working with global and national health authorities and medical experts, Costa and AIDA have a comprehensive set of health and hygiene protocols to help facilitate a safe and healthy return to cruise vacations. Both brands are providing guests with detailed information about enhanced protocols, which are modeled after shoreside health and mitigation guidelines as provided by each brand's respective country, and approved by the flag state, Italy. Protocols will be updated based on evolving scientific and medical knowledge related to mitigation strategies.

Costa is the first cruise company to earn the Biosafety Trust Certification from Registro Italiano Navale ("RINA"). The certification process examined all aspects of life onboard and ashore and assessed the compliance of the system with procedures aimed at the prevention and control of infections. Costa's comprehensive set of measures and procedures implemented on the ships that resumed operations cover key areas such as crew health and safety, the booking process, guest activities, entertainment and dining, and medical care on board, as well as pre-boarding, embarkation and disembarkation operations, which includes testing for all guests prior to embarkation.

More broadly, as the understanding of COVID-19 continues to evolve, we have been working with a number of world-leading public health, epidemiological and policy experts to support our ongoing efforts with enhanced protocols and procedures for the return of cruise vacations. These advisors will continue to provide guidance based on the latest scientific evidence and best practices for protection and mitigation.

#### ***Optimizing the Future Fleet***

We expect future capacity to be moderated by the phased re-entry of our ships, the removal of capacity from our fleet and delays in new ship deliveries. Since the pause in guest operations, we have accelerated the removal of ships in fiscal 2020 which were previously expected to be sold over the ensuing years. We now expect to dispose of 18 ships, 10 of which have already left the fleet. In total, the 18 ships represent approximately 12 percent of pre-pause capacity and only three percent of operating income in 2019. The sale of less efficient ships will result in future operating expense efficiencies of approximately two percent per available lower berth day ("ALBD") and a reduction in fuel consumption of approximately one percent per ALBD. We expect only two of the four ships originally scheduled for delivery in 2020, following the start of the pause, to be delivered prior to the end of fiscal 2020, including *Enchanted Princess* which was delivered in September 2020. We currently expect only five of the nine ships originally scheduled for delivery in fiscal 2020 and 2021 to be delivered prior to the end of fiscal year 2021. We currently expect nine cruise ships and two smaller expedition ships of the 13 ships originally scheduled for delivery prior to the end of fiscal year 2022 to be delivered by then.

Based on the actions taken to date and the scheduled newbuild deliveries through 2022, our fleet will be more efficient with a roughly 13 percent larger average berth size per ship and an average age of 12 years in 2022 versus 13 years, in each case as compared to 2019.

(a) Excludes 18 ships that we expect to dispose. Ten ships have left the fleet and we expect six ships to leave the fleet by December 2020, one by February 2021 and one by May 2021.

### Update on Bookings

While we believe bookings in the first half of 2021 reflect expectations of the phased resumption of our guest cruise operations and anticipated itinerary changes, as of September 20, 2020, cumulative advanced bookings for the second half of 2021 capacity currently available for sale are at the higher end of the historical range. We believe this demonstrates the long-term potential demand for cruising. Pricing on these bookings are lower by mid-single digits versus the second half of 2019, on a comparable basis, reflecting the effect of FCCs from previously cancelled cruises being applied. We continue to take bookings for both 2021 and 2022.

We are providing flexibility to guests with bookings on sailings cancelled by allowing guests to receive enhanced FCCs or elect to receive refunds in cash. Enhanced FCCs increase the value of the guest's original booking or provide incremental onboard credits. As of September 20, 2020, approximately 45 percent of guests affected by our schedule changes have received enhanced FCCs and approximately 55 percent have requested refunds.

Total customer deposits balance at August 31, 2020, was \$2.4 billion, the majority of which are FCCs, compared to total customer deposits balance of \$2.9 billion at May 31, 2020. The decline in customer deposits is consistent with previous

expectations. As of August 31, 2020, the current portion of customer deposits was \$2.1 billion with \$0.1 billion relating to fourth quarter sailings. Approximately 60 percent of bookings taken during the three weeks ended September 20, 2020 were new bookings, as opposed to FCC re-bookings, despite minimal advertising or marketing.

### **Update on Liquidity**

Refer to “Liquidity, Financial Condition and Capital Resources.”

Refer to “Risk Factors” - *“COVID-19 has had, and is expected to continue to have, a significant impact on our financial condition and operations, which impacts our ability to obtain acceptable financing to fund resulting reductions in cash from operations. The current, and uncertain future, impact of the COVID-19 outbreak, including its effect on the ability or desire of people to travel (including on cruises), is expected to continue to impact our results, operations, outlooks, plans, goals, growth, reputation, litigation, cash flows, liquidity, and stock price.”*

### **Update on Cyber Incident**

On August 15, 2020, we detected a ransomware attack and unauthorized access to our information technology systems. We engaged a major cybersecurity firm to investigate the matter and notified law enforcement and regulators of the incident. While the investigation is ongoing, early indications are that the unauthorized third-party gained access to certain personal information relating to some guests, employees and crew for some of our operations. There is currently no indication of any misuse of this information. While at this time we do not believe that this information will be misused going forward or that this incident will have a material adverse effect on our business, operations or financial results, no assurances can be given and further we may be subject to future attacks or incidents that could have such a material adverse effect.

### **New Accounting Pronouncements**

Refer to Note 1 - “General, Accounting Pronouncements” of the consolidated financial statements for additional discussion regarding accounting pronouncements.

### **Critical Accounting Estimates**

For a discussion of our critical accounting estimates, see “Management’s Discussion and Analysis of Financial Condition and Results of Operations” that is included in the Form 10-K. A discussion of our goodwill impairment charges recognized during the first and second quarters of 2020, and ship impairment charges recognized during 2020 is included in the accompanying consolidated financial statements.

### **Seasonality**

Our passenger ticket revenues are seasonal. Historically, demand for cruises has been greatest during our third quarter, which includes the Northern Hemisphere summer months, although 2020 will continue to be adversely impacted by COVID-19. This higher demand during the third quarter results in higher ticket prices and occupancy levels and, accordingly, the largest share of our operating income is earned during this period. This historical trend has been disrupted by the pause in global cruise operations. In addition, substantially all of Holland America Princess Alaska Tours’ revenue and net income (loss) is generated from May through September in conjunction with Alaska’s cruise season. During 2020, the Alaska cruise season was adversely impacted by the effects of COVID-19.

We paused our guest operations in mid-March 2020 and have been in a pause for a majority of the second quarter and all of the third quarter. The pause in guest operations is continuing to have material negative impacts on all aspects of our business, including the above statistical information.

**Notes to Statistical Information**

- (a) ALBD is a standard measure of passenger capacity for the period that we use to approximate rate and capacity variances, based on consistently applied formulas that we use to perform analyses to determine the main non-capacity driven factors that cause our cruise revenues and expenses to vary. ALBDs assume that each cabin we offer for sale accommodates two passengers and is computed by multiplying passenger capacity by revenue-producing ship operating days in the period.
- (b) In accordance with cruise industry practice, occupancy is calculated using a denominator of ALBDs, which assumes two passengers per cabin even though some cabins can accommodate three or more passengers. Percentages in excess of 100% indicate that on average more than two passengers occupied some cabins.

We paused our guest operations in mid-March 2020 and as a result have been in a pause for a majority of the second quarter and all of the third quarter. We resumed limited guest cruise operations in September 2020 as part of our phased-in return to service. The partial pause in guest operations is continuing to have material negative impacts on all aspects of our business. The longer the partial pause in guest operations continues, the greater the impact on our liquidity and financial position.

As a result of the pause in our guest cruise operations, we have experienced essentially no revenue for the three months ended and meaningfully lower revenues for the nine months ended August 31, 2020 compared to the prior year periods resulting in operating losses for the current periods. We are unable to definitively predict the timing of our complete return to service. As a result, we are currently unable to provide an earnings forecast. We expect a net loss on both a U.S. GAAP and adjusted basis for the quarter and year ending November 30, 2020.

While maintaining compliance, environmental protection and safety, we significantly reduced ship operating expenses, including cruise payroll and related expenses, food, fuel, insurance and port charges by transitioning ships into paused status, either at anchor or in port and staffed at a safe manning level. We continue to seek ways to further reduce our ongoing ship operating expenses.

In addition, during the nine months ended August 31, 2020, we incurred incremental COVID-19 related costs associated with repatriating guests and crew members, enhancing health protocols and sanitizing our ships, restructuring costs and defending lawsuits.

As a result of the effects of COVID-19 on our expected future operating cash flows, we recognized goodwill impairment charges of \$2.1 billion during the nine months ended August 31, 2020. In addition, we recognized ship impairment charges of \$0.8 billion and \$1.7 billion during the three and nine months ended August 31, 2020, respectively.

### Explanations of Non-GAAP Financial Measures

We use adjusted net income (loss) and adjusted earnings per share as non-GAAP financial measures of our cruise segments' and the company's financial performance. These non-GAAP financial measures are provided along with U.S. GAAP net income (loss) and U.S. GAAP diluted earnings per share.

We believe that gains and losses on ship sales, impairment charges, restructuring costs and other gains and losses are not part of our core operating business and are not an indication of our future earnings performance. Therefore, we believe it is more meaningful for these items to be excluded from our net income (loss) and earnings per share and, accordingly, we present adjusted net income (loss) and adjusted earnings per share excluding these items.

Adjusted EBITDA is a non-GAAP measure, and we believe that the presentation of Adjusted EBITDA provides additional information to investors about our operating profitability adjusted for certain non-cash items and other gains and expenses that we believe are not part of our core operating business and are not an indication of our future earnings performance. Further, we believe that the presentation of Adjusted EBITDA provides additional information to investors about our ability to operate our business in compliance with the restrictions set forth in our debt agreements. We define Adjusted EBITDA as adjusted net income (loss) adjusted for (i) interest, (ii) taxes and (iii) depreciation and amortization. There are material limitations to using Adjusted EBITDA. Adjusted EBITDA does not take into account certain significant items that directly affect our net income (loss). These limitations are best addressed by considering the economic effects of the excluded items independently, and by considering Adjusted EBITDA in conjunction with net income (loss) as calculated in accordance with U.S. GAAP.

The presentation of our non-GAAP financial information is not intended to be considered in isolation from, as substitute for, or superior to the financial information prepared in accordance with U.S. GAAP. It is possible that our non-GAAP financial measures may not be exactly comparable to the like-kind information presented by other companies, which is a potential risk associated with using these measures to compare us to other companies.

## Liquidity, Financial Condition and Capital Resources

We have taken, and continue to take, significant actions to preserve cash and secure additional financing to increase our liquidity. Since March 2020, we have raised \$12.5 billion through a series of financing transactions through October 2, 2020. We have completed the following transactions:

- In March 2020, we fully drew down our \$3.0 billion Revolving Facility.
- In March 2020, we settled outstanding derivatives resulting in proceeds of \$220 million.
- In April 2020, we completed (i) a public offering of 71,875,000 shares of Carnival Corporation's common stock at a price per share of \$8.00, resulting in net proceeds of \$556 million and (ii) a private offering of \$2.0 billion aggregate principal amount of 5.75% Convertible Notes.
- In April 2020, we completed a private offering of \$4.0 billion aggregate principal amount of 11.5% 2023 Secured Notes that mature on April 1, 2023.
- In April 2020, we extended a \$166 million euro-denominated bank loan, originally maturing in 2020, to March 2021.
- Certain of the counterparties to our export credit facilities have offered the Debt Holiday. We have entered into supplemental agreements or side letters for the Debt Holiday amendments to defer certain principal repayments otherwise due through March 31, 2021 through the creation of separate tranches of loans with repayments made over the following four years. We have also entered into supplemental agreements or side letters to waive the Financial Covenant for our funded export credit facilities through March 31, 2021, August 31, 2021, November 30, 2021 or December 31, 2021, as applicable. We will be required to comply with the Financial Covenant beginning with the next testing date of May 31, 2021, November 30, 2021, February 28, 2022 or February 28, 2022, respectively.
- Subsequent to August 31, 2020, we extended the Financial Covenant waivers for our funded export credit facilities through at least November 30, 2021 (with the next testing date of February 28, 2022) except that for three of our funded export credit facilities with Financial Covenant waivers through March 31, 2021 (with the next testing date of May 31, 2021) or August 31, 2021 (with the next testing date of November 30, 2021), with total aggregate indebtedness of \$1.3 billion as of August 31, 2020, we are currently engaged in discussions to extend the waivers for these facilities through November 30, 2021 (with the next testing date of February 28, 2022).
- We obtained waivers of the Financial Covenant for certain of our bank loans through November 2021. We will be required to comply with the covenant beginning with the next testing date of February 28, 2022. We have also obtained waivers of the covenant for the remaining applicable bank loans through their respective maturity dates.
- To further enhance our liquidity, as well as comply with the dividend restrictions contained in our recent debt agreements, we have suspended the payment of dividends on, and the repurchase of, the common stock of Carnival Corporation and the ordinary shares of Carnival plc.
- In June 2020, we borrowed an aggregate principal amount of \$2.8 billion in two tranches (\$1.9 billion and €800 million), under the 2025 Secured Term Loan that matures on June 30, 2025. The U.S. dollar tranche bears interest at a rate per annum equal to adjusted LIBOR (with a 1% floor) plus 7.5%. The euro tranche bears interest at a rate per annum equal to EURIBOR (with a 0% floor) plus 7.5%.
- In July 2020, we extended a \$337 million euro-denominated floating rate bank loan originally maturing in 2021 to 2022.
- In July 2020, we issued an aggregate principal amount of \$1.3 billion in two tranches (\$775 million and €425 million), under 2026 Secured Notes, that mature on February 1, 2026. The U.S. dollar tranche bears interest at a rate of 10.5% per year. The euro tranche bears interest at a rate of 10.1% per year.
- In August 2020, we completed a registered direct offering of 99.2 million shares of Carnival Corporation's common stock at a price per share of \$14.02 to a limited number of holders of the Convertible Notes (the "Registered Direct Offering"). We used the proceeds from the Registered Direct Offering to repurchase \$886 million aggregate principal amount of the Convertible Notes and pay accrued interest thereon in privately negotiated transactions.
- In August 2020, we issued an aggregate principal amount of \$900 million of second-priority senior secured notes that mature on August 1, 2027. The 2027 Secured Notes bear interest at a rate of 9.9% per year.
- On September 15, 2020, we entered into an equity distribution agreement with sales agents pursuant to which we may, from time to time, offer and sell shares of Carnival Corporation's common stock having an aggregate offering price of up to \$1.0 billion through the sales agents. We have filed a prospectus supplement with the Securities and Exchange Commission in connection with the ATM Offering on September 15, 2020. As of October 2, 2020, we sold 23 million shares for net proceeds of \$352 million and paid \$4 million in compensation with respect of such sales of shares under the ATM Offering.
- In September 2020, we borrowed \$610 million under an export credit facility due in semi-annual installments through 2032.

As of August 31, 2020, we had a total of \$8.2 billion of cash and cash equivalents.

Our monthly average cash burn rate for the third quarter 2020 was \$770 million, which was in line with the anticipated monthly cash burn rate. We expect the monthly average cash burn rate for the fourth quarter of 2020 to be approximately \$530 million. This results in an average monthly burn rate for the second half of the year of \$650 million, as previously disclosed. This rate includes approximately \$250 million of ongoing ship operating and administrative expenses, working capital changes (excluding changes in customer deposits), interest expense and committed capital expenditures (net of unfunded export credit facilities) and also excludes scheduled debt maturities as well as other cash collateral to be provided. We continue to explore opportunities to further reduce our monthly cash burn rate.

We estimate non-newbuild capital expenditures during the fourth quarter of 2020 to be approximately \$130 million. Our scheduled debt maturities, for debt outstanding as of August 31, 2020, are as follows:

(in billions)	4Q 2020		1Q 2021		2Q 2021		3Q 2021		4Q 2021	
Principal Payments (a)	\$	1.0	\$	0.5	\$	0.3 (b)	\$	0.6	\$	0.2 (b)

- (a) Excluding the Revolving Facility. As of August 31, 2020, borrowings under the Revolving Facility were \$3.0 billion, which were drawn in March 2020 for an initial term of six months. The maturities for these borrowings were extended in September 2020 for an additional six months through March 2021. We may re-borrow such amounts subject to satisfaction of the conditions in the Revolving Facility Agreement.
- (b) We have a principal balance of \$0.5 billion and \$0.8 billion of debt outstanding as of August 31, 2020, otherwise due through 2032, for which covenant waivers expire during the second quarter 2021 and fourth quarter 2021, respectively. We are working on extending these covenant waivers. If the covenant waiver extensions are not received, we would be required to prepay the outstanding principal balance.

Since March 2020, Moody's and S&P Global have downgraded our credit ratings to be below investment grade. Our current short-term commercial paper credit rating prevents us from issuing additional commercial paper.

We had a working capital deficit of \$916 million as of August 31, 2020 compared to a working capital deficit of \$7.1 billion as of November 30, 2019. The decrease in working capital deficit was caused by an increase in cash and cash equivalents and a decrease in customer deposits, partially offset by increases in short-term borrowings and the current portion of long-term debt. Historically, we operate with a substantial working capital deficit. This deficit is mainly attributable to the fact that, under our business model, substantially all of our passenger ticket receipts are collected in advance of the applicable sailing date. These advance passenger receipts generally remain a current liability until the sailing date. The cash generated from these advance receipts is used interchangeably with cash on hand from other sources, such as our borrowings and other cash from operations. The cash received as advanced receipts can be used to fund operating expenses, pay down our debt, make long-term investments or any other use of cash. Included within our working capital deficit were \$2.1 billion and \$4.7 billion of customer deposits as of August 31, 2020 and November 30, 2019, respectively. We are providing flexibility to guests with bookings on sailings cancelled due to the pause by allowing guests to receive enhanced FCCs or elect to receive refunds in cash. We have paid and expect to continue to pay cash refunds of customer deposits with respect to a portion of these cancelled cruises. The amount of cash refunds to be paid may depend on the level of guest acceptance of FCCs and future cruise cancellations. We record a liability for FCCs to the extent we have received cash from guests with bookings on cancelled sailings. As of August 31, 2020, approximately 55% of guests affected have requested cash refunds. In addition, we have a relatively low-level of accounts receivable and limited investment in inventories. We expect that we will continue to have working capital deficits in the future.

Refer to Note 1 - "General, Liquidity and Management's Plans" of the consolidated financial statements for additional discussion regarding our liquidity.

## Funding Sources

As of August 31, 2020, we had \$8.2 billion of cash and cash equivalents. In addition, we had \$9.4 billion of export credit facilities to fund ship deliveries planned through 2024.

<i>(in billions)</i>	2020	2021	2022	2023	2024
Future export credit facilities at August 31, 2020 (a)	\$ 1.5	\$ 2.0	\$ 3.4	\$ 1.9	\$ 0.6

- (a) Under the terms of these export credit facilities, we are required to comply with the Financial Covenant. We have entered into supplemental agreements or side letters to amend our agreements with respect to the Financial Covenant for our unfunded export credit facilities to waive compliance through August 31, 2021 (with the next testing date of November 30, 2021) for aggregate principal of \$2.7 billion, through November 30, 2021 (with the next testing date of February 28, 2022) for aggregate principal of \$1.2 billion (of which we borrowed \$610 million to fund delivery of a ship in September 2020), and through December 31, 2021 (with the next testing date of February 28, 2022) for aggregate principal of \$3.7 billion. For the remaining three unfunded export credit facilities with an aggregate principal of \$1.8 billion, we are engaged in discussions with the counterparties to waive the Financial Covenant through March 31, 2021 (with the next testing date of May 31, 2021). Simultaneously with obtaining the initial waivers for these three unfunded export credit facilities, we have also requested extension of waivers for these facilities through November 30, 2021 (with the next testing date of February 28, 2022).

Many of our debt agreements contain various other financial covenants, including those described in Note 3 - "Debt" and in Note 5 - "Deb" in the annual consolidated financial statements, which are included within our Form 10-K. At August 31, 2020, we were in compliance with the applicable debt covenants.

## Off-Balance Sheet Arrangements

We are not a party to any off-balance sheet arrangements, including guarantee contracts, retained or contingent interests, certain derivative instruments and variable interest entities that either have, or are reasonably likely to have, a current or future material effect on our consolidated financial statements.

## Item 3. Quantitative and Qualitative Disclosures About Market Risk.

For a discussion of our hedging strategies and market risks, see the discussion below and Note 10 - "Fair Value Measurements, Derivative Instruments and Hedging Activities and Financial Risks" in our consolidated financial statements and Management's Discussion and Analysis of Financial Condition and Results of Operations within our Form 10-K.

## Interest Rate Risks

The composition of our debt, including the effect of interest rate swaps, was as follows:

	<b>August 31, 2020</b>
Fixed rate	44 %
EUR fixed rate	13 %
Floating rate	25 %
EUR floating rate	14 %
GBP floating rate	4 %

**Item 4. Controls and Procedures.**

**A. Evaluation of Disclosure Controls and Procedures**

Disclosure controls and procedures are designed to provide reasonable assurance that information required to be disclosed by us in the reports that we file or submit under the Securities Exchange Act of 1934, is recorded, processed, summarized and reported, within the time periods specified in the U.S. Securities and Exchange Commission's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by us in our reports that we file or submit under the Securities Exchange Act of 1934 is accumulated and communicated to our management, including our principal executive and principal financial officers, or persons performing similar functions, as appropriate, to allow timely decisions regarding required disclosure.

Our President and Chief Executive Officer and our Chief Financial Officer and Chief Accounting Officer have evaluated our disclosure controls and procedures and have concluded, as of August 31, 2020, that they are effective at a reasonable level of assurance, as described above.

**B. Changes in Internal Control over Financial Reporting**

There have been no changes in our internal control over financial reporting during the quarter ended August 31, 2020 that have materially affected or are reasonably likely to materially affect our internal control over financial reporting.

## PART II - OTHER INFORMATION

### Item 1. **Legal Proceedings.**

In addition to the proceeding described below, the legal proceedings described in Note 4 – “Contingencies and Commitments” of our consolidated financial statements, including those described under “COVID-19 Actions,” are incorporated in this “Legal Proceedings” section by reference.

As previously disclosed, on May 19, 2017, Holland America Line and Princess Cruises notified the National Oceanic and Atmospheric Administration (“NOAA”) regarding discharges made by certain vessels in the recently expanded area of the National Marine Sanctuary in the Farallones Island. On February 7, 2020, Carnival Corporation received an assessment for a civil penalty of \$1.4 million for these discharges. The parties are negotiating a final settlement.

As previously disclosed, in June and August of 2018, Holland America Line received four Notices of Violation from the Alaska Department of Environmental Conservation (“ADEC”) alleging that four ships violated the Alaska state visible emissions standards while docked in Skagway, Haines and Ketchikan. On July 8, 2020, ADEC waived opacity penalties for two vessels and proposed a settlement of \$112,500 to resolve all outstanding penalties, which Holland America Line accepted on July 31, 2020.

### Item 1A. **Risk Factors.**

The risk factors in this Form 10-Q below should be carefully considered, including the risk factors discussed in “Risk Factors” and other risks discussed in our Form 10-K, our Form 10-Q for the quarters ended February 29, 2020 and May 31, 2020 and other filings with the SEC since the date of the Form 10-K. These risks could materially and adversely affect our results, operations, outlooks, plans, goals, growth, reputation, cash flows, liquidity, and stock price. Our business also could be affected by risks that we are not presently aware of or that we currently consider immaterial to our operations.

- *COVID-19 has had, and is expected to continue to have, a significant impact on our financial condition and operations, which impacts our ability to obtain acceptable financing to fund resulting reductions in cash from operations. The current, and uncertain future, impact of the COVID-19 outbreak, including its effect on the ability or desire of people to travel (including on cruises), is expected to continue to impact our results, operations, outlooks, plans, goals, growth, reputation, litigation, cash flows, liquidity, and stock price.*

The spread of COVID-19 and the recent developments surrounding the global pandemic are having material negative impacts on all aspects of our business. We implemented a pause of our guest cruise operations in mid-March 2020 across all brands. Although we have begun the resumption of limited guest operations in September 2020, such partial pause may be prolonged. In addition, we have been, and will continue to be further, negatively impacted by related developments, including heightened governmental regulations and travel advisories, recommendations by the U.S. Department of State, the Centers for Disease Control and Prevention and other regulatory authorities, and travel bans and restrictions, each of which has impacted, and is expected to continue to significantly impact, global guest sourcing and our access to various ports of call.

To date we have incurred significant costs as we paused our guest cruise operations, provided air transportation to return our passengers to their home destinations, repatriated shipboard team members and assisted some of our crew that were unable to return home, with food and housing. We will continue to incur COVID-19 related costs as we sanitize our ships and implement additional hygiene-related protocols to our ships, as well as prepare for the continued resumption of guest operations. In addition, the industry may be subject to enhanced health and hygiene requirements in attempts to counteract future outbreaks, which requirements may be costly and take a significant amount of time to implement across our global fleet cruise operations.

Due to the outbreak of COVID-19 on some of our ships, and the resulting illness and loss of life in certain instances, we have been the subject of negative publicity, which could have a long term impact on the appeal of our brands, which would diminish demand for vacations on our vessels. We cannot predict how long the negative impact of media attention on our brands will last, or the level of investment that will be required to address the concerns of potential travelers through marketing and pricing actions.

We have received, and may continue to receive, lawsuits, other governmental investigations and other actions stemming from COVID-19. We cannot predict the quantum or outcome of any such proceedings, some of which could result in the imposition of civil and criminal penalties in the future, and the impact that they will have on our financial results, but any such impact may be material. We also remain subject to extensive, complex, and closely monitored obligations under the court-ordered

environmental compliance plan supervised by the U.S. District Court for the Southern District of Florida, as a result of the previously disclosed settlement agreement relating to the violation of probation conditions for a plea agreement entered into by Princess Cruises and the U.S. Department of Justice in 2016. We remain fully committed to satisfying those obligations. COVID-19 presents enormous challenges for the company, which could result in material adverse impacts.

We have insurance coverage for certain liabilities, costs and expenses related to COVID-19 through our participation in Protection and Indemnity (“P&I”) clubs, including coverage for direct and incremental costs including, but not limited to, certain quarantine expenses and for certain liabilities to passengers and crew. P&I clubs are mutual indemnity associations owned by members. There is a \$10 million deductible per occurrence (meaning per outbreak on a particular ship). We cannot assure you that we will receive insurance proceeds that will compensate us fully for our liabilities, costs and expenses under these policies. We have no insurance coverage for loss of revenues or earnings from our ships or other operations.

In connection with our capacity optimization strategy, we have accelerated the removal of ships from our fleet in 2020 which were previously expected to be sold over the ensuing years. We have sold, expect to sell or have agreements for the disposal of various vessels. Some of these agreements or preliminary agreements for the disposal of vessels are for recycling. When we choose to dispose of a ship, there can be no assurance that there will be a viable buyer to purchase it at a price that exceeds our net book value, which could result in ship impairment charges and losses on ship disposals.

The effects of COVID-19 on the operations of shipyards where our ships are under construction will result in a delay in ship deliveries, which we cannot predict and may be prolonged.

We cannot predict the timing of our complete return to service and when various ports will reopen to our ships. If we are delayed in recommencing guest cruise operations or there is a future pause in the resumption of limited guest operations, it could negatively impact our liquidity. Moreover, even as travel advisories and restrictions are lifted, demand for cruises may remain weak for a significant length of time and we cannot predict if and when each brand will return to pre-outbreak demand or fare pricing. In particular, our bookings may be negatively impacted by the adverse changes in the perceived or actual economic climate, including higher unemployment rates, declines in income levels and loss of personal wealth resulting from the impact of COVID-19. In addition, we cannot predict the impact COVID-19 will have on our partners, such as travel agencies, suppliers and other vendors, counterparties and joint ventures. We may be adversely impacted as a result of the adverse impact our partners, counterparties and joint ventures suffer.

We have never previously experienced a complete cessation of our guest cruise operations, and as a consequence, our ability to be predictive regarding the impact of such a cessation on our brands and future prospects is uncertain. In particular, we cannot predict the impact on our financial performance and our cash flows required for cash refunds of deposits as a result of the current partial pause in our global fleet cruise operations, which may be prolonged, and the public’s concern regarding the health and safety of travel, especially by cruise ship, and related decreases in demand for travel and cruising. Moreover, our ability to attract and retain guests and our ability to hire and the amounts we must pay our crew depends, in part, upon the perception and reputation of our company and our brands and the public’s concerns regarding the health and safety of travel generally, as well as regarding the cruising industry and our ships specifically. As a result, we expect a net loss on both a U.S. GAAP and adjusted basis for the quarter and year ending November 30, 2020, and our ability to forecast our cash inflows and additional capital needs is hampered.

As a result of all of the foregoing, we have raised, and expect to be required to further raise, significant additional capital, including additional equity capital. Our access to and cost of financing depend on, among other things, global economic conditions, conditions in the global financing markets, the availability of sufficient amounts of financing, our prospects and our credit ratings. As a result of COVID-19’s effects on our liquidity, since March 2020, Moody’s and S&P Global have downgraded our credit ratings to be below investment grade. Our current short-term commercial paper credit rating prevents us from issuing additional commercial paper.

If our credit ratings were to be further downgraded, or general market conditions were to ascribe higher risk to our rating levels, our industry, or us, our access to capital and the cost of any debt financing will be further negatively impacted. In addition, the terms of future debt agreements could include more restrictive covenants, or require incremental collateral, which may further restrict our business operations or be unavailable due to our covenant restrictions then in effect. There is no guarantee that debt financings will be available in the future to fund our obligations, or that they will be available on terms consistent with our expectations. Additionally, the impact of COVID-19 on the financial markets is expected to adversely impact our ability to raise funds through equity financings.

In addition, the COVID-19 outbreak has significantly increased economic and demand uncertainty. The current outbreak and continued spread of COVID-19 could cause a global recession, which would have a further adverse impact on our financial

condition and operations. In past recessions, demand for our cruise vacations has been significantly negatively impacted which has resulted in lower occupancy rates and adverse pricing, with a corresponding increase in the use of credits and other means to attract travelers. Current economic forecasts for significant increases in unemployment in the U.S. and other regions due to the adoption of physical distancing and other policies to slow the spread of the virus is likely to have a negative impact on booking demand for our global fleet cruise operations, and these impacts could exist for an extensive period of time.

The extent of the effects of the outbreak on our business and the cruising industry at large is highly uncertain and will ultimately depend on future developments, including, but not limited to, the duration and severity of the outbreak, the length of time it takes for demand and pricing to return and normal economic and operating conditions to resume. To the extent COVID-19 adversely affects our business, operations, financial condition and operating results, it may also have the effect of heightening many of the other risks described in Item 1A. "Risk Factors" included in our Form 10-K.

- *Any potential government disaster relief assistance could impose significant limitations on our corporate activities and may not be available to us on terms that are favorable or at all.*

If any government provides or agrees to provide disaster relief assistance, it may impose certain requirements on the recipients of the aid including restrictions on executive officer compensation, share buybacks, dividends, prepayment of debt, incurrence of additional indebtedness and other similar restrictions until the aid is repaid or redeemed in full. In addition, the government may change the terms of the assistance or the eligibility requirements. We cannot assure you that any such government disaster relief assistance will not significantly limit our corporate activities or, even if we qualify for a program, will be available to us on terms that are favorable or at all. For example, we initially qualified for a government commercial paper program providing over \$700 million of available liquidity, and in September 2020, the relevant government agency paused our access to further drawings, and the ability to roll over existing drawings, under the government commercial paper program. Any restrictions, terms and inability to access government disaster relief assistance could adversely impact our business, operations, liquidity and financial condition.

- *Our substantial debt could adversely affect our financial health and operating flexibility.*

We have a substantial amount of debt and significant debt service obligations.

Our substantial debt could have important negative consequences for us. Our substantial debt could:

- require us to dedicate a large portion of our cash flow from operations to service debt and fund repayments on our debt, thereby reducing the availability of our cash flow to fund working capital, capital expenditures and other general corporate purposes;
  - increase our vulnerability to adverse general economic or industry conditions;
  - limit our flexibility in planning for, or reacting to, changes in our business or the industry in which we operate;
  - place us at a competitive disadvantage compared to our competitors that have less debt;
  - make us more vulnerable to downturns in our business, the economy or the industry in which we operate;
  - limit our ability to raise additional debt or equity capital in the future to satisfy our requirements relating to working capital, capital expenditures, development projects, strategic initiatives or other purposes;
  - restrict us from making strategic acquisitions, introducing new technologies or exploiting business opportunities;
  - make it difficult for us to satisfy our obligations with respect to our debt; and
  - expose us to the risk of increased interest rates as certain of our borrowings are (and may be in the future) at a variable rate of interest.
- *Despite our leverage, we may incur more debt, which could adversely affect our business and prevent us from fulfilling our obligations with respect to our debt.*

We may be able to incur substantial additional debt in the future. Although the instruments governing our existing indebtedness contain restrictions on the incurrence of additional debt, these restrictions are subject to a number of significant qualifications and exceptions, and under certain circumstances, the amount of debt that could be incurred in compliance with these restrictions could be substantial and a portion of such debt could be secured. The instruments governing our existing indebtedness do not prevent us from incurring liabilities that do not constitute "Indebtedness" as defined therein. If new debt is added to our existing debt levels, our business could be adversely affected, which may prevent us from fulfilling our obligations with respect to our debt.

- *We are subject to restrictive debt covenants that may limit our ability to finance future operations and capital needs and to*

*pursue business opportunities and activities. In addition, if we fail to comply with any of these restrictions, it could have a material adverse effect on the company.*

Certain of our debt instruments limit our flexibility in operating our business. For example, some of our debt instruments limit the ability of Carnival Corporation, Carnival plc and certain of their respective subsidiaries to, among other things:

- incur or guarantee additional indebtedness;
- pay dividends or distributions on, or redeem or repurchase capital stock and make other restricted payments;
- make certain investments;
- consummate certain asset sales;
- engage in certain transactions with affiliates;
- grant or assume certain liens; and
- consolidate, merge or transfer all or substantially all of our assets.

All of these limitations are subject to significant exceptions and qualifications. Despite these exceptions and qualifications, we cannot assure you that the operating and financial restrictions and covenants in certain of our debt instruments will not adversely affect our ability to finance our future operations or capital needs or engage in other business activities that may be in our interest. Any future indebtedness may include similar or other restrictive terms. In addition, many of our debt agreements contain one or more financial covenants that require us to maintain minimum debt service coverage, maintain minimum shareholders equity and/or limit our debt to capital ratio. Our ability to comply with our debt covenants, including the financial maintenance covenants described above, and restrictions may be affected by events beyond our control. These include prevailing economic, financial and industry conditions. If we breach any of these covenants or restrictions, we could be in default under the terms of certain of our debt facilities and the relevant lenders could elect to declare the debt, together with accrued and unpaid interest and other fees, if any, immediately due and payable and proceed against any collateral, if any, securing that debt. If the debt under certain of our debt instruments that we enter into were to be accelerated, our assets may be insufficient to repay in full our debt. Borrowings under other debt instruments that contain cross-default provisions also may be accelerated or become payable on demand. In these circumstances, our assets may not be sufficient to repay in full our indebtedness then outstanding.

- *We require a significant amount of cash to service our debt and sustain our operations. Our ability to generate cash depends on many factors beyond our control, and we may not be able to generate cash required to service our debt.*

Our ability to meet our debt service obligations or refinance our debt depends on our future operating and financial performance and ability to generate cash. This will be affected by our ability to successfully implement our business strategy, as well as general economic, financial, competitive, regulatory and other factors beyond our control, such as the disruption caused by the COVID-19 pandemic. If we cannot generate sufficient cash to meet our debt service obligations or fund our other business needs, we may, among other things, need to refinance all or a portion of our debt, obtain additional financing, delay planned capital expenditures or sell assets. We cannot assure you that we will be able to generate sufficient cash through any of the foregoing. If we are not able to refinance any of our debt, obtain additional financing or sell assets on commercially reasonable terms or at all, we may not be able to satisfy our obligations with respect to our debt. Refer to “Liquidity, Financial Condition and Capital Resources.”

- *Our variable rate indebtedness subjects us to interest rate risk, which could cause our debt service obligations to increase significantly.*

Borrowings under certain of our facilities are at variable rates of interest and expose us to interest rate risk. If interest rates increase, our debt service obligations on certain of our variable rate indebtedness will increase even though the amount borrowed remains the same, and our net income and cash flows, including cash available for servicing our indebtedness, will correspondingly decrease.

In addition, in July 2017, the United Kingdom's Financial Conduct Authority, which regulates the London Interbank Offered Rate (“LIBOR”), announced that it will no longer persuade or compel banks to submit LIBOR rates after 2021. It is unclear whether or not, at that time, LIBOR will cease to exist and a satisfactory replacement rate developed or if new methods of calculating LIBOR will be established such that it continues to exist after 2021. The U.S. Federal Reserve, in conjunction with the Alternative Reference Rates Committee, a steering committee comprised of, among other entities, large U.S. financial institutions, is considering replacing U.S. dollar LIBOR with a new index that measures the cost of borrowing cash overnight, backed by U.S. Treasury securities (“SOFR”). SOFR is observed and backward-looking, which stands in contrast with LIBOR under the current methodology, which is an estimated forward-looking rate and relies, to some degree, on the expert judgment of submitting panel members. Whether or not SOFR attains market traction as a LIBOR replacement rate remains in question.

As such, the future of LIBOR at this time is uncertain. If LIBOR ceases to exist, the level of interest payments on the portion of our indebtedness that bears interest at variable rates would be affected, which may adversely impact the amount of our interest payments under such debt.

We have entered into, and in the future we will continue to enter into, interest rate swaps that involve the exchange of floating for fixed-rate interest payments to reduce interest rate volatility. However, we may not maintain interest rate swaps with respect to all of our variable rate indebtedness, and any such swaps may not fully mitigate our interest rate risk, may prove disadvantageous, or may create additional risks.

- *As a result of the COVID-19 outbreak, we may be out of compliance with a maintenance covenant in certain of our debt facilities, for which we have waivers for the period through March 31, 2021 with the next testing date of May 31, 2021.*

Under the terms of certain of our debt facilities, we are required to maintain minimum debt service coverage (EBITDA to consolidated net interest charges for the most recently ended four fiscal quarters) of not less than 3.0 to 1.0 at the end of each fiscal quarter. As of August 31, 2020, we have entered into supplemental agreements or side letters to amend our agreements with respect to this Financial Covenant to:

- Waive compliance for all of our funded export credit facilities through March 31, 2021, August 31, 2021 or December 31, 2021, as applicable.
- Waive compliance through November 30, 2021 for certain of our bank loans. We will be required to comply beginning with the next testing date of February 28, 2022.
- Waive compliance for the remaining applicable bank loans through their respective maturity dates.

At August 31, 2020, we were in compliance with the applicable debt covenants.

Subsequent to August 31, 2020, we extended the Financial Covenant waivers for our funded export credit facilities through at least November 30, 2021 (with the next testing date of February 28, 2022) except that for three of our funded export credit facilities with Financial Covenant waivers through March 31, 2021 (with the next testing date of May 31, 2021) or August 31, 2021 (with the next testing date of November 30, 2021), with total aggregate indebtedness of \$1.3 billion as of August 31, 2020, we are currently engaged in discussions to extend the waivers for these facilities through November 30, 2021 (with the next testing date of February 28, 2022).

In addition, we have entered into supplemental agreements or side letters to amend our agreements with respect to the Financial Covenant for our unfunded export credit facilities to waive compliance through August 31, 2021 (with the next testing date of November 30, 2021) for aggregate principal of \$2.7 billion, through November 30, 2021 (with the next testing date of February 28, 2022) for aggregate principal of \$1.2 billion (of which we borrowed \$610 million to fund delivery of a ship in September 2020), and through December 31, 2021 (with the next testing date of February 28, 2022) for aggregate principal of \$3.7 billion. For the remaining three unfunded export credit facilities with an aggregate principal of \$1.8 billion, we are engaged in discussions with the counterparties to waive the Financial Covenant through March 31, 2021 (with the next testing date of May 31, 2021). Simultaneously with obtaining the initial waivers for these three unfunded export credit facilities, we have also requested extension of waivers for these facilities through November 30, 2021 (with the next testing date of February 28, 2022).

Although highly unlikely, if the covenant waiver for any unfunded facility for which we have not yet obtained a waiver is not obtained, the lender under that facility could terminate it if we did not comply with the Financial Covenant for any fiscal quarter ending on or after August 31, 2020.

Even though we have or expect to have waivers in place with respect to this covenant, we may be out of compliance with the Financial Covenant following March 31, 2021 with the next testing date of May 31, 2021 or in future periods for certain agreements because of the pause in our guest operations. If we expected to be out of compliance, we would again seek waivers from the lenders under the applicable facilities prior to any covenant violation.

Covenant waivers have led and may continue to lead to increased costs, increased interest rates, additional restrictive covenants and other available lender protections that would be applicable to us under these debt facilities, and such increased costs, restrictions and modifications may vary among debt facilities. Our ability to provide additional lender protections under these facilities, including the granting of security interests in collateral, will be limited by the restrictions in our indebtedness. There can be no assurance that we would be able to obtain waivers in a timely manner, on acceptable terms or at all. If we were not able to obtain a covenant waiver under any one or more of these debt facilities, we would be in default of such agreements, which could result in cross defaults to our other debt agreements. As a consequence, we would need to refinance or repay the applicable debt facility or facilities, and would be required to raise additional debt or equity capital, or divest assets, to refinance

or repay such facility or facilities. If we were to be unable to obtain a covenant waiver under any one or more of these debt facilities, there can be no assurance that we would be able to raise sufficient debt or equity capital, or divest assets, to refinance or repay such facility or facilities.

With respect to each of these debt facilities, if we were not to obtain a waiver or refinance or repay such debt facilities, it would lead to an event of default under such facilities, which could lead to an acceleration of the indebtedness under such debt facilities. In turn, this would lead to an event of default and potential acceleration of amounts due under all of our outstanding debt and derivative contract payables. As a result, the failure to obtain the covenant waivers described above would have a material adverse effect.

- *The covenants in certain of our debt facilities may require us to secure those facilities in the future.*

Certain of our debt facilities contain provisions which may require that we provide a security interest in certain assets. In certain of our debt facilities, there is a requirement that if the credit rating of our senior indebtedness should fall below investment grade (which occurred on June 24, 2020) and at such time we have granted liens or security interests in respect of indebtedness in an amount exceeding 25% of our total assets (excluding for these purposes the value of any intangible assets) as shown in our most recent Consolidated Balance Sheet, then we will be required to provide a first-priority security interest in certain designated assets. In addition, under our export credit facilities, there is a requirement that if a security interest or lien is granted in respect of a vessel to secure borrowed money under certain other debt facilities, then a first-priority security interest will be required to be provided over certain designated vessels.

If the events described above were to occur, we may be unable to comply with this requirement and expect to seek waivers from the lenders under the relevant facilities. Any such waiver may lead to increased costs, increased interest rates, additional restrictive covenants and other available lender protections that would be applicable to us under these debt facilities, and such increased costs, restrictions and modifications may vary among debt facilities. Our ability to give additional lender protections under these facilities, including the granting of security interests in collateral, will be limited by the restrictions in our indebtedness and security interest we have already granted. If we were not able to obtain a waiver, the occurrence of such events may result in an event of default under these facilities and other debt facilities that contain cross default provisions that would be triggered.

- *Breaches in data security and lapses in data privacy as well as disruptions and other damages to our principal offices, information technology operations and system networks, including the recent ransomware incident, and failure to keep pace with developments in technology may adversely impact our business operations, the satisfaction of our guests and crew and lead to reputational damage*

We have been and may continue to be impacted by breaches in data security and lapses in data privacy, which occur from time to time. These can vary in scope and intent from economically motivated attacks to malicious attacks intended to disrupt or compromise our shoreside and shipboard operations by targeting our key operating systems. Breach or circumvention of our systems or the systems of third parties, including by ransomware or other attacks, results in disruptions to our business operations; unauthorized access to (or the loss of company access to) competitively sensitive, confidential or other critical data (including sensitive financial, medical or other personal or business information) or systems; loss of customers; financial losses; regulatory enforcement actions and fines; litigation and misuse or corruption of critical data and proprietary information, any of which could be material.

On August 15, 2020, we detected a ransomware attack and unauthorized access to our information technology systems. We engaged a major cybersecurity firm to investigate the matter and notified law enforcement and regulators of the incident. While the investigation is ongoing, early indications are that the unauthorized third-party gained access to certain personal information relating to some guests, employees and crew for some of our operations. There is currently no indication of any misuse of this information. While at this time we do not believe that this information will be misused going forward or that this incident will have a material adverse effect on our business, operations or financial results, no assurances can be given and further we may be subject to future attacks or incidents that could have such a material adverse effect.

Our principal offices, information technology operations and system networks may be impacted by actual or threatened natural disasters (for example, hurricanes, earthquakes, floods, fires, tornadoes, tsunamis, typhoons and volcanic eruptions) or other disruptive events. Our maritime and/or shoreside operations, including our ability to manage our inventory of cabins held for sale and set pricing, control costs, and serve our guests, depends on the reliability of our information technology operations and system networks as well as our ability to refine and update to more advanced systems and technologies.

**A. Repurchase Program**

Under a share repurchase program effective 2004, we had been authorized to repurchase Carnival Corporation common stock and Carnival plc ordinary shares (the “Repurchase Program”). Effective August 2018, the company approved a modification of the general authorization under the Repurchase Program, which replenished the remaining authorized repurchases at the time of the approval to \$1.0 billion. To enhance our liquidity and comply with restrictions in our recent financing transactions, on June 15, 2020, the Boards of Directors terminated the Repurchase Program. During the three months ended August 31, 2020, no shares of Carnival Corporation common stock or Carnival plc ordinary shares were repurchased pursuant to the Repurchase Program.

No shares of Carnival Corporation common stock and Carnival plc ordinary shares were purchased outside of publicly announced plans or programs.

**B. Carnival plc Shareholder Approvals**

Carnival plc ordinary share repurchases under the Repurchase Program require annual shareholder approval. The existing shareholder approval is limited to a maximum of 18.2 million ordinary shares and is valid until the earlier of the conclusion of the Carnival plc 2021 annual general meeting or October 5, 2021. To enhance our liquidity and comply with restrictions in our recent financing transactions, we have terminated the Repurchase Program.

“Fixed Charge Calculation Date” has the meaning assigned to such term in the definition of “Fixed Charge Coverage Ratio.”

“Fixed Charge Coverage Ratio” means, with respect to any Person for any period, the ratio of Consolidated EBITDA of such Person for such period to the Fixed Charges of such Person for such period. In the event that the Company or any of its Restricted Subsidiaries Incurs, repays, repurchases or redeems any Indebtedness or issues, repurchases or redeems

Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated but prior to the event for which the calculation of the Fixed Charge Coverage Ratio is made (the “Fixed Charge Calculation Date”), then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect to such incurrence, repayment, repurchase or redemption of Indebtedness, or such issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period; *provided, however*, that the *pro forma* calculation of Fixed Charges shall not give effect to (i) any Permitted Debt incurred on the Fixed Charge Calculation Date or (ii) the discharge on the Fixed Charge Calculation Date of any Indebtedness to the extent that such discharge results from the proceeds of Permitted Debt.

In addition, for purposes of calculating the Fixed Charge Coverage Ratio, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP) and any operational changes, business realignment projects or initiatives, restructurings or reorganizations that the Company or any Restricted Subsidiary has determined to make and/or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Fixed Charge Calculation Date (each, for purposes of this definition, a “pro forma event”) shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes, business realignment projects or initiatives, restructurings or reorganizations (and the change of any associated fixed charge obligations and the change in Consolidated EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Company or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, amalgamation, discontinued operation, operational change, business realignment project or initiative, restructuring or reorganization that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, discontinued operation, merger, amalgamation, consolidation, operational change, business realignment project or initiative, restructuring or reorganization had occurred at the beginning of the applicable four-quarter period. If since the beginning of such period any Restricted Subsidiary is designated an Unrestricted Subsidiary or any Unrestricted Subsidiary is designated a Restricted Subsidiary, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect thereto for such period as if such designation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to any pro forma event, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Company. Any such pro forma calculation may include adjustments appropriate, in the reasonable good faith determination of the Issuer as set forth in an Officer’s Certificate, to reflect operating expense reductions and other operating improvements, synergies or cost savings reasonably expected to result from the applicable event. Any calculation of the Fixed Charge Coverage Ratio may be made, at the option of the Issuer, either (i) at the time the Board of Directors of the Issuer approves the action necessitating the calculation of the Fixed

Charge Coverage Ratio or (ii) at the completion of such action necessitating the calculation of the Fixed Charge Coverage Ratio.

If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Fixed Charge Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months). Interest on a Capital Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capital Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating Consolidated EBITDA for the applicable period.

the then current combined national, state and local statutory tax rate of such Person, expressed as a decimal, as estimated in good faith by a responsible accounting or financial officer of the Issuer.

Notwithstanding any of the foregoing, Fixed Charges shall not include (i) any payments on any operating leases, (ii) any non-cash interest expense resulting from the application of Accounting Standards Codification Topic 470-20 “Debt — Debt with Conversion Options — Recognition” or (iii) the interest component of all payments associated with Capital Lease Obligations.

The Notes may have notations, legends or endorsements required by law, the rules of any securities exchange agreements to which the Issuer is subject, if any, or usage; *provided* that any such notation, legend or endorsement is in form reasonably acceptable to the Issuer. The Issuer shall approve the form of the Notes. Each Note shall be dated the date of its authentication. The terms and provisions contained in the form of the Notes shall constitute and are hereby expressly made a part of this Indenture. The Notes shall be issued only in registered form without coupons. (b) Global Notes. Notes offered and sold to QIBs in reliance on Rule 144A shall be issued initially in the form of one or more Global Notes substantially in the form of Exhibit A attached hereto, with such applicable legends as are provided in Exhibit A attached hereto, except as otherwise permitted herein (each, a “Restricted Global Note”), which shall be deposited on behalf of the purchasers of the Notes represented thereby with (a) in the case of the USD Notes, a custodian for DTC, and registered in the name of DTC or its nominee and (b) in the case of the Euro Notes, a common depository of Euroclear and Clearstream and registered in the name of the nominee of the common depository for the accounts of Euroclear and Clearstream, in each case duly executed by the Issuer and authenticated by the Trustee (or its authenticating agent in accordance with Section 2.02) as hereinafter provided. The Issuer shall execute and, upon receipt of an Issuer Order, the Trustee shall authenticate (whether itself or via the authenticating agent) (a) Original Notes, on the date hereof, for original issue up to an aggregate principal amount of \$775,000,000 of USD Notes and €425,000,000 of Euro Notes and (b) Additional Notes, from time to time, subject to compliance at the time of issuance of such Additional Notes with the provisions of Section 4.06 and Section 4.07. The Issuer will issue the Notes of each Series in denominations complying with the Applicable Denominations for such Series.

Each reference in this Indenture to authentication by the Trustee includes authentication by any such agent. An authenticating agent has the same rights as any Registrar, co-Registrar, Transfer Agent or Paying Agent to deal with the Issuer or an Affiliate of the Issuer.

The Trustee shall have the right to decline to authenticate and deliver any Notes under this Section 2.02 if the Trustee, being advised by counsel, determines that such action may not lawfully be taken or if the Trustee in good faith shall determine that such action would expose the Trustee to personal liability to existing Holders.

The roles, duties and functions of the Agents are of a mechanical nature and each Agent shall only perform those acts and duties as specifically set out in this Indenture and no other acts, covenants, obligations or duties shall be implied or read into this Indenture against any of the Agents. For the avoidance of doubt, a Paying Agent’s obligation to disburse any funds shall be subject to prior receipt by it of those funds to be disbursed.

Subject to any applicable laws and regulations, the Issuer shall cause each Registrar to keep a register (the “Security Register”) at its corporate trust office in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of ownership, exchange, and transfer of the Notes. Such registration in the Security Register shall be conclusive evidence of the ownership of Notes. Included in the books and records for the Notes shall be notations as to whether such Notes have been paid, exchanged or transferred, canceled, lost, stolen, mutilated or destroyed and whether such Notes have been replaced. In the case of the replacement of any of the Notes, each Registrar shall keep a record of the Note so replaced and the Note issued in replacement thereof. In the case of the cancellation of any of the Notes, each Registrar shall keep a record of the Note so canceled and the date on which such Note was canceled.

The Issuer shall enter into an appropriate agency agreement with any Paying Agent or co-Registrar not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of any such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee may appoint a suitably qualified and reputable party to act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.05.

The Issuer shall procure payment confirmation on or prior to the third Business Day preceding payment. The Principal Paying Agent (and, if applicable, each other Paying Agent) shall remit such payment in a timely manner to the Holders on the relevant due date for payment, it being acknowledged by each Holder that if the Issuer deposits such money with the Principal Paying Agent (and, if applicable, any other Paying Agent) after the time specified in the immediately preceding sentence, the Principal Paying Agent (and, if applicable, any other Paying Agent) shall remit such money to the Holders on the relevant due date for payment, unless such remittance is impracticable having regard to applicable banking procedures and timing constraints, in which

case the Principal Paying Agent (and, if applicable, any other Paying Agent) shall remit such money to the Holders on the next Business Day, but without liability for any interest resulting from such late payment. For the avoidance of doubt, the Principal Paying Agent (and, if applicable, any other Paying Agent) shall only be obliged to remit money to Holders if it has actually received such money from the Issuer in clear funds. The Principal Paying Agent shall promptly notify the Trustee of any default by the Issuer (or any other obligor on the Notes) in making any payment. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed, and the Trustee may at any time during the continuance of any payment default, upon written request to a Paying Agent, require such Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed. Upon doing so, the Paying Agent shall have no further liability for the money so paid over to the Trustee. If the Issuer or any Affiliate of the Issuer acts as Paying Agent, it shall, on or before each due date of any principal, premium, if any, or interest on the Notes, segregate and hold in a separate trust fund for the benefit of the Holders a sum of money sufficient to pay such principal, premium, if any, or interest so becoming due until such sum of money shall be paid to such Holders or otherwise disposed of as provided in this Indenture, and shall promptly notify the Trustee of its action or failure to act.

The Trustee may, if the Issuer has notified it in writing that the Issuer intends to effect a defeasance or to satisfy and discharge this Indenture in accordance with the provisions of Article Eight, notify the Paying Agent in writing of this fact and require the Paying Agent (until notified by the Trustee to the contrary) to act thereafter as Paying Agent of the Trustee and not the Issuer in relation to any amounts deposited with it in accordance with the provisions of Article Eight.

SECTION 2.05 Holder Lists. The applicable Registrar shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee, in writing no later than the Record Date for each Interest Payment Date and at such other times as the Trustee may request in writing, a list, in such form and as of such Record Date as the Trustee may reasonably require, of the names and addresses of Holders, including the aggregate principal amount of Notes held by each Holder.

SECTION 2.06 Transfer and Exchange.

(a) Where Notes are presented to a Registrar or a co-Registrar with a request to register a transfer or to exchange them for an equal principal amount of Notes of other denominations, such Registrar shall register the transfer or make the exchange in accordance with the requirements of this Section 2.06. To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee (or the authenticating agent) shall, upon receipt of an Issuer Order, authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of the relevant Series, of any authorized denominations and of a like aggregate principal amount, at such Registrar's request; *provided* that no Note of less than the Applicable Denominations may be transferred or exchanged. No service charge shall be made for any registration of transfer or exchange of Notes (except as otherwise expressly permitted herein), but the Issuer may require payment of a sum sufficient to cover any agency fee or

similar charge payable in connection with any such registration of transfer or exchange of Notes (other than any agency fee or similar charge payable in connection with any redemption of the Notes or upon exchanges pursuant to Sections 2.10, 3.07 or 9.04) or in accordance with an Asset Sale Offer pursuant to Section 4.09 or Change of Control Offer pursuant to Section 4.11, not involving a transfer.

Upon presentation for exchange or transfer of any Note as permitted by the terms of this Indenture and by any legend appearing on such Note, such Note shall be exchanged or transferred upon the relevant Security Register and one or more new Notes shall be authenticated and issued in the name of the relevant Holder (in the case of exchanges only) or the transferee, as the case may be. No exchange or transfer of a Note shall be effective under this Indenture unless and until such Note has been registered in the name of such Person in the relevant Security Register. Furthermore, the exchange or transfer of any Note shall not be effective under this Indenture unless the request for such exchange or transfer is made by the relevant Holder or by a duly authorized attorney-in-fact at the office of the relevant Registrar.

Every Note presented or surrendered for registration of transfer or for exchange shall (if so required by the Issuer or the relevant Registrar) be duly endorsed, or be accompanied by a written instrument of transfer, in form satisfactory to the Issuer and the relevant Registrar, duly executed by the relevant Holder thereof or his attorney duly authorized in writing.

All Notes issued upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer evidencing the same indebtedness, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such registration of transfer or exchange.

Neither the Issuer nor the Trustee, any Registrar or any Paying Agent shall be required (i) to issue, register the transfer of, or exchange any Note during a period beginning at the opening of 15 days before the day of the delivery of a notice of redemption of Notes selected for redemption under Section 3.02 and ending at the close of business on the day of such delivery, or (ii) to register the transfer of or exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

The USD Notes and Euro Notes shall be separate series for purposes of transfer and exchange.

(b) Notwithstanding any provision to the contrary herein, so long as a Global Note remains outstanding and is held by or on behalf of a Clearing System, transfers of a Global Note, in whole or in part, or of any beneficial interest therein, shall only be made in accordance with Section 2.01(c), Section 2.06(a) and this Section 2.06(b); *provided* that a beneficial interest in a Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Global Note in accordance with the transfer restrictions set forth in the restricted Note legend on the Note, if any.

(i) Except for transfers or exchanges made in accordance with either of clauses (ii) or (iii) of this Section 2.06(b), transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to nominees or custodians of the

relevant Clearing System or to a successor of the relevant Clearing System or such successor's nominee or custodian.

(ii) Restricted Global Note to Regulation S Global Note. If the holder of a beneficial interest in the Restricted Global Note at any time wishes to exchange its interest in such Restricted Global Note for an interest in the Regulation S Global Note, or to transfer its interest in such Restricted Global Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in the Regulation S Global Note, such transfer or exchange may be effected, only in accordance with this clause (ii) and the rules and procedures of the relevant Clearing System, in each case to the extent applicable (the "Applicable Procedures"). Upon receipt by the Registrar from the Transfer Agent of (A) written instructions directing the Registrar to credit or cause to be credited an interest in the Regulation S Global Note in a specified principal amount and to cause to be debited an interest in the Restricted Global Note in such specified principal amount, and (B) a certificate in the form of Exhibit B attached hereto given by the holder of such beneficial interest stating that the transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Notes and (x) pursuant to and in accordance with Regulation S or (y) that the interest in the Restricted Global Note being transferred is being transferred in a transaction permitted by Rule 144, then the Registrar shall reduce or cause to be reduced the principal amount of the Restricted Global Note and shall cause the relevant Clearing System to increase or cause to be increased the principal amount of the Regulation S Global Note by the aggregate principal amount of the interest in the Restricted Global Note to be exchanged or transferred.

(iii) Regulation S Global Note to Restricted Global Note. If the holder of a beneficial interest in the Regulation S Global Note at any time wishes to transfer such interest to a Person who wishes to take delivery thereof in the form of a beneficial interest in the Restricted Global Note, such transfer may be effected only in accordance with this clause (iii) and the Applicable Procedures. Upon receipt by the Registrar from the Transfer Agent of (A) written instructions directing the Registrar to credit or cause to be credited an interest in the Restricted Global Note in a specified principal amount and to cause to be debited an interest in the Regulation S Global Note in such specified principal amount, and (B) a certificate in the form of Exhibit C attached hereto given by the holder of such beneficial interest stating that the transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Notes and stating that (x) the Person transferring such interest reasonably believes that the Person acquiring such interest is a QIB and is obtaining such interest in a transaction meeting the requirements of Rule 144A and any applicable securities laws of any state of the United States or (y) that the Person transferring such interest is relying on an exemption other than Rule 144A from the registration requirements of the U.S. Securities Act and, in such circumstances, such Opinion of Counsel as the Issuer or the Trustee may reasonably request to ensure that the requested transfer or exchange is being made pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act, then the Registrar shall reduce or cause to be reduced the principal

amount of the Regulation S Global Note and to increase or cause to be increased the principal amount of the Restricted Global Note by the aggregate principal amount of the interest in such Regulation S Global Note to be exchanged or transferred.

(c) If Notes are issued upon the transfer, exchange or replacement of Notes bearing the restricted Notes legends set forth in Exhibit A attached hereto, the Notes so issued shall bear the restricted Notes legends, and a request to remove such restricted Notes legends from Notes shall not be honored unless there is delivered to the Issuer such satisfactory evidence, which may include an Opinion of Counsel licensed to practice law in the State of New York, as may be reasonably required by the Issuer, that neither the legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A or Rule 144 under the U.S. Securities Act. Upon provision of such satisfactory evidence, the Trustee, at the direction of the Issuer, shall (or shall direct the authenticating agent to) authenticate and deliver Notes that do not bear the legend.

(d) The Trustee, the Security Agent and the Agents shall have no responsibility for any actions taken or not taken by the Clearing Systems, as the case may be.

(e) Notwithstanding anything to the contrary in this Section 2.06, the Issuer is not required to register the transfer of any Definitive Registered Notes:

- (i) for a period of 15 days prior to any date fixed for the redemption of the Notes;
- (ii) for a period of 15 days immediately prior to the date fixed for selection of Notes to be redeemed in part;
- (iii) for a period of 15 days prior to the Record Date with respect to any Interest Payment Date;
- (iv) which the Holder has tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Sale Offer.

SECTION 2.07 Replacement Notes. If a mutilated Definitive Registered Note is surrendered to the Registrar or if the Holder claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall (or shall direct the authenticating agent to), upon receipt of an Issuer Order, authenticate a replacement Note in such form as the Note mutilated, lost, destroyed or wrongfully taken if the Holder satisfies any other reasonable requirements of the Issuer and any requirement of the Trustee. If required by the Trustee or the Issuer, such Holder shall furnish an indemnity bond sufficient in the judgment of the Issuer and the Trustee to protect the Issuer, the Trustee, the Security Agent, the Paying Agent, the Transfer Agent, the Registrar and any co-Registrar, and any authenticating agent, from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Note.

In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note shall be an additional obligation of the Issuer.

The provisions of this Section 2.07 are exclusive and will preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or wrongfully taken Notes.

SECTION 2.08 Outstanding Notes. Notes outstanding at any time are all Notes authenticated by or on behalf of the Trustee except for those cancelled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Subject to Section 2.09, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the Note that has been replaced is held by a bona fide purchaser.

If the Paying Agent holds, in accordance with this Indenture, on a Redemption Date or maturity date money sufficient to pay all principal, interest and Additional Amounts, if any, payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.09 Notes Held by Issuer. In determining whether the Holders of the required principal amount of Notes have concurred in any direction or consent or any amendment, modification or other change to this Indenture, Notes owned by the Issuer or by any of its Affiliates shall be disregarded and treated as if they were not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent or any amendment, modification or other change to this Indenture, only Notes which a Trust Officer of the Trustee actually knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to the Notes and that the pledgee is not the Issuer or any of its Affiliates.

SECTION 2.10 Definitive Registered Notes.

(a) A Global Note deposited with a custodian or common depository for a Clearing System pursuant to Section 2.01 shall be transferred in whole to the Beneficial Owners thereof in the form of Definitive Registered Notes only if such transfer complies with Section 2.06 and (i)(1) with respect to the USD Notes, DTC (x) notifies the Issuer that it is unwilling or unable to continue to act as depository for such Global Note or (y) DTC ceases to be registered as a clearing agency under the Exchange Act and (2) with respect to the Euro Notes, Euroclear or

Clearstream notifies us that it is unwilling or unable to continue as depository for the Global Notes, and in each case a successor depository is not appointed by the Issuer within 120 days of such notice, (ii) the Issuer, at its option, executes and delivers to the Trustee an Officer's Certificate stating that such Global Note shall be so exchangeable or (iii) the owner of a Book-Entry Interest requests such an exchange in writing delivered through the relevant Clearing System following an Event of Default under this Indenture. Notice of any such transfer shall be given by the Issuer in accordance with the provisions of Section 12.02(a).

(b) Any Global Note that is transferable to the Beneficial Owners thereof in the form of Definitive Registered Notes pursuant to this Section 2.10 shall be surrendered by the custodian or common depository for the relevant Clearing System, to the Transfer Agent, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall itself or via the authenticating agent authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount at maturity of the relevant Notes of Applicable Denominations in the form of Definitive Registered Notes. Any portion of a Global Note transferred or exchanged pursuant to this Section 2.10 shall be executed, authenticated and delivered only in registered form in the minimum Applicable Denominations, and registered in such names as the relevant Clearing System may direct. Subject to the foregoing, a Global Note is not exchangeable except for a Global Note of like denomination to be registered in the name of the relevant Clearing System or its nominee. In the event that a Global Note becomes exchangeable for Definitive Registered Notes, payment of principal, premium, if any, and interest on the Definitive Registered Notes will be payable, and the transfer of the Definitive Registered Notes will be registrable, at the office or agency of the Issuer maintained for such purposes in accordance with Section 2.03. Such Definitive Registered Notes shall bear the applicable legends set forth in Exhibit A attached hereto.

(c) In the event of the occurrence of any of the events specified in Section 2.10(a), the Issuer shall promptly make available to the Trustee and the authenticating agent a reasonable supply of Definitive Registered Notes in definitive, fully registered form without interest coupons.

**SECTION 2.11 Cancellation.** The Issuer at any time may deliver Notes to the Trustee for cancellation. The relevant Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee, in accordance with its customary procedures, and no one else shall cancel (subject to the record retention requirements of the Exchange Act and the Trustee's retention policy) all Notes surrendered for registration of transfer, exchange, payment or cancellation and dispose of such cancelled Notes in its customary manner. Except as otherwise provided in this Indenture, the Issuer may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation.

**SECTION 2.12 Defaulted Interest.** Any interest on any Note that is payable, but is not punctually paid or duly provided for, on the dates and in the manner provided in the Notes and this Indenture (all such interest herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Record Date by virtue of having been such Holder, and

such Defaulted Interest may be paid by the Issuer, at its election in each case, as provided in clause (a) or (b) below:

(a) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes are registered at the close of business on a special record date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuer may deposit with the relevant Paying Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest; or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held for the benefit of the Persons entitled to such Defaulted Interest as provided in this clause. In addition, the Issuer shall fix a special record date for the payment of such Defaulted Interest, such date to be not more than 15 days and not less than 10 days prior to the proposed payment date and not less than 15 days after the receipt by the Trustee of the notice of the proposed payment date. The Issuer shall promptly but, in any event, not less than 15 days prior to the special record date, notify the Trustee of such special record date and, in the name and at the expense of the Issuer, the Trustee shall cause notice of the proposed payment date of such Defaulted Interest and the special record date therefor to be delivered first-class, postage prepaid to each Holder as such Holder's address appears in the Security Register, not less than 10 days prior to such special record date. Notice of the proposed payment date of such Defaulted Interest and the special record date therefor having been so delivered, such Defaulted Interest shall be paid to the Persons in whose names the Notes are registered at the close of business on such special record date and shall no longer be payable pursuant to clause (b) below.

(b) The Issuer may make payment of any Defaulted Interest on the Notes in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee of the proposed payment date pursuant to this clause, such manner of payment shall be deemed reasonably practicable.

Subject to the foregoing provisions of this Section 2.12, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13 Computation of Interest. Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months.

SECTION 2.14 ISIN, CUSIP and Common Code Numbers. The Issuer in issuing the Notes may use ISIN, CUSIP and Common Code numbers (if then generally in use), and, if so, the Trustee shall use ISIN, CUSIP and Common Code numbers, as appropriate, in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers or codes either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected

by any defect in or omission of such numbers. The Issuer shall promptly notify the Trustee of any change in the ISIN, CUSIP or Common Code numbers.

SECTION 2.15 Issuance of Additional Notes. The Issuer may, subject to Section 4.06 of this Indenture, issue Additional Notes (which may be USD Notes or Euro Notes) under this Indenture in accordance with the procedures of Section 2.02. Except as provided herein, the Original Notes issued on the Issue Date and any Additional Notes subsequently issued shall be treated as a single class for all purposes under this Indenture.

### ARTICLE THREE

#### REDEMPTION; OFFERS TO PURCHASE

SECTION 3.01 Right of Redemption. The Issuer may redeem all or any portion of the Notes of a Series or subseries upon the terms and at the Redemption Prices set forth in the Notes of such Series or subseries. Any redemption pursuant to this Section 3.01 shall be made pursuant to the provisions of this Article Three.

SECTION 3.02 Notices to Trustee. If the Issuer elects to redeem Notes pursuant to Section 3.01, it shall notify the Trustee in writing of the Redemption Date and the record date, the principal amount of Notes to be redeemed, the Redemption Price and the paragraph of the Notes pursuant to which the redemption will occur.

The Issuer shall give each notice to the Trustee provided for in this Section 3.02 in writing at least 10 days before the date notice is delivered to the Holders pursuant to Section 3.04 unless the Trustee consents to a shorter period. Such notice shall be accompanied by an Officer's Certificate from the Issuer to the effect that such redemption will comply with the conditions herein. If fewer than all the Notes of a particular Series or subseries are to be redeemed, the record date relating to such redemption shall be selected by the Issuer and given to the Trustee, which record date shall be not less than 15 days after the date of notice to the Trustee.

SECTION 3.03 Selection of Notes to Be Redeemed. If fewer than all of the Notes of a Series or subseries are to be redeemed at any time, the Trustee shall select the Notes of such Series or subseries to be redeemed by a method that complies with the requirements, as certified to it by the Issuer, of the principal securities exchange, if any, on which the Notes of such Series or subseries are listed at such time, and in compliance with the requirements of the relevant Clearing System or, if the Notes are not listed on a securities exchange, or such securities exchange prescribes no method of selection and the Notes are not held through a Clearing System or the Clearing System prescribes no method of selection, on a pro rata basis, by lot or by such other method as the Trustee deems fair and appropriate; *provided, however*, that no such partial redemption shall reduce the portion of the principal amount of a Note not redeemed to less than the Applicable Denominations.

The Trustee shall make the selection from the Notes of the relevant Series or subseries outstanding and not previously called for redemption. The Trustee may select for redemption

portions equal to \$1,000 (in the case of the USD Notes) and €1,000 (in the case of the Euro Notes) in principal amount and any integral multiple thereof; *provided* that no Notes in principal amount or less than the minimum Applicable Denominations may be redeemed in part. Provisions of this Indenture that apply to Notes of the relevant Series or subseries called for redemption also apply to portions of Notes of the relevant Series or subseries called for redemption. The Trustee shall notify the Issuer promptly in writing of the Notes of the relevant Series or subseries or portions of Notes of the relevant Series or subseries to be called for redemption.

The Trustee shall not be liable for selections made in accordance with the provisions of this Section 3.03 or for selections made by the Clearing Systems.

#### SECTION 3.04 Notice of Redemption.

(a) At least 10 days but not more than 60 days before a date for redemption of a relevant Series or subseries of the Notes, the Issuer shall deliver a notice of redemption by first-class mail to each Holder of such Series or subseries to be redeemed at its address contained in the relevant Security Register, or electronically if such Notes are held by the Clearing Systems, as applicable, except that redemption notices may be delivered more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture, and shall comply with the provisions of Section 12.01(b).

(b) The notice shall identify the Notes to be redeemed (including ISIN, CUSIP and Common Code numbers) and shall state:

(i) the Redemption Date and the record date;

(ii) the appropriate calculation of the Redemption Price and the amount of accrued interest, if any, and Additional Amounts, if any, to be paid;

(iii) the name and address of the Paying Agent;

(iv) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price plus accrued interest, if any, and Additional Amounts, if any;

(v) that, if any Note is being redeemed in part, the portion of the principal amount (equal to \$1,000 (in the case of the USD Notes) and €1,000 (in the case of the Euro Notes) in principal amount or any integral multiple thereof) of such Note to be redeemed and that, on and after the Redemption Date, upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion thereof will be reissued;

(vi) that, if any Note contains an ISIN, CUSIP or Common Code number, no representation is being made as to the correctness of such ISIN, CUSIP or Common

Code number either as printed on the Notes or as contained in the notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes;

(vii) that, unless the Issuer and the Guarantors default in making such redemption payment, interest on the Notes (or portion thereof) called for redemption shall cease to accrue on and after the Redemption Date; and

(viii) the paragraph of the relevant Series of Notes or section of this Indenture pursuant to which the Notes called for redemption are being redeemed.

At the Issuer's written request, the Trustee shall give a notice of redemption in the Issuer's name and at the Issuer's expense. In such event, the Issuer shall provide the Trustee with the notice and the other information required by this Section 3.04.

For Notes which are represented by global certificates held on behalf of the Clearing Systems, as applicable, notices may be given by delivery of the relevant notices to the relevant Clearing System, as applicable, for communication to entitled account holders in substitution for the aforesaid delivery.

(c) Notice of any redemption upon any corporate transaction or other event (including any Equity Offering, incurrence of Indebtedness, Change of Control or other transaction) may be given prior to the completion thereof, and any redemption or notice thereof may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a corporate transaction or other event. If any redemption is so subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition and, if applicable, shall state that, in the Issuer's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in the Issuer's discretion), and/or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in the Issuer's discretion) by the redemption date, or by the redemption date as so delayed, and/or that such notice may be rescinded at any time by the Issuer if the Issuer determines in its discretion that any or all of such conditions will not be satisfied (or waived). In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

**SECTION 3.05 Deposit of Redemption Price.** At least one Business Day prior to any Redemption Date, by no later than 10:00 a.m. (New York, New York time) on that date, the Issuer shall deposit or cause to be deposited with the relevant Paying Agent (or, if the Issuer or any of its Affiliates is the Paying Agent, shall segregate and hold in trust) a sum in same day funds sufficient to pay the Redemption Price of and accrued interest and Additional Amounts, if any, on all Notes of a Series to be redeemed on that date other than Notes or portions of Notes called for redemption that have previously been delivered by the Issuer to the Trustee for cancellation. The relevant Paying Agent shall return to the Issuer following a written request by the Issuer any money so deposited that is not required for that purpose.

SECTION 3.06 Payment of Notes Called for Redemption. If notice of redemption has been given in the manner provided below, the Notes or portion of Notes specified in such notice to be redeemed shall become due and payable on the Redemption Date at the Redemption Price stated therein, together with accrued interest to such Redemption Date, and on and after such date (unless the Issuer shall default in the payment of such Notes at the Redemption Price and accrued interest to the Redemption Date, in which case the principal, until paid, shall bear interest from the Redemption Date at the rate prescribed in the Notes) such Notes shall cease to accrue interest. Upon surrender of any Note for redemption in accordance with a notice of redemption, such Note shall be paid and redeemed by the Issuer at the Redemption Price, together with accrued interest, if any, to the Redemption Date; *provided* that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders registered as such at the close of business on the relevant Record Date.

Notice of redemption shall be deemed to be given when delivered, whether or not the Holder receives the notice. In any event, failure to give such notice, or any defect therein, shall not affect the validity of the proceedings for the redemption of Notes held by Holders to whom such notice was properly given.

SECTION 3.07 Notes Redeemed in Part.

(a) Upon surrender of a Global Note that is redeemed in part, the relevant Paying Agent shall forward such Global Note to the relevant Registrar who shall make a notation on the relevant Security Register to reduce the principal amount of such Global Note to an amount equal to the unredeemed portion of the Global Note surrendered; *provided* that each such Global Note shall be in a principal amount at final Stated Maturity of the minimum Applicable Denominations or an integral multiple of \$1,000 (in the case of the USD Notes) and €1,000 (in the case of the Euro Notes) in excess thereof.

(b) Upon surrender and cancellation of a Definitive Registered Note that is redeemed in part, the Issuer shall execute and the Trustee shall authenticate for the Holder (at the Issuer's expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered and canceled; *provided* that each such Definitive Registered Note shall be in a principal amount at final Stated Maturity of the minimum Applicable Denominations or an integral multiple of \$1,000 (in the case of the USD Notes) and €1,000 (in the case of the Euro Notes) in excess thereof.

SECTION 3.08 Redemption for Changes in Taxes. The Issuer may redeem the Notes, in whole but not in part, at its discretion at any time upon giving not less than 10 nor more than 60 days' prior written notice to the Holders of the Notes (which notice shall be irrevocable and given in accordance with the procedures set forth under Section 3.04), at a Redemption Price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to the date fixed by the Issuer for redemption (a "Tax Redemption Date") and all Additional Amounts (if any) then due or which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the

Notes or Note Guarantee, the Issuer or any Guarantor is or would be required to pay Additional Amounts (but, in the case of a Guarantor, only if the payment giving rise to such requirement cannot be made by the Issuer or another Guarantor without the obligation to pay Additional Amounts), and the Issuer or the relevant Guarantor cannot avoid any such payment obligation by taking reasonable measures available (including, for the avoidance of doubt, appointment of a new Paying Agent but excluding the reincorporation or reorganization of the Issuer or any Guarantor), and the requirement arises as a result of:

(a) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the relevant Tax Jurisdiction which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of the Offering Memorandum, after such later date); or

(b) any change in, or amendment to, the official application, administration or interpretation of such laws, regulations or rulings (including by virtue of a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of this Offering Memorandum, after such later date) (each of the foregoing clauses (a) and (b), a “Change in Tax Law”).

The Issuer shall not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuer or the relevant Guarantor would be obligated to make such payment or Additional Amounts if a payment in respect of the Notes or Note Guarantee were then due and at the time such notice is given, the obligation to pay Additional Amounts must remain in effect. Prior to the delivery of any notice of redemption of the Notes pursuant to the foregoing, the Issuer shall deliver the Trustee an opinion of independent tax counsel of recognized standing qualified under the laws of the relevant Tax Jurisdiction (which counsel shall be reasonably acceptable to the Trustee) to the effect that there has been a Change in Tax Law which would entitle the Issuer to redeem the Notes hereunder. In addition, before the Issuer delivers a notice of redemption of the Notes as described above, it shall deliver to the Trustee an Officer’s Certificate to the effect that it cannot avoid its obligation to pay Additional Amounts by the Issuer or the relevant Guarantor taking reasonable measures available to it.

The Trustee will accept and shall be entitled to rely on such Officer’s Certificate and opinion of counsel as sufficient evidence of the existence and satisfaction of the conditions as described above, in which event it will be conclusive and binding on all of the Holders.

The foregoing provisions of this Section 3.08 will apply, *mutatis mutandis*, to any successor of the Issuer (or any Guarantor) with respect to a Change in Tax Law occurring after the time such Person becomes successor to the Issuer (or any Guarantor).

## ARTICLE FOUR

### COVENANTS

SECTION 4.01 Payment of Notes. The Issuer and the Guarantors, jointly and severally, covenant and agree for the benefit of the Holders that they shall duly and punctually pay the principal of, premium, if any, interest and Additional Amounts, if any, on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Subject to Section 2.04, principal, premium, if any, interest and Additional Amounts, if any, shall be considered paid on the date due if on such date the Trustee or the Paying Agent (other than the Issuer or any of its Affiliates) holds, as of 10:00 a.m. (New York, New York time) on the due date, in accordance with this Indenture, money sufficient to pay all principal, premium, if any, interest and Additional Amounts, if any, then due. If the Issuer or any of its Affiliates acts as Paying Agent, principal, premium, if any, interest and Additional Amounts, if any, shall be considered paid on the due date if the entity acting as Paying Agent complies with Section 2.04.

The Issuer or the Guarantors shall pay interest on overdue principal at the rate specified therefor in the Notes. The Issuer or the Guarantors shall pay interest on overdue installments of interest at the same rate to the extent lawful.

SECTION 4.02 Corporate Existence. Subject to Article Five, the Issuer and each Guarantor shall do or cause to be done all things necessary to preserve and keep in full force and effect their corporate, partnership, limited liability company or other existence and the rights (charter and statutory), licenses and franchises of the Issuer, the Company and each Guarantor; *provided* that the Company shall not be required to preserve any such right, license or franchise if the Board of Directors of the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and the Guarantors as a whole.

SECTION 4.03 Maintenance of Properties. The Issuer shall cause all properties owned by it or any Guarantor or used or held for use in the conduct of its business or the business of any Guarantor to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and shall cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Issuer may be necessary so that the business carried on in connection therewith may be properly and advantageously conducted at all times; *provided* that nothing in this Section 4.03 shall prevent the Issuer from discontinuing the maintenance of any such properties if such discontinuance is, in the judgment of the Issuer, desirable in the conduct of the business of the Issuer and the Guarantors as a whole.

SECTION 4.04 Insurance. The Issuer shall maintain, and shall cause the Guarantors to maintain, insurance with carriers believed by the Issuer to be responsible, against such risks and in such amounts, and with such deductibles, retentions, self-insured amounts and coinsurance provisions, as the Issuer believes are customarily carried by businesses similarly situated and owning like properties, including as appropriate general liability, property and casualty loss insurance (but on the basis that the Company and the Guarantors self-insure Vessels for certain

war risks); *provided* that in no event shall the Company and the Guarantors be required to obtain any business interruption, loss of hire or delay in delivery insurance.

#### SECTION 4.05 Statement as to Compliance.

(a) The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year or within 14 days of written request by the Trustee, an Officer's Certificate stating that in the course of the performance by the signer of its duties as an Officer of the Issuer he would normally have knowledge of any Default and whether or not the signer knows of any Default that occurred during such period and, if any, specifying such Default, its status and what action the Issuer is taking or proposed to take with respect thereto. For purposes of this Section 4.05(a), such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

(b) If the Issuer shall become aware that (i) any Default or Event of Default has occurred and is continuing or (ii) any Holder seeks to exercise any remedy hereunder with respect to a claimed Default under this Indenture or the Notes, the Issuer shall promptly, and in any event within 30 days, deliver to the Trustee an Officer's Certificate specifying such event, notice or other action (including any action the Issuer is taking or propose to take in respect thereof).

#### SECTION 4.06 Incurrence of Indebtedness and Issuance of Preferred Stock.

(a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "incur") any Indebtedness (including Acquired Debt), and the Company will not and will not permit any Restricted Subsidiary to issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of preferred stock; *provided, however*, that the Company may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock, and the Restricted Subsidiaries may incur Indebtedness (including Acquired Debt) or issue preferred stock, if the Fixed Charge Coverage Ratio for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or such preferred stock is issued, as the case may be, would have been at least 2.0 to 1.0, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock or the preferred stock had been issued, as the case may be, at the beginning of such four-quarter period.

(b) Section 4.06(a) shall not, however, prohibit the incurrence of any of the following items of Indebtedness, without duplication (collectively, "Permitted Debt"):

(6) Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge, any Indebtedness (other than intercompany Indebtedness, Disqualified Stock or preferred stock) that was permitted to be incurred under Section 4.06(a) or clause (1), (2), (3), (4), (5), (6), (12) or (18) of this Section 4.06(b);

(7) the incurrence by the Company or any Restricted Subsidiary of intercompany Indebtedness between or among the Company or any Restricted Subsidiary; *provided* that:

(A) if the Issuer or any Guarantor is the obligor on such Indebtedness and the payee is not the Issuer or a Guarantor, such Indebtedness must be unsecured and ((i) except in respect of the intercompany current liabilities incurred in the ordinary course of business in connection with the cash management operations of the Company and its Restricted Subsidiaries and (ii) only to the extent legally permitted (the Company and its Restricted Subsidiaries having completed all procedures required in the reasonable judgment of directors or officers of the obligee or obligor to protect such Persons from any penalty or civil or criminal liability in connection with the subordination of such Indebtedness)) expressly subordinated to the prior payment in full in cash of all Obligations then due with respect to the Notes, in the case of the Issuer, or the Note Guarantee, in the case of a Guarantor; and

(8) the issuance by any Restricted Subsidiary to the Company or to any of its Restricted Subsidiaries of preferred stock; *provided* that (i) any subsequent issuance or transfer of Equity Interests that results in any such preferred stock being held by a Person

other than the Company or a Restricted Subsidiary and (ii) any sale or other transfer of any such preferred stock to a Person that is not either the Company or a Restricted Subsidiary, will be deemed, in each case, to constitute an issuance of such preferred stock by such Restricted Subsidiary that was not permitted by this clause (8);

(9) the incurrence by the Company or any Restricted Subsidiary of Hedging Obligations and not for speculative purposes;

(10) the Guarantee by the Company or any Restricted Subsidiary of Indebtedness of the Company or any Restricted Subsidiary to the extent that the guaranteed Indebtedness was permitted to be incurred by another provision of this Section 4.06; *provided* that, in each case, if the Indebtedness being guaranteed is subordinated to or *pari passu* with the Notes or a Note Guarantee, then the Guarantee must be subordinated or *pari passu*, as applicable, to the same extent as the Indebtedness guaranteed;

(11) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness (i) in respect of workers' compensation claims, self-insurance obligations, captive insurance companies and bankers' acceptances in the ordinary course of business; (ii) in respect of letters of credit, surety, bid, performance, travel or appeal bonds, completion guarantees, judgment, advance payment, customs, VAT or other tax guarantees or similar instruments issued in the ordinary course of business of such Person or consistent with past practice or industry practice (including as required by any governmental authority) and not in connection with the borrowing of money, including letters of credit or similar instruments in respect of self-insurance and workers compensation obligations, or for the protection of customer deposits or credit card payments; *provided, however*, that upon the drawing of such letters of credit or other instrument, such obligations are reimbursed within 30 days following such drawing; (iii) arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds, so long as such Indebtedness is covered within 30 days; and (iv) consisting of (x) the financing of insurance premiums or (y) take-or-pay obligations contained in supply agreements, in each case, in the ordinary course of business;

(12) Indebtedness, Disqualified Stock or preferred stock (i) of any Person outstanding on the date on which such Person becomes a Restricted Subsidiary or is merged, consolidated, amalgamated or otherwise combined with (including pursuant to any acquisition of assets and assumption of related liabilities) the Company or any Restricted Subsidiary or (ii) incurred or issued to provide all or any portion of the funds used to consummate the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was otherwise acquired by the Company or a Restricted Subsidiary; *provided, however*, with respect to this clause (12), that at the time of the acquisition or other transaction pursuant to which such Indebtedness, Disqualified Stock or preferred stock was deemed to be incurred or issued, (x) the Company would have been able to incur \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.06(a) after giving *pro forma* effect to the relevant acquisition or other transaction and the incurrence of such Indebtedness or issuance of such Disqualified Stock or preferred stock pursuant to this clause (12) or (y) the Fixed Charge Coverage Ratio for the Company's most recently ended four full

fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or Disqualified Stock or preferred stock is issued pursuant to this clause (12), taken as one period, would not be less than it was immediately prior to giving *pro forma* effect to such acquisition or other transaction and the incurrence of such Indebtedness or issuance of such Disqualified Stock or preferred stock;

(13) Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for customary indemnification, obligations in respect of earnouts or other adjustments of purchase price or, in each case, similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business or assets or Person or any Equity Interests of a Subsidiary; *provided* that (in the case of a disposition) the maximum liability of the Company and its Restricted Subsidiaries in respect of all such Indebtedness shall at no time exceed the gross proceeds, including the Fair Market Value of non-cash proceeds (measured at the time received and without giving effect to any subsequent changes in value), actually received by the Company and its Restricted Subsidiaries in connection with such disposition;

(14) the incurrence by the Company or any Restricted Subsidiary of Indebtedness in the form of Unearned Customer Deposits and advance payments received in the ordinary course of business from customers for goods and services purchased in the ordinary course of business;

(15) Indebtedness of the Company or any Restricted Subsidiary incurred in connection with credit card processing arrangements or other similar payment processing arrangements entered into in the ordinary course of business;

(16) the incurrence by the Company or any Restricted Subsidiary of Indebtedness, the issuance by the Company or any Restricted Subsidiary of Disqualified Stock and the issuance by any Restricted Subsidiary of preferred stock to finance the replacement (through construction or acquisition) of a Vessel upon an Event of Loss of such Vessel in an aggregate amount no greater than the Ready for Sea Cost for such replacement Vessel, in each case less all compensation, damages and other payments (including insurance proceeds other than in respect of business interruption insurance) received by the Company or any of its Restricted Subsidiaries from any Person in connection with such Event of Loss in excess of amounts actually used to repay Indebtedness secured by the Vessel subject to such Event of Loss and any costs and expenses incurred by the Company or any of its Restricted Subsidiaries in connection with such Event of Loss;

(17) the incurrence by the Company or any Restricted Subsidiary of Indebtedness in relation to (i) regular maintenance required on any of the Vessels owned or chartered by the Company or any of its Restricted Subsidiaries, and (ii) any expenditures that are, or are reasonably expected to be, recoverable from insurance on such Vessels;

(18) the incurrence of Indebtedness by the Company or any Restricted Subsidiary of Indebtedness, the issuance by the Company or any Restricted Subsidiary of Disqualified Stock and the issuance by any Restricted Subsidiary of preferred stock in an

aggregate principal amount (or accreted value, as applicable) at any time outstanding, including all Permitted Refinancing Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred or Disqualified Stock or preferred stock issued pursuant to this clause (18), not to exceed the greater of \$2,000.0 million and 4.6% of Total Tangible Assets; and

(19) Indebtedness existing solely by reason of Permitted Liens described in clause (29) of the definition thereof.

(c) Neither the Issuer nor any Guarantor will incur any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Issuer or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuer or any Guarantor solely by virtue of being unsecured.

(d) For purposes of determining compliance with this Section 4.06, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (19) of Section 4.06(b), or is entitled to be incurred pursuant to Section 4.06(a), the Issuer, in its sole discretion, will be permitted to classify such item of Indebtedness on the date of its incurrence and only be required to include the amount and type of such Indebtedness in one of such clauses and will be permitted on the date of such incurrence to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Sections 4.06(a) and (b) and from time to time to reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.06.

(e) In connection with the incurrence or issuance, as applicable, of (x) revolving loan Indebtedness or (y) any commitment relating to the incurrence or issuance of Indebtedness, Disqualified Stock or preferred stock, in each case, in compliance with this Section 4.06, and the granting of any Lien to secure such Indebtedness, the Issuer or applicable Restricted Subsidiary may, at its option, designate such incurrence or issuance and the granting of any Lien therefor as having occurred on the date of first incurrence of such revolving loan Indebtedness or commitment (such date, the “Deemed Date”), and any related subsequent actual incurrence or issuance and granting of such Lien therefor will be deemed for all purposes under this Indenture to have been incurred or issued and granted on such Deemed Date, including, without limitation, for purposes of calculating the Fixed Charge Coverage Ratio, usage of any baskets described herein (if applicable), the Consolidated Total Leverage Ratio, the Loan-to-Value Ratio and Consolidated EBITDA (and all such calculations on and after the Deemed Date until the termination or funding of such commitment shall be made on a pro forma basis giving effect to the deemed incurrence or issuance, the granting of any Lien therefor and related transactions in connection therewith).

(f) The accrual of interest or preferred stock dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as

Indebtedness due to a change in accounting principles, the payment of dividends on preferred stock or Disqualified Stock in the form of additional shares of the same class of preferred stock or Disqualified Stock, the accretion of liquidation preference and the increase in the amount of Indebtedness outstanding solely as a result of fluctuations in exchange rates or currency values will not be deemed to be an incurrence of Indebtedness or an issuance of preferred stock or Disqualified Stock for purposes of this Section 4.06; *provided*, in each such case, that the amount of any such accrual, accretion, amortization, payment, reclassification or increase is included in the Fixed Charges of the Company as accrued.

(g) For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a different currency shall be utilized, calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred or, in the case of Indebtedness incurred under a revolving credit facility and at the option of the Issuer, first committed; *provided* that (a) if such Indebtedness is incurred to refinance other Indebtedness denominated in a currency other than U.S. dollars, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing indebtedness does not exceed the aggregate principal amount of such Indebtedness being refinanced; and (b) if and for so long as any Indebtedness is subject to a Hedging Obligation with respect to the currency in which such Indebtedness is denominated covering principal amounts payable on such Indebtedness, the amount of such Indebtedness, if denominated in U.S. dollars, will be the amount of the principal payment required to be made under such Hedging Obligation and, otherwise, the U.S. dollar-equivalent of such amount plus the U.S. dollar-equivalent of any premium which is at such time due and payable but is not covered by such Hedging Obligation.

(h) Notwithstanding any other provision of this Section 4.06, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may incur pursuant to this Section 4.06 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values. The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which such Permitted Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

(i) The amount of any Indebtedness outstanding as of any date will be:

(i) in the case of any Indebtedness issued with original issue discount, the amount of the liability in respect thereof determined in accordance with GAAP;

(ii) the principal amount of the Indebtedness, in the case of any other Indebtedness; and

(iii) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:

- (A) the Fair Market Value of such assets at the date of determination; and
- (B) the amount of the Indebtedness of the other Person.

SECTION 4.07 Liens.

(a) The Company shall not and shall not cause or permit any of the Guarantors to, directly or indirectly, create, incur, assume or otherwise cause to exist or become effective any Lien of any kind securing Indebtedness upon any of their property or assets, now owned or hereafter acquired, except:

(1) in the case of any property or assets that constitute Collateral, Permitted Collateral Liens, which may be secured on a senior basis to, *pari passu* basis with or junior basis to the Liens on the Collateral securing the Note Obligations, subject to Section 4.25; and

(2) in the case of any property or assets that do not constitute Collateral, (A) Permitted Liens or (B) a Lien on such property or assets that is not a Permitted Lien (each Lien under clause (B), a “Triggering Lien”) if, contemporaneously with (or prior to) the incurrence of such Triggering Lien, all Note Obligations are secured on an equal and ratable basis with or on a senior basis to the obligations so secured until such time as such obligations are no longer secured by such Triggering Lien; *provided* that, (i) if the Indebtedness secured by such Triggering Lien is subordinate or junior in right of payment to the Notes or a Note Guarantee, as the case may be, then such Triggering Lien securing such Indebtedness shall be subordinate or junior in priority to the Lien securing the Note Obligations, (ii) if Senior-Priority Obligations are also required to be secured by Liens on such property or assets pursuant to provisions in the Senior-Priority Documents that are similar to this clause (b), the Liens on such property or assets securing the Note Obligations may rank junior in priority to the Liens on such property or assets securing such Senior-Priority Obligations pursuant to an Additional Intercreditor Agreement.

(b) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “Increased Amount” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms or in the form of common stock of the Company, the payment of dividends on preferred stock in the form of additional shares of preferred stock of the same class, the accretion of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing

Indebtedness. For the avoidance of doubt, any Lien that is permitted under this Indenture to secure Indebtedness shall also be permitted to secure any obligations related to such Indebtedness.

(c) Any Lien created in favor of this Indenture and the Notes or a Note Guarantee pursuant to Section 4.07(a)(2) will be automatically and unconditionally released and discharged (i) upon the release and discharge of the Triggering Lien to which it relates and (ii) otherwise as set forth under Section 11.04.

SECTION 4.08 Restricted Payments.

(a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly:

(A) declare or pay any dividend or make any other payment or distribution on account of the Company's or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) or to the direct or indirect holders of the Company's or any of its Restricted Subsidiaries' Equity Interests in their capacity as holders (other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of the Company or in Subordinated Shareholder Funding and other than dividends or distributions payable to the Company or a Restricted Subsidiary);

(B) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving the Company) any Equity Interests of the Company or any direct or indirect parent entity of the Company;

(C) make any principal payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value, any Indebtedness of the Issuer or any Guarantor that is expressly contractually subordinated in right of payment to the Notes or to any Note Guarantee (excluding any intercompany Indebtedness between or among the Company and any of its Restricted Subsidiaries), except (i) a payment of principal at the Stated Maturity thereof or (ii) the purchase, repurchase, redemption, defeasance or other acquisition of Indebtedness purchased in anticipation of satisfying a sinking fund obligation, principal installment or scheduled maturity, in each case due within one year of the date of such purchase, repurchase, redemption, defeasance or other acquisition, or make any cash interest payment on, or purchase, repurchase, redeem, defease or otherwise acquire or retire for value, any Subordinated Shareholder Funding; or

(D) make any Restricted Investment

(all such payments and other actions set forth in these clauses (A) through (D) above being collectively referred to as “Restricted Payments”), unless, at the time of such Restricted Payment:

(i) no Default or Event of Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;

(ii) after giving *pro forma* effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, the Company would have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.06(a);

(iii) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and its Restricted Subsidiaries since the 2023 Secured Notes Issue Date (excluding Restricted Payments permitted by clauses (1) (without duplication of amounts paid pursuant to any other clause of Section 4.08(b)), (2), (3), (4), (5), (6), (7), (8), (9), (10) and (11) of Section 4.08(b)), is less than the sum, without duplication, of:

(A) 50% of the Consolidated Net Income of the Company for the period (taken as one accounting period) from the first day of the fiscal quarter commencing immediately following the fiscal quarter in which the 2023 Secured Notes Issue Date occurred to the end of the Company’s most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); *plus*

(B) 100% of the aggregate net cash proceeds and the Fair Market Value of other assets received by the Company since the 2023 Secured Notes Issue Date as a contribution to its common equity capital or from the issue or sale of Equity Interests of the Company (other than Disqualified Stock) or Subordinated Shareholder Funding or from the issue or sale of convertible or exchangeable Disqualified Stock of the Company or any Restricted Subsidiary or convertible or exchangeable debt securities of the Company or any Restricted Subsidiary, in each case that have been converted into or exchanged for Equity Interests of the Company or Subordinated Shareholder Funding (other than (x) net cash proceeds and marketable securities received from an issuance or sale of Equity Interests, Disqualified Stock or convertible or exchangeable debt securities sold to a Subsidiary of the Company, (y) net cash proceeds and marketable securities received from an issuance or sale of convertible or exchangeable Disqualified Stock or convertible or exchangeable debt securities that have been converted into, exchanged or redeemed for Disqualified Stock and (z) net cash proceeds and marketable securities to the extent any Restricted Payment has been made from such proceeds pursuant to Section 4.08(b)(4)); *plus*

(C) to the extent that any Restricted Investment that was made after the 2023 Secured Notes Issue Date is (i) sold, disposed of or otherwise cancelled, liquidated or repaid, 100% of the aggregate amount received in cash and the Fair Market Value of marketable securities received; or (ii) made in an entity that subsequently becomes a Restricted Subsidiary, 100% of the Fair Market Value of such Restricted Investment as of the date such entity becomes a Restricted Subsidiary; *plus*

(D) to the extent that any Unrestricted Subsidiary of the Company designated as such after the 2023 Secured Notes Issue Date is redesignated as a Restricted Subsidiary, or is merged or consolidated into the Company or a Restricted Subsidiary, or all of the assets of such Unrestricted Subsidiary are transferred to the Company or a Restricted Subsidiary, in each case, after the 2023 Secured Notes Issue Date, the Fair Market Value of the Company's Restricted Investment in such Subsidiary as of the date of such redesignation, merger, consolidation or transfer of assets to the extent such investments reduced the restricted payments capacity under this clause (iii) and were not previously repaid or otherwise reduced; *provided, however*, that no amount will be included in Consolidated Net Income of the Company for purposes of the preceding clause (A) to the extent that it is included under this clause (D); *plus*

(E) 100% of any dividends or distributions received by the Company or a Restricted Subsidiary after the 2023 Secured Notes Issue Date from an Unrestricted Subsidiary to the extent that such dividends or distributions were not otherwise included in the Consolidated Net Income of the Company for such period (excluding, for the avoidance of doubt, repayments of, or interest payments in respect of, any Permitted Investment pursuant to clause (16) of the definition thereof); and

(iv) at least one year shall have elapsed since the 2023 Secured Notes Issue Date, and (x) in the case of a Restricted Payment made on or after the first anniversary of the 2023 Secured Notes Issue Date and before the second anniversary of the 2023 Secured Notes Issue Date, the Consolidated Total Leverage Ratio of the Company and its Restricted Subsidiaries would not have been greater than 6.00:1.00 on a *pro forma* basis and (y) in the case of a Restricted Payment made on or after the second anniversary of the 2023 Secured Notes Issue Date, the Consolidated Total Leverage Ratio of the Company and its Restricted Subsidiaries would not have been greater than 5.00:1.00 on a *pro forma* basis.

(b) The preceding provisions will not prohibit the following ("Permitted Payments"):

(1) the payment of any dividend or distribution or the consummation of any redemption within 60 days after the date of declaration of the dividend or distribution or giving of the redemption notice, as the case may be, if at the

date of declaration or notice, the dividend or distribution or redemption payment would have complied with the provisions of this Indenture;

(2) the making of any Restricted Payment in exchange for, or out of or with the net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of the Company) of, Equity Interests of the Company (other than Disqualified Stock) or Subordinated Shareholder Funding or from the substantially concurrent contribution of common equity capital to the Company; *provided* that the amount of any such net cash proceeds that are utilized for any such Restricted Payment will be excluded from Section 4.08(a)(iii)(B);

(3) the purchase, repurchase, redemption, defeasance or other acquisition or retirement for value of Indebtedness of the Issuer or any Guarantor that is contractually subordinated to the Notes or to any Note Guarantee with the net cash proceeds from an incurrence of Permitted Refinancing Indebtedness;

(4) so long as no Default or Event of Default has occurred and is continuing, the purchase, repurchase, redemption or other acquisition or retirement for value of any Equity Interests of the Company or any Restricted Subsidiary held by any current or former officer, director, employee or consultant of the Company or any of its Restricted Subsidiaries pursuant to any equity subscription agreement, stock option agreement, restricted stock grant, shareholders' agreement or similar agreement; *provided* that the aggregate price paid for all such purchased, repurchased, redeemed, acquired or retired Equity Interests may not exceed \$25.0 million in the aggregate in any twelve-month period with unused amounts being carried over to any subsequent twelve-month period subject to a maximum aggregate amount of \$50.0 million being available in any twelve-month period; and *provided, further*, that such amount in any twelve-month period may be increased by an amount not to exceed the cash proceeds from the sale of Equity Interests of the Company or Subordinated Shareholder Funding, in each case, received by the Company during such twelve-month period, in each case to members of management, directors or consultants of the Company, any of its Restricted Subsidiaries or any of its direct or indirect parent companies to the extent the cash proceeds from the sale of such Equity Interests or Subordinated Shareholder Funding have not otherwise been applied to the making of Restricted Payments pursuant to Section 4.08(a)(iii)(C) or Section 4.08(b)(2);

(5) the repurchase of Equity Interests deemed to occur upon the exercise of stock options to the extent such Equity Interests represent a portion of the exercise price of those stock options;

(6) so long as no Default or Event of Default has occurred and is continuing, the declaration and payment of regularly scheduled or accrued dividends to holders of any class or series of Disqualified Stock of the Company or any preferred stock of any Restricted Subsidiary issued on or after the 2023 Secured Notes Issue Date in accordance with Section 4.06;

(7) payments of cash, dividends, distributions, advances or other Restricted Payments by the Company or any of its Restricted Subsidiaries to allow the payment of cash in lieu of the issuance of fractional shares upon (i) the exercise of options or warrants or (ii) the conversion or exchange of Capital Stock of any such Person;

(8) the payment of any dividend (or, in the case of any partnership or limited liability company, any similar distribution) by a Restricted Subsidiary to the holders of its Equity Interests (other than the Company or any Restricted Subsidiary) on no more than a *pro rata* basis;

(9) the making of (i) cash payments made by the Company or any of its Restricted Subsidiaries in satisfaction of the conversion obligation upon conversion of convertible Indebtedness issued in a convertible notes offering and (ii) any payments by the Company or any of its Restricted Subsidiaries pursuant to the exercise, settlement or termination of any related capped call, hedge, warrant or other similar transactions;

(10) with respect to any Tax period in which any of the Restricted Subsidiaries are members of a consolidated, combined, unitary or similar income Tax group for U.S. federal or applicable state and local, or non-U.S. income Tax purposes (a "Tax Group") of which a Parent Company, or any subsidiary of a Parent Company, is a common parent, or for which such Restricted Subsidiary is disregarded for U.S. federal income tax purposes as separate from a Parent Company, or any subsidiary of a Parent Company that is a C corporation for U.S. federal income tax purposes, payments by each such Restricted Subsidiary in an amount not to exceed the amount of its allocable share of any U.S. federal, state and/or local and/or foreign income Taxes, as applicable, of such Tax Group for such taxable period that are attributable to the income, revenue, receipts or capital of such Restricted Subsidiary in an aggregate amount not to exceed the amount of such income Taxes that such Restricted Subsidiaries would have paid had it been a standalone corporate tax payer or standalone corporate tax group (without duplication, for the avoidance of doubt, of any such Taxes paid by such Restricted Subsidiary directly to the relevant taxing authority); and

(11) other Restricted Payments in an aggregate amount not to exceed \$225.0 million since the 2023 Secured Notes Issue Date so long as, immediately after giving effect to such Restricted Payment, no Default or Event of Default has occurred and is continuing.

The amount of all Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment.

For purposes of determining compliance with this covenant, (1) in the event that a proposed Restricted Payment (or portion thereof) meets the criteria of one or more categories (or

subparts thereof) of Permitted Payments or Permitted Investments, or is entitled to be incurred pursuant to the first paragraph of this covenant, the Company will be entitled to classify or re-classify such Restricted Payment (or portion thereof) based on circumstances existing on the date of such reclassification in any manner that complies with this covenant, and such Restricted Payment (or portion thereof) will be treated as having been made pursuant to the first paragraph of this covenant or such clause or clauses (or subparts thereof) in the definition of Permitted Payments or Permitted Investments, (2) the amount of any return of or on capital from any Investment shall be netted against the amount of such Investment for purposes of determining compliance with this covenant and (3) payments made among the Company and its Restricted Subsidiaries pursuant to the agreements, constituent documents, guarantees, deeds and other instruments governing the “dual listed company” structure of the Company shall not be deemed to be Restricted Payments.

#### SECTION 4.09 Asset Sales.

(a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, consummate an Asset Sale unless:

(1) the Company (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) at least 75% of the consideration received in the Asset Sale by the Company or such Restricted Subsidiary is in the form of cash, Cash Equivalents or Replacement Assets or a combination thereof (which determination may be made by the Issuer, at its option, either (x) at the time such Asset Sale is approved by the Issuer’s Board of Directors or (y) at the time the Asset Sale is completed). For purposes of this clause (2), each of the following will be deemed to be cash:

(A) any liabilities, as recorded on the balance sheet of the Company or any Restricted Subsidiary (other than contingent liabilities or liabilities that are by their terms subordinated to the Notes or the Notes Guarantees), that are assumed by the transferee of any such assets and as a result of which the Company and its Restricted Subsidiaries are no longer obligated with respect to such liabilities or are indemnified against further liabilities or that are otherwise retired or repaid;

(B) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of the Asset Sale, to the extent of the cash or Cash Equivalents received in that conversion;

(C) any Capital Stock or assets of the kind referred to in Section 4.09(b)(2) or (4);

(D) Indebtedness (other than Indebtedness that is by its terms subordinated to the Notes or the Notes Guarantees) of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Sale, to the extent that Carnival plc and each other Restricted Subsidiary are released from any Guarantee of such Indebtedness in connection with such Asset Sale;

(E) consideration consisting of Indebtedness of the Company or any Guarantor received from Persons who are not the Company or any Restricted Subsidiary; and

(F) consideration other than cash, Cash Equivalents or Replacement Assets received by the Company or any Restricted Subsidiary in Asset Sales with a Fair Market Value not exceeding \$250.0 million in the aggregate outstanding at any one time.

(b) Within 450 days after the receipt of any Net Proceeds from an Asset Sale, any Event of Loss, the Company (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds:

(1) to repurchase the Notes pursuant to an offer to all Holders at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest to (but not including) the date of purchase (a “Notes Offer”);

(2) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business; *provided* that (i) after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary and (ii) to the extent the assets that were the subject of such Asset Sale or Event of Loss comprised part of the Collateral, the assets comprising such Permitted Business shall also be pledged as Collateral;

(3) to make a capital expenditure; *provided* that to the extent the assets that were the subject of such Asset Sale or Event of Loss comprised part of the Collateral, such capital expenditures shall be made in respect of assets that are Collateral;

(4) to acquire other assets (other than Capital Stock) not classified as current assets under GAAP that are used or useful in a Permitted Business; *provided* that to the extent the assets that were the subject of such Asset Sale or Event of Loss comprised part of the Collateral, the assets being acquired shall also be pledged as Collateral;

(5) to repurchase, prepay, redeem or repay Indebtedness (a) that is secured by a Lien on the Collateral ranking *pari passu* with or senior to the Liens on the Collateral securing the Notes in accordance with Section 4.06, Section 4.07 and Section 4.25; *provided* that in connection with any repurchase, prepayment, redemption or repayment of revolving credit Indebtedness pursuant to this clause (a), the

Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment to be permanently reduced in an amount equal to the principal amount so repurchased, prepaid, redeemed or repaid; (b) upon the sale of assets that do not constitute Collateral, of a Restricted Subsidiary which is not a Guarantor (other than Indebtedness owed to the Company or a Restricted Subsidiary), or Indebtedness of the Issuer or any Guarantor that is secured by a Lien (*provided* that the assets secured by such Lien do not constitute Collateral) or (c) of the Issuer or a Guarantor which is secured by a Lien on the Collateral and which is *pari passu* or senior in right of payment with the Notes or any Note Guarantee; *provided* that, in the case of this clause (c), the Company (or the applicable Restricted Subsidiary) may repurchase, prepay, redeem or repay such *pari passu* Indebtedness only if the Company (or the applicable Restricted Subsidiary) makes an offer to all Holders to purchase their Notes in accordance with the provisions set forth below for an Asset Sale Offer for an aggregate principal amount of Notes at least equal to the proportion that (x) the total aggregate principal amount of Notes outstanding bears to (y) the sum of the total aggregate principal amount of Notes outstanding plus the total aggregate principal amount outstanding of such *pari passu* Indebtedness;

(6) to enter into a binding commitment to apply the Net Proceeds pursuant to clause (2), (3) or (4) of this Section 4.09(b); *provided* that such binding commitment (or any subsequent commitments replacing the initial commitment that may be cancelled or terminated) shall be treated as a permitted application of the Net Proceeds from the date of such commitment until the earlier of (x) the date on which such acquisition or expenditure is consummated and (y) the 180th day following the expiration of the aforementioned 450 day period; or

(7) any combination of the foregoing.

Pending the final application of any Net Proceeds, the Company (or the applicable Restricted Subsidiary) may temporarily reduce borrowings under any revolving credit facility, or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(c) Any Net Proceeds from Asset Sales or an Event of Loss that are not applied or invested as provided in Section 4.09(b) (it being understood that any portion of such Net Proceeds used to make an offer to purchase Notes as described in Section 4.09(b)(1) or (5) above shall be deemed to have been applied or invested whether or not such Notes Offer is accepted) will constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$250.0 million (or at an earlier time, at the option of the Issuer), within ten Business Days thereof, the Company will make an offer (an "Asset Sale Offer") to all Holders and may make an offer to all holders of other Indebtedness that is secured by a Lien on the Collateral and that is *pari passu* with the Notes or any Note Guarantees with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets or events of loss to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (plus all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price for the Notes in any Asset Sale Offer will be equal to 100%

of the principal amount, plus accrued and unpaid interest and Additional Amounts, if any, to the date of purchase, prepayment or redemption, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and such other *pari passu* Indebtedness tendered into (or to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, or if the aggregate amount of Notes tendered pursuant to a Notes Offer exceeds the amount of the Net Proceeds so applied, the Trustee will select the Notes and such other *pari passu* Indebtedness, if applicable, to be purchased on a *pro rata* basis (or in the manner provided in Section 3.03), based on the amounts tendered or required to be prepaid or redeemed. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

The Company will comply with the requirements of Rule 14e-1 under the U.S. Exchange Act and any other securities laws and regulations (and rules of any exchange on which the Notes are then listed) to the extent those laws, regulations or rules are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer or a Notes Offer. To the extent that the provisions of any securities laws or regulations or exchange rules conflict with the Asset Sale or Notes Offer provisions of this Indenture, the Company will comply with the applicable securities laws, regulations and rules and will not be deemed to have breached its obligations under the Asset Sale or Notes Offer provisions of this Indenture by virtue of such compliance.

#### SECTION 4.10 Transactions with Affiliates.

(a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, make any payment to or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each, an "Affiliate Transaction") involving aggregate payments or consideration in excess of \$100.0 million, unless:

(1) the Affiliate Transaction is on terms that are, taken as a whole, no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with a Person who is not such an Affiliate; and

(2) the Issuer delivers to the Trustee, with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$250.0 million, a resolution of the Board of Directors of the Issuer set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with this Section 4.10 and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of the Issuer (or in the event there is only one disinterested director, by such disinterested director, or, in the event there are no disinterested directors, by unanimous approval of the members of the Board of Directors of the Issuer).

(b) Notwithstanding the foregoing, the following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.10(a):

(i) any employment agreement, collective bargaining agreement, consulting agreement or employee benefit arrangements with any employee, consultant, officer or director of the Company or any Restricted Subsidiary, including under any stock option, stock appreciation rights, stock incentive or similar plans, entered into in the ordinary course of business;

(ii) transactions between or among the Company and/or its Restricted Subsidiaries;

(iii) transactions with a Person (other than an Unrestricted Subsidiary of the Company) that is an Affiliate of the Company solely because the Company owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(iv) payment of reasonable and customary fees, salaries, bonuses, compensation, other employee benefits and reimbursements of expenses (pursuant to indemnity arrangements or otherwise) of Officers, directors, employees or consultants of the Company or any of its Restricted Subsidiaries;

(v) any issuance of Equity Interests (other than Disqualified Stock) of the Company to Affiliates of the Company or any issuance of Subordinated Shareholder Funding;

(vi) Restricted Payments that do not violate Section 4.08;

(vii) transactions pursuant to or contemplated by any agreement in effect on the Issue Date and transactions pursuant to any amendment, modification or extension to such agreement, so long as such amendment, modification or extension, taken as a whole, is not materially more disadvantageous to the Holders than the original agreement as in effect on the Issue Date;

(viii) Permitted Investments (other than Permitted Investments described in clauses (3), (4), (5), (15) and (16) of the definition thereof);

(ix) Management Advances;

(x) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture that are fair to the Company or the Restricted Subsidiaries in the reasonable determination of the members of the Board of Directors of the Issuer or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated Person;

- (xi) the granting and performance of any registration rights for the Company's Capital Stock;
- (xii) any contribution to the capital of the Company;
- (xiii) pledges of Equity Interests of Unrestricted Subsidiaries;

(xiv) transactions with respect to which the Company has obtained an opinion of an accounting, appraisal or investment banking firm of international standing, or other recognized independent expert of international standing with experience appraising the terms and conditions of the type of transaction or series of related transactions for which an opinion is required, stating that the transaction or series of related transactions is (A) fair from a financial point of view taking into account all relevant circumstances or (B) on terms not less favorable than might have been obtained in a comparable transaction at such time on an arm's-length basis from a Person who is not an Affiliate;

(xv) transactions made pursuant to the agreements, constituent documents, guarantees, deeds and other instruments governing the "dual listed company" structure of the Company; and

(xvi) transactions undertaken in good faith (as certified by a responsible financial or accounting officer of the Issuer in an Officer's Certificate) between the Company and any other Person or a Restricted Subsidiary and any other Person with which the Company or any of its Restricted Subsidiaries files a combined, consolidated, unitary or similar group tax return or which the Company or any of its Restricted Subsidiaries is part of a group for tax purposes that are effected for the purpose of improving the combined, consolidated, unitary or similar group tax efficiency of the Company and its Subsidiaries and not for the purpose of circumventing any provision of this Indenture.

#### SECTION 4.11 Purchase of Notes upon a Change of Control.

(a) If a Change of Control Triggering Event occurs at any time, then the Company shall make an offer (a "Change of Control Offer") to each Holder to purchase such Holder's Notes, at a purchase price (the "Change of Control Purchase Price") in cash in an amount equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of purchase (the "Change of Control Purchase Date") (subject to the rights of Holders on the relevant Record Dates to receive interest due on the relevant Interest Payment Date).

(b) Within 30 days following any Change of Control Triggering Event, the Company shall deliver a notice to each Holder of the Notes at such Holder's registered address or otherwise deliver a notice in accordance with the procedures set forth in Section 3.04, which notice shall state:

(A) that a Change of Control Triggering Event has occurred, and the date it occurred, and that a Change of Control Offer is being made;

(B) the circumstances and relevant facts regarding such Change of Control (including, but not limited to, applicable information with respect to *pro forma* historical income, cash flow and capitalization after giving effect to the Change of Control);

(C) the Change of Control Purchase Price and the Change of Control Purchase Date, which shall be a Business Day no earlier than 30 days nor later than 60 days from the date such notice is delivered, pursuant to the procedures required by this Indenture and described in such notice;

(D) that any Note accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Purchase Date unless the Change of Control Purchase Price is not paid;

(E) that any Note (or part thereof) not tendered shall continue to accrue interest; and

(F) any other procedures that a Holder must follow to accept a Change of Control Offer or to withdraw such acceptance.

(c) On the Change of Control Purchase Date, the Company shall, to the extent lawful:

(i) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(ii) deposit with the paying agent an amount equal to the Change of Control Purchase Price in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

(d) The Paying Agent shall promptly deliver to each Holder which has properly tendered and so accepted the Change of Control Offer for such Notes, and the Trustee (or an authenticating agent appointed by the Company) shall promptly authenticate and deliver (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. Any Note so accepted for payment will cease to accrue interest on or after the Change of Control Purchase Date. The Company shall publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Purchase Date.

(e) This Section 4.11 will be applicable whether or not any other provisions of this Indenture are applicable.

(f) If the Change of Control Purchase Date is on or after an interest Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender pursuant to the Change of Control Offer.

(g) The Company will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer or (2) a notice of redemption has been given pursuant to the provisions of paragraph 6 of the Notes, unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

(h) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations (and rules of any exchange on which the Notes are then listed) to the extent those laws, regulations or rules are applicable in connection with the repurchase of the Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations or exchange rules conflict with the Change of Control provisions of this Indenture, the Company shall comply with the applicable securities laws, regulations and rules and will not be deemed to have breached its obligations under this Indenture by virtue of such compliance.

(i) If and for so long as the Euro Notes are listed on The Official List of The International Stock Exchange (the “Exchange”) and if and to the extent that the rules of the Exchange so require, the Issuer will notify the Exchange of any Change of Control Offer for the Euro Notes.

#### SECTION 4.12 Additional Amounts.

(a) All payments made by or on behalf of the Issuer or any of the Guarantors (including, in each case, any successor entity) under or with respect to the Notes or any Note Guarantee shall be made free and clear of and without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If the Issuer, any Guarantor or any other applicable withholding agent is required by law to withhold or deduct any amount for, or on account of, any Taxes imposed or levied by or on behalf of (1) any jurisdiction (other than the United States) in which the Issuer or any Guarantor is or was incorporated, engaged in business, organized or resident for tax purposes or any political subdivision thereof or therein or (2) any jurisdiction from or through which any payment is made by or on behalf of the Issuer or any Guarantor (including, without limitation, the jurisdiction of any Paying Agent) or any political subdivision thereof or therein (each of (1) and (2), a “Tax Jurisdiction”) in respect of any payments under or with respect to the Notes or any Note Guarantee, including, without limitation, payments of principal, redemption price,

purchase price, interest or premium, the Issuer or the relevant Guarantor, as applicable, shall pay such additional amounts (the “Additional Amounts”) as may be necessary in order that the net amounts received and retained in respect of such payments by each beneficial owner of Notes after such withholding or deduction will equal the respective amounts that would have been received and retained in respect of such payments in the absence of such withholding or deduction; *provided, however*, that no Additional Amounts shall be payable with respect to:

(1) any Taxes, to the extent such Taxes would not have been imposed but for the holder or the beneficial owner of the Notes (or a fiduciary, settlor, beneficiary, partner of, member or shareholder of, or possessor of a power over, the relevant holder, if the relevant holder is an estate, trust, nominee, partnership, limited liability company or corporation) being or having been a citizen or resident or national of, or incorporated, engaged in a trade or business in, being or having been physically present in or having a permanent establishment in, the relevant Tax Jurisdiction or having or having had any other present or former connection with the relevant Tax Jurisdiction, other than any connection arising from the acquisition, ownership or disposition of Notes, the exercise or enforcement of rights under such Note, this Indenture or a Note Guarantee, or the receipt of payments in respect of such Note or a Note Guarantee;

(2) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Note for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the holder (except to the extent that the holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period);

(3) any estate, inheritance, gift, sale, transfer, personal property or similar Taxes;

(4) any Taxes payable other than by deduction or withholding from payments under, or with respect to, the Notes or any Note Guarantee;

(5) any Taxes to the extent such Taxes would not have been imposed or withheld but for the failure of the holder or beneficial owner of the Notes, following the Issuer’s reasonable written request addressed to the holder at least 60 days before any such withholding or deduction would be imposed, to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the holder or beneficial owner is legally eligible to provide such certification or documentation;

(6) any Taxes imposed in connection with a Note presented for payment (where presentation is permitted or required for payment) by or on behalf of a holder or beneficial owner of the Notes to the extent such Taxes could have been avoided by presenting the relevant Note to, or otherwise accepting payment from, another Paying Agent;

(7) any Taxes imposed on or with respect to any payment by the Issuer or any of the Guarantors to the holder of the Notes if such holder is a fiduciary or partnership or any person other than the sole beneficial owner of such payment to the extent that such Taxes would not have been imposed on such payments had such holder been the sole beneficial owner of such Note;

(8) any Taxes that are imposed pursuant to current Section 1471 through 1474 of the Code or any amended or successor version that is substantively comparable and not materially more onerous to comply with, any regulations promulgated thereunder, any official interpretations thereof, any intergovernmental agreement between a non-U.S. jurisdiction and the United States (or any related law or administrative practices or procedures) implementing the foregoing or any agreements entered into pursuant to current Section 1471(b)(1) of the Code (or any amended or successor version described above); or

(9) any combination of clauses (1) through (8) above.

In addition to the foregoing, the Issuer and the Guarantors shall also pay and indemnify the holder for any present or future stamp, issue, registration, value added, transfer, court or documentary Taxes, or any other excise or property taxes, charges or similar levies (including penalties, interest and additions to tax related thereto) which are levied by any jurisdiction on the execution, delivery, issuance, or registration of any of the Notes, this Indenture, any Note Guarantee or any other document referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Notes or any Note Guarantee (limited, solely in the case of Taxes attributable to the receipt of any payments, to any such Taxes imposed in a Tax Jurisdiction that are not excluded under clauses (1) through (3) or (5) through (9) above or any combination thereof).

(b) If the Issuer or any Guarantor, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Note Guarantee, the Issuer or the relevant Guarantor, as the case may be, shall deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the Issuer or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officer's Certificates must also set forth any other information reasonably necessary to enable the Paying Agents to pay Additional Amounts to Holders on the relevant payment date. The Issuer or the relevant Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of Additional Amounts. The Trustee shall be entitled to rely absolutely on an Officer's Certificate as conclusive proof that such payments are necessary.

(c) The Issuer or the relevant Guarantor, if it is the applicable withholding agent, shall make all withholdings and deductions (within the time period) required by law and shall remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuer or the relevant Guarantor shall use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld.

The Issuer or the relevant Guarantor shall furnish to the Trustee (or to a Holder upon request), within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or a Guarantor, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments (reasonably satisfactory to the Trustee) by such entity.

(d) Whenever in this Indenture or the Notes there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes or any Note Guarantee, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(e) This Section 4.12 shall survive any termination, defeasance or discharge of this Indenture, any transfer by a holder or beneficial owner of its Notes, and will apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to the Issuer (or any Guarantor) is incorporated, engaged in business, organized or resident for tax purposes, or any jurisdiction from or through which payment is made under or with respect to the Notes (or any Note Guarantee) by or on behalf of such Person and, in each case, any political subdivision thereof or therein.

#### SECTION 4.13 Additional Intercreditor Agreements and Amendments to the Intercreditor Agreements.

(a) At the request of the Issuer, in connection with the incurrence or refinancing by the Company or its Restricted Subsidiaries of any Indebtedness secured or permitted to be secured (including as to priority) by the Collateral, the Company, the relevant Restricted Subsidiaries, the Trustee and the Security Agent, as applicable, shall enter into an intercreditor or similar agreement or joinder to or a restatement, amendment or other modification of the Second Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement, as applicable (an "Additional Intercreditor Agreement") with the holders of such Indebtedness (or their duly authorized representatives) on substantially the same terms as such applicable Intercreditor Agreement (or on terms that in the good faith judgment of the Board of Directors of the Issuer are not materially less favorable to the Holders), including containing substantially the same terms with respect to the application of the proceeds of the Collateral held thereunder and the means of enforcement, it being understood that an increase in the amount of Indebtedness being subject to the terms of the Intercreditor Agreements, including any Additional Intercreditor Agreement shall not be deemed to be less favorable to the Holders and shall be permitted by this Section 4.13(a) if the incurrence of such Indebtedness and any Lien in its favor is permitted Section 4.06 and Section 4.07; *provided* that (x) any such Additional Intercreditor Agreement that is entered into with the holders of Indebtedness intended to be secured by Collateral on a junior basis to the Notes may include different terms to the extent customary for a junior intercreditor arrangement of that type, (y) any such Additional Intercreditor Agreement that is entered into with the holders of Indebtedness intended to be secured by Collateral on a senior basis to the Notes may include different terms to the extent

customary for a senior intercreditor arrangement of that type and (z) such Additional Intercreditor Agreement shall not impose any personal obligations on the Trustee or the Security Agent or, in the opinion of the Trustee or the Security Agent, adversely affect the rights, duties, liabilities or immunities of the Trustee or the Security Agent under this Indenture or the Intercreditor Agreements. As used herein, the term “Intercreditor Agreements” shall include references to any Additional Intercreditor Agreement that supplements or replaces either Intercreditor Agreement.

(b) The Trustee and Security Agent shall be required to enter into any customary intercreditor agreement with respect to the establishment of junior-priority Liens securing such Junior Obligations upon receipt of an Officer’s Certificate to the effect that such customary intercreditor agreement is in customary form for an intercreditor agreement governing the relationship between Pari Passu Obligations and Junior Obligations. Such customary intercreditor agreement will set forth the relative rights in respect of the Collateral between holders of the Pari Passu Obligations, on the one hand, and holders of such Junior Obligations, on the other hand, and will provide that the Security Agent will, subject to very limited circumstances, have the exclusive right to exercise rights and remedies with respect to the Collateral. Furthermore, such intercreditor agreement will set forth the priorities relative to the Collateral, and the application from the proceeds thereof, first to the Pari Passu Obligations, then to such Junior Obligations.

(c) The Trustee and Security Agent shall be required to enter into any customary intercreditor agreement with respect to the establishment of senior-priority liens securing such Senior-Priority Obligations upon receipt of an Officer’s Certificate to the effect that such customary intercreditor agreement is in customary form for an intercreditor agreement governing the relationship between Pari Passu Obligations and Senior-Priority Obligations. Such customary intercreditor agreement will set forth the relative rights in respect of the Collateral between holders of the Pari Passu Obligations, on the one hand, and holders of such Senior-Priority Obligations, on the other hand, and will provide that the applicable representative of such Senior-Priority Obligations will, subject to very limited circumstances, have the exclusive right to exercise rights and remedies with respect to the Collateral prior to the Discharge of such Senior-Priority Obligations. Furthermore, such intercreditor agreement will set forth the priorities relative to the Collateral, and the application from the proceeds thereof, first to such Senior-Priority Obligations, then to the Pari Passu Obligations.

(d) Each Holder, by accepting such Note, shall be deemed to have:

(i) appointed and authorized the Trustee and the Security Agent from time to time to give effect to such provisions;

(ii) authorized each of the Trustee and the Security Agent from time to time to become a party to any additional intercreditor arrangements described above;

(iii) agreed to be bound by such provisions and the provisions of any additional intercreditor arrangements described above; and

(iv) irrevocably appointed the Trustee and the Security Agent to act on its behalf from time to time to enter into and comply with such provisions and the provisions of any additional intercreditor arrangements described above, in each case, without the need for the consent of any Holder of the Notes.

SECTION 4.14 Note Guarantees and Security Interests.

Subject to the Agreed Security Principles, the Issuer shall, and shall cause each Guarantor to, (i) complete all filings and other similar actions required in connection with the creation and perfection of the security interests in the Collateral owned by it in favor of the Holders, the Trustee (on its own behalf and on behalf of the Holders) and/or the Security Agent (on behalf of itself, the Trustee and the Holders), as applicable, as and to the extent contemplated by the Security Documents set forth on Schedule II attached hereto within the time periods set forth therein and deliver, and cause each Guarantor to deliver, such other agreements, instruments, certificates and opinions of counsel that may be reasonably requested by the Security Agent in connection therewith and (ii) take all actions necessary to maintain such security interests. For the avoidance of doubt, a Paying Agent shall be held harmless by the Company and have no liability with respect to payments or disbursements to be made by such Paying Agent for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Indenture.

SECTION 4.15 Limitation on Issuance of Guarantees of Indebtedness.

(a) Subject to the Agreed Security Principles and the Intercreditor Agreements, the Company will not permit any of its Restricted Subsidiaries (other than Immaterial Subsidiaries) that is not a Guarantor to Guarantee, directly or indirectly, the payment of any obligations of the Issuer or a Guarantor under a Credit Facility, the Convertible Notes, the Existing Revolving Facility, the 2023 Secured Notes, the Existing Term Loan Facility or any other Indebtedness of the Issuer or a Guarantor having an aggregate outstanding principal amount in excess of \$300.0 million unless such Restricted Subsidiary simultaneously executes and delivers a Supplemental Indenture providing for the Note Guarantee of the payment of the Notes by such Restricted Subsidiary which Note Guarantee will be senior to or *pari passu* in right of payment with such Restricted Subsidiary's Guarantee of such other Indebtedness and with respect to any Guarantee of Indebtedness that is expressly contractually subordinated in right of payment to the Notes or to any Note Guarantee by such Restricted Subsidiary, any such Guarantee will be subordinated to such Restricted Subsidiary's Note Guarantee at least to the same extent as such subordinated Indebtedness is subordinated to the Notes.

Following the provision of any additional Note Guarantees as described in the immediately preceding paragraph, subject to the Agreed Security Principles and the Intercreditor Agreements (if such security is being granted in respect of the other Indebtedness), any such Guarantor shall provide security over its material assets that are of the same type as any of the Issuer's or the Guarantors' assets that are required to be a part of the Collateral (excluding any assets of such Guarantor which are subject to a Permitted Lien at the time of the execution of such Supplemental Indenture (to the extent that such Permitted Lien was not created, incurred or assumed in contemplation thereof) if providing such security interest would not be permitted by

the terms of such Permitted Lien or by the terms of any obligations secured by such Permitted Lien) to secure its Note Guarantee on a second-priority basis as a Pari Passu Obligation, subject to the Intercreditor Agreements.

This paragraph (a) will not be applicable to any Guarantees of any Restricted Subsidiary:

- (i) existing on the Issue Date;
- (ii) that existed at the time such Person became a Restricted Subsidiary if the Guarantee was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary; or
- (iii) arising solely due to granting of a Permitted Lien that would not otherwise constitute a Guarantee of Indebtedness of the Issuer or any Guarantor.

(b) Notwithstanding the foregoing, the Company shall not be obligated to cause such Restricted Subsidiary to guarantee the Notes or provide security to the extent that such Note Guarantee or the grant of such security by such Restricted Subsidiary would be inconsistent with the Intercreditor Agreements or the Agreed Security Principles or would reasonably be expected to give rise to or result in (x) any liability for the officers, directors or shareholders of such Restricted Subsidiary, (y) any violation of applicable law that cannot be prevented or otherwise avoided through measures reasonably available to the Company or the Restricted Subsidiary or (z) any significant cost, expense, liability or obligation (including with respect to any Taxes) other than reasonable out-of-pocket expenses and other than reasonable expenses incurred in connection with any governmental or regulatory filings required as a result of, or any measures pursuant to clause (y) undertaken in connection with, such Note Guarantee which cannot be avoided through measures reasonably available to the Company or the Restricted Subsidiary.

#### SECTION 4.16 Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries.

(a) Each Parent Company shall not, and shall not cause or permit any of its respective Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

- (i) pay dividends or make any other distributions on its Capital Stock to its Parent Company or any Restricted Subsidiary, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the relevant Parent Company or any Restricted Subsidiary;
- (ii) make loans or advances to its Parent Company or any Restricted Subsidiary; or

(iii) sell, lease or transfer any of its properties or assets to its Parent Company or any Restricted Subsidiary;

*provided* that (x) the priority of any preferred stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock, (y) the subordination of (including the application of any standstill period to) loans or advances made to the relevant Parent Company or any Restricted Subsidiary to other Indebtedness incurred by the relevant Parent Company or any Restricted Subsidiary and (z) the provisions contained in documentation governing or relating to Indebtedness requiring transactions between or among the relevant Parent Company and any Restricted Subsidiary or between or among any Restricted Subsidiaries to be on fair and reasonable terms or on an arm's-length basis, in each case, shall not be deemed to constitute such an encumbrance or restriction.

(b) The provisions of Section 4.16(a) above shall not apply to encumbrances or restrictions existing under or by reason of:

(i) agreements or instruments governing or relating to Indebtedness as in effect on the Issue Date (including pursuant to the Convertible Notes, the EIB Facility, the Existing Secured Notes and the Existing Term Loan Facility and the related documentation) and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that the amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings are not materially less favorable, taken as a whole, to the Holders with respect to such dividend and other payment restrictions than those contained in those agreements or instruments on the Issue Date (as determined in good faith by the Issuer);

(ii) the Note Documents;

(iii) agreements or instruments governing other Indebtedness permitted to be incurred under Section 4.06 and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that the Company determines at the time of the incurrence of such Indebtedness that such encumbrances or restrictions will not adversely effect, in any material respect, the Issuer's ability to make principal or interest payments on the Notes;

(iv) applicable law, rule, regulation or order or the terms of any license, authorization, concession or permit;

(v) any agreement or instrument governing or relating to Indebtedness or Capital Stock of a Person acquired by the relevant Parent Company or any of its Restricted Subsidiaries as in effect at the time of such acquisition (other than any agreement or instrument entered into in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the

Person, so acquired; *provided* that, in the case of Indebtedness, such Indebtedness was permitted by the terms of this Indenture to be incurred;

(vi) customary non-assignment and similar provisions in contracts, leases and licenses entered into in the ordinary course of business;

(vii) purchase money obligations for property acquired in the ordinary course of business and Capital Lease Obligations that impose restrictions on the property purchased or leased of the nature set forth in Section 4.16(a) (iii) or any encumbrance or restriction pursuant to a joint venture agreement that imposes restrictions on the transfer of the assets of the joint venture;

(viii) any agreement for the sale or other disposition of the Capital Stock or all or substantially all of the property and assets of a Restricted Subsidiary that restricts distributions by that Restricted Subsidiary pending its sale or other disposition;

(ix) Permitted Refinancing Indebtedness; *provided* that either (i) the restrictions contained in the agreements or instruments governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements or instruments governing the Indebtedness being refinanced or (ii) the Company determines at the time of the incurrence of such Indebtedness that such encumbrances or restrictions will not adversely effect, in any material respect, the Issuer's ability to make principal or interest payments on the Notes;

(x) Liens permitted to be incurred under Section 4.07 that limit the right of the debtor to dispose of the assets subject to such Liens;

(xi) provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements (including agreements entered into in connection with a Restricted Investment) entered into with the approval of the Issuer's Board of Directors, which limitation is applicable only to the assets that are the subject of such agreements;

(xii) restrictions on cash or other deposits or net worth imposed by customers or suppliers or required by insurance, surety or bonding companies, in each case, under contracts entered into in the ordinary course of business;

(xiii) any customary Productive Asset Leases for Vessels and other assets used in the ordinary course of business; *provided* that such encumbrance or restriction only extends to the Vessel or other asset financed in such Productive Asset Lease;

(xiv) any encumbrance or restriction existing with respect to any Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary that is designated as a Restricted Subsidiary in accordance with the terms of this Indenture at the time of such designation and not incurred in contemplation of such designation, which

encumbrances or restrictions are not applicable to any Person other than such Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary; *provided* that the encumbrances or restrictions are customary for the business of such Unrestricted Subsidiary and would not, at the time agreed to, be expected to affect the ability of the Issuer and the Guarantors to make payments under the Notes and this Indenture;

(xv) customary encumbrances or restrictions contained in agreements in connection with Hedging Obligations permitted under this Indenture;

(xvi) the agreements, constituent documents, guarantees, deeds and other instruments governing the “dual listed company” structure of the Company; and

(xvii) any encumbrance or restriction existing under any agreement that extends, renews, refinances, replaces, amends, modifies, restates or supplements the agreements containing the encumbrances or restrictions in the foregoing clauses (i) through (xvi), or in this clause (xvii); *provided* that the terms and conditions of any such encumbrances or restrictions are no more restrictive in any material respect than those under or pursuant to the agreement so extended, renewed, refinanced, replaced, amended, modified, restated or supplemented.

#### SECTION 4.17 Designation of Restricted and Unrestricted Subsidiaries.

(a) The Board of Directors of the Issuer may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default.

(b) If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.08 or under one or more clauses of the definition of “Permitted Investments,” as determined by the Issuer. The designation of a Restricted Subsidiary as an Unrestricted Subsidiary will only be permitted if the deemed Investment resulting from such designation would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

(c) The Issuer may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause a Default.

(d) Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a copy of a resolution of the Board of Directors giving effect to such designation and an Officer’s Certificate certifying that such designation complied with the preceding conditions and was permitted by Section 4.08. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a

Restricted Subsidiary as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 4.06, the Issuer will be in default of such Section 4.06. The Board of Directors of the Issuer may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (i) such Indebtedness is permitted under Section 4.06, calculated on a *pro forma* basis as if such designation had occurred at the beginning of the applicable reference period; and (ii) no Default or Event of Default would be in existence following such designation.

SECTION 4.18 Payment of Taxes and Other Claims. The Company shall pay or discharge and shall cause each of its Subsidiaries to pay or discharge, or cause to be paid or discharged, before the same shall become delinquent (a) all material taxes, assessments and governmental charges levied or imposed upon (i) the Company or any such Subsidiary, (ii) the income or profits of any such Subsidiary which is a corporation or (iii) the property of the Company or any such Subsidiary and (b) all material lawful claims for labor, materials and supplies that, if unpaid, might by law become a lien upon the property of the Company or any such Subsidiary; *provided* that the Company shall not be required to pay or discharge, or cause to be paid or discharged, any such tax, assessment, charge or claim, the amount, applicability or validity of which is being contested in good faith by appropriate proceedings or for which adequate reserves have been established.

SECTION 4.19 Reports to Holders.

(a) So long as any Notes are outstanding, notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to the rules and regulations promulgated by the SEC, the Company will file with the SEC within the time periods specified in the SEC's rules and regulations that are then applicable to the Company (or if the Company is not then subject to the reporting requirements of the Exchange Act, then the time periods for filing applicable to a filer that is not an "accelerated filer" as defined in such rules and regulations) (in either case, including any extension as would be permitted by Rule 12b-25 under the Exchange Act or any special order of the SEC):

(1) all financial information that would be required to be contained in an annual report on Form 10-K, or any successor or comparable form, filed with the SEC, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" section and a report on the annual financial statements by the Company's independent registered public accounting firm;

(2) all financial information that would be required to be contained in a quarterly report on Form 10-Q, or any successor or comparable form, filed with the SEC, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" section; and

(3) all current reports that would be required to be filed with the SEC on Form 8-K, or any successor or comparable form, if the Company were required to file such reports,

in each case in a manner that complies in all material respects with the requirements specified in such form *provided, however*, that the Trustee shall have no responsibility whatsoever to determine if such filing has occurred.

(b) The requirements set forth in the preceding paragraph may be satisfied by delivering such information to the Trustee and posting copies of such information on a website or on IntraLinks or any comparable online data system or website.

(c) Not later than ten Business Days after the furnishing of each such report discussed in Section 4.19(a)(1) or (2), the Company will hold a conference call related to the report. Details regarding access to such conference call will be posted at least 24 hours prior to the commencement of such call on the website, IntraLinks or other online data system or website on which the report is posted.

(d) The reports set forth in Section 4.19(a)(1) or (2) shall include disclosure with respect to (1) the Collateral and (2) with respect to the non-Guarantor Subsidiaries and Collateral similar to what was included in this Offering Memorandum.

(e) The Issuer will make the information described in Section 4.19(a) available electronically to prospective investors upon request. For so long as any Notes remain outstanding during any period when it is not or the Company is not subject to Section 13 or 15(d) of the Exchange Act, or otherwise permitted to furnish the SEC with certain information pursuant to Rule 12g3-2(b) of the Exchange Act, it will furnish to the holders of the Notes and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the U.S. Securities Act.

(f) Notwithstanding the foregoing clauses (a) through (e) of this Section 4.19, the Issuer will be deemed to have delivered such reports and information referred to above to the holders, prospective investors, market makers, securities analysts and the Trustee for all purposes of this Indenture if the Issuer or the Company has filed such reports with the SEC via the EDGAR filing system (or any successor system) and such reports are publicly available.

(g) Delivery of reports, information and documents to the Trustee is for informational purposes only, and its receipt of such reports, information and documents shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's, any Guarantors' or any other Person's compliance with any of its covenants under this Indenture or the Notes (as to which the Trustee is entitled to rely exclusively on the Officer's Certificates delivered pursuant to this Indenture). The Trustee shall have no liability or responsibility for the content, filing or timeliness of any report delivered or filed under or in connection with this Indenture or the transactions contemplated thereunder.

SECTION 4.20 Further Assurances. Subject to the Agreed Security Principles and the Intercreditor Agreements, the Company and its Restricted Subsidiaries will, at their own expense, execute and do all such acts and things and provide such assurances as the Security Agent may reasonably require (i) for registering any of the Security Documents in any required register and for granting, perfecting, preserving or protecting the security intended to be afforded by such Security Documents and (ii) if such Security Documents have become enforceable, for facilitating the realization of all or any part of the assets which are subject to such Security Documents and for facilitating the exercise of all powers, authorities and discretions vested in the Security Agent or in any receiver of all or any part of those assets. Subject to the Agreed Security Principles and the Intercreditor Agreements, the Company and its Restricted Subsidiaries will execute all transfers, conveyances, assignments and releases of that property whether to the Security Agent or to its nominees and give all notices, orders and directions which the Security Agent may reasonably request.

SECTION 4.21 Use of Proceeds. The Issuer shall not, directly or indirectly, place, invest or give economic use to the proceeds from the Notes in the Republic of Panama.

SECTION 4.22 Impairment of Security Interest. The Company shall not, and shall not permit any Restricted Subsidiary to, take or omit to take any action, which action or omission would have the result of materially impairing the security interest with respect to the Collateral (it being understood that (i) the incurrence of Permitted Collateral Liens and (ii) the release or modification of the Liens on the Collateral in accordance with the terms of the Note Documents, in each case of clauses (i) and (ii), shall under no circumstances be deemed to materially impair the security interest with respect to the Collateral) for the benefit of the Trustee and the holders of the Notes, and the Company shall not, and shall not permit any Restricted Subsidiary to, grant to any Person other than the Security Agent, for the benefit of the Trustee and the holders of the Notes and the other beneficiaries described in the Security Documents and the Intercreditor Agreements, any Lien over any of the Collateral that is prohibited by Section 4.07; *provided* that the Company and its Restricted Subsidiaries may incur any Lien over any of the Collateral that is not prohibited by Section 4.07, including Permitted Collateral Liens, and the Collateral may be discharged or released in accordance with this Indenture, the applicable Security Documents or the Intercreditor Agreements.

Subject to the foregoing, the Security Documents may be amended, extended, renewed, restated or otherwise modified or released to (i) cure any ambiguity, omission, defect or inconsistency therein; (ii) provide for Permitted Collateral Liens; (iii) add to the Collateral; or (iv) make any other change thereto that does not adversely affect the holders of the Notes in any material respect; *provided, however*, that (except where permitted by this Indenture or the Intercreditor Agreements or to effect or facilitate the creation of Permitted Collateral Liens for the benefit of the Security Agent and holders of other Indebtedness incurred in accordance with this Indenture) no Security Document may be amended, extended, renewed, restated or otherwise modified or released, unless contemporaneously with such amendment, extension, renewal, restatement or modification or release (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets), the Issuer delivers to the Security Agent and the Trustee, either (1) a solvency opinion, in form and substance reasonably satisfactory to the

Security Agent and the Trustee, from an accounting, appraisal or investment banking firm of international standing which confirms the solvency of the Company and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, modification or release, (2) a certificate from an Officer of the relevant Person which confirms the solvency of the Person granting such Lien after giving effect to any transactions related to such amendment, extension, renewal, restatement, modification or release (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets) or (3) an Opinion of Counsel (subject to any qualifications customary for this type of opinion of counsel), in form and substance reasonably satisfactory to the Trustee, confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, modification or release (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets), the Lien or Liens created under the Security Document, so amended, extended, renewed, restated, modified or released and retaken, are valid and perfected Liens not otherwise subject to any limitation, imperfection or new hardening period, in equity or at law, that such Lien or Liens were not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, modification or release and retake and to which the new Indebtedness secured by the Permitted Collateral Lien is not subject. In the event that the Company and its Restricted Subsidiaries comply with the requirements of this Section 4.22, the Trustee and the Security Agent shall (subject to customary protections and indemnifications) consent to such amendments without the need for instructions from the Holders of the Notes.

SECTION 4.23 After-Acquired Property. Promptly following the acquisition by the Issuer or any Guarantor of any After-Acquired Property (but subject to the Agreed Security Principles and the Intercreditor Agreements and Article Eleven), the Issuer or such Guarantor shall execute and deliver such mortgages, deeds of trust, security instruments, financing statements and certificates and opinions of counsel as shall be reasonably necessary to vest in the Security Agent a perfected security interest in such After-Acquired Property and to have such After-Acquired Property added to the Collateral and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such After-Acquired Property to the same extent and with the same force and effect.

SECTION 4.24 Re-flagging of Vessels. Notwithstanding anything to the contrary in this Indenture, a Restricted Subsidiary may reconstitute itself in another jurisdiction, or merge with or into another Restricted Subsidiary, for the purpose of re-flagging a vessel that it owns or bareboat charters so long as at all times each Restricted Subsidiary remains organized under the laws of any country recognized by the United States of America with an investment grade credit rating from either S&P or Moody's or any Permitted Jurisdiction; *provided* that contemporaneously with the transactions required to complete the re-flagging of such vessel, to the extent that any Liens on the Collateral securing the Notes were released as provided for under Section 11.04, (x) the Company or the relevant Restricted Subsidiary grants a Lien of at least equivalent ranking over the same assets and (y) the Issuer delivers to the Security Agent and the Trustee, either (1) a solvency opinion, in form and substance reasonably satisfactory to the Security Agent and the Trustee, from an independent financial advisor or appraiser or investment bank which confirms the solvency of the Company and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such re-flagging, (2) a certificate from an Officer of

the relevant Person which confirms the solvency of the Person granting such Lien after giving effect to any transactions related to such re-flagging, or (3) an Opinion of Counsel (subject to any qualifications customary for this type of opinion of counsel), in form and substance reasonably satisfactory to the Trustee, confirming that, after giving effect to any transactions related to such re-flagging, the Lien or Liens created under the Security Document, as released and retaken are valid and perfected Liens. For the avoidance of doubt, the provisions of Article Five will not apply to a reconstitution or merger permitted under this Section 4.24.

SECTION 4.25 Automatic Reduction of New Secured Debt Secured by the Collateral. The Issuer and Guarantors agree and will cause their Restricted Subsidiaries to agree, that:

(a) if any Indebtedness (other than Indebtedness incurred under Section 4.06(b)(1)(ii), (1)(iv), (3) or (6) (solely in respect of Indebtedness incurred under such Section 4.06(b)(1)(ii), (1)(iv) or (3)) is secured by a Lien on the Collateral after the Issue Date (“New Secured Debt”); and

(b) if (i) there are TTA Test Debt Agreements outstanding; and (ii) at any time the Issuer’s (or if the Issuer is not rated, Carnival plc’s) long term senior indebtedness credit rating by S&P is below BBB- and by Moody’s is below Baa3; and (iii) at such time the Company and its Subsidiaries have ECA Security Interests in respect of ECA Covered Indebtedness that would otherwise exceed 25% of ECA Total Tangible Assets at such time (subclauses (i), (ii) and (iii), collectively, a “Reduction Event”); then

(c) the principal amount of such New Secured Debt that is secured by Liens on the Collateral shall (without any further action on the part of the Trustee, the Security Agent or any other party) automatically be reduced (i) on a pro rata basis among the various tranches of New Secured Debt and Other Secured Debt, (ii) in such other manner as may be specified in the documents governing the various tranches of New Secured Debt and Other Secured Debt or (iii) in such other manner as may be specified in an Officer’s Certificate delivered by the Issuer to the Security Agent and the Trustee not less than five Business Days prior to the date of the applicable Reduction Event, in each case of subclause (i), (ii) and (iii) as applicable, such that, after giving effect to such reductions and the reductions under Section 4.26, the Company and their respective Subsidiaries no longer would have ECA Security Interests in respect of ECA Covered Indebtedness that exceed 25% of ECA Total Tangible Assets.

(d) If any such automatic reduction occurs with respect to any New Secured Debt under clause (c) above, and at a later date the Issuer determines that some or all of the then-unsecured amount of such New Secured Debt can be secured by a Lien on the Collateral without at such time causing a reduction in the secured principal amount thereof pursuant to clause (c) above, then such principal amount of New Secured Debt the Issuer determines can be so secured will automatically (without any further action on the part of the Trustee, the Security Agent or any other party) become secured by the Collateral, subject to future automatic reductions as provided in clause (c) above. The Issuer shall notify the Trustee and the Security Agent in writing of any such determination in an Officer’s Certificate.

(e) In the event that any New Secured Debt that constitutes Pari Passu Obligations or Junior Obligations is incurred, the agent or representative with respect to such New Secured Debt shall, as a condition to the ability of the Company to issue such New Secured Debt under this Indenture, have entered into the applicable credit or other agreement, indentures or financing agreements whereby the holders (or the agent or representative on behalf of such New Secured Debt) of such New Secured Debt shall agree that if a Reduction Event occurs, the principal amount of such New Secured Debt that is secured by Liens on the Collateral shall (without any further action on the part of the Trustee, the Security Agent or any other party) automatically be reduced prior to any similar reduction of the secured portion of the principal amount of the Notes.

SECTION 4.26 Reduction of Other Secured Debt. The Issuer and Guarantors agree and shall cause their Restricted Subsidiaries to agree, in connection with any ECA Security Interests that are granted on ECA Covered Indebtedness after the Issue Date, that if:

(a) any ECA Covered Indebtedness other than New Secured Debt has been granted an ECA Security Interest in any asset or property of the Company or their respective Subsidiaries after the Issue Date ("Other Secured Debt") and a Reduction Event occurs; then

(b) the Issuer, Guarantors or their Restricted Subsidiaries will cause the principal amount of such Other Secured Debt that is secured by ECA Security Interests to be reduced (i) pro rata with the New Secured Debt, (ii) in such other manner as may be specified in the documents governing the various tranches of New Secured Debt and Other Secured Debt or (iii) as set forth in an Officer's Certificate delivered by the Issuer to the Security Agent and the Trustee not less than five Business Days prior to the date of the applicable Reduction Event, in each case of subclause (i), (ii) or (iii) as applicable, upon the occurrence of the Reduction Event.

(v) the Issuer delivers to the Trustee an Officer's Certificate and Opinion of Counsel, in each case, stating that such consolidation, merger or transfer and, in the case in which a Supplemental Indenture is entered into, such Supplemental Indenture, comply with this Section 5.01 and that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

Clauses (iii) and (iv) of this Section 5.01(a) shall not apply to any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets to or merger or consolidation of the Issuer or Carnival plc (as applicable) with or into a Guarantor and clause (iv) of this Section 5.01(a) will not apply to any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets to or merger or consolidation of the Issuer or Carnival plc (as applicable) with or into an Affiliate solely for the purpose of reincorporating the Issuer or Carnival plc (as applicable) in another jurisdiction for tax reasons.

(b) A Subsidiary Guarantor (other than a Subsidiary Guarantor whose Note Guarantee is to be released in accordance with the terms of the Note Guarantee, this Indenture and the Intercreditor Agreements as provided in Section 10.03) will not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not such Subsidiary Guarantor is the surviving corporation), or (2) sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties or assets of such Subsidiary Guarantor and its Subsidiaries which are Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

(i) immediately after giving effect to that transaction, no Default or Event of Default is continuing;

(ii) either:

(A) the person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger assumes all the obligations of that Subsidiary Guarantor under its Note Guarantee and this Indenture, the Intercreditor Agreements and the Security Documents to which such Subsidiary Guarantor is a party, pursuant to a Supplemental Indenture; or

(B) such sale, assignment, transfer, lease, conveyance or other disposition of assets does not violate the provisions of this Indenture (including Section 4.09); and

(iii) the Issuer delivers to the Trustee an Officer's Certificate and Opinion of Counsel, in each case, stating that such consolidation, merger or transfer and, in the case in which a Supplemental Indenture is entered into, such Supplemental Indenture, comply with this Section 5.01 and that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

(c) Notwithstanding the provisions of paragraph (b) above, (x)(a) any Restricted Subsidiary may consolidate or merge with or into or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties and assets to any Guarantor and (b) any Guarantor may consolidate or merge with or into or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties and assets of such Guarantor and its Subsidiaries which are Restricted Subsidiaries to another Guarantor and (y) any Guarantor may consolidate or merge with or into an Affiliate incorporated or organized for the purpose of changing the legal domicile of such Guarantor, reincorporating such Guarantor in another jurisdiction or changing the legal form of such Guarantor.

## ARTICLE SIX

### DEFAULTS AND REMEDIES

SECTION 6.01 Events of Default.

(a) Each of the following shall be an “Event of Default”:

(i) default for 30 days in the payment when due of interest or Additional Amounts, if any, with respect to the Notes;

(ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes;

(iii) failure by the Issuer or relevant Guarantor to comply with Section 4.09(c), Section 4.11 or Section 5.01;

(iv) failure by the Issuer or relevant Guarantor for 60 days after written notice to the Issuer by the Trustee or the Holders of at least 30% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the agreements in this Indenture (other than a default in performance, or breach, or a covenant or agreement which is specifically dealt with in clause (i), (ii) or (iii) above);

(v) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries), other than Indebtedness owed to the Company or any of its Restricted Subsidiaries, whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, if that default:

(1) is caused by a failure to pay principal of such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default; or

(2) results in the acceleration of such Indebtedness prior to its express maturity,

and, in each case, the principal amount of any such Indebtedness that is due and has not been paid, together with the principal amount of any other such Indebtedness that is due and has not been paid or the maturity of which has been so accelerated, equals or exceeds \$120.0 million in aggregate;

(vi) failure by the Company or any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of \$120.0 million (exclusive of any amounts for which a solvent insurance company has acknowledged liability), which judgments shall not have been discharged or waived and there shall have been a period of 60 consecutive days during which a stay of enforcement of such judgment or order, by reason of an appeal, waiver or otherwise, shall not have been in effect;

(vii) any security interest under the Security Documents on any Collateral having a Fair Market Value in excess of \$300.0 million shall, at any time, cease to be in full force and effect (other than as a result of any action or inaction by the Security Agent and other than in accordance with the terms of the relevant Security Document, the Intercreditor Agreements and this Indenture) for any reason other than the satisfaction in full of all obligations under this Indenture or the release or amendment of any such security interest in accordance with the terms of this Indenture, the Intercreditor Agreements, or such Security Document or any such security interest created thereunder shall be declared invalid or unenforceable in a final non-appealable decision of a court of competent jurisdiction or the Issuer or any Guarantor shall assert in writing that any such security interest is invalid or unenforceable and any such Default continues for ten days;

(viii) except as permitted by this Indenture (including with respect to any limitations), any Note Guarantee of a Significant Subsidiary, or any group of the Company's Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect, or any Guarantor which is a Significant Subsidiary, or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, or any Person acting on behalf of any such Guarantor, denies or disaffirms its obligations under its Note Guarantee and such Default continues for 30 days; or

(ix) (A) a court having jurisdiction over the Company or a Significant Subsidiary enters (x) a decree or order for relief in respect of the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary in an involuntary case or proceeding under any Bankruptcy Law or (y) a decree or order adjudging the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary, or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company or any such Subsidiary or group of Restricted Subsidiaries under any Bankruptcy Law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or any such Subsidiary or group of Restricted Subsidiaries or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days or (B) the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary (i) commences a voluntary case under any Bankruptcy Law or consents to the entry of an order for relief in an involuntary case under any Bankruptcy Law, (ii) consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Company or any such Subsidiary or group of Restricted Subsidiaries or for all or substantially all the property and assets of the Company or any such Subsidiary or group of Restricted

Subsidiaries, (iii) effects any general assignment for the benefit of creditors or (iv) generally is not paying its debts as they become due.

(b) If a Default or an Event of Default occurs and is continuing and is known to a responsible officer of the Trustee, the Trustee shall deliver to each Holder notice of the Default or Event of Default within 15 Business Days after its occurrence by registered or certified mail or facsimile transmission of an Officer's Certificate specifying such event, notice or other action, its status and what action the Issuer is taking or proposes to take with respect thereto. Except in the case of a Default or an Event of Default in payment of principal of, premium, if any, and Additional Amounts or interest on any Notes, the Trustee may withhold the notice to the Holders of such Notes if a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of the Holders. The Trustee shall not be deemed to have knowledge of a Default unless a Trust Officer has actual knowledge of such Default. The Issuer shall also notify the Trustee within 15 Business Days of the occurrence of any Default stating what action, if any, they are taking with respect to that Default.

(c) If any report or conference call required by Section 4.19 is provided after the deadlines indicated for such report or conference call, the later provision of the applicable report or conference call shall cure a Default caused by the failure to provide such report or conference call prior to the deadlines indicated, so long as no Event of Default shall have occurred and be continuing as a result of such failure.

#### SECTION 6.02 Acceleration.

(a) If an Event of Default (other than an Event of Default specified in Section 6.01(a)(ix)) occurs and is continuing, the Trustee may, or the Holders of at least 30% in aggregate principal amount of the then outstanding Notes by written notice to the Issuer (and to the Trustee if such notice is given by the Holders) may and the Trustee shall, if so directed by the Holders of at least 30% in aggregate principal amount of the then outstanding Notes, declare all the Notes to be due and payable immediately. In the event a declaration of acceleration of the Notes pursuant to Section 6.01(a)(v) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(v) shall be remedied or cured, or waived by the Holders of the relevant Indebtedness, or the Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction.

(b) In the case of an Event of Default arising under Section 6.01(a)(ix), with respect to the Company, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice.

(c) The holders of not less than a majority in aggregate principal amount of the Notes outstanding by notice to the Trustee may, on behalf of the holders of all outstanding

Notes, rescind acceleration or waive any existing Default or Event of Default and its consequences under this Indenture, except a continuing Default or Event of Default:

- (i) in the payment of the principal of, premium, if any, any Additional Amounts or interest on any Note held by a non-consenting holder (which may only be waived with the consent of each holder of Notes affected); or
- (ii) for any Note held by a non-consenting holder, in respect of a covenant or provision which under this Indenture cannot be modified or amended without the consent of the Holder of each Note affected by such modification or amendment.

Upon any such rescission or waiver, such Default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose under this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

(d) Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or in its exercise of any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with applicable law or this Indenture, that the Trustee determines may be unduly prejudicial to the rights of other holders of the Notes (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such directions are unduly prejudicial to such Holders) or that may involve the Trustee in personal liability. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except a Default or Event of Default relating to the payment of principal, interest or Additional Amounts or premium, if any.

(e) Subject to the provisions of Article Seven, in case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense. Except (subject to the provisions of Article Nine) to enforce the right to receive payment of principal, premium, if any, or interest or Additional Amounts when due, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

- (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (ii) Holders of at least 30% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;
- (iii) such Holders have offered, and if requested, provide to the Trustee reasonable security or indemnity against any loss, liability or expense;

(iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and

(v) Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

(f) Within 30 days of the occurrence of any Default or Event of Default, the Issuer is required to deliver to the Trustee a statement specifying such Default or Event of Default.

**SECTION 6.03 Other Remedies.** If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy. Subject to the Intercreditor Agreements, the Trustee may direct the Security Agent to take enforcement action with respect to the Collateral if any amount is declared or becomes due and payable pursuant to Section 6.02 (but not otherwise).

All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee, and all rights of action and claims under the Security Documents may be prosecuted or enforced under the Security Documents by the Security Agent (in consultation with the Trustee, where appropriate), without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee or the Security Agent shall be brought in its own name and as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee or the Security Agent, their agents and counsel, be for the ratable benefit of the Holders in respect of which such judgment has been recovered.

**SECTION 6.04 Waiver of Past Defaults.** The Holders of not less than a majority in aggregate principal amount of the outstanding Notes may, by written notice to the Trustee, on behalf of the Holders of all the Notes, waive any past Default hereunder and its consequences, except a Default:

(a) in the payment of the principal of, premium, if any, Additional Amounts, if any, or interest on any Note; or

(b) in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the holders of each Note affected by such modification or amendment.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such

waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

SECTION 6.05 Control by Majority. The Holders of a majority in aggregate principal amount of the Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee under this Indenture; *provided* that:

(a) the Trustee may refuse to follow any direction that conflicts with law, this Indenture or that the Trustee determines, without obligation, in good faith may be unduly prejudicial to the rights of Holders not joining in the giving of such direction;

(b) the Trustee may refuse to follow any direction that the Trustee determines is unduly prejudicial to the rights of other Holders or would involve the Trustee in personal liability; and

(c) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction.

SECTION 6.06 Limitation on Suits. A Holder may not institute any proceedings or pursue any remedy with respect to this Indenture or the Notes unless:

(a) Such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(b) the Holders of at least 30% in aggregate principal amount of outstanding Notes shall have made a written request to the Trustee to pursue such remedy;

(c) such Holder or Holders offer the Trustee indemnity and/or security (including by way of pre-funding) reasonably satisfactory to the Trustee against any costs, liability or expense;

(d) the Trustee does not comply with the request within 30 days after receipt of the request and the offer of indemnity and/or security (including by way of pre-funding); and

(e) during such 30-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

The limitations in the foregoing provisions of this Section 6.06, however, do not apply to a suit instituted by a Holder for the enforcement of the payment of the principal of, premium, if any, Additional Amounts, if any, or interest, if any, on such Note on or after the respective due dates expressed in such Note.

A Holder may not use this Indenture to prejudice the rights of any other Holder or to obtain a preference or priority over another Holder.

SECTION 6.07 Unconditional Right of Holders to Bring Suit for Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to bring suit for the enforcement of payment of principal, premium, if any, Additional Amounts, if any, and interest, if any, on the Notes held by such Holder, on or after the respective due dates expressed in the Notes shall not be impaired or affected without the consent of such Holder.

SECTION 6.08 Collection Suit by Trustee. The Issuer covenants that if default is made in the payment of:

(a) any installment of interest on any Note when such interest becomes due and payable and such default continues for a period of 30 days, or

(b) the principal of (or premium, if any, on) any Note at the Stated Maturity thereof,

the Issuer shall, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holders of such Notes, the whole amount then due and payable on such Notes for principal (and premium, if any), Additional Amounts, if any and interest, and interest on any overdue principal (and premium, if any) and Additional Amounts, if any and, to the extent that payment of such interest shall be legally enforceable, upon any overdue installment of interest, at the rate borne by the Notes, and, in addition thereto, such further amount as shall be sufficient to cover the amounts provided for in Section 7.05 and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer or any other obligor upon the Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer or any other obligor upon the Notes, wherever situated.

SECTION 6.09 Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.05) and the Holders allowed in any judicial proceedings relative to any of the Issuer or Guarantors, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders at their direction in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.05. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and

any other amounts due to the Trustee under Section 7.05 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money securities and other properties which the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing herein contained shall be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

**SECTION 6.10 Application of Money Collected.** If the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money or property in the following order:

FIRST: to the Trustee, any Agent, and the Security Agent for amounts due under Section 7.05;

SECOND: to Holders for amounts due and unpaid on the Notes for principal of, premium, if any, interest, if any, and Additional Amounts, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, interest, if any, and Additional Amounts, if any, respectively; and

THIRD: to the Issuer, any Guarantor or any other obligors of the Notes, as their interests may appear, or as a court of competent jurisdiction may direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 30 days before such record date, the Issuer shall deliver to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid. This Section 6.10 is subject at all times to the provisions set forth in Section 11.02.

Notwithstanding the foregoing, the Security Agent shall apply the proceeds of the Collateral as directed by the Intercreditor Agreements.

**SECTION 6.11 Undertaking for Costs.** A court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee or the Security Agent for any action taken or omitted by it as Trustee or as the Security Agent, the filing by any party litigant in the suit of an undertaking to pay the costs of such suit, and such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee or the Security Agent, a suit by Holders of more than 10% in aggregate principal amount of the outstanding Notes or to any suit by any Holder pursuant to Section 6.07.

SECTION 6.12 Restoration of Rights and Remedies. If the Trustee or the Security Agent or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or the Security Agent or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee, the Security Agent and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee, the Security Agent and the Holders shall continue as though no such proceeding had been instituted.

SECTION 6.13 Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee, or the Security Agent or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.14 Delay or Omission Not Waiver. No delay or omission of the Trustee, or the Security Agent or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article Six or by law to the Trustee, or the Security Agent or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.15 Record Date. The Issuer may set a record date for purposes of determining the identity of Holders entitled to vote or to consent to any action by vote or consent authorized or permitted by Sections 6.04 and 6.05. Unless this Indenture provides otherwise, such record date shall be the later of 30 days prior to the first solicitation of such consent or the date of the most recent list of Holders furnished to the Trustee pursuant to Section 2.05 prior to such solicitation.

SECTION 6.16 Waiver of Stay or Extension Laws. Each Issuer covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Trustee or to the Security Agent, but shall suffer and permit the execution of every such power as though no such law had been enacted.

## ARTICLE SEVEN

### TRUSTEE AND SECURITY AGENT

SECTION 7.01 Duties of Trustee and the Security Agent.

(a) If an Event of Default has occurred and is continuing of which a Trust Officer of the Trustee or the Security Agent has actual knowledge, the Trustee or the Security Agent shall exercise such of the rights and powers vested in it by this Indenture, the Intercreditor Agreements and the Security Documents and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Subject to the provisions of Section 7.01(a), (i) the Trustee and the Security Agent undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, the Intercreditor Agreements and the Security Documents and no others and no implied covenants or obligations shall be read into this Indenture against the Trustee and the Security Agent; and (ii) in the absence of bad faith on its part, the Trustee and the Security Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and the Security Agent and conforming to the requirements of this Indenture, the Intercreditor Agreements and the Security Documents. In the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee or the Security Agent, the Trustee and the Security Agent, as applicable, shall examine same to determine whether they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Security Agent shall execute and deliver, if necessary, and act as beneficiary under, the Security Documents on behalf of the Holders under this Indenture and shall take such other actions as may be necessary or advisable in accordance with the Security Documents. The Security Agent shall remit any proceeds recovered from enforcement of the Security Documents; *provided* that all necessary approvals are obtained from each relevant jurisdiction in which the Collateral is located.

(d) Neither the Trustee nor the Security Agent shall be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee and the Security Agent shall not be liable for any error of judgment made in good faith by a Trust Officer of the Trustee or the Security Agent unless it is proved that the Trustee or the Security Agent was grossly negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02 or 6.05.

(e) The Trustee, any Paying Agent and the Security Agent shall not be liable for interest on any money received by it except as the Trustee, any Paying Agent and the Security Agent may agree in writing with the Issuer or the Subsidiary Guarantors. Money held by the Trustee, the Principal Paying Agent or the Security Agent need not be segregated from other funds except to the extent required by law and, for the avoidance of doubt, shall not be held in accordance with the UK client money rules.

(f) No provision of this Indenture, the Intercreditor Agreements, including any Additional Intercreditor Agreement, or the Security Documents shall require the Trustee, each Agent, the Principal Paying Agent or the Security Agent to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not assured to it.

(g) Any provisions hereof or of the Intercreditor Agreements, including any Additional Intercreditor Agreement or of the Security Documents relating to the conduct or affecting the liability of or affording protection to the Trustee, each Agent, or the Security Agent, as the case may be, shall be subject to the provisions of this Section 7.01.

#### SECTION 7.02 Certain Rights of Trustee and the Security Agent.

(a) Subject to Section 7.01:

(i) following the occurrence of a Default or an Event of Default, the Trustee is entitled to require all Agents to act under its direction;

(ii) the Trustee and the Security Agent may rely conclusively, and shall be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper person;

(iii) before the Trustee or the Security Agent act or refrain from acting, they may require an Officer's Certificate or an Opinion of Counsel or both, which shall conform to Section 12.04. Neither the Trustee nor the Security Agent shall be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion and such certificate or opinion will be equal to complete authorization;

(iv) the Trustee and the Security Agent may act through their attorneys and agents and shall not be responsible for the misconduct or negligence of any attorney or agent appointed with due care by them hereunder;

(v) neither the Trustee nor the Security Agent shall be under any obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders shall have offered to the Trustee and the Security Agent security and/or indemnity (including by way of pre-funding)

satisfactory to them against the costs, expenses and liabilities that might be incurred by them in compliance with such request or direction;

(vi) unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer will be sufficient if signed by an officer of such Issuer;

(vii) neither the Trustee nor the Security Agent shall be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers;

(viii) whenever, in the administration of this Indenture, the Intercreditor Agreements and the Security Documents, the Trustee and the Security Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee and the Security Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;

(ix) neither the Trustee nor the Security Agent shall be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee and the Security Agent, in their discretion, individually, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee or the Security Agent shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer personally or by agent or attorney;

(x) neither the Trustee nor the Security Agent shall be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture;

(xi) in the event the Trustee or the Security Agent receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than a majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee and the Security Agent, in their discretion, may determine what action, if any, will be taken and shall incur no liability for their failure to act until such inconsistency or conflict is, in their reasonable opinion, resolved;

(xii) the permissive rights of the Trustee and the Security Agent to take the actions permitted by this Indenture will not be construed as an obligation or duty to do so;

(xiii) delivery of reports, information and documents to the Trustee under Section 4.19 is for informational purposes only and the Trustee's receipt of the foregoing will not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company's or any of its

Restricted Subsidiary's compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates);

(xiv) the rights, privileges, protections, immunities and benefits given to each of the Trustee and the Security Agent in this Indenture, including, without limitation, its rights to be indemnified and compensated, are extended to, and will be enforceable by, the Trustee and the Security Agent in each of their capacities hereunder, by the Registrar, the Agents, and each agent, custodian and other Person employed to act hereunder;

(xv) the Trustee and the Security Agent may consult with counsel or other professional advisors and the advice of such counsel or professional advisor or any Opinion of Counsel will, subject to Section 7.01(c), be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(xvi) the Trustee and the Security Agent shall have no duty to inquire as to the performance of the covenants of the Company and/or its Restricted Subsidiaries in Article Four hereof;

(xvii) the Trustee and the Security Agent shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes, but may at its sole discretion, choose to do so;

(xviii) in no event shall the Trustee or the Security Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of, or caused by, directly or indirectly, forces beyond its control, including, without limitation, acts of war or terrorism, civil or military disturbances, public health emergencies, nuclear or natural catastrophes or acts of God; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances; and

(xix) neither the Trustee nor the Security Agent shall under any circumstance be liable for any indirect or consequential loss, special or punitive damages (including loss of business, goodwill or reputation, opportunity or profit of any kind) of the Issuer, any Guarantor or any Restricted Subsidiary even if advised of it in advance and even if foreseeable.

(b) The Trustee and the Security Agent may request that the Issuer deliver an Officer's Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may

be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(c) The Security Agent shall accept without investigation, requisition or objection such right and title as the Issuer and any Guarantor may have to any of the Collateral and shall not be bound or concerned to examine or enquire into or be liable for any defect or failure in the right or title of the Issuer or any Guarantor to the Collateral or any part thereof whether such defect or failure was known to the Security Agent or might have been discovered upon examination or enquiry and whether capable of remedy or not and shall have no responsibility for the validity, value or sufficiency of the Collateral.

(d) Without prejudice to the provisions hereof, the Security Agent shall not be under any obligation to insure any of the Collateral or any certificate, note, bond or other evidence in respect thereof, or to require any other person to maintain any such insurance and shall not be responsible for any loss, expense or liability which may be suffered as a result of any assets comprised in the Collateral being uninsured or inadequately insured.

(e) The Security Agent shall not be responsible for any loss, expense or liability occasioned to the Collateral, howsoever caused, by the Security Agent or by any act or omission on the part of any other person (including any bank, broker, depositary, warehouseman or other intermediary or by any clearing system or other operator thereof), or otherwise, unless such loss is occasioned by the willful misconduct or fraud of the Security Agent.

(f) Beyond the exercise of reasonable care in the custody thereof, the Security Agent shall have no duty or liability as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Security Agent shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. The Security Agent shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords its own property and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Security Agent in good faith.

(g) Neither the Trustee nor the Security Agent is required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture or the Notes.

(h) Neither the Trustee nor the Security Agent will be liable to any person if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control.

(i) No provision of this Indenture shall require the Trustee or the Security Agent to do anything which, in its opinion, may be illegal or contrary to applicable law or regulation.

(j) The Trustee and the Security Agent may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion, based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable, the State of New York and may without liability (other than in respect of actions constituting willful misconduct or gross negligence) do anything which is, in its opinion, necessary to comply with any such law, directive or regulation.

(k) Both the Trustee and the Security Agent may assume without inquiry in the absence of actual knowledge that the Issuer is duly complying with its obligations contained in this Indenture required to be performed and observed by it, and that no Default or Event of Default or other event which would require repayment of the Notes has occurred.

(l) At any time that the security granted pursuant to the Security Documents has become enforceable and the Holders have given a direction to the Trustee to enforce such security, the Trustee is not required to give any direction to the Security Agent with respect thereto unless it has been indemnified and/or secured to its satisfaction in accordance with this Indenture. In any event, in connection with any enforcement of such security, the Trustee is not responsible for:

(i) any failure of the Security Agent to enforce such security within a reasonable time or at all;

(ii) any failure of the Security Agent to pay over the proceeds of enforcement of the security;

(iii) any failure of the Security Agent to realize such security for the best price obtainable;

(iv) monitoring the activities of the Security Agent in relation to such enforcement;

(v) taking any enforcement action itself in relation to such security;

(vi) agreeing to any proposed course of action by the Security Agent which could result in the Trustee incurring any liability for its own account; or

(vii) paying any fees, costs or expenses of the Security Agent.

(m) In addition to the foregoing, the Trustee and the Security Agent agree to accept and act upon notice, instructions or directions pursuant to this Indenture sent by unsecured e-mail, pdf, facsimile transmission or other similar unsecured electronic methods, *provided* that any communication sent to the Trustee or the Security Agent, as applicable, hereunder must be in the form of a document that is signed manually or by way of a digital signature provided by

DocuSign (or such other digital signature provider as specified in writing to Trustee by the authorized representative). If the party elects to give the Trustee or the Security Agent, as applicable, e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee or the Security Agent, as applicable, in its discretion elects to act upon such instructions, the Trustee's or the Security Agent's, as applicable, understanding of such instructions shall be deemed controlling. The Trustee and the Security Agent, as applicable, shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's or the Security Agent's, as applicable, reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The party providing electronic instructions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee or the Security Agent, as applicable, including without limitation the risk of the Trustee or the Security Agent, as applicable, acting on unauthorized instructions, and the risk of interception and misuse by third parties.

**SECTION 7.03 Individual Rights of Trustee and the Security Agent.** The Trustee, the Security Agent, any Transfer Agent, any Paying Agent, any Registrar or any other agent of the Issuer or of the Trustee or Security Agent, in its individual or any other capacity, may become the owner or pledgee of Notes and, may otherwise deal with the Issuer with the same rights it would have if it were not Trustee, the Security Agent, Paying Agent, Transfer Agent, Registrar or such other agent. The Trustee and the Security Agent may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with the Issuer or any of its Affiliates or Subsidiaries as if it were not performing the duties specified herein, in the Intercreditor Agreements and in the Security Documents, and may accept fees and other consideration from the Issuer for services in connection with this Indenture and otherwise without having to account for the same to the Trustee, the Security Agent or to the Holders from time to time.

**SECTION 7.04 Disclaimer of Trustee and Security Agent.** The recitals contained herein and in the Notes, except for the Trustee's certificates of authentication, shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for their correctness. The Trustee and the Security Agent make no representations as to the validity or sufficiency of this Indenture, the Intercreditor Agreements, the Notes or the Security Documents. The Trustee and the Security Agent shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture nor shall it be responsible for the use or application of any money received by any Paying Agent other than the Trustee and the Security Agent and they will not be responsible for any statement or recital herein or any statement on the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture or the Intercreditor Agreements other than the Trustee's certificate of authentication. The Security Agent shall not, nor shall any receiver appointed by or any agent of the Security Agent, by reason of taking possession of any Collateral or any part thereof or any other reason or on any basis whatsoever, be liable to account for anything except actual receipts or be liable for any loss or damage arising from a realization of the Collateral or any part thereof or from any act, default or omission in relation to the Collateral or any part thereof or from any exercise or non-exercise by it of any power, authority or

discretion conferred upon it in relation to the Collateral or any part thereof unless such loss or damage shall be caused by its own fraud or gross negligence. The Security Agent shall not have any responsibility or liability arising from the fact that the Collateral may be held in safe custody by a custodian. The Security Agent assumes no responsibility for the validity, sufficiency or enforceability (which the Security Agent has not investigated) of the Collateral purported to be created by any Supplemental Indenture or other document. In addition, the Security Agent has no duty to monitor the performance by the Issuer and the Guarantors of their obligations to the Security Agent nor is it obliged (unless indemnified and/or secured (including by way of prefunding to its satisfaction) to take any other action which may involve the Security Agent in any personal liability or expense).

SECTION 7.05 Compensation and Indemnity. The Issuer and the Guarantors, jointly and severally, shall pay to the Trustee and the Security Agent such compensation as shall be agreed in writing for their services hereunder. The Trustee's and the Security Agent's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer and the Guarantors, jointly and severally, shall reimburse the Trustee and the Security Agent promptly upon request for all properly incurred disbursements, advances or expenses incurred or made by them, including costs of collection, in addition to the compensation for their services. Such expenses shall include the properly incurred compensation, disbursements, charges, advances and expenses of the Trustee's and the Security Agent's agents and counsel.

The Issuer and the Guarantors, jointly and severally, shall indemnify the Trustee and the Security Agent against any and all loss, liability or expense (including attorneys' fees and expenses) incurred by either of them without willful misconduct or gross negligence on their part arising out of or in connection with the administration of this trust and the performance of their duties hereunder (including the costs and expenses of enforcing this Indenture, the Intercreditor Agreements and the Security Documents against the Issuer and the Guarantors (including this Section 7.05) and defending themselves against any claim, whether asserted by the Issuer, the Guarantors, any Holder or any other Person, or liability in connection with the execution and performance of any of their powers and duties hereunder). The Trustee and the Security Agent shall notify the Issuer promptly of any claim for which they may seek indemnity. Failure by the Trustee or the Security Agent to so notify the Issuer shall not relieve the Issuer or any Guarantor of its obligations hereunder. The Issuer shall, at the sole discretion of the Trustee or Security Agent, as applicable, defend the claim and the Trustee and the Security Agent may cooperate and may participate at the Issuer's expense in such defense. Alternatively, the Trustee and the Security Agent may at their option have separate counsel of their own choosing and the Issuer shall pay the properly incurred fees and expenses of such counsel. The Issuer need not pay for any settlement made without its consent, which consent may not be unreasonably withheld. The Issuer shall not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or gross negligence.

To secure the Issuer's payment obligations in this Section 7.05, the Trustee and the Security Agent shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, in their capacity as Trustee and the Security Agent, except money or property, including any proceeds from the sale of Collateral, held in trust to pay principal of, premium, if

any, additional amounts, if any, and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of all Notes under this Indenture.

When either the Trustee or the Security Agent incur expenses after the occurrence of a Default specified in Section 6.01(a)(ix) with respect to the Issuer, the Guarantors, or any Restricted Subsidiary, the expenses are intended to constitute expenses of administration under Bankruptcy Law.

The Issuer's obligations under this Section 7.05 and any claim or Lien arising hereunder shall survive the resignation or removal of any Trustee and the Security Agent, the satisfaction and discharge of the Issuer's obligations pursuant to Article Eight and any rejection or termination under any Bankruptcy Law, and the termination of this Indenture.

**SECTION 7.06 Replacement of Trustee or Security Agent.** A resignation or removal of the Trustee and the Security Agent and appointment of a successor Trustee and successor Security Agent shall become effective only upon the successor Trustee's and the successor Security Agent's acceptance of appointment as provided in this Section 7.06.

The Trustee and, subject to the appointment and acceptance of a successor Security Agent as provided in this Section and the last paragraph of this Section 7.06, the Security Agent may resign at any time without giving any reason by so notifying the Issuer. The Holders of a majority in outstanding principal amount of the outstanding Notes may remove the Trustee and the Security Agent by so notifying the Trustee, the Security Agent and the Issuer. The Issuer shall remove the Trustee or the Security Agent if:

- (a) the Trustee or the Security Agent fails to comply with Section 7.09;
- (b) the Trustee or the Security Agent is adjudged bankrupt or insolvent;
- (c) a receiver or other public officer takes charge of the Trustee or the Security Agent or their property; or
- (d) the Trustee or the Security Agent otherwise becomes incapable of acting.

If the Trustee or the Security Agent resigns or is removed, or if a vacancy exists in the office of Trustee or the Security Agent for any reason, the Issuer shall promptly appoint a successor Trustee or a successor Security Agent, as the case may be. Within one year after the successor Trustee or Security Agent takes office, the Holders of a majority in principal amount of the outstanding Notes may appoint a successor Trustee or Security Agent to replace the successor Trustee or Security Agent appointed by the Issuer. If the successor Trustee or Security Agent does not deliver its written acceptance required by the next succeeding paragraph of this Section 7.06 within 30 days after the retiring Trustee or Security Agent resigns or is removed, the retiring Trustee or Security Agent, the Issuer or the Holders of a majority in principal amount of the outstanding Notes may, at the expense of the Issuer, petition any court of competent jurisdiction for the appointment of a successor Trustee or Security Agent.

A successor Trustee or Security Agent shall deliver a written acceptance of its appointment to the retiring Trustee or Security Agent, as the case may be, and to the Issuer. Thereupon the resignation or removal of the retiring Trustee or Security Agent shall become effective, and the successor Trustee or Security Agent shall have all the rights, powers and duties of the Trustee or the Security Agent under this Indenture. The successor Trustee or Security Agent shall deliver a notice of its succession to Holders. The retiring Trustee or Security Agent shall, at the expense of the Issuer, promptly transfer all property held by it as Trustee or Security Agent to the successor Trustee or Security Agent; *provided* that all sums owing to the Trustee or Security Agent hereunder have been paid and subject to the Lien provided for in Section 7.05.

If a successor Trustee or Security Agent does not take office within 60 days after the retiring Trustee or Security Agent resigns or is removed, the retiring Trustee or Security Agent, the Issuer or the Holders of at least 30% in outstanding principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee or Security Agent at the expense of the Issuer. Without prejudice to the right of the Issuer to appoint a successor Trustee or a successor Security Agent in accordance with the provisions of this Indenture, the retiring Trustee or Security Agent may appoint a successor Trustee or Security Agent at any time prior to the date on which a successor Trustee or Security Agent takes office.

If the Trustee or the Security Agent fails to comply with Section 7.09, any Holder who has been a bona fide Holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Trustee or the Security Agent and the appointment of a successor Trustee or Security Agent.

In addition to the foregoing and notwithstanding any provision to the contrary, any resignation, removal or replacement of the Security Agent pursuant to this Section 7.06 shall not be effective until (a) a successor to the Security Agent has agreed to act under the terms of this Indenture and (b) all of the Liens in the Collateral securing the Note Obligations have been transferred to such successor. Any replacement or successor Security Agent shall be a bank with an office in New York, New York or an Affiliate of any such bank. Upon acceptance of its appointment as Security Agent hereunder by a replacement or successor, such replacement or successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Security Agent hereunder, and the retiring Security Agent shall be discharged from its duties and obligations hereunder.

Notwithstanding the replacement of the Trustee or the Security Agent pursuant to this Section 7.06, the Issuer's and the Guarantors' obligations under Section 7.05 shall continue for the benefit of the retiring Trustee or Security Agent.

**SECTION 7.07 Successor Trustee or Security Agent by Merger.** Any corporation into which the Trustee or the Security Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee or the Security Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee or the Security Agent, shall be the successor of the Trustee or the Security Agent hereunder; *provided* such corporation shall be otherwise qualified and eligible under this Article Seven, without the execution or filing of any

paper or any further act on the part of any of the parties hereto. In case any Notes shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes. In case at that time any of the Notes shall not have been authenticated, any successor Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor Trustee. In all such cases such certificates shall have the full force and effect which this Indenture provides for the certificate of authentication of the Trustee shall have; *provided* that the right to adopt the certificate of authentication of any predecessor Trustee or to authenticate Notes in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

SECTION 7.08 Appointment of Security Agent and Supplemental Security Agents. The parties hereto acknowledge and agree, and each Holder by accepting the Notes acknowledges and agrees, that the Issuer hereby appoints U.S. Bank National Association to act as Security Agent hereunder, and U.S. Bank National Association accepts such appointment. Each Holder, by accepting the Notes, authorizes and expressly directs the Trustee and the Security Agent on such Holder's behalf to enter into the Intercreditor Agreements and the Trustee and the Holders acknowledge that the Security Agent will be acting in respect to the Security Documents and the security granted thereunder on the terms outlined therein (which terms in respect of the rights and protections of the Security Agent, in the event of an inconsistency with the terms of this Indenture, will prevail).

(a) The Security Agent may perform any of its duties and exercise any of its rights and powers through one or more sub-agents or co-trustees appointed by it. The Security Agent and any such sub-agent or co-trustee may perform any of its duties and exercise any of its rights and powers through its affiliates. All of the provisions of this Indenture applicable to the Security Agent including, without limitation, its rights to be indemnified, shall apply to and be enforceable by any such sub-agent and affiliates of a Security Agent and any such sub-agent or co-trustee. All references herein to a "Security Agent" shall include any such sub-agent or co-trustee and affiliates of a Security Agent or any such sub-agent or co-trustee.

(b) It is the purpose of this Indenture, the Intercreditor Agreements and the Security Documents that there shall be no violation of any law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. Without limiting paragraph (a) of this Section, it is recognized that in case of litigation under, or enforcement of, this Indenture, any Intercreditor Agreement or any of the Security Documents, or in case the Security Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the Security Documents or take any other action which may be desirable or necessary in connection therewith, the Security Agent is hereby authorized to appoint an additional individual or institution selected by the Security Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, Security Agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein

individually as a “Supplemental Security Agent” and collectively as “Supplemental Security Agents”).

(c) In the event that the Security Agent appoints a Supplemental Security Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Indenture or any of the other Security Documents to be exercised by or vested in or conveyed to such Security Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Security Agent to the extent, and only to the extent, necessary to enable such Supplemental Security Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Security Documents and necessary to the exercise or performance thereof by such Supplemental Security Agent shall run to and be enforceable by either such Security Agent or such Supplemental Security Agent, and (ii) the provisions of this Indenture (and, in particular, this Article Seven) that refer to the Security Agent shall inure to the benefit of such Supplemental Security Agent and all references therein to the Security Agent shall be deemed to be references to a Security Agent and/or such Supplemental Security Agent, as the context may require.

(d) Should any instrument in writing from the Issuer or any other obligor be required by any Supplemental Security Agent so appointed by the Security Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Company shall, or shall cause the Issuer and relevant Guarantor to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Security Agent. In case any Supplemental Security Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Security Agent, to the extent permitted by law, shall vest in and be exercised by the Security Agent until the appointment of a new Supplemental Security Agent.

SECTION 7.09 Eligibility; Disqualification. There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of England and Wales or the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power and which is generally recognized as a corporation which customarily performs such corporate trustee roles and provides such corporate trustee services in transactions similar in nature to the offering of the Notes as described in the Offering Memorandum. Each of the Trustee and the Security Agent shall have a combined capital and surplus of at least \$50,000,000, as set forth in its most recent published annual report of condition.

SECTION 7.10 Appointment of Co-Trustee.

(a) It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture, and in particular in case of the enforcement thereof on Default, or in the case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties,

in trust, as herein granted or take any action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an individual or institution as a separate or co-trustee. The following provisions of this Section 7.10 are adopted to these ends.

(b) In the event that the Trustee appoints an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and Lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate or co-trustee but only to the extent necessary to enable such separate or co-trustee to exercise such powers, rights and remedies, and only to the extent that the Trustee by the laws of any jurisdiction is incapable of exercising such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them.

(c) Should any instrument in writing from the Issuer be required by the separate or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall to the extent permitted by the laws of the State of New York and the jurisdictions of organization of the Issuer, on request, be executed, acknowledged and delivered by the Issuer; *provided* that if an Event of Default shall have occurred and be continuing, if the Issuer do not execute any such instrument within 15 days after request therefor, the Trustee shall be empowered as an attorney-in-fact for the Issuer to execute any such instrument in the Issuer's name and stead. In case any separate or co-trustee or a successor to either shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate or co-trustee.

(d) Each separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) all rights and powers, conferred or imposed upon the Trustee shall be conferred or imposed upon and may be exercised or performed by such separate trustee or co-trustee; and

(ii) no trustee hereunder shall be liable by reason of any act or omission of any other trustee hereunder.

(e) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article Seven.

(f) Any separate trustee or co-trustee may at any time appoint the Trustee as its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any

separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successors trustee.

#### SECTION 7.11 Resignation of Agents.

(a) Any Agent may resign its appointment hereunder at any time without the need to give any reason and without being responsible for any costs associated therewith by giving to the Issuer and the Trustee and (except in the case of resignation of the Principal Paying Agent) the Principal Paying Agent 30 days' written notice to that effect (waivable by the Issuer and the Trustee); *provided* that in the case of resignation of the Principal Paying Agent no such resignation shall take effect until a new Principal Paying Agent (approved in advance in writing by the Trustee) shall have been appointed by the Issuer to exercise the powers and undertake the duties hereby conferred and imposed upon the Principal Paying Agent. Following receipt of a notice of resignation from any Agent, the Issuer shall promptly give notice thereof to the Holders in accordance with Section 12.02. Such notice shall expire at least 30 days before or after any due date for payment in respect of the Notes.

(b) If any Agent gives notice of its resignation in accordance with this Section 7.11 and a replacement Agent is required and by the tenth day before the expiration of such notice such replacement has not been duly appointed, such Agent may itself appoint as its replacement any reputable and experienced financial institution. Immediately following such appointment, the Issuer shall give notice of such appointment to the Trustee, the remaining Agents and the Holders whereupon the Issuer, the Trustee, the remaining Agents and the replacement Agent shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form *mutatis mutandis* of this Indenture.

(c) Upon its resignation becoming effective the Principal Paying Agent shall forthwith transfer all moneys held by it hereunder hereof to the successor Principal Paying Agent or, if none, the Trustee or to the Trustee's order, but shall have no other duties or responsibilities hereunder, and shall be entitled to the payment by the Issuer of its remuneration for the services previously rendered hereunder and to the reimbursement of all reasonable expenses (including legal fees) incurred in connection therewith.

#### SECTION 7.12 Agents General Provisions.

(a) Actions of Agents. The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several.

(b) Agents of Trustee. The Issuer and the Agents acknowledge and agree that in the event of a Default or Event of Default, the Trustee may, by notice in writing to the Issuer and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee. Prior to receiving such written notification from the Trustee, the Agents shall be the agents of the Issuer and need have no concern for the interests of the Holders.

(c) Funds held by Agents. The Agents will hold all funds subject to the terms of this Indenture.

(d) Publication of Notices. Any obligation the Agents may have to publish a notice to Holders of Global Notes on behalf of the Issuer will be met upon delivery of the notice to DTC, Euroclear or Clearstream, as applicable.

(e) Instructions. In the event that instructions given to any Agent are not reasonably clear, then such Agent shall be entitled to seek clarification from the Issuer or other party entitled to give the Agents instructions under this Indenture by written request promptly, and in any event within one Business Day of receipt by such Agent of such instructions. If an Agent has sought clarification in accordance with this Section 7.12, then such Agent shall be entitled to take no action until such clarification is provided, and shall not incur any liability for not taking any action pending receipt of such clarification.

(f) No Fiduciary Duty. No Agent shall be under any fiduciary duty or other obligation towards, or have any relationship of agency or trust, for or with any person.

(g) Mutual Undertaking. Each party shall, within ten Business Days of a written request by another party, supply to that other party such forms, documentation and other information relating to it, its operations, or the Notes as that other party reasonably requests for the purposes of that other party's compliance with applicable law and shall notify the relevant other party reasonably promptly in the event that it becomes aware that any of the forms, documentation or other information provided by such party is (or becomes) inaccurate in any material respect; *provided, however*, that no party shall be required to provide any forms, documentation or other information pursuant to this Section 7.12(g) to the extent that: (i) any such form, documentation or other information (or the information required to be provided on such form or documentation) is not reasonably available to such party and cannot be obtained by such party using reasonable efforts; or (ii) doing so would or might in the reasonable opinion of such party constitute a breach of any: (a) applicable law or (b) duty of confidentiality. For purposes of this Section 7.12(g), "applicable law" shall be deemed to include (i) any rule or practice of any regulatory or governmental authority by which any party is bound or with which it is accustomed to comply; (ii) any agreement between any Authorities; and (iii) any agreement between any regulatory or governmental authority and any party that is customarily entered into by institutions of a similar nature.

(h) Tax Withholding.

(i) The Issuer shall notify each Agent in the event that it determines that any payment to be made by an Agent under the Notes is a payment which could be subject to FATCA Withholding if such payment were made to a recipient that is generally unable to receive payments free from FATCA Withholding, and the extent to which the relevant payment is so treated; *provided, however*, that the Issuer's obligations under this Section 7.12(h) shall apply only to the extent that such payments are so treated by virtue of characteristics of the Issuer, the Notes, or both.

(ii) Notwithstanding any other provision of this Indenture, each Agent shall be entitled to make a deduction or withholding from any payment which it makes under the Notes for or on account of any Tax, if and only to the extent so required by Applicable Law, in which event the Agent shall make such payment after such deduction or withholding has been made and shall account to the relevant Authority within the time allowed for the amount so deducted or withheld or, at its option, shall reasonably promptly after making such payment return to the Issuer the amount so deducted or withheld, in which case, the Issuer shall so account to the relevant Authority for such amount. For the avoidance of doubt, FATCA Withholding is a deduction or withholding which is deemed to be required by Applicable Law for the purposes of this Section 7.12(h)(ii).

## ARTICLE EIGHT

### DEFEASANCE; SATISFACTION AND DISCHARGE

SECTION 8.01 Issuer's Option to Effect Defeasance or Covenant Defeasance. The Issuer may, at its option and at any time prior to the Stated Maturity of the Notes, by a resolution of its Board of Directors, elect to have either Section 8.02 or Section 8.03 be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article Eight.

SECTION 8.02 Defeasance and Discharge. Upon the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.02, the Issuer and the Guarantors shall be deemed to have been discharged from their obligations with respect to the Notes on the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes and to have satisfied all their other obligations under the Notes and this Indenture (and the Trustee, at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of outstanding Notes to receive, solely from the trust fund described in Section 8.08 and as more fully set forth in such Section, payments in respect of the principal of (and premium, if any, on) and interest (including Additional Amounts) on such Notes when such payments are due, (b) the Issuer's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust, (c) the rights, powers, trusts, duties and immunities of the Trustee and the Security Agent hereunder and the Issuer's and the Guarantors' obligations in connection therewith and (d) the provisions of this Article Eight. Subject to compliance with this Article Eight, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 below with respect to the Notes. If the Issuer exercises its Legal Defeasance option, payment of the Notes may not be accelerated because of an Event of Default.

SECTION 8.03 Covenant Defeasance. Upon the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.03, the Issuer and the Guarantors shall be released from

their obligations under any covenant contained in Sections 4.04 through 4.11, 4.13 through 4.17, 4.19 through 4.26 and 5.01 with respect to the Notes on and after the date the conditions set forth below are satisfied (hereinafter, “Covenant Defeasance”). For this purpose, such Covenant Defeasance means that, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby.

SECTION 8.04 Conditions to Defeasance. In order to exercise either Legal Defeasance or Covenant Defeasance:

(i) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the holders of the Notes, (i) cash in U.S. dollars, non-callable U.S. Government Securities, or a combination of cash in U.S. dollars and non-callable U.S. Government Securities (in the case of the USD Notes) and (ii) cash in Euros, non-callable European Government Securities, or a combination of cash in Euros and non-callable European Government Securities (in the case of the Euro Notes) in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest (including Additional Amounts and premium, if any) on the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Issuer must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(ii) in the case of Legal Defeasance, the Issuer must deliver to the Trustee:

(A) an opinion of United States counsel, which counsel is reasonably acceptable to the Trustee, confirming that (i) the Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (ii) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such opinion of counsel will confirm that, the holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred; and

(B) an Opinion of Counsel in the jurisdiction of incorporation of the Issuer, which counsel is reasonably acceptable to the Trustee, to the effect that the holders of the Notes will not recognize income, gain or loss for tax purposes of such jurisdiction as a result of such deposit and defeasance and will be subject to tax in such jurisdiction on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(iii) in the case of Covenant Defeasance, the Issuer must deliver to the Trustee:

(A) an opinion of United States counsel, which counsel is reasonably acceptable to the Trustee, confirming that the holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred; and

(B) an opinion of counsel in the jurisdiction of incorporation of the Issuer, which counsel is reasonably acceptable to the Trustee, to the effect that the holders of the Notes will not recognize income, gain or loss for tax purposes of such jurisdiction as a result of such deposit and defeasance and will be subject to tax in such jurisdiction on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(iv) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);

(v) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, the Convertible Notes or any other material agreement or instrument (other than this Indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which the Issuer or any of the Guarantors is a party or by which the Issuer or any of the Guarantors is bound;

(vi) the Issuer must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of preferring the holders of Notes over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or others; and

(vii) the Issuer must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

If the funds deposited with the Trustee to effect Covenant Defeasance are insufficient to pay the principal of, premium, if any, and interest on the Notes when due because of any acceleration occurring after an Event of Default, then the Issuer and the Guarantors shall remain liable for such payments.

SECTION 8.05 Satisfaction and Discharge of Indenture. This Indenture, and the rights of the Trustee and the Holders of the Notes under the Intercreditor Agreements and the Security

Documents, shall be discharged and shall cease to be of further effect as to all Notes issued thereunder, when:

(1) either:

(A) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuer, have been delivered to the Trustee for cancellation; or

(B) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the delivery of a notice of redemption or otherwise or will become due and payable within one year and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the holders, cash in U.S. dollars, non-callable U.S. Government Securities, or a combination of cash in U.S. dollars and non-callable U.S. Government Securities (in the case of the USD Notes) and cash in Euros, non-callable European Government Securities denominated in Euros, or a combination of cash in Euros and non-callable European Government Securities denominated in Euros (in the case of the Euro Notes), in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium and Additional Amounts, if any, and accrued interest to the date of maturity or redemption;

(2) the Issuer or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture;

(3) the Issuer has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be; and

(4) the Issuer has delivered an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied; *provided* that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clauses (1), (2) and (3)).

**SECTION 8.06 Survival of Certain Obligations.** Notwithstanding Sections 8.01 and 8.03, any obligations of the Issuer and the Guarantors in Sections 2.02 through 2.14, 6.07, 7.05 and 7.06 shall survive until the Notes have been paid in full. Thereafter, any obligations of the Issuer or the Guarantors in Section 7.05 shall survive such satisfaction and discharge. Nothing contained in this Article Eight shall abrogate any of the obligations or duties of the Trustee under this Indenture.

SECTION 8.07 Acknowledgment of Discharge by Trustee. Subject to Section 8.09, after the conditions of Section 8.02 or 8.03 have been satisfied, the Trustee upon written request shall acknowledge in writing the discharge of all of the Issuer's and Guarantor's obligations under this Indenture except for those surviving obligations specified in this Article Eight.

SECTION 8.08 Application of Trust Money. Subject to Section 8.09, the Trustee shall hold in trust cash in U.S. dollars or U.S. Government Securities (in the case of the USD Notes) or Euros or European Government Securities (in the case of the Euro Notes) deposited with it pursuant to this Article Eight. It shall apply the deposited cash or Government Securities through the relevant Paying Agent and in accordance with this Indenture to the payment of principal of, premium, if any, interest, and Additional Amounts, if any, on the Notes; but such money need not be segregated from other funds except to the extent required by law.

SECTION 8.09 Repayment to Issuer. Subject to Sections 7.05, and 8.01 through 8.04, the Trustee and the relevant Paying Agent shall promptly pay to the Issuer upon request set forth in an Officer's Certificate any excess money held by them at any time and thereupon shall be relieved from all liability with respect to such money. The Trustee and the relevant Paying Agent shall pay to the Issuer upon request any money held by them for the payment of principal, premium, if any, interest or Additional Amounts, if any, that remains unclaimed for two years; *provided* that the Trustee or relevant Paying Agent before being required to make any payment may cause to be published through the newswire service of Bloomberg or, if Bloomberg does not then operate, any similar agency or deliver to each Holder entitled to such money at such Holder's address (as set forth in the Security Register) notice that such money remains unclaimed and that after a date specified therein (which shall be at least 30 days from the date of such publication or delivery) any unclaimed balance of such money then remaining will be repaid to the Issuer. After payment to the Issuer, Holders entitled to such money must look to the Issuer for payment as general creditors unless an applicable law designates another Person, and all liability of the Trustee and such Paying Agent with respect to such money shall cease.

SECTION 8.10 Indemnity for Government Securities. The Issuer shall pay and shall indemnify the Trustee and the relevant Paying Agent against any tax, fee or other charge imposed on or assessed against deposited Government Securities or the principal, premium, if any, interest, if any, and Additional Amounts, if any, received on such Government Securities.

SECTION 8.11 Reinstatement. If the Trustee or Paying Agent is unable to apply cash in U.S. dollars, U.S. Government Securities, Euros or European Government Securities in accordance with this Article Eight by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and the Guarantors' obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article Eight until such time as the Trustee or any such Paying Agent is permitted to apply all such cash or Government Securities in accordance with this Article Eight; *provided* that, if the Issuer has made any payment of principal of, premium, if any, interest, if any, and Additional Amounts, if any, on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the cash in U.S. dollars,

U.S. Government Securities, Euros or European Government Securities held by the Trustee or the relevant Paying Agent.

## ARTICLE NINE

### AMENDMENTS AND WAIVERS

#### SECTION 9.01 Without Consent of Holders.

(a) The Issuer, when authorized by a resolution of its Board of Directors (as evidenced by the delivery of such resolutions to the Trustee), the Guarantors, the Security Agent and the Trustee may modify, amend or supplement the Note Documents without notice to or consent of any Holder:

(i) to cure any ambiguity, omission, error, defect or inconsistency;

(ii) to provide for the assumption of the Issuer's or a Guarantor's obligations to Holders of Notes and Note Guarantees in the case of a consolidation or merger or sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the Issuer's or such Guarantor's assets, as applicable;

(iii) to make any change that would provide any additional rights or benefits to the Holders of Notes or that, in the good faith judgment of the Board of Directors of the Issuer, does not adversely affect the legal rights under this Indenture of any such holder in any material respect;

(iv) to conform the text of this Indenture, the Notes or the Note Guarantees to any provision of the section entitled "Description of Notes" in the Offering Memorandum to the extent that such provision in the "Description of Notes" was intended to be a verbatim recitation of a provision of this Indenture, the Notes or the Note Guarantees;

(v) to provide for any Restricted Subsidiary to provide a Note Guarantee in accordance with Section 4.06 and Section 4.15 to add security to or for the benefit of the Notes or to confirm and evidence the release, termination, discharge or retaking of any Note Guarantee or Lien (including the Collateral and the Security Documents) or any amendment in respect thereof with respect to or securing the Notes when such release, termination, discharge or retaking or amendment is permitted under this Indenture, the Intercreditor Agreements and the Security Documents;

(vi) in the case of the Security Documents, to mortgage, pledge, hypothecate or grant a security interest (i) in favor of the Security Agent for the benefit of holders of Note Obligations or (ii) in favor of any other party that is granted a Lien on Collateral in accordance with the terms of this Indenture, in each case, in any property which is required by the documents governing such Indebtedness to be mortgaged, pledged or hypothecated, or in which a security interest is required to be granted to the

Security Agent, or to the extent necessary to grant a security interest for the benefit of any Person; *provided* that the granting of such security interest is not prohibited by this Indenture and Section 4.22 is complied with;

(vii) to provide for the issuance of additional Notes in accordance with the limitations set forth in this Indenture as of the Issue Date;

(viii) to allow any Guarantor to execute a Supplemental Indenture and a Note Guarantee with respect to the Notes;

(ix) to provide for uncertificated Notes in addition to or in place of Definitive Registered Notes (*provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code);

(x) to evidence and provide the acceptance of the appointment of a successor Trustee under this Indenture; or

(xi) upon the Discharge of all Senior-Priority Obligations, to reflect that the Notes and any other *Pari Passu* Obligations will be secured on a first-priority basis by Liens on the Collateral.

(b) In connection with any proposed amendment or supplement in respect of such matters, the Trustee will be entitled to receive, and rely conclusively on, an Opinion of Counsel and/or an Officer's Certificate.

(c) For the avoidance of doubt (and without limiting the generality of any other statements in this Indenture), the provisions of the Trust Indenture Act of 1939, as amended, shall not apply to any amendments to or waivers or consents under this Indenture.

#### SECTION 9.02 With Consent of Holders.

(a) Except as provided in Section 9.02(b) below and Section 6.04 and without prejudice to Section 9.01, the Note Documents may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and any existing Default or Event of Default or compliance with any provision of this Indenture, the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes); *provided* that (A) any such amendment, supplement or waiver to release the security interests in the Collateral granted for the benefit of the Trustee and the Holders (other than pursuant to the terms of the Security Documents or this Indenture, as applicable, and except as permitted by the Intercreditor Agreements) shall (i) in respect of all or substantially all of the Collateral, require the consent of the Holders of at least 75% in aggregate principal amount of the Notes and (ii) in respect of

Collateral with a Fair Market Value greater than \$1,000 million (but, for the avoidance of doubt, less than all or substantially all of the Collateral), require the consent of the holders of at least 66<sup>2</sup>/<sub>3</sub>% in aggregate principal amount of the Notes, and (B) any such amendment, supplement or waiver that disproportionately affects any Series of Notes adversely in any material respect shall require the consent of holders of at least a majority in aggregate principal amount of the Notes of such Series then outstanding.

(b) Without the consent of each Holder affected, an amendment, supplement or waiver may not (with respect to any Notes held by a non-consenting Holder):

- (i) reduce the principal amount of Notes whose holders must consent to an amendment, supplement or waiver;
- (ii) reduce the principal of or change the fixed maturity of any Note or reduce the premium payable upon the redemption of any such Note or change the time at which such Note may be redeemed;
- (iii) reduce the rate of or change the time for payment of interest, including default interest, on any Note;
- (iv) impair the right of any Holder to institute suit for the enforcement of any payment on or with respect to such Holder's Notes or any Note Guarantee in respect thereof;
- (v) waive a Default or Event of Default in the payment of principal of, or interest, Additional Amounts or premium, if any, on, the Notes (except a rescission of acceleration of the Notes by the holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment Default that resulted from such acceleration);
- (vi) make any Note payable in money other than that stated in the Notes;
- (vii) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of holders of Notes to receive payments of principal of, or interest, Additional Amounts or premium, if any, on, the Notes;
- (viii) waive a redemption payment with respect to any Note (other than a payment required by Section 4.09 or Section 4.11);
- (ix) make any change to or modify the ranking of the Notes as to contractual right of payment in a manner that would adversely affect the holders thereof;
- (x) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture or the Intercreditor Agreements; or
- (xi) make any change in the preceding amendment and waiver provisions.

(c) The consent of the Holders shall not be necessary under this Indenture to approve the particular form of any proposed amendment, modification, supplement, waiver or consent. It is sufficient if such consent approves the substance of the proposed amendment, modification, supplement, waiver or consent. A consent to any amendment or waiver under this Indenture by any Holder given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

SECTION 9.03 Effect of Supplemental Indentures. Upon the execution of any Supplemental Indenture under this Article Nine, this Indenture shall be modified in accordance therewith, and such Supplemental Indenture shall form a part of this Indenture for all purposes; and every Holder theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 9.04 Notation on or Exchange of Notes. If an amendment, modification or supplement changes the terms of a Note, the Issuer or the Trustee may require the Holder to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note and on any Note subsequently authenticated regarding the changed terms and return it to the Holder. Alternatively, if the Issuer so determines, the Issuer in exchange for the Note shall issue, and the Trustee shall authenticate, a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, modification or supplement.

SECTION 9.05 [Reserved].

SECTION 9.06 Notice of Amendment or Waiver. Promptly after the execution by the Issuer and the Trustee of any Supplemental Indenture or waiver pursuant to the provisions of Section 9.02, the Issuer shall give notice thereof to the Holders of each outstanding Note affected, in the manner provided for in Section 12.01(b), setting forth in general terms the substance of such Supplemental Indenture or waiver.

SECTION 9.07 Trustee to Sign Amendments, Etc. The Trustee or the Security Agent, as the case may be, shall execute any amendment, supplement or waiver authorized pursuant and adopted in accordance with this Article Nine; *provided* that the Trustee or the Security Agent, as the case may be, may, but shall not be obligated to, execute any such amendment, supplement or waiver which affects the Trustee's or Security Agent's, as the case may be, own rights, duties or immunities under this Indenture. The Trustee and the Security Agent shall receive, if requested, an indemnity and/or security (including by way of pre-funding) satisfactory to it and to receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officer's Certificate each stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article Nine is authorized or permitted by this Indenture and that such amendment has been duly authorized, executed and delivered and is the legally valid and binding obligation of the Issuer enforceable against them in accordance with its terms (for the avoidance of doubt, such Opinion of Counsel is not required with respect to any Guarantor). Such Opinion of Counsel shall be an expense of the Issuer.

SECTION 9.08 Additional Voting Terms; Calculation of Principal Amount.

(a) All Notes issued under this Indenture shall vote and consent together on all matters (as to which any of such Notes may vote) as one class and no Series or subseries of Notes will have the right to vote or consent as a separate series on any matter; *provided, however*, that if any amendment, waiver or other modification will only affect one Series or subseries of Notes, only the consent of the Holders of not less than a majority in principal amount of the affected Series or subseries of Notes then outstanding (and not the consent of the Holders of at least a majority of all Notes), shall be required. Determinations as to whether Holders of the requisite aggregate principal amount of Notes have concurred in any direction, waiver or consent shall be made in accordance with this Article Nine and Section 9.08(b).

(b) The aggregate principal amount of the Notes, at any date of determination, shall be the principal amount of the Notes at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Notes, such percentage shall be calculated, on the relevant date of determination, by dividing (i) the principal amount, as of such date of determination, of Notes, the Holders of which have so consented by (b) the aggregate principal amount, as of such date of determination, of the Notes then outstanding, in each case, as determined in accordance with the preceding sentence, Section 2.08 and Section 2.09 of this Indenture. Any such calculation made pursuant to this Section 9.08(b) shall be made by the Issuer and delivered to the Trustee pursuant to an Officer's Certificate.

## ARTICLE TEN

### GUARANTEE

#### SECTION 10.01 Note Guarantees.

(a) The Guarantors, either by execution of this Indenture or a Supplemental Indenture, fully and, subject to the limitations on the effectiveness and enforceability set forth in this Indenture or such Supplemental Indenture, as applicable, unconditionally guarantee, on a joint and several basis to each Holder and to the Trustee and its successors and assigns on behalf of each Holder, the full payment of principal of, premium, if any, interest, if any, and Additional Amounts, if any, on, and all other monetary obligations of the Issuer under this Indenture and the Notes (including obligations to the Trustee and the Security Agent and the obligations to pay Additional Amounts, if any) with respect to, each Note authenticated and delivered by the Trustee or its agent pursuant to and in accordance with this Indenture, in accordance with the terms of this Indenture (all the foregoing being hereinafter collectively called the "Note Obligations"). The Guarantors further agree that the Note Obligations may be extended or renewed, in whole or in part, without notice or further assent from the Guarantors and that the Guarantors shall remain bound under this Article Ten notwithstanding any extension or renewal of any Note Obligation. All payments under each Note Guarantee will be made in U.S. dollars.

(b) The Guarantors hereby agree that their obligations hereunder shall be as if they were each principal debtor and not merely surety, unaffected by, and irrespective of, any invalidity, irregularity or unenforceability of any Note or this Indenture, any failure to enforce the provisions of any Note or this Indenture, any waiver, modification or indulgence granted to

the Issuer with respect thereto by the Holders or the Trustee, or any other circumstance which may otherwise constitute a legal or equitable discharge of a surety or guarantor (except payment in full); *provided* that notwithstanding the foregoing, no such waiver, modification, indulgence or circumstance shall without the written consent of the Guarantors increase the principal amount of a Note or the interest rate thereon or change the currency of payment with respect to any Note, or alter the Stated Maturity thereof. The Guarantors hereby waive diligence, presentment, demand of payment, filing of claims with a court in the event of merger or bankruptcy of the Issuer, any right to require that the Trustee pursue or exhaust its legal or equitable remedies against the Issuer prior to exercising its rights under a Note Guarantee (including, for the avoidance of doubt, any right which a Guarantor may have to require the seizure and sale of the assets of the Issuer to satisfy the outstanding principal of, interest on or any other amount payable under each Note prior to recourse against such Guarantor or its assets), protest or notice with respect to any Note or the Indebtedness evidenced thereby and all demands whatsoever, and each covenant that their Note Guarantee will not be discharged with respect to any Note except by payment in full of the principal thereof and interest thereon or as otherwise provided in this Indenture, including Section 10.04. If at any time any payment of principal of, premium, if any, interest, if any, or Additional Amounts, if any, on such Note is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Issuer, the Guarantors' obligations hereunder with respect to such payment shall be reinstated as of the date of such rescission, restoration or returns as though such payment had become due but had not been made at such times.

(c) The Guarantors also agree to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

#### SECTION 10.02 Subrogation.

(a) Each Guarantor shall be subrogated to all rights of the Holders against the Issuer in respect of any amounts paid to such Holders by such Guarantor pursuant to the provisions of its Note Guarantee.

(b) The Guarantors agree that they shall not be entitled to any right of subrogation in relation to the Holders in respect of any Obligations guaranteed hereby until payment in full of all Obligations. The Guarantors further agree that, as between them, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Section 6.02 for the purposes of the Note Guarantees herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such Obligations as provided in Section 6.02, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purposes of this Section 10.02.

SECTION 10.03 Release of Note Guarantees. The Note Guarantee of a Guarantor (other than Carnival plc) shall automatically be released:

(1) in connection with any sale or other disposition of all or substantially all of the assets of such Subsidiary Guarantor (including by way of merger, consolidation, amalgamation or combination) to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, if the sale or other disposition does not violate Section 4.09;

(2) in connection with any sale or other disposition of Capital Stock of that Subsidiary Guarantor to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, if the sale or other disposition does not violate Section 4.09 and the Subsidiary Guarantor either (i) ceases to be a Restricted Subsidiary as a result of such sale or other disposition or (ii) would not be required to provide a Note Guarantee under Section 4.15;

(3) if the Issuer designates such Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the applicable provisions of this Indenture;

(4) upon the full and final payment of the Notes and performance of all Obligations of the Issuer and the Guarantors under this Indenture, the Notes and the Note Guarantees;

(5) upon Legal Defeasance, Covenant Defeasance or satisfaction and discharge of the Notes, the Note Guarantees and this Indenture as provided under Article Eight; and

(6) as described under Article Nine;

*provided* that, in each case, such Subsidiary Guarantor has delivered to the Trustee an Officer's Certificate stating that all conditions precedent provided for in this Indenture relating to such release have been complied with.

The Note Guarantee of Carnival plc shall automatically be released upon any of the circumstances described in clauses (4), (5) and (6) of the immediately preceding paragraph; *provided* that, in each case, Carnival plc has delivered to the Trustee an Officer's Certificate stating that all conditions precedent provided for in this Indenture relating to such release have been complied with.

The Trustee shall take all necessary actions at the request of the Issuer, including the granting of releases or waivers under the Intercreditor Agreements, to effectuate any release of a Note Guarantee in accordance with these provisions. Each of the releases set forth above shall be effected by the Trustee without the consent of the Holders and will not require any other action or consent on the part of the Trustee.

**SECTION 10.04 Limitation and Effectiveness of Note Guarantees.** Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent conveyance or a fraudulent transfer for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act,

the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor under its Guarantee will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with accounting principles generally accepted in the United States.

SECTION 10.05 Notation Not Required. Neither the Issuer nor any Guarantor shall be required to make a notation on the Notes to reflect any Note Guarantee or any release, termination or discharge thereof.

SECTION 10.06 Successors and Assigns. This Article Ten shall be binding upon the Guarantors and each of their successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee, the Security Agent and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee or the Security Agent, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assigns, all subject to the terms and conditions of this Indenture.

SECTION 10.07 No Waiver. Neither a failure nor a delay on the part of the Trustee, the Security Agent or the Holders in exercising any right, power or privilege under this Article Ten shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee, the Security Agent and the Holders herein expressly specified are cumulative and are not exclusive of any other rights, remedies or benefits which either may have under this Article Ten at law, in equity, by statute or otherwise.

SECTION 10.08 Modification. No modification, amendment or waiver of any provision of this Article Ten, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstance.

SECTION 10.09 Limitation on the Italian Guarantor's Liability. Without prejudice to Section 10.04, the obligations of the Italian Guarantor under this Indenture shall be subject to the following limitations:

(a) obligations of the Italian Guarantor shall not include, and shall not extend, directly or indirectly, to any indebtedness incurred by any obligor as borrower or as a guarantor in respect of any proceeds of the issuance of the Notes, the purpose or actual use of which is, directly or indirectly:

- (i) the acquisition of the Italian Guarantor (and/or of any entity directly or indirectly controlling it), including any related costs and expenses;
- (ii) a subscription for any shares in the Italian Guarantor (and/or any entity directly or indirectly controlling it), including any related costs and expenses; or
- (iii) the refinancing thereof;

(b) without prejudice to Section 10.04, and pursuant to Article 1938 of the Italian Civil Code, the maximum amount that the Italian Guarantor may be required to pay in respect of its obligations as Guarantor under the Notes shall not exceed the sum of (i) \$775,000,000 and (ii) €425,000,000;

(c) without prejudice to Section 10.04, the maximum amount that the Italian Guarantor may be required to pay in respect of its obligations as Guarantor under the Notes shall not exceed, at any given time, the following amount: (i) the value of vessels owned by the Italian Guarantor and subject to mortgage to secure the Notes, the Senior-Priority Obligations and the Pari Passu Obligations, as resulting by latest available appraisals *divided by* the value of vessels owned by the Carnival Group (including the Italian Guarantor) and subject to mortgage to secure the Notes, the Senior-Priority Obligations and the Pari Passu Obligations, based on the latest available appraisals *multiplied by* (ii) the outstanding amount of the Notes plus amounts issued/drawn down and not repaid yet under the Notes and the outstanding amount of the Senior-Priority Obligations and the Other Pari Passu Obligations; and

(d) obligations of the Italian Guarantor shall not extend to the payment obligations of other entities which do not belong to the Italian Guarantor's corporate group (*gruppo di appartenenza*) in the meaning of articles 1(e) of the decree of the Italian Ministry of Economy and Finance No. 53 of April 2, 2015.

### **SECURITY**

#### **SECTION 11.01 Security; Security Documents.**

(a) The due and punctual payment of the principal of, interest on and Additional Amounts, if any, on the Notes and the Note Guarantees when and as the same shall be due and payable, whether on an Interest Payment Date, at maturity, by acceleration, repurchase, redemption or otherwise, interest on the overdue principal of and interest (to the extent permitted by law), if any, on the Notes and Note Guarantees and performance of all other obligations under

this Indenture, shall be secured as provided in the Security Documents. The Trustee, the Security Agent, the Issuer and the Guarantors hereby agree that, subject to Permitted Collateral Liens, the Security Agent shall hold the Collateral in trust for the benefit of itself, the Trustee and all of the Holders pursuant to the terms of the Security Documents, and shall act as mortgagee or security holder under all mortgages or standard securities, beneficiary under all deeds of trust and as secured party under the applicable security agreements.

(b) Each Holder of the Notes, by its acceptance thereof, consents and agrees to the terms of the Security Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and authorizes and directs the Security Agent to perform its respective obligations and exercise its rights thereunder in accordance therewith.

(c) The Trustee, the Security Agent and each Holder, by accepting the Notes and the Note Guarantees, acknowledges that, as more fully set forth in the Security Documents, the Collateral as now or hereafter constituted shall be held for the benefit of all the Holders under the Security Documents, and that the Lien of this Indenture and the Security Documents in respect of the Security Agent and the Holders is subject to and qualified and limited in all respects by the Security Documents and actions that may be taken thereunder.

(d) Notwithstanding (i) anything to the contrary contained in this Indenture, the Security Documents, the Notes, the Note Guarantees or any other instrument governing, evidencing or relating to any Indebtedness, (ii) the time, order or method of attachment of any Liens, (iii) the time or order of filing or recording of financing statements or other documents filed or recorded to perfect any Lien upon any Collateral, (iv) the time of taking possession or control over any Collateral or (v) the rules for determining priority under any law of any relevant jurisdiction governing relative priorities of secured creditors:

(i) the Liens will rank equally and ratably with all valid, enforceable and perfected Liens, whenever granted upon any present or future Collateral, but only to the extent such Liens are permitted under this Indenture to exist and to rank equally and ratably with the Notes and the Note Guarantees; and

(ii) all proceeds of the Collateral applied under the Security Documents shall be allocated and distributed as set forth in the Security Documents, subject to the Intercreditor Agreements, including any Additional Intercreditor Agreement.

(e) Subject to the Agreed Security Principles, the Security Agent's Liens on the Collateral are required to be perfected not later than the 30<sup>th</sup> day after the Issue Date; *provided that* (i) in the case of the Collateral described in clause (iii) of the definition of "Collateral", with respect to filings with the relevant governmental authorities in the United Kingdom, Germany and the European Union Intellectual Property Office, the applicable Lien will be required to be perfected, using commercially reasonable efforts, not later than the 90<sup>th</sup> day after the Issue Date and (ii) if any relevant government office is closed on one or more days on which it would normally be open, the applicable Lien will be required to be perfected not later than the day that is the later of (x) the 30<sup>th</sup> day (or 90<sup>th</sup> day in the case of the Collateral described

in clause (iii) of the definition of “Collateral” with respect to filings with the relevant governmental authorities in the United Kingdom, Germany and the European Union Intellectual Property Office) after the Issue Date and (y) the business day following the 15<sup>th</sup> day after the latest date such government office was closed on a day on which it would normally be open.

(f) To the extent any deadline in the foregoing paragraphs falls on a date that is not a Business Day, the deadline shall instead be the Business Day next succeeding such date.

**SECTION 11.02 Authorization of Actions to Be Taken by the Security Agent Under the Security Documents.** The Security Agent shall be the representative on behalf of the Holders and, subject to the Intercreditor Agreements shall act upon the written direction of the Trustee (in turn, acting on written direction of the Holders) with regard to all voting, consent and other rights granted to the Trustee and the Holders under the Security Documents. Subject to the provisions of the Security Documents (including the Intercreditor Agreements), the Security Agent may, in its sole discretion and without the consent of the Holders, on behalf of the Holders, take all actions it deems necessary or appropriate in order to (a) enforce any of its rights or any of the rights of the Holders under the Security Documents and (b) receive any and all amounts payable from the Collateral in respect of the obligations of the Issuer and the Guarantors hereunder. Subject to the provisions of the Security Documents, the Security Agent shall have the power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts of impairment that may be unlawful or in violation of the Security Documents or this Indenture, and such suits and proceedings as the Security Agent (after consultation with the Trustee, where appropriate) may deem reasonably expedient to preserve or protect its interest and the interests of the Holders in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders or the Security Agent). The Security Agent is hereby irrevocably authorized by each Holder of the Notes to effect any release of Liens or Collateral contemplated by Section 11.04 hereof or by the terms of the Security Documents.

Each Holder, by accepting a Note, shall be deemed (i) to have irrevocably appointed U.S. Bank National Association as Security Agent, (ii) to have irrevocably authorized the Security Agent and the Trustee to (i) perform the duties and exercise the rights, powers and discretions that are specifically given to each of them under the Intercreditor Agreements or other documents to which the Security Agent and/or the Trustee is a party, together with any other incidental rights, power and discretions and (ii) execute each document expressed to be executed by the Security Agent and/or the Trustee on its behalf and (iii) to have accepted the terms and conditions of the Intercreditor Agreements, and each Holder of the Notes will also be deemed to have authorized the Security Agent and the Trustee to enter into any such Additional Intercreditor Agreement.

SECTION 11.03 Authorization of Receipt of Funds by the Security Agent Under the Security Documents. The Security Agent is authorized to receive and distribute any funds for the benefit of the Holders under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture and the Security Documents.

SECTION 11.04 Release of the Collateral.

(a) To the extent a release is required by a Security Document, the Security Agent shall release, and the Trustee (as applicable) shall release and if so requested direct the Security Agent to release, without the need for consent of the Holders of the Notes, Liens on the Collateral securing the Notes:

(1) as to all of the Collateral, upon payment in full of principal of, interest and all other Obligations on the Notes issued under this Indenture or discharge or defeasance thereof;

(2) as to the Collateral held by a Guarantor, upon release of the Note Guarantee of such Guarantor (with respect to the Liens securing such Note Guarantee granted by such Guarantor) in accordance with the applicable provisions of this Indenture;

(3) as to any Collateral, in connection with any disposition or transfer of such Collateral to any Person (but excluding any transaction subject to Article Five); *provided* that if the Collateral is disposed of or transferred to the Issuer or a Guarantor, the relevant Collateral becomes immediately subject to a substantially equivalent Lien in favor of the Security Agent securing the Notes; *provided, further*, that, in each case, such disposition or transfer is permitted by this Indenture and the Intercreditor Agreements;

(4) as to any Collateral held by a Subsidiary Guarantor, if the Issuer designates such Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the applicable provisions of this Indenture, the release of the property, assets and Capital Stock of such Unrestricted Subsidiary;

(5) in connection with certain enforcement actions taken by the creditors under certain secured indebtedness of the Company and its Subsidiaries as provided under the Intercreditor Agreements, or otherwise in compliance with the Intercreditor Agreements;

(6) as may be permitted by Section 4.22, Section 9.01 or Section 9.02;

(7) in order to effectuate a (i) merger, consolidation, conveyance, transfer or other business combination conducted in compliance with Section 5.01 or (ii) a reconstitution or merger for the purpose of re-flagging a vessel in compliance with Section 4.24; and

(8) as to any Collateral if the Liens on such Collateral in favor of the Senior-Priority Obligations are released (other than by reason of the Discharge of such Senior-Priority Obligations) in accordance with the First Lien/Second Lien Intercreditor Agreement.

(b) In connection with any release of Collateral pursuant to Section 11.04(a)(3) or (8) above, such disposition or transfer may only be deemed to be excluded from the definition of “Asset Sale” pursuant to clause (2) of the third paragraph of such definition, if either (i) such disposition or transfer is necessary or advisable for the conduct of the Permitted Business in the good faith determination of the Issuer, or (ii) such assets or Equity Interests are or remain pledged as Collateral to secure the Note Obligations pursuant to Liens ranking pari passu with or higher in priority than the Liens on the Collateral securing the Note Obligations prior to such disposition or transfer. Any such determination pursuant to clause (i) of the foregoing sentence shall be set forth in an Officer’s Certificate of the Issuer.

Each of the releases in accordance with this Section 11.04 shall be effected by the Security Agent without the consent of the Holders of the Notes or any action on the part of the Trustee.

Any release made in compliance with this Section 11.04 shall not be deemed to impair the Lien under the Security Documents or the Collateral thereunder in contravention of the provisions of this Indenture or the Security Documents (including Section 4.22 hereof).

In the event that the Issuer or any Guarantor seeks to release Collateral pursuant to Section 11.04(a), the Issuer or such Guarantor shall deliver an Officer’s Certificate (which the Trustee and Security Agent shall rely upon in connection with such release) to the Trustee and the Security Agent setting forth that the specified release complies with the terms of this Indenture. Upon receipt of the Officer’s Certificate and if so requested by the Issuer or such Guarantor, the Security Agent shall execute, deliver or acknowledge any necessary or proper instruments of termination, satisfaction or release to evidence the release of any Collateral permitted to be released pursuant to this Indenture.

SECTION 11.05 Reduction of Secured Amounts; Acknowledgment of Automatic Reduction Provisions. Each of the Issuer and Guarantors hereby agrees, on behalf of itself and its Subsidiaries, that:

(a) if (i) there are TTA Test Debt Agreements outstanding; and (ii) at any time the Issuer’s (or if the Issuer is not rated, Carnival plc’s) long-term senior indebtedness is then rated below an Investment Grade Rating by both Rating Agencies; and (iii) at such time the Company and its Subsidiaries have ECA Security Interests in respect of ECA Covered Indebtedness that would otherwise exceed 25% of ECA Total Tangible Assets at such time (subclauses (i), (ii) and (iii), collectively, an “Operative Reduction Event”); then

(b) the amount of the TTA Test Reduction Obligations secured by Liens on the Collateral shall (without any further action on the part of the Trustee, the Security Agent or any other party) automatically be reduced in accordance with the order of priority set forth in

clause (d) below or such other priority as provided in an Officer's Certificate, such that, after giving effect to such reductions, either (i) the amount of TTA Test Reduction Obligations secured by Liens on the Collateral is reduced to zero or (ii) the Company and their respective Subsidiaries no longer would have ECA Security Interests in respect of ECA Covered Indebtedness that exceed 25% of ECA Total Tangible Assets. The Issuer shall notify the Trustee and Security Agent within 10 Business Days after the occurrence of an Operative Reduction Event in an Officer's Certificate (and the Trustee shall notify the Holders of such notification promptly after receipt thereof), which Officer's Certificate shall set forth the TTA Test Reduction Obligations affected by reductions made pursuant to this Section 11.05 and the amount of such reductions as of the date of such Officer's Certificate.

(c) If any such automatic reduction occurs with respect to any TTA Test Reduction Obligations under clause (b) above, and at a later date the Issuer determines that some or all of the then-unsecured amount of TTA Test Reduction Obligations can be secured by a Lien on the Collateral without at such time causing a reduction in the secured principal amount thereof pursuant to clause (b) above, then such principal amount of TTA Test Reduction Obligations the Issuer determines can be so secured will automatically (without any further action on the part of the Trustee, the Security Agent or any other party) become secured by the Collateral, in the inverse of the order of priority set forth in clause (d) below or such other priority as provided in an Officer's Certificate, subject to future automatic reductions as provided in clause (b) above. The Issuer shall notify the Trustee and the Security Agent in writing of any such determination in an Officer's Certificate (and the Trustee shall notify the Holders of such notification promptly after receipt thereof).

(d) Unless otherwise provided in an Officer's Certificate, such automatic reduction of the TTA Test Reduction Obligations under clause (b) above shall be applied in the following order of priority (and any such automatic reinstatement of security interests under clause (c) above shall be applied in the inverse of the following order of priority):

(i) *first*, in respect of any TTA Test Reduction Obligations that constitute Junior Obligations and/or Other Pari Passu Obligations, taken together, until the principal amount thereof that is secured by Liens on the Collateral equals zero;

(ii) *second*, in respect of the Note Obligations, until the principal amount thereof that is secured by Liens on the Collateral equals zero;

(iii) *third*, in respect of any TTA Test Reduction Obligations that constitute Senior-Priority Obligations (other than Obligations under the Existing Term Loan Facility), until the principal amount thereof that is secured by Liens on the Collateral equals zero; and

(iv) *fourth*, in respect of Obligations under the Existing Term Loan Facility.

(e) Each Holder of a Note, by its acceptance thereof, shall be deemed to have acknowledged that the Obligations under the Notes will constitute "New Secured Debt" (as

defined in each of the indenture governing the 2023 Secured Notes and the Existing Term Loan Facility, each as in effect on the date hereof) and, as effectuated pursuant to this Section 11.05, is subject to automatic reduction of the amount thereof that is secured by Liens on the Collateral upon the occurrence of an Operative Reduction Event pursuant to this Section 11.05, in accordance with each of the First Lien Intercreditor Agreement, the indenture governing the 2023 Secured Notes and the Existing Term Loan Facility, each as in effect on the date hereof.

Each of the reductions in accordance with this Section 11.05 shall be effected by the Security Agent without the consent of the Holders of the Notes or any action on the part of the Trustee.

Any reduction made in compliance with this Section 11.05 shall not be deemed to impair the Lien under the Security Documents or the Collateral thereunder in contravention of the provisions of this Indenture or the Security Documents (including Section 4.22 hereof).

Upon the occurrence of a reduction in accordance with this Section 11.05, the Issuer or such Guarantor may deliver an Officer's Certificate (which, if given, the Trustee and Security Agent shall rely upon in connection with such reduction) to the Trustee and the Security Agent setting forth that the specified reduction complies with the terms of this Indenture. Upon receipt of the Officer's Certificate and if so requested by the Issuer or such Guarantor, the Security Agent shall execute, deliver or acknowledge any necessary or proper instruments of termination, satisfaction or release to evidence such reduction pursuant to this Indenture.

Attn: Corporate Trust Administrator

The Issuer, the Guarantors or the Trustee by notice to the other may designate additional or different addresses for subsequent notices or communications.

(b) Notices regarding the Notes shall be:

(i) delivered to Holders electronically or mailed by first-class mail, postage paid; and

(ii) in the case of Definitive Registered Notes, delivered to each Holder by first-class mail at such Holder's respective address as it appears on the registration books of the Registrar.

Notices given by first-class mail shall be deemed given five calendar days after mailing and notices given by publication shall be deemed given on the first date on which publication is made. Failure to deliver a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders. If a notice or communication is delivered in the manner provided above, it is duly given, whether or not the addressee receives it.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

(c) If and so long as the Notes are represented by Global Notes, notice to Holders, in lieu of being given in accordance with Section 12.01(b) above, may be given by delivery of the relevant notice to DTC, Euroclear or Clearstream, as applicable, for communication.

(d) Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

(e) All notices, approvals, consents, requests and any communications hereunder must be in writing (provided that any communication sent to Trustee hereunder must be in the form of a document that is signed manually or by way of a digital signature provided by DocuSign (or such other digital signature provider as specified in writing to Trustee by the authorized representative), in English. The Issuer and Guarantors agree to assume all risks arising out of the use of using digital signatures and electronic methods to submit

communications to Trustee, including without limitation the risk of Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

SECTION 12.02 Certificate and Opinion as to Conditions Precedent. Upon any request or application by the Issuer or any Guarantor to the Trustee or the Security Agent to take or refrain from taking any action under this Indenture (except in connection with the original issuance of the Original Notes on the date hereof), the Issuer or any Guarantor, as the case may be, shall furnish upon request to the Trustee or the Security Agent:

(a) an Officer's Certificate in form reasonably satisfactory to the Trustee or the Security Agent stating that, in the opinion of the Officer, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with; and

(b) an Opinion of Counsel in form reasonably satisfactory to the Trustee or the Security Agent stating that, in the opinion of such counsel, all such conditions precedent have been complied with.

Any Officer's Certificate may be based, insofar as it relates to legal matters, upon an Opinion of Counsel, unless the Officer signing such certificate knows, or in the exercise of reasonable care should know, that such Opinion of Counsel with respect to the matters upon which such Officer's Certificate is based are erroneous. Any Opinion of Counsel may be based and may state that it is so based, insofar as it relates to factual matters, upon certificates of public officials or an Officer's Certificate stating that the information with respect to such factual matters is in the possession of the Issuer, unless the counsel signing such Opinion of Counsel knows, or in the exercise of reasonable care should know, that the Officer's Certificate with respect to the matters upon which such Opinion of Counsel is based are erroneous.

SECTION 12.03 Statements Required in Certificate or Opinion. Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture shall include:

(a) a statement that each individual signing such certificate or opinion has read such covenant or condition and the definitions herein relating thereto;

(b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(c) a statement that, in the opinion of each such individual, he has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(d) a statement as to whether, in the opinion of each such individual, such condition or covenant has been complied with.

SECTION 12.04 Rules by Trustee, Paying Agent and Registrar. The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar and the Paying Agent may make reasonable rules for their functions.

SECTION 12.05 No Personal Liability of Directors, Officers, Employees and Stockholders. No director, officer, employee, incorporator or stockholder of the Issuer or any Guarantor, as such, shall have any liability for any obligations of the Issuer or the Guarantors under the Notes, this Indenture and the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of Notes by accepting a Note waives and releases all such liability.

SECTION 12.06 Legal Holidays. If an Interest Payment Date or other payment date is not a Business Day, payment shall be made on the next succeeding day that is a Business Day, and no interest shall accrue for the intervening period. If a Record Date is not a Business Day, the Record Date shall not be affected.

SECTION 12.07 Governing Law. THIS INDENTURE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 12.08 Jurisdiction. The Issuer and each Guarantor agree that any suit, action or proceeding against the Issuer or any Guarantor brought by any Holder or the Trustee or the Security Agent arising out of or based upon this Indenture, the Notes or the Note Guarantees may be instituted in any state or Federal court in the Borough of Manhattan, New York, New York, and any appellate court from any thereof, and each of them irrevocably submits to the non-exclusive jurisdiction of such courts in any suit, action or proceeding. Each of the Issuer and the Guarantors irrevocably waives, to the fullest extent permitted by law, any objection to any suit, action, or proceeding that may be brought in connection with this Indenture, the Notes or the Note Guarantees, including such actions, suits or proceedings relating to securities laws of the United States of America or any state thereof, in such courts whether on the grounds of venue, residence or domicile or on the ground that any such suit, action or proceeding has been brought in an inconvenient forum. The Issuer and the Guarantors agree that final judgment in any such suit, action or proceeding brought in such court shall be conclusive and binding upon the Issuer or any Guarantor, as the case may be, and may be enforced in any court to the jurisdiction of which the Issuer or any Guarantor, as the case may be, are subject by a suit upon such judgment; *provided* that service of process is effected upon the Issuer or any Guarantor, as the case may be, in the manner provided by this Indenture. Each of the Issuer and the Guarantors not resident in the United States has appointed National Registered Agents, Inc., located 28 Liberty Street, New York, New York 10005, or any successor so long as such successor is resident in the United States and can act for this purpose, as its authorized agent (the "Authorized Agent"), upon whom process may be served in any suit, action or proceeding arising out of or based upon this Indenture, the Notes or the Note Guarantees or the transactions contemplated herein which may be instituted in any state or Federal court in the Borough of Manhattan, New York, New York, by any Holder or the Trustee, and expressly accepts the non-exclusive jurisdiction of any such court in respect of any such suit, action or proceeding. National Registered Agents, Inc. has

hereby accepted such appointment and has agreed to act as said agent for service of process, and the Company agrees to take any and all action, including the filing of any and all documents that may be necessary to continue such respective appointment in full force and effect as aforesaid. Service of process upon the Authorized Agent shall be deemed, in every respect, effective service of process upon the Company. Notwithstanding the foregoing, any action involving the Company arising out of or based upon this Indenture, the Notes or the Note Guarantees may be instituted by any Holder or the Trustee or the Security Agent in any other court of competent jurisdiction. The Company expressly consents to the jurisdiction of any such court in respect of any such action and waives any other requirements of or objections to personal jurisdiction with respect thereto.

**EACH OF THE ISSUER, THE GUARANTORS AND THE TRUSTEE, AND EACH HOLDER OF A NOTE BY ITS ACCEPTANCE THEREOF, HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT IT MAY HAVE TO TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.**

SECTION 12.09 No Recourse Against Others. A director, officer, employee, incorporator, member or shareholder, as such, of the Issuer or any Guarantor shall not have any liability for any obligations of the Issuer or any Guarantor under this Indenture, the Notes or any Note Guarantee or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Holder shall waive and release all such liability. The waiver and release shall be part of the consideration for the issue of the Notes. Such waiver and release may not be effective to waive liabilities under the U.S. federal securities laws.

SECTION 12.10 Successors. All agreements of the Issuer and any Guarantor in this Indenture and the Notes shall bind their respective successors. All agreements of the Trustee in this Indenture shall bind its successors.

SECTION 12.11 Counterparts. The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. One signed copy is enough to prove this Indenture. The exchange of copies of this Indenture and of signature pages by facsimile or other electronic transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto. Signatures of the parties hereto transmitted by facsimile or other electronic transmission shall be deemed to be their original signatures for all purposes.

SECTION 12.12 Table of Contents and Headings. The table of contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

SECTION 12.13 Severability. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 12.14 Currency Indemnity. Any payment on account of an amount that is payable in U.S. dollars (in the case of the USD Notes) or Euros (in the case of the Euro Notes) (either such relevant currency, the “Required Currency”) which is made to or for the account of any holder or the Trustee in lawful currency of any other jurisdiction (the “Judgment Currency”), whether as a result of any judgment or order or the enforcement thereof or the liquidation of the Issuer or any Guarantor, shall constitute a discharge of the Issuer or the Guarantor’s obligation under this Indenture and the Notes or Note Guarantee, as the case may be, only to the extent of the amount of the Required Currency with such holder or the Trustee, as the case may be, could purchase in the London foreign exchange markets with the amount of the Judgment Currency in accordance with normal banking procedures at the rate of exchange prevailing on the first Business Day following receipt of the payment in the Judgment Currency. If the amount of the Required Currency that could be so purchased is less than the amount of the Required Currency originally due to such holder or the Trustee, as the case may be, the Issuer and the Guarantors shall indemnify and hold harmless the holder or the Trustee, as the case may be, from and against all loss or damage arising out of, or as a result of, such deficiency. This indemnity shall constitute an obligation separate and independent from the other obligations contained in this Indenture or the Notes, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any holder or the Trustee from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due hereunder or under any judgment or order.

[FORM OF REVERSE SIDE OF NOTE]

[10.500]<sup>18</sup>[10.125]<sup>19</sup>% Second-Priority Senior Secured Note due 2026

1. Interest

Carnival Corporation, a Panamanian corporation (together with its successors and assigns under the Indenture, the “Issuer”), for value received, promises to pay interest on the principal amount of this Note from [●], 20[●] at the rate per annum shown above. Interest will be computed on the basis of a 360-day year of twelve 30-day months. The Issuer shall pay interest on overdue principal and interest, including Additional Amounts, if any, at a rate that is 1.0% higher than the interest rate on the Notes to the extent lawful. Any interest paid on this Note shall be increased to the extent necessary to pay Additional Amounts as set forth in this Note.

2. Additional Amounts

(a) All payments made by or on behalf of the Issuer or any of the Guarantors (including, in each case, any successor entity) under or with respect to the Notes or any Note Guarantee shall be made free and clear of and without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If the Issuer, any Guarantor or any other applicable withholding agent is required by law to withhold or deduct any amount for, or on account of, any Taxes imposed or levied by or on behalf of (1) any jurisdiction (other than the United States) in which the Issuer or any Guarantor is or was incorporated, engaged in business, organized or resident for tax purposes or any political subdivision thereof or therein or (2) any jurisdiction from or through which any payment is made by or on behalf of the Issuer or any Guarantor (including, without limitation, the jurisdiction of any Paying Agent) or any political subdivision thereof or therein (each of (1) and (2), a “Tax Jurisdiction”) in respect of any payments under or with respect to the Notes or any Note Guarantee, including, without limitation, payments of principal, redemption price, purchase price, interest or premium, the Issuer or the relevant Guarantor, as applicable, shall pay such additional amounts (the “Additional Amounts”) as may be necessary in order that the net amounts received and retained in respect of such payments by each beneficial owner of Notes after such withholding or deduction shall equal the respective amounts that would have been received and retained in respect of such payments in the absence of such withholding or deduction; *provided, however*, that no Additional Amounts shall be payable with respect to:

(1) any Taxes, to the extent such Taxes would not have been imposed but for the holder or the beneficial owner of the Notes (or a fiduciary, settlor, beneficiary, partner of, member or shareholder of, or possessor of a power over, the relevant holder, if the relevant holder is an estate, trust, nominee, partnership, limited liability company or corporation) being or having been a citizen or resident or national of, or incorporated, engaged in a trade or business in, being or having been physically present in or having a permanent establishment in, the relevant Tax Jurisdiction or having or having had any other present or former connection with the relevant Tax Jurisdiction, other than any

connection arising from the acquisition, ownership or disposition of Notes, the exercise or enforcement of rights under such Note, the Indenture or a Note Guarantee, or the receipt of payments in respect of such Note or a Note Guarantee;

(2) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Note for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the holder (except to the extent that the holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period);

(3) any estate, inheritance, gift, sale, transfer, personal property or similar Taxes;

(4) any Taxes payable other than by deduction or withholding from payments under, or with respect to, the Notes or any Note Guarantee;

(5) any Taxes to the extent such Taxes would not have been imposed or withheld but for the failure of the holder or beneficial owner of the Notes, following the Issuer's reasonable written request addressed to the holder at least 60 days before any such withholding or deduction would be imposed, to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the holder or beneficial owner is legally eligible to provide such certification or documentation;

(6) any Taxes imposed in connection with a Note presented for payment (where presentation is permitted or required for payment) by or on behalf of a holder or beneficial owner of the Notes to the extent such Taxes could have been avoided by presenting the relevant Note to, or otherwise accepting payment from, another Paying Agent;

(7) any Taxes imposed on or with respect to any payment by the Issuer or any of the Guarantors to the holder of the Notes if such holder is a fiduciary or partnership or any person other than the sole beneficial owner of such payment to the extent that such Taxes would not have been imposed on such payments had such holder been the sole beneficial owner of such Note;

(8) any Taxes that are imposed pursuant to current Section 1471 through 1474 of the Internal Revenue Code of 1986, as amended (the "Code") or any amended or successor version that is substantively comparable and not materially more onerous to comply with, any regulations promulgated thereunder, any official interpretations thereof, any intergovernmental agreement between a non-U.S. jurisdiction and the United States (or any related law or administrative practices or procedures) implementing the foregoing

or any agreements entered into pursuant to current Section 1471(b)(1) of the Code (or any amended or successor version described above); or

(9) any combination of clauses (1) through (8) above.

In addition to the foregoing, the Issuer and the Guarantors will also pay and indemnify the holder for any present or future stamp, issue, registration, value added, transfer, court or documentary Taxes, or any other excise or property taxes, charges or similar levies (including penalties, interest and additions to tax related thereto) which are levied by any jurisdiction on the execution, delivery, issuance, or registration of any of the Notes, the Indenture, any Note Guarantee or any other document referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Notes or any Note Guarantee (limited, solely in the case of Taxes attributable to the receipt of any payments, to any such Taxes imposed in a Tax Jurisdiction that are not excluded under clauses (1) through (3) or (5) through (9) above or any combination thereof).

(b) If the Issuer or any Guarantor, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Note Guarantee, the Issuer or the relevant Guarantor, as the case may be, will deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the Issuer or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officer's Certificates must also set forth any other information reasonably necessary to enable the Paying Agents to pay Additional Amounts to Holders on the relevant payment date. The Issuer or the relevant Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of Additional Amounts. The Trustee shall be entitled to rely absolutely on an Officer's Certificate as conclusive proof that such payments are necessary.

(c) The Issuer or the relevant Guarantor, if it is the applicable withholding agent, will make all withholdings and deductions (within the time period) required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuer or the relevant Guarantor will use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Issuer or the relevant Guarantor will furnish to the Trustee (or to a Holder upon request), within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or a Guarantor, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments (reasonably satisfactory to the Trustee) by such entity.

(d) Whenever in the Indenture or this Note there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes or any Note Guarantee, such mention shall be deemed to include mention of the payment of Additional Amounts to the

extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

Notes (which notice shall be irrevocable and given in accordance with the procedures set forth under Section 3.04 of the Indenture), at a Redemption Price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to the date fixed by the Issuer for redemption (a “Tax Redemption Date”) and all Additional Amounts (if any) then due or which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Notes or Note Guarantee, the Issuer or any Guarantor is or would be required to pay Additional Amounts (but, in the case of a Guarantor, only if the payment giving rise to such requirement cannot be made by the Issuer or another Guarantor without the obligation to pay Additional Amounts), and the Issuer or the relevant Guarantor cannot avoid any such payment obligation by taking reasonable measures available (including, for the avoidance of doubt, appointment of a new Paying Agent but excluding the reincorporation or reorganization of the Issuer or any Guarantor), and the requirement arises as a result of: (1) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the relevant Tax Jurisdiction which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of the Offering Memorandum, after such later date); or (2) any change in, or amendment to, the official application, administration or interpretation of such laws, regulations or rulings (including by virtue of a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of the Offering Memorandum, after such later date) (each of the foregoing clauses (1) and (2), a “Change in Tax Law”).

The Issuer shall not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuer or the relevant Guarantor would be obligated to make such payment or Additional Amounts if a payment in respect of the Notes or Note Guarantee were then due and at the time such notice is given, the obligation to pay Additional Amounts must remain in effect. Prior to the mailing of any notice of redemption of the Notes pursuant to the foregoing, the Issuer shall deliver the Trustee an opinion of independent tax counsel of recognized standing qualified under the laws of the relevant Tax Jurisdiction (which counsel shall be reasonably acceptable to the Trustee) to the effect that there has been a Change in Tax Law which would entitle the Issuer to redeem the Notes hereunder. In addition, before the Issuer mails notice of redemption of the Notes as described above, it shall deliver to the Trustee an Officer’s Certificate to the effect that it cannot avoid its obligation to pay Additional Amounts by the Issuer or the relevant Guarantor taking reasonable measures available to it.

The Trustee will accept and shall be entitled to rely on such Officer’s Certificate and opinion of counsel as sufficient evidence of the existence and satisfaction of the conditions as described above, in which event it will be conclusive and binding on all of the Holders.

The foregoing provisions of this paragraph 7 will apply, *mutatis mutandis*, to any successor of the Issuer (or any Guarantor) with respect to a Change in Tax Law occurring after the time such Person becomes successor to the Issuer (or any Guarantor).

16. No Recourse Against Others

A director, officer, employee, incorporator, member or shareholder, as such, of the Issuer or the Guarantors shall not have any liability for any obligations of the Issuer or the Guarantors under this Note, the other Notes, the Note Guarantees or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. “Fixed Charge Calculation Date” has the meaning assigned to such term in the definition of “Fixed Charge Coverage Ratio.”

“Fixed Charge Coverage Ratio” means, with respect to any Person for any period, the ratio of Consolidated EBITDA of such Person for such period to the Fixed Charges of such Person for such period. In the event that the Company or any of its Restricted Subsidiaries Incurs, repays, repurchases or redeems any Indebtedness or issues, repurchases or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated but prior to the event for which the calculation of the Fixed Charge Coverage Ratio is made (the “Fixed Charge Calculation Date”), then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect to such incurrence, repayment, repurchase or redemption of Indebtedness, or such issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period; *provided, however*, that the *pro forma* calculation of Fixed Charges shall not give effect to (i) any Permitted Debt incurred on the Fixed Charge Calculation Date or (ii) the discharge on the Fixed Charge Calculation Date of any Indebtedness to the extent that such discharge results from the proceeds of Permitted Debt.

In addition, for purposes of calculating the Fixed Charge Coverage Ratio, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP) and any operational changes, business realignment projects or initiatives, restructurings or reorganizations that the Company or any Restricted Subsidiary has determined to make and/or made during the four-quarter reference period or

subsequent to such reference period and on or prior to or simultaneously with the Fixed Charge Calculation Date (each, for purposes of this definition, a “pro forma event”) shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes, business realignment projects or initiatives, restructurings or reorganizations (and the change of any associated fixed charge obligations and the change in Consolidated EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Company or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, amalgamation, discontinued operation, operational change, business realignment project or initiative, restructuring or reorganization that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, discontinued operation, merger, amalgamation, consolidation, operational change, business realignment project or initiative, restructuring or reorganization had occurred at the beginning of the applicable four-quarter period. If since the beginning of such period any Restricted Subsidiary is designated an Unrestricted Subsidiary or any Unrestricted Subsidiary is designated a Restricted Subsidiary, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect thereto for such period as if such designation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to any pro forma event, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Company. Any such pro forma calculation may include adjustments appropriate, in the reasonable good faith determination of the Issuer as set forth in an Officer’s Certificate, to reflect operating expense reductions and other operating improvements, synergies or cost savings reasonably expected to result from the applicable event. Any calculation of the Fixed Charge Coverage Ratio may be made, at the option of the Issuer, either (i) at the time the Board of Directors of the Issuer approves the action necessitating the calculation of the Fixed Charge Coverage Ratio or (ii) at the completion of such action necessitating the calculation of the Fixed Charge Coverage Ratio.

If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Fixed Charge Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months). Interest on a Capital Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capital Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be

deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating Consolidated EBITDA for the applicable period.

Notwithstanding any of the foregoing, Fixed Charges shall not include (i) any payments on any operating leases, (ii) any non-cash interest expense resulting from the application of Accounting Standards Codification Topic 470-20 “Debt — Debt with Conversion Options — Recognition” or (iii) the interest component of all payments associated with Capital Lease Obligations.

## ARTICLE TWO

### THE NOTES

#### Section 2.01 The Notes.

(a) Form and Dating. The Notes and the Trustee’s (or the authenticating agent’s) certificate of authentication shall be substantially in the form of Exhibit A attached hereto with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture. The Notes may have notations, legends or endorsements required by law, the rules of any securities exchange agreements to which the Issuer is subject, if any, or usage; *provided* that any such notation, legend or endorsement is in form reasonably acceptable to the Issuer. The Issuer shall approve the form of the Notes. Each Note shall be dated the date of its authentication. The terms and provisions contained in the form of the Notes shall constitute and are hereby expressly made a part of this Indenture. The Notes shall be issued only in registered form without coupons and only in minimum denominations of \$2,000 in principal amount and any integral multiples of \$1,000 in excess thereof.

(b) Global Notes. Notes offered and sold to QIBs in reliance on Rule 144A shall be issued initially in the form of one or more Global Notes substantially in the form of Exhibit A attached hereto, with such applicable legends as are provided in Exhibit A attached hereto, except as otherwise permitted herein (the “Restricted Global Note”), which shall be deposited on behalf of the purchasers of the Notes represented thereby with a custodian for DTC, and registered in the name of DTC or its nominee, duly executed by the Issuer and authenticated by the Trustee (or its authenticating agent in accordance with Section 2.02) as hereinafter provided. The aggregate principal amount of the Restricted Global Note may from time to time be increased or decreased by adjustments made by the Registrar on Schedule A to the Restricted Global Note and recorded in the Security Register, as hereinafter provided.

Notes offered and sold in reliance on Regulation S shall be issued initially in the form of one or more Global Notes substantially in the form of Exhibit A attached hereto, with such applicable legends as are provided in Exhibit A attached hereto, except as otherwise permitted herein (the “Regulation S Global Note”), which shall be deposited on behalf of the purchasers of the Notes represented thereby with a custodian for DTC, and registered in the name of DTC or its nominee, duly executed by the Issuer and authenticated by the Trustee (or its authenticating agent in accordance with Section 2.02) as hereinafter provided. The aggregate principal amount of the Regulation S Global Note may from time to time be increased or decreased by adjustments made by the Registrar on Schedule A to the Regulation S Global Note and recorded in the Security Register, as hereinafter provided.

(c) Book-Entry Provisions. This Section 2.01(c) shall apply to the Regulation S Global Notes and the Restricted Global Notes (together, the “Global Notes”) deposited with or on behalf of DTC.

Members of, or participants and account holders in, DTC (including Euroclear and Clearstream) (“Participants”) shall have no rights under this Indenture with respect to any Global Note held on their behalf by DTC or by the Trustee or any custodian of DTC or under such Global Note, and DTC or its nominees may be treated by the Issuer, a Guarantor, the Trustee and any agent of the Issuer, a Guarantor or the Trustee as the sole owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, a Guarantor, the Trustee or any agent of the Issuer, a Guarantor or the Trustee from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC, on the one hand, and the Participants, on the other, the operation of customary practices of such persons governing the exercise of the rights of a Holder of a beneficial interest in any Global Note.

Subject to the provisions of Section 2.10(b), the registered Holder of a Global Note may grant proxies and otherwise authorize any Person, including Participants and Persons that may hold interests through Participants, to take any action that a Holder is entitled to take under this Indenture or the Notes.

Except as provided in Section 2.10, owners of a beneficial interest in Global Notes will not be entitled to receive physical delivery of Definitive Registered Notes.

#### Section 2.02 Execution and Authentication

. An authorized member of the Issuer’s Board of Directors or an executive officer of the Issuer shall sign the Notes on behalf of the Issuer by manual, electronic or facsimile signature.

If an authorized member of the Issuer’s Board of Directors or an executive officer whose signature is on a Note no longer holds that office at the time the Trustee (or its authenticating agent) authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid or obligatory for any purpose until an authorized signatory of the Trustee (or its authenticating agent) manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Issuer shall execute and, upon receipt of an Issuer Order, the Trustee shall authenticate (whether itself or via the authenticating agent) (a) Original Notes, on the date hereof, for original issue up to an aggregate principal amount of \$900,000,000 and (b) Additional Notes, from time to time, subject to compliance at the time of issuance of such Additional Notes with the provisions of Section 4.06 and Section 4.07. The Issuer is permitted to issue Additional Notes as part of a further issue under this Indenture, from time to time; *provided* that, any Additional Notes may not have the same CUSIP number and/or ISIN (or be represented by the

same Global Note or Global Notes) as the Notes unless the Additional Notes are fungible with the Notes for U.S. federal income tax purposes. The Issuer will issue Notes in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The Trustee may appoint an authenticating agent reasonably acceptable to the Issuer to authenticate the Notes. Unless limited by the terms of such appointment, any such authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by any such agent. An authenticating agent has the same rights as any Registrar, co-Registrar, Transfer Agent or Paying Agent to deal with the Issuer or an Affiliate of the Issuer.

The Trustee shall have the right to decline to authenticate and deliver any Notes under this Section 2.02 if the Trustee, being advised by counsel, determines that such action may not lawfully be taken or if the Trustee in good faith shall determine that such action would expose the Trustee to personal liability to existing Holders.

### Section 2.03 Registrar, Transfer Agent and Paying Agent

. The Issuer shall maintain an office or agency for the registration of the Notes and of their transfer or exchange (the “Registrar”), an office or agency where Notes may be transferred or exchanged (the “Transfer Agent”), an office or agency where the Notes may be presented for payment (the “Paying Agent” and references to the Paying Agent shall include the Principal Paying Agent) and an office or agency where notices or demands to or upon the Issuer in respect of the Notes may be served. The Issuer may appoint one or more Transfer Agents, one or more co-Registrars and one or more additional Paying Agents.

The Issuer or any of its Affiliates may act as Transfer Agent, Registrar, co-Registrar, Paying Agent and agent for service of notices and demands in connection with the Notes; *provided* that neither the Issuer nor any of its Affiliates shall act as Paying Agent for the purposes of Articles Three and Eight and Sections 4.09 and 4.11.

The Issuer hereby appoints (i) U.S. Bank National Association, located at 60 Livingston Avenue, St. Paul, MN 55107 (the “Principal Paying Agent”) and (ii) U.S. Bank National Association, located at 60 Livingston Avenue, St. Paul, MN 55107, as Registrar. Each hereby accepts such appointments. The Transfer Agent, Principal Paying Agent and Registrar and any authenticating agent are collectively referred to in this Indenture as the “Agents”. The roles, duties and functions of the Agents are of a mechanical nature and each Agent shall only perform those acts and duties as specifically set out in this Indenture and no other acts, covenants, obligations or duties shall be implied or read into this Indenture against any of the Agents. For the avoidance of doubt, a Paying Agent’s obligation to disburse any funds shall be subject to prior receipt by it of those funds to be disbursed.

Subject to any applicable laws and regulations, the Issuer shall cause the Registrar to keep a register (the “Security Register”) at its corporate trust office in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of ownership, exchange, and transfer of the Notes. Such registration in the Security Register shall

be conclusive evidence of the ownership of Notes. Included in the books and records for the Notes shall be notations as to whether such Notes have been paid, exchanged or transferred, canceled, lost, stolen, mutilated or destroyed and whether such Notes have been replaced. In the case of the replacement of any of the Notes, the Registrar shall keep a record of the Note so replaced and the Note issued in replacement thereof. In the case of the cancellation of any of the Notes, the Registrar shall keep a record of the Note so canceled and the date on which such Note was canceled.

The Issuer shall enter into an appropriate agency agreement with any Paying Agent or co-Registrar not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of any such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee may appoint a suitably qualified and reputable party to act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.05.

#### Section 2.04 Paying Agent to Hold Money

. Not later than 12:00 p.m. (New York, New York time), one Business Day prior to each due date of the principal, premium, if any, and interest on any Notes, the Issuer shall deposit with the Principal Paying Agent money in immediately available funds in U.S. dollars, sufficient to pay such principal, premium, if any, and interest so becoming due on the due date for payment under the Notes. The Issuer shall procure payment confirmation on or prior to the third Business Day preceding payment. The Principal Paying Agent (and, if applicable, each other Paying Agent) shall remit such payment in a timely manner to the Holders on the relevant due date for payment, it being acknowledged by each Holder that if the Issuer deposits such money with the Principal Paying Agent after the time specified in the immediately preceding sentence, the Principal Paying Agent shall remit such money to the Holders on the relevant due date for payment, unless such remittance is impracticable having regard to applicable banking procedures and timing constraints, in which case the Principal Paying Agent shall remit such money to the Holders on the next Business Day, but without liability for any interest resulting from such late payment. For the avoidance of doubt, the Principal Paying Agent shall only be obliged to remit money to Holders if it has actually received such money from the Issuer in clear funds. The Principal Paying Agent shall promptly notify the Trustee of any default by the Issuer (or any other obligor on the Notes) in making any payment. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed, and the Trustee may at any time during the continuance of any payment default, upon written request to a Paying Agent, require such Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed. Upon doing so, the Paying Agent shall have no further liability for the money so paid over to the Trustee. If the Issuer or any Affiliate of the Issuer acts as Paying Agent, it shall, on or before each due date of any principal, premium, if any, or interest on the Notes, segregate and hold in a separate trust fund for the benefit of the Holders a sum of money sufficient to pay such principal, premium, if any, or interest so becoming due until such sum of money shall be paid to such Holders or otherwise disposed of as provided in this Indenture, and shall promptly notify the Trustee of its action or failure to act.

The Trustee may, if the Issuer has notified it in writing that the Issuer intends to effect a defeasance or to satisfy and discharge this Indenture in accordance with the provisions of Article Eight, notify the Paying Agent in writing of this fact and require the Paying Agent (until notified by the Trustee to the contrary) to act thereafter as Paying Agent of the Trustee and not the Issuer in relation to any amounts deposited with it in accordance with the provisions of Article Eight.

#### Section 2.05 Holder Lists

. The Registrar shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee, in writing no later than the Record Date for each Interest Payment Date and at such other times as the Trustee may request in writing, a list, in such form and as of such Record Date as the Trustee may reasonably require, of the names and addresses of Holders, including the aggregate principal amount of Notes held by each Holder.

#### Section 2.06 Transfer and Exchange

(a) Where Notes are presented to the Registrar or a co-Registrar with a request to register a transfer or to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall register the transfer or make the exchange in accordance with the requirements of this Section 2.06. To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee (or the authenticating agent) shall, upon receipt of an Issuer Order, authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes, of any authorized denominations and of a like aggregate principal amount, at the Registrar's request; *provided* that no Note of less than \$2,000 may be transferred or exchanged. No service charge shall be made for any registration of transfer or exchange of Notes (except as otherwise expressly permitted herein), but the Issuer may require payment of a sum sufficient to cover any agency fee or similar charge payable in connection with any such registration of transfer or exchange of Notes (other than any agency fee or similar charge payable in connection with any redemption of the Notes or upon exchanges pursuant to Sections 2.10, 3.07 or 9.04) or in accordance with an Asset Sale Offer pursuant to Section 4.09 or Change of Control Offer pursuant to Section 4.11, not involving a transfer.

Upon presentation for exchange or transfer of any Note as permitted by the terms of this Indenture and by any legend appearing on such Note, such Note shall be exchanged or transferred upon the Security Register and one or more new Notes shall be authenticated and issued in the name of the Holder (in the case of exchanges only) or the transferee, as the case may be. No exchange or transfer of a Note shall be effective under this Indenture unless and until such Note has been registered in the name of such Person in the Security Register. Furthermore, the exchange or transfer of any Note shall not be effective under this Indenture unless the request for such exchange or transfer is made by the Holder or by a duly authorized attorney-in-fact at the office of the Registrar.

Every Note presented or surrendered for registration of transfer or for exchange shall (if so required by the Issuer or the Registrar) be duly endorsed, or be accompanied by a written instrument of transfer, in form satisfactory to the Issuer and the Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing.

All Notes issued upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer evidencing the same indebtedness, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such registration of transfer or exchange.

Neither the Issuer nor the Trustee, Registrar or any Paying Agent shall be required (i) to issue, register the transfer of, or exchange any Note during a period beginning at the opening of 15 days before the day of the delivery of a notice of redemption of Notes selected for redemption under Section 3.02 and ending at the close of business on the day of such delivery, or (ii) to register the transfer of or exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(b) Notwithstanding any provision to the contrary herein, so long as a Global Note remains outstanding and is held by or on behalf of DTC, transfers of a Global Note, in whole or in part, or of any beneficial interest therein, shall only be made in accordance with Section 2.01(c), Section 2.06(a) and this Section 2.06(b); *provided* that a beneficial interest in a Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Global Note in accordance with the transfer restrictions set forth in the restricted Note legend on the Note, if any.

(i) Except for transfers or exchanges made in accordance with either of clauses (ii) or (iii) of this Section 2.06(b), transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to nominees of DTC or to a successor of DTC or such successor's nominee.

(ii) Restricted Global Note to Regulation S Global Note. If the holder of a beneficial interest in the Restricted Global Note at any time wishes to exchange its interest in such Restricted Global Note for an interest in the Regulation S Global Note, or to transfer its interest in such Restricted Global Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in the Regulation S Global Note, such transfer or exchange may be effected, only in accordance with this clause (ii) and the rules and procedures of DTC, in each case to the extent applicable (the "Applicable Procedures"). Upon receipt by the Registrar from the Transfer Agent of (A) written instructions directing the Registrar to credit or cause to be credited an interest in the Regulation S Global Note in a specified principal amount and to cause to be debited an interest in the Restricted Global Note in such specified principal amount, and (B) a certificate in the form of Exhibit B attached hereto given by the holder of such beneficial interest stating that the transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Notes and (x) pursuant to and in accordance with Regulation S or (y) that the interest in the Restricted Global Note being transferred is being transferred in a transaction permitted by Rule 144, then the Registrar shall reduce or cause to be reduced the principal amount of the Restricted Global Note and shall cause

DTC to increase or cause to be increased the principal amount of the Regulation S Global Note by the aggregate principal amount of the interest in the Restricted Global Note to be exchanged or transferred.

(iii) Regulation S Global Note to Restricted Global Note. If the holder of a beneficial interest in the Regulation S Global Note at any time wishes to transfer such interest to a Person who wishes to take delivery thereof in the form of a beneficial interest in the Restricted Global Note, such transfer may be effected only in accordance with this clause (iii) and the Applicable Procedures. Upon receipt by the Registrar from the Transfer Agent of (A) written instructions directing the Registrar to credit or cause to be credited an interest in the Restricted Global Note in a specified principal amount and to cause to be debited an interest in the Regulation S Global Note in such specified principal amount, and (B) a certificate in the form of Exhibit C attached hereto given by the holder of such beneficial interest stating that the transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Notes and stating that (x) the Person transferring such interest reasonably believes that the Person acquiring such interest is a QIB and is obtaining such interest in a transaction meeting the requirements of Rule 144A and any applicable securities laws of any state of the United States or (y) that the Person transferring such interest is relying on an exemption other than Rule 144A from the registration requirements of the U.S. Securities Act and, in such circumstances, such Opinion of Counsel as the Issuer or the Trustee may reasonably request to ensure that the requested transfer or exchange is being made pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act, then the Registrar shall reduce or cause to be reduced the principal amount of the Regulation S Global Note and to increase or cause to be increased the principal amount of the Restricted Global Note by the aggregate principal amount of the interest in such Regulation S Global Note to be exchanged or transferred.

(c) If Notes are issued upon the transfer, exchange or replacement of Notes bearing the restricted Notes legends set forth in Exhibit A attached hereto, the Notes so issued shall bear the restricted Notes legends, and a request to remove such restricted Notes legends from Notes shall not be honored unless there is delivered to the Issuer such satisfactory evidence, which may include an Opinion of Counsel licensed to practice law in the State of New York, as may be reasonably required by the Issuer, that neither the legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A or Rule 144 under the U.S. Securities Act. Upon provision of such satisfactory evidence, the Trustee, at the direction of the Issuer, shall (or shall direct the authenticating agent to) authenticate and deliver Notes that do not bear the legend.

(d) The Trustee, the Security Agent and the Agents shall have no responsibility for any actions taken or not taken by the DTC, Euroclear or Clearstream, as the case may be.

(e) Notwithstanding anything to the contrary in this Section 2.06, the Issuer is not required to register the transfer of any Definitive Registered Notes:

- (i) for a period of 15 days prior to any date fixed for the redemption of the Notes;
- (ii) for a period of 15 days immediately prior to the date fixed for selection of Notes to be redeemed in part;
- (iii) for a period of 15 days prior to the Record Date with respect to any Interest Payment Date;
- (iv) which the Holder has tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Sale Offer.

#### Section 2.07 Replacement Notes

. If a mutilated Definitive Registered Note is surrendered to the Registrar or if the Holder claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall (or shall direct the authenticating agent to), upon receipt of an Issuer Order, authenticate a replacement Note in such form as the Note mutilated, lost, destroyed or wrongfully taken if the Holder satisfies any other reasonable requirements of the Issuer and any requirement of the Trustee. If required by the Trustee or the Issuer, such Holder shall furnish an indemnity bond sufficient in the judgment of the Issuer and the Trustee to protect the Issuer, the Trustee, the Security Agent, the Paying Agent, the Transfer Agent, the Registrar and any co-Registrar, and any authenticating agent, from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Note.

In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note shall be an additional obligation of the Issuer.

The provisions of this Section 2.07 are exclusive and will preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or wrongfully taken Notes.

#### Section 2.08 Outstanding Notes

. Notes outstanding at any time are all Notes authenticated by or on behalf of the Trustee except for those cancelled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Subject to Section 2.09, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the Note that has been replaced is held by a bona fide purchaser.

If the Paying Agent holds, in accordance with this Indenture, on a Redemption Date or maturity date money sufficient to pay all principal, interest and Additional Amounts, if any, payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

#### Section 2.09 Notes Held by Issuer

. In determining whether the Holders of the required principal amount of Notes have concurred in any direction or consent or any amendment, modification or other change to this Indenture, Notes owned by the Issuer or by any of its Affiliates shall be disregarded and treated as if they were not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent or any amendment, modification or other change to this Indenture, only Notes which a Trust Officer of the Trustee actually knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to the Notes and that the pledgee is not the Issuer or any of its Affiliates.

#### Section 2.10 Definitive Registered Notes

(a) A Global Note deposited with a custodian for DTC pursuant to Section 2.01 shall be transferred in whole to the Beneficial Owners thereof in the form of Definitive Registered Notes only if such transfer complies with Section 2.06 and (i) DTC notifies the Issuer that it is unwilling or unable to continue to act as depository for such Global Note or DTC ceases to be registered as a clearing agency under the Exchange Act, and in each case a successor depository is not appointed by the Issuer within 120 days of such notice, (ii) the Issuer, at its option, executes and delivers to the Trustee an Officer's Certificate stating that such Global Note shall be so exchangeable or (iii) the owner of a Book-Entry Interest requests such an exchange in writing delivered through DTC following an Event of Default under this Indenture. Notice of any such transfer shall be given by the Issuer in accordance with the provisions of Section 12.02(a).

(b) Any Global Note that is transferable to the Beneficial Owners thereof in the form of Definitive Registered Notes pursuant to this Section 2.10 shall be surrendered by the custodian for DTC, to the Transfer Agent, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall itself or via the authenticating agent authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount at maturity of Notes of authorized denominations in the form of Definitive Registered Notes. Any portion of a Global Note transferred or exchanged pursuant to this Section 2.10 shall be executed, authenticated and delivered only in registered form in minimum denominations of \$2,000 and any integral multiples of \$1,000 in excess thereof and registered in such names as DTC may direct. Subject to the foregoing, a Global Note is not exchangeable except for a

Global Note of like denomination to be registered in the name of DTC or its nominee. In the event that a Global Note becomes exchangeable for Definitive Registered Notes, payment of principal, premium, if any, and interest on the Definitive Registered Notes will be payable, and the transfer of the Definitive Registered Notes will be registrable, at the office or agency of the Issuer maintained for such purposes in accordance with Section 2.03. Such Definitive Registered Notes shall bear the applicable legends set forth in Exhibit A attached hereto.

(c) In the event of the occurrence of any of the events specified in Section 2.10(a), the Issuer shall promptly make available to the Trustee and the authenticating agent a reasonable supply of Definitive Registered Notes in definitive, fully registered form without interest coupons.

#### Section 2.11 Cancellation

. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee, in accordance with its customary procedures, and no one else shall cancel (subject to the record retention requirements of the Exchange Act and the Trustee's retention policy) all Notes surrendered for registration of transfer, exchange, payment or cancellation and dispose of such cancelled Notes in its customary manner. Except as otherwise provided in this Indenture, the Issuer may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation.

#### Section 2.12 Defaulted Interest

. Any interest on any Note that is payable, but is not punctually paid or duly provided for, on the dates and in the manner provided in the Notes and this Indenture (all such interest herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Issuer, at its election in each case, as provided in clause (a) or (b) below:

(a) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes are registered at the close of business on a special record date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuer may deposit with the Paying Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest; or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held for the benefit of the Persons entitled to such Defaulted Interest as provided in this clause. In addition, the Issuer shall fix a special record date for the payment of such Defaulted Interest, such date to be not more than 15 days and not less than 10 days prior to the proposed payment date and not less than 15 days after the receipt by the Trustee of the notice of the proposed payment date. The Issuer shall promptly but, in any event, not less than 15 days prior to the special record date, notify the Trustee of such special record date and, in the name and at the expense of the Issuer, the Trustee shall cause notice of the proposed payment date of such

Defaulted Interest and the special record date therefor to be delivered first-class, postage prepaid to each Holder as such Holder's address appears in the Security Register, not less than 10 days prior to such special record date. Notice of the proposed payment date of such Defaulted Interest and the special record date therefor having been so delivered, such Defaulted Interest shall be paid to the Persons in whose names the Notes are registered at the close of business on such special record date and shall no longer be payable pursuant to clause (b) below.

(b) The Issuer may make payment of any Defaulted Interest on the Notes in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee of the proposed payment date pursuant to this clause, such manner of payment shall be deemed reasonably practicable.

Subject to the foregoing provisions of this Section 2.12, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

#### Section 2.13 Computation of Interest

. Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months.

#### Section 2.14 ISIN and CUSIP

. The Issuer in issuing the Notes may use ISIN and CUSIP numbers (if then generally in use), and, if so, the Trustee shall use ISIN and CUSIP numbers, as appropriate, in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers or codes either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall promptly notify the Trustee of any change in the ISIN or CUSIP numbers.

#### Section 2.15 Issuance of Additional Notes

. The Issuer may, subject to Section 4.06 of this Indenture, issue Additional Notes under this Indenture in accordance with the procedures of Section 2.02. Except as provided herein, the Original Notes issued on the Issue Date and any Additional Notes subsequently issued shall be treated as a single class for all purposes under this Indenture.

### **ARTICLE THREE**

#### **REDEMPTION; OFFERS TO PURCHASE**

Section 3.01 Right of Redemption. The Issuer may redeem all or any portion of the Notes upon the terms and at the Redemption Prices set forth in the Notes. Any redemption pursuant to this Section 3.01 shall be made pursuant to the provisions of this Article Three.

Section 3.02 Notices to Trustee

. If the Issuer elects to redeem Notes pursuant to Section 3.01, it shall notify the Trustee in writing of the Redemption Date and the record date, the principal amount of Notes to be redeemed, the Redemption Price and the paragraph of the Notes pursuant to which the redemption will occur.

The Issuer shall give each notice to the Trustee provided for in this Section 3.02 in writing at least 10 days before the date notice is delivered to the Holders pursuant to Section 3.04 unless the Trustee consents to a shorter period. Such notice shall be accompanied by an Officer's Certificate from the Issuer to the effect that such redemption will comply with the conditions herein. If fewer than all the Notes are to be redeemed, the record date relating to such redemption shall be selected by the Issuer and given to the Trustee, which record date shall be not less than 15 days after the date of notice to the Trustee.

Section 3.03 Selection of Notes to Be Redeemed

. If fewer than all of the Notes are to be redeemed at any time, the Trustee shall select the Notes to be redeemed by a method that complies with the requirements, as certified to it by the Issuer, of the principal securities exchange, if any, on which the Notes are listed at such time, and in compliance with the requirements of the relevant clearing system or, if the Notes are not listed on a securities exchange, or such securities exchange prescribes no method of selection and the Notes are not held through clearing system or the clearing system prescribes no method of selection, on a pro rata basis, by lot or by such other method as the Trustee deems fair and appropriate; *provided, however*, that no such partial redemption shall reduce the portion of the principal amount of a Note not redeemed to less than \$2,000.

The Trustee shall make the selection from the Notes outstanding and not previously called for redemption. The Trustee may select for redemption portions equal to \$1,000 in principal amount and any integral multiple thereof; *provided* that no Notes of \$2,000 in principal amount or less may be redeemed in part. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Issuer promptly in writing of the Notes or portions of Notes to be called for redemption.

The Trustee shall not be liable for selections made in accordance with the provisions of this Section 3.03 or for selections made by DTC.

Section 3.04 Notice of Redemption

(a) At least 10 days but not more than 60 days before a date for redemption of the Notes, the Issuer shall deliver a notice of redemption by first-class mail to each Holder to be redeemed at its address contained in the Security Register, except that redemption notices may be delivered more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture, and shall comply with the provisions of Section 12.01(b).

(b) The notice shall identify the Notes to be redeemed (including ISIN and CUSIP numbers) and shall state:

(i) the Redemption Date and the record date;

(ii) the appropriate calculation of the Redemption Price and the amount of accrued interest, if any, and Additional Amounts, if any, to be paid;

(iii) the name and address of the Paying Agent;

(iv) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price plus accrued interest, if any, and Additional Amounts, if any;

(v) that, if any Note is being redeemed in part, the portion of the principal amount (equal to \$1,000 in principal amount or any integral multiple thereof) of such Note to be redeemed and that, on and after the Redemption Date, upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion thereof will be reissued;

(vi) that, if any Note contains an ISIN or CUSIP number, no representation is being made as to the correctness of such ISIN or CUSIP number either as printed on the Notes or as contained in the notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes;

(vii) that, unless the Issuer and the Guarantors default in making such redemption payment, interest on the Notes (or portion thereof) called for redemption shall cease to accrue on and after the Redemption Date; and

(viii) the paragraph of the Notes or section of this Indenture pursuant to which the Notes called for redemption are being redeemed.

At the Issuer's written request, the Trustee shall give a notice of redemption in the Issuer's name and at the Issuer's expense. In such event, the Issuer shall provide the Trustee with the notice and the other information required by this Section 3.04.

For Notes which are represented by global certificates held on behalf of DTC, notices may be given by delivery of the relevant notices to DTC for communication to entitled account holders in substitution for the aforesaid delivery.

(c) Notice of any redemption upon any corporate transaction or other event (including any Equity Offering, incurrence of Indebtedness, Change of Control or other transaction) may be given prior to the completion thereof, and any redemption or notice thereof may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a corporate transaction or other event. If any redemption is so subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition and, if applicable, shall state that, in the Issuer's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in the Issuer's discretion), and/or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in the Issuer's discretion) by the redemption date, or by the redemption date as so delayed, and/or that such notice may be rescinded at any time by the Issuer if the Issuer determines in its discretion that any or all of such conditions will not be satisfied (or waived). In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

#### Section 3.05 Deposit of Redemption Price

. At least one Business Day prior to any Redemption Date, by no later than 12:00 p.m. (New York, New York time) on that date, the Issuer shall deposit or cause to be deposited with the Paying Agent (or, if the Issuer or any of its Affiliates is the Paying Agent, shall segregate and hold in trust) a sum in same day funds sufficient to pay the Redemption Price of and accrued interest and Additional Amounts, if any, on all Notes to be redeemed on that date other than Notes or portions of Notes called for redemption that have previously been delivered by the Issuer to the Trustee for cancellation. The Paying Agent shall return to the Issuer following a written request by the Issuer any money so deposited that is not required for that purpose.

#### Section 3.06 Payment of Notes Called for Redemption

. If notice of redemption has been given in the manner provided below, the Notes or portion of Notes specified in such notice to be redeemed shall become due and payable on the Redemption Date at the Redemption Price stated therein, together with accrued interest to such Redemption Date, and on and after such date (unless the Issuer shall default in the payment of such Notes at the Redemption Price and accrued interest to the Redemption Date, in which case the principal, until paid, shall bear interest from the Redemption Date at the rate prescribed in the Notes) such Notes shall cease to accrue interest. Upon surrender of any Note for redemption in accordance with a notice of redemption, such Note shall be paid and redeemed by the Issuer at the Redemption Price, together with accrued interest, if any, to the Redemption Date; *provided* that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders registered as such at the close of business on the relevant Record Date.

Notice of redemption shall be deemed to be given when delivered, whether or not the Holder receives the notice. In any event, failure to give such notice, or any defect therein, shall not affect the validity of the proceedings for the redemption of Notes held by Holders to whom such notice was properly given.

### Section 3.07 Notes Redeemed in Part

(a) Upon surrender of a Global Note that is redeemed in part, the Paying Agent shall forward such Global Note to the Registrar who shall make a notation on the Security Register to reduce the principal amount of such Global Note to an amount equal to the unredeemed portion of the Global Note surrendered; *provided* that each such Global Note shall be in a principal amount at final Stated Maturity of \$2,000 or an integral multiple of \$1,000 in excess thereof.

(b) Upon surrender and cancellation of a Definitive Registered Note that is redeemed in part, the Issuer shall execute and the Trustee shall authenticate for the Holder (at the Issuer's expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered and canceled; *provided* that each such Definitive Registered Note shall be in a principal amount at final Stated Maturity of \$2,000 or an integral multiple of \$1,000 in excess thereof.

### Section 3.08 Redemption for Changes in Taxes

. The Issuer may redeem the Notes, in whole but not in part, at its discretion at any time upon giving not less than 10 nor more than 60 days' prior written notice to the Holders of the Notes (which notice shall be irrevocable and given in accordance with the procedures set forth under Section 3.04), at a Redemption Price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to the date fixed by the Issuer for redemption (a "Tax Redemption Date") and all Additional Amounts (if any) then due or which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Notes or Note Guarantee, the Issuer or any Guarantor is or would be required to pay Additional Amounts (but, in the case of a Guarantor, only if the payment giving rise to such requirement cannot be made by the Issuer or another Guarantor without the obligation to pay Additional Amounts), and the Issuer or the relevant Guarantor cannot avoid any such payment obligation by taking reasonable measures available (including, for the avoidance of doubt, appointment of a new Paying Agent but excluding the reincorporation or reorganization of the Issuer or any Guarantor), and the requirement arises as a result of:

(a) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the relevant Tax Jurisdiction which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of the Offering Memorandum, after such later date); or

(b) any change in, or amendment to, the official application, administration or interpretation of such laws, regulations or rulings (including by virtue of a holding, judgment or

order by a court of competent jurisdiction or a change in published practice), which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of this Offering Memorandum, after such later date) (each of the foregoing clauses (a) and (b), a “Change in Tax Law”).

The Issuer shall not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuer or the relevant Guarantor would be obligated to make such payment or Additional Amounts if a payment in respect of the Notes or Note Guarantee were then due and at the time such notice is given, the obligation to pay Additional Amounts must remain in effect. Prior to the delivery of any notice of redemption of the Notes pursuant to the foregoing, the Issuer shall deliver the Trustee an opinion of independent tax counsel of recognized standing qualified under the laws of the relevant Tax Jurisdiction (which counsel shall be reasonably acceptable to the Trustee) to the effect that there has been a Change in Tax Law which would entitle the Issuer to redeem the Notes hereunder. In addition, before the Issuer delivers a notice of redemption of the Notes as described above, it shall deliver to the Trustee an Officer’s Certificate to the effect that it cannot avoid its obligation to pay Additional Amounts by the Issuer or the relevant Guarantor taking reasonable measures available to it.

The Trustee will accept and shall be entitled to rely on such Officer’s Certificate and opinion of counsel as sufficient evidence of the existence and satisfaction of the conditions as described above, in which event it will be conclusive and binding on all of the Holders.

The foregoing provisions of this Section 3.08 will apply, *mutatis mutandis*, to any successor of the Issuer (or any Guarantor) with respect to a Change in Tax Law occurring after the time such Person becomes successor to the Issuer (or any Guarantor).

## ARTICLE FOUR

### COVENANTS

Section 4.01 Payment of Notes. The Issuer and the Guarantors, jointly and severally, covenant and agree for the benefit of the Holders that they shall duly and punctually pay the principal of, premium, if any, interest and Additional Amounts, if any, on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Subject to Section 2.04, principal, premium, if any, interest and Additional Amounts, if any, shall be considered paid on the date due if on such date the Trustee or the Paying Agent (other than the Issuer or any of its Affiliates) holds, as of 10:00 a.m. (New York, New York time) on the due date, in accordance with this Indenture, money sufficient to pay all principal, premium, if any, interest and Additional Amounts, if any, then due. If the Issuer or any of its Affiliates acts as Paying Agent, principal, premium, if any, interest and Additional Amounts, if any, shall be considered paid on the due date if the entity acting as Paying Agent complies with Section 2.04.

The Issuer or the Guarantors shall pay interest on overdue principal at the rate specified therefor in the Notes. The Issuer or the Guarantors shall pay interest on overdue installments of interest at the same rate to the extent lawful.

#### Section 4.02 Corporate Existence

. Subject to Article Five, the Issuer and each Guarantor shall do or cause to be done all things necessary to preserve and keep in full force and effect their corporate, partnership, limited liability company or other existence and the rights (charter and statutory), licenses and franchises of the Issuer, the Company and each Guarantor; *provided* that the Company shall not be required to preserve any such right, license or franchise if the Board of Directors of the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and the Guarantors as a whole.

#### Section 4.03 Maintenance of Properties

. The Issuer shall cause all properties owned by it or any Guarantor or used or held for use in the conduct of its business or the business of any Guarantor to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and shall cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Issuer may be necessary so that the business carried on in connection therewith may be properly and advantageously conducted at all times; *provided* that nothing in this Section 4.03 shall prevent the Issuer from discontinuing the maintenance of any such properties if such discontinuance is, in the judgment of the Issuer, desirable in the conduct of the business of the Issuer and the Guarantors as a whole.

#### Section 4.04 Insurance

. The Issuer shall maintain, and shall cause the Guarantors to maintain, insurance with carriers believed by the Issuer to be responsible, against such risks and in such amounts, and with such deductibles, retentions, self-insured amounts and coinsurance provisions, as the Issuer believes are customarily carried by businesses similarly situated and owning like properties, including as appropriate general liability, property and casualty loss insurance (but on the basis that the Company and the Guarantors self-insure Vessels for certain war risks); *provided* that in no event shall the Company and the Guarantors be required to obtain any business interruption, loss of hire or delay in delivery insurance.

#### Section 4.05 Statement as to Compliance

(a) The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year or within 14 days of written request by the Trustee, an Officer's Certificate stating that in the course of the performance by the signer of its duties as an Officer of the Issuer he would normally have knowledge of any Default and whether or not the signer knows of any Default that occurred during such period and, if any, specifying such Default, its status and what

action the Issuer is taking or proposed to take with respect thereto. For purposes of this Section 4.05(a), such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

(b) If the Issuer shall become aware that (i) any Default or Event of Default has occurred and is continuing or (ii) any Holder seeks to exercise any remedy hereunder with respect to a claimed Default under this Indenture or the Notes, the Issuer shall promptly, and in any event within 30 days, deliver to the Trustee an Officer's Certificate specifying such event, notice or other action (including any action the Issuer is taking or propose to take in respect thereof).

#### Section 4.06 Incurrence of Indebtedness and Issuance of Preferred Stock

(a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "incur") any Indebtedness (including Acquired Debt), and the Company will not and will not permit any Restricted Subsidiary to issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of preferred stock; *provided, however*, that the Company may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock, and the Restricted Subsidiaries may incur Indebtedness (including Acquired Debt) or issue preferred stock, if the Fixed Charge Coverage Ratio for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or such preferred stock is issued, as the case may be, would have been at least 2.0 to 1.0, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock or the preferred stock had been issued, as the case may be, at the beginning of such four-quarter period.

(b) Section 4.06(a) shall not, however, prohibit the incurrence of any of the following items of Indebtedness, without duplication (collectively, "Permitted Debt"):

(1) (i) Indebtedness under the Credit Facilities in an aggregate principal amount at any time outstanding not to exceed the greater of \$3,000.0 million and 6.9% of Total Tangible Assets of the Company, (ii) Indebtedness under the EIB Facility in an aggregate principal amount at any time outstanding not to exceed the greater of €203.4 million and 0.6% of Total Tangible Assets of the Company, (iii) Indebtedness under the Existing Revolving Facility in an aggregate principal amount at any time outstanding not to exceed the greater of (x) the sum of \$1,700.0 million, €1,000.0 million and £300.0 million and (y) 7.3% of Total Tangible Assets of the Company, (iv) Indebtedness under the Existing Secured Notes in an aggregate principal amount at any time outstanding not to exceed the greater of \$4,192.0 million and 9.7% of Total Tangible Assets of the Company, (v) Indebtedness under the Existing Term Loan Facility in an aggregate principal amount at any time outstanding not to exceed the greater of (x) the sum of \$1,860.0 million and €800.0 million and (y) 6.3% of Total Tangible Assets of

the Company and (vi) Indebtedness under the 2026 Second-Priority Notes in an aggregate principal amount at any time outstanding not to exceed the greater of (x) the sum of \$775.0 million and €425.0 million and (y) 2.6% of Total Tangible Assets of the Company;

(2) (i) the incurrence by the Company and its Restricted Subsidiaries of Existing Indebtedness (other than Indebtedness under the Convertible Notes, the EIB Facility, the Existing Revolving Facility, the Existing Term Loan Facility, the Existing Secured Notes and the 2026 Second-Priority Notes) and (ii) the incurrence by the Issuer and the Guarantors of Indebtedness represented by the Convertible Notes and the related Guarantees, in an aggregate principal amount at any time outstanding not to exceed the aggregate amount of such Indebtedness outstanding on the Issue Date;

(3) the incurrence by the Issuer and the Guarantors of Indebtedness represented by the Notes issued on the Issue Date and the related Note Guarantees;

(4) the incurrence by the Company or any Restricted Subsidiary of Indebtedness represented by Attributable Debt, Capital Lease Obligations, mortgage financings or purchase money obligations, the issuance by the Company or any Restricted Subsidiary of Disqualified Stock and the issuance by any Restricted Subsidiary of preferred stock, in each case, incurred or issued for the purpose of financing all or any part of the purchase price, lease expense, rental payments or cost of design, construction, installation, repair, replacement or improvement of property (including Vessels), plant or equipment or other assets (including Capital Stock) used in the business of the Company or any of its Restricted Subsidiaries, in an aggregate principal amount or liquidation preference, including all Permitted Refinancing Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred or Disqualified Stock or preferred stock issued pursuant to this clause (4), not to exceed the greater of \$600.0 million and 1.5% of Total Tangible Assets at any time outstanding (it being understood that any such Indebtedness may be incurred and such Disqualified Stock and preferred stock may be issued after the acquisition, purchase, charter, leasing or rental or the design, construction, installation, repair, replacement or the making of any improvement with respect to any asset (including Vessels)); *provided* that any such property (including Vessels), plant or equipment or other assets do not constitute Collateral; *provided further* that the principal amount of any Indebtedness, Disqualified Stock or preferred stock permitted under this clause (4) did not in each case at the time of incurrence exceed, together with amounts previously incurred and outstanding under this clause (4) with respect to any applicable Vessel, (i) in the case of a completed Vessel, the book value and (ii) in the case of an uncompleted Vessel, 80% of the contract price for the acquisition or construction of such Vessel, in the case of this clause (ii), as determined on the date on which the agreement for acquisition or construction of such Vessel was entered into by the Company or its Restricted Subsidiary, *plus* any other Ready for Sea Cost of such Vessel *plus* 100% of any related export credit insurance premium;

(5) the incurrence by any Restricted Subsidiary of Indebtedness, the issuance by the Company or any Restricted Subsidiary of Disqualified Stock and the issuance by any Restricted Subsidiary of preferred stock in connection with any New Vessel Financing in

(7) the incurrence by the Company or any Restricted Subsidiary of intercompany Indebtedness between or among the Company or any Restricted Subsidiary; *provided* that:

(12) Indebtedness, Disqualified Stock or preferred stock (i) of any Person outstanding on the date on which such Person becomes a Restricted Subsidiary or is merged, consolidated, amalgamated or otherwise combined with (including pursuant to any acquisition of assets and assumption of related liabilities) the Company or any Restricted Subsidiary or (ii) incurred or issued to provide all or any portion of the funds used to consummate the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was otherwise acquired by the Company or a Restricted Subsidiary; *provided, however*, with respect to this clause (12), that at the time of the acquisition or other transaction pursuant to which such Indebtedness, Disqualified Stock or preferred stock was deemed to be incurred or issued, (x) the Company would have been able to incur \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.06(a) after giving *pro forma* effect to the relevant acquisition or other transaction and the incurrence of such Indebtedness or issuance of such Disqualified Stock or preferred stock pursuant to this clause (12) or (y) the Fixed Charge Coverage Ratio for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or Disqualified Stock or preferred stock is issued pursuant to this clause (12), taken as one period, would not be less than it was immediately prior to giving *pro forma* effect to such acquisition or other transaction and the incurrence of such Indebtedness or issuance of such Disqualified Stock or preferred stock;

(13) Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for customary indemnification, obligations in respect of earnouts or other adjustments of purchase price or, in each case, similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business or assets or Person or any Equity Interests of a Subsidiary; *provided* that (in the case of a disposition) the maximum liability of the Company and its Restricted Subsidiaries in respect of all such Indebtedness shall at no time exceed the gross proceeds, including the Fair Market Value of non-cash proceeds (measured at the time received and without giving effect to any subsequent changes in value), actually received by the Company and its Restricted Subsidiaries in connection with such disposition;

(14) the incurrence by the Company or any Restricted Subsidiary of Indebtedness in the form of Unearned Customer Deposits and advance payments received in the ordinary course of business from customers for goods and services purchased in the ordinary course of business;

(15) Indebtedness of the Company or any Restricted Subsidiary incurred in connection with credit card processing arrangements or other similar payment processing arrangements entered into in the ordinary course of business;

(16) the incurrence by the Company or any Restricted Subsidiary of Indebtedness, the issuance by the Company or any Restricted Subsidiary of Disqualified Stock and the issuance by any Restricted Subsidiary of preferred stock to finance the replacement (through construction or acquisition) of a Vessel upon an Event of Loss of such Vessel in an aggregate amount no greater than the Ready for Sea Cost for such replacement Vessel, in each case less all compensation, damages and other payments (including insurance proceeds other than in respect of business interruption insurance) received by the Company or any of its Restricted Subsidiaries from any Person in connection with such Event of Loss in excess of amounts actually used to repay Indebtedness secured by the Vessel subject to such Event of Loss and any costs and expenses incurred by the Company or any of its Restricted Subsidiaries in connection with such Event of Loss;

(17) the incurrence by the Company or any Restricted Subsidiary of Indebtedness in relation to (i) regular maintenance required on any of the Vessels owned or chartered by the Company or any of its Restricted Subsidiaries, and (ii) any expenditures that are, or are reasonably expected to be, recoverable from insurance on such Vessels;

(18) the incurrence of Indebtedness by the Company or any Restricted Subsidiary of Indebtedness, the issuance by the Company or any Restricted Subsidiary of Disqualified Stock and the issuance by any Restricted Subsidiary of preferred stock in an aggregate principal amount (or accreted value, as applicable) at any time outstanding, including all Permitted Refinancing Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred or Disqualified Stock or preferred stock issued pursuant to this clause (18), not to exceed the greater of \$2,000.0 million and 4.6% of Total Tangible Assets; and

(19) Indebtedness existing solely by reason of Permitted Liens described in clause (29) of the definition thereof.

(c) Neither the Issuer nor any Guarantor will incur any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Issuer or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuer or any Guarantor solely by virtue of being unsecured.

(d) For purposes of determining compliance with this Section 4.06, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (19) of Section 4.06(b), or is entitled to be incurred pursuant to Section 4.06(a), the Issuer, in its sole discretion, will be permitted to classify such item of Indebtedness on the date of its incurrence and only be required to include the amount and type of such Indebtedness in one of such clauses and will be permitted on the date of such incurrence to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Sections 4.06(a) and (b) and from time to time to reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.06.

(e) In connection with the incurrence or issuance, as applicable, of (x) revolving loan Indebtedness or (y) any commitment relating to the incurrence or issuance of Indebtedness, Disqualified Stock or preferred stock, in each case, in compliance with this Section 4.06, and the granting of any Lien to secure such Indebtedness, the Issuer or applicable Restricted Subsidiary may, at its option, designate such incurrence or issuance and the granting of any Lien therefor as having occurred on the date of first incurrence of such revolving loan Indebtedness or commitment (such date, the “Deemed Date”), and any related subsequent actual incurrence or issuance and granting of such Lien therefor will be deemed for all purposes under this Indenture to have been incurred or issued and granted on such Deemed Date, including, without limitation, for purposes of calculating the Fixed Charge Coverage Ratio, usage of any baskets described herein (if applicable), the Consolidated Total Leverage Ratio, the Loan-to-Value Ratio and Consolidated EBITDA (and all such calculations on and after the Deemed Date until the termination or funding of such commitment shall be made on a pro forma basis giving effect to the deemed incurrence or issuance, the granting of any Lien therefor and related transactions in connection therewith).

(f) The accrual of interest or preferred stock dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, the payment of dividends on preferred stock or Disqualified Stock in the form of additional shares of the same class of preferred stock or Disqualified Stock, the accretion of liquidation preference and the increase in the amount of Indebtedness outstanding solely as a result of fluctuations in exchange rates or currency values will not be deemed to be an incurrence of Indebtedness or an issuance of preferred stock or

Disqualified Stock for purposes of this Section 4.06; *provided*, in each such case, that the amount of any such accrual, accretion, amortization, payment, reclassification or increase is included in the Fixed Charges of the Company as accrued.

(g) For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a different currency shall be utilized, calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred or, in the case of Indebtedness incurred under a revolving credit facility and at the option of the Issuer, first committed; *provided* that (a) if such Indebtedness is incurred to refinance other Indebtedness denominated in a currency other than U.S. dollars, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing indebtedness does not exceed the aggregate principal amount of such Indebtedness being refinanced; and (b) if and for so long as any Indebtedness is subject to a Hedging Obligation with respect to the currency in which such Indebtedness is denominated covering principal amounts payable on such Indebtedness, the amount of such Indebtedness, if denominated in U.S. dollars, will be the amount of the principal payment required to be made under such Hedging Obligation and, otherwise, the U.S. dollar-equivalent of such amount plus the U.S. dollar-equivalent of any premium which is at such time due and payable but is not covered by such Hedging Obligation.

(h) Notwithstanding any other provision of this Section 4.06, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may incur pursuant to this Section 4.06 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values. The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which such Permitted Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

(i) The amount of any Indebtedness outstanding as of any date will be:

- (i) in the case of any Indebtedness issued with original issue discount, the amount of the liability in respect thereof determined in accordance with GAAP;
- (ii) the principal amount of the Indebtedness, in the case of any other Indebtedness; and
- (iii) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:
  - (A) the Fair Market Value of such assets at the date of determination; and

(B) the amount of the Indebtedness of the other Person.

#### Section 4.07 Liens

(a) The Company shall not and shall not cause or permit any of the Guarantors to, directly or indirectly, create, incur, assume or otherwise cause to exist or become effective any Lien of any kind securing Indebtedness upon any of their property or assets, now owned or hereafter acquired, except:

(1) in the case of any property or assets that constitute Collateral, Permitted Collateral Liens, which may be secured on a senior basis to, *pari passu* basis with or junior basis to the Liens on the Collateral securing the Note Obligations, subject to Section 4.25; and

(2) in the case of any property or assets that do not constitute Collateral, (A) Permitted Liens or (B) a Lien on such property or assets that is not a Permitted Lien (each Lien under clause (B), a “Triggering Lien”) if, contemporaneously with (or prior to) the incurrence of such Triggering Lien, all Note Obligations are secured on an equal and ratable basis with or on a senior basis to the obligations so secured until such time as such obligations are no longer secured by such Triggering Lien; *provided* that, (i) if the Indebtedness secured by such Triggering Lien is subordinate or junior in right of payment to the Notes or a Note Guarantee, as the case may be, then such Triggering Lien securing such Indebtedness shall be subordinate or junior in priority to the Lien securing the Note Obligations, (ii) if Senior-Priority Obligations are also required to be secured by Liens on such property or assets pursuant to provisions in the Senior-Priority Documents that are similar to this clause (b), the Liens on such property or assets securing the Note Obligations may rank junior in priority to the Liens on such property or assets securing such Senior-Priority Obligations pursuant to an Additional Intercreditor Agreement.

(b) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “Increased Amount” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms or in the form of common stock of the Company, the payment of dividends on preferred stock in the form of additional shares of preferred stock of the same class, the accretion of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness. For the avoidance of doubt, any Lien that is permitted under this Indenture to secure Indebtedness shall also be permitted to secure any obligations related to such Indebtedness.

(c) Any Lien created in favor of this Indenture and the Notes or a Note Guarantee pursuant to Section 4.07(a)(2) will be automatically and unconditionally released and discharged (i) upon the release and discharge of the Triggering Lien to which it relates and (ii) otherwise as set forth under Section 11.04.

Section 4.08 Restricted Payments

(a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly:

(A) declare or pay any dividend or make any other payment or distribution on account of the Company's or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) or to the direct or indirect holders of the Company's or any of its Restricted Subsidiaries' Equity Interests in their capacity as holders (other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of the Company or in Subordinated Shareholder Funding and other than dividends or distributions payable to the Company or a Restricted Subsidiary);

(C) make any principal payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value, any Indebtedness of the Issuer or any Guarantor that is expressly contractually subordinated in right of payment to the Notes or to any Note Guarantee (excluding any intercompany Indebtedness between or among the Company and any of its Restricted Subsidiaries), except (i) a payment of principal at the Stated Maturity thereof or (ii) the purchase, repurchase, redemption, defeasance or other acquisition of Indebtedness purchased in anticipation of satisfying a sinking fund obligation, principal installment or scheduled maturity, in each case due within one year of the date of such purchase, repurchase, redemption, defeasance or other acquisition, or make any cash interest payment on, or purchase, repurchase, redeem, defease or otherwise acquire or retire for value, any Subordinated Shareholder Funding; or

(D) make any Restricted Investment

(all such payments and other actions set forth in these clauses (A) through (D) above being collectively referred to as "Restricted Payments"), unless, at the time of such Restricted Payment:

(ii) after giving *pro forma* effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, the Company would have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.06(a);

(iii) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and its Restricted Subsidiaries since the 2023 Secured Notes Issue Date (excluding Restricted Payments permitted by clauses (1) (without duplication of amounts paid pursuant to any other clause of Section 4.08(b)), (2), (3), (4), (5), (6), (7), (8), (9), (10) and (11) of Section 4.08(b)), is less than the sum, without duplication, of:

(A) 50% of the Consolidated Net Income of the Company for the period (taken as one accounting period) from the first day of the fiscal quarter commencing immediately following the fiscal quarter in which the 2023 Secured Notes Issue Date occurred to the end of the Company's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); *plus*

(B) 100% of the aggregate net cash proceeds and the Fair Market Value of other assets received by the Company since the 2023 Secured Notes Issue Date as a contribution to its common equity capital or from the issue or sale of Equity Interests of the Company (other than Disqualified Stock) or Subordinated Shareholder Funding or from the issue or sale of convertible or exchangeable Disqualified Stock of the Company or any Restricted Subsidiary or convertible or exchangeable debt securities of the Company or any Restricted Subsidiary, in each case that have been converted into or exchanged for Equity Interests of the Company or Subordinated Shareholder Funding (other than (x) net cash proceeds and marketable securities received from an issuance or sale of Equity Interests, Disqualified Stock or convertible or exchangeable debt securities sold to a Subsidiary of the Company, (y) net cash proceeds and marketable securities received from an issuance or sale of convertible or exchangeable Disqualified Stock or convertible or exchangeable debt securities that have been converted into, exchanged or redeemed for Disqualified Stock and (z) net cash proceeds and marketable securities to the extent any Restricted Payment has been made from such proceeds pursuant to Section 4.08(b)(4)); *plus*

(C) to the extent that any Restricted Investment that was made after the 2023 Secured Notes Issue Date is (i) sold, disposed of or otherwise cancelled, liquidated or repaid, 100% of the aggregate amount received in cash and the Fair Market Value of marketable securities received; or (ii) made in an entity that subsequently becomes a Restricted Subsidiary, 100% of the Fair Market Value of

such Restricted Investment as of the date such entity becomes a Restricted Subsidiary; *plus*

(D) to the extent that any Unrestricted Subsidiary of the Company designated as such after the 2023 Secured Notes Issue Date is redesignated as a Restricted Subsidiary, or is merged or consolidated into the Company or a Restricted Subsidiary, or all of the assets of such Unrestricted Subsidiary are transferred to the Company or a Restricted Subsidiary, in each case, after the 2023 Secured Notes Issue Date, the Fair Market Value of the Company's Restricted Investment in such Subsidiary as of the date of such redesignation, merger, consolidation or transfer of assets to the extent such investments reduced the restricted payments capacity under this clause (iii) and were not previously repaid or otherwise reduced; *provided, however*, that no amount will be included in Consolidated Net Income of the Company for purposes of the preceding clause (A) to the extent that it is included under this clause (D); *plus*

(E) 100% of any dividends or distributions received by the Company or a Restricted Subsidiary after the 2023 Secured Notes Issue Date from an Unrestricted Subsidiary to the extent that such dividends or distributions were not otherwise included in the Consolidated Net Income of the Company for such period (excluding, for the avoidance of doubt, repayments of, or interest payments in respect of, any Permitted Investment pursuant to clause (16) of the definition thereof); and

(iv) at least one year shall have elapsed since the 2023 Secured Notes Issue Date, and (x) in the case of a Restricted Payment made on or after the first anniversary of the 2023 Secured Notes Issue Date and before the second anniversary of the 2023 Secured Notes Issue Date, the Consolidated Total Leverage Ratio of the Company and its Restricted Subsidiaries would not have been greater than 6.00:1.00 on a *pro forma* basis and (y) in the case of a Restricted Payment made on or after the second anniversary of the 2023 Secured Notes Issue Date, the Consolidated Total Leverage Ratio of the Company and its Restricted Subsidiaries would not have been greater than 5.00:1.00 on a *pro forma* basis.

(b) The preceding provisions will not prohibit the following ("Permitted Payments"):

(1) the payment of any dividend or distribution or the consummation of any redemption within 60 days after the date of declaration of the dividend or distribution or giving of the redemption notice, as the case may be, if at the date of declaration or notice, the dividend or distribution or redemption payment would have complied with the provisions of this Indenture;

(2) the making of any Restricted Payment in exchange for, or out of or with the net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of the Company) of, Equity Interests of the Company (other than Disqualified

Stock) or Subordinated Shareholder Funding or from the substantially concurrent contribution of common equity capital to the Company; *provided* that the amount of any such net cash proceeds that are utilized for any such Restricted Payment will be excluded from Section 4.08(a)(iii)(B);

(3) the purchase, repurchase, redemption, defeasance or other acquisition or retirement for value of Indebtedness of the Issuer or any Guarantor that is contractually subordinated to the Notes or to any Note Guarantee with the net cash proceeds from an incurrence of Permitted Refinancing Indebtedness;

(4) so long as no Default or Event of Default has occurred and is continuing, the purchase, repurchase, redemption or other acquisition or retirement for value of any Equity Interests of the Company or any Restricted Subsidiary held by any current or former officer, director, employee or consultant of the Company or any of its Restricted Subsidiaries pursuant to any equity subscription agreement, stock option agreement, restricted stock grant, shareholders' agreement or similar agreement; *provided* that the aggregate price paid for all such purchased, repurchased, redeemed, acquired or retired Equity Interests may not exceed \$25.0 million in the aggregate in any twelve-month period with unused amounts being carried over to any subsequent twelve-month period subject to a maximum aggregate amount of \$50.0 million being available in any twelve-month period; and *provided, further*, that such amount in any twelve-month period may be increased by an amount not to exceed the cash proceeds from the sale of Equity Interests of the Company or Subordinated Shareholder Funding, in each case, received by the Company during such twelve-month period, in each case to members of management, directors or consultants of the Company, any of its Restricted Subsidiaries or any of its direct or indirect parent companies to the extent the cash proceeds from the sale of such Equity Interests or Subordinated Shareholder Funding have not otherwise been applied to the making of Restricted Payments pursuant to Section 4.08(a)(iii)(C) or Section 4.08(b)(2);

(5) the repurchase of Equity Interests deemed to occur upon the exercise of stock options to the extent such Equity Interests represent a portion of the exercise price of those stock options;

(6) so long as no Default or Event of Default has occurred and is continuing, the declaration and payment of regularly scheduled or accrued dividends to holders of any class or series of Disqualified Stock of the Company or any preferred stock of any Restricted Subsidiary issued on or after the 2023 Secured Notes Issue Date in accordance with Section 4.06;

(7) payments of cash, dividends, distributions, advances or other Restricted Payments by the Company or any of its Restricted Subsidiaries to allow the payment of cash in lieu of the issuance of fractional shares upon (i) the exercise of options or warrants or (ii) the conversion or exchange of Capital Stock of any such Person;

(8) the payment of any dividend (or, in the case of any partnership or limited liability company, any similar distribution) by a Restricted Subsidiary to the holders of its Equity Interests (other than the Company or any Restricted Subsidiary) on no more than a *pro rata* basis;

(9) the making of (i) cash payments made by the Company or any of its Restricted Subsidiaries in satisfaction of the conversion obligation upon conversion of convertible Indebtedness issued in a convertible notes offering and (ii) any payments by the Company or any of its Restricted Subsidiaries pursuant to the exercise, settlement or termination of any related capped call, hedge, warrant or other similar transactions;

(10) with respect to any Tax period in which any of the Restricted Subsidiaries are members of a consolidated, combined, unitary or similar income Tax group for U.S. federal or applicable state and local, or non-U.S. income Tax purposes (a "Tax Group") of which a Parent Company, or any subsidiary of a Parent Company, is a common parent, or for which such Restricted Subsidiary is disregarded for U.S. federal income tax purposes as separate from a Parent Company, or any subsidiary of a Parent Company that is a C corporation for U.S. federal income tax purposes, payments by each such Restricted Subsidiary in an amount not to exceed the amount of its allocable share of any U.S. federal, state and/or local and/or foreign income Taxes, as applicable, of such Tax Group for such taxable period that are attributable to the income, revenue, receipts or capital of such Restricted Subsidiary in an aggregate amount not to exceed the amount of such income Taxes that such Restricted Subsidiaries would have paid had it been a standalone corporate tax payer or standalone corporate tax group (without duplication, for the avoidance of doubt, of any such Taxes paid by such Restricted Subsidiary directly to the relevant taxing authority); and

(11) other Restricted Payments in an aggregate amount not to exceed \$225.0 million since the 2023 Secured Notes Issue Date so long as, immediately after giving effect to such Restricted Payment, no Default or Event of Default has occurred and is continuing.

The amount of all Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment.

For purposes of determining compliance with this covenant, (1) in the event that a proposed Restricted Payment (or portion thereof) meets the criteria of one or more categories (or subparts thereof) of Permitted Payments or Permitted Investments, or is entitled to be incurred pursuant to the first paragraph of this covenant, the Company will be entitled to classify or re-classify such Restricted Payment (or portion thereof) based on circumstances existing on the date of such reclassification in any manner that complies with this covenant, and such Restricted Payment (or portion thereof) will be treated as having been made pursuant to the first paragraph of this covenant or such clause or clauses (or subparts thereof) in the definition of Permitted

Payments or Permitted Investments, (2) the amount of any return of or on capital from any Investment shall be netted against the amount of such Investment for purposes of determining compliance with this covenant and (3) payments made among the Company and its Restricted Subsidiaries pursuant to the agreements, constituent documents, guarantees, deeds and other instruments governing the “dual listed company” structure of the Company shall not be deemed to be Restricted Payments.

#### Section 4.09 Asset Sales

(a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, consummate an Asset Sale unless:

(1) the Company (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) at least 75% of the consideration received in the Asset Sale by the Company or such Restricted Subsidiary is in the form of cash, Cash Equivalents or Replacement Assets or a combination thereof (which determination may be made by the Issuer, at its option, either (x) at the time such Asset Sale is approved by the Issuer’s Board of Directors or (y) at the time the Asset Sale is completed). For purposes of this clause (2), each of the following will be deemed to be cash:

(A) any liabilities, as recorded on the balance sheet of the Company or any Restricted Subsidiary (other than contingent liabilities or liabilities that are by their terms subordinated to the Notes or the Notes Guarantees), that are assumed by the transferee of any such assets and as a result of which the Company and its Restricted Subsidiaries are no longer obligated with respect to such liabilities or are indemnified against further liabilities or that are otherwise retired or repaid;

(B) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of the Asset Sale, to the extent of the cash or Cash Equivalents received in that conversion;

(C) any Capital Stock or assets of the kind referred to in Section 4.09(b)(2) or (4);

(D) Indebtedness (other than Indebtedness that is by its terms subordinated to the Notes or the Notes Guarantees) of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Sale, to the

extent that Carnival plc and each other Restricted Subsidiary are released from any Guarantee of such Indebtedness in connection with such Asset Sale;

(E) consideration consisting of Indebtedness of the Company or any Guarantor received from Persons who are not the Company or any Restricted Subsidiary; and

(F) consideration other than cash, Cash Equivalents or Replacement Assets received by the Company or any Restricted Subsidiary in Asset Sales with a Fair Market Value not exceeding \$250.0 million in the aggregate outstanding at any one time.

(b) Within 450 days after the receipt of any Net Proceeds from an Asset Sale, any Event of Loss, the Company (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds:

(1) to repurchase the Notes pursuant to an offer to all Holders at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest to (but not including) the date of purchase (a “Notes Offer”);

(2) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business; *provided* that (i) after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary and (ii) to the extent the assets that were the subject of such Asset Sale or Event of Loss comprised part of the Collateral, the assets comprising such Permitted Business shall also be pledged as Collateral;

(3) to make a capital expenditure; *provided* that to the extent the assets that were the subject of such Asset Sale or Event of Loss comprised part of the Collateral, such capital expenditures shall be made in respect of assets that are Collateral;

(4) to acquire other assets (other than Capital Stock) not classified as current assets under GAAP that are used or useful in a Permitted Business; *provided* that to the extent the assets that were the subject of such Asset Sale or Event of Loss comprised part of the Collateral, the assets being acquired shall also be pledged as Collateral;

(5) to repurchase, prepay, redeem or repay Indebtedness (a) that is secured by a Lien on the Collateral ranking *pari passu* with or senior to the Liens on the Collateral securing the Notes in accordance with Section 4.06, Section 4.07 and Section 4.25; *provided* that in connection with any repurchase, prepayment, redemption or repayment of revolving credit Indebtedness pursuant to this clause (a), the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment to be permanently reduced in an amount equal to the principal amount so repurchased, prepaid, redeemed or repaid; (b) upon the sale of assets that do

not constitute Collateral, of a Restricted Subsidiary which is not a Guarantor (other than Indebtedness owed to the Company or a Restricted Subsidiary), or Indebtedness of the Issuer or any Guarantor that is secured by a Lien (*provided* that the assets secured by such Lien do not constitute Collateral) or (c) of the Issuer or a Guarantor which is secured by a Lien on the Collateral and which is *pari passu* or senior in right of payment with the Notes or any Note Guarantee; *provided* that, in the case of this clause (c), the Company (or the applicable Restricted Subsidiary) may repurchase, prepay, redeem or repay such *pari passu* Indebtedness only if the Company (or the applicable Restricted Subsidiary) makes an offer to all Holders to purchase their Notes in accordance with the provisions set forth below for an Asset Sale Offer for an aggregate principal amount of Notes at least equal to the proportion that (x) the total aggregate principal amount of Notes outstanding bears to (y) the sum of the total aggregate principal amount of Notes outstanding plus the total aggregate principal amount outstanding of such *pari passu* Indebtedness;

(6) to enter into a binding commitment to apply the Net Proceeds pursuant to clause (2), (3) or (4) of this Section 4.09(b); *provided* that such binding commitment (or any subsequent commitments replacing the initial commitment that may be cancelled or terminated) shall be treated as a permitted application of the Net Proceeds from the date of such commitment until the earlier of (x) the date on which such acquisition or expenditure is consummated and (y) the 180th day following the expiration of the aforementioned 450 day period; or

(7) any combination of the foregoing.

Pending the final application of any Net Proceeds, the Company (or the applicable Restricted Subsidiary) may temporarily reduce borrowings under any revolving credit facility, or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(c) Any Net Proceeds from Asset Sales or an Event of Loss that are not applied or invested as provided in Section 4.09(b) (it being understood that any portion of such Net Proceeds used to make an offer to purchase Notes as described in Section 4.09(b)(1) or (5) above shall be deemed to have been applied or invested whether or not such Notes Offer is accepted) will constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$250.0 million (or at an earlier time, at the option of the Issuer), within ten Business Days thereof, the Company will make an offer (an "Asset Sale Offer") to all Holders and may make an offer to all holders of other Indebtedness that is secured by a Lien on the Collateral and that is *pari passu* with the Notes or any Note Guarantees with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets or events of loss to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (plus all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price for the Notes in any Asset Sale Offer will be equal to 100% of the principal amount, plus accrued and unpaid interest and Additional Amounts, if any, to the date of purchase, prepayment or redemption, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant interest payment date, and will be payable in

cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and such other *pari passu* Indebtedness tendered into (or to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, or if the aggregate amount of Notes tendered pursuant to a Notes Offer exceeds the amount of the Net Proceeds so applied, the Trustee will select the Notes and such other *pari passu* Indebtedness, if applicable, to be purchased on a *pro rata* basis (or in the manner provided in Section 3.03), based on the amounts tendered or required to be prepaid or redeemed. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

The Company will comply with the requirements of Rule 14e-1 under the U.S. Exchange Act and any other securities laws and regulations (and rules of any exchange on which the Notes are then listed) to the extent those laws, regulations or rules are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer or a Notes Offer. To the extent that the provisions of any securities laws or regulations or exchange rules conflict with the Asset Sale or Notes Offer provisions of this Indenture, the Company will comply with the applicable securities laws, regulations and rules and will not be deemed to have breached its obligations under the Asset Sale or Notes Offer provisions of this Indenture by virtue of such compliance.

#### Section 4.10 Transactions with Affiliates

(a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, make any payment to or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each, an “Affiliate Transaction”) involving aggregate payments or consideration in excess of \$100.0 million, unless:

(1) the Affiliate Transaction is on terms that are, taken as a whole, no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with a Person who is not such an Affiliate; and

(2) the Issuer delivers to the Trustee, with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$250.0 million, a resolution of the Board of Directors of the Issuer set forth in an Officer’s Certificate certifying that such Affiliate Transaction complies with this Section 4.10 and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of the Issuer (or in the event there is only one disinterested director, by such disinterested director, or, in the event there are no disinterested directors, by unanimous approval of the members of the Board of Directors of the Issuer).

(b) Notwithstanding the foregoing, the following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.10(a):

(i) any employment agreement, collective bargaining agreement, consulting agreement or employee benefit arrangements with any employee, consultant, officer or director of the Company or any Restricted Subsidiary, including under any stock option, stock appreciation rights, stock incentive or similar plans, entered into in the ordinary course of business;

(ii) transactions between or among the Company and/or its Restricted Subsidiaries;

(iii) transactions with a Person (other than an Unrestricted Subsidiary of the Company) that is an Affiliate of the Company solely because the Company owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(iv) payment of reasonable and customary fees, salaries, bonuses, compensation, other employee benefits and reimbursements of expenses (pursuant to indemnity arrangements or otherwise) of Officers, directors, employees or consultants of the Company or any of its Restricted Subsidiaries;

(v) any issuance of Equity Interests (other than Disqualified Stock) of the Company to Affiliates of the Company or any issuance of Subordinated Shareholder Funding;

(vi) Restricted Payments that do not violate Section 4.08;

(vii) transactions pursuant to or contemplated by any agreement in effect on the Issue Date and transactions pursuant to any amendment, modification or extension to such agreement, so long as such amendment, modification or extension, taken as a whole, is not materially more disadvantageous to the Holders than the original agreement as in effect on the Issue Date;

(viii) Permitted Investments (other than Permitted Investments described in clauses (3), (4), (5), (15) and (16) of the definition thereof);

(ix) Management Advances;

(x) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture that are fair to the Company or the Restricted Subsidiaries in the reasonable determination of the members of the Board of Directors of the Issuer or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated Person;

- (xi) the granting and performance of any registration rights for the Company's Capital Stock;
- (xii) any contribution to the capital of the Company;
- (xiii) pledges of Equity Interests of Unrestricted Subsidiaries;

(xiv) transactions with respect to which the Company has obtained an opinion of an accounting, appraisal or investment banking firm of international standing, or other recognized independent expert of international standing with experience appraising the terms and conditions of the type of transaction or series of related transactions for which an opinion is required, stating that the transaction or series of related transactions is (A) fair from a financial point of view taking into account all relevant circumstances or (B) on terms not less favorable than might have been obtained in a comparable transaction at such time on an arm's-length basis from a Person who is not an Affiliate;

(xv) transactions made pursuant to the agreements, constituent documents, guarantees, deeds and other instruments governing the "dual listed company" structure of the Company; and

(xvi) transactions undertaken in good faith (as certified by a responsible financial or accounting officer of the Issuer in an Officer's Certificate) between the Company and any other Person or a Restricted Subsidiary and any other Person with which the Company or any of its Restricted Subsidiaries files a combined, consolidated, unitary or similar group tax return or which the Company or any of its Restricted Subsidiaries is part of a group for tax purposes that are effected for the purpose of improving the combined, consolidated, unitary or similar group tax efficiency of the Company and its Subsidiaries and not for the purpose of circumventing any provision of this Indenture.

#### Section 4.11 Purchase of Notes upon a Change of Control

(a) If a Change of Control Triggering Event occurs at any time, then the Company shall make an offer (a "Change of Control Offer") to each Holder to purchase such Holder's Notes, at a purchase price (the "Change of Control Purchase Price") in cash in an amount equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of purchase (the "Change of Control Purchase Date") (subject to the rights of Holders on the relevant Record Dates to receive interest due on the relevant Interest Payment Date).

(b) Within 30 days following any Change of Control Triggering Event, the Company shall deliver a notice to each Holder of the Notes at such Holder's registered address or otherwise deliver a notice in accordance with the procedures set forth in Section 3.04, which notice shall state:

(A) that a Change of Control Triggering Event has occurred, and the date it occurred, and that a Change of Control Offer is being made;

(B) the circumstances and relevant facts regarding such Change of Control (including, but not limited to, applicable information with respect to *pro forma* historical income, cash flow and capitalization after giving effect to the Change of Control);

(C) the Change of Control Purchase Price and the Change of Control Purchase Date, which shall be a Business Day no earlier than 30 days nor later than 60 days from the date such notice is delivered, pursuant to the procedures required by this Indenture and described in such notice;

(D) that any Note accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Purchase Date unless the Change of Control Purchase Price is not paid;

(E) that any Note (or part thereof) not tendered shall continue to accrue interest; and

(F) any other procedures that a Holder must follow to accept a Change of Control Offer or to withdraw such acceptance.

(c) On the Change of Control Purchase Date, the Company shall, to the extent lawful:

(i) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(ii) deposit with the paying agent an amount equal to the Change of Control Purchase Price in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

(d) The Paying Agent shall promptly deliver to each Holder which has properly tendered and so accepted the Change of Control Offer for such Notes, and the Trustee (or an authenticating agent appointed by the Company) shall promptly authenticate and deliver (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. Any Note so accepted for payment will cease to accrue interest on or after the Change of Control Purchase Date. The Company shall publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Purchase Date.

(e) This Section 4.11 will be applicable whether or not any other provisions of this Indenture are applicable.

(f) If the Change of Control Purchase Date is on or after an interest Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender pursuant to the Change of Control Offer.

(g) The Company will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer or (2) a notice of redemption has been given pursuant to the provisions of paragraph 6 of the Notes, unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

(h) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations (and rules of any exchange on which the Notes are then listed) to the extent those laws, regulations or rules are applicable in connection with the repurchase of the Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations or exchange rules conflict with the Change of Control provisions of this Indenture, the Company shall comply with the applicable securities laws, regulations and rules and will not be deemed to have breached its obligations under this Indenture by virtue of such compliance.

#### Section 4.12 Additional Amounts

(a) All payments made by or on behalf of the Issuer or any of the Guarantors (including, in each case, any successor entity) under or with respect to the Notes or any Note Guarantee shall be made free and clear of and without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If the Issuer, any Guarantor or any other applicable withholding agent is required by law to withhold or deduct any amount for, or on account of, any Taxes imposed or levied by or on behalf of (1) any jurisdiction (other than the United States) in which the Issuer or any Guarantor is or was incorporated, engaged in business, organized or resident for tax purposes or any political subdivision thereof or therein or (2) any jurisdiction from or through which any payment is made by or on behalf of the Issuer or any Guarantor (including, without limitation, the jurisdiction of any Paying Agent) or any political subdivision thereof or therein (each of (1) and (2), a "Tax Jurisdiction") in respect of any payments under or with respect to the Notes or any Note Guarantee, including, without limitation, payments of principal, redemption price, purchase price, interest or premium, the Issuer or the relevant Guarantor, as applicable, shall pay such additional amounts (the "Additional Amounts") as may be necessary in order that the net amounts received and retained in respect of such payments by each beneficial owner of Notes

after such withholding or deduction will equal the respective amounts that would have been received and retained in respect of such payments in the absence of such withholding or deduction; *provided, however*, that no Additional Amounts shall be payable with respect to:

(1) any Taxes, to the extent such Taxes would not have been imposed but for the holder or the beneficial owner of the Notes (or a fiduciary, settlor, beneficiary, partner of, member or shareholder of, or possessor of a power over, the relevant holder, if the relevant holder is an estate, trust, nominee, partnership, limited liability company or corporation) being or having been a citizen or resident or national of, or incorporated, engaged in a trade or business in, being or having been physically present in or having a permanent establishment in, the relevant Tax Jurisdiction or having or having had any other present or former connection with the relevant Tax Jurisdiction, other than any connection arising from the acquisition, ownership or disposition of Notes, the exercise or enforcement of rights under such Note, this Indenture or a Note Guarantee, or the receipt of payments in respect of such Note or a Note Guarantee;

(2) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Note for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the holder (except to the extent that the holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period);

(3) any estate, inheritance, gift, sale, transfer, personal property or similar Taxes;

(4) any Taxes payable other than by deduction or withholding from payments under, or with respect to, the Notes or any Note Guarantee;

(5) any Taxes to the extent such Taxes would not have been imposed or withheld but for the failure of the holder or beneficial owner of the Notes, following the Issuer's reasonable written request addressed to the holder at least 60 days before any such withholding or deduction would be imposed, to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the holder or beneficial owner is legally eligible to provide such certification or documentation;

(6) any Taxes imposed in connection with a Note presented for payment (where presentation is permitted or required for payment) by or on behalf of a holder or beneficial owner of the Notes to the extent such Taxes could have been avoided by presenting the relevant Note to, or otherwise accepting payment from, another Paying Agent;

(7) any Taxes imposed on or with respect to any payment by the Issuer or any of the Guarantors to the holder of the Notes if such holder is a fiduciary or partnership or any person other than the sole beneficial owner of such payment to the extent that such Taxes

would not have been imposed on such payments had such holder been the sole beneficial owner of such Note;

(8) any Taxes that are imposed pursuant to current Section 1471 through 1474 of the Code or any amended or successor version that is substantively comparable and not materially more onerous to comply with, any regulations promulgated thereunder, any official interpretations thereof, any intergovernmental agreement between a non-U.S. jurisdiction and the United States (or any related law or administrative practices or procedures) implementing the foregoing or any agreements entered into pursuant to current Section 1471(b)(1) of the Code (or any amended or successor version described above); or

(9) any combination of clauses (1) through (8) above.

In addition to the foregoing, the Issuer and the Guarantors shall also pay and indemnify the holder for any present or future stamp, issue, registration, value added, transfer, court or documentary Taxes, or any other excise or property taxes, charges or similar levies (including penalties, interest and additions to tax related thereto) which are levied by any jurisdiction on the execution, delivery, issuance, or registration of any of the Notes, this Indenture, any Note Guarantee or any other document referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Notes or any Note Guarantee (limited, solely in the case of Taxes attributable to the receipt of any payments, to any such Taxes imposed in a Tax Jurisdiction that are not excluded under clauses (1) through (3) or (5) through (9) above or any combination thereof).

(b) If the Issuer or any Guarantor, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Note Guarantee, the Issuer or the relevant Guarantor, as the case may be, shall deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the Issuer or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officer's Certificates must also set forth any other information reasonably necessary to enable the Paying Agents to pay Additional Amounts to Holders on the relevant payment date. The Issuer or the relevant Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of Additional Amounts. The Trustee shall be entitled to rely absolutely on an Officer's Certificate as conclusive proof that such payments are necessary.

(c) The Issuer or the relevant Guarantor, if it is the applicable withholding agent, shall make all withholdings and deductions (within the time period) required by law and shall remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuer or the relevant Guarantor shall use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Issuer or the relevant Guarantor shall furnish to the Trustee (or to a Holder upon request), within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or a Guarantor, as the case may be, or if,

notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments (reasonably satisfactory to the Trustee) by such entity.

(d) Whenever in this Indenture or the Notes there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes or any Note Guarantee, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(e) This Section 4.12 shall survive any termination, defeasance or discharge of this Indenture, any transfer by a holder or beneficial owner of its Notes, and will apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to the Issuer (or any Guarantor) is incorporated, engaged in business, organized or resident for tax purposes, or any jurisdiction from or through which payment is made under or with respect to the Notes (or any Note Guarantee) by or on behalf of such Person and, in each case, any political subdivision thereof or therein.

#### Section 4.13 Additional Intercreditor Agreements and Amendments to the Intercreditor Agreements

(a) At the request of the Issuer, in connection with the incurrence or refinancing by the Company or its Restricted Subsidiaries of any Indebtedness secured or permitted to be secured (including as to priority) by the Collateral, the Company, the relevant Restricted Subsidiaries, the Trustee and the Security Agent, as applicable, shall enter into an intercreditor or similar agreement or joinder to or a restatement, amendment or other modification of the Second Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement, as applicable (an "Additional Intercreditor Agreement") with the holders of such Indebtedness (or their duly authorized representatives) on substantially the same terms as such applicable Intercreditor Agreement (or on terms that in the good faith judgment of the Board of Directors of the Issuer are not materially less favorable to the Holders), including containing substantially the same terms with respect to the application of the proceeds of the Collateral held thereunder and the means of enforcement, it being understood that an increase in the amount of Indebtedness being subject to the terms of the Intercreditor Agreements, including any Additional Intercreditor Agreement shall not be deemed to be less favorable to the Holders and shall be permitted by this Section 4.13(a) if the incurrence of such Indebtedness and any Lien in its favor is permitted Section 4.06 and Section 4.07; *provided* that (x) any such Additional Intercreditor Agreement that is entered into with the holders of Indebtedness intended to be secured by Collateral on a junior basis to the Notes may include different terms to the extent customary for a junior intercreditor arrangement of that type, (y) any such Additional Intercreditor Agreement that is entered into with the holders of Indebtedness intended to be secured by Collateral on a senior basis to the Notes may include different terms to the extent customary for a senior intercreditor arrangement of that type and (z) such Additional Intercreditor Agreement shall not impose any personal obligations on the Trustee or the Security

Agent or, in the opinion of the Trustee or the Security Agent, adversely affect the rights, duties, liabilities or immunities of the Trustee or the Security Agent under this Indenture or the Intercreditor Agreements. As used herein, the term “Intercreditor Agreements” shall include references to any Additional Intercreditor Agreement that supplements or replaces either Intercreditor Agreement.

(b) The Trustee and Security Agent shall be required to enter into any customary intercreditor agreement with respect to the establishment of junior-priority Liens securing such Junior Obligations upon receipt of an Officer’s Certificate to the effect that such customary intercreditor agreement is in customary form for an intercreditor agreement governing the relationship between Pari Passu Obligations and Junior Obligations. Such customary intercreditor agreement will set forth the relative rights in respect of the Collateral between holders of the Pari Passu Obligations, on the one hand, and holders of such Junior Obligations, on the other hand, and will provide that the Security Agent will, subject to very limited circumstances, have the exclusive right to exercise rights and remedies with respect to the Collateral. Furthermore, such intercreditor agreement will set forth the priorities relative to the Collateral, and the application from the proceeds thereof, first to the Pari Passu Obligations, then to such Junior Obligations.

(c) The Trustee and Security Agent shall be required to enter into any customary intercreditor agreement with respect to the establishment of senior-priority liens securing such Senior-Priority Obligations upon receipt of an Officer’s Certificate to the effect that such customary intercreditor agreement is in customary form for an intercreditor agreement governing the relationship between Pari Passu Obligations and Senior-Priority Obligations. Such customary intercreditor agreement will set forth the relative rights in respect of the Collateral between holders of the Pari Passu Obligations, on the one hand, and holders of such Senior-Priority Obligations, on the other hand, and will provide that the applicable representative of such Senior-Priority Obligations will, subject to very limited circumstances, have the exclusive right to exercise rights and remedies with respect to the Collateral prior to the Discharge of such Senior-Priority Obligations. Furthermore, such intercreditor agreement will set forth the priorities relative to the Collateral, and the application from the proceeds thereof, first to such Senior-Priority Obligations, then to the Pari Passu Obligations.

(d) Each Holder, by accepting such Note, shall be deemed to have:

(i) appointed and authorized the Trustee and the Security Agent from time to time to give effect to such provisions;

(ii) authorized each of the Trustee and the Security Agent from time to time to become a party to any additional intercreditor arrangements described above;

(iii) agreed to be bound by such provisions and the provisions of any additional intercreditor arrangements described above; and

(iv) irrevocably appointed the Trustee and the Security Agent to act on its behalf from time to time to enter into and comply with such provisions and the provisions

of any additional intercreditor arrangements described above, in each case, without the need for the consent of any Holder of the Notes.

#### Section 4.14 Note Guarantees and Security Interests

Subject to the Agreed Security Principles, the Issuer shall, and shall cause each Guarantor to, (i) complete all filings and other similar actions required in connection with the creation and perfection of the security interests in the Collateral owned by it in favor of the Holders, the Trustee (on its own behalf and on behalf of the Holders) and/or the Security Agent (on behalf of itself, the Trustee and the Holders), as applicable, as and to the extent contemplated by the Security Documents set forth on Schedule II attached hereto within the time periods set forth therein and deliver, and cause each Guarantor to deliver, such other agreements, instruments, certificates and opinions of counsel that may be reasonably requested by the Security Agent in connection therewith and (ii) take all actions necessary to maintain such security interests. For the avoidance of doubt, a Paying Agent shall be held harmless by the Company and have no liability with respect to payments or disbursements to be made by such Paying Agent for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Indenture.

#### Section 4.15 Limitation on Issuance of Guarantees of Indebtedness

(a) Subject to the Agreed Security Principles and the Intercreditor Agreements, the Company will not permit any of its Restricted Subsidiaries (other than Immaterial Subsidiaries) that is not a Guarantor to Guarantee, directly or indirectly, the payment of any obligations of the Issuer or a Guarantor under a Credit Facility, the Convertible Notes, the Existing Revolving Facility, the 2023 Secured Notes, the Existing Term Loan Facility or any other Indebtedness of the Issuer or a Guarantor having an aggregate outstanding principal amount in excess of \$300.0 million unless such Restricted Subsidiary simultaneously executes and delivers a Supplemental Indenture providing for the Note Guarantee of the payment of the Notes by such Restricted Subsidiary which Note Guarantee will be senior to or *pari passu* in right of payment with such Restricted Subsidiary's Guarantee of such other Indebtedness and with respect to any Guarantee of Indebtedness that is expressly contractually subordinated in right of payment to the Notes or to any Note Guarantee by such Restricted Subsidiary, any such Guarantee will be subordinated to such Restricted Subsidiary's Note Guarantee at least to the same extent as such subordinated Indebtedness is subordinated to the Notes.

Following the provision of any additional Note Guarantees as described in the immediately preceding paragraph, subject to the Agreed Security Principles and the Intercreditor Agreements (if such security is being granted in respect of the other Indebtedness), any such Guarantor shall provide security over its material assets that are of the same type as any of the Issuer's or the Guarantors' assets that are required to be a part of the Collateral (excluding any assets of such Guarantor which are subject to a Permitted Lien at the time of the execution of

such Supplemental Indenture (to the extent that such Permitted Lien was not created, incurred or assumed in contemplation thereof) if providing such security interest would not be permitted by the terms of such Permitted Lien or by the terms of any obligations secured by such Permitted Lien) to secure its Note Guarantee on a second-priority basis as a Pari Passu Obligation, subject to the Intercreditor Agreements.

This paragraph (a) will not be applicable to any Guarantees of any Restricted Subsidiary:

- (i) existing on the Issue Date;
- (ii) that existed at the time such Person became a Restricted Subsidiary if the Guarantee was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary; or
- (iii) arising solely due to granting of a Permitted Lien that would not otherwise constitute a Guarantee of Indebtedness of the Issuer or any Guarantor.

(b) Notwithstanding the foregoing, the Company shall not be obligated to cause such Restricted Subsidiary to guarantee the Notes or provide security to the extent that such Note Guarantee or the grant of such security by such Restricted Subsidiary would be inconsistent with the Intercreditor Agreements or the Agreed Security Principles or would reasonably be expected to give rise to or result in (x) any liability for the officers, directors or shareholders of such Restricted Subsidiary, (y) any violation of applicable law that cannot be prevented or otherwise avoided through measures reasonably available to the Company or the Restricted Subsidiary or (z) any significant cost, expense, liability or obligation (including with respect to any Taxes) other than reasonable out-of-pocket expenses and other than reasonable expenses incurred in connection with any governmental or regulatory filings required as a result of, or any measures pursuant to clause (y) undertaken in connection with, such Note Guarantee which cannot be avoided through measures reasonably available to the Company or the Restricted Subsidiary.

#### Section 4.16 Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries

(b) The provisions of Section 4.16(a) above shall not apply to encumbrances or restrictions existing under or by reason of:

(i) agreements or instruments governing or relating to Indebtedness as in effect on the Issue Date (including pursuant to the Convertible Notes, the EIB Facility, the Existing Secured Notes and the Existing Term Loan Facility and the related documentation) and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that the amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings are not materially less favorable, taken as a whole, to the Holders with respect to such dividend and other payment restrictions than those contained in those agreements or instruments on the Issue Date (as determined in good faith by the Issuer);

(ii) the Note Documents;

(iii) agreements or instruments governing other Indebtedness permitted to be incurred under Section 4.06 and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that the Company determines at the time of the incurrence of such Indebtedness that such encumbrances or restrictions will not adversely effect, in any material respect, the Issuer's ability to make principal or interest payments on the Notes;

(iv) applicable law, rule, regulation or order or the terms of any license, authorization, concession or permit;

(v) any agreement or instrument governing or relating to Indebtedness or Capital Stock of a Person acquired by the relevant Parent Company or any of its Restricted Subsidiaries as in effect at the time of such acquisition (other than any agreement or instrument entered into in connection with or in contemplation of such

acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided* that, in the case of Indebtedness, such Indebtedness was permitted by the terms of this Indenture to be incurred;

(vi) customary non-assignment and similar provisions in contracts, leases and licenses entered into in the ordinary course of business;

(vii) purchase money obligations for property acquired in the ordinary course of business and Capital Lease Obligations that impose restrictions on the property purchased or leased of the nature set forth in Section 4.16(a) (iii) or any encumbrance or restriction pursuant to a joint venture agreement that imposes restrictions on the transfer of the assets of the joint venture;

(viii) any agreement for the sale or other disposition of the Capital Stock or all or substantially all of the property and assets of a Restricted Subsidiary that restricts distributions by that Restricted Subsidiary pending its sale or other disposition;

(ix) Permitted Refinancing Indebtedness; *provided* that either (i) the restrictions contained in the agreements or instruments governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements or instruments governing the Indebtedness being refinanced or (ii) the Company determines at the time of the incurrence of such Indebtedness that such encumbrances or restrictions will not adversely effect, in any material respect, the Issuer's ability to make principal or interest payments on the Notes;

(x) Liens permitted to be incurred under Section 4.07 that limit the right of the debtor to dispose of the assets subject to such Liens;

(xi) provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements (including agreements entered into in connection with a Restricted Investment) entered into with the approval of the Issuer's Board of Directors, which limitation is applicable only to the assets that are the subject of such agreements;

(xii) restrictions on cash or other deposits or net worth imposed by customers or suppliers or required by insurance, surety or bonding companies, in each case, under contracts entered into in the ordinary course of business;

(xiii) any customary Productive Asset Leases for Vessels and other assets used in the ordinary course of business; *provided* that such encumbrance or restriction only extends to the Vessel or other asset financed in such Productive Asset Lease;

(xiv) any encumbrance or restriction existing with respect to any Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary that is

designated as a Restricted Subsidiary in accordance with the terms of this Indenture at the time of such designation and not incurred in contemplation of such designation, which encumbrances or restrictions are not applicable to any Person other than such Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary; *provided* that the encumbrances or restrictions are customary for the business of such Unrestricted Subsidiary and would not, at the time agreed to, be expected to affect the ability of the Issuer and the Guarantors to make payments under the Notes and this Indenture;

(xv) customary encumbrances or restrictions contained in agreements in connection with Hedging Obligations permitted under this Indenture;

(xvi) the agreements, constituent documents, guarantees, deeds and other instruments governing the “dual listed company” structure of the Company; and

(xvii) any encumbrance or restriction existing under any agreement that extends, renews, refinances, replaces, amends, modifies, restates or supplements the agreements containing the encumbrances or restrictions in the foregoing clauses (i) through (xvi), or in this clause (xvii); *provided* that the terms and conditions of any such encumbrances or restrictions are no more restrictive in any material respect than those under or pursuant to the agreement so extended, renewed, refinanced, replaced, amended, modified, restated or supplemented.

#### Section 4.17 Designation of Restricted and Unrestricted Subsidiaries

(a) The Board of Directors of the Issuer may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default.

(b) If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.08 or under one or more clauses of the definition of “Permitted Investments,” as determined by the Issuer. The designation of a Restricted Subsidiary as an Unrestricted Subsidiary will only be permitted if the deemed Investment resulting from such designation would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

(c) The Issuer may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause a Default.

(d) Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a copy of a resolution of the Board of Directors giving effect to such designation and an Officer’s Certificate certifying

that such designation complied with the preceding conditions and was permitted by Section 4.08. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 4.06, the Issuer will be in default of such Section 4.06. The Board of Directors of the Issuer may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (i) such Indebtedness is permitted under Section 4.06, calculated on a *pro forma* basis as if such designation had occurred at the beginning of the applicable reference period; and (ii) no Default or Event of Default would be in existence following such designation.

#### Section 4.18 Payment of Taxes and Other Claims

. The Company shall pay or discharge and shall cause each of its Subsidiaries to pay or discharge, or cause to be paid or discharged, before the same shall become delinquent (a) all material taxes, assessments and governmental charges levied or imposed upon (i) the Company or any such Subsidiary, (ii) the income or profits of any such Subsidiary which is a corporation or (iii) the property of the Company or any such Subsidiary and (b) all material lawful claims for labor, materials and supplies that, if unpaid, might by law become a lien upon the property of the Company or any such Subsidiary; *provided* that the Company shall not be required to pay or discharge, or cause to be paid or discharged, any such tax, assessment, charge or claim, the amount, applicability or validity of which is being contested in good faith by appropriate proceedings or for which adequate reserves have been established.

#### Section 4.19 Reports to Holders

(a) So long as any Notes are outstanding, notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to the rules and regulations promulgated by the SEC, the Company will file with the SEC within the time periods specified in the SEC's rules and regulations that are then applicable to the Company (or if the Company is not then subject to the reporting requirements of the Exchange Act, then the time periods for filing applicable to a filer that is not an "accelerated filer" as defined in such rules and regulations) (in either case, including any extension as would be permitted by Rule 12b-25 under the Exchange Act or any special order of the SEC):

Condition and Results of Operations” section and a report on the annual financial statements by the Company’s independent registered public accounting firm;

(2) all financial information that would be required to be contained in a quarterly report on Form 10-Q, or any successor or comparable form, filed with the SEC, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” section; and

(3) all current reports that would be required to be filed with the SEC on Form 8-K, or any successor or comparable form, if the Company were required to file such reports,

in each case in a manner that complies in all material respects with the requirements specified in such form *provided, however*, that the Trustee shall have no responsibility whatsoever to determine if such filing has occurred.

(b) The requirements set forth in the preceding paragraph may be satisfied by delivering such information to the Trustee and posting copies of such information on a website or on IntraLinks or any comparable online data system or website.

(c) Not later than ten Business Days after the furnishing of each such report discussed in Section 4.19(a)(1) or (2), the Company will hold a conference call related to the report. Details regarding access to such conference call will be posted at least 24 hours prior to the commencement of such call on the website, IntraLinks or other online data system or website on which the report is posted.

(d) The reports set forth in Section 4.19(a)(1) or (2) shall include disclosure with respect to (1) the Collateral and (2) with respect to the non-Guarantor Subsidiaries and Collateral similar to what was included in this Offering Memorandum.

(e) The Issuer will make the information described in Section 4.19(a) available electronically to prospective investors upon request. (f) Notwithstanding the foregoing clauses (a) through (e) of this Section 4.19, the Issuer will be deemed to have delivered such reports and information referred to above to the holders, prospective investors, market makers, securities analysts and the Trustee for all purposes of this Indenture if the Issuer or the Company has filed such reports with the SEC via the EDGAR filing system (or any successor system) and such reports are publicly available.

(g) Delivery of reports, information and documents to the Trustee is for informational purposes only, and its receipt of such reports, information and documents shall not

constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's, any Guarantors' or any other Person's compliance with any of its covenants under this Indenture or the Notes (as to which the Trustee is entitled to rely exclusively on the Officer's Certificates delivered pursuant to this Indenture). The Trustee shall have no liability or responsibility for the content, filing or timeliness of any report delivered or filed under or in connection with this Indenture or the transactions contemplated thereunder.

#### Section 4.20 Further Assurances

. Subject to the Agreed Security Principles and the Intercreditor Agreements, the Company and its Restricted Subsidiaries will, at their own expense, execute and do all such acts and things and provide such assurances as the Security Agent may reasonably require (i) for registering any of the Security Documents in any required register and for granting, perfecting, preserving or protecting the security intended to be afforded by such Security Documents and (ii) if such Security Documents have become enforceable, for facilitating the realization of all or any part of the assets which are subject to such Security Documents and for facilitating the exercise of all powers, authorities and discretions vested in the Security Agent or in any receiver of all or any part of those assets. Subject to the Agreed Security Principles and the Intercreditor Agreements, the Company and its Restricted Subsidiaries will execute all transfers, conveyances, assignments and releases of that property whether to the Security Agent or to its nominees and give all notices, orders and directions which the Security Agent may reasonably request.

#### Section 4.21 Use of Proceeds

. The Issuer shall not, directly or indirectly, place, invest or give economic use to the proceeds from the Notes in the Republic of Panama.

#### Section 4.22 Impairment of Security Interest

. The Company shall not, and shall not permit any Restricted Subsidiary to, take or omit to take any action, which action or omission would have the result of materially impairing the security interest with respect to the Collateral (it being understood that (i) the incurrence of Permitted Collateral Liens and (ii) the release or modification of the Liens on the Collateral in accordance with the terms of the Note Documents, in each case of clauses (i) and (ii), shall under no circumstances be deemed to materially impair the security interest with respect to the Collateral) for the benefit of the Trustee and the holders of the Notes, and the Company shall not, and shall not permit any Restricted Subsidiary to, grant to any Person other than the Security Agent, for the benefit of the Trustee and the holders of the Notes and the other beneficiaries described in the Security Documents and the Intercreditor Agreements, any Lien over any of the Collateral that is prohibited by Section 4.07; *provided* that the Company and its Restricted Subsidiaries may incur any Lien over any of the Collateral that is not prohibited by Section 4.07, including Permitted Collateral Liens, and the Collateral may be discharged or released in accordance with this Indenture, the applicable Security Documents or the Intercreditor Agreements.

Subject to the foregoing, the Security Documents may be amended, extended, renewed, restated or otherwise modified or released to (i) cure any ambiguity, omission, defect or inconsistency therein; (ii) provide for Permitted Collateral Liens; (iii) add to the Collateral; or (iv) make any other change thereto that does not adversely affect the holders of the Notes in any material respect; *provided, however*, that (except where permitted by this Indenture or the Intercreditor Agreements or to effect or facilitate the creation of Permitted Collateral Liens for the benefit of the Security Agent and holders of other Indebtedness incurred in accordance with this Indenture) no Security Document may be amended, extended, renewed, restated or otherwise modified or released, unless contemporaneously with such amendment, extension, renewal, restatement or modification or release (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets), the Issuer delivers to the Security Agent and the Trustee, either (1) a solvency opinion, in form and substance reasonably satisfactory to the Security Agent and the Trustee, from an accounting, appraisal or investment banking firm of international standing which confirms the solvency of the Company and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, modification or release, (2) a certificate from an Officer of the relevant Person which confirms the solvency of the Person granting such Lien after giving effect to any transactions related to such amendment, extension, renewal, restatement, modification or release (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets) or (3) an Opinion of Counsel (subject to any qualifications customary for this type of opinion of counsel), in form and substance reasonably satisfactory to the Trustee, confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, modification or release (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets), the Lien or Liens created under the Security Document, so amended, extended, renewed, restated, modified or released and retaken, are valid and perfected Liens not otherwise subject to any limitation, imperfection or new hardening period, in equity or at law, that such Lien or Liens were not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, modification or release and retake and to which the new Indebtedness secured by the Permitted Collateral Lien is not subject. In the event that the Company and its Restricted Subsidiaries comply with the requirements of this Section 4.22, the Trustee and the Security Agent shall (subject to customary protections and indemnifications) consent to such amendments without the need for instructions from the Holders of the Notes.

#### Section 4.23 After-Acquired Property

. Promptly following the acquisition by the Issuer or any Guarantor of any After-Acquired Property (but subject to the Agreed Security Principles and the Intercreditor Agreements and Article Eleven), the Issuer or such Guarantor shall execute and deliver such mortgages, deeds of trust, security instruments, financing statements and certificates and opinions of counsel as shall be reasonably necessary to vest in the Security Agent a perfected security interest in such After-Acquired Property and to have such After-Acquired Property added to the Collateral and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such After-Acquired Property to the same extent and with the same force and effect.

#### Section 4.24 Re-flagging of Vessels

. Notwithstanding anything to the contrary in this Indenture, a Restricted Subsidiary may reconstitute itself in another jurisdiction, or merge with or into another Restricted Subsidiary, for the purpose of re-flagging a vessel that it owns or bareboat charters so long as at all times each Restricted Subsidiary remains organized under the laws of any country recognized by the United States of America with an investment grade credit rating from either S&P or Moody's or any Permitted Jurisdiction; *provided* that contemporaneously with the transactions required to complete the re-flagging of such vessel, to the extent that any Liens on the Collateral securing the Notes were released as provided for under Section 11.04, (x) the Company or the relevant Restricted Subsidiary grants a Lien of at least equivalent ranking over the same assets and (y) the Issuer delivers to the Security Agent and the Trustee, either (1) a solvency opinion, in form and substance reasonably satisfactory to the Security Agent and the Trustee, from an independent financial advisor or appraiser or investment bank which confirms the solvency of the Company and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such re-flagging, (2) a certificate from an Officer of the relevant Person which confirms the solvency of the Person granting such Lien after giving effect to any transactions related to such re-flagging, or (3) an Opinion of Counsel (subject to any qualifications customary for this type of opinion of counsel), in form and substance reasonably satisfactory to the Trustee, confirming that, after giving effect to any transactions related to such re-flagging, the Lien or Liens created under the Security Document, as released and retaken are valid and perfected Liens. For the avoidance of doubt, the provisions of Article Five will not apply to a reconstitution or merger permitted under this Section 4.24.

#### Section 4.25 Automatic Reduction of New Secured Debt Secured by the Collateral

. The Issuer and Guarantors agree and will cause their Restricted Subsidiaries to agree, that:

(a) if any Indebtedness (other than Indebtedness incurred under Section 4.06(b)(1)(ii), (1)(iv), (3) or (6) (solely in respect of Indebtedness incurred under such Section 4.06(b)(1)(ii), (1)(iv) or (3)) is secured by a Lien on the Collateral after the Issue Date ("New Secured Debt"); and

(b) if (i) there are TTA Test Debt Agreements outstanding; and (ii) at any time the Issuer's (or if the Issuer is not rated, Carnival plc's) long term senior indebtedness credit rating by S&P is below BBB- and by Moody's is below Baa3; and (iii) at such time the Company and its Subsidiaries have ECA Security Interests in respect of ECA Covered Indebtedness that would otherwise exceed 25% of ECA Total Tangible Assets at such time (subclauses (i), (ii) and (iii), collectively, a "Reduction Event"); then

(c) the principal amount of such New Secured Debt that is secured by Liens on the Collateral shall (without any further action on the part of the Trustee, the Security Agent or any other party) automatically be reduced (i) on a pro rata basis among the various tranches of New Secured Debt and Other Secured Debt, (ii) in such other manner as may be specified in the documents governing the various tranches of New Secured Debt and Other Secured Debt or (iii)

in such other manner as may be specified in an Officer's Certificate delivered by the Issuer to the Security Agent and the Trustee not less than five Business Days prior to the date of the applicable Reduction Event, in each case of subclause (i), (ii) and (iii) as applicable, such that, after giving effect to such reductions and the reductions under Section 4.26, the Company and their respective Subsidiaries no longer would have ECA Security Interests in respect of ECA Covered Indebtedness that exceed 25% of ECA Total Tangible Assets.

(d) If any such automatic reduction occurs with respect to any New Secured Debt under clause (c) above, and at a later date the Issuer determines that some or all of the then-unsecured amount of such New Secured Debt can be secured by a Lien on the Collateral without at such time causing a reduction in the secured principal amount thereof pursuant to clause (c) above, then such principal amount of New Secured Debt the Issuer determines can be so secured will automatically (without any further action on the part of the Trustee, the Security Agent or any other party) become secured by the Collateral, subject to future automatic reductions as provided in clause (c) above. The Issuer shall notify the Trustee and the Security Agent in writing of any such determination in an Officer's Certificate.

(e) In the event that any New Secured Debt that constitutes Pari Passu Obligations or Junior Obligations is incurred, the agent or representative with respect to such New Secured Debt shall, as a condition to the ability of the Company to issue such New Secured Debt under this Indenture, have entered into the applicable credit or other agreement, indentures or financing agreements whereby the holders (or the agent or representative on behalf of such New Secured Debt) of such New Secured Debt shall agree that if a Reduction Event occurs, the principal amount of such New Secured Debt that is secured by Liens on the Collateral shall (without any further action on the part of the Trustee, the Security Agent or any other party) automatically be reduced prior to any similar reduction of the secured portion of the principal amount of the Original Notes and related Note Guarantees.

#### Section 4.26 Reduction of Other Secured Debt

. The Issuer and Guarantors agree and shall cause their Restricted Subsidiaries to agree, in connection with any ECA Security Interests that are granted on ECA Covered Indebtedness after the Issue Date, that if:

(a) any ECA Covered Indebtedness other than New Secured Debt has been granted an ECA Security Interest in any asset or property of the Company or their respective Subsidiaries after the Issue Date ("Other Secured Debt") and a Reduction Event occurs; then

(b) the Issuer, Guarantors or their Restricted Subsidiaries will cause the principal amount of such Other Secured Debt that is secured by ECA Security Interests to be reduced (i) pro rata with the New Secured Debt, (ii) in such other manner as may be specified in the documents governing the various tranches of New Secured Debt and Other Secured Debt or (iii) as set forth in an Officer's Certificate delivered by the Issuer to the Security Agent and the Trustee not less than five Business Days prior to the date of the applicable Reduction Event, in each case of subclause (i), (ii) or (iii) as applicable, upon the occurrence of the Reduction Event.

(iii) the Issuer delivers to the Trustee an Officer's Certificate and Opinion of Counsel, in each case, stating that such consolidation, merger or transfer and, in the case in which a Supplemental Indenture is entered into, such Supplemental Indenture, comply with this Section 5.01 and that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

(c) Notwithstanding the provisions of paragraph (b) above, (x)(a) any Restricted Subsidiary may consolidate or merge with or into or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties and assets to any Guarantor and (b) any Guarantor may consolidate or merge with or into or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties and assets of such Guarantor and its Subsidiaries which are Restricted Subsidiaries to another Guarantor and (y) any Guarantor may consolidate or merge with or into an Affiliate incorporated or organized for

the purpose of changing the legal domicile of such Guarantor, reincorporating such Guarantor in another jurisdiction or changing the legal form of such Guarantor.

#### Section 5.02 Successor Substituted

. Upon any consolidation or merger, or any sale, conveyance, transfer, lease or other disposition of all or substantially all of the property and assets of the Issuer or Carnival plc in accordance with Section 5.01 of this Indenture, any surviving entity formed by such consolidation or into which the Issuer or Carnival plc, as applicable, is merged or to which such sale, conveyance, transfer, lease or other disposition is made, shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such surviving entity had been named as the Company herein; *provided* that the Company shall not be released from its obligation to pay the principal of, premium, if any, or interest and Additional Amounts, if any, on the Notes in the case of a lease of all or substantially all of its property and assets.

### ARTICLE SIX

#### DEFAULTS AND REMEDIES

##### Section 6.01 Events of Default.

(a) Each of the following shall be an “Event of Default”:

(i) default for 30 days in the payment when due of interest or Additional Amounts, if any, with respect to the Notes;

(ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes;

(iii) failure by the Issuer or relevant Guarantor to comply with Section 4.09(c), Section 4.11 or Section 5.01;

(iv) failure by the Issuer or relevant Guarantor for 60 days after written notice to the Issuer by the Trustee or the Holders of at least 30% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the agreements in this Indenture (other than a default in performance, or breach, or a covenant or agreement which is specifically dealt with in clause (i), (ii) or (iii) above);

(v) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries), other than Indebtedness owed to the Company or any of its Restricted Subsidiaries, whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, if that default:

(1) is caused by a failure to pay principal of such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default; or

(2) results in the acceleration of such Indebtedness prior to its express maturity,

and, in each case, the principal amount of any such Indebtedness that is due and has not been paid, together with the principal amount of any other such Indebtedness that is due and has not been paid or the maturity of which has been so accelerated, equals or exceeds \$120.0 million in aggregate;

(vi) failure by the Company or any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of \$120.0 million (exclusive of any amounts for which a solvent insurance company has acknowledged liability), which judgments shall not have been discharged or waived and there shall have been a period of 60 consecutive days during which a stay of enforcement of such judgment or order, by reason of an appeal, waiver or otherwise, shall not have been in effect;

(vii) any security interest under the Security Documents on any Collateral having a Fair Market Value in excess of \$300.0 million shall, at any time, cease to be in full force and effect (other than as a result of any action or inaction by the Security Agent and other than in accordance with the terms of the relevant Security Document, the Intercreditor Agreements and this Indenture) for any reason other than the satisfaction in full of all obligations under this Indenture or the release or amendment of any such security interest in accordance with the terms of this Indenture, the Intercreditor Agreements, or such Security Document or any such security interest created thereunder shall be declared invalid or unenforceable in a final non-appealable decision of a court of competent jurisdiction or the Issuer or any Guarantor shall assert in writing that any such security interest is invalid or unenforceable and any such Default continues for ten days;

(viii) except as permitted by this Indenture (including with respect to any limitations), any Note Guarantee of a Significant Subsidiary, or any group of the Company's Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect, or any Guarantor which is a Significant Subsidiary, or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, or any Person acting on behalf of any such Guarantor, denies or disaffirms its obligations under its Note Guarantee and such Default continues for 30 days; or

(ix) (A) a court having jurisdiction over the Company or a Significant Subsidiary enters (x) a decree or order for relief in respect of the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of its Restricted

Subsidiaries that, taken together, would constitute a Significant Subsidiary in an involuntary case or proceeding under any Bankruptcy Law or (y) a decree or order adjudging the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary, or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company or any such Subsidiary or group of Restricted Subsidiaries under any Bankruptcy Law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or any such Subsidiary or group of Restricted Subsidiaries or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days or (B) the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary (i) commences a voluntary case under any Bankruptcy Law or consents to the entry of an order for relief in an involuntary case under any Bankruptcy Law, (ii) consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Company or any such Subsidiary or group of Restricted Subsidiaries or for all or substantially all the property and assets of the Company or any such Subsidiary or group of Restricted Subsidiaries, (iii) effects any general assignment for the benefit of creditors or (iv) generally is not paying its debts as they become due.

(b) If a Default or an Event of Default occurs and is continuing and is known to a responsible officer of the Trustee, the Trustee shall deliver to each Holder notice of the Default or Event of Default within 15 Business Days after its occurrence by registered or certified mail or facsimile transmission of an Officer's Certificate specifying such event, notice or other action, its status and what action the Issuer is taking or proposes to take with respect thereto. Except in the case of a Default or an Event of Default in payment of principal of, premium, if any, and Additional Amounts or interest on any Notes, the Trustee may withhold the notice to the Holders of such Notes if a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of the Holders. The Trustee shall not be deemed to have knowledge of a Default unless a Trust Officer has actual knowledge of such Default. The Issuer shall also notify the Trustee within 15 Business Days of the occurrence of any Default stating what action, if any, they are taking with respect to that Default.

(c) If any report or conference call required by Section 4.19 is provided after the deadlines indicated for such report or conference call, the later provision of the applicable report or conference call shall cure a Default caused by the failure to provide such report or conference call prior to the deadlines indicated, so long as no Event of Default shall have occurred and be continuing as a result of such failure.

## Section 6.02 Acceleration

(a) If an Event of Default (other than an Event of Default specified in Section 6.01(a)(ix)) occurs and is continuing, the Trustee may, or the Holders of at least 30% in aggregate principal amount of the then outstanding Notes by written notice to the Issuer (and to the Trustee if such notice is given by the Holders) may and the Trustee shall, if so directed by the Holders of at least 30% in aggregate principal amount of the then outstanding Notes, declare all the Notes to be due and payable immediately. In the event a declaration of acceleration of the Notes pursuant to Section 6.01(a)(v) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(v) shall be remedied or cured, or waived by the Holders of the relevant Indebtedness, or the Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction.

(b) In the case of an Event of Default arising under Section 6.01(a)(ix), with respect to the Company, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice.

(c) The holders of not less than a majority in aggregate principal amount of the Notes outstanding by notice to the Trustee may, on behalf of the holders of all outstanding Notes, rescind acceleration or waive any existing Default or Event of Default and its consequences under this Indenture, except a continuing Default or Event of Default:

(i) in the payment of the principal of, premium, if any, any Additional Amounts or interest on any Note held by a non-consenting holder (which may only be waived with the consent of each holder of Notes affected); or

(ii) for any Note held by a non-consenting holder, in respect of a covenant or provision which under this Indenture cannot be modified or amended without the consent of the Holder of each Note affected by such modification or amendment.

Upon any such rescission or waiver, such Default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose under this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

(d) Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or in its exercise of any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with applicable law or this Indenture, that the Trustee determines may be unduly prejudicial to the rights of other holders of the Notes (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such directions are unduly prejudicial to such Holders) or that may

involve the Trustee in personal liability. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except a Default or Event of Default relating to the payment of principal, interest or Additional Amounts or premium, if any.

(e) Subject to the provisions of Article Seven, in case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense. Except (subject to the provisions of Article Nine) to enforce the right to receive payment of principal, premium, if any, or interest or Additional Amounts when due, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

(i) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(ii) Holders of at least 30% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;

(iii) such Holders have offered, and if requested, provide to the Trustee reasonable security or indemnity against any loss, liability or expense;

(iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and

(v) Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

(f) Within 30 days of the occurrence of any Default or Event of Default, the Issuer is required to deliver to the Trustee a statement specifying such Default or Event of Default.

### Section 6.03 Other Remedies

. If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy. Subject to the Intercreditor Agreements, the Trustee may direct the Security Agent to take enforcement action with respect to the Collateral if any amount is declared or becomes due and payable pursuant to Section 6.02 (but not otherwise).

All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee, and all rights of action and claims under the Security Documents may

be prosecuted or enforced under the Security Documents by the Security Agent (in consultation with the Trustee, where appropriate), without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee or the Security Agent shall be brought in its own name and as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee or the Security Agent, their agents and counsel, be for the ratable benefit of the Holders in respect of which such judgment has been recovered.

#### Section 6.04 Waiver of Past Defaults

. The Holders of not less than a majority in aggregate principal amount of the outstanding Notes may, by written notice to the Trustee, on behalf of the Holders of all the Notes, waive any past Default hereunder and its consequences, except a Default:

(a) in the payment of the principal of, premium, if any, Additional Amounts, if any, or interest on any Note; or

(b) in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the holders of each Note affected by such modification or amendment.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

#### Section 6.05 Control by Majority

. The Holders of a majority in aggregate principal amount of the Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee under this Indenture; *provided* that:

(a) the Trustee may refuse to follow any direction that conflicts with law, this Indenture or that the Trustee determines, without obligation, in good faith may be unduly prejudicial to the rights of Holders not joining in the giving of such direction;

(b) the Trustee may refuse to follow any direction that the Trustee determines is unduly prejudicial to the rights of other Holders or would involve the Trustee in personal liability; and

(c) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction.

#### Section 6.06 Limitation on Suits

. A Holder may not institute any proceedings or pursue any remedy with respect to this Indenture or the Notes unless:

(a) Such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(b) the Holders of at least 30% in aggregate principal amount of outstanding Notes shall have made a written request to the Trustee to pursue such remedy;

(c) such Holder or Holders offer the Trustee indemnity and/or security (including by way of pre-funding) reasonably satisfactory to the Trustee against any costs, liability or expense;

(d) the Trustee does not comply with the request within 30 days after receipt of the request and the offer of indemnity and/or security (including by way of pre-funding); and

(e) during such 30-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

The limitations in the foregoing provisions of this Section 6.06, however, do not apply to a suit instituted by a Holder for the enforcement of the payment of the principal of, premium, if any, Additional Amounts, if any, or interest, if any, on such Note on or after the respective due dates expressed in such Note.

A Holder may not use this Indenture to prejudice the rights of any other Holder or to obtain a preference or priority over another Holder.

#### Section 6.07 Unconditional Right of Holders to Bring Suit for Payment

. Notwithstanding any other provision of this Indenture, the right of any Holder to bring suit for the enforcement of payment of principal, premium, if any, Additional Amounts, if any, and interest, if any, on the Notes held by such Holder, on or after the respective due dates expressed in the Notes shall not be impaired or affected without the consent of such Holder.

#### Section 6.08 Collection Suit by Trustee

. The Issuer covenants that if default is made in the payment of:

(a) any installment of interest on any Note when such interest becomes due and payable and such default continues for a period of 30 days, or

(b) the principal of (or premium, if any, on) any Note at the Stated Maturity thereof,

the Issuer shall, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holders of such Notes, the whole amount then due and payable on such Notes for principal (and premium, if

any), Additional Amounts, if any and interest, and interest on any overdue principal (and premium, if any) and Additional Amounts, if any and, to the extent that payment of such interest shall be legally enforceable, upon any overdue installment of interest, at the rate borne by the Notes, and, in addition thereto, such further amount as shall be sufficient to cover the amounts provided for in Section 7.05 and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer or any other obligor upon the Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer or any other obligor upon the Notes, wherever situated.

#### Section 6.09 Trustee May File Proofs of Claim

. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.05) and the Holders allowed in any judicial proceedings relative to any of the Issuer or Guarantors, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders at their direction in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.05. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee under Section 7.05 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money securities and other properties which the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing herein contained shall be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

#### Section 6.10 Application of Money Collected

. If the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money or property in the following order:

FIRST: to the Trustee, any Agent, and the Security Agent for amounts due under Section 7.05;

SECOND: to Holders for amounts due and unpaid on the Notes for principal of, premium, if any, interest, if any, and Additional Amounts, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, interest, if any, and Additional Amounts, if any, respectively; and

THIRD: to the Issuer, any Guarantor or any other obligors of the Notes, as their interests may appear, or as a court of competent jurisdiction may direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 30 days before such record date, the Issuer shall deliver to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid. This Section 6.10 is subject at all times to the provisions set forth in Section 11.02.

Notwithstanding the foregoing, the Security Agent shall apply the proceeds of the Collateral as directed by the Intercreditor Agreements.

#### Section 6.11 Undertaking for Costs

. A court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee or the Security Agent for any action taken or omitted by it as Trustee or as the Security Agent, the filing by any party litigant in the suit of an undertaking to pay the costs of such suit, and such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee or the Security Agent, a suit by Holders of more than 10% in aggregate principal amount of the outstanding Notes or to any suit by any Holder pursuant to Section 6.07.

#### Section 6.12 Restoration of Rights and Remedies

. If the Trustee or the Security Agent or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or the Security Agent or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee, the Security Agent and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee, the Security Agent and the Holders shall continue as though no such proceeding had been instituted.

#### Section 6.13 Rights and Remedies Cumulative

. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee, or the Security Agent or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

#### Section 6.14 Delay or Omission Not Waiver

. No delay or omission of the Trustee, or the Security Agent or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article Six or by law to the Trustee, or the Security Agent or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

#### Section 6.15 Record Date

. The Issuer may set a record date for purposes of determining the identity of Holders entitled to vote or to consent to any action by vote or consent authorized or permitted by Sections 6.04 and 6.05. Unless this Indenture provides otherwise, such record date shall be the later of 30 days prior to the first solicitation of such consent or the date of the most recent list of Holders furnished to the Trustee pursuant to Section 2.05 prior to such solicitation.

#### Section 6.16 Waiver of Stay or Extension Laws

. Each Issuer covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Trustee or to the Security Agent, but shall suffer and permit the execution of every such power as though no such law had been enacted.

## **ARTICLE SEVEN**

### **TRUSTEE AND SECURITY AGENT**

#### Section 7.01 Duties of Trustee and the Security Agent.

(a) If an Event of Default has occurred and is continuing of which a Trust Officer of the Trustee or the Security Agent has actual knowledge, the Trustee or the Security Agent shall exercise such of the rights and powers vested in it by this Indenture, the Intercreditor

Agreements and the Security Documents and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Subject to the provisions of Section 7.01(a), (i) the Trustee and the Security Agent undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, the Intercreditor Agreements and the Security Documents and no others and no implied covenants or obligations shall be read into this Indenture against the Trustee and the Security Agent; and (ii) in the absence of bad faith on its part, the Trustee and the Security Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and the Security Agent and conforming to the requirements of this Indenture, the Intercreditor Agreements and the Security Documents. In the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee or the Security Agent, the Trustee and the Security Agent, as applicable, shall examine same to determine whether they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Security Agent shall execute and deliver, if necessary, and act as beneficiary under, the Security Documents on behalf of the Holders under this Indenture and shall take such other actions as may be necessary or advisable in accordance with the Security Documents. The Security Agent shall remit any proceeds recovered from enforcement of the Security Documents; *provided* that all necessary approvals are obtained from each relevant jurisdiction in which the Collateral is located.

(d) Neither the Trustee nor the Security Agent shall be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee and the Security Agent shall not be liable for any error of judgment made in good faith by a Trust Officer of the Trustee or the Security Agent unless it is proved that the Trustee or the Security Agent was grossly negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02 or 6.05.

(e) The Trustee, any Paying Agent and the Security Agent shall not be liable for interest on any money received by it except as the Trustee, any Paying Agent and the Security Agent may agree in writing with the Issuer or the Subsidiary Guarantors. Money held by the Trustee, the Principal Paying Agent or the Security Agent need not be segregated from

other funds except to the extent required by law and, for the avoidance of doubt, shall not be held in accordance with the UK client money rules.

(f) No provision of this Indenture, the Intercreditor Agreements, including any Additional Intercreditor Agreement, or the Security Documents shall require the Trustee, each Agent, the Principal Paying Agent or the Security Agent to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not assured to it.

(g) Any provisions hereof or of the Intercreditor Agreements, including any Additional Intercreditor Agreement or of the Security Documents relating to the conduct or affecting the liability of or affording protection to the Trustee, each Agent, or the Security Agent, as the case may be, shall be subject to the provisions of this Section 7.01.

#### Section 7.02 Certain Rights of Trustee and the Security Agent

.

(a) Subject to Section 7.01:

(i) following the occurrence of a Default or an Event of Default, the Trustee is entitled to require all Agents to act under its direction;

(ii) the Trustee and the Security Agent may rely conclusively, and shall be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper person;

(iii) before the Trustee or the Security Agent act or refrain from acting, they may require an Officer's Certificate or an Opinion of Counsel or both, which shall conform to Section 12.04. Neither the Trustee nor the Security Agent shall be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion and such certificate or opinion will be equal to complete authorization;

(iv) the Trustee and the Security Agent may act through their attorneys and agents and shall not be responsible for the misconduct or negligence of any attorney or agent appointed with due care by them hereunder;

(v) neither the Trustee nor the Security Agent shall be under any obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders shall have offered to the Trustee and the Security Agent security and/or indemnity (including by way of pre-funding) satisfactory to them against the costs, expenses and liabilities that might be incurred by them in compliance with such request or direction;

(vi) unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer will be sufficient if signed by an officer of such Issuer;

(vii) neither the Trustee nor the Security Agent shall be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers;

(viii) whenever, in the administration of this Indenture, the Intercreditor Agreements and the Security Documents, the Trustee and the Security Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee and the Security Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;

(ix) neither the Trustee nor the Security Agent shall be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee and the Security Agent, in their discretion, individually, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee or the Security Agent shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer personally or by agent or attorney;

(x) neither the Trustee nor the Security Agent shall be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture;

(xi) in the event the Trustee or the Security Agent receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than a majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee and the Security Agent, in their discretion, may determine what action, if any, will be taken and shall incur no liability for their failure to act until such inconsistency or conflict is, in their reasonable opinion, resolved;

(xii) the permissive rights of the Trustee and the Security Agent to take the actions permitted by this Indenture will not be construed as an obligation or duty to do so;

(xiii) delivery of reports, information and documents to the Trustee under Section 4.19 is for informational purposes only and the Trustee's receipt of the foregoing will not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company's or any of its Restricted Subsidiary's compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates);

(xiv) the rights, privileges, protections, immunities and benefits given to each of the Trustee and the Security Agent in this Indenture, including, without limitation, its rights to be indemnified and compensated, are extended to, and will be enforceable by, the Trustee and the Security Agent in each of their capacities hereunder, by the Registrar, the Agents, and each agent, custodian and other Person employed to act hereunder;

(xv) the Trustee and the Security Agent may consult with counsel or other professional advisors and the advice of such counsel or professional advisor or any Opinion of Counsel will, subject to Section 7.01(c), be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(xvi) the Trustee and the Security Agent shall have no duty to inquire as to the performance of the covenants of the Company and/or its Restricted Subsidiaries in Article Four hereof;

(xvii) the Trustee and the Security Agent shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes, but may at its sole discretion, choose to do so;

(xviii) in no event shall the Trustee or the Security Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of, or caused by, directly or indirectly, forces beyond its control, including, without limitation, acts of war or terrorism, civil or military disturbances, public health emergencies, nuclear or natural catastrophes or acts of God; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances; and

(xix) neither the Trustee nor the Security Agent shall under any circumstance be liable for any indirect or consequential loss, special or punitive damages (including loss of business, goodwill or reputation, opportunity or profit of any kind) of the Issuer, any Guarantor or any Restricted Subsidiary even if advised of it in advance and even if foreseeable.

(b) The Trustee and the Security Agent may request that the Issuer deliver an Officer's Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(c) The Security Agent shall accept without investigation, requisition or objection such right and title as the Issuer and any Guarantor may have to any of the Collateral and shall not be bound or concerned to examine or enquire into or be liable for any defect or failure in the right or title of the Issuer or any Guarantor to the Collateral or any part thereof whether such defect or failure was known to the Security Agent or might have been discovered upon examination or enquiry and whether capable of remedy or not and shall have no responsibility for the validity, value or sufficiency of the Collateral.

(d) Without prejudice to the provisions hereof, the Security Agent shall not be under any obligation to insure any of the Collateral or any certificate, note, bond or other evidence in respect thereof, or to require any other person to maintain any such insurance and shall not be responsible for any loss, expense or liability which may be suffered as a result of any assets comprised in the Collateral being uninsured or inadequately insured.

(e) The Security Agent shall not be responsible for any loss, expense or liability occasioned to the Collateral, howsoever caused, by the Security Agent or by any act or omission on the part of any other person (including any bank, broker, depositary, warehouseman or other intermediary or by any clearing system or other operator thereof), or otherwise, unless such loss is occasioned by the willful misconduct or fraud of the Security Agent.

(f) Beyond the exercise of reasonable care in the custody thereof, the Security Agent shall have no duty or liability as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Security Agent shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. The Security Agent shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords its own property and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Security Agent in good faith.

(g) Neither the Trustee nor the Security Agent is required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture or the Notes.

(h) Neither the Trustee nor the Security Agent will be liable to any person if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control.

(i) No provision of this Indenture shall require the Trustee or the Security Agent to do anything which, in its opinion, may be illegal or contrary to applicable law or regulation.

(j) The Trustee and the Security Agent may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion, based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable, the State of New York and may without liability (other than in respect of actions constituting willful misconduct or gross negligence) do anything which is, in its opinion, necessary to comply with any such law, directive or regulation.

(k) Both the Trustee and the Security Agent may assume without inquiry in the absence of actual knowledge that the Issuer is duly complying with its obligations contained in this Indenture required to be performed and observed by it, and that no Default or Event of Default or other event which would require repayment of the Notes has occurred.

(l) At any time that the security granted pursuant to the Security Documents has become enforceable and the Holders have given a direction to the Trustee to enforce such security, the Trustee is not required to give any direction to the Security Agent with respect thereto unless it has been indemnified and/or secured to its satisfaction in accordance with this Indenture. In any event, in connection with any enforcement of such security, the Trustee is not responsible for:

- (i) any failure of the Security Agent to enforce such security within a reasonable time or at all;
- (ii) any failure of the Security Agent to pay over the proceeds of enforcement of the security;
- (iii) any failure of the Security Agent to realize such security for the best price obtainable;
- (iv) monitoring the activities of the Security Agent in relation to such enforcement;
- (v) taking any enforcement action itself in relation to such security;
- (vi) agreeing to any proposed course of action by the Security Agent which could result in the Trustee incurring any liability for its own account; or
- (vii) paying any fees, costs or expenses of the Security Agent.

(m) In addition to the foregoing, the Trustee and the Security Agent agree to accept and act upon notice, instructions or directions pursuant to this Indenture sent by unsecured e-mail, pdf, facsimile transmission or other similar unsecured electronic methods, *provided* that any communication sent to the Trustee or the Security Agent, as applicable, hereunder must be in the form of a document that is signed manually or by way of a digital signature provided by DocuSign (or such other digital signature provider as specified in writing to Trustee by the authorized representative). If the party elects to give the Trustee or the Security Agent, as applicable, e-mail or facsimile instructions (or instructions by a similar electronic method) and

the Trustee or the Security Agent, as applicable, in its discretion elects to act upon such instructions, the Trustee's or the Security Agent's, as applicable, understanding of such instructions shall be deemed controlling. The Trustee and the Security Agent, as applicable, shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's or the Security Agent's, as applicable, reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The party providing electronic instructions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee or the Security Agent, as applicable, including without limitation the risk of the Trustee or the Security Agent, as applicable, acting on unauthorized instructions, and the risk of interception and misuse by third parties.

#### Section 7.03 Individual Rights of Trustee and the Security Agent

. The Trustee, the Security Agent, any Transfer Agent, any Paying Agent, any Registrar or any other agent of the Issuer or of the Trustee or Security Agent, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuer with the same rights it would have if it were not Trustee, the Security Agent, Paying Agent, Transfer Agent, Registrar or such other agent. The Trustee and the Security Agent may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with the Issuer or any of its Affiliates or Subsidiaries as if it were not performing the duties specified herein, in the Intercreditor Agreements and in the Security Documents, and may accept fees and other consideration from the Issuer for services in connection with this Indenture and otherwise without having to account for the same to the Trustee, the Security Agent or to the Holders from time to time.

#### Section 7.04 Disclaimer of Trustee and Security Agent

. The recitals contained herein and in the Notes, except for the Trustee's certificates of authentication, shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for their correctness. The Trustee and the Security Agent make no representations as to the validity or sufficiency of this Indenture, the Intercreditor Agreements, the Notes or the Security Documents. The Trustee and the Security Agent shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture nor shall it be responsible for the use or application of any money received by any Paying Agent other than the Trustee and the Security Agent and they will not be responsible for any statement or recital herein or any statement on the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture or the Intercreditor Agreements other than the Trustee's certificate of authentication. The Security Agent shall not, nor shall any receiver appointed by or any agent of the Security Agent, by reason of taking possession of any Collateral or any part thereof or any other reason or on any basis whatsoever, be liable to account for anything except actual receipts or be liable for any loss or damage arising from a realization of the Collateral or any part thereof or from any act, default or omission in relation to the Collateral or any part thereof or from any exercise or non-exercise by it of any power, authority or discretion conferred upon it in relation

to the Collateral or any part thereof unless such loss or damage shall be caused by its own fraud or gross negligence. The Security Agent shall not have any responsibility or liability arising from the fact that the Collateral may be held in safe custody by a custodian. The Security Agent assumes no responsibility for the validity, sufficiency or enforceability (which the Security Agent has not investigated) of the Collateral purported to be created by any Supplemental Indenture or other document. In addition, the Security Agent has no duty to monitor the performance by the Issuer and the Guarantors of their obligations to the Security Agent nor is it obliged (unless indemnified and/or secured (including by way of prefunding to its satisfaction) to take any other action which may involve the Security Agent in any personal liability or expense).

#### Section 7.05 Compensation and Indemnity

. The Issuer and the Guarantors, jointly and severally, shall pay to the Trustee and the Security Agent such compensation as shall be agreed in writing for their services hereunder. The Trustee's and the Security Agent's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer and the Guarantors, jointly and severally, shall reimburse the Trustee and the Security Agent promptly upon request for all properly incurred disbursements, advances or expenses incurred or made by them, including costs of collection, in addition to the compensation for their services. Such expenses shall include the properly incurred compensation, disbursements, charges, advances and expenses of the Trustee's and the Security Agent's agents and counsel.

The Issuer and the Guarantors, jointly and severally, shall indemnify the Trustee and the Security Agent against any and all loss, liability or expense (including attorneys' fees and expenses) incurred by either of them without willful misconduct or gross negligence on their part arising out of or in connection with the administration of this trust and the performance of their duties hereunder (including the costs and expenses of enforcing this Indenture, the Intercreditor Agreements and the Security Documents against the Issuer and the Guarantors (including this Section 7.05) and defending themselves against any claim, whether asserted by the Issuer, the Guarantors, any Holder or any other Person, or liability in connection with the execution and performance of any of their powers and duties hereunder). The Trustee and the Security Agent shall notify the Issuer promptly of any claim for which they may seek indemnity. Failure by the Trustee or the Security Agent to so notify the Issuer shall not relieve the Issuer or any Guarantor of its obligations hereunder. The Issuer shall, at the sole discretion of the Trustee or Security Agent, as applicable, defend the claim and the Trustee and the Security Agent may cooperate and may participate at the Issuer's expense in such defense. Alternatively, the Trustee and the Security Agent may at their option have separate counsel of their own choosing and the Issuer shall pay the properly incurred fees and expenses of such counsel. The Issuer need not pay for any settlement made without its consent, which consent may not be unreasonably withheld. The Issuer shall not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or gross negligence.

To secure the Issuer's payment obligations in this Section 7.05, the Trustee and the Security Agent shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, in their capacity as Trustee and the Security Agent, except money or property,

including any proceeds from the sale of Collateral, held in trust to pay principal of, premium, if any, additional amounts, if any, and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of all Notes under this Indenture.

When either the Trustee or the Security Agent incur expenses after the occurrence of a Default specified in Section 6.01(a)(ix) with respect to the Issuer, the Guarantors, or any Restricted Subsidiary, the expenses are intended to constitute expenses of administration under Bankruptcy Law.

The Issuer's obligations under this Section 7.05 and any claim or Lien arising hereunder shall survive the resignation or removal of any Trustee and the Security Agent, the satisfaction and discharge of the Issuer's obligations pursuant to Article Eight and any rejection or termination under any Bankruptcy Law, and the termination of this Indenture.

#### Section 7.06 Replacement of Trustee or Security Agent

. A resignation or removal of the Trustee and the Security Agent and appointment of a successor Trustee and successor Security Agent shall become effective only upon the successor Trustee's and the successor Security Agent's acceptance of appointment as provided in this Section 7.06.

The Trustee and, subject to the appointment and acceptance of a successor Security Agent as provided in this Section and the last paragraph of this Section 7.06, the Security Agent may resign at any time without giving any reason by so notifying the Issuer. The Holders of a majority in outstanding principal amount of the outstanding Notes may remove the Trustee and the Security Agent by so notifying the Trustee, the Security Agent and the Issuer. The Issuer shall remove the Trustee or the Security Agent if:

- (a) the Trustee or the Security Agent fails to comply with Section 7.09;
- (b) the Trustee or the Security Agent is adjudged bankrupt or insolvent;
- (c) a receiver or other public officer takes charge of the Trustee or the Security Agent or their property; or
- (d) the Trustee or the Security Agent otherwise becomes incapable of acting.

If the Trustee or the Security Agent resigns or is removed, or if a vacancy exists in the office of Trustee or the Security Agent for any reason, the Issuer shall promptly appoint a successor Trustee or a successor Security Agent, as the case may be. Within one year after the successor Trustee or Security Agent takes office, the Holders of a majority in principal amount of the outstanding Notes may appoint a successor Trustee or Security Agent to replace the successor Trustee or Security Agent appointed by the Issuer. If the successor Trustee or Security Agent does not deliver its written acceptance required by the next succeeding paragraph of this Section 7.06 within 30 days after the retiring Trustee or Security Agent resigns or is removed, the retiring Trustee or Security Agent, the Issuer or the Holders of a majority in principal amount

of the outstanding Notes may, at the expense of the Issuer, petition any court of competent jurisdiction for the appointment of a successor Trustee or Security Agent.

A successor Trustee or Security Agent shall deliver a written acceptance of its appointment to the retiring Trustee or Security Agent, as the case may be, and to the Issuer. Thereupon the resignation or removal of the retiring Trustee or Security Agent shall become effective, and the successor Trustee or Security Agent shall have all the rights, powers and duties of the Trustee or the Security Agent under this Indenture. The successor Trustee or Security Agent shall deliver a notice of its succession to Holders. The retiring Trustee or Security Agent shall, at the expense of the Issuer, promptly transfer all property held by it as Trustee or Security Agent to the successor Trustee or Security Agent; *provided* that all sums owing to the Trustee or Security Agent hereunder have been paid and subject to the Lien provided for in Section 7.05.

If a successor Trustee or Security Agent does not take office within 60 days after the retiring Trustee or Security Agent resigns or is removed, the retiring Trustee or Security Agent, the Issuer or the Holders of at least 30% in outstanding principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee or Security Agent at the expense of the Issuer. Without prejudice to the right of the Issuer to appoint a successor Trustee or a successor Security Agent in accordance with the provisions of this Indenture, the retiring Trustee or Security Agent may appoint a successor Trustee or Security Agent at any time prior to the date on which a successor Trustee or Security Agent takes office.

If the Trustee or the Security Agent fails to comply with Section 7.09, any Holder who has been a bona fide Holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Trustee or the Security Agent and the appointment of a successor Trustee or Security Agent.

In addition to the foregoing and notwithstanding any provision to the contrary, any resignation, removal or replacement of the Security Agent pursuant to this Section 7.06 shall not be effective until (a) a successor to the Security Agent has agreed to act under the terms of this Indenture and (b) all of the Liens in the Collateral securing the Note Obligations have been transferred to such successor. Any replacement or successor Security Agent shall be a bank with an office in New York, New York or an Affiliate of any such bank. Upon acceptance of its appointment as Security Agent hereunder by a replacement or successor, such replacement or successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Security Agent hereunder, and the retiring Security Agent shall be discharged from its duties and obligations hereunder.

Notwithstanding the replacement of the Trustee or the Security Agent pursuant to this Section 7.06, the Issuer's and the Guarantors' obligations under Section 7.05 shall continue for the benefit of the retiring Trustee or Security Agent.

#### Section 7.07 Successor Trustee or Security Agent by Merger

. Any corporation into which the Trustee or the Security Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger,

conversion or consolidation to which the Trustee or the Security Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee or the Security Agent, shall be the successor of the Trustee or the Security Agent hereunder; *provided* such corporation shall be otherwise qualified and eligible under this Article Seven, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Notes shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes. In case at that time any of the Notes shall not have been authenticated, any successor Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor Trustee. In all such cases such certificates shall have the full force and effect which this Indenture provides for the certificate of authentication of the Trustee shall have; *provided* that the right to adopt the certificate of authentication of any predecessor Trustee or to authenticate Notes in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

#### Section 7.08 Appointment of Security Agent and Supplemental Security Agents

. The parties hereto acknowledge and agree, and each Holder by accepting the Notes acknowledges and agrees, that the Issuer hereby appoints U.S. Bank National Association to act as Security Agent hereunder, and U.S. Bank National Association accepts such appointment. Each Holder, by accepting the Notes, authorizes and expressly directs the Trustee and the Security Agent on such Holder's behalf to enter into the Intercreditor Agreements and the Trustee and the Holders acknowledge that the Security Agent will be acting in respect to the Security Documents and the security granted thereunder on the terms outlined therein (which terms in respect of the rights and protections of the Security Agent, in the event of an inconsistency with the terms of this Indenture, will prevail).

(a) The Security Agent may perform any of its duties and exercise any of its rights and powers through one or more sub-agents or co-trustees appointed by it. The Security Agent and any such sub-agent or co-trustee may perform any of its duties and exercise any of its rights and powers through its affiliates. All of the provisions of this Indenture applicable to the Security Agent including, without limitation, its rights to be indemnified, shall apply to and be enforceable by any such sub-agent and affiliates of a Security Agent and any such sub-agent or co-trustee. All references herein to a "Security Agent" shall include any such sub-agent or co-trustee and affiliates of a Security Agent or any such sub-agent or co-trustee.

(b) It is the purpose of this Indenture, the Intercreditor Agreements and the Security Documents that there shall be no violation of any law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. Without limiting paragraph (a) of this Section, it is recognized that in case of litigation under, or enforcement of, this Indenture, any Intercreditor Agreement or any of the Security Documents, or in case the Security Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the rights, powers or remedies granted

herein or in any of the Security Documents or take any other action which may be desirable or necessary in connection therewith, the Security Agent is hereby authorized to appoint an additional individual or institution selected by the Security Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, Security Agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a “Supplemental Security Agent” and collectively as “Supplemental Security Agents”).

(c) In the event that the Security Agent appoints a Supplemental Security Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Indenture or any of the other Security Documents to be exercised by or vested in or conveyed to such Security Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Security Agent to the extent, and only to the extent, necessary to enable such Supplemental Security Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Security Documents and necessary to the exercise or performance thereof by such Supplemental Security Agent shall run to and be enforceable by either such Security Agent or such Supplemental Security Agent, and (ii) the provisions of this Indenture (and, in particular, this Article Seven) that refer to the Security Agent shall inure to the benefit of such Supplemental Security Agent and all references therein to the Security Agent shall be deemed to be references to a Security Agent and/or such Supplemental Security Agent, as the context may require.

(d) Should any instrument in writing from the Issuer or any other obligor be required by any Supplemental Security Agent so appointed by the Security Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Company shall, or shall cause the Issuer and relevant Guarantor to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Security Agent. In case any Supplemental Security Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Security Agent, to the extent permitted by law, shall vest in and be exercised by the Security Agent until the appointment of a new Supplemental Security Agent.

#### Section 7.09 Eligibility; Disqualification

. There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of England and Wales or the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power and which is generally recognized as a corporation which customarily performs such corporate trustee roles and provides such corporate trustee services in transactions similar in nature to the offering of the Notes as described in the Offering Memorandum. Each of the Trustee and the Security Agent shall have a combined capital and surplus of at least \$50,000,000, as set forth in its most recent published annual report of condition.

#### Section 7.10 Appointment of Co-Trustee

(a) It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture, and in particular in case of the enforcement thereof on Default, or in the case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted or take any action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an individual or institution as a separate or co-trustee. The following provisions of this Section 7.10 are adopted to these ends.

(b) In the event that the Trustee appoints an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and Lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate or co-trustee but only to the extent necessary to enable such separate or co-trustee to exercise such powers, rights and remedies, and only to the extent that the Trustee by the laws of any jurisdiction is incapable of exercising such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them.

(c) Should any instrument in writing from the Issuer be required by the separate or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall to the extent permitted by the laws of the State of New York and the jurisdictions of organization of the Issuer, on request, be executed, acknowledged and delivered by the Issuer; *provided* that if an Event of Default shall have occurred and be continuing, if the Issuer do not execute any such instrument within 15 days after request therefor, the Trustee shall be empowered as an attorney-in-fact for the Issuer to execute any such instrument in the Issuer's name and stead. In case any separate or co-trustee or a successor to either shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate or co-trustee.

(d) Each separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) all rights and powers, conferred or imposed upon the Trustee shall be conferred or imposed upon and may be exercised or performed by such separate trustee or co-trustee; and

(ii) no trustee hereunder shall be liable by reason of any act or omission of any other trustee hereunder.

(e) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article Seven.

(f) Any separate trustee or co-trustee may at any time appoint the Trustee as its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successors trustee.

#### Section 7.11 Resignation of Agents

(a) Any Agent may resign its appointment hereunder at any time without the need to give any reason and without being responsible for any costs associated therewith by giving to the Issuer and the Trustee and (except in the case of resignation of the Principal Paying Agent) the Principal Paying Agent 30 days' written notice to that effect (waivable by the Issuer and the Trustee); *provided* that in the case of resignation of the Principal Paying Agent no such resignation shall take effect until a new Principal Paying Agent (approved in advance in writing by the Trustee) shall have been appointed by the Issuer to exercise the powers and undertake the duties hereby conferred and imposed upon the Principal Paying Agent. Following receipt of a notice of resignation from any Agent, the Issuer shall promptly give notice thereof to the Holders in accordance with Section 12.02. Such notice shall expire at least 30 days before or after any due date for payment in respect of the Notes.

(b) If any Agent gives notice of its resignation in accordance with this Section 7.11 and a replacement Agent is required and by the tenth day before the expiration of such notice such replacement has not been duly appointed, such Agent may itself appoint as its replacement any reputable and experienced financial institution. Immediately following such appointment, the Issuer shall give notice of such appointment to the Trustee, the remaining Agents and the Holders whereupon the Issuer, the Trustee, the remaining Agents and the replacement Agent shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form *mutatis mutandis* of this Indenture.

(c) Upon its resignation becoming effective the Principal Paying Agent shall forthwith transfer all moneys held by it hereunder hereof to the successor Principal Paying Agent or, if none, the Trustee or to the Trustee's order, but shall have no other duties or responsibilities hereunder, and shall be entitled to the payment by the Issuer of its remuneration for the services previously rendered hereunder and to the reimbursement of all reasonable expenses (including legal fees) incurred in connection therewith.

#### Section 7.12 Agents General Provisions

(a) Actions of Agents. The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several.

(b) Agents of Trustee. The Issuer and the Agents acknowledge and agree that in the event of a Default or Event of Default, the Trustee may, by notice in writing to the Issuer and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee. Prior to receiving such written notification from the Trustee, the Agents shall be the agents of the Issuer and need have no concern for the interests of the Holders.

(c) Funds held by Agents. The Agents will hold all funds subject to the terms of this Indenture.

(d) Publication of Notices. Any obligation the Agents may have to publish a notice to Holders of Global Notes on behalf of the Issuer will be met upon delivery of the notice to DTC.

(e) Instructions. In the event that instructions given to any Agent are not reasonably clear, then such Agent shall be entitled to seek clarification from the Issuer or other party entitled to give the Agents instructions under this Indenture by written request promptly, and in any event within one Business Day of receipt by such Agent of such instructions. If an Agent has sought clarification in accordance with this Section 7.12, then such Agent shall be entitled to take no action until such clarification is provided, and shall not incur any liability for not taking any action pending receipt of such clarification.

(f) No Fiduciary Duty. No Agent shall be under any fiduciary duty or other obligation towards, or have any relationship of agency or trust, for or with any person.

(g) Mutual Undertaking. Each party shall, within ten Business Days of a written request by another party, supply to that other party such forms, documentation and other information relating to it, its operations, or the Notes as that other party reasonably requests for the purposes of that other party's compliance with applicable law and shall notify the relevant other party reasonably promptly in the event that it becomes aware that any of the forms, documentation or other information provided by such party is (or becomes) inaccurate in any material respect; *provided, however*, that no party shall be required to provide any forms, documentation or other information pursuant to this Section 7.12(g) to the extent that: (i) any such form, documentation or other information (or the information required to be provided on such form or documentation) is not reasonably available to such party and cannot be obtained by such party using reasonable efforts; or (ii) doing so would or might in the reasonable opinion of such party constitute a breach of any: (a) applicable law or (b) duty of confidentiality. For purposes of this Section 7.12(g), "applicable law" shall be deemed to include (i) any rule or practice of any regulatory or governmental authority by which any party is bound or with which it is accustomed to comply; (ii) any agreement between any Authorities; and (iii) any agreement between any regulatory or governmental authority and any party that is customarily entered into by institutions of a similar nature.

(h) Tax Withholding.

(i) The Issuer shall notify each Agent in the event that it determines that any payment to be made by an Agent under the Notes is a payment which could be subject to FATCA Withholding if such payment were made to a recipient that is generally unable to receive payments free from FATCA Withholding, and the extent to which the relevant payment is so treated; *provided, however*, that the Issuer's obligations under this Section 7.12(h) shall apply only to the extent that such payments are so treated by virtue of characteristics of the Issuer, the Notes, or both.

(ii) Notwithstanding any other provision of this Indenture, each Agent shall be entitled to make a deduction or withholding from any payment which it makes under the Notes for or on account of any Tax, if and only to the extent so required by Applicable Law, in which event the Agent shall make such payment after such deduction or withholding has been made and shall account to the relevant Authority within the time allowed for the amount so deducted or withheld or, at its option, shall reasonably promptly after making such payment return to the Issuer the amount so deducted or withheld, in which case, the Issuer shall so account to the relevant Authority for such amount. For the avoidance of doubt, FATCA Withholding is a deduction or withholding which is deemed to be required by Applicable Law for the purposes of this Section 7.12(h)(ii).

## ARTICLE EIGHT

### DEFEASANCE; SATISFACTION AND DISCHARGE

Section 8.01 Issuer's Option to Effect Defeasance or Covenant Defeasance. The Issuer may, at its option and at any time prior to the Stated Maturity of the Notes, by a resolution of its Board of Directors, elect to have either Section 8.02 or Section 8.03 be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article Eight.

#### Section 8.02 Defeasance and Discharge

. Upon the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.02, the Issuer and the Guarantors shall be deemed to have been discharged from their obligations with respect to the Notes on the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes and to have satisfied all their other obligations under the Notes and this Indenture (and the Trustee, at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of outstanding Notes to receive, solely from the trust fund described in Section 8.08 and as more fully set forth in such Section, payments in respect of the principal of (and premium, if any, on) and interest (including Additional Amounts) on such Notes when such payments are due, (b) the Issuer's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated,

destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust, (c) the rights, powers, trusts, duties and immunities of the Trustee and the Security Agent hereunder and the Issuer's and the Guarantors' obligations in connection therewith and (d) the provisions of this Article Eight. Subject to compliance with this Article Eight, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 below with respect to the Notes. If the Issuer exercises its Legal Defeasance option, payment of the Notes may not be accelerated because of an Event of Default.

#### Section 8.03 Covenant Defeasance

. Upon the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.03, the Issuer and the Guarantors shall be released from their obligations under any covenant contained in Sections 4.04 through 4.11, 4.13 through 4.17, 4.19 through 4.26 and 5.01 with respect to the Notes on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"). For this purpose, such Covenant Defeasance means that, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby.

#### Section 8.04 Conditions to Defeasance

. In order to exercise either Legal Defeasance or Covenant Defeasance:

(i) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest (including Additional Amounts and premium, if any) on the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Issuer must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(ii) in the case of Legal Defeasance, the Issuer must deliver to the Trustee:

(A) an opinion of United States counsel, which counsel is reasonably acceptable to the Trustee, confirming that (i) the Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (ii) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such opinion of counsel will confirm that, the holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal

Defeasance and will be subject to tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred; and

(B) an Opinion of Counsel in the jurisdiction of incorporation of the Issuer, which counsel is reasonably acceptable to the Trustee, to the effect that the holders of the Notes will not recognize income, gain or loss for tax purposes of such jurisdiction as a result of such deposit and defeasance and will be subject to tax in such jurisdiction on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(iii) in the case of Covenant Defeasance, the Issuer must deliver to the Trustee:

(A) an opinion of United States counsel, which counsel is reasonably acceptable to the Trustee, confirming that the holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred; and

(B) an opinion of counsel in the jurisdiction of incorporation of the Issuer, which counsel is reasonably acceptable to the Trustee, to the effect that the holders of the Notes will not recognize income, gain or loss for tax purposes of such jurisdiction as a result of such deposit and defeasance and will be subject to tax in such jurisdiction on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(iv) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);

(v) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, the Convertible Notes or any other material agreement or instrument (other than this Indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which the Issuer or any of the Guarantors is a party or by which the Issuer or any of the Guarantors is bound;

(vi) the Issuer must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of preferring the holders of Notes over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or others; and

(vii) the Issuer must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

If the funds deposited with the Trustee to effect Covenant Defeasance are insufficient to pay the principal of, premium, if any, and interest on the Notes when due because of any acceleration occurring after an Event of Default, then the Issuer and the Guarantors shall remain liable for such payments.

#### Section 8.05 Satisfaction and Discharge of Indenture

. This Indenture, and the rights of the Trustee and the Holders of the Notes under the Intercreditor Agreements and the Security Documents, shall be discharged and shall cease to be of further effect as to all Notes issued thereunder, when:

(1) either:

(A) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuer, have been delivered to the Trustee for cancellation; or

(B) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the delivery of a notice of redemption or otherwise or will become due and payable within one year and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium and Additional Amounts, if any, and accrued interest to the date of maturity or redemption;

(2) the Issuer or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture;

(3) the Issuer has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be; and

(4) the Issuer has delivered an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied; *provided* that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clauses (1), (2) and (3)).

#### Section 8.06 Survival of Certain Obligations

. Notwithstanding Sections 8.01 and 8.03, any obligations of the Issuer and the Guarantors in Sections 2.02 through 2.14, 6.07, 7.05 and 7.06 shall survive until the Notes have been paid in full. Thereafter, any obligations of the Issuer or the Guarantors in Section 7.05 shall survive such satisfaction and discharge. Nothing contained in this Article Eight shall abrogate any of the obligations or duties of the Trustee under this Indenture.

#### Section 8.07 Acknowledgment of Discharge by Trustee

. Subject to Section 8.09, after the conditions of Section 8.02 or 8.03 have been satisfied, the Trustee upon written request shall acknowledge in writing the discharge of all of the Issuer's and Guarantor's obligations under this Indenture except for those surviving obligations specified in this Article Eight.

#### Section 8.08 Application of Trust Money

. Subject to Section 8.09, the Trustee shall hold in trust cash in U.S. dollars or U.S. Government Obligations deposited with it pursuant to this Article Eight. It shall apply the deposited cash or Government Securities through the Paying Agent and in accordance with this Indenture to the payment of principal of, premium, if any, interest, and Additional Amounts, if any, on the Notes; but such money need not be segregated from other funds except to the extent required by law.

#### Section 8.09 Repayment to Issuer

. Subject to Sections 7.05, and 8.01 through 8.04, the Trustee and the Paying Agent shall promptly pay to the Issuer upon request set forth in an Officer's Certificate any excess money held by them at any time and thereupon shall be relieved from all liability with respect to such money. The Trustee and the Paying Agent shall pay to the Issuer upon request any money held by them for the payment of principal, premium, if any, interest or Additional Amounts, if any, that remains unclaimed for two years; *provided* that the Trustee or Paying Agent before being required to make any payment may cause to be published through the newswire service of Bloomberg or, if Bloomberg does not then operate, any similar agency or deliver to each Holder entitled to such money at such Holder's address (as set forth in the Security Register) notice that such money remains unclaimed and that after a date specified therein (which shall be at least 30 days from the date of such publication or delivery) any unclaimed balance of such money then remaining will be repaid to the Issuer. After payment to the Issuer, Holders entitled to such money must look to the Issuer for payment as general creditors unless an applicable law designates another Person, and all liability of the Trustee and such Paying Agent with respect to such money shall cease.

#### Section 8.10 Indemnity for Government Securities

. The Issuer shall pay and shall indemnify the Trustee and the Paying Agent against any tax, fee or other charge imposed on or assessed against deposited Government

Securities or the principal, premium, if any, interest, if any, and Additional Amounts, if any, received on such Government Securities.

Section 8.11 Reinstatement

. If the Trustee or Paying Agent is unable to apply cash in U.S. dollars or Government Securities in accordance with this Article Eight by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and the Guarantors' obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article Eight until such time as the Trustee or any such Paying Agent is permitted to apply all such cash or Government Securities in accordance with this Article Eight; *provided* that, if the Issuer has made any payment of principal of, premium, if any, interest, if any, and Additional Amounts, if any, on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the cash in U.S. dollars or Government Securities held by the Trustee or Paying Agent.

**ARTICLE NINE**

**AMENDMENTS AND WAIVERS**

Section 9.01 Without Consent of Holders.

(a) The Issuer, when authorized by a resolution of its Board of Directors (as evidenced by the delivery of such resolutions to the Trustee), the Guarantors, the Security Agent and the Trustee may modify, amend or supplement the Note Documents without notice to or consent of any Holder:

(i) to cure any ambiguity, omission, error, defect or inconsistency;

(ii) to provide for the assumption of the Issuer's or a Guarantor's obligations to Holders of Notes and Note Guarantees in the case of a consolidation or merger or sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the Issuer's or such Guarantor's assets, as applicable;

(iii) to make any change that would provide any additional rights or benefits to the Holders of Notes or that, in the good faith judgment of the Board of Directors of the Issuer, does not adversely affect the legal rights under this Indenture of any such holder in any material respect;

(iv) to conform the text of this Indenture, the Notes or the Note Guarantees to any provision of the section entitled "Description of Notes" in the Offering Memorandum to the extent that such provision in the "Description of Notes" was intended to be a verbatim recitation of a provision of this Indenture, the Notes or the Note Guarantees;

(v) to provide for any Restricted Subsidiary to provide a Note Guarantee in accordance with Section 4.06 and Section 4.15 to add security to or for the benefit of the Notes or to confirm and evidence the release, termination, discharge or retaking of any Note Guarantee or Lien (including the Collateral and the Security Documents) or any amendment in respect thereof with respect to or securing the Notes when such release, termination, discharge or retaking or amendment is permitted under this Indenture, the Intercreditor Agreements and the Security Documents;

(vi) in the case of the Security Documents, to mortgage, pledge, hypothecate or grant a security interest (i) in favor of the Security Agent for the benefit of holders of Note Obligations or (ii) in favor of any other party that is granted a Lien on Collateral in accordance with the terms of this Indenture, in each case, in any property which is required by the documents governing such Indebtedness to be mortgaged, pledged or hypothecated, or in which a security interest is required to be granted to the Security Agent, or to the extent necessary to grant a security interest for the benefit of any Person; *provided* that the granting of such security interest is not prohibited by this Indenture and Section 4.22 is complied with;

(vii) to provide for the issuance of additional Notes in accordance with the limitations set forth in this Indenture as of the Issue Date;

(viii) to allow any Guarantor to execute a Supplemental Indenture and a Note Guarantee with respect to the Notes;

(ix) to provide for uncertificated Notes in addition to or in place of Definitive Registered Notes (*provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code);

(x) to evidence and provide the acceptance of the appointment of a successor Trustee under this Indenture; or

(xi) upon the Discharge of all Senior-Priority Obligations, to reflect that the Notes and any other *Pari Passu* Obligations will be secured on a first-priority basis by Liens on the Collateral.

(b) In connection with any proposed amendment or supplement in respect of such matters, the Trustee will be entitled to receive, and rely conclusively on, an Opinion of Counsel and/or an Officer's Certificate.

(c) For the avoidance of doubt (and without limiting the generality of any other statements in this Indenture), the provisions of the Trust Indenture Act of 1939, as amended, shall not apply to any amendments to or waivers or consents under this Indenture.

#### Section 9.02 With Consent of Holders

(a) Except as provided in Section 9.02(b) below and Section 6.04 and without prejudice to Section 9.01, the Note Documents may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and any existing Default or Event of Default or compliance with any provision of this Indenture, the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes); *provided* that any such amendment, supplement or waiver to release the security interests in the Collateral granted for the benefit of the Trustee and the Holders (other than pursuant to the terms of the Security Documents or this Indenture, as applicable, and except as permitted by the Intercreditor Agreements) shall (i) in respect of all or substantially all of the Collateral, require the consent of the Holders of at least 75% in aggregate principal amount of the Notes and (ii) in respect of Collateral with a Fair Market Value greater than \$1,000 million (but, for the avoidance of doubt, less than all or substantially all of the Collateral), require the consent of the holders of at least 66 $\frac{2}{3}$ % in aggregate principal amount of the Notes.

(b) Without the consent of each Holder affected, an amendment, supplement or waiver may not (with respect to any Notes held by a non-consenting Holder):

- (i) reduce the principal amount of Notes whose holders must consent to an amendment, supplement or waiver;
- (ii) reduce the principal of or change the fixed maturity of any Note or reduce the premium payable upon the redemption of any such Note or change the time at which such Note may be redeemed;
- (iii) reduce the rate of or change the time for payment of interest, including default interest, on any Note;
- (iv) impair the right of any Holder to institute suit for the enforcement of any payment on or with respect to such Holder's Notes or any Note Guarantee in respect thereof;
- (v) waive a Default or Event of Default in the payment of principal of, or interest, Additional Amounts or premium, if any, on, the Notes (except a rescission of acceleration of the Notes by the holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment Default that resulted from such acceleration);
- (vi) make any Note payable in money other than that stated in the Notes;

(vii) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of holders of Notes to receive payments of principal of, or interest, Additional Amounts or premium, if any, on, the Notes;

(viii) waive a redemption payment with respect to any Note (other than a payment required by Section 4.09 or Section 4.11);

(ix) make any change to or modify the ranking of the Notes as to contractual right of payment in a manner that would adversely affect the holders thereof;

(x) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture or the Intercreditor Agreements; or

(xi) make any change in the preceding amendment and waiver provisions.

(c) The consent of the Holders shall not be necessary under this Indenture to approve the particular form of any proposed amendment, modification, supplement, waiver or consent. It is sufficient if such consent approves the substance of the proposed amendment, modification, supplement, waiver or consent. A consent to any amendment or waiver under this Indenture by any Holder given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

#### Section 9.03 Effect of Supplemental Indentures

. Upon the execution of any Supplemental Indenture under this Article Nine, this Indenture shall be modified in accordance therewith, and such Supplemental Indenture shall form a part of this Indenture for all purposes; and every Holder theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

#### Section 9.04 Notation on or Exchange of Notes

. If an amendment, modification or supplement changes the terms of a Note, the Issuer or the Trustee may require the Holder to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note and on any Note subsequently authenticated regarding the changed terms and return it to the Holder. Alternatively, if the Issuer so determines, the Issuer in exchange for the Note shall issue, and the Trustee shall authenticate, a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, modification or supplement.

#### Section 9.05 [Reserved]

.

#### Section 9.06 Notice of Amendment or Waiver

. Promptly after the execution by the Issuer and the Trustee of any Supplemental Indenture or waiver pursuant to the provisions of Section 9.02, the Issuer shall give notice thereof to the Holders of each outstanding Note affected, in the manner provided for in Section 12.01(b), setting forth in general terms the substance of such Supplemental Indenture or waiver.

Section 9.07 Trustee to Sign Amendments, Etc.

The Trustee or the Security Agent, as the case may be, shall execute any amendment, supplement or waiver authorized pursuant and adopted in accordance with this Article Nine; *provided* that the Trustee or the Security Agent, as the case may be, may, but shall not be obligated to, execute any such amendment, supplement or waiver which affects the Trustee's or Security Agent's, as the case may be, own rights, duties or immunities under this Indenture. The Trustee and the Security Agent shall receive, if requested, an indemnity and/or security (including by way of pre-funding) satisfactory to it and to receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officer's Certificate each stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article Nine is authorized or permitted by this Indenture and that such amendment has been duly authorized, executed and delivered and is the legally valid and binding obligation of the Issuer enforceable against them in accordance with its terms (for the avoidance of doubt, such Opinion of Counsel is not required with respect to any Guarantor). Such Opinion of Counsel shall be an expense of the Issuer.

Section 9.08 Additional Voting Terms; Calculation of Principal Amount

(a) All Notes issued under this Indenture shall vote and consent together on all matters (as to which any of such Notes may vote) as one class and no series of Notes will have the right to vote or consent as a separate series on any matter; *provided, however*, that if any amendment, waiver or other modification will only affect one series of Notes, only the consent of the Holders of not less than a majority in principal amount of the affected series of Notes then outstanding (and not the consent of the Holders of at least a majority of all Notes), shall be required. Determinations as to whether Holders of the requisite aggregate principal amount of Notes have concurred in any direction, waiver or consent shall be made in accordance with this Article Nine and Section 9.08(b).

(b) The aggregate principal amount of the Notes, at any date of determination, shall be the principal amount of the Notes at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Notes, such percentage shall be calculated, on the relevant date of determination, by dividing (i) the principal amount, as of such date of determination, of Notes, the Holders of which have so consented by (b) the aggregate principal amount, as of such date of determination, of the Notes then outstanding, in each case, as determined in accordance with the preceding sentence, Section 2.08 and Section 2.09 of this Indenture. Any such calculation made pursuant to this Section 9.08(b) shall be made by the Issuer and delivered to the Trustee pursuant to an Officer's Certificate.

## ARTICLE TEN

### GUARANTEE

#### Section 10.01 Note Guarantees.

(a) The Guarantors, either by execution of this Indenture or a Supplemental Indenture, fully and, subject to the limitations on the effectiveness and enforceability set forth in this Indenture or such Supplemental Indenture, as applicable, unconditionally guarantee, on a joint and several basis to each Holder and to the Trustee and its successors and assigns on behalf of each Holder, the full payment of principal of, premium, if any, interest, if any, and Additional Amounts, if any, on, and all other monetary obligations of the Issuer under this Indenture and the Notes (including obligations to the Trustee and the Security Agent and the obligations to pay Additional Amounts, if any) with respect to, each Note authenticated and delivered by the Trustee or its agent pursuant to and in accordance with this Indenture, in accordance with the terms of this Indenture (all the foregoing being hereinafter collectively called the “Note Obligations”). The Guarantors further agree that the Note Obligations may be extended or renewed, in whole or in part, without notice or further assent from the Guarantors and that the Guarantors shall remain bound under this Article Ten notwithstanding any extension or renewal of any Note Obligation. All payments under each Note Guarantee will be made in U.S. dollars.

(b) The Guarantors hereby agree that their obligations hereunder shall be as if they were each principal debtor and not merely surety, unaffected by, and irrespective of, any invalidity, irregularity or unenforceability of any Note or this Indenture, any failure to enforce the provisions of any Note or this Indenture, any waiver, modification or indulgence granted to the Issuer with respect thereto by the Holders or the Trustee, or any other circumstance which may otherwise constitute a legal or equitable discharge of a surety or guarantor (except payment in full); *provided* that notwithstanding the foregoing, no such waiver, modification, indulgence or circumstance shall without the written consent of the Guarantors increase the principal amount of a Note or the interest rate thereon or change the currency of payment with respect to any Note, or alter the Stated Maturity thereof. The Guarantors hereby waive diligence, presentment, demand of payment, filing of claims with a court in the event of merger or bankruptcy of the Issuer, any right to require that the Trustee pursue or exhaust its legal or equitable remedies against the Issuer prior to exercising its rights under a Note Guarantee (including, for the avoidance of doubt, any right which a Guarantor may have to require the seizure and sale of the assets of the Issuer to satisfy the outstanding principal of, interest on or any other amount payable under each Note prior to recourse against such Guarantor or its assets), protest or notice with respect to any Note or the Indebtedness evidenced thereby and all demands whatsoever, and each covenant that their Note Guarantee will not be discharged with respect to any Note except by payment in full of the principal thereof and interest thereon or as otherwise provided in this Indenture, including Section 10.04. If at any time any payment of principal of, premium, if any, interest, if any, or Additional Amounts, if any, on such Note is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Issuer, the Guarantors’ obligations hereunder with respect to such payment shall be reinstated as of the date of such rescission,

restoration or returns as though such payment had become due but had not been made at such times.

(c) The Guarantors also agree to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

#### Section 10.02 Subrogation

(a) Each Guarantor shall be subrogated to all rights of the Holders against the Issuer in respect of any amounts paid to such Holders by such Guarantor pursuant to the provisions of its Note Guarantee.

(b) The Guarantors agree that they shall not be entitled to any right of subrogation in relation to the Holders in respect of any Obligations guaranteed hereby until payment in full of all Obligations. The Guarantors further agree that, as between them, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Section 6.02 for the purposes of the Note Guarantees herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such Obligations as provided in Section 6.02, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purposes of this Section 10.02.

#### Section 10.03 Release of Note Guarantees

. The Note Guarantee of a Guarantor (other than Carnival plc) shall automatically be released:

(1) in connection with any sale or other disposition of all or substantially all of the assets of such Subsidiary Guarantor (including by way of merger, consolidation, amalgamation or combination) to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, if the sale or other disposition does not violate Section 4.09;

(2) in connection with any sale or other disposition of Capital Stock of that Subsidiary Guarantor to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, if the sale or other disposition does not violate Section 4.09 and the Subsidiary Guarantor either (i) ceases to be a Restricted Subsidiary as a result of such sale or other disposition or (ii) would not be required to provide a Note Guarantee under Section 4.15;

(3) if the Issuer designates such Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the applicable provisions of this Indenture;

(4) upon the full and final payment of the Notes and performance of all Obligations of the Issuer and the Guarantors under this Indenture, the Notes and the Note Guarantees;

(5) upon Legal Defeasance, Covenant Defeasance or satisfaction and discharge of the Notes, the Note Guarantees and this Indenture as provided under Article Eight; and

(6) as described under Article Nine;

*provided* that, in each case, such Subsidiary Guarantor has delivered to the Trustee an Officer's Certificate stating that all conditions precedent provided for in this Indenture relating to such release have been complied with.

The Note Guarantee of Carnival plc shall automatically be released upon any of the circumstances described in clauses (4), (5) and (6) of the immediately preceding paragraph; *provided* that, in each case, Carnival plc has delivered to the Trustee an Officer's Certificate stating that all conditions precedent provided for in this Indenture relating to such release have been complied with.

The Issuer shall notify the Trustee and the Security Agent in writing of any such determination in an Officer's Certificate (and the Trustee shall notify the Holders of such notification promptly after receipt thereof).

(d) Unless otherwise provided in an Officer's Certificate, such automatic reduction of the TTA Test Reduction Obligations under clause (b) above shall be applied in the following order of priority (and any such automatic reinstatement of security interests under clause (c) above shall be applied in the inverse of the following order of priority):

(i) *first*, in respect of any TTA Test Reduction Obligations that constitute Junior Obligations and/or Other Pari Passu Obligations issued after the Issue Date, taken together, until the principal amount thereof that is secured by Liens on the Collateral equals zero;

(ii) *second*, in respect of the Note Obligations, until the principal amount thereof that is secured by Liens on the Collateral equals zero;

(iii) *third*, in respect of Other Pari Passu Obligations issued prior to the Issue Date (including, for the avoidance of doubt, the 2026 Second-Priority Notes), until the principal amount thereof that is secured by Liens on the Collateral equals zero;

(iv) *fourth*, in respect of any TTA Test Reduction Obligations that constitute Senior-Priority Obligations (other than Obligations under the Existing Term Loan Facility), until the principal amount thereof that is secured by Liens on the Collateral equals zero; and

(v) *fifth*, in respect of Obligations under the Existing Term Loan Facility.

(e) Each Holder of a Note, by its acceptance thereof, shall be deemed to have acknowledged that the Obligations under the Notes will constitute “New Secured Debt” (as defined in each of the indenture governing the 2023 Secured Notes and the Existing Term Loan Facility, each as in effect on the date hereof) and, as effectuated pursuant to this Section 11.05, is subject to automatic reduction of the amount thereof that is secured by Liens on the Collateral upon the occurrence of an Operative Reduction Event pursuant to this Section 11.05, in accordance with each of the First Lien Intercreditor Agreement, the indenture governing the 2023 Secured Notes and the Existing Term Loan Facility, each as in effect on the date hereof.

Each of the reductions in accordance with this Section 11.05 shall be effected by the Security Agent without the consent of the Holders of the Notes or any action on the part of the Trustee.

Any reduction made in compliance with this Section 11.05 shall not be deemed to impair the Lien under the Security Documents or the Collateral thereunder in contravention of the provisions of this Indenture or the Security Documents (including Section 4.22 hereof).

Upon the occurrence of a reduction in accordance with this Section 11.05, the Issuer or such Guarantor may deliver an Officer’s Certificate (which, if given, the Trustee and Security Agent shall rely upon in connection with such reduction) to the Trustee and the Security Agent setting forth that the specified reduction complies with the terms of this Indenture. Upon receipt of the Officer’s Certificate and if so requested by the Issuer or such Guarantor, the Security Agent shall execute, deliver or acknowledge any necessary or proper instruments of termination, satisfaction or release to evidence such reduction pursuant to this Indenture.

Section 12.13 Severability

. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 12.14 Currency Indemnity

. Any payment on account of an amount that is payable in U.S. dollars (the “Required Currency”) which is made to or for the account of any holder or the Trustee in lawful currency of any other jurisdiction (the “Judgment Currency”), whether as a result of any judgment or order or the enforcement thereof or the liquidation of the Issuer or any Guarantor, shall constitute a discharge of the Issuer or the Guarantor’s obligation under this Indenture and the Notes or Note Guarantee, as the case may be, only to the extent of the amount of the Required Currency with such holder or the Trustee, as the case may be, could purchase in the London foreign exchange markets with the amount of the Judgment Currency in accordance with normal banking procedures at the rate of exchange prevailing on the first Business Day following receipt of the payment in the Judgment Currency. If the amount of the Required Currency that could be so purchased is less than the amount of the Required Currency originally due to such holder or the Trustee, as the case may be, the Issuer and the Guarantors shall indemnify and hold harmless the holder or the Trustee, as the case may be, from and against all loss or damage arising out of, or as a result of, such deficiency. This indemnity shall constitute an obligation separate and independent from the other obligations contained in this Indenture or the Notes, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any holder or the Trustee from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due hereunder or under any judgment or order.

[FORM OF REVERSE SIDE OF NOTE]

9.875% Second-Priority Senior Secured Note due 2027

1. Interest

Carnival Corporation, a Panamanian corporation (together with its successors and assigns under the Indenture, the “Issuer”), for value received, promises to pay interest on the principal amount of this Note from [●], 20[●] at the rate per annum shown above. Interest will be computed on the basis of a 360-day year of twelve 30-day months. The Issuer shall pay interest on overdue principal and interest, including Additional Amounts, if any, at a rate that is 1.0% higher than the interest rate on the Notes to the extent lawful. Any interest paid on this Note shall be increased to the extent necessary to pay Additional Amounts as set forth in this Note.

2. Additional Amounts

(a) All payments made by or on behalf of the Issuer or any of the Guarantors (including, in each case, any successor entity) under or with respect to the Notes or any Note Guarantee shall be made free and clear of and without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If the Issuer, any Guarantor or any other applicable withholding agent is required by law to withhold or deduct any amount for, or on account of, any Taxes imposed or levied by or on behalf of (1) any jurisdiction (other than the United States) in which the Issuer or any Guarantor is or was incorporated, engaged in business, organized or resident for tax purposes or any political subdivision thereof or therein or (2) any jurisdiction from or through which any payment is made by or on behalf of the Issuer or any Guarantor (including, without limitation, the jurisdiction of any Paying Agent) or any political subdivision thereof or therein (each of (1) and (2), a “Tax Jurisdiction”) in respect of any payments under or with respect to the Notes or any Note Guarantee, including, without limitation, payments of principal, redemption price, purchase price, interest or premium, the Issuer or the relevant Guarantor, as applicable, shall pay such additional amounts (the “Additional Amounts”) as may be necessary in order that the net amounts received and retained in respect of such payments by each beneficial owner of Notes after such withholding or deduction shall equal the respective amounts that would have been received and retained in respect of such payments in the absence of such withholding or deduction; *provided, however*, that no Additional Amounts shall be payable with respect to:

(1) any Taxes, to the extent such Taxes would not have been imposed but for the holder or the beneficial owner of the Notes (or a fiduciary, settlor, beneficiary, partner of, member or shareholder of, or possessor of a power over, the relevant holder, if the relevant holder is an estate, trust, nominee, partnership, limited liability company or corporation) being or having been a citizen or resident or national of, or incorporated, engaged in a trade or business in, being or having been physically present in or having a permanent establishment in, the relevant Tax Jurisdiction or having or having had any other present or former connection with the relevant Tax Jurisdiction, other than any connection arising from the acquisition, ownership or disposition of Notes, the exercise or enforcement of rights under such Note, the Indenture or a Note Guarantee, or the receipt of payments in respect of such Note or a Note Guarantee;

(2) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Note for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the holder (except to the extent that the holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period);

(3) any estate, inheritance, gift, sale, transfer, personal property or similar Taxes;

(4) any Taxes payable other than by deduction or withholding from payments under, or with respect to, the Notes or any Note Guarantee;

(5) any Taxes to the extent such Taxes would not have been imposed or withheld but for the failure of the holder or beneficial owner of the Notes, following the Issuer's reasonable written request addressed to the holder at least 60 days before any such withholding or deduction would be imposed, to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the holder or beneficial owner is legally eligible to provide such certification or documentation;

(6) any Taxes imposed in connection with a Note presented for payment (where presentation is permitted or required for payment) by or on behalf of a holder or beneficial owner of the Notes to the extent such Taxes could have been avoided by presenting the relevant Note to, or otherwise accepting payment from, another Paying Agent;

(7) any Taxes imposed on or with respect to any payment by the Issuer or any of the Guarantors to the holder of the Notes if such holder is a fiduciary or partnership or any person other than the sole beneficial owner of such payment to the extent that such Taxes would not have been imposed on such payments had such holder been the sole beneficial owner of such Note;

(8) any Taxes that are imposed pursuant to current Section 1471 through 1474 of the Internal Revenue Code of 1986, as amended (the "Code") or any amended or successor version that is substantively comparable and not materially more onerous to comply with, any regulations promulgated thereunder, any official interpretations thereof, any intergovernmental agreement between a non-U.S. jurisdiction and the United States (or any related law or administrative practices or procedures) implementing the foregoing or any agreements entered into pursuant to current Section 1471(b) (1) of the Code (or any amended or successor version described above); or

(9) any combination of clauses (1) through (8) above.

In addition to the foregoing, the Issuer and the Guarantors will also pay and indemnify the holder for any present or future stamp, issue, registration, value added, transfer, court or documentary Taxes, or any other excise or property taxes, charges or similar levies (including penalties, interest and additions to tax related thereto) which are levied by any jurisdiction on the execution, delivery, issuance, or registration of any of the Notes, the Indenture, any Note Guarantee or any other document referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Notes or any Note Guarantee (limited, solely in the case of Taxes attributable to the receipt of any payments, to any such Taxes imposed in a Tax Jurisdiction that are not excluded under clauses (1) through (3) or (5) through (9) above or any combination thereof).

(b) If the Issuer or any Guarantor, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Note Guarantee, the Issuer or the relevant Guarantor, as the case may be, will deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the Issuer or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officer's Certificates must also set forth any other information reasonably necessary to enable the Paying Agents to pay Additional Amounts to Holders on the relevant payment date. The Issuer or the relevant Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of Additional Amounts. The Trustee shall be entitled to rely absolutely on an Officer's Certificate as conclusive proof that such payments are necessary.

(c) The Issuer or the relevant Guarantor, if it is the applicable withholding agent, will make all withholdings and deductions (within the time period) required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuer or the relevant Guarantor will use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Issuer or the relevant Guarantor will furnish to the Trustee (or to a Holder upon request), within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or a Guarantor, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments (reasonably satisfactory to the Trustee) by such entity.

(d) Whenever in the Indenture or this Note there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes or any Note Guarantee, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(e) The preceding obligations will survive any termination, defeasance or discharge of the Indenture, any transfer by a holder or beneficial owner of its Notes, and will apply, *mutatis*

*mutandis*, to any jurisdiction in which any successor Person to the Issuer (or any Guarantor) is incorporated, engaged in business, organized or resident for tax purposes, or any jurisdiction from or through which payment is made under or with respect to the Notes (or any Note Guarantee) by or on behalf of such Person and, in each case, any political subdivision thereof or therein.

### 3. Method of Payment

The Issuer shall pay interest on this Note (except defaulted interest) to the Holder at the close of business on the Record Date for the next Interest Payment Date even if this Note is cancelled after the Record Date and on or before the Interest Payment Date. The Issuer shall pay principal and interest in U.S. dollars in immediately available funds that at the time of payment is legal tender for payment of public and private debts; *provided* that payment of interest may be made at the option of the Issuer by check mailed to the Holder.

The amount of payments in respect of interest on each Interest Payment Date shall correspond to the aggregate principal amount of Notes represented by this Note, as established by the Registrar at the close of business on the relevant Record Date. Payments of principal shall be made upon surrender of this Note to the Paying Agent.

### 4. Paying Agent and Registrar

Initially, U.S. Bank National Association or one of its affiliates will act as Principal Paying Agent and Registrar. The Issuer or any of its Affiliates may act as Paying Agent, Registrar or co-Registrar.

### 5. Indenture

The Issuer issued this Note under an indenture dated as of August 18, 2020 (as amended, supplemented or otherwise modified from time to time, the “Indenture”), among, *inter alios*, the Issuer, U.S. Bank National Association, as trustee (the “Trustee”), Principal Paying Agent, Transfer Agent, Registrar and Security Agent. The terms of this Note include those stated in the Indenture. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

### 6. Optional Redemption

(a) At any time prior to February 1, 2024 (the “First Call Date”), the Issuer may on any one or more occasions redeem all or a part of the Notes, upon not less than 10 nor more than 60 days’ prior notice, at a redemption price equal to 100.0% of the principal amount of the Notes redeemed, plus the Applicable Premium (as calculated by the Issuer) as of, and accrued and unpaid interest and Additional Amounts, if any, to, the date of redemption, subject to the rights of Holders of the Notes on the relevant Record Date to receive interest due on the relevant Interest Payment Date.

Notwithstanding the foregoing, at any time and from time to time prior to February 1, 2024, the Issuer may redeem an aggregate principal amount of Notes up to 40% of the sum of (x) the original aggregate principal amount of the Notes issued on the Issue Date plus (y) the aggregate principal amount of additional Notes issued after the Issue Date (such sum, the “Issued Principal Amount”) using the net cash proceeds of one or more Equity Offerings (1) by the Issuer or Carnival plc or (2) by any direct or indirect parent of the Company or Carnival plc to the extent the net cash proceeds thereof are contributed to the common equity capital of the Company or Carnival plc or used to purchase Capital Stock (other than Disqualified Stock) of the Company or Carnival plc, at a redemption price (expressed as a percentage of principal amount thereof) of 109.875%, in each case plus accrued and unpaid interest, if any, to, but excluding, the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that at least 50% of the Issued Principal Amount of Notes must remain outstanding after each such redemption; *provided, further*, that such redemption shall upon not less than 10 nor more than 60 days’ notice mailed by the Issuer to each holder of Notes being redeemed to each such holder’s registered address, or delivered electronically if held by DTC, and otherwise in accordance with the procedures set forth in the Indenture.

(b) On or after the First Call Date, the Issuer may redeem the Notes at its option, in whole at any time or in part from time to time, upon not less than 10 nor more than 60 days’ prior notice mailed by the Issuer by first-class mail to each holder’s registered address, or delivered electronically if held by DTC, at the following redemption prices (expressed as a percentage of principal amount of the Notes), plus accrued and unpaid interest, if any, to, but excluding, the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the applicable period set forth below:

<b>Period</b>	<b>Redemption Price</b>
First Call Date to July 31, 2024	104.938%
August 1, 2024 to January 31, 2025	102.469%
February 1, 2025 and thereafter	100.000%

“Applicable Premium” means, with respect to any Note on any redemption date, the greater of:

- (1) 1.0% of the principal amount of the Note; and
- (2) the excess of:
  - (a) the present value at such redemption date of (i) the redemption price of the Note at the First Call Date, *plus* (ii) all required interest payments due on the Note through the First Call Date (excluding accrued but unpaid interest to

the redemption date), computed using a discount rate equal to the Treasury Rate as of such redemption date plus 50 basis points; over

(b) the principal amount of the Note.

For the avoidance of doubt, calculation of the Applicable Premium shall not be an obligation or duty of the Trustee, the Registrar or any Paying Agent.

“Treasury Rate” means, as of any redemption date, the weekly average rounded to the nearest 1/100th of a percentage point (for the most recently completed week for which such information is available as of the date that is two Business Days prior to the redemption date) of the yield to maturity of United States Treasury Securities with a constant maturity (as compiled and published in Federal Reserve Statistical Release H.15 with respect to each applicable day during such week or, if such Statistical Release is no longer published, any publicly available source of similar market data) most nearly equal to the period from the redemption date to the First Call Date; *provided, however*, that if the period from the redemption date to the First Call Date is not equal to the constant maturity of a United States Treasury Security for which such a yield is given, the Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the weekly average yields of United States Treasury Securities for which such yields are given, except that if the period from the redemption date to the First Call Date is less than one year, the weekly average yield on actually traded United States Treasury Securities adjusted to a constant maturity of one year shall be used.

#### 7. Redemption for Changes in Taxes

The Issuer may redeem the Notes, in whole but not in part, at its discretion at any time upon giving not less than 10 nor more than 60 days’ prior written notice to the Holders of the Notes (which notice shall be irrevocable and given in accordance with the procedures set forth under Section 3.04 of the Indenture), at a Redemption Price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to the date fixed by the Issuer for redemption (a “Tax Redemption Date”) and all Additional Amounts (if any) then due or which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Notes or Note Guarantee, the Issuer or any Guarantor is or would be required to pay Additional Amounts (but, in the case of a Guarantor, only if the payment giving rise to such requirement cannot be made by the Issuer or another Guarantor without the obligation to pay Additional Amounts), and the Issuer or the relevant Guarantor cannot avoid any such payment obligation by taking reasonable measures available (including, for the avoidance of doubt, appointment of a new Paying Agent but excluding the reincorporation or reorganization of the Issuer or any Guarantor), and the requirement arises as a result of: (1) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the relevant Tax Jurisdiction which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of the Offering Memorandum, after such later date); or (2) any change in, or amendment to, the official

application, administration or interpretation of such laws, regulations or rulings (including by virtue of a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of the Offering Memorandum, after such later date) (each of the foregoing clauses (1) and (2), a “Change in Tax Law”).

The Issuer shall not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuer or the relevant Guarantor would be obligated to make such payment or Additional Amounts if a payment in respect of the Notes or Note Guarantee were then due and at the time such notice is given, the obligation to pay Additional Amounts must remain in effect. Prior to the mailing of any notice of redemption of the Notes pursuant to the foregoing, the Issuer shall deliver the Trustee an opinion of independent tax counsel of recognized standing qualified under the laws of the relevant Tax Jurisdiction (which counsel shall be reasonably acceptable to the Trustee) to the effect that there has been a Change in Tax Law which would entitle the Issuer to redeem the Notes hereunder. In addition, before the Issuer mails notice of redemption of the Notes as described above, it shall deliver to the Trustee an Officer’s Certificate to the effect that it cannot avoid its obligation to pay Additional Amounts by the Issuer or the relevant Guarantor taking reasonable measures available to it.

The Trustee will accept and shall be entitled to rely on such Officer’s Certificate and opinion of counsel as sufficient evidence of the existence and satisfaction of the conditions as described above, in which event it will be conclusive and binding on all of the Holders.

The foregoing provisions of this paragraph 7 will apply, *mutatis mutandis*, to any successor of the Issuer (or any Guarantor) with respect to a Change in Tax Law occurring after the time such Person becomes successor to the Issuer (or any Guarantor).

#### 8. Repurchase at the Option of Holders

(a) Upon a Change of Control Triggering Event, the Holders shall have the right to require the Company to offer to repurchase the Notes pursuant to Section 4.11 of the Indenture.

(b) The Notes may also be subject to Asset Sale Offers pursuant to Section 4.09 of the Indenture.

#### 9. Denominations

The Notes (including this Note) are in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof of principal amount at maturity. The transfer of Notes (including this Note) may be registered, and Notes (including this Note) may be exchanged, as provided in the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture.

#### 10. Unclaimed Money

All moneys paid by the Issuer or the Guarantors to the Trustee or a Paying Agent for the payment of the principal of, or premium, if any, or interest on, this Note or any other Note that remain unclaimed at the end of two years after such principal, premium or interest has become due and payable may be repaid to the Issuer or the Guarantors, subject to applicable law, and the Holder of such Note thereafter may look only to the Issuer or the Guarantors for payment thereof.

11. Discharge and Defeasance

The Notes shall be subject to defeasance, satisfaction and discharge as provided in Article Eight of the Indenture.

12. Amendment, Supplement and Waiver

The Note Documents may be amended or modified as provided in Article Nine of the Indenture.

13. Defaults and Remedies

This Note and the other Notes have the Events of Default as set forth in Section 6.01 of the Indenture.

14. Security

This Note and the other Notes will be secured by the Security Interests in the Collateral, subject to Permitted Collateral Liens, as set forth in Article Eleven of the Indenture.

15. Trustee and Security Agent Dealings with the Issuer

The Trustee and the Security Agent under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuer, the Guarantors or any of their Affiliates with the same rights it would have if it were not Trustee or the Security Agent. Any Paying Agent, Registrar, co-Registrar or co-Paying Agent may do the same with like rights.

16. No Recourse Against Others

A director, officer, employee, incorporator, member or shareholder, as such, of the Issuer or the Guarantors shall not have any liability for any obligations of the Issuer or the Guarantors under this Note, the other Notes, the Note Guarantees or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. By accepting a Note, each Holder shall waive and release all such liability. The waiver and release are part of the consideration for issuance of the Notes.

17. Authentication

This Note shall not be valid until an authorized officer of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

18. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

**FORM OF SPECIAL PERFORMANCE-BASED  
RESTRICTED STOCK UNIT AGREEMENT  
FOR THE CARNIVAL CORPORATION 2020 STOCK PLAN**

THIS SPECIAL PERFORMANCE-BASED RESTRICTED STOCK UNIT AGREEMENT (this “Agreement”), shall apply to the grant of performance-based Restricted Stock Units made to employees of Carnival Corporation, a corporation organized under the laws of the Republic of Panama, (the “Company”) or employees of an Affiliate, on August 28, 2020 (the “Date of Grant”) under the Carnival Corporation 2020 Stock Plan (the “Plan”).

WHEREAS, the Company has adopted the Plan, pursuant to which restricted stock units may be granted in respect of Shares; and

WHEREAS, the Company desires to grant to Participant restricted stock units pursuant to the terms of this Agreement and the Plan; and

WHEREAS, the Compensation Committee of the Board of Directors of the Company (the “Committee”) has determined that it is in the best interests of the Company and its shareholders to grant the special performance-based restricted stock units provided for herein to the Participant subject to the terms set forth herein.

NOW, THEREFORE, for and in consideration of the premises and the covenants of the parties contained in this Agreement, and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto, for themselves, their successors and assigns, hereby agree as follows:

1. Grant of Restricted Stock Units.

(a) Grant. The Company hereby grants to select individuals (each a “Participant”) as of the Date of Grant, a target number of special performance-based restricted stock units (the “Special PBS RSUs”) as listed in the Participant’s EquatePlus portfolio (the “Target Amount”), on the terms and conditions set forth in this Agreement and the Plan. Each Special PBS RSU represents the right to receive payment in respect of one Share as of the Settlement Date (as defined below), to the extent the Participant is vested in such Special PBS RSUs as of the Settlement Date, subject to the terms of this Agreement and the Plan. The Special PBS RSUs are subject to the restrictions described herein, including forfeiture under the circumstances described in Section 3 hereof (the “Restrictions”). The Restrictions shall lapse and the Special PBS RSUs shall vest and become nonforfeitable in accordance with Section 2 and Section 3 hereof.

(b) Incorporation by Reference, Etc. The provisions of the Plan are hereby incorporated herein by reference. Except as otherwise expressly set forth herein, this Agreement shall be construed in accordance with the provisions of the Plan and any interpretations, amendments, rules and regulations promulgated by the Committee from time to time pursuant to the Plan. Any capitalized terms not otherwise defined in this Agreement shall have the definitions set forth in the Plan. The Committee shall have final authority to interpret and construe the Plan and this Agreement and to make any and all determinations under them, and its decision shall be binding and conclusive upon the Participant and his legal representative in respect of any questions arising under the Plan or this Agreement. In the event there is any inconsistency between the provisions of the Plan and this Agreement, the provisions of the Plan shall govern.

(c) Acceptance of Agreement. Unless the Participant notifies the Company's Global Human Resources Department in writing to [ownership@carnival.com](mailto:ownership@carnival.com) within 10 days after delivery of this Agreement that the Participant does not wish to accept this Agreement, the Participant will be deemed to have accepted this Agreement and will be bound by the terms of this Agreement and the Plan.

## 2. Terms and Conditions of Vesting and Settlement.

### (a) Performance and Service Conditions to Vesting.

(i) A specified percentage of the Special PBS RSUs shall vest if both (A) the Participant remains in continuous employment or continuous service with the Company or an Affiliate through the Settlement Date (defined in Section 2(b) below), and (B) the Company achieves the Performance Goals set forth on Exhibit A at a level equal to or above the threshold level of performance, also set forth on Exhibit A (the “Performance Goals”). Unless provided otherwise by the Committee, the Participant shall be deemed to not be in continuous employment or continuous service if the Participant's status changes from employee to non-employee, or vice-versa. The actual number of Special PBS RSUs that may vest ranges from zero to 150% of the Target Amount, based on the extent to which the Performance Goals are achieved, in accordance with the methodology set out on Exhibit A, subject to a maximum payout cap of 150%. In no event shall any Special PBS RSUs vest unless and until (i) at least the threshold Performance Goal is achieved, (ii) the Committee certifies that the Performance Goals have been met and determines the level of attainment of the Performance Goals (the “Certification”), and (iii) the Participant has remained in the continuous employment or continuous service of the Company or an Affiliate through the Settlement Date. If the foregoing vesting requirements are not met, no Special PBS RSUs shall vest and this grant of Special PBS RSUs shall be cancelled in its entirety.

(ii) At any time following the Date of Grant, the Committee shall make adjustments or modifications to the Performance Goals and the calculation of the Performance Goals as it determines, in its sole discretion, are necessary in order to avoid dilution or enlargement of the intended benefits to be provided to the Participant under this Agreement, to reflect the following events: (A) asset write-downs; (B) litigation or claim judgments or settlements; (C) the effect of changes in tax laws, accounting principles, or other laws or regulatory rules affecting reported results; (D) any reorganization and restructuring programs; (E) extraordinary nonrecurring items as described in Accounting Standards Codification Topic 225-20 (or any successor pronouncement thereto) and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to stockholders for the applicable year; (F) acquisitions or divestitures; (G) foreign exchange gains and losses; (H) discontinued operations and nonrecurring charges; (I) a change in the Company's fiscal year; and/or (J) any other specific, unusual or nonrecurring events.

(b) Settlement. The obligation to make payments and distributions with respect to Special PBS RSUs shall be satisfied through the issuance of one Share for each vested Special PBS RSU, less applicable withholding taxes (the “settlement”), and the settlement of the Special PBS RSUs may be subject to such conditions, restrictions and contingencies as the Committee shall determine. Earned Special PBS RSUs (as defined in Exhibit A) shall vest and be settled as soon as practicable after the end of the Performance Cycle (as defined in Exhibit A) and Certification (the “Settlement Date”), but in no event later than March 15 of the year following the calendar year in which Certification occurs, except as otherwise specified in Section 4(a). Notwithstanding the foregoing, the payment dates set forth in this Section 2(b) have been specified for the purpose of complying with the provisions of Section 409A of the Code (“Section 409A”). To the extent payments are made during the periods permitted under Section 409A (including any applicable periods before or after the specified payment dates set forth in this Section 2(b)), the Company shall be deemed to have satisfied its obligations under the Plan and shall be deemed not to be in breach of its payments obligations hereunder.

(c) Voting Rights. The Participant shall have no voting rights with respect to the Special PBS RSUs.

3. Termination of Employment or Service with the Company.

(a) Termination. If the Participant's employment or service with the Company or an Affiliate terminates for any reason (whether due to voluntary termination, Retirement, termination by the Company with or without Cause, or otherwise), then all outstanding Special PBS RSUs shall immediately terminate on the date of termination of employment or service.

(b) Released Special PBS RSUs. Following Participant's termination of employment or service with the Company or an Affiliate for any reason, the Participant (or the Participant's legal representative, if applicable) must provide for all Shares underlying released Special PBS RSUs (including those issued under this Agreement as well as Shares underlying released Special PBS RSUs issued under any other similar agreement, whether on account of termination or previously released in connection with the vesting terms of such similar agreement) to be liquidated or transferred to a third party broker no later than six months following the later of (i) the Participant's date of termination or (ii) the latest Settlement Date or other applicable vesting or settlement date (whether under this Agreement or a similar agreement) occurring following the Participant's termination. If the Participant (or the Participant's legal representative, as applicable) fails to liquidate or transfer the Shares prior to the end of the applicable six month period, the Company is hereby authorized and directed by the Participant either, in the Company's discretion: (i) to sell any such remaining Shares on the Participant's (or the Participant's beneficiary's) behalf on the first trading date following the end of such period on which the Company is not prohibited from selling such Shares; or (ii) to transfer such Shares to the Company's stock transfer agent for registration in the Participant's (or the Participant's beneficiary's) name. The Company will not be responsible for any gain or loss or taxes incurred with respect to the Shares underlying the released Special PBS RSUs in connection with such liquidation or transfer.

4. Share Ownership. The Participant shall not be deemed for any purpose to be the owner of any Shares subject to the Special PBS RSUs and shall not have any rights of a shareholder with respect to the Special PBS RSUs, including, but not limited to, voting or dividend rights, until delivery of the applicable Shares underlying the Special PBS RSUs on the Settlement Date. The Company shall not be required to set aside any fund for the payment of the Special PBS RSUs.

5. Miscellaneous.

(a) Compliance with Legal Requirements. The granting and settlement of the Special PBS RSUs, and any other obligations of the Company under this Agreement, shall be subject to all applicable federal, state, local and foreign laws, rules and regulations and to such approvals by any regulatory or governmental agency as may be required. If the settlement of the Special PBS RSUs would be prohibited by law or the Company's dealing rules, the settlement shall be delayed until the earliest date on which the settlement would not be so prohibited.

(b) Transferability. Unless otherwise provided by the Committee in writing, the Special PBS RSUs shall not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant other than by will or the laws of descent and distribution and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company; provided, that, the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

(c) Tax Withholding. The Participant acknowledges that, regardless of any action taken by the Company or, if different, the Participant's employer (the "Employer"), the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to the Participant's participation in the Plan and legally applicable to the Participant (Tax-Related Items), is and remains the Participant's responsibility and may exceed the amount actually withheld by the Company or the Employer. The Participant further acknowledges that the Company and/or the Employer (1) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Special PBS RSUs, including, but not limited to, the grant, vesting or settlement of the Special PBS RSUs, the subsequent sale of Shares acquired pursuant to such settlement and the receipt of any dividends; and (2) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Special PBS RSUs to reduce or eliminate the Participant's liability for Tax-Related Items or achieve any particular tax result. Further, if the Participant is subject to Tax-Related Items in more than one jurisdiction, the Participant acknowledges that the Company and/or the Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

Prior to any relevant taxable or tax withholding event, as applicable, the Participant agrees to make adequate arrangements satisfactory to the Company and/or the Employer to satisfy all Tax-Related Items. In this regard, the Participant authorizes the Company or its agent to satisfy any applicable withholding obligations with regard to all Tax-Related Items by one or a combination of the following: (i) withholding from the Participant's wages or other cash compensation paid to the Participant by the Company and/or the Employer; or (ii) withholding from proceeds of the sale of Shares acquired upon settlement of the Special PBS RSUs either through a voluntary sale or through a mandatory sale arranged by the Company (on the Participant's behalf pursuant to this authorization without further consent); or (iii) withholding in Shares to be issued upon settlement of the Special PBS RSUs.

Notwithstanding the foregoing, if the Participant is an officer subject to Section 16 of the Exchange Act, the Company will withhold in Shares only upon advance approval by the Committee or the Board.

Depending on the withholding method, the Company may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding rates or other applicable withholding rates, including maximum applicable rates, in which case the Participant may receive a refund of any over-withheld amount in cash and will have no entitlement to the Share equivalent. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, the Participant is deemed to have been issued the full number of Shares subject to the vested Grant, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Tax-Related Items.

Finally, the Participant agrees to pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold or account for as a result of the Participant's participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the Shares or the proceeds of the sale of Shares, if the Participant fails to comply with the Participant's obligations in connection with the Tax-Related Items.

(d) Nature of Grant. In accepting the grant, the Participant acknowledges, understands and agrees that:

- (i) the Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time, to the extent permitted by the Plan;
- (ii) the grant of the Special PBS RSUs is exceptional, voluntary and occasional and does not create any contractual or other right to receive future grants of Special PBS RSUs, or benefits in lieu of Special PBS RSUs, even if Special PBS RSUs have been granted in the past;
- (iii) all decisions with respect to future awards or other grants, if any, will be at the sole discretion of the Company;
- (iv) the Award and the Participant's participation in the Plan shall not create a right to employment or be interpreted as forming or amending an employment or service contract with the Company, the Employer, or any member of the Combined Group and its Affiliates and shall not interfere with the ability of the Company, the Employer or any member of the Combined Group and its Affiliates, as applicable, to terminate the Participant's employment or service relationship (if any);
- (v) the Participant is voluntarily participating in the Plan;
- (vi) the Special PBS RSUs and the Shares subject to the Special PBS RSUs, and the income from and value of same, are not intended to replace any pension rights or compensation;
- (vii) the Special PBS RSUs and the Shares subject to the Special PBS RSUs, and the income from and value of same, are not part of normal or expected compensation for purposes of, including, without limitation, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, bonuses, long-service awards, pension or retirement or welfare benefits or similar payments;
- (viii) the future value of the underlying Shares is unknown, indeterminable and cannot be predicted with certainty;
- (ix) no claim or entitlement to compensation or damages shall arise from forfeiture of the Special PBS RSUs resulting from the termination of the Participant's employment or other service relationship (for any reason whatsoever, whether or not later found to be invalid or in breach of employment laws in the jurisdiction where the Participant is employed or the terms of the Participant's employment agreement, if any);
- (x) unless otherwise agreed with the Company, the Special PBS RSUs and the Shares, and the income from and value of same, are not granted as consideration for, or in connection with, the service the Participant may provide as a director of the Company or any member of the Combined Group and its Affiliates;
- (xi) unless otherwise provided in the Plan or by the Company in its discretion, the Special PBS RSUs and the benefits evidenced by this Agreement do not create any entitlement to have the Special PBS RSUs or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the shares of the Company;

States: (xii) if the Participant resides outside the United States or is otherwise subject to the laws of a country outside the United States;

(A) the Special PBS RSUs and the Shares subject to the Special PBS RSUs, and the income and value of same, are not part of normal or expected compensation for any purpose; and

(B) neither the Company, the Employer or any member of the Combined Group or its Affiliates shall be liable for any foreign exchange rate fluctuation between the Participant's local currency and the United States Dollar that may affect the value of the Special PBS RSUs or of any amounts due to the Participant pursuant to the settlement of the Special PBS RSUs or the subsequent sale of any Shares acquired upon settlement.

(xiii) the Participant has read and understood, and agrees to be bound by, the terms of your Award set out in this Agreement, including any special terms and conditions for the Participant's country included in Appendix A;

(xiv) the Participant has read and understood, and agrees to be bound by, the rules of the Plan that govern the Participant's participation in the Plan; and

(xv) the Participant has read and understood, and agrees to be bound by, the data privacy, non-competition, non-disclosure, clawback and forfeiture terms of the Plan and this Agreement.

(e) No Advice Regarding Grant. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the Participant's participation in the Plan, or the Participant's acquisition or sale of the underlying Shares. The Participant should consult with the Participant's own personal tax, legal and financial advisors regarding the Participant's participation in the Plan before taking any action related to the Plan.

(f) Clawback/Forfeiture.

(i) Notwithstanding anything to the contrary contained herein, in the event of a material restatement of the Company's issued financial statements, the Committee shall review the facts and circumstances underlying the restatement (including, without limitation any potential wrongdoing by the Participant and whether the restatement was the result of negligence or intentional or gross misconduct) and may in its sole discretion direct the Company to (A) cancel all outstanding Special PBS RSUs and/or (B) recover all or a portion of any income or gain realized on the settlement of the Special PBS RSUs or the subsequent sale of Shares acquired upon settlement of the Special PBS RSUs with respect to any fiscal year in which the Company's financial results are negatively impacted by such restatement. If the Committee directs the Company to recover any such amount from the Participant, then the Participant agrees to and shall be required to repay any such amount to the Company within 30 days after the Company demands repayment. In addition, if the Company is required by law to include an additional "clawback" or "forfeiture" provision to outstanding grants, under the Dodd-Frank Wall Street Reform and Consumer Protection Act or otherwise, then such clawback or forfeiture provision shall also apply to this Agreement as if it had been included on the Date of Grant and the Company shall promptly notify the Participant of such additional provision. In addition, if a Participant has engaged or is engaged in Detrimental Activity after the Participant's employment or service with the Company or its subsidiaries has ceased, then the Participant, within 30 days after written demand by the Company, shall return any income or gain realized on the settlement

of the Special PBS RSUs or the subsequent sale of Shares acquired upon settlement of the Special PBS RSUs.

(ii) For purposes of this Agreement, “Detrimental Activity” means any of the following: (i) unauthorized disclosure of any confidential or proprietary information of the Combined Group, (ii) any activity that would be grounds to terminate the Participant's employment or service with the Combined Group for Cause, (iii) whether in writing or orally, maligning, denigrating or disparaging the Combined Group or their respective predecessors and successors, or any of the current or former directors, officers, employees, shareholders, partners, members, agents or representatives of any of the foregoing, with respect to any of their respective past or present activities, or otherwise publishing (whether in writing or orally) statements that tend to portray any of the aforementioned persons or entities in an unfavorable light, or (iv) the breach of any noncompetition, nonsolicitation or other agreement containing restrictive covenants, with the Combined Group. For purposes of the preceding sentence the phrase “the Combined Group” shall mean “any member of the Combined Group or any Affiliate”. Notwithstanding the foregoing, nothing in this Agreement prohibits the Participant from voluntarily communicating, without notice to or approval by the Company, with any federal or state government agency about a potential violation of a federal or state law or regulation or to participate in investigations, testify in proceedings regarding the Company's or an Affiliate's past or future conduct, or engage in any activities protected under whistle blower statutes. Further, pursuant to the Defend Trade Secrets Act of 2016, the Participant shall not be held criminally, or civilly, liable under any federal or state trade secret law for the disclosure of a trade secret that is made in confidence either directly or indirectly to a federal, state, or local government official, or an attorney, for the sole purpose of reporting, or investigating, a violation of law. Moreover, the Participant may disclose trade secrets in a complaint, or other document, filed in a lawsuit, or other proceeding, if such filing is made under seal. Finally, if the Participant files a lawsuit alleging retaliation by the Company or an Affiliate for reporting a suspected violation of the law, the Participant may disclose the trade secret to the Participant's attorney and use the trade secret in the court proceeding, if the Participant files any document containing the trade secret under seal and does not disclose the trade secret, except pursuant to court order.

(g) Waiver. Any right of the Company contained in this Agreement may be waived in writing by the Committee. No waiver of any right hereunder by any party shall operate as a waiver of any other right, or as a waiver of the same right with respect to any subsequent occasion for its exercise, or as a waiver of any right to damages. No waiver by any party of any breach of this Agreement shall be held to constitute a waiver of any other breach or a waiver of the continuation of the same breach.

(h) Notices. Any written notices provided for in this Agreement or the Plan shall be in writing and shall be deemed sufficiently given if either hand delivered or if sent by fax or overnight courier, or by postage paid first class mail. Notices sent by mail shall be deemed received three business days after mailing but in no event later than the date of actual receipt. Notices shall be directed, if to the Participant, at the Participant's address indicated by the Company's records, or if to the Company, at the Company's principal executive office.

(i) Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, and each other provision of this Agreement shall be severable and enforceable to the extent permitted by law.

(j) No Rights to Continued Employment. Nothing in the Plan or in this Agreement shall be construed as giving the Participant any right to be retained, in any position, as an employee, consultant or director of the Company or its Affiliates or shall interfere with or restrict in any way the right of the Company or its Affiliates, which are hereby expressly reserved, to remove, terminate or discharge the Participant at any time for any reason whatsoever. The rights and obligations of the Participant under the terms and conditions of the Participant's office or employment shall not be affected by this Agreement. The Participant waives all and any rights to compensation and damages in consequence of the termination of the Participant's office or employment with any member of the Combined Group or any of its Affiliates for any reason whatsoever (whether lawfully or unlawfully) insofar as those rights arise, or may arise, from the Participant's ceasing to have rights under or the Participant's entitlement to the Special PBS RSUs under this Agreement as a result of such termination or from the loss or diminution in value of such rights or entitlements. In the event of conflict between the terms of this Section 5(j) and the Participant's terms of employment, this Section will take precedence.

(k) Successors. The terms of this Agreement shall be binding upon and inure to the benefit of the Company and its successors and assigns, and of the Participant and the beneficiaries, legal representatives, executors, administrators, heirs and successors of the Participant.

(l) Entire Agreement. This Agreement and the Plan contain the entire agreement and understanding of the parties hereto with respect to the subject matter contained herein and supersede all prior communications, representations and negotiations in respect thereto. No change, modification or waiver of any provision of this Agreement shall be valid unless the same shall be in writing and signed by the parties hereto, except for any changes permitted without consent of the Participant in accordance with the Plan.

(m) Governing Law; JURY TRIAL WAIVER. This Agreement shall be construed and interpreted in accordance with the laws of the State of Florida without regard to principles of conflicts of law thereof, or principles of conflicts of laws of any other jurisdiction which could cause the application of the laws of any jurisdiction other than the State of Florida. **THE PARTIES EXPRESSLY AND KNOWINGLY WAIVE ANY RIGHT TO A JURY TRIAL IN THE EVENT ANY ACTION ARISING UNDER OR IN CONNECTION WITH THIS AGREEMENT IS LITIGATED OR HEARD IN ANY COURT.**

(n) Data Protection. The Employer, the Company and any Affiliate may collect, use, process, transfer or disclose the Participant's Personal Information for the purpose of implementing, administering and managing the Participant's participation in the Plan, in accordance with the Carnival Corporation & plc Equity Plans Participant Privacy Notice the Participant previously received. (The Participant should contact [ownership@carnival.com](mailto:ownership@carnival.com) if he or she would like to receive another copy of this notice.) For example, the Participant's Personal Information may be directly or indirectly transferred to Equatex AG or any other third party stock plan service provider as may be selected by the Company, and any other third parties assisting the Company with the implementation, administration and management of the Plan.

(o) Insider Trading/Market Abuse Laws. The Participant may be subject to insider trading restrictions and/or market abuse laws in applicable jurisdictions, including the United States, the United Kingdom, and the Participant's country, which may affect the Participant's ability to directly or indirectly, for his- or her- self or a third party, acquire or sell, or attempt to sell, Shares under the Plan during such times as the Participant is considered to have "inside information" regarding the Company (as defined by the laws and regulations in the applicable jurisdiction,

including the United States, the United Kingdom, and the Participant's country), or may affect the trade in Shares or the trade in rights to Shares under the Plan. Local insider trading laws and regulations may prohibit the cancellation or amendment of orders the Participant placed before the Participant possessed inside information. Furthermore, the Participant could be prohibited from (i) disclosing the inside information to any third party, which may include fellow employees (other than on a "need to know" basis) and (ii) "tipping" third parties or causing them otherwise to buy or sell securities. Local insider trading laws and regulations may be the same or different from any Company insider trading policy. The Participant acknowledges that it is the Participant's responsibility to be informed of and compliant with such regulations, and the Participant should speak to the Participant's personal advisor on this matter.

(p) Headings. The headings of the Sections hereof are provided for convenience only and are not to serve as a basis for interpretation or construction, and shall not constitute a part, of this Agreement.

(q) Language. The Participant acknowledges that he or she is proficient in the English language, or has consulted with an advisor who is sufficiently proficient, so as to allow the Participant to understand the terms and conditions of this Agreement. If the Participant has received this Agreement or any other document related to the Plan translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control.

(r) Electronic Delivery and Acceptance. The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. The Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

(s) Country Specific Wording. The Award shall be subject to the additional terms and conditions set forth in Appendix A for the Participant's country, if any. Moreover, if the Participant relocates to one of the countries included in Appendix A, the special terms and conditions for such country will apply to the Participant, to the extent the Company determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons. Appendix A constitutes part of this Agreement.

6. Change in Control. In the event of a Change in Control after the end of the Performance Cycle but prior to the vesting or settlement of the Special PBS RSUs, the level of attainment of the Performance Goals and the number of Earned Special PBS RSUs (if any) will be determined and certified by the Committee in the manner set forth on Exhibit A. If a Change in Control occurs prior to the end of the Performance Cycle, the Performance Cycle will end on the Accelerated End Date set forth on Exhibit A and the level of attainment of the Performance Goals and the number of Earned Special PBS RSUs (if any) will be determined and certified by the Committee in the manner set forth on Exhibit A. Any such Earned Special PBS RSUs will vest and be settled in accordance with Section 2(b) of this Agreement.

7. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the Participant's participation in the Plan, on the Special PBS RSUs and on any Shares acquired under the Plan, to the extent the Company determines it is necessary or advisable for legal or administrative reasons, and to require the Participant to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

IN WITNESS WHEREOF, the Company has executed this Agreement as of the day first written above.

#### **TERMS AND CONDITIONS**

This Appendix A includes additional terms and conditions that govern the Award granted to the Participant if the Participant resides in one of the countries listed herein. This Appendix A forms part of the Agreement. These terms and conditions are in addition to, or if so indicated, in place of, the terms and conditions in the Agreement.

If the Participant is a citizen or resident of a country other than the one in which the Participant is currently working, is considered a resident of another country for local law purposes or transfers employment and/or residency between countries after the Grant Date, the Company shall, in its sole discretion, determine to what extent the additional terms and conditions included herein will apply to the Participant under these circumstances. The Participant is strongly encouraged to inform the Company and to speak with their personal tax advisor regarding the tax treatment of their Award.

If the Participant is a United States taxpayer (regardless of where they are employed) the Participant is strongly encouraged to inform the Company of their United States taxpayer status and to speak with their tax advisors regarding tax treatment of their Award.

If the Participant is a citizen or resident of a country within the EU, the additional terms and conditions for EU countries below will also govern the Award granted to the Participant.

**Brexit (the departure of the UK from the EU).** Although the UK left the EU on 31 January 2020, EU laws remain in place in the UK during the transition period, which is due to end on 31 December 2020. If the Participant is a citizen or resident of the UK or any other country that may be affected by Brexit, the Participant should be aware that the law that applies to their Award may change after 31 December 2020. It is recommended that the Participant take independent advice if the Participant thinks that this may apply to them.

#### **NO PUBLIC OFFER**

The Participant's Awards are being offered to them in their capacity as an employee of the Company.

This is a private placement directed at certain officers and key employees of the Participant's employer selected by the Participant's employer in its sole discretion. The offering is not intended for the general public and may not be used for any public offer which requires a prospectus.

If an individual has access to the Plan documents and is not a Participant, they must disregard the Plan documents, as they are not an intended recipient. In this event, access to the Plan documents cannot be construed as an offer.

#### **NOTIFICATIONS**

This Appendix A also includes information regarding exchange controls, securities laws and certain other issues of which the Participant should be aware with respect to the Participant's participation in the Plan. The information is based on the exchange control, securities laws and other laws in effect in the respective countries as of December 2018. Such laws are often

complex and change frequently. As a result, the Company strongly recommends that the Participant not rely on the information noted herein as the only source of information relating to the consequences of the Participant's participation in the Plan because the information may be out of date at the time the Participant vests in the Award or when the Participant sell the Shares acquired under the Plan.

In addition, the information contained herein is general in nature and may not apply to the Participant's particular situation, and the Company is not in a position to assure the Participant of any particular result. Accordingly, the Participant is advised to seek appropriate professional advice as to how the relevant laws in the Participant's country may apply to the Participant's situation.

Finally, if the Participant is a citizen or resident of a country other than the one in which the Participant is currently working, is considered a resident of another country for local law purposes or transfers employment and/or residency between countries after the Grant Date, the information contained herein may not be applicable in the same manner to the Participant.

Capitalized terms not explicitly defined in this Appendix A but defined in the Agreement or Plan shall have the same definitions as in the Plan and/or the Agreement.

## **BRAZIL**

### ***TERMS AND CONDITIONS***

**Compliance with Law.** By accepting the Award, the Participant agrees to comply with applicable Brazilian laws and to report and pay applicable Tax-Related Items associated with the settlement of the Award or the subsequent sale of the Shares acquired under the Plan.

**Nature of Grant.** This provision supplements Section 6(d) - Nature of Grant of the Agreement:

By accepting the Award, the Participant agrees that the Participant is making an investment decision, the Shares will be issued to the Participant only if the vesting conditions are met and any necessary services are rendered by the Participant over the vesting period, and the value of the underlying Shares is not fixed and may increase or decrease in value over the vesting period without compensation to the Participant.

### ***NOTIFICATIONS***

**Exchange Control Information.** If the Participant is resident or domiciled in Brazil, the Participant will be required to submit an annual declaration of assets and rights held outside Brazil to the Central Bank of Brazil if the aggregate value of such assets and rights is equal to or greater than US\$100,000. Assets and rights that must be reported include Shares acquired under the Plan.

**Tax on Financial Transaction (IOF).** Cross-border financial transactions relating to the Award may be subject to the IOF (tax on financial transactions). The Participant is solely responsible for complying with any applicable IOF arising from the Participant's participation in the Plan. The Participant should consult with the Participant's personal tax advisor for additional details.

**Securities Laws.** The Awards and the Shares granted under the Plan have not been and will not be publicly issued, placed, distributed, offered or negotiated in the Brazilian capital markets and, as a result, will not be registered with the Brazilian Securities Commission (Comissão de Valores

Mobiliários) (the CVM). Therefore, the Awards will not be offered or sold in Brazil, except in circumstances which do not constitute a public offering, placement, distribution or negotiation under the Brazilian capital markets regulations.

If the Participant is employed and/or resident in Brazil, then by accepting the Award the Participant agrees and acknowledge that (i) neither the Participant's employer nor any person or entity acting on behalf of the Participant's employer has provided the Participant with financial advice with respect to the award or the Shares acquired upon settlement of the Award; and (ii) the employer does not guarantee a specified level of return on the Award or the Shares.

## CANADA

### **TERMS AND CONDITIONS**

**Form of Settlement.** Notwithstanding any discretion contained in Section 9(e) of the Plan, the Award is payable in Shares only.

### **NOTIFICATIONS**

**Securities Law Information.** The Participant is permitted to sell Shares acquired under the Plan through the designated broker appointed under the Plan, if any, provided the sale of the Shares takes place outside Canada through the facilities of a stock exchange on which the Shares are listed (*i.e.*, the New York Stock Exchange).

In addition to any restrictions on resale and transfer noted in the plan documents, Shares acquired pursuant to the Plan will be subject to certain restrictions on resale imposed by Canadian provincial securities laws (in general, participants in the offering who are resident in Canada may not resell their Shares to Canadian purchasers). Accordingly, prospective participants are encouraged to seek legal advice prior to any resale of such shares.

By accepting this Award, the Participant represents and warrants to the Company that the Participant's participation in the Plan is voluntary and that the Participant has not been induced to participate by expectation of engagement, appointment, employment, continued engagement, continued appointment or continued employment, as applicable.

**Foreign Asset/Account Reporting Information.** The Participant is required to report any specified foreign property (including Special TBS RSUs and Shares) on form T1135 (Foreign Income Verification Statement) if the total cost of the specified foreign property exceeds C\$100,000 at any time in the year. The form must be filed by April 30 of the following year. Special TBS RSUs must be reported – generally at a nil cost – if the C\$100,000 cost threshold is exceeded because of other specified foreign property the Participant holds. When Shares are acquired, their cost generally is the adjusted cost base (“ACB”) of the Shares. The ACB would ordinarily equal the fair market value of the Shares at the time of acquisition, but if the Participant owns other shares, this ACB may have to be averaged with the ACB of the other shares. It is the Participant's responsibility to comply with applicable reporting obligations. The Participant should consult with the Participant's personal legal advisor to ensure compliance with applicable reporting obligations.

## CHILE

**Foreign Asset Reporting.** If the Participant is domiciled or resident in Chile, the acquisition of shares abroad for an amount higher than USD10,000 must be reported to the Central Bank of

Chile (Banco Central de Chile) (Central Bank) in accordance with Chapter XII of the Compendium of Foreign Exchange Regulations (CNC) of the Central Bank. The Participant must report the acquisition to the Central Bank as an investment carried out abroad through the disposal of funds held abroad, by filing a cover letter and Annex 1 of Chapter XII of the Manual of Procedures and Information Forms of the CNC. The filing must be made within the first ten days of the month following the month in which the shares were acquired. It is the Participant's responsibility to comply with applicable reporting obligations. The Participant should consult with their personal legal advisor to ensure compliance with applicable reporting obligations.

## CHINA

### **TERMS AND CONDITIONS**

*The following terms and conditions will be applicable to the Participant to the extent that the Company, in its sole discretion, determines that the Participant's participation in the Plan will be subject to exchange control restrictions in the People's Republic of China ("PRC"), as implemented by the PRC State Administration of Foreign Exchange ("SAFE"):*

**Vesting.** This provision supplements Section 2(a) - Vesting of the Agreement:

Notwithstanding anything to the contrary in the Agreement, the Award will not vest and no Shares will be issued to the Participant unless and until all necessary exchange control or other approvals with respect to the Award under the Plan are obtained from SAFE or its local counterpart ("SAFE Approval"), as determined by the Company in its sole discretion. In the event that SAFE Approval has not been obtained, or the Company is unable to maintain its SAFE Approval, prior to any date(s) on which the Award is scheduled to vest, the Award will not vest until the seventh day of the month following the month in which SAFE Approval is obtained or reinstated (the "Actual Vesting Date"). If the Participant's employment terminates prior to the Actual Vesting Date, the Participant shall not be entitled to vest in any portion of the Award and the Award shall be forfeited without any liability to the Company, the Employer or any member of the Combined Group and its Affiliates.

If or to the extent the Company is unable to obtain or maintain SAFE Approval, no Shares subject to the Special TBS RSUs for which SAFE Approval has not been obtained or maintained shall be issued. In this case, the Company retains the discretion to settle any Special TBS RSUs in cash paid through local payroll in an amount equal to the market value of the Shares subject to the Special TBS RSUs less any Tax-Related Items; provided, however, that in case the Company is able to obtain or reinstated its SAFE Approval with respect to any Special TBS RSUs, the cash payment for Special TBS RSUs not covered by the SAFE Approval shall not be made until the SAFE Approval has been obtained or reinstated.

**Settlement of Special TBS RSUs and Sale of Shares.** This provision supplements Section 2(b) - Settlement of the Agreement:

Notwithstanding anything to the contrary in the Plan or the Agreement, to facilitate compliance with PRC exchange control restrictions the Participant agrees that any Shares acquired at settlement of the Award may be immediately sold at settlement or, at the Company's discretion, at a later time (including when the Participant's employment terminates for any reason). If, however, the sale of the Shares is not permissible under the Company's insider trading policy, the Company retains the discretion to postpone the issuance of the Shares subject to the vested Award until such time that the sale is again permissible and to then immediately sell the Shares subject to the Award. The Participant further agrees that the Company is authorized to instruct its

designated broker to assist with the mandatory sale of the Shares (on the Participant's behalf pursuant to this authorization), and the Participant expressly authorizes such broker to complete the sale of the Shares. The Participant acknowledges that the Company's designated broker is under no obligation to arrange for the sale of Shares at any particular price. Upon the sale of the Shares, the Company agrees to pay the cash proceeds from the sale, less any brokerage fees or commissions, to the Participant in accordance with applicable exchange control laws and regulations and provided any liability for Tax-Related Items has been satisfied. Due to fluctuations in the share price and/or the United States Dollar exchange rate between the settlement date and (if later) the date on which the Shares are sold, the sale proceeds may be more or less than the fair market value of the Shares on the settlement date (which is the amount relevant to determining the Participant's tax liability). The Participant understands and agrees that the Company is not responsible for the amount of any loss the Participant may incur and that the Company assumes no liability for any fluctuation in the share price and/or United States Dollar exchange rate.

The Participant further agrees that any Shares to be issued to the Participant shall be deposited directly into an account with the Company's designated broker. The deposited shares shall not be transferable (either electronically or in certificate form) from the brokerage account. This limitation shall apply both to transfers to different accounts with the same broker and to transfers to other brokerage firms. The limitation shall apply to all Shares issued to the Participant under the Plan, whether or not the Participant continues to be employed by the Company, the Combined Group or one of its Affiliates.

**Exchange Control Restrictions.** By accepting the Award, the Participant understands and agrees that the Participant will be required to immediately repatriate to China the proceeds from the sale of any Shares acquired under the Plan or from any cash dividends paid on such Shares. The Participant further understands that such repatriation of the proceeds may need to be effected through a special exchange control account established by the Company or any Affiliate, and the Participant hereby consents and agrees that the proceeds may be transferred to such account by the Company (or its designated broker) on the Participant's behalf prior to being delivered to the Participant. The Participant also acknowledges and understands that there may be a delay between the date the Shares are sold and the date the cash proceeds are distributed to the Participant. The Participant further agrees to sign any agreements, forms and/or consents that may be reasonably requested by the Company (or the Company's designated broker) to effectuate such transfers.

The proceeds may be paid to the Participant in United States Dollars or local currency, at the Company's discretion. If the proceeds are paid to the Participant in United States Dollars, the Participant understands that the Participant will be required to set up a United States Dollar bank account in China so that the proceeds may be deposited into this account. If the proceeds are paid to the Participant in local currency, (i) the Participant acknowledges that the Company is under no obligation to secure any particular exchange conversion rate and that the Company may face delays in converting the proceeds to local currency due to exchange control restrictions, and (ii) the Participant agrees to bear any currency fluctuation risk between the time the Shares are sold or dividends are paid and the time the proceeds are converted to local currency and distributed to the Participant. The Participant agrees to comply with any other requirements that may be imposed by the Company in the future in order to facilitate compliance with exchange control requirements in China.

**Foreign Asset/Account Reporting Information.** If the Participant's acquisition of Shares under the Plan leads to a so-called qualified participation at any point during the calendar year, the Participant will need to report the acquisition when the Participant files his or her tax return for the relevant year. A qualified participation is attained if (i) the value of the Shares acquired exceeds EUR 150,000 or (ii) in the unlikely event the Participant holds Shares exceeding 10% of the of the Company's Common Stock.

**FORM OF SPECIAL PERFORMANCE-BASED  
RESTRICTED SHARE UNIT AGREEMENT  
FOR THE CARNIVAL PLC 2014 EMPLOYEE SHARE PLAN**

THIS DEED, constituting the SPECIAL PERFORMANCE-BASED RESTRICTED SHARE UNIT AGREEMENT (this "Agreement"), shall apply to any grant of performance-based Restricted Share Units made to employees of Carnival plc, a corporation organized under the laws of England and Wales (the "Company"), or employees of an Affiliate, on August 28, 2020 (the "Date of Grant") under the Carnival plc 2014 Employee Share Plan (the "Plan").

WHEREAS, the Company has adopted the Plan, pursuant to which restricted stock units may be granted in respect of Shares; and

WHEREAS, the Company desires to grant to Participant restricted stock units pursuant to the terms of this Agreement and the Plan; and

WHEREAS, the Compensation Committee of the Board of Directors of the Company (the "Committee") has determined that it is in the best interests of the Company and its shareholders to grant the performance-based restricted share units provided for herein to the Participant subject to the terms set forth herein.

NOW, THEREFORE, for and in consideration of the premises and the covenants of the parties contained in this Agreement, and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto, for themselves, their successors and assigns, hereby agree as follows:

1. Grant of Restricted Share Units.

(a) Grant. The Company hereby grants to select individuals (each a "Participant") as of the Date of Grant, a target number of special performance-based restricted stock units (the "Special PBS RSUs") as listed in the Participant's EquatePlus portfolio (the "Target Amount"), on the terms and conditions set forth in this Agreement and the Plan. Each Special PBS RSU represents the right to receive payment in respect of one Share as of the Settlement Date (as defined below), to the extent the Participant is vested in such Special PBS RSUs as of the Settlement Date, subject to the terms of this Agreement and the Plan. The Special PBS RSUs are subject to the restrictions described herein, including forfeiture under the circumstances described in Section 3 hereof (the "Restrictions"). The Restrictions shall lapse and the Special PBS RSUs shall vest and become nonforfeitable in accordance with Section 2 and Section 3 hereof.

(b) Incorporation by Reference, Etc. The provisions of the Plan are hereby incorporated herein by reference. Except as otherwise expressly set forth herein, this Agreement shall be construed in accordance with the provisions of the Plan and any interpretations, amendments, rules and regulations promulgated by the Committee from time to time pursuant to the Plan. Any capitalized terms not otherwise defined in this Agreement shall have the definitions set forth in the Plan. The Committee shall have final authority to interpret and construe the Plan and this Agreement and to make any and all determinations under them, and its decision shall be binding and conclusive upon the Participant and his legal representative in respect of any questions arising under the Plan or this Agreement. In the event there is any inconsistency between the provisions of the Plan and this Agreement, the provisions of the Plan shall govern.

(c) Acceptance of Agreement. Unless the Participant notifies the Company's Global Human Resources Department in writing to [ownership@carnival.com](mailto:ownership@carnival.com) within 10 days after delivery of this

Agreement that the Participant does not wish to accept this Agreement, the Participant will be deemed to have accepted this Agreement and will be bound by the terms of this Agreement and the Plan.

2. Terms and Conditions of Vesting and Settlement.

(a) Performance and Service Conditions to Vesting.

(i) A specified percentage of the Special PBS RSUs shall vest if both (A) the Participant remains in continuous employment or continuous service with the Company or an Affiliate through the Settlement Date (defined in Section 2(b) below), and (B) the Company achieves the Performance Goals set forth on Exhibit A at a level equal to or above the threshold level of performance, also set forth on Exhibit A (the “Performance Goals”). Unless provided otherwise by the Committee, the Participant shall be deemed to not be in continuous employment or continuous service if the Participant's status changes from employee to non-employee, or vice-versa. The actual number of Special PBS RSUs that may vest ranges from zero to 150% of the Target Amount, based on the extent to which the Performance Goals are achieved, in accordance with the methodology set out on Exhibit A, subject to a maximum payout cap of 150%. In no event shall any Special PBS RSUs vest unless and until (i) at least the threshold Performance Goal is achieved, (ii) the Committee certifies that the Performance Goals have been met and determines the level of attainment of the Performance Goals (the “Certification”), and (iii) the Participant has remained in the continuous employment or continuous service of the Company or an Affiliate through the Settlement Date. If the foregoing vesting requirements are not met, no Special PBS RSUs shall vest and this grant of Special PBS RSUs shall be cancelled in its entirety.

(ii) At any time following the Date of Grant, the Committee shall make adjustments or modifications to the Performance Goals and the calculation of the Performance Goals as it determines, in its sole discretion, are necessary in order to avoid dilution or enlargement of the intended benefits to be provided to the Participant under this Agreement, to reflect the following events: (A) asset write-downs; (B) litigation or claim judgments or settlements; (C) the effect of changes in tax laws, accounting principles, or other laws or regulatory rules affecting reported results; (D) any reorganization and restructuring programs; (E) extraordinary nonrecurring items as described in Accounting Standards Codification Topic 225-20 (or any successor pronouncement thereto) and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to stockholders for the applicable year; (F) acquisitions or divestitures; (G) foreign exchange gains and losses; (H) discontinued operations and nonrecurring charges; (I) a change in the Company's fiscal year; and/or (J) any other specific, unusual or nonrecurring events.

(b) Settlement. The obligation to make payments and distributions with respect to Special PBS RSUs shall be satisfied through the issuance of one Share for each vested Special PBS RSU, less applicable withholding taxes (the “settlement”), and the settlement of the Special PBS RSUs may be subject to such conditions, restrictions and contingencies as the Committee shall determine. Earned Special PBS RSUs (as defined in Exhibit A) shall vest and be settled as soon as practicable after the end of the Performance Cycle (as defined in Exhibit A) and Certification (the “Settlement Date”), but in no event later than March 15 of the year following the calendar year in which Certification occurs, except as otherwise specified in Section 4(a). Notwithstanding the foregoing, the payment dates set forth in this Section 2(b) have been specified for the purpose of complying with the provisions of Section 409A of the Code (“Section 409A”). To the extent payments are made during the periods permitted under Section 409A (including any applicable periods before or after the specified payment dates set forth in this Section 2(b)), the Company shall be deemed to have satisfied its obligations under the Plan and shall be deemed not to be in breach of its payments obligations hereunder.

(c) Voting Rights. The Participant shall have no voting rights with respect to the Special PBS RSUs.

3. Termination of Employment or Service with the Company.

(a) Termination. If the Participant's employment or service with the Company or an Affiliate terminates for any reason (whether due to voluntary termination, Retirement, termination by the Company with or without Cause, or otherwise), then all outstanding Special PBS RSUs shall immediately terminate on the date of termination of employment or service.

(b) Released Special PBS RSUs. Following Participant's termination of employment or service with the Company or an Affiliate for any reason, the Participant (or the Participant's legal representative, if applicable) must provide for all Shares underlying released Special PBS RSUs (including those issued under this Agreement as well as Shares underlying released Special PBS RSUs issued under any other similar agreement, whether on account of termination or previously released in connection with the vesting terms of such similar agreement) to be liquidated or transferred to a third party broker no later than six months following the later of (i) the Participant's date of termination or (ii) the latest Settlement Date or other applicable vesting or settlement date (whether under this Agreement or a similar agreement) occurring following the Participant's termination. If the Participant (or the Participant's legal representative, as applicable) fails to liquidate or transfer the Shares prior to the end of the applicable six month period, the Company is hereby authorized and directed by the Participant either, in the Company's discretion: (i) to sell any such remaining Shares on the Participant's (or the Participant's beneficiary's) behalf on the first trading date following the end of such period on which the Company is not prohibited from selling such Shares; or (ii) to transfer such Shares to the Company's stock transfer agent for registration in the Participant's (or the Participant's beneficiary's) name. The Company will not be responsible for any gain or loss or taxes incurred with respect to the Shares underlying the released Special PBS RSUs in connection with such liquidation or transfer.

4. Share Ownership. The Participant shall not be deemed for any purpose to be the owner of any Shares subject to the Special PBS RSUs and shall not have any rights of a shareholder with respect to the Special PBS RSUs, including, but not limited to, voting or dividend rights, until delivery of the applicable Shares underlying the Special PBS RSUs on the Settlement Date. The Company shall not be required to set aside any fund for the payment of the Special PBS RSUs.

5. Miscellaneous.

(a) Compliance with Legal Requirements. The granting and settlement of the Special PBS RSUs, and any other obligations of the Company under this Agreement, shall be subject to all applicable federal, state, local and foreign laws, rules and regulations and to such approvals by any regulatory or governmental agency as may be required. If the settlement of the Special PBS RSUs would be prohibited by law or the Company's dealing rules, the settlement shall be delayed until the earliest date on which the settlement would not be so prohibited.

(b) Transferability. Unless otherwise provided by the Committee in writing, the Special PBS RSUs shall not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant other than by will or the laws of descent and distribution and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company; provided, that, the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

(c) Tax Withholding. The Participant acknowledges that, regardless of any action taken by the Company or, if different, the Participant's employer (the "Employer"), the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to the Participant's participation in the Plan and legally applicable to the Participant (Tax-Related Items), is and remains the Participant's responsibility and may exceed the amount actually withheld by the

Company or the Employer. The Participant further acknowledges that the Company and/or the Employer (1) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Special PBS RSUs, including, but not limited to, the grant, vesting or settlement of the Special PBS RSUs, the subsequent sale of Shares acquired pursuant to such settlement and the receipt of any dividends; and (2) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Special PBS RSUs to reduce or eliminate the Participant's liability for Tax-Related Items or achieve any particular tax result. Further, if the Participant is subject to Tax-Related Items in more than one jurisdiction, the Participant acknowledges that the Company and/or the Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

Prior to any relevant taxable or tax withholding event, as applicable, the Participant agrees to make adequate arrangements satisfactory to the Company and/or the Employer to satisfy all Tax-Related Items. In this regard, the Participant authorizes the Company or its agent to satisfy any applicable withholding obligations with regard to all Tax-Related Items by one or a combination of the following: (i) withholding from the Participant's wages or other cash compensation paid to the Participant by the Company and/or the Employer; or (ii) withholding from proceeds of the sale of Shares acquired upon settlement of the Special PBS RSUs either through a voluntary sale or through a mandatory sale arranged by the Company (on the Participant's behalf pursuant to this authorization without further consent); or (iii) withholding in Shares to be issued upon settlement of the Special PBS RSUs.

Notwithstanding the foregoing, if the Participant is an officer subject to Section 16 of the Exchange Act, the Company will withhold in Shares only upon advance approval by the Committee or the Board.

Depending on the withholding method, the Company may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding rates or other applicable withholding rates, including maximum applicable rates, in which case the Participant may receive a refund of any over-withheld amount in cash and will have no entitlement to the Share equivalent. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, the Participant is deemed to have been issued the full number of Shares subject to the vested Grant, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Tax-Related Items.

Finally, the Participant agrees to pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold or account for as a result of the Participant's participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the Shares or the proceeds of the sale of Shares, if the Participant fails to comply with the Participant's obligations in connection with the Tax-Related Items.

(d) Nature of Grant. In accepting the grant, the Participant acknowledges, understands and agrees that:

(i) the Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time, to the extent permitted by the Plan;

(ii) the grant of the Special PBS RSUs is exceptional, voluntary and occasional and does not create any contractual or other right to receive future grants of Special PBS RSUs, or benefits in lieu of Special PBS RSUs, even if Special PBS RSUs have been granted in the past;

(iii) all decisions with respect to future awards or other grants, if any, will be at the sole discretion of the Company;

(iv) the Award and the Participant's participation in the Plan shall not create a right to employment or be interpreted as forming or amending an employment or service contract with the Company, the Employer, or any member of the Combined Group and its Affiliates and shall not interfere with the ability of the Company, the Employer or any member of the Combined Group and its Affiliates, as applicable, to terminate the Participant's employment or service relationship (if any);

(v) the Participant is voluntarily participating in the Plan;

(vi) the Special PBS RSUs and the Shares subject to the Special PBS RSUs, and the income from and value of same, are not intended to replace any pension rights or compensation;

(vii) the Special PBS RSUs and the Shares subject to the Special PBS RSUs, and the income from and value of same, are not part of normal or expected compensation for purposes of, including, without limitation, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, bonuses, long-service awards, pension or retirement or welfare benefits or similar payments;

(viii) the future value of the underlying Shares is unknown, indeterminable and cannot be predicted with certainty;

(ix) no claim or entitlement to compensation or damages shall arise from forfeiture of the Special PBS RSUs resulting from the termination of the Participant's employment or other service relationship (for any reason whatsoever, whether or not later found to be invalid or in breach of employment laws in the jurisdiction where the Participant is employed or the terms of the Participant's employment agreement, if any);

(x) unless otherwise agreed with the Company, the Special PBS RSUs and the Shares, and the income from and value of same, are not granted as consideration for, or in connection with, the service the Participant may provide as a director of the Company or any member of the Combined Group and its Affiliates;

(xi) unless otherwise provided in the Plan or by the Company in its discretion, the Special PBS RSUs and the benefits evidenced by this Agreement do not create any entitlement to have the Special PBS RSUs or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the shares of the Company;

(xii) neither the Company, the Employer or any member of the Combined Group or its Affiliates shall be liable for any foreign exchange rate fluctuation between the Participant's local currency and the British Pound Sterling that may affect the value of the Award or of any amounts due to the Participant pursuant to the settlement of the Award or the subsequent sale of any Shares acquired upon settlement;

(xiii) the Participant has read and understood, and agrees to be bound by, the terms of your Award set out in this Agreement, including any special terms and conditions for the Participant's country included in Appendix A;

(xiv) the Participant has read and understood, and agrees to be bound by, the rules of the Plan that govern the Participant's participation in the Plan; and

(xv) the Participant has read and understood, and agrees to be bound by, the data privacy, non-competition, non-disclosure, clawback and forfeiture terms of the Plan and this Agreement.

(e) No Advice Regarding Grant. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the Participant's participation in the Plan, or the Participant's acquisition or sale of the underlying Shares. The Participant should consult with the Participant's own personal tax, legal and financial advisors regarding the Participant's participation in the Plan before taking any action related to the Plan.

(f) Clawback/Forfeiture.

(i) Notwithstanding anything to the contrary contained herein, in the event of a material restatement of the Company's issued financial statements, the Committee shall review the facts and circumstances underlying the restatement (including, without limitation any potential wrongdoing by the Participant and whether the restatement was the result of negligence or intentional or gross misconduct) and may in its sole discretion direct the Company to (A) cancel all outstanding Special PBS RSUs and/or (B) recover all or a portion of any income or gain realized on the settlement of the Special PBS RSUs or the subsequent sale of Shares acquired upon settlement of the Special PBS RSUs with respect to any fiscal year in which the Company's financial results are negatively impacted by such restatement. If the Committee directs the Company to recover any such amount from the Participant, then the Participant agrees to and shall be required to repay any such amount to the Company within 30 days after the Company demands repayment. In addition, if the Company is required by law to include an additional "clawback" or "forfeiture" provision to outstanding grants, under the Dodd-Frank Wall Street Reform and Consumer Protection Act or otherwise, then such clawback or forfeiture provision shall also apply to this Agreement as if it had been included on the Date of Grant and the Company shall promptly notify the Participant of such additional provision. In addition, if a Participant has engaged or is engaged in Detrimental Activity after the Participant's employment or service with the Company or its subsidiaries has ceased, then the Participant, within 30 days after written demand by the Company, shall return any income or gain realized on the settlement of the Special PBS RSUs or the subsequent sale of Shares acquired upon settlement of the Special PBS RSUs.

(ii) For purposes of this Agreement, "Detrimental Activity" means any of the following: (i) unauthorized disclosure of any confidential or proprietary information of the Combined Group, (ii) any activity that would be grounds to terminate the Participant's employment or service with the Combined Group for Cause, (iii) whether in writing or orally, maligning, denigrating or disparaging the Combined Group or their respective predecessors and successors, or any of the current or former directors, officers, employees, shareholders, partners, members, agents or representatives of any of the foregoing, with respect to any of their respective past or present activities, or otherwise publishing (whether in writing or orally) statements that tend to portray any of the aforementioned persons or entities in an unfavorable light, or (iv) the breach of any noncompetition, nonsolicitation or other agreement containing restrictive covenants, with the Combined Group. For purposes of the preceding sentence the phrase "the Combined Group" shall mean "any member of the Combined Group or any Affiliate". Notwithstanding the foregoing, nothing in this Agreement prohibits the Participant from voluntarily communicating, without notice to or approval by the Company, with any federal or state government agency about a potential violation of a federal or state law or regulation or to participate in investigations, testify in proceedings regarding the Company's or an Affiliate's past or future conduct, or engage in any activities protected under whistle blower statutes. Further, pursuant to the Defend Trade Secrets Act of 2016, the Participant shall not be held criminally, or civilly, liable under any federal or state trade secret law for the disclosure of a trade secret that is made in confidence either directly or indirectly to a federal, state, or local government official, or an attorney, for the sole purpose of reporting, or investigating, a violation of law. Moreover, the Participant may disclose trade secrets in a complaint, or other document, filed in a lawsuit, or other proceeding, if such filing is made under seal. Finally, if the Participant files a lawsuit alleging retaliation by the Company or an Affiliate for reporting a suspected violation of the law, the Participant may disclose the trade secret to the Participant's attorney and use the trade secret in the

court proceeding, if the Participant files any document containing the trade secret under seal and does not disclose the trade secret, except pursuant to court order.

(g) Waiver. Any right of the Company contained in this Agreement may be waived in writing by the Committee. No waiver of any right hereunder by any party shall operate as a waiver of any other right, or as a waiver of the same right with respect to any subsequent occasion for its exercise, or as a waiver of any right to damages. No waiver by any party of any breach of this Agreement shall be held to constitute a waiver of any other breach or a waiver of the continuation of the same breach.

(h) Notices. Any written notices provided for in this Agreement or the Plan shall be in writing and shall be deemed sufficiently given if either hand delivered or if sent by fax or overnight courier, or by postage paid first class mail. Notices sent by mail shall be deemed received three business days after mailing but in no event later than the date of actual receipt. Notices shall be directed, if to the Participant, at the Participant's address indicated by the Company's records, or if to the Company, at the Company's principal executive office.

(i) Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, and each other provision of this Agreement shall be severable and enforceable to the extent permitted by law.

(j) No Rights to Continued Employment. Nothing in the Plan or in this Agreement shall be construed as giving the Participant any right to be retained, in any position, as an employee, consultant or director of the Company or its Affiliates or shall interfere with or restrict in any way the right of the Company or its Affiliates, which are hereby expressly reserved, to remove, terminate or discharge the Participant at any time for any reason whatsoever. The rights and obligations of the Participant under the terms and conditions of the Participant's office or employment shall not be affected by this Agreement. The Participant waives all and any rights to compensation and damages in consequence of the termination of the Participant's office or employment with any member of the Combined Group or any of its Affiliates for any reason whatsoever (whether lawfully or unlawfully) insofar as those rights arise, or may arise, from the Participant's ceasing to have rights under or the Participant's entitlement to the Special PBS RSUs under this Agreement as a result of such termination or from the loss or diminution in value of such rights or entitlements. In the event of conflict between the terms of this Section 5(j) and the Participant's terms of employment, this Section will take precedence.

(k) Successors. The terms of this Agreement shall be binding upon and inure to the benefit of the Company and its successors and assigns, and of the Participant and the beneficiaries, legal representatives, executors, administrators, heirs and successors of the Participant.

(l) Entire Agreement. This Agreement and the Plan contain the entire agreement and understanding of the parties hereto with respect to the subject matter contained herein and supersede all prior communications, representations and negotiations in respect thereto. No change, modification or waiver of any provision of this Agreement shall be valid unless the same shall be in writing and signed by the parties hereto, except for any changes permitted without consent of the Participant in accordance with the Plan.

(m) Governing Law; JURY TRIAL WAIVER. This Agreement shall be construed and interpreted in accordance with the laws of the State of Florida without regard to principles of conflicts of law thereof, or principles of conflicts of laws of any other jurisdiction which could cause the application of the laws of any jurisdiction other than the State of Florida. **THE PARTIES EXPRESSLY AND KNOWINGLY WAIVE ANY RIGHT TO A JURY TRIAL IN THE EVENT ANY ACTION ARISING UNDER OR IN CONNECTION WITH THIS AGREEMENT IS LITIGATED OR HEARD IN ANY COURT.**

(n) Data Protection. The Employer, the Company and any Affiliate may collect, use, process, transfer or disclose the Participant's Personal Information for the purpose of implementing, administering and managing the Participant's participation in the Plan, in accordance with the Carnival Corporation & plc Equity Plans Participant Privacy Notice the Participant previously received. (The Participant should contact [ownership@carnival.com](mailto:ownership@carnival.com) if he or she would like to receive another copy of this notice.) For example, the Participant's Personal Information may be directly or indirectly transferred to Equatex AG or any other third party stock plan service provider as may be selected by the Company, and any other third parties assisting the Company with the implementation, administration and management of the Plan.

(o) Insider Trading/Market Abuse Laws. The Participant may be subject to insider trading restrictions and/or market abuse laws in applicable jurisdictions, including the United States, the United Kingdom, and the Participant's country, which may affect the Participant's ability to directly or indirectly, for his- or her- self or a third party, acquire or sell, or attempt to sell, Shares under the Plan during such times as the Participant is considered to have "inside information" regarding the Company (as defined by the laws and regulations in the applicable jurisdiction, including the United States, the United Kingdom, and the Participant's country), or may affect the trade in Shares or the trade in rights to Shares under the Plan. Local insider trading laws and regulations may prohibit the cancellation or amendment of orders the Participant placed before the Participant possessed inside information. Furthermore, the Participant could be prohibited from (i) disclosing the inside information to any third party, which may include fellow employees (other than on a "need to know" basis) and (ii) "tipping" third parties or causing them otherwise to buy or sell securities. Local insider trading laws and regulations may be the same or different from any Company insider trading policy. The Participant acknowledges that it is the Participant's responsibility to be informed of and compliant with such regulations, and the Participant should speak to the Participant's personal advisor on this matter.

(p) Headings. The headings of the Sections hereof are provided for convenience only and are not to serve as a basis for interpretation or construction, and shall not constitute a part, of this Agreement.

(q) Language. The Participant acknowledges that he or she is proficient in the English language, or has consulted with an advisor who is sufficiently proficient, so as to allow the Participant to understand the terms and conditions of this Agreement. If the Participant has received this Agreement or any other document related to the Plan translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control.

(r) Electronic Delivery and Acceptance. The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. The Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

(s) Country Specific Wording. The Award shall be subject to the additional terms and conditions set forth in Appendix A for the Participant's country, if any. Moreover, if the Participant relocates to one of the countries included in Appendix A, the special terms and conditions for such country will apply to the Participant, to the extent the Company determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons. Appendix A constitutes part of this Agreement.

6. Change in Control. In the event of a Change in Control after the end of the Performance Cycle but prior to the vesting or settlement of the Special PBS RSUs, the level of attainment of the Performance Goals and the number of Earned Special PBS RSUs (if any) will be determined and certified by the Committee in the manner set forth on Exhibit A. If a Change in Control occurs prior to the end of the Performance Cycle, the Performance Cycle will end on the Accelerated End Date set forth on Exhibit A and the level of attainment of the Performance Goals and the number of Earned Special PBS RSUs (if

any) will be determined and certified by the Committee in the manner set forth on Exhibit A. Any such Earned Special PBS RSUs will vest and be settled in accordance with Section 2(b) of this Agreement.

7. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the Participant's participation in the Plan, on the Special PBS RSUs and on any Shares acquired under the Plan, to the extent the Company determines it is necessary or advisable for legal or administrative reasons, and to require the Participant to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

You are strongly encouraged to inform the Company and to speak with your personal tax advisor regarding the tax treatment of your Award.

If you are a United States taxpayer (regardless of where you are employed) you are strongly encouraged to inform the Company of your United States taxpayer status and to speak with your tax advisors regarding tax treatment of your Award.

If you are a citizen or resident of a country within the EU, the additional terms and conditions for EU countries below will also govern the Award granted to you.

**Brexit (the departure of the UK from the EU).** Although the UK left the EU on 31 January 2020, EU laws remain in place in the UK during the transition period, which is due to end on 31 December 2020. If you are a citizen or resident of the UK or any other country that may be affected by Brexit, you should be aware that the law that applies to your Award may change after 31 December 2020. It is recommended that you take independent advice if you think that this may apply to you.

#### **NO PUBLIC OFFER**

Your Awards are being offered to you in your capacity as an employee of the Company.

#### **NOTIFICATIONS**

This Appendix A also includes information regarding exchange controls, securities laws and certain other issues of which you should be aware with respect to your participation in the Plan. The information is based on the exchange control, securities laws and other laws in effect in the respective countries as of December 2018. Such laws are often complex and change frequently. As a result, the Company strongly recommends that you not rely on the information noted herein as the only source of information relating to the consequences of your participation in the Plan because the information may be out of date at the time you vest in the Award or when you sell the Shares acquired under the Plan.

In addition, the information contained herein is general in nature and may not apply to your particular situation, and the Company is not in a position to assure you of any particular result. Accordingly, you are advised to seek appropriate professional advice as to how the relevant laws in your country may apply to your situation.

Finally, if you are a citizen or resident of a country other than the one in which you are currently working, are considered a resident of another country for local law purposes or transfer employment and/or residency between countries after the Grant Date, the information contained herein may not be applicable in the same manner to you.

Capitalized terms not explicitly defined in this Appendix A but defined in the Agreement or Plan shall have the same definitions as in the Plan and/or the Agreement.

You acknowledge that neither the Company (nor any other company within the group) will be required to take steps to ensure that any of its related bodies corporate or any third-party engaged to whom your personal information is disclosed do not breach data privacy principles.

## **BRAZIL**

### ***TERMS AND CONDITIONS***

**Compliance with Law.** By accepting the Award, you agree to comply with applicable Brazilian laws and to report and pay applicable Tax-Related Items associated with the settlement of the Award or the subsequent sale of the Shares acquired under the Plan.

**Nature of Grant.** This provision supplements the “Nature of Grant” section of the Agreement:

By accepting the Award, you agree that you are making an investment decision, the Shares will be issued to you only if the vesting conditions are met and any necessary services are rendered by you over the vesting period, and the value of the underlying Shares is not fixed and may increase or decrease in value over the vesting period without compensation to you.

### ***NOTIFICATIONS***

**Exchange Control Information.** If you are resident or domiciled in Brazil, you will be required to submit an annual declaration of assets and rights held outside Brazil to the Central Bank of Brazil if the aggregate value of such assets and rights is equal to or greater than US\$100,000. Assets and rights that must be reported include Shares acquired under the Plan.

**Tax on Financial Transaction (IOF).** Cross-border financial transactions relating to the Award may be subject to the IOF (tax on financial transactions). You are solely responsible for complying with any applicable IOF arising from your participation in the Plan. You should consult with your personal tax advisor for additional details.

Therefore, the Awards will not be offered or sold in Brazil, except in circumstances which do not constitute a public offering, placement, distribution or negotiation under the Brazilian capital markets regulations.

If you are employed and/or resident in Brazil, then by accepting your Award you agree and acknowledge that (i) neither your employer nor any person or entity acting on behalf of your employer has provided you with financial advice with respect to your award or the Shares acquired upon settlement of your Award; and (ii) your employer does not guarantee a specified level of return on your Award or the Shares.

## **CANADA**

### ***TERMS AND CONDITIONS***

**Form of Settlement.** Notwithstanding any discretion contained in rule 9(g) of the Plan, the Award is payable in Shares only.

### ***NOTIFICATIONS***

**Securities Law Information.** You are permitted to sell Shares acquired under the Plan through the designated broker appointed under the Plan, if any, provided the sale of the Shares takes place outside Canada through the facilities of a stock exchange on which the Shares are listed (*i.e.*, the London Stock Exchange).

In addition to any restrictions on resale and transfer noted in the plan documents, Shares acquired pursuant to the Plan will be subject to certain restrictions on resale imposed by Canadian provincial securities laws (in general, participants in the offering who are resident in Canada may not resell their Shares to Canadian purchasers). Accordingly, prospective participants are encouraged to seek legal advice prior to any resale of such shares.

By accepting this Award, you represent and warrant to the Company that your participation in the Plan is voluntary and that you have not been induced to participate by expectation of engagement, appointment, employment, continued engagement, continued appointment or continued employment, as applicable.

**Foreign Asset/Account Reporting Information.** You are required to report any specified foreign property (including Special TBS RSUs and Shares) on form T1135 (Foreign Income Verification Statement) if the total cost of the specified foreign property exceeds C\$100,000 at any time in the year. The form must be filed by April 30 of the following year. Special TBS RSUs must be reported – generally at a nil cost – if the C\$100,000 cost threshold is exceeded because of other specified foreign property you hold. When Shares are acquired, their cost generally is the adjusted cost base (**ACB**) of the Shares. The ACB would ordinarily equal the fair market value of the Shares at the time of acquisition, but if you own other shares, this ACB may have to be averaged with the ACB of the other shares. It is your responsibility to comply with applicable reporting obligations. You should consult with your personal legal advisor to ensure compliance with applicable reporting obligations.

You must report the acquisition to the Central Bank as an investment carried out abroad through the disposal of funds held abroad, by filing a cover letter and Annex 1 of Chapter XII of the Manual of Procedures and Information Forms of the CNC. The filing must be made within the first ten days of the month following the month in which the shares were acquired. It is your responsibility to comply with applicable reporting obligations. You should consult with your personal legal advisor to ensure compliance with applicable reporting obligations.

#### CHINA

#### **TERMS AND CONDITIONS**

*The following terms and conditions will be applicable to you to the extent that the Company, in its sole discretion, determines that your participation in the Plan will be subject to exchange control restrictions in the People's Republic of China (PRC), as implemented by the PRC State Administration of Foreign Exchange (SAFE):*

**Vesting.** This provision supplements the “Restricted Period” section of the Agreement:

Notwithstanding anything to the contrary in the Agreement, the Award will not vest and no Shares will be issued to you unless and until all necessary exchange control or other approvals with respect to the Award under the Plan are obtained from SAFE or its local counterpart (**SAFE Approval**), as determined by the Company in its sole discretion. In the event that SAFE Approval has not been obtained, or the Company is unable to maintain its SAFE Approval, prior to any date(s) on which the Award is scheduled to vest in accordance with the Vesting Schedule set forth in Appendix A to the Agreement, the Award will not vest until the seventh day of the month following the month in which SAFE Approval is obtained or reinstated (the **Actual Vesting Date**). If your Employment terminates prior to the Actual Vesting Date, you shall not

be entitled to vest in any portion of the Award and the Award shall be forfeited without any liability to the Company, the Employer or any member of the Combined Group and its Affiliates.

If or to the extent the Company is unable to obtain or maintain SAFE Approval, no Shares subject to the Special TBS RSUs for which SAFE Approval has not been obtained or maintained shall be issued. In this case, the Company retains the discretion to settle any Special TBS RSUs in cash paid through local payroll in an amount equal to the market value of the Shares subject to the Special TBS RSUs less any Tax-Related Items; provided, however, that in case the Company is able to obtain or reinstate its SAFE Approval with respect to any Special TBS RSUs, the cash payment for Special TBS RSUs not covered by the SAFE Approval shall not be made until the SAFE Approval has been obtained or reinstated.

**Settlement of Special TBS RSUs and Sale of Shares.** This provision supplements the “Release of Award” section of the Agreement:

Notwithstanding anything to the contrary in the Plan or the Agreement, to facilitate compliance with PRC exchange control restrictions you agree that any Shares acquired at settlement of the Award may be immediately sold at settlement or, at the Company’s discretion, at a later time (including when you terminate your employment for any reason). If, however, the sale of the Shares is not permissible under the Company’s insider trading policy, the Company retains the discretion to postpone the issuance of the Shares subject to the vested Award until such time that the sale is again permissible and to then immediately sell the Shares subject to the Award. You further agree that the Company is authorized to instruct its designated broker to assist with the mandatory sale of the Shares (on your behalf pursuant to this authorization), and you expressly authorize such broker to complete the sale of the Shares. You acknowledge that the Company’s designated broker is under no obligation to arrange for the sale of Shares at any particular price. Upon the sale of the Shares, the Company agrees to pay the cash proceeds from the sale, less any brokerage fees or commissions, to you in accordance with applicable exchange control laws and regulations and provided any liability for Tax-Related Items has been satisfied. Due to fluctuations in the share price and/or the United States Dollar exchange rate between the settlement date and (if later) the date on which the Shares are sold, the sale proceeds may be more or less than the market value of the Shares on the settlement date (which is the amount relevant to determining your tax liability). You understand and agree that the Company is not responsible for the amount of any loss you may incur and that the Company assumes no liability for any fluctuation in the share price and/or United States Dollar exchange rate.

You further agree that any Shares to be issued to you shall be deposited directly into an account with the Company’s designated broker. The deposited Shares shall not be transferable (either electronically or in certificate form) from the brokerage account. This limitation shall apply both to transfers to different accounts with the same broker and to transfers to other brokerage firms. The limitation shall apply to all Shares issued to you under the Plan, whether or not you continue to be employed by the Company, the Combined Group or one of its Affiliates.

**Exchange Control Restrictions.** By accepting the Award, you understand and agree that you will be required to immediately repatriate to China the proceeds from the sale of any Shares acquired under the Plan or from any cash dividends paid or such Shares. You further understand that such repatriation of the proceeds may need to be effected through a special exchange control account established by the Company or any Affiliate, and you hereby consent and agree that the proceeds may be transferred to such account by the Company (or its designated broker) on your behalf prior to being delivered to you. You also acknowledge and understand that there may be a delay between the date the Shares are sold and the date the cash proceeds are distributed to you. You further agree to sign any agreements, forms and/or consents that may be reasonably requested by the Company (or the Company’s designated broker) to effectuate such transfers.

The proceeds may be paid to you in United States Dollars or local currency, at the Company's discretion. If the proceeds are paid to you in United States Dollars, you understand that you will be required to set up a United States Dollar bank account in China so that the proceeds may be deposited into this account. If the proceeds are paid to you in local currency, (i) you acknowledge that the Company is under no obligation to secure any particular exchange conversion rate and that the Company may face delays in converting the proceeds to local currency due to exchange control restrictions, and (ii) you agree to bear any currency fluctuation risk between the time the Shares are sold or dividends are paid and the time the proceeds are converted to local currency and distributed to you. You agree to comply with any other requirements that may be imposed by the Company in the future in order to facilitate compliance with exchange control requirements in China.

Without limitation to the “Taxation” section of this Agreement, if you are a U.K. tax resident, you will be liable for all Tax-Related Items and hereby covenant to pay all such Tax-Related Items as and when requested by the Company or any Affiliate or by Her Majesty's Revenue and Customs (**HMRC**) (or any other tax authority or any other relevant authority). **FORM OF RETENTION TIME-BASED RESTRICTED STOCK UNIT AGREEMENT  
FOR THE CARNIVAL CORPORATION 2020 STOCK PLAN**

THIS RETENTION TIME-BASED RESTRICTED STOCK UNIT AGREEMENT (this "Agreement"), shall apply to the grant of Retention time-based restricted stock units made to employees of Carnival Corporation, a corporation organized under the laws of the Republic of Panama, (the "Company") or employees of an Affiliate, on August 28, 2020 (the "Grant Date") under the Carnival Corporation 2020 Stock Plan (the "Plan").

1. Grant of Time-Based Restricted Stock Units.

(a) Grant. The Company hereby grants to select individuals (each a "Participant") a Retention time-based restricted stock unit award consisting of that number of Retention time-based Restricted Stock Units (the "Retention TBS RSUs") set forth in the Participant's EquatePlus portfolio, on the terms and conditions set forth in the Plan and this Agreement. Each Retention TBS RSU represents the right to receive payment in respect of one Share as of the Settlement Date (as defined below), to the extent the Participant is vested in such Retention TBS RSUs as of the Settlement Date, subject to the terms of this Agreement and the Plan. The Retention TBS RSUs are subject to the restrictions described herein, including forfeiture under the circumstances described in Section 3 hereof (the "Restrictions"). The Restrictions shall lapse and the Retention TBS RSUs shall vest and become nonforfeitable in accordance with Section 2 and Section 3 hereof.

(b) Incorporation by Reference, Etc. The provisions of the Plan are hereby incorporated herein by reference. Except as otherwise expressly set forth herein, this Agreement shall be construed in accordance with the provisions of the Plan and any interpretations, amendments, rules and regulations promulgated by the Committee from time to time pursuant to the Plan. Any capitalized terms not otherwise defined in this Agreement shall have the definitions set forth in the Plan. The Committee shall have final authority to interpret and construe the Plan and this Agreement, and to make any and all determinations under them, and its decision shall be binding and conclusive upon the Participant and his legal representative in respect of any questions arising under the Plan or this Agreement. In the event there is any inconsistency between the provisions of the Plan and this Agreement, the provisions of the Plan shall govern.

2. Terms and Conditions.

(a) Vesting. Except as otherwise provided in Section 3 hereof, the Retention TBS RSUs shall vest and become non-restricted as follows:

- (i) 25% on January 14, 2021
- (ii) 25% on July 14, 2021
- (iii) 25% on January 18, 2022
- (iv) 25% on July 18, 2022

Notwithstanding the foregoing, the Committee shall have the authority to remove the Restrictions on the Retention TBS RSUs whenever it may determine that, by reason of changes in applicable laws or other changes in circumstances arising after the Grant Date, such action is appropriate.

(b) Settlement. The obligation to make payments and distributions with respect to Retention TBS RSUs shall be satisfied through the issuance of one Share for each vested Retention TBS RSU, less applicable withholding taxes (the “settlement”), and the settlement of the Retention TBS RSUs may be subject to such conditions, restrictions and contingencies as the Committee shall determine. The Retention TBS RSUs shall be settled on the first trading date occurring on or after the date that the Retention TBS RSUs vest and become non-restricted (as applicable, the “Settlement Date”), except as otherwise provided in Sections 3 and 6(a).

(c) Voting Rights. The Participant shall have no voting rights with respect to the Retention TBS RSUs.

(d) The dates set forth in this Section 2 (which include by reference Sections 3 and 6(a)) and disregarding any discretionary early release of restrictions in Section 2 for amounts which would not be a short term deferral pursuant to Section 409A, have been specified for the purpose of complying with Section 409A of the Code. To the extent payments are made during the periods permitted under Section 409A of the Code, the Company shall be deemed to have satisfied its obligations under the Plan and shall not be in breach of its payments obligations hereunder.

### 3. Termination of Employment or Service with the Company.

(a) Termination After Change in Control. In accordance with Section 13(a) of the Plan, if the Participant's employment is terminated by the Combined Group and its Affiliates other than for Cause upon or within 12 months following a Change in Control, the Restrictions shall lapse as to 100% of the Retention TBS RSUs and the Retention TBS RSUs shall fully vest on the date of termination and shall be settled in accordance with Section 2(b) without regard to Section 2(a).

(b) Other Termination. If the Participant's employment or service with the Company terminates for any reason other than as otherwise described in the foregoing provision of this Section 3 (whether due to voluntary termination, termination by the Company with or without Cause, retirement or otherwise), then all outstanding Retention TBS RSUs shall immediately terminate on the date of termination of employment or service.

(c) Breach of Restrictive Covenants. Notwithstanding anything herein to the contrary, no release of Retention TBS RSUs shall be made, and all unreleased Retention TBS RSUs issued hereunder and all rights under this Agreement shall be forfeited, if (i) the Participant shall engage in competition, as more particularly described in Section 4, or (ii) the Participant violates the nondisclosure provisions set forth in Section 5.

(d) Released Retention TBS RSUs. Following Participant's termination of employment or service with the Company or an Affiliate for any reason, the Participant (or the Participant's beneficiary or legal representative, if applicable) must provide for all Shares underlying released Retention TBS RSUs (including those issued under this Agreement as well as Shares underlying released Retention TBS RSUs issued under any other similar agreement, whether on account of termination or previously released in connection with the vesting terms of such similar agreement) to be liquidated or transferred to a third party broker no later than six months following the later of (i) Participant's date of termination or (ii) the latest Settlement Date or other applicable vesting or settlement date (whether under this Agreement or a similar

agreement) occurring following the Participant's termination. If the Participant (or the Participant's beneficiary, as applicable) fails to liquidate or transfer the Shares prior to the end of the applicable six month period, the Company is hereby authorized and directed by the Participant either, in the Company's discretion: (i) to sell any such remaining Shares on the Participant's (or the Participant's beneficiary's) behalf on the first trading date following the end of such period on which the Company is not prohibited from selling such Shares; or (ii) to transfer such Shares to the Company's stock transfer agent for registration in the Participant's (or the Participant's beneficiary's) name. The Company will not be responsible for any gain or loss or taxes incurred with respect to the Shares underlying the released Retention TBS RSUs in connection with such liquidation or transfer.

4. Non-Competition. The services of the Participant are unique, extraordinary and essential to the business of the Combined Group and its Affiliates. Accordingly, in consideration of the Retention TBS RSUs awarded hereunder, the Participant agrees that he/she will not, without the prior written approval of the Board, at any time during the term of his/her employment with the Combined Group or its Affiliates and (except as provided below) for the then remaining duration of the Restrictions on the Retention TBS RSUs, if any, following the date on which the Participant's employment with the Combined Group or its Affiliates terminates, directly or indirectly, within the cruise industry wherever located, engage in any business activity directly or indirectly competitive with the business of the Combined Group or its Affiliates, or serve as an officer, director, owner, consultant, or employee of any organization then in competition with the Combined Group or its Affiliates. In addition, the Participant agrees that during such restricted period following his/her employment with the Combined Group or its Affiliates, he/she will not solicit, either directly or indirectly, any employee of the Combined Group or its Affiliates, its subsidiaries or division, who was such at the time of the Participant's separation from employment hereunder. In the event that the provisions of this Section 4 should ever be adjudicated to exceed the time, geographic or other limitations permitted by applicable law in any jurisdiction, then such provisions shall be deemed reformed in such jurisdiction to the maximum time, geographic or other limitations permitted by applicable law.

5. Non-Disclosure. The Participant expressly agrees and understands that the Combined Group or its Affiliates own and/or control information and material which is not generally available to third parties and which the Combined Group or its Affiliates consider confidential, including, without limitation, methods, products, processes, customer lists, trade secrets and other information applicable to its business and that it may from time to time acquire, improve or produce additional methods, products, processes, customers lists, trade secrets and other information (collectively, the "Confidential Information"). The Participant hereby acknowledges that each element of the Confidential Information constitutes a unique and valuable asset of the Combined Group or its Affiliates, and that certain items of the Confidential Information have been acquired from third parties upon the express condition that such items would not be disclosed to the Combined Group or its Affiliates and its officers and agents other than in the ordinary course of business. The Participant hereby acknowledges that disclosure of the Combined Group or its Affiliates' Confidential Information to and/or use by anyone other than in the Combined Group or its Affiliates' ordinary course of business would result in irreparable and continuing damage to the Combined Group or its Affiliates. Accordingly, the Participant agrees to hold the Confidential Information in the strictest secrecy, and covenants that, during the term of his/her employment with the Combined Group or its Affiliates (or any member of the Combined Group or its Affiliates) or at any time thereafter, he/she will not, without the prior written consent of the Board, directly or indirectly, allow any element of the Confidential Information to be disclosed, published or used,

nor permit the Confidential Information to be discussed, published or used, either by himself or by any third parties, except in effecting the Participant's duties for the Combined Group or its Affiliates in the ordinary course of business. The Participant agrees to keep all such records in connection with the Participant's employment as the Combined Group or its Affiliates may direct, and all such records shall be the sole and absolute property of the Combined Group or its Affiliates. The Participant further agrees that, within five (5) days of the Combined Group or its Affiliates' request, he/she shall surrender to the Combined Group or its Affiliates any and all documents, memoranda, books, papers, letters, price lists, notebooks, reports, logbooks, code books, salesmen records, customer lists, activity reports, video or audio recordings, computer programs and any and all other data and information and any and all copies thereof relating to the Combined Group or its Affiliates' business or any Confidential Information.

Notwithstanding the foregoing, nothing in this Agreement prohibits the Participant from voluntarily communicating, without notice to or approval by the Company, with any federal or state government agency about a potential violation of a federal or state law or regulation or to participate in investigations, testify in proceedings regarding the Company's or an Affiliate's past or future conduct, or engage in any activities protected under whistle blower statutes. Further, pursuant to the Defend Trade Secrets Act of 2016, the Participant shall not be held criminally, or civilly, liable under any federal or state trade secret law for the disclosure of a trade secret that is made in confidence either directly or indirectly to a federal, state, or local government official, or an attorney, for the sole purpose of reporting, or investigating, a violation of law. Moreover, the Participant may disclose trade secrets in a complaint, or other document, filed in a lawsuit, or other proceeding, if such filing is made under seal. Finally, if the Participant files a lawsuit alleging retaliation by the Company or an Affiliate for reporting a suspected violation of the law, the Participant may disclose the trade secret to the Participant's attorney and use the trade secret in the court proceeding, if the Participant files any document containing the trade secret under seal and does not disclose the trade secret, except pursuant to court order.

#### 6. Miscellaneous.

(a) Compliance with Legal Requirements. The granting and settlement of the Retention TBS RSUs, and any other obligations of the Company under this Agreement, shall be subject to all applicable federal, state, local and foreign laws, rules and regulations and to such approvals by any regulatory or governmental agency as may be required. If the settlement of the Retention TBS RSUs would be prohibited by law, the settlement shall be delayed until the earliest date on which the settlement would not be so prohibited.

(b) Transferability. Unless otherwise provided by the Committee in writing, the Retention TBS RSUs shall not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by the Participant other than by will or the laws of descent and distribution and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company; provided, that, the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

(c) Tax Withholding. The Participant acknowledges that, regardless of any action taken by the Company or, if different, the Participant's employer (the "Employer"), the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to the Participant's participation in the Plan and legally

applicable to the Participant ("Tax-Related Items"), is and remains the Participant's responsibility and may exceed the amount, if any, actually withheld by the Company or the Employer. The Participant further acknowledges that the Company and/or the Employer (1) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Retention TBS RSUs, including, but not limited to, the grant, vesting or settlement of the Retention TBS RSUs, the subsequent sale of Shares acquired pursuant to such settlement and the receipt of any dividends; and (2) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Retention TBS RSUs to reduce or eliminate the Participant's liability for Tax-Related Items or achieve any particular tax result. Further, if the Participant is subject to Tax-Related Items in more than one jurisdiction, the Participant acknowledges that the Company and/or the Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

Prior to any relevant taxable or tax withholding event, as applicable, the Participant agrees to make adequate arrangements satisfactory to the Company and/or the Employer to satisfy all Tax-Related Items. In this regard, the Participant authorizes the Company or its agent to satisfy any applicable withholding obligations with regard to all Tax-Related Items by one or a combination of the following: (i) withholding from the Participant's wages or other cash compensation paid to the Participant by the Company and/or the Employer; or (ii) withholding from proceeds of the sale of Shares acquired upon settlement of the Retention TBS RSUs either through a voluntary sale or through a mandatory sale arranged by the Company (on the Participant's behalf pursuant to this authorization without further consent); or (iii) withholding in Shares to be issued upon settlement of the Retention TBS RSUs. Further, notwithstanding anything herein to the contrary, the Company may cause a portion of the Retention TBS RSUs to vest prior to the applicable date set forth in Sections 2 or 3 of this Agreement in order to satisfy any Tax-Related Items that arise prior to the date of settlement of the Retention TBS RSUs; provided that to the extent necessary to avoid a prohibited distribution under Section 409A of the Code, the number of Retention TBS RSUs so accelerated and settled shall be with respect to a number of Shares with a value that does not exceed the liability for such Tax-Related Items.

Notwithstanding the foregoing, if the Participant is an officer subject to Section 16 of the Exchange Act, the Company will not withhold in Shares unless approved in advance by the Committee or the Board.

Depending on the withholding method, the Company may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding rates or other applicable withholding rates, including maximum applicable rates, in which case the Participant may receive a refund of any over-withheld amount in cash and will have no entitlement to the Stock equivalent. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, the Participant is deemed to have been issued the full number of Shares subject to the vested Award, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Tax-Related Items.

Finally, the Participant agrees to pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold or account for as a result of the Participant's participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the Shares or the proceeds

of the sale of Shares, if the Participant fails to comply with the Participant's obligations in connection with the Tax-Related Items.

(d) Nature of Grant. In accepting the grant, the Participant acknowledges, understands and agrees that:

(i) the Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time, to the extent permitted by the Plan;

(ii) the grant of the Retention TBS RSUs is exceptional, voluntary and occasional and does not create any contractual or other right to receive future grants of Retention TBS RSUs, or benefits in lieu of Retention TBS RSUs, even if Retention TBS RSUs have been granted in the past;

(iii) all decisions with respect to future awards or other grants, if any, will be at the sole discretion of the Company;

(iv) the Participant is voluntarily participating in the Plan;

(v) the Retention TBS RSUs and the Shares subject to the Retention TBS RSUs, and the income from and value of same, are not intended to replace any pension rights or compensation;

(vi) the Retention TBS RSUs and the Shares subject to the Retention TBS RSUs, and the income from and value of same, are not part of normal or expected compensation for purposes of, including, without limitation, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, bonuses, holiday pay, long-service awards, pension or retirement or welfare benefits or similar payments;

(vii) the future value of the underlying Shares is unknown, indeterminable and cannot be predicted with certainty;

(viii) no claim or entitlement to compensation or damages shall arise from forfeiture of the Retention TBS RSUs resulting from the termination of the Participant's employment or other service relationship (for any reason whatsoever, whether or not later found to be invalid or in breach of employment laws in the jurisdiction where the Participant is employed or the terms of the Participant's employment agreement, if any);

(ix) unless otherwise agreed with the Company, the Retention TBS RSUs and the Shares, and the income from and value of same, are not granted as consideration for, or in connection with, the service the Participant may provide as a director of the Company or any member of the Combined Group and its Affiliates;

(x) unless otherwise provided in the Plan or by the Company in its discretion, the Retention TBS RSUs and the benefits evidenced by this Agreement do not create any entitlement to have the Retention TBS RSUs or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the shares of the Company; and

(xi) if the Participant resides outside the United States or is otherwise subject to the laws of a country outside the United States:

(A) the Retention TBS RSUs and the Shares subject to the Retention TBS RSUs, and the income from and value of same, are not part of normal or expected compensation for any purpose; and

(B) neither the Company, the Employer or any member of the Combined Group or its Affiliates shall be liable for any foreign exchange rate fluctuation between the Participant's local currency and the United States Dollar that may affect the value of the Retention TBS RSUs or of any amounts due to the Participant pursuant to the settlement of the Retention TBS RSUs or the subsequent sale of any Shares acquired upon settlement.

(e) No Advice Regarding Grant. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the Participant's participation in the Plan, or the Participant's acquisition or sale of the underlying Shares. The Participant should consult with the Participant's own personal tax, legal and financial advisors regarding the Participant's participation in the Plan before taking any action related to the Plan.

(f) Clawback/Forfeiture.

(i) Notwithstanding anything to the contrary contained herein, in the case of fraud, negligence, intentional or gross misconduct or other wrongdoing on the part of Participant (or any other event or circumstance set forth in any clawback policy implemented by the Company, including, without limitation, any clawback policy adopted to comply with the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules or regulations promulgated thereunder) that results in a material restatement of the Company's issued financial statements, such Participant will (i) forfeit any unvested Retention TBS RSUs and (ii) be required to reimburse the Company for all or a portion, as determined by the Committee in its sole discretion, of any income or gain realized on the settlement of the Retention TBS RSUs or the subsequent sale of Shares acquired upon settlement of the Retention TBS RSUs with respect to any fiscal year in which the Company's financial results are negatively impacted by such restatement. The Participant agrees to and shall be required to repay any such amount to the Company within 30 days after the Company demands repayment. In addition, if the Company is required by law to include an additional "clawback" or "forfeiture" provision to outstanding awards, under the Dodd-Frank Wall Street Reform and Consumer Protection Act or otherwise, then such clawback or forfeiture provision shall also apply to this Agreement as if it had been included on the Grant Date and the Company shall promptly notify the Participant of such additional provision. In addition, if a Participant has engaged or is engaged in Detrimental Activity after the Participant's employment or service with the Company or its subsidiaries has ceased, then the Participant, within 30 days after written demand by the Company, shall return any income or gain realized on the settlement of the Retention TBS RSUs or the subsequent sale of Shares acquired upon settlement of the Retention TBS RSUs.

(ii) For purposes of this Agreement, "Detrimental Activity" means any of the following: (i) unauthorized disclosure of any Confidential Information or proprietary information of the Combined Group, (ii) any activity that would be grounds to terminate a Participant's employment or service with the Combined Group for Cause, (iii) whether in writing or orally,

maligning, denigrating or disparaging the Combined Group or their respective predecessors and successors, or any of the current or former directors, officers, employees, shareholders, partners, members, agents or representatives of any of the foregoing, with respect to any of their respective past or present activities, or otherwise publishing (whether in writing or orally) statements that tend to portray any of the aforementioned persons or entities in an unfavorable light, or (iv) the breach of any noncompetition, nonsolicitation or other agreement containing restrictive covenants, with the Combined Group. For purposes of the preceding sentence the phrase “the Combined Group” shall mean “any member of the Combined Group or any Affiliate”.

(g) Code Section 409A. To the extent that the Participant is subject to U.S. federal tax and the Retention TBS RSUs are considered “nonqualified deferred compensation” subject to Section 409A of the Code: (i) references in this Agreement to “termination of employment” or “termination of service” (and substantially similar phrases) shall mean “separation from service” within the meaning of Section 409A of the Code; and (ii) if the Participant is a “specified employee” within the meaning of Section 409A(a)(2)(B)(i) of the Code, any settlement of the Retention TBS RSUs upon the Participant’s separation from service shall be made to the Participant on the first trading date following the date that is six months after the date of the Participant’s separation from service or, if earlier, the Participant’s date of death. For purposes of Section 409A of the Code, each payment that may be made in respect of the Retention TBS RSUs is designated as a separate payment.

(h) No Rights as Stockholder. The Participant shall not be deemed for any purpose to be the owner of any Shares subject to the Retention TBS RSUs. The Company shall not be required to set aside any fund for the payment of the Retention TBS RSUs.

(i) Waiver. Any right of the Company contained in this Agreement may be waived in writing by the Committee. No waiver of any right hereunder by any party shall operate as a waiver of any other right, or as a waiver of the same right with respect to any subsequent occasion for its exercise, or as a waiver of any right to damages. No waiver by any party of any breach of this Agreement shall be held to constitute a waiver of any other breach or a waiver of the continuation of the same breach.

(j) Notices. Any written notices provided for in this Agreement or the Plan shall be in writing and shall be deemed sufficiently given if either hand delivered or if sent by fax or overnight courier, or by postage paid first class mail. Notices sent by mail shall be deemed received three business days after mailing but in no event later than the date of actual receipt. Notices shall be directed, if to the Participant, at the Participant’s address indicated by the Company’s records, or if to the Company, at the Company’s principal executive office.

(k) Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, and each other provision of this Agreement shall be severable and enforceable to the extent permitted by law.

(l) No Rights to Continued Employment. Nothing in the Plan or in this Agreement shall be construed as giving the Participant any right to be retained, in any position, as an employee, consultant or director of the Company or its Affiliates or shall interfere with or restrict in any way the right of the Company or its Affiliates, which are hereby expressly reserved, to remove, terminate or discharge the Participant at any time for any reason whatsoever. The

rights and obligations of the Participant under the terms and conditions of the Participant's office or employment shall not be affected by this Agreement. The Participant waives all and any rights to compensation and damages in consequence of the termination of the Participant's office or employment with any member of the Combined Group or any of its Affiliates for any reason whatsoever (whether lawfully or unlawfully) insofar as those rights arise, or may arise, from the Participant's ceasing to have rights under or the Participant's entitlement to the Retention TBS RSUs under this Agreement as a result of such termination or from the loss or diminution in value of such rights or entitlements. In the event of conflict between the terms of this Section 6(l) and the Participant's terms of employment, this Section will take precedence.

(m) Successors. The terms of this Agreement shall be binding upon and inure to the benefit of the Company and its successors and assigns, and of the Participant and the beneficiaries, legal representatives, executors, administrators, heirs and successors of the Participant.

(n) Entire Agreement. This Agreement and the Plan contain the entire agreement and understanding of the parties hereto with respect to the subject matter contained herein and supersede all prior communications, representations and negotiations in respect thereto. No change, modification or waiver of any provision of this Agreement shall be valid unless the same be in writing and signed by the parties hereto, except for any changes permitted without consent of the Participant in accordance with the Plan.

(o) Governing Law; JURY TRIAL WAIVER. This Agreement shall be construed and interpreted in accordance with the laws of the State of Florida without regard to principles of conflicts of law thereof, or principles of conflicts of laws of any other jurisdiction which could cause the application of the laws of any jurisdiction other than the State of Florida. THE PARTIES EXPRESSLY AND KNOWINGLY WAIVE ANY RIGHT TO A JURY TRIAL IN THE EVENT ANY ACTION ARISING UNDER OR IN CONNECTION WITH THIS AGREEMENT IS LITIGATED OR HEARD IN ANY COURT.

(p) Data Protection. The Employer, the Company and any Affiliate may collect, use, process, transfer or disclose the Participant's Personal Information for the purpose of implementing, administering and managing the Participant's participation in the Plan, in accordance with the Carnival Corporation & plc Equity Plans Participant Privacy Notice the Participant previously received. (The Participant should contact [ownership@carnival.com](mailto:ownership@carnival.com) if he or she would like to receive another copy of this notice.) For example, the Participant's Personal Information may be directly or indirectly transferred to Equatex AG or any other third party stock plan service provider as may be selected by the Company, and any other third parties assisting the Company with the implementation, administration and management of the Plan.

(q) Insider Trading/Market Abuse Laws. The Participant may be subject to insider trading restrictions and/or market abuse laws in applicable jurisdictions, including the United States, the United Kingdom, and the Participant's country, which may affect the Participant's ability to directly or indirectly, for his- or her- self or a third party, acquire or sell, or attempt to sell, Shares under the Plan during such times as the Participant is considered to have "inside information" regarding the Company (as defined by the laws and regulations in the applicable jurisdiction, including the United States, the United Kingdom, and the Participant's country), or may affect the trade in Shares or the trade in rights to Shares under the Plan. Local insider trading laws and regulations may prohibit the cancellation or amendment of orders the

Participant placed before the Participant possessed inside information. Furthermore, the Participant could be prohibited from (i) disclosing the inside information to any third party, which may include fellow employees (other than on a “need to know” basis) and (ii) “tipping” third parties or causing them otherwise to buy or sell securities. Local insider trading laws and regulations may be the same or different from any Company insider trading policy. The Participant acknowledges that it is the Participant’s responsibility to be informed of and compliant with such regulations, and the Participant should speak to the Participant’s personal advisor on this matter.

(r) Foreign Asset/Account, Exchange Control and Tax Reporting. The Participant may be subject to foreign asset/account, exchange control and/or tax reporting requirements as a result of the acquisition, holding and/or transfer of Shares or cash (including dividends and the proceeds arising from the sale of Shares) derived from the Participant’s participation in the Plan, to and/or from a brokerage/bank account or legal entity located outside the Participant’s country. The applicable laws of the Participant’s country may require that the Participant report such accounts, assets, the balances therein, the value thereof and/or the transactions related thereto to the applicable authorities in such country. The Participant may also be required to repatriate sale proceeds or other funds received as a result of the Participant’s participation in the Plan to the Participant’s country through a designated bank or broker within a certain time after receipt. The Participant acknowledges that the Participant is responsible for ensuring compliance with any applicable foreign asset/account, exchange control and tax reporting requirements and should consult the Participant’s personal legal advisor on this matter.

(s) Headings. The headings of the Sections hereof are provided for convenience only and are not to serve as a basis for interpretation or construction, and shall not constitute a part, of this Agreement.

(t) Language. The Participant acknowledges that he or she proficient in the English language, or has consulted with an advisor who is sufficiently proficient, so as to allow the Participant to understand the terms and conditions of this Agreement. If the Participant has received this Agreement or any other document related to the Plan translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control.

(u) Electronic Delivery and Acceptance. The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. The Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

7. Country-Specific Provisions. The Retention TBS RSUs shall be subject to the additional terms and conditions set forth in Appendix A to this Agreement for the Participant’s country, if any. Moreover, if the Participant relocates to one of the countries included in Appendix A, the terms and conditions for such country will apply to the Participant, to the extent the Company determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons.

8. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the Participant’s participation in the Plan, on the Retention TBS RSUs and on

any Shares acquired under the Plan, to the extent the Company determines it is necessary or advisable for legal or administrative reasons, and to require the Participant to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

**IN WITNESS WHEREOF**, the Company has executed this Agreement as of the day first written above.

**APPENDIX A**

## Country Specific Information

### **TERMS AND CONDITIONS**

This Appendix A includes additional terms and conditions that govern the Award granted to the Participant if the Participant resides in one of the countries listed herein. This Appendix A forms part of the Agreement. These terms and conditions are in addition to, or if so indicated, in place of, the terms and conditions in the Agreement.

If the Participant is a citizen or resident of a country other than the one in which the Participant is currently working, is considered a resident of another country for local law purposes or transfers employment and/or residency between countries after the Grant Date, the Company shall, in its sole discretion, determine to what extent the additional terms and conditions included herein will apply to the Participant under these circumstances. The Participant is strongly encouraged to inform the Company and to speak with their personal tax advisor regarding the tax treatment of their Award.

If the Participant is a United States taxpayer (regardless of where they are employed) the Participant is strongly encouraged to inform the Company of their United States taxpayer status and to speak with their tax advisors regarding tax treatment of their Award.

If the Participant is a citizen or resident of a country within the EU, the additional terms and conditions for EU countries below will also govern the Award granted to the Participant.

**Brexit (the departure of the UK from the EU).** Although the UK left the EU on 31 January 2020, EU laws remain in place in the UK during the transition period, which is due to end on 31 December 2020. If the Participant is a citizen or resident of the UK or any other country that may be affected by Brexit, the Participant should be aware that the law that applies to their Award may change after 31 December 2020. It is recommended that the Participant take independent advice if the Participant thinks that this may apply to them.

### **NO PUBLIC OFFER**

The Participant's Awards are being offered to them in their capacity as an employee of the Company.

This is a private placement directed at certain officers and key employees of the Participant's employer selected by the Participant's employer in its sole discretion. The offering is not intended for the general public and may not be used for any public offer which requires a prospectus.

If an individual has access to the Plan documents and is not a Participant, they must disregard the Plan documents, as they are not an intended recipient. In this event, access to the Plan documents cannot be construed as an offer.

### **NOTIFICATIONS**

This Appendix A also includes information regarding exchange controls, securities laws and certain other issues of which the Participant should be aware with respect to the Participant's participation in the Plan. The information is based on the exchange control, securities laws and

other laws in effect in the respective countries as of December 2018. Such laws are often complex and change frequently. As a result, the Company strongly recommends that the Participant not rely on the information noted herein as the only source of information relating to the consequences of the Participant's participation in the Plan because the information may be out of date at the time the Participant vests in the Award or when the Participant sell the Shares acquired under the Plan.

In addition, the information contained herein is general in nature and may not apply to the Participant's particular situation, and the Company is not in a position to assure the Participant of any particular result. Accordingly, the Participant is advised to seek appropriate professional advice as to how the relevant laws in the Participant's country may apply to the Participant's situation.

Finally, if the Participant is a citizen or resident of a country other than the one in which the Participant is currently working, is considered a resident of another country for local law purposes or transfers employment and/or residency between countries after the Grant Date, the information contained herein may not be applicable in the same manner to the Participant.

Capitalized terms not explicitly defined in this Appendix A but defined in the Agreement or Plan shall have the same definitions as in the Plan and/or the Agreement.

## **BRAZIL**

### ***TERMS AND CONDITIONS***

**Compliance with Law.** By accepting the Award, the Participant agrees to comply with applicable Brazilian laws and to report and pay applicable Tax-Related Items associated with the settlement of the Award or the subsequent sale of the Shares acquired under the Plan.

**Nature of Grant.** This provision supplements Section 6(d) - Nature of Grant of the Agreement:

By accepting the Award, the Participant agrees that the Participant is making an investment decision, the Shares will be issued to the Participant only if the vesting conditions are met and any necessary services are rendered by the Participant over the vesting period, and the value of the underlying Shares is not fixed and may increase or decrease in value over the vesting period without compensation to the Participant.

### ***NOTIFICATIONS***

**Exchange Control Information.** If the Participant is resident or domiciled in Brazil, the Participant will be required to submit an annual declaration of assets and rights held outside Brazil to the Central Bank of Brazil if the aggregate value of such assets and rights is equal to or greater than US\$100,000. Assets and rights that must be reported include Shares acquired under the Plan.

**Tax on Financial Transaction (IOF).** Cross-border financial transactions relating to the Award may be subject to the IOF (tax on financial transactions). The Participant is solely responsible for complying with any applicable IOF arising from the Participant's participation in the Plan. The Participant should consult with the Participant's personal tax advisor for additional details.

**Securities Laws.** The Awards and the Shares granted under the Plan have not been and will not be publicly issued, placed, distributed, offered or negotiated in the Brazilian capital markets and, as a result, will not be registered with the Brazilian Securities Commission (Comissão de Valores Mobiliários) (the CVM). Therefore, the Awards will not be offered or sold in Brazil, except in circumstances which do not constitute a public offering, placement, distribution or negotiation under the Brazilian capital markets regulations.

If the Participant is employed and/or resident in Brazil, then by accepting the Award the Participant agrees and acknowledge that (i) neither the Participant's employer nor any person or entity acting on behalf of the Participant's employer has provided the Participant with financial advice with respect to the award or the Shares acquired upon settlement of the Award; and (ii) the employer does not guarantee a specified level of return on the Award or the Shares.

## CANADA

### **TERMS AND CONDITIONS**

**Form of Settlement.** Notwithstanding any discretion contained in Section 9(e) of the Plan, the Award is payable in Shares only.

### **NOTIFICATIONS**

**Securities Law Information.** The Participant is permitted to sell Shares acquired under the Plan through the designated broker appointed under the Plan, if any, provided the sale of the Shares takes place outside Canada through the facilities of a stock exchange on which the Shares are listed (*i.e.*, the New York Stock Exchange).

In addition to any restrictions on resale and transfer noted in the plan documents, Shares acquired pursuant to the Plan will be subject to certain restrictions on resale imposed by Canadian provincial securities laws (in general, participants in the offering who are resident in Canada may not resell their Shares to Canadian purchasers). Accordingly, prospective participants are encouraged to seek legal advice prior to any resale of such shares.

By accepting this Award, the Participant represents and warrants to the Company that the Participant's participation in the Plan is voluntary and that the Participant has not been induced to participate by expectation of engagement, appointment, employment, continued engagement, continued appointment or continued employment, as applicable.

**Foreign Asset/Account Reporting Information.** The Participant is required to report any specified foreign property (including Special TBS RSUs and Shares) on form T1135 (Foreign Income Verification Statement) if the total cost of the specified foreign property exceeds C\$100,000 at any time in the year. The form must be filed by April 30 of the following year. Special TBS RSUs must be reported – generally at a nil cost – if the C\$100,000 cost threshold is exceeded because of other specified foreign property the Participant holds. When Shares are acquired, their cost generally is the adjusted cost base ("ACB") of the Shares. The ACB would ordinarily equal the fair market value of the Shares at the time of acquisition, but if the Participant owns other shares, this ACB may have to be averaged with the ACB of the other shares. It is the Participant's responsibility to comply with applicable reporting obligations. The Participant should consult with the Participant's personal legal advisor to ensure compliance with applicable reporting obligations.

## **CHILE**

**Foreign Asset Reporting.** If the Participant is domiciled or resident in Chile, the acquisition of shares abroad for an amount higher than USD10,000 must be reported to the Central Bank of Chile (Banco Central de Chile) (Central Bank) in accordance with Chapter XII of the Compendium of Foreign Exchange Regulations (CNC) of the Central Bank. The Participant must report the acquisition to the Central Bank as an investment carried out abroad through the disposal of funds held abroad, by filing a cover letter and Annex 1 of Chapter XII of the Manual of Procedures and Information Forms of the CNC. The filing must be made within the first ten days of the month following the month in which the shares were acquired. It is the Participant's responsibility to comply with applicable reporting obligations. The Participant should consult with their personal legal advisor to ensure compliance with applicable reporting obligations.

## **CHINA**

### **TERMS AND CONDITIONS**

*The following terms and conditions will be applicable to the Participant to the extent that the Company, in its sole discretion, determines that the Participant's participation in the Plan will be subject to exchange control restrictions in the People's Republic of China ("PRC"), as implemented by the PRC State Administration of Foreign Exchange ("SAFE):*

**Vesting.** This provision supplements Section 2(a) - Vesting of the Agreement:

Notwithstanding anything to the contrary in the Agreement, the Award will not vest and no Shares will be issued to the Participant unless and until all necessary exchange control or other approvals with respect to the Award under the Plan are obtained from SAFE or its local counterpart ("SAFE Approval"), as determined by the Company in its sole discretion. In the event that SAFE Approval has not been obtained, or the Company is unable to maintain its SAFE Approval, prior to any date(s) on which the Award is scheduled to vest, the Award will not vest until the seventh day of the month following the month in which SAFE Approval is obtained or reinstated (the "Actual Vesting Date"). If the Participant's employment terminates prior to the Actual Vesting Date, the Participant shall not be entitled to vest in any portion of the Award and the Award shall be forfeited without any liability to the Company, the Employer or any member of the Combined Group and its Affiliates.

If or to the extent the Company is unable to obtain or maintain SAFE Approval, no Shares subject to the Special TBS RSUs for which SAFE Approval has not been obtained or maintained shall be issued. In this case, the Company retains the discretion to settle any Special TBS RSUs in cash paid through local payroll in an amount equal to the market value of the Shares subject to the Special TBS RSUs less any Tax-Related Items; provided, however, that in case the Company is able to obtain or reinstated its SAFE Approval with respect to any Special TBS RSUs, the cash payment for Special TBS RSUs not covered by the SAFE Approval shall not be made until the SAFE Approval has been obtained or reinstated.

**Settlement of Special TBS RSUs and Sale of Shares.** This provision supplements Section 2(b) - Settlement of the Agreement:

Notwithstanding anything to the contrary in the Plan or the Agreement, to facilitate compliance with PRC exchange control restrictions the Participant agrees that any Shares acquired at

settlement of the Award may be immediately sold at settlement or, at the Company's discretion, at a later time (including when the Participant's employment terminates for any reason). If, however, the sale of the Shares is not permissible under the Company's insider trading policy, the Company retains the discretion to postpone the issuance of the Shares subject to the vested Award until such time that the sale is again permissible and to then immediately sell the Shares subject to the Award. The Participant further agrees that the Company is authorized to instruct its designated broker to assist with the mandatory sale of the Shares (on the Participant's behalf pursuant to this authorization), and the Participant expressly authorizes such broker to complete the sale of the Shares. The Participant acknowledges that the Company's designated broker is under no obligation to arrange for the sale of Shares at any particular price. Upon the sale of the Shares, the Company agrees to pay the cash proceeds from the sale, less any brokerage fees or commissions, to the Participant in accordance with applicable exchange control laws and regulations and provided any liability for Tax-Related Items has been satisfied. Due to fluctuations in the share price and/or the United States Dollar exchange rate between the settlement date and (if later) the date on which the Shares are sold, the sale proceeds may be more or less than the fair market value of the Shares on the settlement date (which is the amount relevant to determining the Participant's tax liability). The Participant understands and agrees that the Company is not responsible for the amount of any loss the Participant may incur and that the Company assumes no liability for any fluctuation in the share price and/or United States Dollar exchange rate.

The Participant further agrees that any Shares to be issued to the Participant shall be deposited directly into an account with the Company's designated broker. The deposited shares shall not be transferable (either electronically or in certificate form) from the brokerage account. This limitation shall apply both to transfers to different accounts with the same broker and to transfers to other brokerage firms. The limitation shall apply to all Shares issued to the Participant under the Plan, whether or not the Participant continues to be employed by the Company, the Combined Group or one of its Affiliates.

**Exchange Control Restrictions.** By accepting the Award, the Participant understands and agrees that the Participant will be required to immediately repatriate to China the proceeds from the sale of any Shares acquired under the Plan or from any cash dividends paid on such Shares. The Participant further understands that such repatriation of the proceeds may need to be effected through a special exchange control account established by the Company or any Affiliate, and the Participant hereby consents and agrees that the proceeds may be transferred to such account by the Company (or its designated broker) on the Participant's behalf prior to being delivered to the Participant. The Participant also acknowledges and understands that there may be a delay between the date the Shares are sold and the date the cash proceeds are distributed to the Participant. The Participant further agrees to sign any agreements, forms and/or consents that may be reasonably requested by the Company (or the Company's designated broker) to effectuate such transfers.

The proceeds may be paid to the Participant in United States Dollars or local currency, at the Company's discretion. If the proceeds are paid to the Participant in United States Dollars, the Participant understands that the Participant will be required to set up a United States Dollar bank account in China so that the proceeds may be deposited into this account. If the proceeds are paid to the Participant in local currency, (i) the Participant acknowledges that the Company is under no obligation to secure any particular exchange conversion rate and that the Company may face delays in converting the proceeds to local currency due to exchange control

restrictions, and (ii) the Participant agrees to bear any currency fluctuation risk between the time the Shares are sold or dividends are paid and the time the proceeds are converted to local currency and distributed to the Participant. The Participant agrees to comply with any other requirements that may be imposed by the Company in the future in order to facilitate compliance with exchange control requirements in China.

**Foreign Asset/Account Reporting Information.** If the Participant's acquisition of Shares under the Plan leads to a so-called qualified participation at any point during the calendar year, the Participant will need to report the acquisition when the Participant files his or her tax return for the relevant year. A qualified participation is attained if (i) the value of the Shares acquired exceeds EUR 150,000 or (ii) in the unlikely event the Participant holds Shares exceeding 10% of the of the Company's Common Stock.

In this case, the income tax not collected or paid may constitute a benefit to the Participant on which additional income tax and National Insurance contributions may be payable. The Participant will be responsible for reporting and paying any income tax due on this additional benefit directly to HMRC under the self-assessment regime and for paying the Company or the Employer, as applicable, for the value of any employee National Insurance contributions due on this additional benefit, which the Company or the Employer may recover from the Participant by any of the means referred to in this Agreement.

Carnival plc 2014 Employee Share Plan  
(the Plan)**

**Conditional Right to Receive**

This Special Time-Based Restricted Share Unit Agreement (the **Agreement**), shall apply to the award of time-based restricted share units (the **Special TBS RSUs**) granted to Employees of Carnival plc (the **Company**), on August 28, 2020 (the **Grant Date**) under the Carnival plc 2014 Employee Share Plan (the **Plan**)

The Company hereby grants you a TBS RSU award consisting of that number of Special TBS RSUs set forth in your EquatePlus portfolio, on the terms and conditions set forth in the Plan and this Agreement. In the event of any inconsistency, the rules of the Plan shall take precedence. Any capitalized terms not otherwise defined in this Agreement shall have the definitions set forth in the Plan.

Unless you notify the Company's Global Human Resources Department in writing to ownership@carnival.com within 10 days after delivery of this Agreement that you do not wish to accept this Agreement, you will be deemed to have accepted this Agreement and will be bound by the terms of this Agreement, the Plan entitlement notice issued to you, and the Plan.

**1. Nature of Award**

Each Special TBS RSU comprised in your Award is equivalent to a hypothetical investment in one ordinary share of \$1.66 each in the capital of the Company (a **Share**). Your Award is in the form of a conditional right to acquire the number of Shares equal to the number of Special TBS RSUs comprised in your Award at a nil cost.

You will have no beneficial interest in any Shares during the Restricted Period.

**2. Restricted Period**

Your Award is subject to a Restricted Period. In this case, the Restricted Period on the Special TBS RSUs shall expire as follows:

- (i) 25% on January 14, 2021
- (ii) 25% on July 14, 2021
- (iii) 25% on January 18, 2022
- (iv) 25% on July 18, 2022

Your Award will be forfeited automatically on you ceasing to be an employee of the plc Group (whether lawfully or unlawfully) for any reason before the expiry of the Restricted Period.

In accordance with Section 12(a) of the Plan, in the event a member of the Combined Group or an Affiliate terminates your employment with such company other than for Cause (as defined in the Plan) upon or within 12 months following a Change in Control, the Award shall vest and the Restricted Period shall expire on the date of your termination of employment.

**3. Release of Award**

You will be deemed to have called for the release of your Award on the date on which your Award vests following expiration of the Restricted Period and attainment of the vesting criteria set out in the Restricted Period clause above unless the release of your Award would be prohibited by any Dealing Restrictions. In such a case you will be deemed to have called for the release of your Award on the first date following vesting of your Award on which the release of

your Award would not be prohibited by any Dealing Restrictions. This Award may only be settled in Shares.

[For the purposes of this Agreement, **Dealing Restrictions** means any internal or external restrictions on dealings or transactions in securities.]

#### **4. Taxation**

You acknowledge that, regardless of any action taken by the Company or, if different, your employer (the **Employer**), the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to your participation in the Plan and legally applicable to you (**Tax-Related Items**), is and remains your responsibility and may exceed the amount actually withheld by the Company or the Employer. You further acknowledge that the Company and/or the Employer (1) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Award, including, but not limited to, the grant, vesting or settlement of the Award, the subsequent sale of Shares acquired pursuant to such settlement; and (2) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Award to reduce or eliminate your liability for Tax-Related Items or achieve any particular tax result. Further, if you are subject to Tax-Related Items in more than one jurisdiction, you acknowledge that the Company and/or the Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

Prior to any relevant taxable or tax withholding event, as applicable, you agree to make adequate arrangements satisfactory to the Company and/or the Employer to satisfy all Tax-Related Items. In this regard, you authorize the Company or its agent to satisfy any applicable withholding obligations with regard to all Tax-Related Items by one or a combination of the following: (i) withholding from your wages or other cash compensation paid to you by the Company and/or the Employer; or (ii) withholding from proceeds of the sale of Shares acquired upon settlement of the Award either through a voluntary sale or through a mandatory sale arranged by the Company (on your behalf pursuant to this authorization without further consent); or (iii) withholding in Shares to be issued upon settlement of the Award.

Notwithstanding the foregoing, if you are an officer subject to Section 16 of the Exchange Act, the Company will not withhold in Shares unless approved in advance by the Committee or the Board.

Depending on the withholding method, the Company may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding rates or other applicable withholding rates, including maximum applicable rates, in which case you may receive a refund of any over-withheld amount in cash and will have no entitlement to the Share equivalent. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, you are deemed to have been issued the full number of Shares subject to the vested Award, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Tax-Related Items.

Finally, you agree to pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold or account for as a result of your participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the Shares or the proceeds of the sale of Shares, if you fail to comply with your obligations in connection with the Tax-Related Items.

#### **5. Nature of Grant**

In accepting the grant, you acknowledge, understand and agree that:

- (a) the Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time, to the extent permitted by the Plan;
- (b) the grant of your Award is exceptional, voluntary and occasional and does not create any contractual or other right to receive future grants of Special TBS RSUs, or benefits in lieu of Special TBS RSUs, even if Special TBS RSUs have been granted in the past;
- (c) all decisions with respect to future Awards or other grants, if any, will be at the sole discretion of the Company;
- (d) the Award and your participation in the Plan shall not create a right to employment or be interpreted as forming or amending an employment or service contract with the Company, the Employer, or any member of the Combined Group and its Affiliates and shall not interfere with the ability of the Company, the Employer or any member of the Combined Group and its Affiliates, as applicable, to terminate your employment or service relationship (if any);
- (e) you are voluntarily participating in the Plan;
- (f) the Award and the Shares subject to the Award, and the income from and value of same, are not intended to replace any pension rights or compensation;
- (g) the Award and the Shares subject to the Award, and the income from and value of same, are not part of normal or expected compensation for any purpose, including, without limitation, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, bonuses, long-service awards, pension or retirement or welfare benefits or similar payments;
- (h) the future value of the underlying Shares is unknown, indeterminable and cannot be predicted with certainty;
- (i) no claim or entitlement to compensation or damages shall arise from forfeiture of the Award resulting from the termination of your employment or other service relationship (for any reason whatsoever, whether or not later found to be invalid or in breach of employment laws in the jurisdiction where you are employed or the terms of your employment agreement, if any);
- (j) unless otherwise agreed with the Company, the Award and the Shares, and the income from and value of same, are not granted as consideration for, or in connection with, the service you may provide as a director of the Company or any member of the Combined Group and its Affiliates;
- (k) unless otherwise provided in the Plan or by the Company in its discretion, the Award, and the benefits evidenced by this Agreement do not create any entitlement to have the Award or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the shares of the Company;

- (l) neither the Company, the Employer or any member of the Combined Group or its Affiliates shall be liable for any foreign exchange rate fluctuation between your local currency and the British Pound Sterling that may affect the value of the Award or of any amounts due to you pursuant to the settlement of the Award or the subsequent sale of any Shares acquired upon settlement;
- (m) you have read and understood, and agree to be bound by, the terms of your Award set out in this Agreement, including any special terms and conditions for your country included in Appendix A;
- (n) you have read and understood, and agree to be bound by, the rules of the Plan that govern your participation in the Plan; and
- (o) you have read and understood, and agree to be bound by, the data privacy, competition, nondisclosure, clawback and forfeiture terms of the Plan and this Agreement.

#### **6. No Advice Regarding Grant**

The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding your participation in the Plan, or your acquisition or sale of the underlying Shares. You should consult with your own personal tax, legal and financial advisors regarding your participation in the Plan before taking any action related to the Plan.

#### **7. Data Privacy**

The Employer, the Company and any Affiliate may collect, use, process, transfer or disclose your Personal Information for the purpose of implementing, administering and managing your participation in the Plan, in accordance with the Carnival Corporation & plc Equity Plans Participant Privacy Notice you have previously received. (Please contact [ownership@carnival.com](mailto:ownership@carnival.com) if you would like to receive another copy of this notice.) For example, your Personal Information may be directly or indirectly transferred to Equatex AG or any other third party stock plan service provider as may be selected by the Company, and any other third parties assisting the Company with the implementation, administration and management of the Plan.

#### **8. Competition**

The services you provide are unique, extraordinary and essential to the business of the Combined Group or its Affiliates, particularly in view of your access to the Combined Group or its Affiliates' confidential information and trade secrets. Accordingly, in consideration of the Award, you agree that you will not, without the prior written approval of the Board of Directors, at anytime during the term of your employment with the Combined Group or its Affiliates and (except as provided below) for the then remaining duration of the Restricted Period, if any, following the date on which your employment with the Combined Group or its Affiliates terminates, directly or indirectly, within the cruise industry wherever located, engage in any business activity directly or indirectly competitive with the business of the Combined Group or its Affiliates, or serve as an officer, director, owner, consultant, or employee of any organization then in competition with the Combined Group or its Affiliates. In addition, you agree that during such restricted period following your employment with the Combined Group or its Affiliates, you will not solicit, either directly or indirectly, any employee of the Combined Group or its Affiliates,

its subsidiaries or division, who was such at the time of your separation from employment hereunder. In the event that this provision should ever be adjudicated to exceed the time, geographic or other limitations permitted by applicable law in any jurisdiction, then such provisions shall be deemed reformed in such jurisdiction to the maximum time, geographic or other limitations permitted by applicable law.

#### **9. Nondisclosure**

You expressly agree and understand that the Combined Group or its Affiliates own and/or control information and material which is not generally available to third parties and which Combined Group or its Affiliates consider confidential, including, without limitation, methods, products, processes, customer lists, trade secrets and other information applicable to its business and that it may from time to time acquire, improve or produce additional methods, products, processes, customers lists, trade secrets and other information (collectively, the **Confidential Information**). You acknowledge that each element of the Confidential Information constitutes a unique and valuable asset of Combined Group or its Affiliates, and that certain items of the Confidential Information have been acquired from third parties upon the express condition that such items would not be disclosed to Combined Group or its Affiliates and its officers and agents other than in the ordinary course of business. You acknowledge that disclosure of Combined Group or its Affiliates' Confidential Information to and/or use by anyone other than in Combined Group or its Affiliates' ordinary course of business would result in irreparable and continuing damage to Combined Group or its Affiliates. Accordingly, you agree to hold the Confidential Information in the strictest secrecy, and covenant that, during the term of your employment with Combined Group or its Affiliates (or any member of the Combined Group or its Affiliates) or at any time thereafter, you will not, without the prior written consent of the Board of Directors, directly or indirectly, allow any element of the Confidential Information to be disclosed, published or used, nor permit the Confidential Information to be discussed, published or used, either by himself or by any third parties, except in effecting your duties for Combined Group or its Affiliates in the ordinary course of business. You agree to keep all such records in connection with your employment as Combined Group or its Affiliates may direct, and all such records shall be the sole and absolute property of Combined Group or its Affiliates. You further agree that, within five (5) days of Combined Group or its Affiliates' request, you shall surrender to Combined Group or its Affiliates any and all documents, memoranda, books, papers, letters, price lists, notebooks, reports, logbooks, code books, salesmen records, customer lists, activity reports, video or audio recordings, computer programs and any and all other data and information and any and all copies thereof relating to Combined Group or its Affiliates' business or any Confidential Information.

Notwithstanding the foregoing, nothing in this Agreement prohibits you from voluntarily communicating, without notice to or approval by the Company, with any federal or state government agency about a potential violation of a federal or state law or regulation or to participate in investigations, testify in proceedings regarding the Company's or an Affiliate's past or future conduct, or engage in any activities protected under whistle blower statutes. Further, pursuant to the Defend Trade Secrets Act of 2016, you shall not be held criminally, or civilly, liable under any federal or state trade secret law for the disclosure of a trade secret that is made in confidence either directly or indirectly to a federal, state, or local government official, or an attorney, for the sole purpose of reporting, or investigating, a violation of law. Moreover, you may disclose trade secrets in a complaint, or other document, filed in a lawsuit, or other proceeding, if such filing is made under seal. Finally, if you file a lawsuit alleging retaliation by the Company or an Affiliate for reporting a suspected violation of the law, you may disclose the trade secret to your attorney and use the trade secret in the court proceeding, if you file any document

containing the trade secret under seal and do not disclose the trade secret, except pursuant to court order.

#### **10. Clawback / Forfeiture**

- (a) In the case of fraud, negligence, intentional or gross misconduct or other wrongdoing on your part (or any other event or circumstance set forth in any clawback policy implemented by the Company, including, without limitation, any clawback policy adopted to comply with the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules or regulations promulgated thereunder) that results in a material restatement of the Company's issued financial statements, you will (i) forfeit any unvested Special TBS RSUs and (ii) be required to reimburse the Company for all or a portion, as determined by the Committee in its sole discretion, of any income or gain realized on the settlement of the Special TBS RSUs or the subsequent sale of Shares acquired upon settlement of the Special TBS RSUs with respect to any fiscal year in which the Company's financial results are negatively impacted by such restatement. You agree to and shall be required to repay any such amount to the Company within 30 days after the Company demands repayment. In addition, if the Company is required by law to include an additional "clawback" or "forfeiture" provision to outstanding awards, under the Dodd-Frank Wall Street Reform and Consumer Protection Act or otherwise, then such clawback or forfeiture provision shall also apply to this Agreement as if it had been included on the Grant Date and the Company shall promptly notify you of such additional provision. In addition, if you have engaged or are engaged in Detrimental Activity after your employment or service with the Company or its Affiliates has ceased, then, within 30 days after written demand by the Company, you shall return any income or gain realized on the settlement of the Special TBS RSUs or the subsequent sale of Shares acquired upon settlement of the Special TBS RSUs.
- (b) For purposes of this Agreement, "Detrimental Activity" means any of the following: (i) unauthorized disclosure of any Confidential Information or proprietary information of the Combined Group, (ii) any activity that would be grounds to terminate a Participant's employment or service with the Combined Group for Cause, (iii) whether in writing or orally, maligning, denigrating or disparaging the Combined Group or their respective predecessors and successors, or any of the current or former directors, officers, employees, shareholders, partners, members, agents or representatives of any of the foregoing, with respect to any of their respective past or present activities, or otherwise publishing (whether in writing or orally) statements that tend to portray any of the aforementioned persons or entities in an unfavorable light, or (iv) the breach of any noncompetition, nonsolicitation or other agreement containing restrictive covenants, with the Combined Group. If you (or your legal representative, as applicable) fail to liquidate or transfer the Shares prior to the end of the applicable six month period, the Company is hereby authorized and directed by you to either, in the Company's discretion: (i) sell any such remaining Shares on your (or your legal representative's) behalf on the next trading date following the end of such period on which the Company is not prohibited from selling such Shares; or (ii) transfer such Shares to the Company's stock transfer agent for registration in your (or your legal representative's) name. The Company will not be responsible for any gain or loss or taxes incurred with respect to the Shares underlying the released Awards in connection with such liquidation or transfer.

**Compliance with Law.** By accepting the Award, you agree to comply with applicable Brazilian laws and to report and pay applicable Tax-Related Items associated with the settlement of the Award or the subsequent sale of the Shares acquired under the Plan.

**Nature of Grant.** This provision supplements the “Nature of Grant” section of the Agreement:

By accepting the Award, you agree that you are making an investment decision, the Shares will be issued to you only if the vesting conditions are met and any necessary services are rendered by you over the vesting period, and the value of the underlying Shares is not fixed and may increase or decrease in value over the vesting period without compensation to you.

### **NOTIFICATIONS**

**Exchange Control Information.** If you are resident or domiciled in Brazil, you will be required to submit an annual declaration of assets and rights held outside Brazil to the Central Bank of Brazil if the aggregate value of such assets and rights is equal to or greater than US\$100,000. Assets and rights that must be reported include Shares acquired under the Plan.

**Tax on Financial Transaction (IOF).** Cross-border financial transactions relating to the Award may be subject to the IOF (tax on financial transactions). You are solely responsible for complying with any applicable IOF arising from your participation in the Plan. You should consult with your personal tax advisor for additional details.

**Securities Laws.** The Awards and the Shares granted under the Plan have not been and will not be publicly issued, placed, distributed, offered or negotiated in the Brazilian capital markets and, as a result, will not be registered with the Brazilian Securities Commission (Comissão de Valores Mobiliários) (the CVM). Therefore, the Awards will not be offered or sold in Brazil, except in circumstances which do not constitute a public offering, placement, distribution or negotiation under the Brazilian capital markets regulations.

If you are employed and/or resident in Brazil, then by accepting your Award you agree and acknowledge that (i) neither your employer nor any person or entity acting on behalf of your employer has provided you with financial advice with respect to your award or the Shares acquired upon settlement of your Award; and (ii) your employer does not guarantee a specified level of return on your Award or the Shares.

## CANADA

### **TERMS AND CONDITIONS**

**Form of Settlement.** Notwithstanding any discretion contained in rule 9(g) of the Plan, the Award is payable in Shares only.

### **NOTIFICATIONS**

**Securities Law Information.** You are permitted to sell Shares acquired under the Plan through the designated broker appointed under the Plan, if any, provided the sale of the Shares takes place outside Canada through the facilities of a stock exchange on which the Shares are listed (*i.e.*, the London Stock Exchange).

In addition to any restrictions on resale and transfer noted in the plan documents, Shares acquired pursuant to the Plan will be subject to certain restrictions on resale imposed by Canadian provincial securities laws (in general, participants in the offering who are resident in Canada may not resell their Shares to Canadian purchasers). Accordingly, prospective participants are encouraged to seek legal advice prior to any resale of such shares.

By accepting this Award, you represent and warrant to the Company that your participation in the Plan is voluntary and that you have not been induced to participate by expectation of engagement, appointment, employment, continued engagement, continued appointment or continued employment, as applicable.

**Foreign Asset/Account Reporting Information.** You are required to report any specified foreign property (including Special TBS RSUs and Shares) on form T1135 (Foreign Income Verification Statement) if the total cost of the specified foreign property exceeds C\$100,000 at any time in the year. The form must be filed by April 30 of the following year. Special TBS RSUs must be reported – generally at a nil cost – if the C\$100,000 cost threshold is exceeded because of other specified foreign property you hold. When Shares are acquired, their cost generally is the adjusted cost base (**ACB**) of the Shares. The ACB would ordinarily equal the fair market value of the Shares at the time of acquisition, but if you own other shares, this ACB may have to be averaged with the ACB of the other shares. It is your responsibility to comply with applicable reporting obligations. You should consult with your personal legal advisor to ensure compliance with applicable reporting obligations.

## CHILE

**Foreign Asset Reporting.** If you are domiciled or resident in Chile, the acquisition of shares abroad for an amount higher than USD10,000 must be reported to the Central Bank of Chile (Banco Central de Chile) (Central Bank) in accordance with Chapter XII of the Compendium of Foreign Exchange Regulations (CNC) of the Central Bank. You must report the acquisition to the Central Bank as an investment carried out abroad through the disposal of funds held abroad, by filing a cover letter and Annex 1 of Chapter XII of the Manual of Procedures and Information Forms of the CNC. The filing must be made within the first ten days of the month following the month in which the shares were acquired. It is your responsibility to comply with applicable reporting obligations. You should consult with your personal legal advisor to ensure compliance with applicable reporting obligations.

## CHINA

### **TERMS AND CONDITIONS**

*The following terms and conditions will be applicable to you to the extent that the Company, in its sole discretion, determines that your participation in the Plan will be subject to exchange control restrictions in the People's Republic of China (PRC), as implemented by the PRC State Administration of Foreign Exchange (SAFE):*

**Vesting.** This provision supplements the "Restricted Period" section of the Agreement:

Notwithstanding anything to the contrary in the Agreement, the Award will not vest and no Shares will be issued to you unless and until all necessary exchange control or other approvals with respect to the Award under the Plan are obtained from SAFE or its local counterpart (**SAFE Approval**), as determined by the Company in its sole discretion. In the event that SAFE Approval has not been obtained, or the Company is unable to maintain its SAFE Approval, prior to any date(s) on which the Award is scheduled to vest in accordance with the Vesting Schedule set forth in Appendix A to the Agreement, the Award will not vest until the seventh day of the month following the month in which SAFE Approval is obtained or reinstated (the **Actual Vesting Date**). If your Employment terminates prior to the Actual Vesting Date, you shall not be entitled to vest in any portion of the Award and the Award shall be forfeited without any liability to the Company, the Employer or any member of the Combined Group and its Affiliates.

If or to the extent the Company is unable to obtain or maintain SAFE Approval, no Shares subject to the Special TBS RSUs for which SAFE Approval has not been obtained or maintained shall be issued. In this case, the Company retains the discretion to settle any Special TBS RSUs in cash paid through local payroll in an amount equal to the market value of the Shares subject to the Special TBS RSUs less any Tax-Related Items; provided, however, that in case the Company is able to obtain or reinstate its SAFE Approval with respect to any Special TBS RSUs, the cash payment for Special TBS RSUs not covered by the SAFE Approval shall not be made until the SAFE Approval has been obtained or reinstated.

**Settlement of Special TBS RSUs and Sale of Shares.** This provision supplements the "Release of Award" section of the Agreement:

Notwithstanding anything to the contrary in the Plan or the Agreement, to facilitate compliance with PRC exchange control restrictions you agree that any Shares acquired at settlement of the Award may be immediately sold at settlement or, at the Company's discretion, at a later time (including when you terminate your employment for any reason). If, however, the sale of the Shares is not permissible under the Company's insider trading policy, the Company retains the discretion to postpone the issuance of the Shares subject to the vested Award until such time that the sale is again permissible and to then immediately sell the Shares subject to the Award. You further agree that the Company is authorized to instruct its designated broker to assist with the mandatory sale of the Shares (on your behalf pursuant to this authorization), and you expressly authorize such broker to complete the sale of the Shares. You acknowledge that the Company's designated broker is under no obligation to arrange for the sale of Shares at any particular price. Upon the sale of the Shares, the Company agrees to pay the cash proceeds from the sale, less any brokerage fees or commissions, to you in accordance with applicable

exchange control laws and regulations and provided any liability for Tax-Related Items has been satisfied. Due to fluctuations in the share price and/or the United States Dollar exchange rate between the settlement date and (if later) the date on which the Shares are sold, the sale proceeds may be more or less than the market value of the Shares on the settlement date (which is the amount relevant to determining your tax liability). You understand and agree that the Company is not responsible for the amount of any loss you may incur and that the Company assumes no liability for any fluctuation in the share price and/or United States Dollar exchange rate.

You further agree that any Shares to be issued to you shall be deposited directly into an account with the Company's designated broker. The deposited Shares shall not be transferable (either electronically or in certificate form) from the brokerage account. This limitation shall apply both to transfers to different accounts with the same broker and to transfers to other brokerage firms. The limitation shall apply to all Shares issued to you under the Plan, whether or not you continue to be employed by the Company, the Combined Group or one of its Affiliates.

**Exchange Control Restrictions.** By accepting the Award, you understand and agree that you will be required to immediately repatriate to China the proceeds from the sale of any Shares acquired under the Plan or from any cash dividends paid or such Shares. You further understand that such repatriation of the proceeds may need to be effected through a special exchange control account established by the Company or any Affiliate, and you hereby consent and agree that the proceeds may be transferred to such account by the Company (or its designated broker) on your behalf prior to being delivered to you. You also acknowledge and understand that there may be a delay between the date the Shares are sold and the date the cash proceeds are distributed to you. You further agree to sign any agreements, forms and/or consents that may be reasonably requested by the Company (or the Company's designated broker) to effectuate such transfers.

The proceeds may be paid to you in United States Dollars or local currency, at the Company's discretion. If the proceeds are paid to you in United States Dollars, you understand that you will be required to set up a United States Dollar bank account in China so that the proceeds may be deposited into this account. If the proceeds are paid to you in local currency, (i) you acknowledge that the Company is under no obligation to secure any particular exchange conversion rate and that the Company may face delays in converting the proceeds to local currency due to exchange control restrictions, and (ii) you agree to bear any currency fluctuation risk between the time the Shares are sold or dividends are paid and the time the proceeds are converted to local currency and distributed to you. You agree to comply with any other requirements that may be imposed by the Company in the future in order to facilitate compliance with exchange control requirements in China.

### **NOTIFICATIONS**

**Exchange Control Information.** Cross-border payments in excess of €12,500 (including transactions made in connection with the sale of securities) must be reported monthly to the German Federal Bank (**Bundesbank**). If you make or receive a payment in excess of this amount, you must report the payment to Bundesbank electronically using the "General Statistics Reporting Portal" (**Allgemeines Meldeportal Statistik**) available via Bundesbank's website ([www.bundesbank.de](http://www.bundesbank.de)).

**Foreign Asset/Account Reporting Information.** If your acquisition of Shares under the Plan leads to a so-called qualified participation at any point during the calendar year, you will need to report the acquisition when you file your tax return for the relevant year. A qualified participation is attained if (i) the value of the Shares acquired exceeds EUR 150,000 or (ii) in the unlikely event you hold Shares exceeding 10% of the ordinary shares in the capital of the Company.

## **HONG KONG**

### **TERMS AND CONDITIONS**

**Sale Restriction.** Shares received at vesting are accepted as a personal investment. Without limitation to the “Taxation” section of this Agreement, if you are a U.K. tax resident, you will be liable for all Tax-Related Items and hereby covenant to pay all such Tax-Related Items as and when requested by the Company or any Affiliate or by Her Majesty’s Revenue and Customs (**HMRC**) (or any other tax authority or any other relevant authority). You also agree to indemnify and keep indemnified the Company and any Affiliate against any Tax-Related Items that they are required to pay or withhold or have paid or will pay on your behalf to HMRC (or any other tax authority or any other relevant authority). In this case, the income tax not collected or paid may constitute a benefit to you on which additional income tax and National Insurance contributions may be payable. You will be responsible for reporting and paying any income tax due on this additional benefit directly to HMRC under the self-assessment regime and for paying the Company or the Employer, as applicable, for the value of any employee National Insurance contributions due on this additional benefit, which the Company or the Employer may recover from you by any of the means referred to in this Agreement.
