Carnival and P&O Princess have tried, wherever possible, to identify such statements by using words such as "anticipate", "assume", "believe", "expect", "forecast", "future", "intend", "plan" and words of similar substance in connection with any discussion of future operating or financial performance. These forward-looking statements, including those which may impact the forecasting of Carnival's and/or P&O Princess' net revenue yields, booking levels, pricing, occupancy or business prospects, involve known and unknown risks, uncertainties and other factors, which may cause Carnival's and/or P&O Princess' actual results, performances or achievements to be materially different from any future results, performances or achievements expressed or implied by such forward-looking statements. Such factors include, among others, the following: general economic and business conditions which may impact levels of disposable income of consumers and the net revenue yields for Carnival's and/or P&O Princess' cruise products; consumer demand for cruises and other vacation options; other vacation industry competition; effects on consumer demand of armed conflicts, political instability, terrorism, adverse media publicity and the availability of air service; shifts in consumer booking patterns; increases in vacation industry capacity, including cruise capacity; continued availability of attractive port destinations; changes in tax laws and regulations; changes and disruptions in equity, financial and insurance markets; Carnival's and/or P&O Princess' financial and contractual counterparties' ability to perform; Carnival's and/or P&O Princess' ability to implement its brand strategy, Carnival's and/or P&O Princess' ability to implement its shipbuilding program and to continue to expand its business worldwide; Carnival's and/or P&O Princess' ability to attract and retain shipboard crew; changes in foreign currency and interest rates and increases in security, food, fuel, and insurance costs; delivery of new ships on schedule and at the contracted prices; weather patterns and natural disasters; unscheduled ship repairs and drydocking; incidents involving cruise ships; impact of pending or threatened litigation; Carnival's and/or P&O Princess' ability to successfully implement cost improvement plans; the continuing financial viability and/or consolidation of Carnival's and/or P&O Princess' travel agent distribution system; Carnival's and/or P&O Princess' ability to successfully integrate business acquisitions and changes in laws and regulations.

These risks may not be exhaustive. Carnival and P&O Princess operate in a continually changing business environment, and new risks emerge from time to time. Carnival cannot predict such risks nor can it assess the impact, if any, of such risks on its business or the extent to which any risk, or combination of risks may cause actual results to differ from those projected in any forward-looking statements.
