Indenture

On October 25, 2022, Carnival Holdings (Bermuda) Limited (the “Issuer”), a subsidiary of Carnival Corporation (the “Company”), closed its previously announced private offering of \$2.03 billion aggregate principal amount of 10.375% Senior Priority Notes due 2028 (the “Senior Priority Notes”). The Senior Priority Notes were issued pursuant to an indenture, dated as of October 25, 2022 (the “Indenture”), among the Issuer, the Company, Carnival plc, the subsidiary guarantors party thereto, and U.S. Bank Trust Company, National Association, as trustee. In connection with the offering of the Senior Priority Notes, the Company, Carnival plc and certain of their respective subsidiaries will contribute 12 unencumbered vessels with an aggregate net book value of approximately \$8.2 billion (as of September 30, 2022) (such vessels, together with any additional or substitute vessels contributed to the Issuer, the “Subject Vessels”) to the Issuer, with each of these Subject Vessels continuing to be operated under one of the Company’s, Carnival plc’s or one of their subsidiaries’ brands.

The Senior Priority Notes will pay interest semi-annually on May 1 and November 1 of each year, beginning on May 1, 2023, at a rate of 10.375% per year. The Senior Priority Notes will mature on May 1, 2028.

The Company expects to initially use the net proceeds of the offering to repay amounts drawn under the revolving credit facility, which remains available for future principal payments on debt and for general corporate purposes.

PJT Partners served as independent financial advisor to Carnival Corporation & plc.

The Senior Priority Notes are unsecured and are fully and unconditionally guaranteed on an unsecured basis, jointly and severally, by the Company, Carnival plc and certain of the Company’s and Carnival plc’s subsidiaries that guarantee substantially all of the Company’s indebtedness. In the future, each of the Company’s and Carnival plc’s subsidiaries (other than immaterial subsidiaries) that guarantees certain other indebtedness of the Issuer, the Company, Carnival plc or any other guarantor, including, in each case, indebtedness in an aggregate principal amount in excess of \$300 million, will be required to guarantee the Senior Priority Notes.

On or after May 1, 2025, the Issuer may redeem the Senior Priority Notes at its option, in whole at any time or in part from time to time, upon giving not less than 10 nor more than 60 days’ notice, at the redemption prices set forth in the Indenture. Prior to May 1, 2025, the Issuer may redeem the Senior Priority Notes at its option, in whole at any time or in part from time to time, upon giving not less than 10 nor more than 60 days’ notice, at a redemption price equal to 100% of the principal amount of the Senior Priority Notes redeemed, plus a “make-whole” premium and accrued and unpaid interest. Notwithstanding the foregoing, at any time and from time to time prior to May 1, 2025, the Issuer may redeem up to 40% of the original aggregate principal amount of the Senior Priority Notes (calculated after giving effect to any issuance of additional notes) using the net cash proceeds of one or more equity offerings at a redemption price equal to 110.375%, plus accrued and unpaid interest, so long as at least 50% of the original aggregate principal amount of the Senior Priority Notes (calculated after giving effect to any issuance of additional notes) remains outstanding after each such redemption. The Issuer may also redeem the Senior Priority Notes, in whole but not in part, at any time, upon giving not less than 10 nor more than 60 days’ prior written notice to the holders of the Senior Priority Notes, at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to, but not including, the redemption date, if the Issuer or any guarantor would have to pay any additional amounts on the Senior Priority Notes due to a change in tax laws, regulations or rulings or a change in the official application, administration or interpretation of such laws, regulations or rulings, which in each case is announced and becomes effective after October 18, 2022.

The Indenture contains covenants that limit the ability of the Company, Carnival plc and their restricted subsidiaries, including the Issuer, to, among other things: (i) incur additional indebtedness or issue certain preferred shares; (ii) make dividend payments on or make other distributions in respect of their capital stock or make other restricted payments; (iii) make certain investments; (iv) sell certain assets; (v) create liens on assets; (vi) consolidate, merge, sell or otherwise dispose of all or substantially all of their or the Issuer’s assets; and (vii) enter into certain transactions with their affiliates.

The Indenture also contains covenants specific to the Issuer that (i) require the Issuer, the Company or Carnival plc to offer to repurchase an aggregate principal amount of the Senior Priority Notes equaling up to 100% of the net cash proceeds received from an event of loss or asset sale with respect to any Subject Vessel, subject to certain exceptions; (ii) limit the Issuer's ability to incur pari unsecured debt or pari subordinated debt unless certain loan-to-value tests are satisfied (subject to limited exceptions for refinancing indebtedness) or (iii) guarantee any indebtedness of the Company, Carnival plc or any restricted subsidiary thereof. In addition, the Indenture requires that, prior to the date that all of the Subject Vessels are contributed to the Issuer, the Issuer will retain, solely for its own account, the net proceeds from the issuance of the Senior Priority Notes in the form of cash or cash equivalents; provided that the Issuer may transfer such net proceeds to the Company or any other restricted subsidiary in an amount up to 25% of the aggregate net book value of the Subject Vessels that have been contributed to the Issuer if the Issuer has received Subject Vessels equaling at least 75% of the aggregate net book value of the 12 Subject Vessels. The Indenture permits the contribution or transfer to the Issuer of additional Subject Vessels, including for the purpose of satisfying certain loan-to-value ratio tests, and the Indenture permits the contribution or transfer to the Issuer of substitution Subject Vessels in lieu of one or more of the twelve Subject Vessels, provided that any such substitution Subject Vessel has a net book value, as of the date of the Indenture (or, in the case of any substitution Subject Vessel not owned by the Company, Carnival plc or any of their restricted subsidiaries as of the date of the Indenture, as of the date of acquisition of such Subject Vessel), that is no less than the net book value of the vessel or vessels they are substituted for.

These covenants are subject to a number of important limitations and exceptions. Many of the covenants contained in the Indenture will "fall away" permanently and will no longer apply if, on any date following October 25, 2022, the Senior Priority Notes have investment grade ratings from at least two of Standard & Poor's Financial Services LLC, Moody's Investors Service, Inc. and Fitch Ratings Inc. so long as no default has occurred and is continuing at such time. Additionally, upon the occurrence of specified change of control triggering events, the Issuer shall offer to repurchase the Senior Priority Notes at 101% of the principal amount, plus accrued and unpaid interest, if any, to, but not including, the purchase date.

The Indenture sets forth certain events of default after which the Senior Priority Notes may be declared immediately due and payable. No sinking fund is provided for the Senior Priority Notes.

The Senior Priority Notes were offered only to persons reasonably believed to be qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and outside the United States, only to non-U.S. investors in reliance on Regulation S under the Securities Act. The Senior Priority Notes were not, and will not be, registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state laws.

The description of the Indenture and the Senior Priority Notes above is qualified in its entirety by reference to the text of the Indenture and the form of Senior Priority Note attached thereto, which is attached hereto as Exhibit 10.1 and incorporated by reference herein.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information required by Item 2.03 relating to the Senior Unsecured Notes and the Indenture is contained in Item 1.01 of this Current Report on Form 8-K and is incorporated herein by reference.

Item 8.01 Other Events.

On October 25, 2022, Carnival Corporation and Carnival plc issued a press release announcing the closing of the Senior Priority Notes offering. A copy of the press release announcing the closing of the Senior Priority Notes offering is furnished as Exhibit 99.1 hereto and incorporated by reference herein.

Cautionary Note Concerning Factors That May Affect Future Results

Carnival Corporation and Carnival plc and their respective subsidiaries are referred to collectively in this current report as “Carnival Corporation & plc,” “our,” “us” and “we.” Some of the statements, estimates or projections contained in this current report are “forward-looking statements” that involve risks, uncertainties and assumptions with respect to us, including some statements concerning the financing transactions described herein, future results, operations, outlooks, plans, goals, reputation, cash flows, liquidity and other events which have not yet occurred. These statements are intended to qualify for the safe harbors from liability provided by Section 27A of the Securities Act and Section 21E of the Securities Exchange Act of 1934, as amended. All statements other than statements of historical facts are statements that could be deemed forward-looking. These statements are based on current expectations, estimates, forecasts and projections about our business and the industry in which we operate and the beliefs and assumptions of our management. We have tried, whenever possible, to identify these statements by using words like “will,” “may,” “could,” “should,” “would,” “believe,” “depends,” “expect,” “goal,” “aspiration,” “anticipate,” “forecast,” “project,” “future,” “intend,” “plan,” “estimate,” “target,” “indicate,” “outlook,” and similar expressions of future intent or the negative of such terms.

Forward-looking statements include those statements that relate to our outlook and financial position including, but not limited to, statements regarding:

- Pricing
- Booking levels
- Occupancy
- Interest, tax and fuel expenses
- Currency exchange rates
- Estimates of ship depreciable lives and residual values
- Goodwill, ship and trademark fair values
- Liquidity and credit ratings
- Adjusted earnings per share
- Return to guest cruise operations
- Impact of the COVID-19 coronavirus global pandemic on our financial condition and results of operations

Because forward-looking statements involve risks and uncertainties, there are many factors that could cause our actual results, performance or achievements to differ materially from those expressed or implied by our forward-looking statements. This note contains important cautionary statements of the known factors that we consider could materially affect the accuracy of our forward-looking statements and adversely affect our business, results of operations and financial position. Additionally, many of these risks and uncertainties are currently, and in the future may continue to be, amplified by COVID-19. It is not possible to predict or identify all such risks. There may be additional risks that we consider immaterial or which are unknown. These factors include, but are not limited to, the following:

- COVID-19 has had, and is expected to continue to have, a significant impact on our financial condition and operations. The current, and uncertain future, impact of COVID-19, including its effect on the ability or desire of people to travel (including on cruises), is expected to continue to impact our results, operations, outlooks, plans, goals, reputation, litigation, cash flows, liquidity, and stock price;
 - events and conditions around the world, including war and other military actions, such as the current invasion of Ukraine, inflation, higher fuel prices, higher interest rates and other general concerns impacting the ability or desire of people to travel have led and may in the future lead, to a decline in demand for cruises, impacting our operating costs and profitability;
 - incidents concerning our ships, guests or the cruise industry have in the past and may, in the future, impact the satisfaction of our guests and crew and lead to reputational damage;
 - changes in and non-compliance with laws and regulations under which we operate, such as those relating to health, environment, safety and security, data privacy and protection, anti-corruption, economic sanctions, trade protection and tax have in the past and may, in the future, lead to litigation, enforcement actions, fines, penalties and reputational damage;
-

- factors associated with climate change, including evolving and increasing regulations, increasing global concern about climate change and the shift in climate conscious consumerism and stakeholder scrutiny, and increasing frequency and/or severity of adverse weather conditions could adversely affect our business;
- inability to meet or achieve our sustainability related goals, aspirations, initiatives, and our public statements and disclosures regarding them, may expose us to risks that may adversely impact our business;
- breaches in data security and lapses in data privacy as well as disruptions and other damages to our principal offices, information technology operations and system networks and failure to keep pace with developments in technology may adversely impact our business operations, the satisfaction of our guests and crew and may lead to reputational damage;
- the loss of key employees, our inability to recruit or retain qualified shoreside and shipboard employees and increased labor costs could have an adverse effect on our business and results of operations;
- increases in fuel prices, changes in the types of fuel consumed and availability of fuel supply may adversely impact our scheduled itineraries and costs;
- we rely on supply chain vendors who are integral to the operations of our businesses. These vendors and service providers are also affected by COVID-19 and may be unable to deliver on their commitments which could impact our business;
- fluctuations in foreign currency exchange rates may adversely impact our financial results;
- overcapacity and competition in the cruise and land-based vacation industry may lead to a decline in our cruise sales, pricing and destination options;
- inability to implement our shipbuilding programs and ship repairs, maintenance and refurbishments may adversely impact our business operations and the satisfaction of our guests; and
- the risk factors included in Carnival Corporation's and Carnival plc's Annual Report on Form 10-K filed with the SEC on January 27, 2022 and Carnival Corporation's and Carnival plc's Quarterly Reports on Form 10-Q filed with the SEC on March 28, 2022, June 29, 2022 and September 30, 2022.

The ordering of the risk factors set forth above is not intended to reflect our indication of priority or likelihood.

Forward-looking statements should not be relied upon as a prediction of actual results. Subject to any continuing obligations under applicable law or any relevant stock exchange rules, we expressly disclaim any obligation to disseminate, after the date of this report, any updates or revisions to any such forward-looking statements to reflect any change in expectations or events, conditions or circumstances on which any such statements are based. Forward-looking and other statements in this report may also address our sustainability progress, plans and goals (including climate change and environmental-related matters). In addition, historical, current and forward-looking sustainability-related statements may be based on standards for measuring progress that are still developing, internal controls and processes that continue to evolve, and assumptions that are subject to change in the future.

“Fixed Charge Calculation Date” has the meaning assigned to such term in the definition of “Fixed Charge Coverage Ratio.”

“Fixed Charge Coverage Ratio” means, with respect to any Person for any period, the ratio of Consolidated EBITDA of such Person for such period to the Fixed Charges of such Person for such period. In the event that the Company or any of its Restricted Subsidiaries incurs, repays, repurchases or redeems any Indebtedness or issues, repurchases or redeems Disqualified Stock or preferred stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated but prior to the event for which the calculation of the Fixed Charge Coverage Ratio is made (the “Fixed Charge Calculation Date”), then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect to such incurrence, repayment, repurchase or redemption of Indebtedness, or such issuance, repurchase or redemption of Disqualified Stock or preferred stock, as if the same had occurred at the beginning of the applicable four-quarter period; *provided, however*, that the *pro forma* calculation of Fixed Charges shall not give effect to (i) any Permitted Debt incurred on the Fixed Charge Calculation Date or (ii) the discharge on the Fixed Charge Calculation Date of any Indebtedness to the extent that such discharge results from the proceeds of Permitted Debt.

In addition, for purposes of calculating the Fixed Charge Coverage Ratio, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP) and any operational changes, business realignment projects or initiatives, restructurings or reorganizations that the Company or any Restricted Subsidiary has determined to make and/or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Fixed Charge Calculation Date (each, for purposes of this definition, a “*pro forma* event”) shall be calculated on a *pro forma* basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes, business realignment projects or initiatives, restructurings or reorganizations (and the change of any associated fixed charge obligations and the change in Consolidated EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Company or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, amalgamation, discontinued operation, operational change, business realignment project or initiative, restructuring or reorganization that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such Investment, acquisition, disposition, discontinued operation, merger, amalgamation, consolidation, operational change, business realignment project or initiative, restructuring or reorganization had occurred at the beginning of the applicable four-quarter period. If since the beginning of such period any Restricted Subsidiary is designated an Unrestricted Subsidiary or any Unrestricted Subsidiary is designated a Restricted Subsidiary, then the Fixed Charge Coverage Ratio shall be calculated

giving *pro forma* effect thereto for such period as if such designation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever *pro forma* effect is to be given to any *pro forma* event, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Company. Any such *pro forma* calculation may include adjustments appropriate, in the reasonable good faith determination of Carnival Corp. as set forth in an Officer's Certificate, to reflect operating expense reductions and other operating improvements, synergies or cost savings reasonably expected to result from the applicable event. Any calculation of the Fixed Charge Coverage Ratio may be made, at the option of Carnival Corp., either (i) at the time the Board of Directors of Carnival Corp. approves the action necessitating the calculation of the Fixed Charge Coverage Ratio or (ii) at the completion of such action necessitating the calculation of the Fixed Charge Coverage Ratio.

If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Fixed Charge Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months). Interest on a Capital Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of Carnival Corp. to be the rate of interest implicit in such Capital Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a *pro forma* basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as Carnival Corp. may designate.

For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating Consolidated EBITDA for the applicable period.

Notwithstanding any of the foregoing, Fixed Charges shall not include (i) any payments on any operating leases, (ii) any non-cash interest expense resulting from the application of Accounting Standards Codification Topic 470-20, “Debt — Debt with Conversion Options — Recognition” or (iii) the interest component of all payments associated with Capital Lease Obligations.

The Notes may have notations, legends or endorsements required by law, the rules of any securities exchange agreements to which the Issuer is subject, if any, or usage; *provided* that any such notation, legend or endorsement is in form reasonably acceptable to the Issuer. The Issuer shall approve the form of the Notes. Each Note shall be dated the date of its authentication. The terms and provisions contained in the form of the Notes shall constitute and are hereby expressly made a part of this Indenture. The Notes shall be issued only in registered form without coupons and only in minimum denominations of \$2,000 in principal amount and any integral multiples of \$1,000 in excess thereof.

(b) Global Notes. Notes offered and sold to QIBs in reliance on Rule 144A shall be issued initially in the form of one or more Global Notes substantially in the form of Exhibit A attached hereto, with such applicable legends as are provided in Exhibit A attached hereto, except as otherwise permitted herein (each, a “Restricted Global Note”), which shall be deposited on behalf of the purchasers of the Notes represented thereby with a custodian for DTC, and registered in the name of DTC or its nominee, duly executed by the Issuer and authenticated by the Trustee (or its authenticating agent in accordance with Section 2.02) as hereinafter provided.

The aggregate principal amount of each Restricted Global Note may from time to time be increased or decreased by adjustments made by the Registrar on Schedule A to such Restricted Global Note and recorded in the Security Register, as hereinafter provided.

Notes offered and sold in reliance on Regulation S shall be issued initially in the form of one or more Global Notes substantially in the form of Exhibit A attached hereto, with such applicable legends as are provided in Exhibit A attached hereto, except as otherwise permitted herein (each, a "Regulation S Global Note"), which shall be deposited on behalf of the purchasers of the Notes represented thereby with a custodian for DTC, and registered in the name of DTC or its nominee, duly executed by the Issuer and authenticated by the Trustee (or its authenticating agent in accordance with Section 2.02) as hereinafter provided. The aggregate principal amount of each Regulation S Global Note may from time to time be increased or decreased by adjustments made by the Registrar on Schedule A to such Regulation S Global Note and recorded in the Security Register, as hereinafter provided.

(c) Book-Entry Provisions. This Section 2.01(c) shall apply to the Regulation S Global Notes and the Restricted Global Notes (together, the "Global Notes") deposited with or on behalf of DTC.

Members of, or participants and account holders in, DTC (including Euroclear and Clearstream) ("Participants") shall have no rights under this Indenture with respect to any Global Note held on their behalf by DTC or by the Trustee or any custodian of DTC or under such Global Note, and DTC or its nominees may be treated by the Issuer, a Guarantor, the Trustee and any agent of the Issuer, a Guarantor or the Trustee as the sole owner of such Global Note (as applicable) for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, a Guarantor, the Trustee or any agent of the Issuer, a Guarantor or the Trustee from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC, on the one hand, and the Participants, on the other, the operation of customary practices of such persons governing the exercise of the rights of a Holder of a beneficial interest in any Global Note.

Subject to the provisions of Section 2.10(b), the registered Holder of a Global Note may grant proxies and otherwise authorize any Person, including Participants and Persons that may hold interests through Participants, to take any action that a Holder is entitled to take under this Indenture or the Notes.

Except as provided in Section 2.10, owners of a beneficial interest in Global Notes will not be entitled to receive physical delivery of Definitive Registered Notes.

SECTION 2.02 Execution and Authentication. An authorized member of the Issuer's Board of Directors or an executive officer of the Issuer shall sign the Notes on behalf of the Issuer by manual, electronic or facsimile signature.

If an authorized member of the Issuer's Board of Directors or an executive officer whose signature is on a Note no longer holds that office at the time the Trustee (or its authenticating agent) authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid or obligatory for any purpose until an authorized signatory of the Trustee (or its authenticating agent) manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Issuer shall execute and, upon receipt of an Issuer Order, the Trustee shall authenticate (whether itself or via the authenticating agent) (a) Original Notes, on the date hereof, for original issue up to an aggregate principal amount of \$2,030,000,000 and (b) Additional Notes, from time to time, subject to compliance at the time of issuance of such Additional Notes with the provisions of Section 4.06. The Issuer is permitted to issue Additional Notes as part of a further issue under this Indenture, from time to time; *provided* that any Additional Notes may not have the same CUSIP number and/or ISIN (or be represented by the same Global Note or Global Notes) as the Notes unless the Additional Notes are fungible with the Notes for U.S. federal income tax purposes. The Issuer will issue Notes in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The Trustee may appoint an authenticating agent reasonably acceptable to the Issuer to authenticate the Notes. Unless limited by the terms of such appointment, any such authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by any such agent. An authenticating agent has the same rights as any Registrar, co-Registrar, Transfer Agent or Paying Agent to deal with the Issuer or an Affiliate of the Issuer.

The Trustee shall have the right to decline to authenticate and deliver any Notes under this Section 2.02 if the Trustee, being advised by counsel, determines that such action may not lawfully be taken or if the Trustee in good faith shall determine that such action would expose the Trustee to personal liability to existing Holders.

SECTION 2.03 Registrar, Transfer Agent and Paying Agent. The Issuer shall maintain an office or agency for the registration of the Notes and of their transfer or exchange (the "Registrar"), an offices or agency where Notes may be transferred or exchanged (the "Transfer Agent"), an office or agency where the Notes may be presented for payment (the "Paying Agent" and references to the Paying Agent shall include the Principal Paying Agent) and an office or agency where notices or demands to or upon the Issuer in respect of the Notes may be served. The Issuer may appoint one or more Transfer Agents, one or more co-Registrars and one or more additional Paying Agents.

The Issuer or any of its Affiliates may act as Transfer Agent, Registrar, co-Registrar, Paying Agent and agent for service of notices and demands in connection with the Notes; *provided* that neither the Issuer nor any of its Affiliates shall act as Paying Agent for the purposes of Articles Three and Eight and Sections 4.09 and 4.11.

The Issuer hereby appoints (i) U.S. Bank Trust Company, National Association, located at 60 Livingston Avenue, St. Paul, MN 55107 as Principal Paying Agent (the "Principal Paying Agent"), (ii) U.S. Bank Trust Company, National Association, located at 60 Livingston Avenue, St. Paul, MN 55107, as Registrar, and (iii) U.S. Bank Trust Company, National Association, located at 60 Livingston Avenue, St. Paul, MN 55107, as Transfer Agent. Each hereby accepts

such appointments. The Transfer Agent, Principal Paying Agent and Registrar and any authenticating agent are collectively referred to in this Indenture as the “Agents.” The roles, duties and functions of the Agents are of a mechanical nature and each Agent shall only perform those acts and duties as specifically set out in this Indenture and no other acts, covenants, obligations or duties shall be implied or read into this Indenture against any of the Agents. For the avoidance of doubt, a Paying Agent’s obligation to disburse any funds shall be subject to prior receipt by it of those funds to be disbursed.

Subject to any applicable laws and regulations, the Issuer shall cause the Registrar to keep a register (the “Security Register”) at its corporate trust office in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of ownership, exchange, and transfer of the Notes. Such registration in the Security Register shall be conclusive evidence of the ownership of Notes. Included in the books and records for the Notes shall be notations as to whether such Notes have been paid, exchanged or transferred, canceled, lost, stolen, mutilated or destroyed and whether such Notes have been replaced. In the case of the replacement of any of the Notes, the Registrar shall keep a record of the Note so replaced and the Note issued in replacement thereof. In the case of the cancellation of any of the Notes, the Registrar shall keep a record of the Note so canceled and the date on which such Note was canceled.

The Issuer shall enter into an appropriate agency agreement with any Paying Agent or co-Registrar not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of any such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee may appoint a suitably qualified and reputable party to act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.05.

SECTION 2.04 Paying Agent to Hold Money. Not later than 12:00 p.m. (New York, New York time), one Business Day prior to each due date of the principal, premium, if any, and interest on any Notes, the Issuer shall deposit with the Principal Paying Agent (and, if applicable, any other Paying Agent) money in immediately available funds in U.S. dollars sufficient to pay such principal, premium, if any, and interest so becoming due on the due date for payment under the Notes. The Issuer shall procure payment confirmation on or prior to the third Business Day preceding payment. The Principal Paying Agent (and, if applicable, each other Paying Agent) shall remit such payment in a timely manner to the Holders on the relevant due date for payment, it being acknowledged by each Holder that if the Issuer deposits such money with the Principal Paying Agent (and, if applicable, any other Paying Agent) after the time specified in the immediately preceding sentence, the Principal Paying Agent (and, if applicable, any other Paying Agent) shall remit such money to the Holders on the relevant due date for payment, unless such remittance is impracticable having regard to applicable banking procedures and timing constraints, in which case the Principal Paying Agent (and, if applicable, any other Paying Agent) shall remit such money to the Holders on the next Business Day, but without liability for any interest resulting from such late payment. For the avoidance of doubt, the Principal Paying Agent (and, if applicable, any other Paying Agent) shall only be obliged to remit money to Holders if it has actually received such money from the Issuer in clear funds. The Principal Paying Agent shall promptly notify the Trustee of any default by the Issuer (or any other obligor on the Notes) in making any payment. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed, and the Trustee may at any time during the continuance of any

payment default, upon written request to a Paying Agent, require such Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed. Upon doing so, the Paying Agent shall have no further liability for the money so paid over to the Trustee. If the Issuer or any Affiliate of the Issuer acts as Paying Agent, it shall, on or before each due date of any principal, premium, if any, or interest on the Notes, segregate and hold in a separate trust fund for the benefit of the Holders a sum of money sufficient to pay such principal, premium, if any, or interest so becoming due until such sum of money shall be paid to such Holders or otherwise disposed of as provided in this Indenture, and shall promptly notify the Trustee of its action or failure to act.

The Trustee may, if the Issuer has notified it in writing that the Issuer intends to effect a defeasance or to satisfy and discharge this Indenture in accordance with the provisions of Article Eight, notify the Paying Agent in writing of this fact and require the Paying Agent (until notified by the Trustee to the contrary) to act thereafter as Paying Agent of the Trustee and not the Issuer in relation to any amounts deposited with it in accordance with the provisions of Article Eight.

SECTION 2.05 Holder Lists. The Registrar shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee, in writing no later than the Record Date for each Interest Payment Date and at such other times as the Trustee may request in writing, a list, in such form and as of such Record Date as the Trustee may reasonably require, of the names and addresses of Holders, including the aggregate principal amount of Notes held by each Holder.

SECTION 2.06 Transfer and Exchange.

(a) Where Notes are presented to the Registrar or a co-Registrar with a request to register a transfer or to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall register the transfer or make the exchange in accordance with the requirements of this Section 2.06. To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee (or the authenticating agent) shall, upon receipt of an Issuer Order, authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any authorized denominations and of a like aggregate principal amount, at the Registrar's request; *provided* that no Note of less than \$2,000 may be transferred or exchanged. No service charge shall be made for any registration of transfer or exchange of Notes (except as otherwise expressly permitted herein), but the Issuer may require payment of a sum sufficient to cover any agency fee or similar charge payable in connection with any such registration of transfer or exchange of Notes (other than any agency fee or similar charge payable in connection with any redemption of the Notes or upon exchanges pursuant to Sections 2.10, 3.07 or 9.04) or in accordance with an Asset Sale Offer pursuant to Section 4.09 or Change of Control Offer pursuant to Section 4.11 not involving a transfer.

Upon presentation for exchange or transfer of any Note as permitted by the terms of this Indenture and by any legend appearing on such Note, such Note shall be exchanged or transferred upon the Security Register and one or more new Notes shall be authenticated and issued in the name of the relevant Holder (in the case of exchanges only) or the transferee, as the case may be. No exchange or transfer of a Note shall be effective under this Indenture unless and until such Note has been registered in the name of such Person in the relevant Security Register.

Furthermore, the exchange or transfer of any Note shall not be effective under this Indenture unless the request for such exchange or transfer is made by the relevant Holder or by a duly authorized attorney-in-fact at the office of the Registrar.

Every Note presented or surrendered for registration of transfer or for exchange shall (if so required by the Issuer or the Registrar) be duly endorsed, or be accompanied by a written instrument of transfer, in form satisfactory to the Issuer and the Registrar, duly executed by the relevant Holder thereof or his attorney duly authorized in writing.

All Notes issued upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer evidencing the same indebtedness, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such registration of transfer or exchange.

Neither the Issuer nor the Trustee, Registrar or any Paying Agent shall be required (i) to issue, register the transfer of, or exchange any Note during a period beginning at the opening of 15 days before the day of the delivery of a notice of redemption of Notes selected for redemption under Section 3.03 and ending at the close of business on the day of such delivery, or (ii) to register the transfer of or exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(b) Notwithstanding any provision to the contrary herein, so long as a Global Note remains outstanding and is held by or on behalf of DTC, transfers of a Global Note, in whole or in part, or of any beneficial interest therein, shall only be made in accordance with Section 2.01(c), Section 2.06(a) and this Section 2.06(b); *provided* that a beneficial interest in a Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Global Note in accordance with the transfer restrictions set forth in the restricted Note legend on the Note, if any.

(i) Except for transfers or exchanges made in accordance with either of clauses (ii) or (iii) of this Section 2.06(b), transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to nominees or custodians of DTC or to a successor of DTC or such successor's nominee or custodian.

(ii) Restricted Global Note to Regulation S Global Note. If the holder of a beneficial interest in the Restricted Global Note at any time wishes to exchange its interest in such Restricted Global Note for an interest in the Regulation S Global Note, or to transfer its interest in such Restricted Global Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in the Regulation S Global Note, such transfer or exchange may be effected, only in accordance with this clause (ii) and the rules and procedures of DTC, in each case to the extent applicable (the "Applicable Procedures"). Upon receipt by the Registrar from the Transfer Agent of (A) written instructions directing the Registrar to credit or cause to be credited an interest in the Regulation S Global Note in a specified principal amount and to cause to be debited an interest in the Restricted Global Note in such specified principal amount, and (B) a certificate in the form of Exhibit B attached hereto given by the holder of such beneficial interest stating that the transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Notes and (x) pursuant to and in accordance with Regulation S or (y) that the interest

in the Restricted Global Note being transferred is being transferred in a transaction permitted by Rule 144, then the Registrar shall reduce or cause to be reduced the principal amount of the Restricted Global Note and shall cause DTC to increase or cause to be increased the principal amount of the Regulation S Global Note by the aggregate principal amount of the interest in the Restricted Global Note to be exchanged or transferred.

(iii) Regulation S Global Note to Restricted Global Note. If the holder of a beneficial interest in the Regulation S Global Note at any time wishes to transfer such interest to a Person who wishes to take delivery thereof in the form of a beneficial interest in the Restricted Global Note, such transfer may be effected only in accordance with this clause (iii) and the Applicable Procedures. Upon receipt by the Registrar from the Transfer Agent of (A) written instructions directing the Registrar to credit or cause to be credited an interest in the Restricted Global Note in a specified principal amount and to cause to be debited an interest in the Regulation S Global Note in such specified principal amount, and (B) a certificate in the form of Exhibit C attached hereto given by the holder of such beneficial interest stating that the transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Notes and stating that (x) the Person transferring such interest reasonably believes that the Person acquiring such interest is a QIB and is obtaining such interest in a transaction meeting the requirements of Rule 144A and any applicable securities laws of any state of the United States or (y) that the Person transferring such interest is relying on an exemption other than Rule 144A from the registration requirements of the U.S. Securities Act and, in such circumstances, such Opinion of Counsel as the Issuer or the Trustee may reasonably request to ensure that the requested transfer or exchange is being made pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act, then the Registrar shall reduce or cause to be reduced the principal amount of the Regulation S Global Note and to increase or cause to be increased the principal amount of the Restricted Global Note by the aggregate principal amount of the interest in such Regulation S Global Note to be exchanged or transferred.

(c) If Notes are issued upon the transfer, exchange or replacement of Notes bearing the restricted Notes legends set forth in Exhibit A attached hereto, the Notes so issued shall bear the restricted Notes legends, and a request to remove such restricted Notes legends from Notes shall not be honored unless there is delivered to the Issuer such satisfactory evidence, which may include an Opinion of Counsel licensed to practice law in the State of New York, as may be reasonably required by the Issuer, that neither the legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A or Rule 144 under the U.S. Securities Act. Upon provision of such satisfactory evidence, the Trustee, at the direction of the Issuer, shall (or shall direct the authenticating agent to) authenticate and deliver Notes that do not bear the legend.

(d) The Trustee and the Agents shall have no responsibility for any actions taken or not taken by DTC, Euroclear or Clearstream, as the case may be.

(e) Notwithstanding anything to the contrary in this Section 2.06, the Issuer is not required to register the transfer of any Definitive Registered Notes:

- (i) for a period of 15 days prior to any date fixed for the redemption of the Notes;
- (ii) for a period of 15 days immediately prior to the date fixed for selection of Notes to be redeemed in part;
- (iii) for a period of 15 days prior to the Record Date with respect to any Interest Payment Date; and
- (iv) which the Holder has tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Sale Offer.

SECTION 2.07 Replacement Notes. If a mutilated Definitive Registered Note is surrendered to the Registrar or if the Holder claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall (or shall direct the authenticating agent to), upon receipt of an Issuer Order, authenticate a replacement Note in such form as the Note mutilated, lost, destroyed or wrongfully taken if the Holder satisfies any other reasonable requirements of the Issuer and any requirement of the Trustee. If required by the Trustee or the Issuer, such Holder shall furnish an indemnity bond sufficient in the judgment of the Issuer and the Trustee to protect the Issuer, the Trustee, the Paying Agent, the Transfer Agent, the Registrar and any co-Registrar, and any authenticating agent, from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Note.

In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note shall be an additional obligation of the Issuer.

The provisions of this Section 2.07 are exclusive and will preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or wrongfully taken Notes.

SECTION 2.08 Outstanding Notes. Notes outstanding at any time are all Notes authenticated by or on behalf of the Trustee except for those cancelled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Subject to Section 2.09, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the Note that has been replaced is held by a bona fide purchaser.

If the Paying Agent holds, in accordance with this Indenture, on a Redemption Date or maturity date money sufficient to pay all principal, interest and Additional Amounts, if any, payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such money to the Holders

on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.09 Notes Held by Issuer. In determining whether the Holders of the required principal amount of Notes have concurred in any direction or consent or any amendment, modification or other change to this Indenture, Notes owned by the Issuer, by any Guarantor or by any Affiliate thereof shall be disregarded and treated as if they were not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent or any amendment, modification or other change to this Indenture, only Notes which a Trust Officer of the Trustee actually knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to the Notes and that the pledgee is not the Issuer or any of its Affiliates.

SECTION 2.10 Definitive Registered Notes.

(a) A Global Note deposited with a custodian for DTC pursuant to Section 2.01 shall be transferred in whole to the Beneficial Owners thereof in the form of Definitive Registered Notes only if such transfer complies with Section 2.06 and (i) DTC notifies the Issuer that it is unwilling or unable to continue to act as depository for such Global Note or DTC ceases to be registered as a clearing agency under the U.S. Exchange Act, and in each case a successor depository is not appointed by the Issuer within 120 days of such notice, (ii) the Issuer, at its option, executes and delivers to the Trustee an Officer's Certificate stating that such Global Note shall be so exchangeable or (iii) the owner of a Book-Entry Interest requests such an exchange in writing delivered through DTC following an Event of Default under this Indenture. Notice of any such transfer shall be given by the Issuer in accordance with the provisions of Section 12.01(a).

(b) Any Global Note that is transferable to the Beneficial Owners thereof in the form of Definitive Registered Notes pursuant to this Section 2.10 shall be surrendered by the custodian for DTC, to the Transfer Agent, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall itself or via the authenticating agent authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount at maturity of Notes of authorized denominations in the form of Definitive Registered Notes. Any portion of a Global Note transferred or exchanged pursuant to this Section 2.10 shall be executed, authenticated and delivered only in registered form in minimum denominations of \$2,000 and any integral multiples of \$1,000 in excess thereof and registered in such names as DTC may direct. Subject to the foregoing, a Global Note is not exchangeable except for a Global Note of like denomination to be registered in the name of DTC or its nominee. In the event that a Global Note becomes exchangeable for Definitive Registered Notes, payment of principal, premium, if any, and interest on the Definitive Registered Notes will be payable, and the transfer of the Definitive Registered Notes will be registrable, at the office or agency of the Issuer maintained for such purposes in accordance with Section 2.03. Such Definitive Registered Notes shall bear the applicable legends set forth in Exhibit A attached hereto.

(c) In the event of the occurrence of any of the events specified in Section 2.10(a), the Issuer shall promptly make available to the Trustee and the authenticating agent a

reasonable supply of Definitive Registered Notes in definitive, fully registered form without interest coupons.

SECTION 2.11 Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee, in accordance with its customary procedures, and no one else shall cancel (subject to the record retention requirements of the U.S. Exchange Act and the Trustee's retention policy) all Notes surrendered for registration of transfer, exchange, payment or cancellation and dispose of such cancelled Notes in its customary manner. Except as otherwise provided in this Indenture, the Issuer may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation.

SECTION 2.12 Defaulted Interest. Any interest on any Note that is payable, but is not punctually paid or duly provided for, on the dates and in the manner provided in the Notes and this Indenture (all such interest herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Issuer, at its election in each case, as provided in clause (a) or (b) below:

(a) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes are registered at the close of business on a special record date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuer may deposit with the Paying Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest; or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held for the benefit of the Persons entitled to such Defaulted Interest as provided in this clause. In addition, the Issuer shall fix a special record date for the payment of such Defaulted Interest, such date to be not more than 15 days and not less than 10 days prior to the proposed payment date and not less than 15 days after the receipt by the Trustee of the notice of the proposed payment date. The Issuer shall promptly but, in any event, not less than 15 days prior to the special record date, notify the Trustee of such special record date and, in the name and at the expense of the Issuer, the Trustee shall cause notice of the proposed payment date of such Defaulted Interest and the special record date therefor to be delivered first-class, postage prepaid to each Holder as such Holder's address appears in the Security Register, not less than 10 days prior to such special record date. Notice of the proposed payment date of such Defaulted Interest and the special record date therefor having been so delivered, such Defaulted Interest shall be paid to the Persons in whose names the Notes are registered at the close of business on such special record date and shall no longer be payable pursuant to clause (b) below.

(b) The Issuer may make payment of any Defaulted Interest on the Notes in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee of the proposed payment date pursuant to this clause, such manner of payment shall be deemed reasonably practicable.

Subject to the foregoing provisions of this Section 2.12, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13 Computation of Interest. Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months.

SECTION 2.14 ISIN and CUSIP. The Issuer in issuing the Notes may use ISIN and CUSIP numbers (if then generally in use), and, if so, the Trustee shall use ISIN and CUSIP numbers, as appropriate, in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers or codes either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall promptly notify the Trustee of any change in the ISIN or CUSIP numbers.

SECTION 2.15 Issuance of Additional Notes. The Issuer may, subject to Section 4.06 of this Indenture, issue Additional Notes under this Indenture in accordance with the procedures of Section 2.02. Except as provided herein, the Original Notes issued on the Issue Date and any Additional Notes subsequently issued shall be treated as a single class for all purposes under this Indenture.

ARTICLE THREE REDEMPTION; OFFERS TO PURCHASE

SECTION 3.01 Right of Redemption. The Issuer may redeem all or any portion of the Notes upon the terms and at the Redemption Prices set forth in the Notes. Any redemption pursuant to this Section 3.01 shall be made pursuant to the provisions of this Article Three.

SECTION 3.02 Notices to Trustee. If the Issuer elects to redeem Notes pursuant to Section 3.01, it shall notify the Trustee in writing of the Redemption Date and the record date, the principal amount of Notes to be redeemed, the Redemption Price and the paragraph of the Notes pursuant to which the redemption will occur.

The Issuer shall give each notice to the Trustee provided for in this Section 3.02 in writing at least 10 days before the date notice is delivered to the Holders pursuant to Section 3.04 unless the Trustee consents to a shorter period. Such notice shall be accompanied by an Officer's Certificate from the Issuer to the effect that such redemption will comply with the conditions herein. If fewer than all the Notes are to be redeemed, the record date relating to such redemption shall be selected by the Issuer and given to the Trustee, which record date shall be not less than 15 days after the date of notice to the Trustee unless the Trustee consents to a shorter period.

SECTION 3.03 Selection of Notes to Be Redeemed. If fewer than all of the Notes are to be redeemed at any time, the Trustee shall select the Notes to be redeemed by a method that complies with the requirements, as certified to it by the Issuer, of the principal securities exchange, if any, on which the Notes are listed at such time, and in compliance with the requirements of DTC or, if the Notes are not listed on a securities exchange, or such securities exchange prescribes no method of selection and the Notes are not held through DTC or DTC prescribes no method of

selection, on a pro rata basis, by lot or by such other method as the Trustee deems fair and appropriate; *provided, however*, that no such partial redemption shall reduce the portion of the principal amount of a Note not redeemed to less than \$2,000.

For Notes which are represented by global certificates held on behalf of DTC, if the Notes are selected for redemption on a pro rata basis, the Notes to be redeemed shall be selected in accordance with DTC procedures on a “Pro Rata Pass-Through Distribution of Principal” basis. If the Trustee does not provide the necessary information and identify the redemption as on a “Pro Rata Pass-Through Distribution of Principal Basis,” the Notes shall be selected for redemption by lot in accordance with DTC procedures.

The Trustee shall make the selection from the Notes outstanding and not previously called for redemption. The Trustee may select for redemption portions equal to \$1,000 in principal amount and any integral multiple thereof; *provided* that no Notes of \$2,000 in principal amount or less may be redeemed in part. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Issuer promptly in writing of the Notes or portions of Notes to be called for redemption.

The Trustee shall not be liable for selections made in accordance with the provisions of this Section 3.03 or for selections made by DTC.

SECTION 3.04 Notice of Redemption.

(a) At least 10 days but not more than 60 days before a date for redemption of the Notes, the Issuer shall deliver a notice of redemption by first-class mail to each Holder to be redeemed at its address contained in the Security Register or electronically if such Notes are held by DTC, as applicable, except that redemption notices may be delivered more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture, and shall comply with the provisions of Section 12.01(b).

(b) The notice shall identify the Notes to be redeemed (including ISIN and CUSIP numbers) and shall state:

(i) the Redemption Date and the record date;

(ii) the appropriate calculation of the Redemption Price and the amount of accrued interest, if any, and Additional Amounts, if any, to be paid;

(iii) the name and address of the Paying Agent;

(iv) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price plus accrued interest, if any, and Additional Amounts, if any;

(v) that, if any Note is being redeemed in part, the portion of the principal amount (equal to \$1,000 in principal amount or any integral multiple thereof) of such Note to be redeemed and that, on and after the Redemption Date, upon surrender of such Note,

a new Note or Notes in principal amount equal to the unredeemed portion thereof will be reissued;

(vi) that, if any Note contains an ISIN or CUSIP number, no representation is being made as to the correctness of such ISIN or CUSIP number either as printed on the Notes or as contained in the notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes;

(vii) that, unless the Issuer and the Guarantors default in making such redemption payment, interest on the Notes (or portion thereof) called for redemption shall cease to accrue on and after the Redemption Date; and

(viii) the paragraph of the Notes or section of this Indenture pursuant to which the Notes called for redemption are being redeemed.

At the Issuer's written request, the Trustee shall give a notice of redemption in the Issuer's name and at the Issuer's expense. In such event, the Issuer shall provide the Trustee with the notice and the other information required by this Section 3.04.

For Notes which are represented by global certificates held on behalf of DTC, notices may be given by delivery of the relevant notices to DTC for communication to entitled account holders in substitution for the aforesaid delivery.

(c) Notice of any redemption upon or following any corporate transaction or other event (including any Equity Offering, incurrence of Indebtedness, Change of Control or other transaction) may be given prior to the completion thereof, and any redemption or notice thereof may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a corporate transaction or other event. If any redemption is so subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition and, if applicable, shall state that, in the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in the Issuer's discretion), and/or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in the Issuer's discretion) by the Redemption Date, or by the Redemption Date as so delayed, and/or that such notice may be rescinded at any time by the Issuer if the Issuer determines in its discretion that any or all of such conditions will not be satisfied (or waived). The Issuer will provide notice of any such delay, non-occurrence or rescission in substantially the same manner the applicable notice of redemption was provided. In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

SECTION 3.05 Deposit of Redemption Price. On the Redemption Date, by no later than 12:00 p.m. (New York, New York time) on that date, the Issuer shall deposit or cause to be deposited with the Paying Agent (or, if the Issuer or any of its Affiliates is the Paying Agent, shall segregate and hold in trust) a sum in same day funds sufficient to pay the Redemption Price of and accrued interest and Additional Amounts, if any, on all Notes to be redeemed on that date other than Notes or portions of Notes called for redemption that have previously been delivered by the

Issuer to the Trustee for cancellation. The Paying Agent shall return to the Issuer following a written request by the Issuer any money so deposited that is not required for that purpose.

SECTION 3.06 Payment of Notes Called for Redemption. If notice of redemption has been given in the manner provided below, the Notes or portion of Notes specified in such notice to be redeemed shall become due and payable on the Redemption Date at the Redemption Price stated therein, together with accrued interest to such Redemption Date, and on and after such date (unless the Issuer shall default in the payment of such Notes at the Redemption Price and accrued interest to the Redemption Date, in which case the principal, until paid, shall bear interest from the Redemption Date at the rate prescribed in the Notes) such Notes shall cease to accrue interest. Upon surrender of any Note for redemption in accordance with a notice of redemption, such Note shall be paid and redeemed by the Issuer at the Redemption Price, together with accrued interest, if any, to the Redemption Date; *provided* that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders registered as such at the close of business on the relevant Record Date.

Notice of redemption shall be deemed to be given when delivered, whether or not the Holder receives the notice. In any event, failure to give such notice, or any defect therein, shall not affect the validity of the proceedings for the redemption of Notes held by Holders to whom such notice was properly given.

SECTION 3.07 Notes Redeemed in Part.

(a) Upon surrender of a Global Note that is redeemed in part, the Paying Agent shall forward such Global Note to the relevant Registrar who shall make a notation on the relevant Security Register to reduce the principal amount of such Global Note to an amount equal to the unredeemed portion of the Global Note surrendered; *provided* that each such Global Note shall be in a principal amount at final Stated Maturity of \$2,000 or an integral multiple of \$1,000 in excess thereof.

(b) Upon surrender and cancellation of a Definitive Registered Note that is redeemed in part, the Issuer shall execute and the Trustee shall authenticate for the Holder (at the Issuer's expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered and canceled; *provided* that each such Definitive Registered Note shall be in a principal amount at final Stated Maturity of \$2,000 or an integral multiple of \$1,000 in excess thereof.

SECTION 3.08 Redemption for Changes in Taxes. The Issuer may redeem the Notes, in whole but not in part, at its discretion at any time upon giving not less than 10 nor more than 60 days' prior written notice to the Holders of the Notes (which notice shall be irrevocable and given in accordance with the procedures set forth in Section 3.04), at a Redemption Price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to the date fixed by the Issuer for redemption (a "Tax Redemption Date") and all Additional Amounts (if any) then due or which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Notes or Note Guarantee, the

Issuer or any Guarantor is or would be required to pay Additional Amounts (but, in the case of a Guarantor, only if the payment giving rise to such requirement cannot be made by the Issuer or another Guarantor without the obligation to pay Additional Amounts), and the Issuer or the relevant Guarantor cannot avoid any such payment obligation by taking reasonable measures available (including, for the avoidance of doubt, appointment of a new Paying Agent but excluding the reincorporation or reorganization of the Issuer or any Guarantor), and the requirement arises as a result of:

(a) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the relevant Tax Jurisdiction which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of the Offering Memorandum, after such later date); or

(b) any change in, or amendment to, the official application, administration or interpretation of such laws, regulations or rulings (including by virtue of a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of the Offering Memorandum, after such later date) (each of the foregoing clauses (a) and (b), a “Change in Tax Law”).

The Issuer shall not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuer or the relevant Guarantor would be obligated to make such payment or Additional Amounts if a payment in respect of the Notes or Note Guarantee were then due and at the time such notice is given, the obligation to pay Additional Amounts must remain in effect. Prior to the delivery of any notice of redemption of the Notes pursuant to the foregoing, the Issuer shall deliver the Trustee an opinion of independent tax counsel of recognized standing qualified under the laws of the relevant Tax Jurisdiction (which counsel shall be reasonably acceptable to the Trustee) to the effect that there has been a Change in Tax Law which would entitle the Issuer to redeem the Notes hereunder. In addition, before the Issuer delivers a notice of redemption of the Notes as described above, it shall deliver to the Trustee an Officer’s Certificate to the effect that it cannot avoid its obligation to pay Additional Amounts by the Issuer or the relevant Guarantor taking reasonable measures available to it.

The Trustee will accept and shall be entitled to rely on such Officer’s Certificate and opinion of counsel as sufficient evidence of the existence and satisfaction of the conditions as described above, in which event it will be conclusive and binding on all of the Holders.

The foregoing provisions of this Section 3.08 will apply, *mutatis mutandis*, to any successor of the Issuer (or any Guarantor) with respect to a Change in Tax Law occurring after the time such Person becomes successor to the Issuer (or any Guarantor).

**ARTICLE FOUR
COVENANTS**

SECTION 4.01 Payment of Notes. The Issuer and the Guarantors, jointly and severally, covenant and agree for the benefit of the Holders that they shall duly and punctually pay the principal of, premium, if any, interest and Additional Amounts, if any, on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Subject to Section 2.04, principal, premium, if any, interest and Additional Amounts, if any, shall be considered paid on the date due if on such date the Trustee or the Paying Agent (other than the Issuer or any of its Affiliates) holds, as of 10:00 a.m. (New York, New York time) on the due date, in accordance with this Indenture, money sufficient to pay all principal, premium, if any, interest and Additional Amounts, if any, then due. If the Issuer or any of its Affiliates acts as Paying Agent, principal, premium, if any, interest and Additional Amounts, if any, shall be considered paid on the due date if the entity acting as Paying Agent complies with Section 2.04.

The Issuer or the Guarantors shall pay interest on overdue principal at the rate specified therefor in the Notes. The Issuer or the Guarantors shall pay interest on overdue installments of interest at the same rate to the extent lawful.

SECTION 4.02 Corporate Existence. Subject to Article Five, the Issuer and each Guarantor shall do or cause to be done all things necessary to preserve and keep in full force and effect their corporate, partnership, limited liability company or other existence and the rights (charter and statutory), licenses and franchises of the Issuer and each Guarantor; *provided* that the Issuer and the Guarantors shall not be required to preserve any such right, license or franchise if the Board of Directors of the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and the Guarantors as a whole.

SECTION 4.03 Maintenance of Properties. The Company shall cause all properties owned by the Issuer or any Guarantor or used or held for use in the conduct of the Issuer's business or the business of any Guarantor to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and shall cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Company may be necessary so that the business carried on in connection therewith may be properly and advantageously conducted at all times; *provided* that nothing in this Section 4.03 shall prevent the Issuer or any Guarantor from discontinuing the maintenance of any such properties if such discontinuance is, in the judgment of the Company, desirable in the conduct of the business of the Issuer and the Guarantors as a whole.

SECTION 4.04 Insurance. The Issuer and the Guarantors shall maintain insurance with carriers believed by the Company to be responsible, against such risks and in such amounts, and with such deductibles, retentions, self-insured amounts and coinsurance provisions, as the Company believes are customarily carried by businesses similarly situated and owning like properties, including as appropriate general liability, property and casualty loss insurance (but on the basis that the Issuer and the Guarantors self-insure Vessels for certain war risks); *provided* that in no event shall the Issuer and the Guarantors be required to obtain any business interruption, loss of hire or delay in delivery insurance.

SECTION 4.05 Statement as to Compliance.

(a) The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year or within 14 days of written request by the Trustee, an Officer's Certificate stating that in the course of the performance by the signer of its duties as an Officer of the Company he would normally have knowledge of any Default and whether or not the signer knows of any Default that occurred during such period and, if any, specifying such Default, its status and what action the Company is taking or proposed to take with respect thereto. For purposes of this Section 4.05(a), such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

(b) If the Company shall become aware that (i) any Default or Event of Default has occurred and is continuing or (ii) any Holder seeks to exercise any remedy hereunder with respect to a claimed Default under this Indenture or the Notes, the Company shall promptly, and in any event within 30 days, deliver to the Trustee an Officer's Certificate specifying such event, notice or other action (including any action the Company is taking or propose to take in respect thereof).

SECTION 4.06 Incurrence of Indebtedness and Issuance of Preferred Stock.

(a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "incur") any Indebtedness (including Acquired Debt), and the Company will not and will not permit any Restricted Subsidiary to issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of preferred stock; *provided, however*, that the Company may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock, and the Restricted Subsidiaries may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock or preferred stock, if the Fixed Charge Coverage Ratio for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or such preferred stock is issued, as the case may be, would have been at least 2.0 to 1.0, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock or the preferred stock had been issued, as the case may be, at the beginning of such four-quarter period.

(7) the incurrence by the Company or any Restricted Subsidiary of intercompany Indebtedness between or among the Company or any Restricted Subsidiary; *provided* that:

(12) Indebtedness, Disqualified Stock or preferred stock (i) of any Person outstanding on the date on which such Person becomes a Restricted Subsidiary or is merged, consolidated, amalgamated or otherwise combined with (including pursuant to any acquisition of assets and assumption of related liabilities) the Company or any Restricted Subsidiary or (ii) incurred or issued to provide all or any portion of the funds used to consummate the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was otherwise acquired by the Company or a Restricted Subsidiary; *provided, however*, with respect to this clause (12), that at the time of the acquisition or other transaction pursuant to which such Indebtedness, Disqualified Stock or preferred stock was deemed to be incurred or issued, (x) the Company would have been able to incur \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.06(a) after giving *pro forma* effect to the relevant acquisition or other transaction and the incurrence of such Indebtedness or issuance of such Disqualified Stock or preferred stock pursuant to this clause (12) or (y) the Fixed Charge Coverage Ratio for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or Disqualified Stock or preferred stock is issued pursuant to this clause (12), taken as one period, would not be less than it was immediately prior to giving *pro forma* effect to such acquisition or other transaction and the incurrence of such Indebtedness or issuance of such Disqualified Stock or preferred stock;

(13) Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for customary indemnification, obligations in respect of earnouts or other adjustments of purchase price or, in each case, similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business or assets or Person or any Equity Interests of a Subsidiary; *provided* that (in the case of a disposition) the maximum liability of the Company and its Restricted Subsidiaries in respect of all such Indebtedness shall at no time exceed the gross proceeds, including the Fair Market Value of non-cash proceeds (measured at the time received and without giving effect to any subsequent changes in value),

actually received by the Company and its Restricted Subsidiaries in connection with such disposition;

(14) the incurrence by the Company or any Restricted Subsidiary of Indebtedness in the form of Unearned Customer Deposits and advance payments received in the ordinary course of business from customers for goods and services purchased in the ordinary course of business;

(15) Indebtedness of the Company or any Restricted Subsidiary incurred in connection with credit card processing arrangements or other similar payment processing arrangements entered into in the ordinary course of business;

(16) the incurrence by the Company or any Restricted Subsidiary of Indebtedness, the issuance by the Company or any Restricted Subsidiary of Disqualified Stock and the issuance by any Restricted Subsidiary of preferred stock to finance the replacement (through construction or acquisition) of a Vessel upon an Event of Loss of such Vessel in an aggregate amount no greater than the Ready for Sea Cost for such replacement Vessel, in each case less all compensation, damages and other payments (including insurance proceeds other than in respect of business interruption insurance) received by the Company or any of its Restricted Subsidiaries from any Person in connection with such Event of Loss in excess of amounts actually used to repay Indebtedness secured by the Vessel subject to such Event of Loss and any costs and expenses incurred by the Company or any of its Restricted Subsidiaries in connection with such Event of Loss;

(17) the incurrence by the Company or any Restricted Subsidiary of Indebtedness in relation to (a) regular maintenance required on any port or other facilities or any of the Vessels owned or chartered by the Company or any of its Restricted Subsidiaries, and (b) any expenditures that are, or are reasonably expected to be, recoverable from insurance on such Vessels or facilities;

(18) the incurrence of Indebtedness by the Company or any Restricted Subsidiary of Indebtedness, the issuance by the Company or any Restricted Subsidiary of Disqualified Stock and the issuance by any Restricted Subsidiary of preferred stock in an aggregate principal amount (or accreted value, as applicable) at any time outstanding, including all Permitted Refinancing Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred or Disqualified Stock or preferred stock issued pursuant to this clause (18), not to exceed the greater of \$3,500.0 million and 6.7% of Total Tangible Assets;

(19) Indebtedness existing solely by reason of Permitted Liens described in clause (29) of the definition thereof;

(20) guarantees of passenger volume or port fees in the ordinary course of business; and

(21) any bareboat charter, lease or similar arrangements between or among the Company, any of its Restricted Subsidiaries and/or any joint venture or similar arrangement.

(c) Neither the Issuer nor any Guarantor will incur any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Issuer or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes or the applicable Note Guarantee on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuer or any Guarantor solely by virtue of being unsecured.

(d) For purposes of determining compliance with this Section 4.06, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (21) of Section 4.06(b), or is entitled to be incurred pursuant to Section 4.06(a), Carnival Corp., in its sole discretion, will be permitted to classify such item of Indebtedness on the date of its incurrence and only be required to include the amount and type of such Indebtedness in one of such clauses and will be permitted on the date of such incurrence to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Sections 4.06(a) and (b) and from time to time to reclassify or redivide (as if incurred at such later time) all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.06.

(e) In connection with the incurrence or issuance, as applicable, of (x) revolving loan Indebtedness or (y) any commitment relating to the incurrence or issuance of Indebtedness, Disqualified Stock or preferred stock, in each case, in compliance with this Section 4.06, and the granting of any Lien to secure such Indebtedness, Carnival Corp. may, at its option, designate such incurrence or issuance and the granting of any Lien therefor as having occurred on the date of first incurrence of such revolving loan Indebtedness or commitment (such date, the “Deemed Date”), and any related subsequent actual incurrence or issuance and granting of such Lien therefor will be deemed for all purposes under this Indenture to have been incurred or issued and granted on such Deemed Date, including, without limitation, for purposes of calculating the Fixed Charge Coverage Ratio, usage of any baskets described herein (if applicable), the Consolidated Total Leverage Ratio, the Loan-to-Value Ratio and Consolidated EBITDA (and all such calculations on and after the Deemed Date until the termination or funding of such commitment shall be made on a *pro forma* basis giving effect to the deemed incurrence or issuance, the granting of any Lien therefor and related transactions in connection therewith). For the avoidance of doubt, for purposes of this Indenture, all Indebtedness outstanding on the Issue Date under the Existing Revolving Facility is deemed to have been incurred on the Deemed Date of March 18, 2020 pursuant to this Section 4.06(e) and allocated as having been incurred pursuant to Section 4.06(a).

(f) The accrual of interest or preferred stock dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, the payment of dividends on preferred stock or Disqualified Stock in the form of additional shares of the same class of preferred stock or Disqualified Stock, the accretion of liquidation preference and the increase in the amount of Indebtedness outstanding solely as a result of fluctuations in exchange rates or currency values will not be deemed to be an incurrence of Indebtedness or an issuance of preferred stock or Disqualified Stock for purposes of this Section 4.06; *provided*, in each such case, that the amount

of any such accrual, accretion, amortization, payment, reclassification or increase is included in the Fixed Charges of the Company as accrued.

(g) For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a different currency shall be utilized, calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred or, in the case of Indebtedness incurred under a revolving credit facility and at the option of Carnival Corp., first committed; *provided* that (a) if such Indebtedness is incurred to refinance other Indebtedness denominated in a currency other than U.S. dollars, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing indebtedness does not exceed the aggregate principal amount of such Indebtedness being refinanced; and (b) if and for so long as any Indebtedness is subject to a Hedging Obligation with respect to the currency in which such Indebtedness is denominated covering principal amounts payable on such Indebtedness, the amount of such Indebtedness, if denominated in U.S. dollars, will be the amount of the principal payment required to be made under such Hedging Obligation and, otherwise, the U.S. dollar-equivalent of such amount plus the U.S. dollar-equivalent of any premium which is at such time due and payable but is not covered by such Hedging Obligation.

(h) Notwithstanding any other provision of this Section 4.06, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may incur pursuant to this Section 4.06 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values. The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which such refinancing indebtedness is denominated that is in effect on the date of such refinancing.

(i) The amount of any Indebtedness outstanding as of any date will be:

(i) in the case of any Indebtedness issued with original issue discount, the amount of the liability in respect thereof determined in accordance with GAAP;

(ii) the principal amount of the Indebtedness, in the case of any other Indebtedness; and

(iii) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:

(A) the Fair Market Value of such assets at the date of determination; and

(B) the amount of the Indebtedness of the other Person.

SECTION 4.07 Liens.

(a) The Company shall not and shall not cause or permit any of the Guarantors to, directly or indirectly, create, incur, assume or otherwise cause to exist or become effective any Lien of any kind securing Indebtedness upon any of their property or assets, now owned or hereafter acquired, except:

(1) Permitted Liens; and

(2) a Lien on such property or assets that is not a Permitted Lien (each Lien under clause (2), a “Triggering Lien”) if, contemporaneously with (or prior to) the incurrence of such Triggering Lien, all Note Obligations are secured on an equal and ratable basis with or on a senior basis to the Indebtedness so secured until such time as such Indebtedness is no longer secured by such Triggering Lien; *provided* that (i) if the Indebtedness secured by such Triggering Lien is subordinate or junior in right of payment to the Notes or a Note Guarantee, as the case may be, then such Triggering Lien securing such Indebtedness shall be subordinate or junior in priority to the Lien securing the Note Obligations and (ii) if any Secured Indebtedness is also required to be secured by Liens on such property or assets pursuant to provisions in the Secured Indebtedness Documents that are similar to this clause (2), the Liens on such property or assets securing the Note Obligations may rank junior in priority to the Liens on such property or assets securing such Secured Indebtedness pursuant to a Customary Intercreditor Agreement.

For purposes of determining compliance with this Section 4.07, (A) Liens securing Indebtedness and obligations need not be incurred solely by reference to one category of Permitted Liens (or subparts thereof) but are permitted to be incurred in part under any combination thereof, and (B) in the event that a Lien meets the criteria of one or more of the categories of Permitted Liens (or subparts thereof), Carnival Corp. shall, in its sole discretion, classify, divide or later reclassify or redivide (as if incurred at such later time) such Lien (or any portions thereof) in any manner that complies with the definition of Permitted Liens, and such Lien (or portions thereof, as applicable) will be treated as having been incurred pursuant to such clause, clauses or subparts of the definition of Permitted Liens (and in the case of a subsequent division, classification or reclassification, such Lien shall cease to be divided or classified as it was prior to such subsequent division, classification or reclassification).

To the extent that any Liens are imposed pursuant to Section 4.07(a)(2) (the “Equal and Ratable Provision”) on any assets or property to secure the Note Obligations, (i) Permitted Liens may be of any priority (including senior in priority) relative to any Liens imposed under the Equal and Ratable Provision, and (ii) additional Liens may be granted on any such asset or property, which additional Liens may be senior, *pari passu* or junior in priority to the Liens on such asset or property securing the Note Obligations, in each case subject to any limitations or requirements set forth in the Equal and Ratable Provision. The Trustee (or any applicable security agent following the imposition of such liens under the Equal and Ratable Provision) shall enter into a Customary Intercreditor Agreement with respect to such permitted senior Liens, *pari passu* Liens, junior Liens and Liens imposed pursuant to the Equal and Ratable Provision, if any, in each case, upon being provided with an Officer’s Certificate and an opinion of counsel stating that such Customary Intercreditor Agreement is permitted under this Indenture, each in form and substance reasonably satisfactory to the Trustee (or the applicable security agent) and upon which the Trustee (or the applicable security agent) may conclusively rely.

(b) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “Increased Amount” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms or in the form of common stock of the Company, the payment of dividends on preferred stock in the form of additional shares of preferred stock of the same class, the accretion of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness. For the avoidance of doubt, any Lien that is permitted under this Indenture to secure Indebtedness shall also be permitted to secure any obligations related to such Indebtedness.

(c) Any Lien created in favor of this Indenture and the Notes or a Note Guarantee pursuant to the Equal and Ratable Provision will be automatically and unconditionally released and discharged upon the release and discharge of the Triggering Lien to which it relates.

SECTION 4.08 Restricted Payments.

(a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly:

(A) declare or pay any dividend or make any other payment or distribution on account of the Company’s or any of its Restricted Subsidiaries’ Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) or to the direct or indirect holders of the Company’s or any of its Restricted Subsidiaries’ Equity Interests in their capacity as holders of such Equity Interests (other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of the Company or in Subordinated Shareholder Funding and other than dividends or distributions payable to the Company or a Restricted Subsidiary);

(B) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving the Company) any Equity Interests of the Company or any direct or indirect parent entity of the Company;

(C) make any principal payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value, any Indebtedness of the Issuer or any Guarantor that is expressly contractually subordinated in right of payment to the Notes or to any Note Guarantee (excluding any intercompany Indebtedness between or among the Company and any of its Restricted Subsidiaries), except (i) a payment of principal at the Stated Maturity thereof or (ii) the purchase, repurchase, redemption, defeasance or other acquisition of Indebtedness purchased in anticipation of satisfying a sinking fund obligation, principal installment or scheduled maturity, in each case due within one year of the date of such purchase, repurchase, redemption, defeasance or other

acquisition, or make any cash interest payment on, or purchase, repurchase, redeem, defease or otherwise acquire or retire for value, any Subordinated Shareholder Funding; or

(D) make any Restricted Investment

(all such payments and other actions set forth in these clauses (A) through (D) above being collectively referred to as “Restricted Payments”), unless, at the time of such Restricted Payment:

(i) no Default or Event of Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;

(ii) after giving *pro forma* effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, the Company would have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.06(a);

(iii) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and its Restricted Subsidiaries since the RP Date (excluding Restricted Payments permitted by clauses (1) (without duplication of amounts paid pursuant to any other clause of Section 4.08(b)), (2), (3), (4), (5), (6), (7), (8), (9), (10) and (11) of Section 4.08(b)), is less than the sum, without duplication, of:

(A) 50% of the Consolidated Net Income of the Company for the period (taken as one accounting period) from the first day of the fiscal quarter commencing immediately following the fiscal quarter in which the RP Date occurred to the end of the Company’s most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); *plus*

(B) 100% of the aggregate net cash proceeds and the Fair Market Value of other assets received by the Company since the RP Date as a contribution to its common equity capital or from the issue or sale of Equity Interests of the Company (other than Disqualified Stock) or Subordinated Shareholder Funding or from the issue or sale of convertible or exchangeable Disqualified Stock of the Company or any Restricted Subsidiary or convertible or exchangeable debt securities of the Company or any Restricted Subsidiary, in each case that have been converted into or exchanged for Equity Interests of the Company or Subordinated Shareholder Funding (other than (x) net cash proceeds and marketable securities received from an issuance or sale of Equity Interests, Disqualified Stock or convertible or exchangeable debt securities sold to a Subsidiary of the Company, (y) net cash proceeds and marketable securities received from an issuance or sale of convertible or exchangeable Disqualified Stock or convertible or exchangeable debt securities that have been converted into, exchanged or redeemed for Disqualified Stock and (z) net cash proceeds and marketable securities to the extent any Restricted Payment has been made from such proceeds pursuant to Section 4.08(b)(4)); *plus*

(C) to the extent that any Restricted Investment that was made after the RP Date is (i) sold, disposed of or otherwise cancelled, liquidated or repaid, 100% of the aggregate amount received in cash and the Fair Market Value of marketable securities received; or (ii) made in an entity that subsequently becomes a Restricted Subsidiary, 100% of the Fair Market Value of such Restricted Investment as of the date such entity becomes a Restricted Subsidiary; *plus*

(D) to the extent that any Unrestricted Subsidiary of the Company designated as such after the RP Date is redesignated as a Restricted Subsidiary, or is merged or consolidated into the Company or a Restricted Subsidiary, or all of the assets of such Unrestricted Subsidiary are transferred to the Company or a Restricted Subsidiary, in each case, after the RP Date, the Fair Market Value of the Restricted Investments of the Company and its Restricted Subsidiaries in such Subsidiary as of the date of such redesignation, merger, consolidation or transfer of assets to the extent such investments reduced the restricted payments capacity under this Section 4.08(a)(iii) and were not previously repaid or otherwise reduced; *provided, however*, that no amount will be included in Consolidated Net Income of the Company for purposes of the preceding clause (A) to the extent that it is included under this clause (D); *plus*

(E) 100% of any dividends or distributions received by the Company or a Restricted Subsidiary after the RP Date from an Unrestricted Subsidiary to the extent that such dividends or distributions were not otherwise included in the Consolidated Net Income of the Company for such period (excluding, for the avoidance of doubt, repayments of, or interest payments in respect of, any Permitted Investment pursuant to clause (16) of the definition thereof); and

(iv) the Consolidated Total Leverage Ratio of the Company and its Restricted Subsidiaries would not have been greater than 5.00:1.00 on a *pro forma* basis.

(b) The preceding provisions will not prohibit the following (“Permitted Payments”):

(1) the payment of any dividend or distribution or the consummation of any redemption within 60 days after the date of declaration of the dividend or distribution or giving of the redemption notice, as the case may be, if at the date of declaration or notice, the dividend or distribution or redemption payment would have complied with the provisions of this Indenture;

(2) the making of any Restricted Payment in exchange for, or out of or with the net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of the Company) of, Equity Interests of the Company (other than Disqualified Stock) or Subordinated Shareholder Funding or from the substantially concurrent contribution of common equity capital to the Company; *provided* that the amount of any such net cash proceeds that are utilized for any such Restricted Payment will be excluded from Section 4.08(a)(iii)(B) and

will not be considered to be net cash proceeds from an Equity Offering for purposes of Section (6)(c) of the Notes;

(3) the purchase, repurchase, redemption, defeasance or other acquisition or retirement for value of Indebtedness of the Issuer or any Guarantor that is contractually subordinated to the Notes or to any Note Guarantee with the net cash proceeds from an incurrence of Permitted Refinancing Indebtedness;

(4) so long as no Default or Event of Default has occurred and is continuing, the purchase, repurchase, redemption or other acquisition or retirement for value of any Equity Interests of the Company or any Restricted Subsidiary held by any current or former officer, director, employee or consultant of the Company or any of its Restricted Subsidiaries pursuant to any equity subscription agreement, stock option agreement, restricted stock grant, shareholders' agreement or similar agreement; *provided* that the aggregate price paid for all such purchased, repurchased, redeemed, acquired or retired Equity Interests may not exceed \$25.0 million in the aggregate in any twelve-month period with unused amounts being carried over to any subsequent twelve-month period subject to a maximum aggregate amount of \$50.0 million being available in any twelve-month period; and *provided, further*, that such amount in any twelve-month period may be increased by an amount not to exceed the cash proceeds from the sale of Equity Interests of the Company or Subordinated Shareholder Funding, in each case, received by the Company during such twelve-month period, in each case to members of management, directors or consultants of the Company, any of its Restricted Subsidiaries or any of its direct or indirect parent companies to the extent the cash proceeds from the sale of such Equity Interests or Subordinated Shareholder Funding have not otherwise been applied to the making of Restricted Payments pursuant to Section 4.08(a)(iii) or Section 4.08(b)(2) or to an optional redemption of the Notes pursuant to Section 6(c) of the Notes;

(5) the repurchase of Equity Interests deemed to occur upon the exercise of stock options to the extent such Equity Interests represent a portion of the exercise price of those stock options;

(6) so long as no Default or Event of Default has occurred and is continuing, the declaration and payment of regularly scheduled or accrued dividends to holders of any class or series of Disqualified Stock of the Company or any Restricted Subsidiary or any preferred stock of any Restricted Subsidiary issued on or after the RP Date in accordance with Section 4.06;

(7) payments of cash, dividends, distributions, advances or other Restricted Payments by the Company or any of its Restricted Subsidiaries to allow the payment of cash in lieu of the issuance of fractional shares upon (i) the exercise of options or warrants or (ii) the conversion or exchange of Capital Stock of any such Person;

(8) the payment of any dividend (or, in the case of any partnership or limited liability company, any similar distribution) by a Restricted Subsidiary to the holders of its Equity Interests (other than the Company or any Restricted Subsidiary) on no more than a *pro rata* basis;

(9) the making of (i) cash payments made by the Company or any of its Restricted Subsidiaries in satisfaction of the conversion obligation upon conversion of convertible Indebtedness issued in a convertible notes offering and (ii) any payments by the Company or any of its Restricted Subsidiaries pursuant to the exercise, settlement or termination of any related capped call, hedge, warrant or other similar transactions (including, for the avoidance of doubt, any payments due upon entering into such transactions);

(10) with respect to any Tax period (i) in which any of the Restricted Subsidiaries are members of a consolidated, combined, unitary or similar income Tax group for U.S. federal or applicable state and local, or non-U.S. income Tax purposes (a "Tax Group") of which a Parent Entity, or any Subsidiary of a Parent Entity, is a common parent, (ii) any Company is a member of a Tax Group of which a Parent Entity (other than such Company), or a Subsidiary of a Parent Entity (other than such Company), is the common parent, or (iii) for which a Restricted Subsidiary or Company is disregarded for U.S. federal income tax purposes as separate from a Parent Entity, or any Subsidiary of a Parent Entity that is a C corporation for U.S. federal income tax purposes, payments by each such Restricted Subsidiary or each such Company, as applicable, in an amount not to exceed the amount of its allocable share of any U.S. federal, state and/or local and/or foreign income Taxes, as applicable, of such Tax Group for such taxable period that are attributable to the income, revenue, receipts or capital of such Restricted Subsidiary or such Company, as applicable, in an aggregate amount not to exceed the amount of such income Taxes that such Restricted Subsidiary or such Company, as applicable, would have paid had it been a standalone corporate tax payer or standalone corporate tax group (without duplication, for the avoidance of doubt, of any such Taxes paid by such Restricted Subsidiary or such Company, as applicable, directly to the relevant taxing authority); and

(11) other Restricted Payments in an aggregate amount not to exceed \$225.0 million since the RP Date so long as, immediately after giving effect to such Restricted Payment, no Default or Event of Default has occurred and is continuing;

provided that no Restricted Payment shall be made pursuant to any of the foregoing (whether pursuant to the basket set forth in clause (c) above or any Permitted Payments) in the form of any Subject Vessels if the Issuer Senior LTV Ratio would be greater than both (a) 25% and (b) the Issuer Senior LTV Ratio immediately prior to such Restricted Payment, in each case on a *pro forma* basis after giving effect to such Restricted Payment and any Subject Vessel Replacement in connection therewith.

The amount of all Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment.

For purposes of determining compliance with this Section 4.08, (1) in the event that a proposed Restricted Payment or Investment (or portion thereof) meets the criteria of one or more categories (or subparts thereof) of Permitted Payments or Permitted Investments, or is entitled to be incurred pursuant to Section 4.08(a), Carnival Corp. will be entitled to classify or re-classify

such payment (or portion thereof) based on circumstances existing on the date of such reclassification in any manner that complies with this Section 4.08, and such payment (or portion thereof) will be treated as having been made pursuant to Section 4.08(a) or such clause or clauses (or subparts thereof) in the definition of Permitted Payments or Permitted Investments, (2) the amount of any return of or on capital from any Investment shall be netted against the amount of such Investment for purposes of determining compliance with this Section 4.08 and (3) payments made among the Company and its Restricted Subsidiaries pursuant to the agreements, constituent documents, guarantees, deeds and other instruments governing the “dual listed company” structure of the Company shall not be deemed to be Restricted Payments.

SECTION 4.09 Asset Sales.

(a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, consummate an Asset Sale unless:

(1) the Company (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) at least 75% of the consideration received in the Asset Sale by the Company or such Restricted Subsidiary is in the form of cash, Cash Equivalents or Replacement Assets or a combination thereof (which determination may be made by Carnival Corp., at its option, either (x) at the time such Asset Sale is approved by Carnival Corp.’s Board of Directors or (y) at the time the Asset Sale is completed). For purposes of this clause (2), each of the following will be deemed to be cash:

(A) any liabilities, as recorded on the balance sheet of the Company or any Restricted Subsidiary (other than contingent liabilities or liabilities that are by their terms subordinated to the Notes or the Note Guarantees), that are assumed by the transferee of any such assets and as a result of which the Company and its Restricted Subsidiaries are no longer obligated with respect to such liabilities or are indemnified against further liabilities or that are otherwise retired or repaid;

(B) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of the Asset Sale, to the extent of the cash or Cash Equivalents received in that conversion;

(C) any Capital Stock or assets of the kind referred to in Section 4.09(b)(2) or (4);

(D) Indebtedness (other than Indebtedness that is by its terms subordinated to the Notes or the Note Guarantees) of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Sale, to the extent that Carnival plc and each other Restricted Subsidiary are released from any Guarantee of such Indebtedness in connection with such Asset Sale;

(E) consideration consisting of Indebtedness of the Company or any Guarantor received from Persons who are not the Company or any Restricted Subsidiary; and

(F) consideration other than cash, Cash Equivalents or Replacement Assets received by the Company or any Restricted Subsidiary in Asset Sales with a Fair Market Value not exceeding \$250.0 million in the aggregate outstanding at any one time.

(b) Within 450 days after the receipt of any Net Proceeds from an Asset Sale or any Event of Loss, the Company or the applicable Restricted Subsidiary (in the case of the Issuer, subject to the next paragraph), as the case may be, may apply such Net Proceeds:

(1) to repurchase the Notes pursuant to an offer to all Holders at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest to (but not including) the date of purchase (a “Notes Offer”);

(2) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business; *provided* that after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary;

(3) to make a capital expenditure;

(4) to acquire other assets (other than Capital Stock) not classified as current assets under GAAP that are used or useful in a Permitted Business;

(5) to repurchase, prepay, redeem or repay Indebtedness (a) of the Company or a Restricted Subsidiary that is secured by a Lien; *provided* that in connection with any repurchase, prepayment, redemption or repayment of revolving credit Indebtedness pursuant to this clause (a), the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment to be permanently reduced in an amount equal to the principal amount so repurchased, prepaid, redeemed or repaid, (b) of a Restricted Subsidiary which is not a Guarantor (other than Indebtedness owed to the Company or a Restricted Subsidiary) or (c) of the Issuer or a Guarantor which is unsecured and which is *pari passu* with or senior in right of payment to the Notes or any Note Guarantee; *provided* that, in the case of this clause (c), the Company (or the applicable Restricted Subsidiary) may repurchase, prepay, redeem or repay such *pari passu* Indebtedness only if the Company (or the applicable Restricted Subsidiary) makes an offer to all Holders to purchase their Notes in accordance with the provisions set forth below for an Asset Sale Offer for an aggregate principal amount of Notes at least equal to the proportion that (x) the total aggregate principal amount of Notes outstanding bears to (y) the sum of the total aggregate principal amount of Notes outstanding plus the total aggregate principal amount outstanding of such *pari passu* Indebtedness;

(6) to enter into a binding commitment to apply the Net Proceeds pursuant to clause (2), (3) or (4) of this Section 4.09(b); *provided* that such binding commitment (or any subsequent commitments replacing the initial commitment that may be cancelled or terminated) shall be treated as a permitted application of the Net

Proceeds from the date of such commitment until the earlier of (x) the date on which such acquisition or expenditure is consummated (in which case, for the avoidance of doubt, the Net Proceeds used for such acquisition or expenditure shall not constitute Excess Proceeds) and (y) the 180th day following the expiration of the aforementioned 450 day period; or

(7) any combination of the foregoing.

Notwithstanding the foregoing, upon an Event of Loss or Asset Sale by the Issuer in respect of any Subject Vessel(s), if the Issuer Senior LTV Ratio would be greater than 25% on a *pro forma* basis after giving effect to such Event of Loss or Asset Sale (*i.e.*, calculated by reference to the remaining Subject Vessels following that Event of Loss or Asset Sale), then the Issuer or the Company will be required to offer to repurchase, pursuant to a Notes Offer or Asset Sale Offer, an aggregate principal amount of the Notes equaling up to 100% of the Net Proceeds received from the relevant Event of Loss or Asset Sale, such that the Issuer Senior LTV Ratio would be no greater than 25% on a *pro forma* basis after giving effect to such Event of Loss or Asset Sale and the use of proceeds thereof and any Subject Vessel Replacement in connection therewith; *provided that if*, within 10 days after the Issuer's receipt of the relevant Net Proceeds the Issuer notifies the Trustee in writing of its intent to replace the Subject Vessel(s) so disposed of within 60 days thereafter (a "Subject Vessel Replacement"), then no such offer to repurchase will be required under this paragraph to the extent that, after giving effect to such Subject Vessel Replacement, the Issuer Senior LTV Ratio would be no greater than 25% on a *pro forma* basis. To the extent any amounts are applied pursuant to this paragraph, the amount of Net Proceeds required to be applied pursuant to the foregoing provisions of this Section 4.09(b) will be reduced by such amounts.

Pending the final application of any Net Proceeds, the Company (or the applicable Restricted Subsidiary) may temporarily reduce borrowings under any revolving credit facility, or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(c) Any Net Proceeds from Asset Sales or an Event of Loss that are not applied or invested as provided in Section 4.09(b) (it being understood that any portion of such Net Proceeds used to make an offer to purchase Notes as described in Section 4.09(b)(1) or (5) above shall be deemed to have been applied or invested whether or not such Notes Offer is accepted) will constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$250.0 million (or at an earlier time, at the option of Carnival Corp.), within ten Business Days thereof, the Company will make an offer (an "Asset Sale Offer") to all Holders and may make an offer to all holders of other unsecured Indebtedness that is *pari passu* in right of payment with the Notes or any Note Guarantees with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets or events of loss to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (plus all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price for the Notes in any Asset Sale Offer will be equal to 100% of the principal amount, plus accrued and unpaid interest and Additional Amounts, if any, to the date of purchase, prepayment or redemption, subject to the right of Holders on the relevant Record Date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company or a Restricted Subsidiary may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate

principal amount of Notes and such other *pari passu* Indebtedness tendered into (or to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, or if the aggregate amount of Notes tendered pursuant to a Notes Offer exceeds the amount of the Net Proceeds so applied, the Trustee will select the Notes and such other *pari passu* Indebtedness, if applicable, to be purchased on a *pro rata* basis (or in the manner provided in Section 3.03), based on the amounts tendered or required to be prepaid or redeemed. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

The Company or the Issuer, as applicable, will comply with the requirements of Rule 14e-1 under the U.S. Exchange Act and any other securities laws and regulations (and rules of any exchange on which the Notes are then listed) to the extent those laws, regulations or rules are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer or a Notes Offer. To the extent that the provisions of any securities laws or regulations or exchange rules conflict with the Asset Sale or Notes Offer provisions of this Indenture, the Company and the Issuer will comply with the applicable securities laws, regulations and rules and will not be deemed to have breached its obligations under the Asset Sale or Notes Offer provisions of this Indenture by virtue of such compliance.

SECTION 4.10 Transactions with Affiliates.

(a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, make any payment to or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each, an “Affiliate Transaction”) involving aggregate payments or consideration in excess of \$100.0 million, unless:

(1) the Affiliate Transaction is on terms that are, taken as a whole, no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with a Person who is not such an Affiliate; and

(2) the Issuer delivers to the Trustee, with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$250.0 million, a resolution of the Board of Directors of Carnival Corp. set forth in an Officer’s Certificate certifying that such Affiliate Transaction complies with this Section 4.10 and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of Carnival Corp. (or in the event there is only one disinterested director, by such disinterested director, or, in the event there are no disinterested directors, by unanimous approval of the members of the Board of Directors of Carnival Corp.).

(b) Notwithstanding the foregoing, the following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.10(a):

(i) any employment agreement, collective bargaining agreement, consulting agreement or employee benefit arrangements with any employee, consultant, officer or

director of the Company or any Restricted Subsidiary, including under any stock option, stock appreciation rights, stock incentive or similar plans, entered into in the ordinary course of business;

(ii) transactions between or among the Company and/or its Restricted Subsidiaries;

(iii) transactions with a Person (other than an Unrestricted Subsidiary of the Company) that is an Affiliate of the Company solely because the Company owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(iv) payment of reasonable and customary fees, salaries, bonuses, compensation, other employee benefits and reimbursements of expenses (pursuant to indemnity arrangements or otherwise) of Officers, directors, employees or consultants of the Company or any of its Restricted Subsidiaries;

(v) any issuance of Equity Interests (other than Disqualified Stock) of the Company or any issuance of Subordinated Shareholder Funding;

(vi) Restricted Payments that do not violate Section 4.08;

(vii) transactions pursuant to or contemplated by any agreement in effect on the Issue Date and transactions pursuant to any amendment, modification or extension to such agreement, so long as such amendment, modification or extension, taken as a whole, is not materially more disadvantageous to the Holders than the original agreement as in effect on the Issue Date;

(viii) Permitted Investments (other than Permitted Investments described in clause (16) of the definition thereof);

(ix) Management Advances;

(x) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture that are fair to the Company or the Restricted Subsidiaries in the reasonable determination of the members of the Board of Directors of Carnival Corp. or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated Person;

(xi) the granting and performance of any registration rights for the Company's Capital Stock;

(xii) any contribution to the capital of the Company;

(xiii) pledges of Equity Interests of Unrestricted Subsidiaries;

(xiv) transactions with respect to which the Company has obtained an opinion of an accounting, appraisal or investment banking firm of international standing, or other

recognized independent expert of international standing with experience appraising the terms and conditions of the type of transaction or series of related transactions for which an opinion is required, stating that the transaction or series of related transactions is (A) fair from a financial point of view taking into account all relevant circumstances or (B) on terms not less favorable than might have been obtained in a comparable transaction at such time on an arm's-length basis from a Person who is not an Affiliate;

(xv) transactions made pursuant to the agreements, constituent documents, guarantees, deeds and other instruments governing the "dual listed company" structure of the Company; and

(xvi) transactions undertaken in good faith (as certified by a responsible financial or accounting officer of Carnival Corp. in an Officer's Certificate) between the Company and any other Person or a Restricted Subsidiary and any other Person with which the Company or any of its Restricted Subsidiaries files a combined, consolidated, unitary or similar group tax return or which the Company or any of its Restricted Subsidiaries is part of a group for tax purposes that are effected for the purpose of improving the combined, consolidated, unitary or similar group tax efficiency of the Company and its Subsidiaries and not for the purpose of circumventing any provision of this Indenture.

SECTION 4.11 Purchase of Notes upon a Change of Control.

(a) If a Change of Control Triggering Event occurs at any time, then the Issuer shall make an offer (a "Change of Control Offer") to each Holder to purchase such Holder's Notes (equal to \$2,000 principal amount or an integral multiple of \$1,000 in excess thereof), at a purchase price (the "Change of Control Purchase Price") in cash in an amount equal to 101% of the principal amount thereof, plus accrued and unpaid interest and Additional Amounts, if any, on the Notes repurchased to the date of purchase (the "Change of Control Purchase Date") (subject to the right of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

(b) Within 30 days following any Change of Control Triggering Event, the Issuer shall deliver a notice to each Holder of the Notes at such Holder's registered address or otherwise deliver a notice in accordance with the procedures set forth in Section 3.04, which notice shall state:

(A) that a Change of Control Triggering Event has occurred, and the date it occurred, and that a Change of Control Offer is being made;

(B) the circumstances and relevant facts regarding such Change of Control (including, but not limited to, applicable information with respect to *pro forma* historical income, cash flow and capitalization after giving effect to the Change of Control);

(C) the Change of Control Purchase Price and the Change of Control Purchase Date, which shall be a Business Day no earlier than 30 days nor later than 60 days from the date such notice is delivered, pursuant to the procedures required by this Indenture and described in such notice;

(D) that any Note accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Purchase Date unless the Change of Control Purchase Price is not paid;

(E) that any Note (or part thereof) not tendered shall continue to accrue interest; and

(F) any other procedures that a Holder must follow to accept a Change of Control Offer or to withdraw such acceptance.

(c) On the Change of Control Purchase Date, the Issuer shall, to the extent lawful:

(i) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(ii) deposit with the paying agent an amount equal to the Change of Control Purchase Price in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuer.

(d) The Paying Agent shall promptly deliver to each Holder which has properly tendered and so accepted the Change of Control Offer for such Notes, and the Trustee (or an authenticating agent appointed by the Issuer) shall promptly authenticate and deliver (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. Any Note so accepted for payment will cease to accrue interest on or after the Change of Control Purchase Date. The Company shall publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Purchase Date.

(e) This Section 4.11 will be applicable whether or not any other provisions of this Indenture are applicable.

(f) If the Change of Control Purchase Date is on or after an interest Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender pursuant to the Change of Control Offer.

(g) The Issuer will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer or (2) a notice of redemption has been given pursuant to Section 6 of the Notes, unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary contained herein, a Change

of Control Offer may be made in advance of a Change of Control, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

(h) The Issuer shall comply with the requirements of Rule 14e-1 under the U.S. Exchange Act, and any other securities laws and regulations (and rules of any exchange on which the Notes are then listed) to the extent those laws, regulations or rules are applicable in connection with the repurchase of the Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations or exchange rules conflict with the Change of Control provisions of this Indenture, the Issuer shall comply with the applicable securities laws, regulations and rules and will not be deemed to have breached its obligations under this Indenture by virtue of such compliance.

SECTION 4.12 Additional Amounts.

(a) All payments made by or on behalf of the Issuer or any of the Guarantors (including, in each case, any successor entity) under or with respect to the Notes or any Note Guarantee shall be made free and clear of and without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If the Issuer, any Guarantor or any other applicable withholding agent is required by law to withhold or deduct any amount for, or on account of, any Taxes imposed or levied by or on behalf of (1) any jurisdiction (other than the United States) in which the Issuer or any Guarantor is or was incorporated, engaged in business, organized or resident for tax purposes or any political subdivision thereof or therein or (2) any jurisdiction from or through which any payment is made by or on behalf of the Issuer or any Guarantor (including, without limitation, the jurisdiction of any Paying Agent) or any political subdivision thereof or therein (each of (1) and (2), a "Tax Jurisdiction") in respect of any payments under or with respect to the Notes or any Note Guarantee, including, without limitation, payments of principal, redemption price, purchase price, interest or premium, the Issuer or the relevant Guarantor, as applicable, shall pay such additional amounts (the "Additional Amounts") as may be necessary in order that the net amounts received and retained in respect of such payments by each beneficial owner of Notes after such withholding or deduction will equal the respective amounts that would have been received and retained in respect of such payments in the absence of such withholding or deduction; *provided, however*, that no Additional Amounts shall be payable with respect to:

(1) any Taxes, to the extent such Taxes would not have been imposed but for the holder or the beneficial owner of the Notes (or a fiduciary, settlor, beneficiary, partner of, member or shareholder of, or possessor of a power over, the relevant holder, if the relevant holder is an estate, trust, nominee, partnership, limited liability company or corporation) being or having been a citizen or resident or national of, or incorporated, engaged in a trade or business in, being or having been physically present in or having a permanent establishment in, the relevant Tax Jurisdiction or having or having had any other present or former connection with the relevant Tax Jurisdiction, other than any connection arising solely from the acquisition, ownership or disposition of Notes, the exercise or enforcement of rights under such Note, this Indenture or a Note Guarantee, or the receipt of payments in respect of such Note or a Note Guarantee;

(2) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Note for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the holder (except to the extent that the holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period);

(3) any estate, inheritance, gift, sale, transfer, personal property or similar Taxes;

(4) any Taxes payable other than by deduction or withholding from payments under, or with respect to, the Notes or any Note Guarantee;

(5) any Taxes to the extent such Taxes would not have been imposed or withheld but for the failure of the holder or beneficial owner of the Notes, following the Issuer's reasonable written request addressed to the holder at least 60 days before any such withholding or deduction would be imposed, to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the holder or beneficial owner is legally eligible to provide such certification or documentation;

(6) any Taxes imposed in connection with a Note presented for payment (where presentation is permitted or required for payment) by or on behalf of a holder or beneficial owner of the Notes to the extent such Taxes could have been avoided by presenting the relevant Note to, or otherwise accepting payment from, another Paying Agent;

(7) any Taxes imposed on or with respect to any payment by the Issuer or any of the Guarantors to the holder of the Notes if such holder is a fiduciary or partnership or any person other than the sole beneficial owner of such payment to the extent that such Taxes would not have been imposed on such payments had such holder been the sole beneficial owner of such Note;

(8) any Taxes that are imposed pursuant to current Section 1471 through 1474 of the Code or any amended or successor version that is substantively comparable and not materially more onerous to comply with, any regulations promulgated thereunder, any official interpretations thereof, any intergovernmental agreement between a non-U.S. jurisdiction and the United States (or any related law or administrative practices or procedures) implementing the foregoing or any agreements entered into pursuant to current Section 1471(b)(1) of the Code (or any amended or successor version described above); or

(9) any combination of clauses (1) through (8) above.

In addition to the foregoing, the Issuer and the Guarantors shall also pay and indemnify the holder for any present or future stamp, issue, registration, value added, transfer, court or documentary Taxes, or any other excise or property taxes, charges or similar levies (including penalties, interest and additions to tax related thereto) which are levied by any jurisdiction on the

execution, delivery, issuance, or registration of any of the Notes, this Indenture, any Note Guarantee or any other document referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Notes or any Note Guarantee (limited, solely in the case of Taxes attributable to the receipt of any payments, to any such Taxes imposed in a Tax Jurisdiction that are not excluded under clauses (1) through (3) or (5) through (9) above or any combination thereof).

(b) If the Issuer or any Guarantor, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Note Guarantee, the Issuer or the relevant Guarantor, as the case may be, shall deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the Issuer or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officer's Certificates must also set forth any other information reasonably necessary to enable the Paying Agents to pay Additional Amounts to Holders on the relevant payment date. The Issuer or the relevant Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of Additional Amounts. The Trustee shall be entitled to rely absolutely on an Officer's Certificate as conclusive proof that such payments are necessary.

(c) The Issuer or the relevant Guarantor, if it is the applicable withholding agent, shall make all withholdings and deductions (within the time period) required by law and shall remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuer or the relevant Guarantor shall use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Issuer or the relevant Guarantor shall furnish to the Trustee (or to a Holder upon request), within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or a Guarantor, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments (reasonably satisfactory to the Trustee) by such entity.

(d) Whenever in this Indenture or the Notes there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes or any Note Guarantee, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(e) This Section 4.12 shall survive any termination, defeasance or discharge of this Indenture, any transfer by a holder or beneficial owner of its Notes, and will apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to the Issuer (or any Guarantor) is incorporated, engaged in business, organized or resident for tax purposes, or any jurisdiction from or through which payment is made under or with respect to the Notes (or any Note Guarantee) by or on behalf of such Person and, in each case, by political subdivision thereof or therein.

SECTION 4.13 [Reserved] ..

SECTION 4.14 [Reserved].

SECTION 4.15 Limitation on Issuance of Guarantees of Indebtedness.

(a) The Company will not permit any of its Restricted Subsidiaries (other than Immaterial Subsidiaries) that is not the Issuer or a Guarantor to Guarantee, directly or indirectly, the payment of any obligations of the Company or any other Guarantor under a Credit Facility, the Convertible Notes, the Existing Revolving Facility, the Existing Term Loan Facility, the Existing First-Priority Secured Notes, the Existing Second-Priority Secured Notes, the Existing Unsecured Notes or any other Indebtedness of the Issuer or a Guarantor having an aggregate outstanding principal amount in excess of \$300.0 million unless such Restricted Subsidiary simultaneously executes and delivers a Supplemental Indenture providing for the Note Guarantee of the payment of the Notes by such Restricted Subsidiary which Note Guarantee will be senior to or *pari passu* in right of payment with such Restricted Subsidiary's Guarantee of such other Indebtedness and with respect to any Guarantee of Indebtedness that is expressly contractually subordinated in right of payment to the Notes or to any Note Guarantee by such Restricted Subsidiary, any such Guarantee will be subordinated to such Restricted Subsidiary's Note Guarantee at least to the same extent as such subordinated Indebtedness is subordinated to the Notes.

The foregoing paragraph will not be applicable to any Guarantees of any Restricted Subsidiary:

- (i) existing on the Issue Date;
- (ii) that existed at the time such Person became a Restricted Subsidiary if the Guarantee was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary; or
- (iii) arising solely due to granting of a Permitted Lien that would not otherwise constitute a Guarantee of Indebtedness of the Issuer or any Guarantor.

(b) Notwithstanding the foregoing, the Company shall not be obligated to cause such Restricted Subsidiary to guarantee the Notes to the extent that such Note Guarantee by such Restricted Subsidiary would reasonably be expected to give rise to or result in (x) any liability for the officers, directors or shareholders of such Restricted Subsidiary, (y) any violation of applicable law that cannot be prevented or otherwise avoided through measures reasonably available to the Company or the Restricted Subsidiary or (z) any significant cost, expense, liability or obligation (including with respect to any Taxes) other than reasonable out-of-pocket expenses and other than reasonable expenses incurred in connection with any governmental or regulatory filings required as a result of, or any measures pursuant to clause (y) undertaken in connection with, such Note Guarantee which cannot be avoided through measures reasonably available to the Company or the Restricted Subsidiary.

SECTION 4.16 Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries.

(a) Each of Carnival Corp. and Carnival plc (together with any other person designated in the future as constituting the "Company", each, a "Parent Company") shall not, and

shall not cause or permit any of its respective Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

(i) pay dividends or make any other distributions on its Capital Stock to its Parent Company or any Restricted Subsidiary, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the relevant Parent Company or any Restricted Subsidiary;

(ii) make loans or advances to its Parent Company or any Restricted Subsidiary; or

(iii) sell, lease or transfer any of its properties or assets to its Parent Company or any Restricted Subsidiary;

provided that (x) the priority of any preferred stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock, (y) the subordination of (including the application of any standstill period to) loans or advances made to the relevant Parent Company or any Restricted Subsidiary to other Indebtedness incurred by the relevant Parent Company or any Restricted Subsidiary and (z) the provisions contained in documentation governing or relating to Indebtedness requiring transactions between or among the relevant Parent Company and any Restricted Subsidiary or between or among any Restricted Subsidiaries to be on fair and reasonable terms or on an arm's-length basis, in each case, shall not be deemed to constitute such an encumbrance or restriction.

(b) The provisions of Section 4.16(a) shall not apply to encumbrances or restrictions existing under or by reason of:

(i) agreements or instruments governing or relating to Indebtedness as in effect on the Issue Date (including pursuant to the Convertible Notes, the Existing Revolving Facility, the Existing Term Loan Facility, the EIB Facility, the Existing First-Priority Secured Notes, the Existing Second-Priority Secured Notes, the Existing Unsecured Notes and the related documentation) and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that the amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings are not materially less favorable, taken as a whole, to the Holders with respect to such dividend and other payment restrictions than those contained in those agreements or instruments on the Issue Date (as determined in good faith by Carnival Corp.);

(ii) the Note Documents;

(iii) agreements or instruments governing other Indebtedness permitted to be incurred under Section 4.06 and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that the Company determines at the time of the incurrence of such Indebtedness that such encumbrances or restrictions will not adversely effect, in any material respect, the Issuer's ability to make principal or interest payments on the Notes;

(iv) applicable law, rule, regulation or order or the terms of any license, authorization, concession or permit;

(v) any agreement or instrument governing or relating to Indebtedness or Capital Stock of a Person acquired by the relevant Parent Company or any of its Restricted Subsidiaries as in effect at the time of such acquisition (other than any agreement or instrument entered into in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided* that, in the case of Indebtedness, such Indebtedness was permitted by the terms of this Indenture to be incurred;

(vi) customary non-assignment and similar provisions in contracts, leases and licenses entered into in the ordinary course of business;

(vii) purchase money obligations for property acquired in the ordinary course of business and Capital Lease Obligations that impose restrictions on the property purchased or leased of the nature set forth in Section 4.16(a)(iii) or any encumbrance or restriction pursuant to a joint venture agreement that imposes restrictions on the transfer of the assets of the joint venture;

(viii) any agreement for the sale or other disposition of the Capital Stock or all or substantially all of the property and assets of a Restricted Subsidiary that restricts distributions by that Restricted Subsidiary pending its sale or other disposition;

(ix) Permitted Refinancing Indebtedness; *provided* that either (i) the restrictions contained in the agreements or instruments governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements or instruments governing the Indebtedness being refinanced or (ii) the Company determines at the time of the incurrence of such Indebtedness that such encumbrances or restrictions will not adversely effect, in any material respect, the Issuer's ability to make principal or interest payments on the Notes;

(x) Liens permitted to be incurred under Section 4.07 that limit the right of the debtor to dispose of the assets subject to such Liens;

(xi) provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements (including agreements entered into in connection with a Restricted Investment or Permitted Investment) entered into with the approval of Carnival Corp.'s Board of Directors, which limitation is applicable only to the assets that are the subject of such agreements;

(xii) restrictions on cash or other deposits or net worth imposed by customers or suppliers or required by insurance, surety or bonding companies, in each case, under contracts entered into in the ordinary course of business;

(xiii) any customary Productive Asset Leases for Vessels and other assets used in the ordinary course of business; *provided* that such encumbrance or restriction only extends to the Vessel or other asset financed in such Productive Asset Lease;

(xiv) any encumbrance or restriction existing with respect to any Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary that is designated as a Restricted Subsidiary in accordance with the terms of this Indenture at the time of such designation and not incurred in contemplation of such designation, which encumbrances or restrictions are not applicable to any Person other than such Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary; *provided* that the encumbrances or restrictions are customary for the business of such Unrestricted Subsidiary and would not, at the time agreed to, be expected to affect the ability of the Issuer and the Guarantors to make payments under the Notes and this Indenture;

(xv) customary encumbrances or restrictions contained in agreements in connection with Hedging Obligations permitted under this Indenture;

(xvi) the agreements, constituent documents, guarantees, deeds and other instruments governing the “dual listed company” structure of the Company; and

(xvii) any encumbrance or restriction existing under any agreement that extends, renews, refinances, replaces, amends, modifies, restates or supplements the agreements containing the encumbrances or restrictions in the foregoing clauses (i) through (xvi), or in this clause (xvii); *provided* that the terms and conditions of any such encumbrances or restrictions are no more restrictive in any material respect than those under or pursuant to the agreement so extended, renewed, refinanced, replaced, amended, modified, restated or supplemented.

SECTION 4.17 Designation of Restricted and Unrestricted Subsidiaries.

(a) The Board of Directors of Carnival Corp. may designate any Restricted Subsidiary (other than the Issuer or any of its Subsidiaries) to be an Unrestricted Subsidiary if that designation would not cause a Default.

(b) If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.08 or under one or more clauses of the definition of “Permitted Investments,” as determined by Carnival Corp. The designation of a Restricted Subsidiary as an Unrestricted Subsidiary will only be permitted if the deemed Investment resulting from such designation would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

(c) Carnival Corp. may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause a Default.

(d) Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a copy of a resolution of the Board of Directors of Carnival Corp. giving effect to such designation and an Officer's Certificate certifying that such designation complied with the preceding conditions and was permitted by Section 4.08. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 4.06, the Company will be in default of such Section 4.06. The Board of Directors of Carnival Corp. may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (i) such Indebtedness is permitted under Section 4.06, calculated on a *pro forma* basis as if such designation had occurred at the beginning of the applicable reference period; and (ii) no Default or Event of Default would be in existence following such designation.

SECTION 4.18 Payment of Taxes and Other Claims. The Company shall pay or discharge and shall cause each of its Subsidiaries to pay or discharge, or cause to be paid or discharged, before the same shall become delinquent (a) all material taxes, assessments and governmental charges levied or imposed upon (i) the Company or any such Subsidiary, (ii) the income or profits of any such Subsidiary which is a corporation or (iii) the property of the Company or any such Subsidiary and (b) all material lawful claims for labor, materials and supplies that, if unpaid, might by law become a lien upon the property of the Company or any such Subsidiary; *provided* that the Company shall not be required to pay or discharge, or cause to be paid or discharged, any such tax, assessment, charge or claim, the amount, applicability or validity of which is being contested in good faith by appropriate proceedings or for which adequate reserves have been established.

SECTION 4.19 Reports to Holders.

(a) So long as any Notes are outstanding, notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the U.S. Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to the rules and regulations promulgated by the Commission, the Company will file with the Commission within the time periods specified in the Commission's rules and regulations that are then applicable to the Company (or if the Company is not then subject to the reporting requirements of the U.S. Exchange Act, then the time periods for filing applicable to a filer that is not an "accelerated filer" as defined in such rules and regulations) (in either case, including any extension as would be permitted by Rule 12b-25 under the U.S. Exchange Act or any special order of the Commission):

(1) all financial information that would be required to be contained in an annual report on Form 10-K, or any successor or comparable form, filed with the Commission, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" section and a report on the annual financial statements by the Company's independent registered public accounting firm;

(2) all financial information that would be required to be contained in a quarterly report on Form 10-Q, or any successor or comparable form, filed with the Commission, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” section; and

(3) all current reports that would be required to be filed with the Commission on Form 8-K, or any successor or comparable form, if the Company were required to file such reports,

in each case in a manner that complies in all material respects with the requirements specified in such form *provided, however*, that the Trustee shall have no responsibility whatsoever to determine if such filing has occurred.

(b) In addition, so long as any Notes are outstanding, at the time of the delivery of each report described in clauses (1) and (2) above, the Company shall furnish to the holders of the Notes and to prospective investors, upon their request, or shall include in such reports described in clauses (1) and (2) above, (i) the aggregate net book value of the Subject Vessels as of the end of the applicable fiscal year or fiscal quarter and (ii) a description of any change in the identity of the Subject Vessels as of the end of the applicable fiscal year or fiscal quarter.

(c) The requirements set forth in Section 4.19(a) or Section 4.19(b) may be satisfied by delivering such information to the Trustee and posting copies of such information on a website or on IntraLinks or any comparable online data system or website.

(d) Not later than ten Business Days after the furnishing of each such report discussed in Section 4.19(a)(1) or (2), the Company will hold a conference call related to the report. Details regarding access to such conference call will be posted at least 24 hours prior to the commencement of such call on the website, IntraLinks or other online data system or website on which the report is posted.

(e) The reports set forth in Section 4.19(a)(1) and (2) shall include disclosure with respect to the non-Guarantor Subsidiaries similar to what was included in the Offering Memorandum.

(f) In addition, the Issuer will make such information described in Section 4.19(a) available electronically to prospective investors upon request. The Issuer agrees that, for so long as any Notes remain outstanding during any period when it is not or the Company is not subject to Section 13 or 15(d) of the U.S. Exchange Act, or otherwise permitted to furnish the Commission with certain information pursuant to Rule 12g3-2(b) of the U.S. Exchange Act, it will furnish to the holders of the Notes and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the U.S. Securities Act. Further, if a direct or indirect parent of the Issuer and/or Carnival plc files with or furnishes to the Commission documents or reports pursuant to Section 13 or 15(d) of the Exchange Act, then such filings shall be deemed to satisfy the reporting requirements of this provision; *provided*, that such direct or indirect parent also guarantees the Notes.

(g) Notwithstanding the foregoing clauses (a) through (f) of this Section 4.19, the Issuer will be deemed to have delivered such reports and information referred to above to the

holders, prospective investors, market makers, securities analysts and the Trustee for all purposes of this Indenture if the Issuer or the Company has filed such reports with the Commission via the EDGAR filing system (or any successor system) and such reports are publicly available.

(h) Delivery of reports, information and documents to the Trustee is for informational purposes only, and its receipt of such reports, information and documents shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's, any Guarantors' or any other Person's compliance with any of its covenants under this Indenture or the Notes (as to which the Trustee is entitled to rely exclusively on the Officer's Certificates delivered pursuant to this Indenture). The Trustee shall have no liability or responsibility for the content, filing or timeliness of any report delivered or filed under or in connection with this Indenture or the transactions contemplated thereunder.

SECTION 4.20 Covenant Fall-Away Events. If on any date following the Issue Date, (a) the Notes have Investment Grade Ratings from at least two of the Rating Agencies and (b) no Default has occurred and is continuing under this Indenture, then, beginning on such date (the occurrence of the events described in the foregoing clauses (a) and (b) being collectively referred to as a "Covenant Fall-Away Event"), the covenants set forth in (i) Section 4.06, (ii) Section 4.08, (iii) Section 4.09, (iv) Section 4.10, (v) Section 4.15, (vi) Section 4.16, (vii) Section 4.23 and (viii) Section 5.01(a)(iv) shall have no further force and effect (collectively, the "Terminated Covenants"), regardless of whether the conditions set forth in clauses (a) and (b) of this Section 4.20 continue to be satisfied.

SECTION 4.21 Use of Proceeds. Neither the Issuer nor the Company shall, directly or indirectly, use, place, invest or give economic use to the proceeds from the Notes in the Republic of Panama.

SECTION 4.22 The Subject Vessels.

(a) The Company and the Issuer shall use their commercially reasonable efforts to cause, on or prior to the Subject Vessel End Date, the Subject Vessel Contributions to be completed. Notwithstanding the foregoing, the Issuer may elect on one occasion to extend the Subject Vessel End Date by an additional period of 90 days; *provided* that the Subject Vessel Contribution Extension Condition is met. The Issuer shall provide written notice to the Trustee of any such election prior to the original Subject Vessel End Date; such notice being for informational purposes only and the Trustee's receipt of such notice not constituting constructive notice of any information contained therein or determinable from information contained therein.

(b) The Issuer and the Guarantors shall use commercially reasonable efforts to cause the Bareboat Charter Transactions to be completed on or prior to the Subject Vessel End Date.

(c) The Company shall be permitted to contribute or transfer to the Issuer Additional Subject Vessels after the Issue Date, including for the purpose of reducing the Issuer Senior LTV Ratio and Issuer Total LTV Ratio and/or causing any applicable requirements based upon the calculation of such ratios to be satisfied. The Company may contribute or otherwise

transfer to the Issuer substitution Subject Vessels as part of the Subject Vessel Contributions in lieu of one or more Initial Subject Vessels, *provided* that such substitution Subject Vessel or Subject Vessels have a net book value, as of the Issue Date (or, in the case of any substitution Subject Vessel not owned by the Company or any of its Restricted Subsidiaries as of the Issue Date, as of the date of acquisition of such Subject Vessel), that is no less than the net book value, as of the Issue Date, of the Vessel or Vessels they are substituted for.

(d) For all purposes under this Indenture, the Issuer Senior LTV Ratio and the Issuer Total LTV Ratio shall be calculated giving *pro forma* effect to any contributions or transfers of Additional Subject Vessels to the Issuer (including, without limitation, in connection with a Subject Vessel Replacement) and any sales, leases, conveyances or other dispositions by the Issuer and its Restricted Subsidiaries (if any) of any Subject Vessel(s) to a Person other than the Issuer and its Restricted Subsidiaries that are Subsidiary Guarantors (and the use of proceeds thereof) in each case occurring after the date of the referenced balance sheet but prior to the event for which the calculation of the Issuer Senior LTV Ratio or the Issuer Total LTV Ratio is made, as if the same had occurred prior to the date of the referenced balance sheet. References in this Indenture to calculations of the Issuer Senior LTV Ratio and the Issuer Total LTV Ratio on a *pro forma* basis shall be deemed to refer to calculations consistent with this Section 4.22(d).

SECTION 4.23 Limitation on Activities of the Issuer.

Notwithstanding anything to the contrary set forth in Section 4.06, Section 4.07 and/or Section 4.15, for so long as any Notes are outstanding, the Issuer shall not, and shall not cause or permit any of its Restricted Subsidiaries (if any) to, directly or indirectly:

(a) incur any Indebtedness (other than the Notes issued on the Issue Date and the related Note Guarantees) unless (a)(i) solely with respect to Indebtedness that is not subordinated in right of payment with the Notes and the Notes Guarantees, the Issuer Senior LTV Ratio would be no greater than 25% on a *pro forma* basis (after giving effect to such incurrence, the use of proceeds thereof and the Subject Vessel Contributions (to the extent not completed prior to the date of such incurrence)) or (ii) solely with respect to Indebtedness that is subordinated in right of payment to the Notes or any Note Guarantee, the Issuer Total LTV Ratio would be no greater than 50% on a *pro forma* basis (after giving effect to such incurrence, the use of proceeds thereof and the Subject Vessel Contributions (to the extent not completed prior to the date of such incurrence)) or (b) such Indebtedness constitutes Indebtedness permitted to be incurred under the covenant described under Section 4.06 in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge, the Notes issued on the Issue Date, the related Note Guarantees or any other Indebtedness that was permitted to be incurred under this clause Section 4.23(a);

(b) create, incur, assume or otherwise cause to exist or become effective any Lien securing Indebtedness upon any of their property or assets, now owned or hereafter acquired, except for Permitted Issuer Liens;

(c) Guarantee any Indebtedness of the Company or any Restricted Subsidiary thereof (other than the Issuer and its Restricted Subsidiaries); or

(d) form or acquire any Subsidiary unless such Subsidiary is, or becomes in connection therewith, a Restricted Subsidiary and a Subsidiary Guarantor.

Prior to the date the Subject Vessel Contribution is completed, the Issuer shall retain, solely for its own account, the net proceeds of the issuance of the Notes issued on the Issue Date (and any other Indebtedness incurred prior to the date that the Subject Vessel Contribution is completed) in the form of cash or Cash Equivalents; *provided* that, if the Subject Vessel Contribution Extension Condition has been satisfied, then the Issuer may transfer such net proceeds to Carnival Corp. or any other Restricted Subsidiary in an amount up to 25% of the aggregate net book value (as of the Issue Date (or, in the case of any Subject Vessel not owned by the Company or any of its Restricted Subsidiaries as of the Issue Date, as of the date of acquisition of such Subject Vessel)) of the Subject Vessels that have been transferred to the Issuer in Subject Vessel Contributions.

ARTICLE FIVE MERGER, CONSOLIDATION OR SALE OF ASSETS

SECTION 5.01 Merger, Consolidation or Sale of Assets.

(a) None of the Issuer, Carnival Corp. or Carnival plc will, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not the Issuer, Carnival Corp. or Carnival plc (as applicable) is the surviving Person), or (2) sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties or assets of the Issuer and its Subsidiaries which are Restricted Subsidiaries, taken as a whole, or of the Company and its Subsidiaries which are Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

(i) either: (a) the Issuer, Carnival Corp. or Carnival plc (as applicable) is the surviving Person; or (b) the Person formed by or surviving any such consolidation or merger (if other than the Issuer, Carnival Corp. or Carnival plc (as applicable)) or to which such sale, assignment, transfer, lease, conveyance or other disposition has been made is an entity organized or existing under the laws of Switzerland, Canada or any Permitted Jurisdiction;

(ii) the Person formed by or surviving any such consolidation or merger (if other than the Issuer, Carnival Corp. or Carnival plc (as applicable)) or the Person to which such sale, assignment, transfer, lease, conveyance or other disposition has been made assumes, by a supplemental indenture entered into with the Trustee, all the obligations of the Issuer, Carnival Corp. or Carnival plc (as applicable) under the Notes and this Indenture (including the Note Guarantee of Carnival Corp. or Carnival plc, if applicable);

(iii) immediately after such transaction, no Default or Event of Default is continuing;

(iv) on the date of such transaction after giving *pro forma* effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, (a) with respect to any such transaction of Carnival Corp. or Carnival plc, Carnival Corp. or Carnival plc (as applicable) or the Person formed by or surviving

any such consolidation or merger (if other than Carnival Corp. or Carnival plc (as applicable)), or to which such sale, assignment, transfer, lease, conveyance or other disposition has been made would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.06(a) and (b) with respect to any such transaction of the Issuer, the Issuer Senior LTV Ratio would not be greater than the greater of (x) 25% and (y) the Issuer Senior LTV Ratio immediately prior to such transaction; and

(v) the Issuer delivers to the Trustee an Officer's Certificate and Opinion of Counsel, in each case, stating that such consolidation, merger or transfer and, in the case in which a supplemental indenture is entered into, such supplemental indenture, comply with this Section 5.01 and that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

Clauses (iii) and (iv) of this Section 5.01(a) shall not apply to any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets to or merger or consolidation of Carnival Corp. or Carnival plc (as applicable) with or into a Guarantor and clause (iv) of this Section 5.01(a) will not apply to any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets to or merger or consolidation of the Issuer, Carnival Corp. or Carnival plc (as applicable) with or into an Affiliate for the purpose of reincorporating the Issuer, Carnival Corp. or Carnival plc (as applicable) in another jurisdiction.

(b) A Subsidiary Guarantor (other than a Subsidiary Guarantor whose Note Guarantee is to be released in accordance with the terms of the Note Guarantee and this Indenture as provided in Section 10.03) will not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not such Subsidiary Guarantor is the surviving entity), or (2) sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties or assets of such Subsidiary Guarantor and its Subsidiaries which are Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

(i) immediately after giving effect to that transaction, no Default or Event of Default is continuing;

(ii) either:

(A) the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger assumes all the obligations of that Subsidiary Guarantor under its Note Guarantee and this Indenture pursuant to a Supplemental Indenture; or

(B) such sale, assignment, transfer, lease, conveyance or other disposition of assets does not violate the provisions of this Indenture (including Section 4.09); and

(iii) the Issuer delivers to the Trustee an Officer's Certificate and Opinion of Counsel, in each case, stating that such consolidation, merger or transfer and, in the case in which a Supplemental Indenture is entered into, such Supplemental Indenture, comply

with this Section 5.01 and that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

(c) Notwithstanding the provisions of Section 5.01(b), (x)(a) any Restricted Subsidiary (other than the Issuer) may consolidate or merge with or into or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties and assets to any Guarantor and (b) any Guarantor (other than Carnival Corp.) may consolidate or merge with or into or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties and assets of such Guarantor and its Subsidiaries which are Restricted Subsidiaries to another Guarantor and (y) any Guarantor may consolidate or merge with or into an Affiliate incorporated or organized for the purpose of changing the legal domicile of such Guarantor, reincorporating such Guarantor in another jurisdiction or changing the legal form of such Guarantor.

SECTION 5.02 Successor Substituted. Upon any consolidation or merger, or any sale, conveyance, transfer, lease or other disposition of all or substantially all of the property and assets of the Issuer, Carnival Corp. or Carnival plc in accordance with Section 5.01 of this Indenture, any surviving entity formed by such consolidation or into which the Issuer, Carnival Corp. or Carnival plc, as applicable, is merged or to which such sale, conveyance, transfer, lease or other disposition is made, shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer or the Company, as applicable, under this Indenture with the same effect as if such surviving entity had been named as the Issuer or the Company, as applicable, herein; *provided* that the Company shall not be released from its obligation to pay the principal of, premium, if any, or interest and Additional Amounts, if any, on the Notes in the case of a lease of all or substantially all of its property and assets.

ARTICLE SIX DEFAULTS AND REMEDIES

SECTION 6.01 Events of Default.

(a) Each of the following shall be an “Event of Default”:

(i) default for 30 days in the payment when due of interest or Additional Amounts, if any, with respect to the Notes;

(ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes;

(iii) failure by the Issuer or relevant Guarantor to comply with Section 4.11 or Section 5.01;

(iv) failure by the Issuer or relevant Guarantor for 60 days after written notice to the Issuer by the Trustee or the Holders of at least 30% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the agreements in this Indenture (other than a default in performance, or breach, or a covenant or agreement which is specifically dealt with in clause (i), (ii) or (iii) above);

(v) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries), other than Indebtedness owed to the Company or any of its Restricted Subsidiaries, whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, if that default:

(1) is caused by a failure to pay principal of such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default; or

(2) results in the acceleration of such Indebtedness prior to its express maturity,

and, in each case, the principal amount of any such Indebtedness that is due and has not been paid, together with the principal amount of any other such Indebtedness that is due and has not been paid or the maturity of which has been so accelerated, equals or exceeds \$120.0 million in aggregate;

(vi) failure by the Company or any Restricted Subsidiary that is a Significant Subsidiary, or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of \$120.0 million (exclusive of any amounts for which a solvent insurance company has acknowledged liability), which judgments shall not have been discharged or waived and there shall have been a period of 60 consecutive days during which a stay of enforcement of such judgment or order, by reason of an appeal, waiver or otherwise, shall not have been in effect;

(vii) except as permitted by this Indenture (including with respect to any limitations), any Note Guarantee of the Company, a Significant Subsidiary, or any group of the Company's Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect, or any Guarantor which is the Company, a Significant Subsidiary, or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, or any Person acting on behalf of any such Guarantor, denies or disaffirms its obligations under its Note Guarantee and such Default continues for 30 days; or

(viii) (A) a court having jurisdiction over the Issuer, the Company or a Significant Subsidiary enters (x) a decree or order for relief in respect of the Issuer, the Company or any of the Company's Restricted Subsidiaries that is a Significant Subsidiary or any group of the Company's Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary in an involuntary case or proceeding under any Bankruptcy Law or (y) a decree or order adjudging the Issuer, the Company or any of the Issuer's or Company's Restricted Subsidiaries that is a Significant Subsidiary, or any group of the Company's Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, as bankrupt or insolvent, or approving as properly filed a petition

seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer, the Company or any such Subsidiary or group of Restricted Subsidiaries under any Bankruptcy Law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Issuer, the Company or any such Subsidiary or group of Restricted Subsidiaries or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days or (B) the Issuer, the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of the Company's Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary (i) commences a voluntary case under any Bankruptcy Law or consents to the entry of an order for relief in an involuntary case under any Bankruptcy Law, (ii) consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Issuer, the Company or any such Subsidiary or group of Restricted Subsidiaries or for all or substantially all the property and assets of the Issuer, the Company or any such Subsidiary or group of Restricted Subsidiaries, (iii) effects any general assignment for the benefit of creditors or (iv) generally is not paying its debts as they become due.

(b) If a Default or an Event of Default occurs and is continuing and is known to a responsible officer of the Trustee, the Trustee shall deliver to each Holder notice of the Default or Event of Default within 15 Business Days after its occurrence by registered or certified mail or facsimile transmission of an Officer's Certificate specifying such event, notice or other action, its status and what action the Issuer is taking or proposes to take with respect thereto. Except in the case of a Default or an Event of Default in payment of principal of, premium, if any, and Additional Amounts or interest on any Notes, the Trustee may withhold the notice to the Holders of such Notes if a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of the Holders. The Trustee shall not be deemed to have knowledge of a Default unless a Trust Officer has actual knowledge of such Default. The Issuer shall also notify the Trustee within 15 Business Days of the occurrence of any Default stating what action, if any, it is taking with respect to that Default.

(c) If any report or conference call required by Section 4.19 is provided after the deadlines indicated for such report or conference call, the later provision of the applicable report or conference call shall cure a Default caused by the failure to provide such report or conference call prior to the deadlines indicated, so long as no Event of Default shall have occurred and be continuing as a result of such failure.

SECTION 6.02 Acceleration.

(a) If an Event of Default (other than an Event of Default specified in Section 6.01(a)(viii)) occurs and is continuing, the Trustee may, or the Holders of at least 30% in aggregate principal amount of the then outstanding Notes by written notice to the Issuer (and to the Trustee if such notice is given by the Holders) may and the Trustee shall, if so directed by the Holders of at least 30% in aggregate principal amount of the then outstanding Notes, declare all the Notes to be due and payable immediately. In the event of a declaration of acceleration of the Notes because an Event of Default described in Section 6.01(a)(v) has occurred and is continuing, the declaration

of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(v) shall be remedied or cured, or waived by the Holders of the relevant Indebtedness, or the Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction.

(b) In the case of an Event of Default arising under Section 6.01(a)(viii), with respect to the Issuer, the Company, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice.

(c) The Holders of not less than a majority in aggregate principal amount of the Notes outstanding by notice to the Trustee may, on behalf of the Holders of all outstanding Notes, rescind acceleration or waive any existing Default or Event of Default and its consequences under this Indenture, except a continuing Default or Event of Default:

(i) in the payment of the principal of, premium, if any, any Additional Amounts or interest on any Note held by a non-consenting Holder (which may only be waived with the consent of each Holder of Notes affected); or

(ii) for any Note held by a non-consenting Holder, in respect of a covenant or provision which under this Indenture cannot be modified or amended without the consent of the Holder of each Note affected by such modification or amendment.

Upon any such rescission or waiver, such Default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose under this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

(d) Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or in its exercise of any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with applicable law or this Indenture, that the Trustee determines may be unduly prejudicial to the rights of other holders of the Notes (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such directions are unduly prejudicial to such Holders) or that may involve the Trustee in personal liability. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except a Default or Event of Default relating to the payment of principal, interest or Additional Amounts or premium, if any.

(e) Subject to the provisions of Article Seven, in case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense. Except (subject to the provisions of Article Nine) to enforce the right to receive payment

of principal, premium, if any, or interest or Additional Amounts when due, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

(i) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(ii) Holders of at least 30% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;

(iii) such Holders have offered, and if requested, provide to the Trustee reasonable security or indemnity against any loss, liability or expense;

(iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and

(v) Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

(f) Within 30 days of the occurrence of any Default or Event of Default, the Issuer is required to deliver to the Trustee a statement specifying such Default or Event of Default.

(g) If the Notes are accelerated or otherwise become due prior to their stated maturity, in each case as a result of an Event of Default specified in Section 6.01(a)(viii) (including the acceleration of any portion of the Indebtedness evidenced by the Notes by operation of law), the amount that shall then be due and payable shall be equal to:

(i) (A) 100% of the principal amount of the Notes then outstanding plus the Applicable Premium in effect on the date of such acceleration or (B) the applicable redemption price in effect on the date of such acceleration, as applicable, plus

(ii) accrued and unpaid interest to, but excluding, the date of such acceleration,

in each case as if such acceleration were an optional redemption of the Notes so accelerated.

(h) Notwithstanding the generality of the foregoing, if the Notes are accelerated or otherwise become due prior to their stated maturity, in each case, as a result of an Event of Default specified in Section 6.01(a)(viii) (including the acceleration of any portion of the Indebtedness evidenced by the Notes by operation of law), the Applicable Premium or the amount by which the applicable redemption price exceeds the principal amount of the Notes (the "Redemption Price Premium"), as applicable, with respect to an optional redemption of the Notes shall also be due and payable as though the Notes had been optionally redeemed on the date of such acceleration and shall constitute part of the Obligations with respect to the Notes in view of the impracticability and difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Holder's lost profits as a result thereof. If the Applicable Premium or the Redemption Price Premium, as applicable, becomes due and payable, it shall be deemed to be principal of the Notes and interest shall accrue on the full principal amount of the Notes (including the Applicable Premium or the Redemption Price Premium, as applicable)

from and after the applicable triggering event. Any premium payable pursuant to this paragraph shall be presumed to be liquidated damages sustained by each Holder as the result of the acceleration of the Notes, and the Issuer agrees that it is reasonable under the circumstances currently existing. The premium shall also be payable in the event the Notes or this Indenture are satisfied, released or discharged through foreclosure, whether by judicial proceeding, deed in lieu of foreclosure or by any other means. THE ISSUER AND EACH GUARANTOR EXPRESSLY WAIVES (TO THE FULLEST EXTENT IT MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION. The Issuer expressly agrees (to the fullest extent it may lawfully do so) that:

- (i) the premium is reasonable and is the product of an arm's length transaction between sophisticated business entities ably represented by counsel;
- (ii) the premium shall be payable notwithstanding the then prevailing market rates at the time acceleration occurs;
- (iii) there has been a course of conduct between the Holders and the Issuer giving specific consideration in this transaction for such agreement to pay the premium; and
- (iv) the Issuer shall be estopped hereafter from claiming differently than as agreed to in this paragraph.

The Issuer expressly acknowledges that its agreement to pay the premium to the Holders as set forth herein is a material inducement to the Holders to purchase the Notes.

SECTION 6.03 Other Remedies. If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name and as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders in respect of which such judgment has been recovered.

SECTION 6.04 Waiver of Past Defaults. The Holders of not less than a majority in aggregate principal amount of the outstanding Notes may, by written notice to the Trustee, on behalf of the Holders of all the Notes, waive any past Default hereunder and its consequences, except a continuing Default or Event of Default:

(a) in the payment of the principal of, premium, if any, Additional Amounts, if any, or interest on any Note held by a non-consenting Holder (which may only be waived with the consent of each Holder of Notes affected); or

(b) for any Note held by a non-consenting Holder, in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the holders of each Note affected by such modification or amendment.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

SECTION 6.05 Control by Majority. The Holders of a majority in aggregate principal amount of the Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee under this Indenture; *provided that*:

(a) the Trustee may refuse to follow any direction that conflicts with law, this Indenture or that the Trustee determines, without obligation, in good faith may be unduly prejudicial to the rights of Holders not joining in the giving of such direction;

(b) the Trustee may refuse to follow any direction that the Trustee determines is unduly prejudicial to the rights of other Holders or would involve the Trustee in personal liability; and

(c) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction.

SECTION 6.06 Limitation on Suits. A Holder may not institute any proceedings or pursue any remedy with respect to this Indenture or the Notes unless:

(a) Such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(b) the Holders of at least 30% in aggregate principal amount of outstanding Notes shall have made a written request to the Trustee to pursue such remedy;

(c) such Holder or Holders have offered, and if requested, provide the Trustee reasonable security and/or indemnity (including by way of pre-funding) against any costs, liability or expense;

(d) the Trustee does not comply with such request within 60 days after the receipt of the request and the offer of security and/or indemnity (including by way of pre-funding); and

(e) the Holders of a majority in aggregate principal amount of the then outstanding Notes do not give the Trustee a direction that is inconsistent with the request within such 60-day period.

The limitations in the foregoing provisions of this Section 6.06, however, do not apply to a suit instituted by a Holder for the enforcement of the payment of the principal of, premium, if any, Additional Amounts, if any, or interest, if any, on such Note on or after the respective due dates expressed in such Note.

A Holder may not use this Indenture to prejudice the rights of any other Holder or to obtain a preference or priority over another Holder.

SECTION 6.07 Unconditional Right of Holders to Bring Suit for Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to bring suit for the enforcement of payment of principal, premium, if any, Additional Amounts, if any, and interest, if any, on the Notes held by such Holder, on or after the respective due dates expressed in the Notes shall not be impaired or affected without the consent of such Holder.

SECTION 6.08 Collection Suit by Trustee. The Issuer covenants that if default is made in the payment of:

(a) any installment of interest on any Note when such interest becomes due and payable and such default continues for a period of 30 days, or

(b) the principal of (or premium, if any, on) any Note at the Stated Maturity thereof,

the Issuer shall, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holders of such Notes, the whole amount then due and payable on such Notes for principal (and premium, if any), Additional Amounts, if any, and interest, and interest on any overdue principal (and premium, if any) and Additional Amounts, if any, and, to the extent that payment of such interest shall be legally enforceable, upon any overdue installment of interest, at the rate borne by the Notes, and, in addition thereto, such further amount as shall be sufficient to cover the amounts provided for in Section 7.05 and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer or any other obligor upon the Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer or any other obligor upon the Notes, wherever situated.

SECTION 6.09 Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the

Trustee under Section 7.05) and the Holders allowed in any judicial proceedings relative to any of the Issuer or Guarantors, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders at their direction in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.05. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee under Section 7.05 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties which the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing herein contained shall be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10 Application of Money Collected. If the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money or property in the following order:

FIRST: to the Trustee and any Agent for amounts due under Section 7.05;

SECOND: to Holders for amounts due and unpaid on the Notes for principal of, premium, if any, interest, if any, and Additional Amounts, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, interest, if any, and Additional Amounts, if any, respectively; and

THIRD: to the Issuer, any Guarantor or any other obligors of the Notes, as their interests may appear, or as a court of competent jurisdiction may direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 30 days before such record date, the Issuer shall deliver to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11 Undertaking for Costs. A court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in the suit of an undertaking to pay the costs of such suit, and such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by Holders of more than 10% in aggregate principal amount of the outstanding Notes or to any suit by any Holder pursuant to Section 6.07.

SECTION 6.12 Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 6.13 Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.14 Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article Six or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.15 Record Date. The Issuer may set a record date for purposes of determining the identity of Holders entitled to vote or to consent to any action by vote or consent authorized or permitted by Sections 6.04 and 6.05. Unless this Indenture provides otherwise, such record date shall be the later of 30 days prior to the first solicitation of such consent or the date of the most recent list of Holders furnished to the Trustee pursuant to Section 2.05 prior to such solicitation.

SECTION 6.16 Waiver of Stay or Extension Laws. Each Issuer covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SEVEN TRUSTEE

SECTION 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing of which a Trust Officer of the Trustee has actual knowledge, the Trustee shall exercise such of the rights and

powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Subject to the provisions of Section 7.01(a), (i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no others and no implied covenants or obligations shall be read into this Indenture against the Trustee; and (ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. In the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine same to determine whether they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) [Reserved]

(d) The Trustee shall not be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer of the Trustee unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02 or 6.05.

(e) The Trustee and any Paying Agent shall not be liable for interest on any money received by it except as the Trustee and any Paying Agent may agree in writing with the Issuer or the Guarantors. Money held by the Trustee or the Principal Paying Agent need not be segregated from other funds except to the extent required by law and, for the avoidance of doubt, shall not be held in accordance with the UK client money rules.

(f) No provision of this Indenture shall require the Trustee, each Agent or the Principal Paying Agent to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not assured to it.

(g) Any provisions hereof relating to the conduct or affecting the liability of or affording protection to the Trustee or each Agent, as the case may be, shall be subject to the provisions of this Section 7.01.

SECTION 7.02 Certain Rights of Trustee.

(a) Subject to Section 7.01:

(i) following the occurrence of a Default or an Event of Default, the Trustee is entitled to require all Agents to act under its direction;

(ii) the Trustee may rely conclusively, and shall be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper person;

(iii) before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both, which shall conform to Section 12.02. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion and such certificate or opinion will be equal to complete authorization;

(iv) the Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any attorney or agent appointed with due care by them hereunder;

(v) the Trustee shall not be under any obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders shall have offered to the Trustee indemnity (including by way of pre-funding) satisfactory to them against the costs, expenses and liabilities that might be incurred by them in compliance with such request or direction;

(vi) unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer will be sufficient if signed by an officer of such Issuer;

(vii) the Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers;

(viii) whenever, in the administration of this Indenture, the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;

(ix) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer personally or by agent or attorney;

(x) the Trustee shall not be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture;

(xi) in the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than a majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee, in its discretion, may determine what action, if any, will be taken and shall incur no liability for their failure to act until such inconsistency or conflict is, in its reasonable opinion, resolved;

(xii) the permissive rights of the Trustee to take the actions permitted by this Indenture will not be construed as an obligation or duty to do so;

(xiii) delivery of reports, information and documents to the Trustee under Section 4.19 is for informational purposes only and the Trustee's receipt of the foregoing will not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's, the Company's or any of their Restricted Subsidiary's compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates);

(xiv) the rights, privileges, protections, immunities and benefits given to the Trustee in this Indenture, including, without limitation, its rights to be indemnified and compensated, are extended to, and will be enforceable by, the Trustee in its capacity hereunder, by the Registrar, the Agents, and each agent, custodian and other Person employed to act hereunder;

(xv) the Trustee may consult with counsel or other professional advisors and the advice of such counsel or professional advisor or any Opinion of Counsel will, subject to Section 7.01(c), be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(xvi) the Trustee shall have no duty to inquire as to the performance of the covenants of the Issuer, the Company and/or their Restricted Subsidiaries in Article Four hereof;

(xvii) the Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes, but may at its sole discretion, choose to do so;

(xviii) in no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of, or caused by, directly or indirectly, forces beyond its control, including, without limitation, acts of war or terrorism, civil or military disturbances, public health emergencies, nuclear or natural catastrophes or acts of God; it being understood that the Trustee shall use reasonable efforts that are

consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances; and

(xix) the Trustee shall not under any circumstance be liable for any indirect or consequential loss, special or punitive damages (including loss of business, goodwill or reputation, opportunity or profit of any kind) of the Issuer, any Guarantor or any Restricted Subsidiary even if advised of it in advance and even if foreseeable.

(b) The Trustee may request that the Issuer deliver an Officer's Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(c) [Reserved].

(d) [Reserved].

(e) [Reserved].

(f) [Reserved].

(g) The Trustee is not required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture or the Notes.

(h) The Trustee will not be liable to any person if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control.

(i) No provision of this Indenture shall require the Trustee to do anything which, in its opinion, may be illegal or contrary to applicable law or regulation.

(j) The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion, based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable, the State of New York and may without liability (other than in respect of actions constituting willful misconduct or gross negligence) do anything which is, in its opinion, necessary to comply with any such law, directive or regulation.

(k) The Trustee may assume without inquiry in the absence of actual knowledge that the Issuer is duly complying with its obligations contained in this Indenture required to be performed and observed by it, and that no Default or Event of Default or other event which would require repayment of the Notes has occurred.

(l) [Reserved]

(m) In addition to the foregoing, the Trustee agrees to accept and act upon notice, instructions or directions pursuant to this Indenture sent by unsecured e-mail, pdf, facsimile transmission or other similar unsecured electronic methods; *provided* that any communication sent to the Trustee hereunder must be in the form of a document that is signed manually or by way of a digital signature provided by DocuSign (or such other digital signature provider as specified in writing to Trustee by the authorized representative). If the party elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee, in its discretion, elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The party providing electronic instructions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

SECTION 7.03 Individual Rights of Trustee. The Trustee, any Transfer Agent, any Paying Agent, any Registrar or any other agent of the Issuer or of the Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and, may otherwise deal with the Issuer with the same rights it would have if it were not Trustee, Paying Agent, Transfer Agent, Registrar or such other agent. The Trustee may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with the Issuer or any of its Affiliates or Subsidiaries as if it were not performing the duties specified herein, and may accept fees and other consideration from the Issuer for services in connection with this Indenture and otherwise without having to account for the same to the Trustee or to the Holders from time to time.

SECTION 7.04 Disclaimer of Trustee. The recitals contained herein and in the Notes, except for the Trustee's certificates of authentication, shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or the Notes. The Trustee shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture nor shall it be responsible for the use or application of any money received by any Paying Agent other than the Trustee and it will not be responsible for any statement or recital herein or any statement on the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than the Trustee's certificate of authentication.

SECTION 7.05 Compensation and Indemnity. The Issuer and the Guarantors, jointly and severally, shall pay to the Trustee such compensation as shall be agreed in writing for its services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer and the Guarantors, jointly and severally, shall reimburse the Trustee promptly upon request for all properly incurred disbursements, advances or expenses incurred or made by them, including costs of collection, in addition to the compensation for their services. Such expenses shall include the properly incurred compensation, disbursements, charges, advances and expenses of the Trustee's agents and counsel.

The Issuer and the Guarantors, jointly and severally, shall indemnify the Trustee against any and all loss, liability or expense (including attorneys' fees and expenses) incurred by either of them without willful misconduct or gross negligence on their part arising out of or in connection with the administration of this trust and the performance of their duties hereunder (including the costs and expenses of enforcing this Indenture against the Issuer and the Guarantors (including this Section 7.05) and defending themselves against any claim, whether asserted by the Issuer, the Guarantors, any Holder or any other Person, or liability in connection with the execution and performance of any of their powers and duties hereunder). The Trustee shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuer shall not relieve the Issuer or any Guarantor of its obligations hereunder. The Issuer shall, at the sole discretion of the Trustee, defend the claim and the Trustee may cooperate and may participate at the Issuer's expense in such defense. Alternatively, the Trustee may at its option have separate counsel of their own choosing and the Issuer shall pay the properly incurred fees and expenses of such counsel. The Issuer need not pay for any settlement made without its consent, which consent may not be unreasonably withheld. The Issuer shall not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or gross negligence.

To secure the Issuer's payment obligations in this Section 7.05, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee in its capacity as Trustee, except money or property held in trust to pay principal of, premium, if any, additional amounts, if any, and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of all Notes under this Indenture.

When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(a)(viii) with respect to the Issuer, the Guarantors, or any Restricted Subsidiary, the expenses are intended to constitute expenses of administration under Bankruptcy Law.

The Issuer's obligations under this Section 7.05 and any claim or Lien arising hereunder shall survive the resignation or removal of any Trustee, the satisfaction and discharge of the Issuer's obligations pursuant to Article Eight and any rejection or termination under any Bankruptcy Law, and the termination of this Indenture.

SECTION 7.06 Replacement of Trustee. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.06.

The Trustee may resign at any time without giving any reason by so notifying the Issuer. The Holders of a majority in outstanding principal amount of the outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer. The Issuer shall remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.09;
- (b) the Trustee is adjudged bankrupt or insolvent;
- (c) a receiver or other public officer takes charge of the Trustee or its property; or

(d) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed, or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer. If the successor Trustee does not deliver its written acceptance required by the next succeeding paragraph of this Section 7.06 within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of a majority in principal amount of the outstanding Notes may, at the expense of the Issuer, petition any court of competent jurisdiction for the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall deliver a notice of its succession to Holders. The retiring Trustee shall, at the expense of the Issuer, promptly transfer all property held by it as Trustee to the successor Trustee; *provided* that all sums owing to the Trustee hereunder have been paid pursuant to Section 7.05.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of at least 30% in outstanding principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee at the expense of the Issuer. Without prejudice to the right of the Issuer to appoint a successor Trustee in accordance with the provisions of this Indenture, the retiring Trustee may appoint a successor Trustee at any time prior to the date on which a successor Trustee takes office.

If the Trustee fails to comply with Section 7.09, any Holder who has been a bona fide Holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.06, the Issuer's and the Guarantors' obligations under Section 7.05 shall continue for the benefit of the retiring Trustee.

SECTION 7.07 Successor Trustee by Merger. Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; *provided* such corporation shall be otherwise qualified and eligible under this Article Seven, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Notes shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes. In case at that time any of the Notes shall not have been authenticated, any successor Trustee may

authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor Trustee. In all such cases such certificates shall have the full force and effect which this Indenture provides for the certificate of authentication of the Trustee shall have; *provided* that the right to adopt the certificate of authentication of any predecessor Trustee or to authenticate Notes in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

SECTION 7.08 [Reserved]

SECTION 7.09 Eligibility; Disqualification. There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of England and Wales or the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power and which is generally recognized as a corporation which customarily performs such corporate trustee roles and provides such corporate trustee services in transactions similar in nature to the offering of the Notes as described in the Offering Memorandum. The Trustee shall have a combined capital and surplus of at least \$50,000,000, as set forth in its most recent published annual report of condition. If the Trustee acquires any “conflicting interest” (as defined in 310(b) of the TIA) it must comply with the applicable provisions of Section 310 of the TIA in respect of such conflicting interest. The Trustee is subject to Section 311(a) of the TIA, excluding any creditor relationship listed in Section 311(b) of the TIA.

SECTION 7.10 Appointment of Co-Trustee.

(a) It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture, and in particular in case of the enforcement thereof on Default, or in the case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted or take any action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an individual or institution as a separate or co-trustee. The following provisions of this Section 7.10 are adopted to these ends.

(b) In the event that the Trustee appoints an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and Lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate or co-trustee but only to the extent necessary to enable such separate or co-trustee to exercise such powers, rights and remedies, and only to the extent that the Trustee by the laws of any jurisdiction is incapable of exercising such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them.

(c) Should any instrument in writing from the Issuer be required by the separate or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall to the extent permitted by the laws of the State of New York and the jurisdiction

of organization of the Issuer, on request, be executed, acknowledged and delivered by the Issuer; *provided* that if an Event of Default shall have occurred and be continuing, if the Issuer does not execute any such instrument within 15 days after request therefor, the Trustee shall be empowered as an attorney-in-fact for the Issuer to execute any such instrument in the Issuer's name and stead. In case any separate or co-trustee or a successor to either shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate or co-trustee.

(d) Each separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) all rights and powers, conferred or imposed upon the Trustee shall be conferred or imposed upon and may be exercised or performed by such separate trustee or co-trustee; and

(ii) no trustee hereunder shall be liable by reason of any act or omission of any other trustee hereunder.

(e) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article Seven.

(f) Any separate trustee or co-trustee may at any time appoint the Trustee as its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successors trustee.

SECTION 7.11 Resignation of Agents.

(a) Any Agent may resign its appointment hereunder at any time without the need to give any reason and without being responsible for any costs associated therewith by giving to the Issuer and the Trustee and (except in the case of resignation of the Principal Paying Agent) the Principal Paying Agent 30 days' written notice to that effect (waivable by the Issuer and the Trustee); *provided* that in the case of resignation of the Principal Paying Agent no such resignation shall take effect until a new Principal Paying Agent (approved in advance in writing by the Trustee) shall have been appointed by the Issuer to exercise the powers and undertake the duties hereby conferred and imposed upon the Principal Paying Agent. Following receipt of a notice of resignation from any Agent, the Issuer shall promptly give notice thereof to the Holders in accordance with Section 12.01. Such notice shall expire at least 30 days before or after any due date for payment in respect of the Notes.

(b) If any Agent gives notice of its resignation in accordance with this Section 7.11 and a replacement Agent is required and by the tenth day before the expiration of such notice such replacement has not been duly appointed, such Agent may itself appoint as its replacement

any reputable and experienced financial institution. Immediately following such appointment, the Issuer shall give notice of such appointment to the Trustee, the remaining Agents and the Holders whereupon the Issuer, the Trustee, the remaining Agents and the replacement Agent shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form *mutatis mutandis* of this Indenture.

(c) Upon its resignation becoming effective the Principal Paying Agent shall forthwith transfer all moneys held by it hereunder hereof to the successor Principal Paying Agent or, if none, the Trustee or to the Trustee's order, but shall have no other duties or responsibilities hereunder, and shall be entitled to the payment by the Issuer of its remuneration for the services previously rendered hereunder and to the reimbursement of all reasonable expenses (including legal fees) incurred in connection therewith.

SECTION 7.12 Agents General Provisions.

(a) Actions of Agents. The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several.

(b) Agents of Trustee. The Issuer and the Agents acknowledge and agree that in the event of a Default or Event of Default, the Trustee may, by notice in writing to the Issuer and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee. Prior to receiving such written notification from the Trustee, the Agents shall be the agents of the Issuer and need have no concern for the interests of the Holders.

(c) Funds held by Agents. The Agents will hold all funds subject to the terms of this Indenture.

(d) Publication of Notices. Any obligation the Agents may have to publish a notice to Holders of Global Notes on behalf of the Issuer will be met upon delivery of the notice to DTC.

(e) Instructions. In the event that instructions given to any Agent are not reasonably clear, then such Agent shall be entitled to seek clarification from the Issuer or other party entitled to give the Agents instructions under this Indenture by written request promptly, and in any event within one Business Day of receipt by such Agent of such instructions. If an Agent has sought clarification in accordance with this Section 7.12, then such Agent shall be entitled to take no action until such clarification is provided, and shall not incur any liability for not taking any action pending receipt of such clarification.

(f) No Fiduciary Duty. No Agent shall be under any fiduciary duty or other obligation towards, or have any relationship of agency or trust, for or with any person.

(g) Mutual Undertaking. Each party shall, within ten Business Days of a written request by another party, supply to that other party such forms, documentation and other information relating to it, its operations, or the Notes as that other party reasonably requests for the purposes of that other party's compliance with applicable law and shall notify the relevant other party reasonably promptly in the event that it becomes aware that any of the forms, documentation or other information provided by such party is (or becomes) inaccurate in any

material respect; *provided, however*, that no party shall be required to provide any forms, documentation or other information pursuant to this Section 7.12(g) to the extent that: (i) any such form, documentation or other information (or the information required to be provided on such form or documentation) is not reasonably available to such party and cannot be obtained by such party using reasonable efforts; or (ii) doing so would or might in the reasonable opinion of such party constitute a breach of any: (a) applicable law or (b) duty of confidentiality. For purposes of this Section 7.12(g), “applicable law” shall be deemed to include (i) any rule or practice of any regulatory or governmental authority by which any party is bound or with which it is accustomed to comply; (ii) any agreement between any Authorities; and (iii) any agreement between any regulatory or governmental authority and any party that is customarily entered into by institutions of a similar nature.

(h) Tax Withholding.

(i) The Issuer shall notify each Agent in the event that it determines that any payment to be made by an Agent under the Notes is a payment which could be subject to FATCA Withholding if such payment were made to a recipient that is generally unable to receive payments free from FATCA Withholding, and the extent to which the relevant payment is so treated; *provided, however*, that the Issuer’s obligations under this Section 7.12(h) shall apply only to the extent that such payments are so treated by virtue of characteristics of the Issuer, the Notes, or both.

(ii) Notwithstanding any other provision of this Indenture, each Agent shall be entitled to make a deduction or withholding from any payment which it makes under the Notes for or on account of any Tax, if and only to the extent so required by Applicable Law, in which event the Agent shall make such payment after such deduction or withholding has been made and shall account to the relevant Authority within the time allowed for the amount so deducted or withheld or, at its option, shall reasonably promptly after making such payment return to the Issuer the amount so deducted or withheld, in which case, the Issuer shall so account to the relevant Authority for such amount. For the avoidance of doubt, FATCA Withholding is a deduction or withholding which is deemed to be required by Applicable Law for the purposes of this Section 7.12(h)(ii).

ARTICLE EIGHT
DEFEASANCE; SATISFACTION AND DISCHARGE

SECTION 8.01 Issuer’s Option to Effect Defeasance or Covenant Defeasance. The Issuer may, at its option and at any time prior to the Stated Maturity of the Notes, by a resolution of Carnival Corp.’s Board of Directors, elect to have either Section 8.02 or Section 8.03 be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article Eight.

SECTION 8.02 Defeasance and Discharge. Upon the Issuer’s exercise under Section 8.01 of the option applicable to this Section 8.02, the Issuer and the Guarantors shall be deemed to have been discharged from their obligations with respect to the Notes on the date the conditions set forth in Section 8.04 are satisfied (hereinafter, “Legal Defeasance”). For this purpose, such Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes and to have satisfied all their other obligations

under the Notes and this Indenture (and the Trustee, at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of outstanding Notes to receive, solely from the trust fund described in Section 8.08 and as more fully set forth in such Section, payments in respect of the principal of (and premium, if any, on) and interest (including Additional Amounts) on such Notes when such payments are due from the trust referred to in Section 8.08, (b) the Issuer's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust, (c) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Issuer's and the Guarantors' obligations in connection therewith and (d) the provisions of this Article Eight. Subject to compliance with this Article Eight, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 below with respect to the Notes. If the Issuer exercises its Legal Defeasance option, payment of the Notes may not be accelerated because of an Event of Default.

SECTION 8.03 Covenant Defeasance. Upon the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.03, the Issuer and the Guarantors shall be released from their obligations under any covenant contained in Sections 4.04 through 4.11, 4.15 through 4.17, 4.19, 4.21, 4.22, 4.23, and 5.01 with respect to the Notes on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"). For this purpose, such Covenant Defeasance means that, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. For the avoidance of doubt, in the event Covenant Defeasance occurs, all Events of Default set forth in Section 6.01(a) (except those set forth in Sections 6.01(a)(i), (ii) or (viii) or, as it relates to any covenant or agreement not defeased in such Covenant Defeasance, Section 6.01(a)(iii)) shall no longer constitute an Event of Default with respect to the Notes.

SECTION 8.04 Conditions to Defeasance. In order to exercise either Legal Defeasance or Covenant Defeasance:

(i) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest (including Additional Amounts and premium, if any) on the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Issuer must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(ii) in the case of Legal Defeasance, the Issuer must deliver to the Trustee:

(A) an opinion of United States counsel, which counsel is reasonably acceptable to the Trustee, confirming that (i) the Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (ii) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such opinion of counsel will confirm that, the holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred; and

(B) an Opinion of Counsel in the jurisdiction of incorporation of the Issuer, which counsel is reasonably acceptable to the Trustee, to the effect that the holders of the Notes will not recognize income, gain or loss for tax purposes of such jurisdiction as a result of such deposit and defeasance and will be subject to tax in such jurisdiction on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(iii) in the case of Covenant Defeasance, the Issuer must deliver to the Trustee:

(A) an opinion of United States counsel, which counsel is reasonably acceptable to the Trustee, confirming that the holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred; and

(B) an opinion of counsel in the jurisdiction of incorporation of the Issuer, which counsel is reasonably acceptable to the Trustee, to the effect that the holders of the Notes will not recognize income, gain or loss for tax purposes of such jurisdiction as a result of such deposit and defeasance and will be subject to tax in such jurisdiction on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(iv) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);

(v) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than this Indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which the Issuer or any of the Guarantors is a party or by which the Issuer or any of the Guarantors is bound;

(vi) the Issuer must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of preferring the holders of Notes over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or others; and

(vii) the Issuer must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

If the funds deposited with the Trustee to effect Covenant Defeasance are insufficient to pay the principal of, premium, if any, and interest on the Notes when due because of any acceleration occurring after an Event of Default, then the Issuer and the Guarantors shall remain liable for such payments.

SECTION 8.05 Satisfaction and Discharge of Indenture. This Indenture, and the rights of the Trustee and the Holders of the Notes hereunder, shall be discharged and shall cease to be of further effect as to all Notes issued thereunder, when:

(1) either:

(A) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuer, have been delivered to the Trustee for cancellation; or

(B) all Notes that have not been delivered to the Trustee for cancellation (x) have become due and payable by reason of the delivery of a notice of redemption or otherwise, (y) will become due and payable within one year or (z) are to be called for redemption within one year as certified in writing by the Issuer pursuant to the giving of notice of redemption in the name, and at the expense, of the Issuer and, in each case, the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium and Additional Amounts, if any, and accrued interest to the date of maturity or redemption;

(2) the Issuer or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture;

(3) the Issuer has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be; and

(4) the Issuer has delivered an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied; *provided* that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clauses (1), (2) and (3)).

SECTION 8.06 Survival of Certain Obligations. Notwithstanding Sections 8.01 and 8.03, any obligations of the Issuer and the Guarantors in Sections 2.02 through 2.14, 6.07, 7.05 and 7.06 shall survive until the Notes have been paid in full. Thereafter, any obligations of the Issuer or the Guarantors in Section 7.05 shall survive such satisfaction and discharge. Nothing contained in this Article Eight shall abrogate any of the obligations or duties of the Trustee under this Indenture.

SECTION 8.07 Acknowledgment of Discharge by Trustee. Subject to Section 8.09, after the conditions of Section 8.02 or 8.03 have been satisfied, the Trustee upon written request shall acknowledge in writing the discharge of all of the Issuer's and Guarantor's obligations under this Indenture except for those surviving obligations specified in this Article Eight.

SECTION 8.08 Application of Trust Money. Subject to Section 8.09, the Trustee shall hold in trust cash in U.S. dollars or Government Securities deposited with it pursuant to this Article Eight. It shall apply the deposited cash or Government Securities through the Paying Agent and in accordance with this Indenture to the payment of principal of, premium, if any, interest, and Additional Amounts, if any, on the Notes; but such money need not be segregated from other funds except to the extent required by law.

SECTION 8.09 Repayment to Issuer. Subject to Sections 7.05, and 8.01 through 8.04, the Trustee and the Paying Agent shall promptly pay to the Issuer upon request set forth in an Officer's Certificate any excess money held by them at any time and thereupon shall be relieved from all liability with respect to such money. The Trustee and the Paying Agent shall pay to the Issuer upon request any money held by them for the payment of principal, premium, if any, interest or Additional Amounts, if any, that remains unclaimed for two years; *provided* that the Trustee or Paying Agent before being required to make any payment may cause to be published through the newswire service of Bloomberg or, if Bloomberg does not then operate, any similar agency or deliver to each Holder entitled to such money at such Holder's address (as set forth in the Security Register) notice that such money remains unclaimed and that after a date specified therein (which shall be at least 30 days from the date of such publication or delivery) any unclaimed balance of such money then remaining will be repaid to the Issuer. After payment to the Issuer, Holders entitled to such money must look to the Issuer for payment as general creditors unless an applicable law designates another Person, and all liability of the Trustee and such Paying Agent with respect to such money shall cease.

SECTION 8.10 Indemnity for Government Securities. The Issuer shall pay and shall indemnify the Trustee and the Paying Agent against any tax, fee or other charge imposed on or assessed against deposited Government Securities or the principal, premium, if any, interest, if any, and Additional Amounts, if any, received on such Government Securities.

SECTION 8.11 Reinstatement. If the Trustee or Paying Agent is unable to apply cash in U.S. dollars or Government Securities in accordance with this Article Eight by reason of any

legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and the Guarantors' obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article Eight until such time as the Trustee or any such Paying Agent is permitted to apply all such cash or Government Securities in accordance with this Article Eight; *provided* that, if the Issuer has made any payment of principal of, premium, if any, interest, if any, and Additional Amounts, if any, on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the cash in U.S. dollars or Government Securities held by the Trustee or the Paying Agent.

**ARTICLE NINE
AMENDMENTS AND WAIVERS**

SECTION 9.01 Without Consent of Holders.

(a) The Issuer, the Guarantors and the Trustee may modify, amend or supplement the Note Documents without notice to or consent of any Holder:

(i) to cure any ambiguity, omission, error, defect or inconsistency;

(ii) to provide for the assumption of the Issuer's or a Guarantor's obligations to Holders of Notes and Note Guarantees in the case of a consolidation or merger or sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the Issuer's or such Guarantor's assets, as applicable;

(iii) to make any change that would provide any additional rights or benefits to the Holders of Notes or that, in the good faith judgment of the Board of Directors of Carnival Corp., does not adversely affect the legal rights under this Indenture of any such holder in any material respect;

(iv) to conform the text of this Indenture, the Notes or the Note Guarantees to any provision of the section entitled "Description of Notes" in the Offering Memorandum to the extent that such provision in the "Description of Notes" was intended to be a verbatim recitation of a provision of this Indenture, the Notes or the Note Guarantees;

(v) to provide for any Restricted Subsidiary to provide a Note Guarantee in accordance with Section 4.06 and Section 4.15, to add security to or for the benefit of the Notes or to confirm and evidence the release, termination, discharge or retaking of any Note Guarantee or Lien or any amendment in respect thereof with respect to or securing the Notes when such release, termination, discharge or retaking or amendment is permitted under this Indenture;

(vi) to mortgage, pledge, hypothecate or grant a security interest in favor of or for the benefit of holders of Note Obligations;

(vii) to provide for the issuance of additional Notes in accordance with the limitations set forth in this Indenture as of the Issue

Date;

(viii) to allow any Guarantor (including any Parent Entity) to execute a Supplemental Indenture and a Note Guarantee with respect to the Notes;

(ix) to provide for uncertificated Notes in addition to or in place of Definitive Registered Notes (*provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code); or

(x) to evidence and provide the acceptance of the appointment of a successor Trustee under this Indenture.

(b) In connection with any proposed amendment or supplement in respect of such matters, the Trustee will be entitled to receive, and rely conclusively on, an Opinion of Counsel and/or an Officer's Certificate.

(c) For the avoidance of doubt (and without limiting the generality of any other statements in this Indenture), the provisions of the Trust Indenture Act of 1939, as amended, shall not apply to any amendments to or waivers or consents under this Indenture.

SECTION 9.02 With Consent of Holders.

(a) Except as provided in Section 9.02(b) below and Section 6.04 and without prejudice to Section 9.01, the Note Documents may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and any existing Default or Event of Default or compliance with any provision of this Indenture, the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes).

(b) Without the consent of each Holder affected, an amendment, supplement or waiver may not (with respect to any Notes held by a non-consenting Holder):

(i) reduce the principal amount of Notes whose holders must consent to an amendment, supplement or waiver;

(ii) reduce the principal of or change the fixed maturity of any Note or reduce the premium payable upon the redemption of any such Note or change the time at which such Note may be redeemed;

(iii) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(iv) impair the right of any Holder to institute suit for the enforcement of any payment on or with respect to such Holder's Notes or any Note Guarantee in respect thereof;

(v) waive a Default or Event of Default in the payment of principal of, or interest, Additional Amounts or premium, if any, on, the Notes (except a rescission of acceleration of the Notes by the holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment Default that resulted from such acceleration);

(vi) make any Note payable in money other than that stated in the Notes;

(vii) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of holders of Notes to receive payments of principal of, or interest, Additional Amounts or premium, if any, on, the Notes;

(viii) waive a redemption payment with respect to any Note (other than a payment required by Section 4.09 or Section 4.11);

(ix) make any change to or modify the ranking of the Notes as to contractual right of payment in a manner that would adversely affect the holders thereof;

(x) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture; or

(xi) make any change in the preceding amendment and waiver provisions.

(c) The consent of the Holders shall not be necessary under this Indenture to approve the particular form of any proposed amendment, modification, supplement, waiver or consent. It is sufficient if such consent approves the substance of the proposed amendment, modification, supplement, waiver or consent. A consent to any amendment or waiver under this Indenture by any Holder given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

SECTION 9.03 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article Nine, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 9.04 Notation on or Exchange of Notes. If an amendment, modification or supplement changes the terms of a Note, the Issuer or the Trustee may require the Holder to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note and on any Note subsequently authenticated regarding the changed terms and return it to the Holder. Alternatively, if the Issuer so determines, the Issuer in exchange for the Note shall issue, and the Trustee shall authenticate, a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, modification or supplement.

SECTION 9.05 [Reserved].

SECTION 9.06 Notice of Amendment or Waiver. Promptly after the execution by the Issuer and the Trustee of any supplemental indenture or waiver pursuant to the provisions of

Section 9.02, the Issuer shall give notice thereof to the Holders of each outstanding Note affected, in the manner provided for in Section 12.01(b), setting forth in general terms the substance of such supplemental indenture or waiver.

SECTION 9.07 Trustee to Sign Amendments, Etc. The Trustee shall execute any amendment, supplement or waiver authorized pursuant and adopted in accordance with this Article Nine; *provided* that the Trustee may, but shall not be obligated to, execute any such amendment, supplement or waiver which affects the Trustee's own rights, duties or immunities under this Indenture. The Trustee shall receive, if requested, an indemnity and/or security (including by way of pre-funding) satisfactory to it and to receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officer's Certificate each stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article Nine is authorized or permitted by this Indenture and that such amendment has been duly authorized, executed and delivered and is the legally valid and binding obligation of the Issuer enforceable against them in accordance with its terms (for the avoidance of doubt, such Opinion of Counsel is not required with respect to any Guarantor). Such Opinion of Counsel shall be an expense of the Issuer.

SECTION 9.08 Additional Voting Terms; Calculation of Principal Amount.

(a) All Notes issued under this Indenture shall vote and consent together on all matters (as to which any of such Notes may vote) as one class and no series of Notes will have the right to vote or consent as a separate series on any matter; *provided, however*, that if any amendment, waiver or other modification will only affect one series of Notes, only the consent of the Holders of not less than a majority in principal amount of the affected series of Notes then outstanding (and not the consent of the Holders of at least a majority of all Notes), shall be required. Determinations as to whether Holders of the requisite aggregate principal amount of Notes have concurred in any direction, waiver or consent shall be made in accordance with this Article Nine and Section 9.08(b).

(b) The aggregate principal amount of the Notes, at any date of determination, shall be the principal amount of the Notes at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Notes, such percentage shall be calculated, on the relevant date of determination, by dividing (i) the principal amount, as of such date of determination, of Notes, the Holders of which have so consented by (b) the aggregate principal amount, as of such date of determination, of the Notes then outstanding, in each case, as determined in accordance with the preceding sentence, Section 2.08 and Section 2.09 of this Indenture. Any such calculation made pursuant to this Section 9.08(b) shall be made by the Issuer and delivered to the Trustee pursuant to an Officer's Certificate.

**ARTICLE TEN
GUARANTEE**

SECTION 10.01 Note Guarantees.

(a) The Guarantors, either by execution of this Indenture or a Supplemental Indenture, fully and, subject to the limitations on the effectiveness and enforceability set forth in

this Indenture or such Supplemental Indenture, as applicable, unconditionally guarantee, on a joint and several basis to each Holder and to the Trustee and its successors and assigns on behalf of each Holder, the full payment of principal of, premium, if any, interest, if any, and Additional Amounts, if any, on, and all other monetary obligations of the Issuer under this Indenture and the Notes (including obligations to the Trustee and the obligations to pay Additional Amounts, if any) with respect to, each Note authenticated and delivered by the Trustee or its agent pursuant to and in accordance with this Indenture, in accordance with the terms of this Indenture (all the foregoing being hereinafter collectively called the “Guaranteed Obligations”). The Guarantors further agree that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from the Guarantors and that the Guarantors shall remain bound under this Article Ten notwithstanding any extension or renewal of any Guaranteed Obligation. All payments under each Note Guarantee will be made in U.S. dollars.

(b) The Guarantors hereby agree that their obligations hereunder shall be as if they were each principal debtor and not merely surety, unaffected by, and irrespective of, any invalidity, irregularity or unenforceability of any Note or this Indenture, any failure to enforce the provisions of any Note or this Indenture, any waiver, modification or indulgence granted to the Issuer with respect thereto by the Holders or the Trustee, or any other circumstance which may otherwise constitute a legal or equitable discharge of a surety or guarantor (except payment in full); *provided* that notwithstanding the foregoing, no such waiver, modification, indulgence or circumstance shall without the written consent of the Guarantors increase the principal amount of a Note or the interest rate thereon or change the currency of payment with respect to any Note, or alter the Stated Maturity thereof. The Guarantors hereby waive diligence, presentment, demand of payment, filing of claims with a court in the event of merger or bankruptcy of the Issuer, any right to require that the Trustee pursue or exhaust its legal or equitable remedies against the Issuer prior to exercising its rights under a Note Guarantee (including, for the avoidance of doubt, any right which a Guarantor may have to require the seizure and sale of the assets of the Issuer to satisfy the outstanding principal of, interest on or any other amount payable under each Note prior to recourse against such Guarantor or its assets), protest or notice with respect to any Note or the Indebtedness evidenced thereby and all demands whatsoever, and each covenant that their Note Guarantee will not be discharged with respect to any Note except by payment in full of the principal thereof and interest thereon or as otherwise provided in this Indenture, including Section 10.04. If at any time any payment of principal of, premium, if any, interest, if any, or Additional Amounts, if any, on such Note is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Issuer, the Guarantors’ obligations hereunder with respect to such payment shall be reinstated as of the date of such rescission, restoration or returns as though such payment had become due but had not been made at such times.

(c) The Guarantors also agree to pay any and all costs and expenses (including reasonable attorneys’ fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

SECTION 10.02 Subrogation.

(a) Each Guarantor shall be subrogated to all rights of the Holders against the Issuer in respect of any amounts paid to such Holders by such Guarantor pursuant to the provisions of its Note Guarantee.

(b) The Guarantors agree that they shall not be entitled to any right of subrogation in relation to the Holders in respect of any Obligations guaranteed hereby until payment in full of all Obligations. The Guarantors further agree that, as between them, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Section 6.02 for the purposes of the Note Guarantees herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such Obligations as provided in Section 6.02, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purposes of this Section 10.02.

SECTION 10.03 Release of Note Guarantees. The Note Guarantee of a Guarantor (other than Carnival Corp. or Carnival plc) shall automatically be released:

(1) in connection with any sale or other disposition of all or substantially all of the assets of such Subsidiary Guarantor (including by way of merger, consolidation, amalgamation or combination) to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, if the sale or other disposition does not violate Section 4.09;

(2) in connection with any sale or other disposition of Capital Stock of that Subsidiary Guarantor to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, if the sale or other disposition does not violate Section 4.09 and the Subsidiary Guarantor either (i) ceases to be a Restricted Subsidiary as a result of such sale or other disposition or (ii) would not be required to provide a Note Guarantee under Section 4.15;

(3) if Carnival Corp. designates such Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the applicable provisions of this Indenture;

(4) upon the full and final payment of the Notes and performance of all Obligations of the Issuer and the Guarantors under this Indenture, the Notes and the Note Guarantees;

(5) upon Legal Defeasance, Covenant Defeasance or satisfaction and discharge of the Notes, the Note Guarantees and this Indenture as provided under Article Eight; and

(6) as described under Article Nine;

provided that, in each case, such Subsidiary Guarantor has delivered to the Trustee an Officer's Certificate stating that all conditions precedent provided for in this Indenture relating to such release have been complied with.

The Note Guarantees of Carnival Corp. and Carnival plc shall automatically be released upon any of the circumstances described in clauses (4), (5) and (6) of the immediately preceding paragraph; *provided* that, in each case, Carnival Corp. has delivered to the Trustee an Officer's Certificate stating that all conditions precedent provided for in this Indenture relating to such release have been complied with.

The Trustee shall take all necessary actions at the request of Carnival Corp. to effectuate any release of a Note Guarantee in accordance with these provisions. Each of the releases set forth above shall be effected by the Trustee without the consent of the Holders and will not require any other action or consent on the part of the Trustee.

SECTION 10.04 Limitation and Effectiveness of Note Guarantees. Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent conveyance or a fraudulent transfer for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor under its Guarantee will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all Guaranteed Obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with accounting principles generally accepted in the United States.

SECTION 10.05 Notation Not Required. Neither the Issuer nor any Guarantor shall be required to make a notation on the Notes to reflect any Note Guarantee or any release, termination or discharge thereof.

SECTION 10.06 Successors and Assigns. This Article Ten shall be binding upon the Guarantors and each of their successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assigns, all subject to the terms and conditions of this Indenture.

SECTION 10.07 No Waiver. Neither a failure nor a delay on the part of the Trustee or the Holders in exercising any right, power or privilege under this Article Ten shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and are not exclusive of any other rights, remedies or benefits which either may have under this Article Ten at law, in equity, by statute or otherwise.

SECTION 10.08 Modification. No modification, amendment or waiver of any provision of this Article Ten, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No

notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstance.

SECTION 10.09 Limitation on the Italian Guarantor's Liability. Without prejudice to Section 10.04, the obligations of the Italian Guarantor under this Indenture shall be subject to the following limitations:

(a) obligations of the Italian Guarantor shall not include, and shall not extend, directly or indirectly, to any indebtedness incurred by any obligor as borrower or as a guarantor in respect of any proceeds of the issuance of the Notes, the purpose or actual use of which is, directly or indirectly:

- (i) the acquisition of the Italian Guarantor (and/or of any entity directly or indirectly controlling it), including any related costs and expenses;
- (ii) a subscription for any shares in the Italian Guarantor (and/or any entity directly or indirectly controlling it), including any related costs and expenses; or
- (iii) the refinancing thereof;

(b) without prejudice to Section 10.04, and pursuant to Article 1938 of the Italian Civil Code, the maximum amount that the Italian Guarantor may be required to pay in respect of its obligations as Guarantor under the Notes shall not exceed \$2,030,000,000;

(c) without prejudice to Section 10.04, the maximum amount that the Italian Guarantor may be required to pay in respect of its obligations as Guarantor in respect of this Indenture shall not exceed, at any given time, the following amount: (i) the ratio between the value of vessels owned by the Italian Guarantor and subject to mortgage to secure the Existing First-Priority Secured Notes, the Existing Second-Priority Secured Notes, the Existing Term Loan Facility and the EIB Facility, as resulting by the latest available appraisals *divided by* the value of all vessels owned by the Carnival Group (including the Italian Guarantor) and subject to mortgage to secure the Existing First-Priority Secured Notes, the Existing Second-Priority Secured Notes, the Existing Term Loan Facility and the EIB Facility, as resulting by latest available appraisals *multiplied by* (ii) the sum of (x) the outstanding amount of the Notes and (y) amounts issued/drawn down and not repaid yet under the Notes and the Existing First-Priority Secured Notes, the Existing Second-Priority Secured Notes, the Existing Term Loan Facility, the EIB Facility and the Existing Unsecured Notes; and

(d) obligations of the Italian Guarantor shall not extend to the payment obligations of other entities which do not belong to the Italian Guarantor's corporate group (*gruppo di appartenenza*) in the meaning of articles 1(e) of the decree of the Italian Ministry of Economy and Finance No. 53 of April 2, 2015.

SECTION 12.04 Rules by Trustee, Paying Agent and Registrar. The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar and the Paying Agent may make reasonable rules for their functions.

SECTION 12.05 [Reserved].

SECTION 12.06 Legal Holidays. If an Interest Payment Date or other payment date is not a Business Day, payment shall be made on the next succeeding day that is a Business Day, and no interest shall accrue for the intervening period. If a Record Date is not a Business Day, the Record Date shall not be affected.

SECTION 12.07 Governing Law. THIS INDENTURE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 12.08 Jurisdiction. The Issuer and each Guarantor agree that any suit, action or proceeding against the Issuer or any Guarantor brought by any Holder or the Trustee arising out of or based upon this Indenture, the Notes or the Note Guarantees may be instituted in any state or Federal court in the Borough of Manhattan, New York, New York, and any appellate court from any thereof, and each of them irrevocably submits to the non-exclusive jurisdiction of such courts in any suit, action or proceeding. Each of the Issuer and the Guarantors irrevocably waives, to the fullest extent permitted by law, any objection to any suit, action, or proceeding that may be brought in connection with this Indenture, the Notes or the Note Guarantees, including such actions, suits or proceedings relating to securities laws of the United States of America or any state thereof, in such courts whether on the grounds of venue, residence or domicile or on the ground that any such suit, action or proceeding has been brought in an inconvenient forum. The Issuer and the Guarantors agree that final judgment in any such suit, action or proceeding brought in such court shall be conclusive and binding upon the Issuer or any Guarantor, as the case may be, and may be enforced in any court to the jurisdiction of which the Issuer or any Guarantor, as the case may be, are subject by a suit upon such judgment; *provided* that service of process is effected upon the Issuer or any Guarantor, as the case may be, in the manner provided by this Indenture. Each of

the Issuer and the Guarantors not resident in the United States has appointed National Registered Agents, Inc., located 28 Liberty Street, New York, New York 10005, or any successor so long as such successor is resident in the United States and can act for this purpose, as its authorized agent (the “Authorized Agent”), upon whom process may be served in any suit, action or proceeding arising out of or based upon this Indenture, the Notes or the Note Guarantees or the transactions contemplated herein which may be instituted in any state or Federal court in the Borough of Manhattan, New York, New York, by any Holder or the Trustee, and expressly accepts the non-exclusive jurisdiction of any such court in respect of any such suit, action or proceeding. National Registered Agents, Inc. has hereby accepted such appointment and has agreed to act as said agent for service of process, and the Issuer and each Guarantor agrees to take any and all action, including the filing of any and all documents that may be necessary to continue such respective appointment in full force and effect as aforesaid. Service of process upon the Authorized Agent shall be deemed, in every respect, effective service of process upon the Issuer and Guarantors, as applicable. Notwithstanding the foregoing, any action involving the Issuer or Guarantors arising out of or based upon this Indenture, the Notes or the Note Guarantees may be instituted by any Holder or the Trustee in any other court of competent jurisdiction. The Issuer and each Guarantor expressly consents to the jurisdiction of any such court in respect of any such action and waives any other requirements of or objections to personal jurisdiction with respect thereto.

EACH OF THE ISSUER, THE GUARANTORS AND THE TRUSTEE, AND EACH HOLDER OF A NOTE BY ITS ACCEPTANCE THEREOF, HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT IT MAY HAVE TO TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

SECTION 12.09 No Recourse Against Others. A director, officer, employee, incorporator, member or shareholder, as such, of the Issuer or any Guarantor shall not have any liability for any obligations of the Issuer or any Guarantor under this Indenture, the Notes or any Note Guarantee or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Holder shall waive and release all such liability. The waiver and release shall be part of the consideration for the issue of the Notes.

SECTION 12.10 Successors. All agreements of the Issuer and any Guarantor in this Indenture and the Notes shall bind their respective successors. All agreements of the Trustee in this Indenture shall bind its successors.

SECTION 12.11 Counterparts. The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. One signed copy is enough to prove this Indenture. The exchange of copies of this Indenture and of signature pages by facsimile or other electronic transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto. Signatures of the parties hereto transmitted by facsimile or other electronic transmission shall be deemed to be their original signatures for all purposes.

SECTION 12.12 Table of Contents and Headings. The table of contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

SECTION 12.13 Severability. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 12.14 Currency Indemnity. Any payment on account of an amount that is payable in U.S. dollars (the "Required Currency") which is made to or for the account of any holder or the Trustee in lawful currency of any other jurisdiction (the "Judgment Currency"), whether as a result of any judgment or order or the enforcement thereof or the liquidation of the Issuer or any Guarantor, shall constitute a discharge of the Issuer or the Guarantors' obligations under this Indenture and the Notes or Note Guarantee, as the case may be, only to the extent of the amount of the Required Currency with such holder or the Trustee, as the case may be, could purchase in the London foreign exchange markets with the amount of the Judgment Currency in accordance with normal banking procedures at the rate of exchange prevailing on the first Business Day following receipt of the payment in the Judgment Currency. If the amount of the Required Currency that could be so purchased is less than the amount of the Required Currency originally due to such holder or the Trustee, as the case may be, the Issuer and the Guarantors shall indemnify and hold harmless the holder or the Trustee, as the case may be, from and against all loss or damage arising out of, or as a result of, such deficiency. This indemnity shall constitute an obligation separate and independent from the other obligations contained in this Indenture or the Notes, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any holder or the Trustee from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due hereunder or under any judgment or order.

[FORM OF REVERSE SIDE OF NOTE]
10.375% Senior Priority Note due 2028

1. Interest

Carnival Holdings (Bermuda) Limited, an exempted company incorporated under the laws of Bermuda (together with its successors and assigns under the Indenture, the “Issuer”), for value received, promises to pay interest on the principal amount of this Note from [●], 20[●] at the rate per annum shown above. Interest will be computed on the basis of a 360-day year of twelve 30-day months. The Issuer shall pay interest on overdue principal and interest, including Additional Amounts, if any, at a rate that is 1.0% higher than the interest rate on the Notes to the extent lawful. Any interest paid on this Note shall be increased to the extent necessary to pay Additional Amounts as set forth in this Note.

2. Additional Amounts

(a) All payments made by or on behalf of the Issuer or any of the Guarantors (including, in each case, any successor entity) under or with respect to the Notes or any Note Guarantee shall be made free and clear of and without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If the Issuer, any Guarantor or any other applicable withholding agent is required by law to withhold or deduct any amount for, or on account of, any Taxes imposed or levied by or on behalf of (1) any jurisdiction (other than the United States) in which the Issuer or any Guarantor is or was incorporated, engaged in business, organized or resident for tax purposes or any political subdivision thereof or therein or (2) any jurisdiction from or through which any payment is made by or on behalf of the Issuer or any Guarantor (including, without limitation, the jurisdiction of any Paying Agent) or any political subdivision thereof or therein (each of (1) and (2), a “Tax Jurisdiction”) in respect of any payments under or with respect to the Notes or any Note Guarantee, including, without limitation, payments of principal, redemption price, purchase price, interest or premium, the Issuer or the relevant Guarantor, as applicable, shall pay such additional amounts (the “Additional Amounts”) as may be necessary in order that the net amounts received and retained in respect of such payments by each beneficial owner of Notes after such withholding or deduction shall equal the respective amounts that would have been received and retained in respect of such payments in the absence of such withholding or deduction; *provided, however*, that no Additional Amounts shall be payable with respect to:

(1) any Taxes, to the extent such Taxes would not have been imposed but for the holder or the beneficial owner of the Notes (or a fiduciary, settlor, beneficiary, partner of, member or shareholder of, or possessor of a power over, the relevant holder, if the relevant holder is an estate, trust, nominee, partnership, limited liability company or corporation) being or having been a citizen or resident or national of, or incorporated, engaged in a trade or business in, being or having been physically present in or having a permanent establishment in, the relevant Tax Jurisdiction or having or having had any other present or former connection with the relevant Tax Jurisdiction, other than any connection arising solely from the acquisition, ownership or disposition of Notes, the exercise or enforcement of rights under such Note, the Indenture or a Note Guarantee, or the receipt of payments in respect of such Note or a Note Guarantee;

(2) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Note for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the holder (except to the extent that the holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period);

(3) any estate, inheritance, gift, sale, transfer, personal property or similar Taxes;

(4) any Taxes payable other than by deduction or withholding from payments under, or with respect to, the Notes or any Note Guarantee;

(5) any Taxes to the extent such Taxes would not have been imposed or withheld but for the failure of the holder or beneficial owner of the Notes, following the Issuer's reasonable written request addressed to the holder at least 60 days before any such withholding or deduction would be imposed, to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the holder or beneficial owner is legally eligible to provide such certification or documentation;

(6) any Taxes imposed in connection with a Note presented for payment (where presentation is permitted or required for payment) by or on behalf of a holder or beneficial owner of the Notes to the extent such Taxes could have been avoided by presenting the relevant Note to, or otherwise accepting payment from, another Paying Agent;

(7) any Taxes imposed on or with respect to any payment by the Issuer or any of the Guarantors to the holder of the Notes if such holder is a fiduciary or partnership or any person other than the sole beneficial owner of such payment to the extent that such Taxes would not have been imposed on such payments had such holder been the sole beneficial owner of such Note;

(8) any Taxes that are imposed pursuant to current Section 1471 through 1474 of the Internal Revenue Code of 1986, as amended (the "Code"), or any amended or successor version that is substantively comparable and not materially more onerous to comply with, any regulations promulgated thereunder, any official interpretations thereof, any intergovernmental agreement between a non-U.S. jurisdiction and the United States (or any related law or administrative practices or procedures) implementing the foregoing or any agreements entered into pursuant to current Section 1471(b)(1) of the Code (or any amended or successor version described above); or

(9) any combination of clauses (1) through (8) above.

In addition to the foregoing, the Issuer and the Guarantors will also pay and indemnify the holder for any present or future stamp, issue, registration, value added, transfer, court or

documentary Taxes, or any other excise or property taxes, charges or similar levies (including penalties, interest and additions to tax related thereto) which are levied by any jurisdiction on the execution, delivery, issuance, or registration of any of the Notes, the Indenture, any Note Guarantee or any other document referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Notes or any Note Guarantee (limited, solely in the case of Taxes attributable to the receipt of any payments, to any such Taxes imposed in a Tax Jurisdiction that are not excluded under clauses (1) through (3) or (5) through (9) above or any combination thereof).

(b) If the Issuer or any Guarantor, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Note Guarantee, the Issuer or the relevant Guarantor, as the case may be, will deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the Issuer or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officer's Certificates must also set forth any other information reasonably necessary to enable the Paying Agents to pay Additional Amounts to Holders on the relevant payment date. The Issuer or the relevant Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of Additional Amounts. The Trustee shall be entitled to rely absolutely on an Officer's Certificate as conclusive proof that such payments are necessary.

(c) The Issuer or the relevant Guarantor, if it is the applicable withholding agent, will make all withholdings and deductions (within the time period) required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuer or the relevant Guarantor will use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Issuer or the relevant Guarantor will furnish to the Trustee (or to a Holder upon request), within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or a Guarantor, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments (reasonably satisfactory to the Trustee) by such entity.

(d) Whenever in the Indenture or this Note there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes or any Note Guarantee, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(e) The preceding obligations will survive any termination, defeasance or discharge of the Indenture, any transfer by a holder or beneficial owner of its Notes, and will apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to the Issuer (or any Guarantor) is incorporated, engaged in business, organized or resident for tax purposes, or any jurisdiction from or through which payment is made under or with respect to the Notes (or any Note Guarantee) by or on behalf of such Person and, in each case, any political subdivision thereof or therein.

3. Method of Payment

The Issuer shall pay interest on this Note (except defaulted interest) to the Holder at the close of business on the Record Date for the next Interest Payment Date even if this Note is cancelled after the Record Date and on or before the Interest Payment Date. The Issuer shall pay principal and interest in U.S. Dollars in immediately available funds that at the time of payment is legal tender for payment of public and private debts; *provided* that payment of interest may be made at the option of the Issuer by check mailed to the Holder.

The amount of payments in respect of interest on each Interest Payment Date shall correspond to the aggregate principal amount of Notes represented by this Note, as established by the Registrar at the close of business on the relevant Record Date. Payments of principal shall be made upon surrender of this Note to the Paying Agent.

4. Paying Agent and Registrar

Initially, U.S. Bank Trust Company, National Association or one of its affiliates will act as Principal Paying Agent and Registrar. The Issuer or any of its Affiliates may act as Paying Agent, Registrar or co-Registrar.

5. Indenture

The Issuer issued this Note under an indenture dated as of October 25, 2022 (as amended, supplemented or otherwise modified from time to time, the "Indenture"), among, *inter alios*, the Issuer, the guarantors party thereto, U.S. Bank Trust Company, National Association, as trustee (the "Trustee") and U.S. Bank Trust Company, National Association, as Principal Paying Agent, Transfer Agent and Registrar. The terms of this Note include those stated in the Indenture. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

6. Optional Redemption

(a) Prior to May 1, 2025 (the "First Call Date"), the Issuer may redeem the Notes at its option, in whole at any time or in part from time to time, upon not less than 10 nor more than 60 days' prior notice mailed by the Issuer by first-class mail to each Holder's registered address, or delivered electronically if held by DTC, Euroclear or Clearstream, as applicable, at a redemption price equal to 100.0% of the principal amount of such Notes redeemed plus the relevant Applicable Premium as of, and accrued and unpaid interest, if any, to, but excluding, the applicable redemption date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date.

(b) On or after the First Call Date, the Issuer may redeem the Notes at its option, in whole at any time or in part from time to time, upon not less than 10 nor more than 60 days' prior notice mailed by the Issuer by first-class mail to each Holder's registered address, or delivered electronically if held by DTC, Euroclear or Clearstream, as applicable, at the following redemption prices (expressed as a percentage of the principal amount of such Notes redeemed), plus accrued and unpaid interest and Additional Amounts, if any, to, but excluding, the applicable redemption

date, subject to the rights of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date, if redeemed during the applicable period set forth below:

Period	Redemption Price
First Call Date to April 30, 2026	105.188%
May 1, 2026 to April 30, 2027	102.594%
May 1, 2027 and thereafter	100.000%

(c) Notwithstanding the foregoing, at any time and from time to time prior to the First Call Date, the Issuer may redeem an aggregate principal amount of Notes up to 40% of the sum of (x) the original aggregate principal amount of the Notes issued on the Issue Date plus (y) the aggregate principal amount of additional Notes after the Issue Date (such sum, the “Issued Principal Amount”) in an amount up to the net cash proceeds of one or more Equity Offerings at a redemption price (expressed as a percentage of principal amount thereof) of 110.375%, plus accrued and unpaid interest, if any, to, but excluding, the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date); provided, however, that at least 50% of the Issued Principal Amount of Notes must remain outstanding after each such redemption; provided, further, that such redemption shall be completed upon not less than 10 nor more than 60 days’ notice mailed by the Issuer to each holder of Notes being redeemed to each such holder’s registered address, or delivered electronically if held by DTC, Euroclear or Clearstream, as applicable, and otherwise in accordance with the procedures set forth in the Indenture.

“Applicable Premium” means, with respect to any Note on any redemption date, the greater of:

- (1) 1.0% of the principal amount of the Note; and
- (2) the excess of:

(a) the present value at such redemption date of (i) the redemption price of the Note at the First Call Date plus (ii) all required interest payments due on the Note through the First Call Date (excluding accrued but unpaid interest to the redemption date), computed using a discount rate equal to the Treasury Rate as of such redemption date plus 50 basis points; over

(b) the principal amount of the Note.

For the avoidance of doubt, calculation of the Applicable Premium shall not be an obligation or duty of the Trustee or the Registrar or any Paying Agent.

“Treasury Rate” means, as of any redemption date, the weekly average rounded to the nearest 1/100th of a percentage point (for the most recently completed week for which such information is available as of the date that is two Business Days prior to the redemption date) of the yield to maturity of United States Treasury Securities with a constant maturity (as compiled and published in Federal Reserve Statistical Release H.15 with respect to each applicable day

during such week or, if such Statistical Release is no longer published, any publicly available source of similar market data) most nearly equal to the period from the redemption date to the First Call Date; provided, however, that if the period from the redemption date to the First Call Date is not equal to the constant maturity of a United States Treasury Security for which such a yield is given, the Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the weekly average yields of United States Treasury Securities for which such yields are given, except that if the period from the redemption date to the First Call Date is less than one year, the weekly average yield on actually traded United States Treasury Securities adjusted to a constant maturity of one year shall be used.

7. Redemption for Changes in Taxes

The Issuer may redeem the Notes, in whole but not in part, at its discretion at any time upon giving not less than 10 nor more than 60 days' prior written notice to the Holders of the Notes (which notice shall be irrevocable and given in accordance with the procedures set forth under Section 3.04 of the Indenture), at a Redemption Price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to the date fixed by the Issuer for redemption (a "Tax Redemption Date") and all Additional Amounts (if any) then due or which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Notes or Note Guarantee, the Issuer or any Guarantor is or would be required to pay Additional Amounts (but, in the case of a Guarantor, only if the payment giving rise to such requirement cannot be made by the Issuer or another Guarantor without the obligation to pay Additional Amounts), and the Issuer or the relevant Guarantor cannot avoid any such payment obligation by taking reasonable measures available (including, for the avoidance of doubt, appointment of a new Paying Agent but excluding the reincorporation or reorganization of the Issuer or any Guarantor), and the requirement arises as a result of: (1) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the relevant Tax Jurisdiction which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of the Offering Memorandum, after such later date); or (2) any change in, or amendment to, the official application, administration or interpretation of such laws, regulations or rulings (including by virtue of a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of the Offering Memorandum, after such later date) (each of the foregoing clauses (1) and (2), a "Change in Tax Law").

The Issuer shall not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuer or the relevant Guarantor would be obligated to make such payment or Additional Amounts if a payment in respect of the Notes or Note Guarantee were then due and at the time such notice is given, the obligation to pay Additional Amounts must remain in effect. Prior to the mailing of any notice of redemption of the Notes pursuant to the foregoing, the Issuer shall deliver the Trustee an opinion of independent tax counsel of recognized standing qualified under the laws of the relevant Tax Jurisdiction (which counsel shall be reasonably acceptable to the Trustee) to the effect that there has been a Change in Tax Law which would

entitle the Issuer to redeem the Notes hereunder. In addition, before the Issuer mails notice of redemption of the Notes as described above, it shall deliver to the Trustee an Officer's Certificate to the effect that it cannot avoid its obligation to pay Additional Amounts by the Issuer or the relevant Guarantor taking reasonable measures available to it.

The Trustee will accept and shall be entitled to rely on such Officer's Certificate and opinion of counsel as sufficient evidence of the existence and satisfaction of the conditions as described above, in which event it will be conclusive and binding on all of the Holders.

The foregoing provisions of this paragraph 7 will apply, *mutatis mutandis*, to any successor of the Issuer (or any Guarantor) with respect to a Change in Tax Law occurring after the time such Person becomes successor to the Issuer (or any Guarantor).

8. Repurchase at the Option of Holders

(a) Upon a Change of Control Triggering Event, the Holders shall have the right to require the Issuer to offer to repurchase the Notes pursuant to Section 4.11 of the Indenture.

(b) The Notes may also be subject to Asset Sale Offers pursuant to Section 4.09 of the Indenture.

9. Denominations

The Notes (including this Note) are in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof of principal amount at maturity. The transfer of Notes (including this Note) may be registered, and Notes (including this Note) may be exchanged, as provided in the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture.

10. Unclaimed Money

All moneys paid by the Issuer or the Guarantors to the Trustee or a Paying Agent for the payment of the principal of, or premium, if any, or interest on, this Note or any other Note that remain unclaimed at the end of two years after such principal, premium or interest has become due and payable may be repaid to the Issuer or the Guarantors, subject to applicable law, and the Holder of such Note thereafter may look only to the Issuer or the Guarantors for payment thereof.

11. Discharge and Defeasance

The Notes shall be subject to defeasance, satisfaction and discharge as provided in Article Eight of the Indenture.

12. Amendment, Supplement and Waiver

The Note Documents may be amended or modified as provided in Article Nine of the Indenture.

13. Defaults and Remedies

This Note and the other Notes have the Events of Default as set forth in Section 6.01 of the Indenture.

14. Trustee Dealings with the Issuer

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuer, the Guarantors or any of their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co-Registrar or co-Paying Agent may do the same with like rights.

15. No Recourse Against Others

A director, officer, employee, incorporator, member or shareholder, as such, of the Issuer or the Guarantors shall not have any liability for any obligations of the Issuer or the Guarantors under this Note, the other Notes, the Note Guarantees or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. By accepting a Note, each Holder shall waive and release all such liability. The waiver and release are part of the consideration for issuance of the Notes.

16. Authentication

This Note shall not be valid until an authorized officer of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

17. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

18. ISIN and/or CUSIP Numbers

The Issuer may cause ISIN and/or CUSIP numbers to be printed on the Notes, and if so the Trustee shall use ISIN and/or CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed on the Notes.

Because forward-looking statements involve risks and uncertainties, there are many factors that could cause our actual results, performance or achievements to differ materially from those expressed or implied by our forward-looking statements. This note contains important cautionary statements of the known factors that we consider could materially affect the accuracy of our forward-looking statements and adversely affect our business, results of operations and financial position. Additionally, many of these risks and uncertainties are currently, and in the future may continue to be, amplified by COVID-19. It is not possible to predict or identify all such risks. There may be additional risks that we consider immaterial or which are unknown. These factors include, but are not limited to, the following:

- COVID-19 has had, and is expected to continue to have, a significant impact on our financial condition and operations. The current, and uncertain future, impact of COVID-19, including its effect on the ability or desire of people to travel (including on cruises), is expected to continue to impact our results, operations, outlooks, plans, goals, reputation, litigation, cash flows, liquidity, and stock price;
 - events and conditions around the world, including war and other military actions, such as the current invasion of Ukraine, inflation, higher fuel prices, higher interest rates and other general concerns impacting the ability or desire of people to travel have led and may in the future lead, to a decline in demand for cruises, impacting our operating costs and profitability;

- increases in fuel prices, changes in the types of fuel consumed and availability of fuel supply may adversely impact our scheduled itineraries and costs;
- we rely on supply chain vendors who are integral to the operations of our businesses. These vendors and service providers are also affected by COVID-19 and may be unable to deliver on their commitments which could impact our business;
- fluctuations in foreign currency exchange rates may adversely impact our financial results;
- overcapacity and competition in the cruise and land-based vacation industry may lead to a decline in our cruise sales, pricing and destination options;
